Valley View

By Mrs. Roy Lakey

Our community, like many others, has been besieged by colds, flu and pneumonia. Victims are too numerous to mention, but everybody hopes everybody will be well soon.

Mr. and Mrs. Robert Neal Jones and son Johnnie are proving very interesting people. They have recently returned from occupied Japan and we are getting firsthand information about the Orient. Mrs. Jones is to address the WSCS. She will have on display interesting and beautiful souvenirs. Mrs. Jones will also show pictures at the Men's Fellowship meeting Monday evening. Mr. Jones will leave within a few days for San Antonio where he will be stationed with the Air Force. Johnnie described his Japanese playmates to his Sunday School class. He is attending school at Valley View and is quite a likeable person.

Mr. and Mrs. A. Hayter of Gordonville, parents of Mrs. Paul Coppock, were recent visitors in the community.

Paul Flake and Miss Betty Seacer of Wichita Falls were recent visitors in the Roy Lakey home.

Mrs. J. F. McKinlay is visiting her son Ralph and family.

Miss Wilton Wilson, teacher in Valley View, is at her home in Wichita Falls suffering with pneumonia. Mrs. Paul Lambert is her substitute. Mrs. Collins is teaching for Mrs. B. L. Bradford who is out while her husband is recovering from an operation.

The Brewer Grocery store is being enlarged. Mr. and Mrs. Brewer have moved into the house next door while the work is being done, at which time the partition between the store and living quarters will be removed.

Mrs. A. W. Burnside was married recently to Robert Goree of Pine Valley, Calif. Everyone wishes her much happiness. Mr. J. M. McFall met Mr. Goree some 30 years ago. News of the wedding reached here through a clipping from the San Diego newspaper sent by Mrs. McFall.

The WSCS met Monday with Mrs. Clark Harrell presenting the study on Japan. Letters were read from Japanese girls who have learned English words but who have to use a dictionary to find their meaning. Their handwriting and wording of letters are excellent. Next Monday at 2:30 Mrs. Culpepper and Mrs. O. D. Childers will be hostesses to the group at Mrs. Childers' home. Mrs. House will serve as program chairman.

Mrs. C. C. Burnett has returned from a visit with her mother at

Gonzales. Her mother, who is 90, is much improved after a serious illness.

Mrs. W. W. Bishop has gone to Jackson, Miss., to be with her mother, who underwent an operation last week. Mrs. Quinnelly has visited the Bishops and has many friends here who wish her a speedy recovery.

The WSCS will serve luncheon Tuesday in the church annex. Serving family style, they offer all the food one can eat for \$1.

Prowlers and thieves are on the move again. They have broken into Otis Gay's rig and tool house, Steve Brown's property, and two of Roy Lakey's powers. Those who are accused of burglarizing Chambers Station were caught, so the law is on the job.

Funeral services were held Monday for Fred Junkin, who had been ill many months. The entire community extends sincere sympathy to Mrs. Junkin.

Take notice: All you who read the Herald. Let us cooperate by sending news to our publishers who are endeavoring to make a better paper for the community. If you have news, call 90 F 31 Kamay or send it directly to the Herald office.

Five Positions Open For City Election

At a regular meeting of the Iowa Park City Council, held Monday night, Jan. 16, in the City Hall, with all members of the council being present, the following official action was taken:

The 1950 city election was called to be held the First Tuesday in April, being April 4, in the City hall — one voting place only.

Purpose of the election is for the selection of a mayor, three aldermen and a city secretary.

Anyone desiring to have his or her name placed on the ballot for either of the above named offices must sign a SWORN application stating the office for which he is a candidate, and this application must be filed with the city secretary at least 30 days prior to the election. The final date for the filing of names is set for 12:00 noon, Saturday, March 4.

Presiding judges for the election will be R. R. Brubaker and Rollins Woodall. The clerks will be Mrs. Joe F. Bell and Mrs. T. E. Gilbreath.

Holdover members of the city council are Earle L. Denny and C. L. Metz, aldermen.

Polls will be open at 8 a.m. and will close at 7 p.m.

School People Honor Miss Lorene Battle

The approaching marriage of Miss Lorene Battle, office secretary to Superintendent W. R. Bradford, served as incentive for a gathering on Thursday evening, January 19, of the entire school personnel. The gathering took the form of a dinner held in the school cafeteria. Following the invocation by Rev. Francis E. Barnes, the guests were seated at sextet tables laid with white lace place mats and decorated with center bouquets of white carnations and greenery. At the conclusion of the meal, Miss Battle and her fiancé Mr. Gordon Callahan, were directed on a treasure hunt by Mr. Bradford. The guests followed the young couple by a devious route to a corner of the gymnasium where was cached the treasure—a large basket filled with kitchen gadgets, the shower gifts of Miss Battle's co-workers. Music and games furnished the diversion for the remainder of the evening.

In addition to the honor guests, those attending were Messrs. and Mesdames Rollins Woodall, H. B. Kilmerman, O. R. Kelly, T. J. Pace, Neil Johnson, Burk Scott, W. R. Bradford, W. E. Weathers, Watkins Walker, J. D. Morrison, Carl Hoffman, J. Louis Quick, Francis E. Barnes, Tommy Beene, M. J. McDonald, O. R. Owen, Roy Smith, Thomas Taylor, Chauncey Weiler.

And Miss Ethyle Kidwell, Mrs. Charlie Lemond, Mrs. Jack Ralston, Mrs. Dorothy Thompson, Mrs. J. C. Roby, Mrs. Helen Kilpatrick, Mrs. Ruth Lucy, Miss Denona Honeycutt, Miss Dillie Lomax, Miss Pearl Buckley, Miss Wilma Jean Neale, Miss Florene Linton, Miss Olea Curlee, Bill Cook and Norman Harris of Wichita Falls.

Mr. and Mrs. Emer Price and Curtis spent Sunday in Nocona with his sister Mrs. W. O. Cooper and family.

Mrs. C. W. Coppock and Mrs. Paul Coppock took the latter's parents Mr. and Mrs. Albert Hayter, to their home at Gordonville, Tuesday. As they returned Wednesday they visited with Mr. and Mrs. J. C. Horn at Nocona.

The study group of the Iowa Park PTA met at the home of Mrs. D. O. James, Tuesday for an all day session. Mrs. R. E. Waters was study leader. Others present were Mmes. James Sewell, Arch Hughes, H.

Pierce, John Wesley, George R. Huckaby and Taylor George. Mrs. Wayne Short continued the teaching of the mission book "Ring in the New" to the YWA of the Baptist church Monday evening.

Members of the Mary-Martha circle served refreshments to Misses Zada, Philetious and Margie Lemond, Frances Bell, Helen Mitchell, June Robinson, Mrs. Short and the counselor Mrs. Homer Blalock.

HADACOL IS HELPFUL TO FOLKS OF ALL AGE GROUPS

Countless thousands have proved that HADACOL is beneficial to folks of all ages. That is the reason so many purchase the large economy size bottle so all the family can benefit from nature's vitamins and minerals in HADACOL.

For instance, Miss Ethel Guidry, 822 Montgomery St., Port Neches, Texas, only 17 years old, was "feeling nervous, had little appetite, her face was pale and drawn and she suffered from gas on the stomach."

Her system lacked the B Vitamins and Minerals which HADACOL contains and this may cause digestive disturbances such as heartburns, indigestion, and often times Miss Guidry says she could not eat the kind and type of food she wanted without feeling terrible afterwards.

Miss Guidry, who recently graduated from high school, is already working in a bank. She said that after taking several bottles of HADACOL she is now "feeling wonderful," and has "lots of pep and energy."

Most folks take HADACOL because it has worked such wonders for relatives or friends. Miss Guidry took HADACOL because her mother had taken 12 bottles with excellent results.

In nearby Port Arthur, Texas, Mrs. W. M. Thompson took HADACOL because it had done her husband so much good. He, in turn, had taken HADACOL because an elderly neighbor told him of "feeling so much better after taking several bottles of HADACOL."

Mrs. Thompson's normal weight is 135 pounds but she was down to 110 pounds before taking HADACOL, and after taking a few bottles of HADACOL she regained her normal weight.

"I was bothered with stomach trouble, gastric disturbances, I had lost my appetite and was bloated," said Mrs. Thompson.

She had tried several preparations before taking her husband's advice on HADACOL and now she enthusiastically recommends HADACOL to her friends.

She, too, like Miss Guidry and the others, was suffering from the lack of the B Vitamins and Minerals in her system which HADACOL contains.

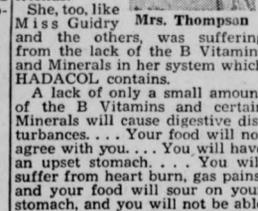

A lack of only a small amount of the B Vitamins and certain Minerals will cause digestive disturbances. . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from heart burn, gas pains, and your food will sour on your stomach, and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of the lack of the B Vitamins and Minerals which HADACOL contains. And if you suffer from such a disorder, there is no known cure except the administration of the Vitamins and Minerals which your system lacks.

HADACOL contains not only one, but five of the B Vitamins. HADACOL contains not only one, but four of the necessary Minerals. It comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away.

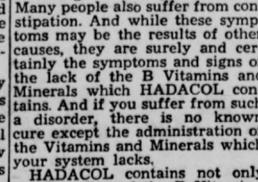

It is easy to understand, therefore, why countless thousands have already been benefited by this amazing tonic, HADACOL.

So, it matters not where you live . . . or if you have tried all the medicines under the sun, give this wonderful preparation a trial. Don't go on suffering! Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives again because HADACOL supplied the Vitamins and Minerals which your systems needed. Be fair to yourself. Give HADACOL a trial.

—Adv.

Sorority Presents Problem Playlet

An interesting and informative playlet based on excerpts from Dale Carnegie's "How to Stop Worrying and Start Living" was presented Tuesday night for members of Epsilon Eta chapter of Epsilon Sigma Alpha sorority. The skit was written by Mrs. M. C. Yeargan and she was assisted in the presentation by Misses Betty Birk, Bonnie Metz and Helen Mitchell.

The play took the form of a canasta party, but the players became engrossed in a discussion concerning one of the girls who felt she was being unjustly discussed by the town and the others came to her rescue by offering facts from the lives of great men who withstood slander and ridicule.

Mrs. O. M. Bell was program chairman for the evening.

Following the program, Miss Metz conducted the business session.

Refreshments were served by Mrs. W. A. George to the following members: Mesdames Pete Guthrie, Ted Overbey, Ted Zeck, Lavere Thompson, John Mixon, Al Reed, Donald Hill, Gregg Kildow II, Elmo Traylor, Ray Shook, O. M. Bell, Joel Cathey, and Misses Edna Good, Bonnie Metz, Helen Mitchell, Betty Birk, Mary Ellen Johnson, Jane Gaunt, Roberta Hill, Rayden Brown, Ela Simmons and Ardith Bell.

Edgar Johnson To Be Married Friday Night

Of interest to many friends is the wedding of Edgar D. Johnson of Iowa Park and Miss La Juan Denton of Crowell and Wichita Falls, which will be solemnized Friday evening, Jan. 20 at 6:30. Dr. James H. Landes, pastor, will perform the ceremony in the chapel of the First Baptist church of Wichita Falls.

The groom-elect is the son of Mr. and Mrs. J. C. Johnson and the bride-elect is the daughter of Mr. and Mrs. Jake B. Denton of Crowell.

Edgar Johnson was reared and educated here. He was graduated from the high school in 1943. He entered the army and served overseas. Following his discharge, he entered the University of Texas at Austin, later transferring to Hardin college, where he is working toward a degree in industrial biology.

Miss Denton is a graduate of the Crowell high school and is a Hardin college student in home economics. The couple plan to live in Wichita Falls and continue their college studies.

Following the wedding a reception will be held at the home of Mr. and Mrs. Ellis Hageman, 1803 Collins.

★ SENIOR NEWS

Ho! We're back again bringing you the latest gib-gab about the sr class.

We're all left with a headache after mid-term tests. However, we used for it the days some of us fooled the teachers and managed to get exempt. It seems Pat has a boyfriend who is mighty generous with his 49 Ford. It took a lot of talking believe me. Girl's I'll tell you how I did it someday.

Pug Blum really knocked everybody out Tuesday with that aqua suit on. Slick chick, no?

Babs Entekin borrowed Maryann's shears and tried to give herself a GI. Careful, Babs, you may succeed.

Bo! Did the srs give a showing in basketball and volleyball Tuesday night! Jack, Jerry, Jock, Jackie H. and Johnnie really helped make the winning scores. We're proud of you guys. Glad to see you back on the ball. As this was our first conference game, we're on top of the heap with one win and no losses. Hooray!

As you have noticed, Mrs. Lucy and the VB girls are all smiles since the new suits came in. I'll admit for a week we were sitting impatiently on pins and needles.

As a result of Tues. night, we were promised an extremely easy government test Wednesday instead of a complicated one.

Peg, if you don't stop asking so many questions in government, the people will think you are dumb—especially the same one over and over.

Since the drivers' course started I have a feeling we better get set for excitement. Well, I can dream can't I?

If you go into the library and hear something strange, it's Betty P. speaking Spanish. Take it easy, Bet, you might crack up.

Paula, you ole smarty! I guess you all know she made 96 on her shorthand test. Con-grat-u-lations! We hope that by the time you are reading this we'll be sporting new football jackets. They were to arrive last week, but you know how it is. So maybe we'll have them!

It was Friday the 13th. The time was 7:00-10:00. The place was the city auditorium. The event was an Iowa Park-Crowell basketball and volleyball match. The volleyball game was close but the basketball game was so close you couldn't have said who had the better team. We won the VB and tied the BB at 36 all. Just a lucky Friday 13th. Oh no—it took real skill and we're all proud of our boys and girls. And then the way we won Tuesday—we're doubly proud.

The sr party Thursday night was a real success. For seventyeven hours we square-danced, practicing for our floor show in Mexico next spring when we take our TRIP. Finally someone announced that we could eat. Poor kid—that one in the way of the door—he ain't no more! It was loads of fun. Let's have another soon. Okay? By the way, Mrs. Steed, did you bring any of your special dishes along?

Sniff, sniff. That's the word of greeting. Almost everybody has a cold. This winter is about to freeze us all. Maybe we'll live over it.

Pat and Franklin.

Three members of a grass judging team from Wichita county who will enter a grass judging contest at the Houston fat stock show, Feb. 4, are James Dalrymple, Page Morgan and Shuman Lewis, says county agent W. C. Callmeyer.

Mr. and Mrs. T. J. Pace and son Bobby accompanied by her mother Mrs. O. P. Kier of Wichita Falls, went to Fort Worth, Saturday, to be at the bedside of Mrs. Kiker's brother Dr. J. A. Kelley.

Farmers Union Sends Delegates to Meeting

The state convention of the Farmers Union will be held at Amarillo, Jan. 27-29, and Lee Trimm, Lee Lovell and J. J. White have been appointed to represent the Wichita Valley local at the meeting.

John Baker, from the department of agriculture at Washington, D.C., is scheduled to appear on the program Saturday afternoon at 2:00. There will be a number of state and national officials present.

Work Starts on City And County Directory

Iowa Park is to have its first city and county directory, which will also include Burkburnett, Electra, Kamay, Harrold, Elliot, the eastern half of Wilbarger county, and all of rural Wichita county.

Representatives of the Winters Publications company of Amarillo began this week collecting data for this volume.

The directory will include alphabetical listing of name, wife's name, children, occupation, employer, street address and telephone and a numerical telephone listing.

Rural listings will also include location from town, where mail is received, main crop, and buyers' guide and classified business directory.

The company is represented here by Mr. and Mrs. J. A. Heatwole, who are recognized qualified enumerators.

Cards will be left at the door of persons not at home with request that they be filled out and mailed as soon as possible. This is important to get a complete listing.

The directory will be off the press in mid-March.

Mother Keeps Chart On Iowa Park's 1949 Poliomyelitis Case

Mrs. E. L. Scott has prepared for the Herald a running account of her daughter Jeanine's attack by polio, beginning Aug. 11, 1949. It would be well for all parents to study this firsthand information.

Aug. 11—Sore throat.
Aug. 14—Headache and fever.
Aug. 15—Slight muscular soreness.
Aug. 16—Soreness in shoulder, arm and hand. Neck soreness and slight fever.

Aug. 17—Fever, soreness apparently gone. Stiff neck and vomiting; also trembling of hands and twitching of lower lip.

Aug. 18—Neck stiffness less, no pain. Fever rising, very weak and listless. Unable to retain food since previous morning.

Aug. 19—Same as day before, the twitching more pronounced, trembling increased. Spine tapped and polio verified.

She entered the hospital at 7 p.m. and was immediately given the Kinney hot pack treatment to any area that pained. This was continued for some time.

There were plenty of nurses to see after every need and a special physical therapist came twice daily and started special exercises to keep the muscles involved from degenerating.

After two weeks she was able to sit up and be helped into the whirlpool, a tublike device filled with hot water and with a pressure system that causes the water to circulate and relax the muscles. She was able to stand this once a day for a short period, but after a few days was able to stay in 20 minutes twice daily. Before three weeks she was able to walk a bit with a slight limp.

Left arm, hand and shoulder were weak and useless and the legs were weak.

We brought her home Oct. 8 and she had to take leg and arm exercises two times daily after a hot bath. Rest was the main requirement between this and visits to the doctor twice a week.

After about a month one bath was discontinued and visits to the doctor made once weekly.

She started to school half days two weeks before Thanksgiving and started full time after the holidays but must rest one period. The exercises have brought her leg muscles back to normal, but they tire easily.

The arm, hand and shoulder are much improved and are better than expectations. We firmly believe that getting to her case as soon as we did, the pack treatments, baths and most of all the therapy is all that saved her from being permanently crippled.

As it is, in a year from now she will show no visible defects, and that is a miracle in itself, as she wasn't able to bring her hand any farther than 4 inches from her body at the time she came home from the hospital. She can use it now for several things, and is able to lift small objects above her head.

It has taken a lot of time and constant care and courage on her part—but that is what it takes.

Cough, cough. Here we are again, you lucky people. If your life is dull just read some of the things our jrs do. Maybe it'll help.

I guess there is a first time for everything. Elga Ann took her first fall in volleyball the other day. It was a very good one at that. Something else—Kenneth Munden made one of the highest grades on his history test.

J. C. is sporting a new tooth this week. Not a baby tooth either.

Patricia was down to see us Friday and was seen with one of her old friends, Gene Parish. Jackie, Caroline and Lou Ann are going to spend the weekend with her when they go to the tournament at Nona. Will have to hear more about their little visit.

Well, rings are still flashing out every once in a while. Dorothea is sporting a nice shiny V.V. class ring (along with a roll of tape). It just matches that class pin she wears on that bright gold Valley View jacket.

Wilma Lea has been riding too many runningboards (one too many anyway). She is a solid bruise or scratch now but there are no complaints whatsoever.

About half the population of Iowa Park was at the House of Photography, Saturday. Among them was Elbert Little. Hmm—wonder what was up?

Sandra has a new haircut. Seems she went in for a feather bob and came out without many feathers. Looks real cute, tho.

Will someone please tell Joyce what inferiority means? She has been wanting to know for so long.

Ella Lou and Doris sat on the bench Tuesday night and didn't even fall off. The girls really do look pretty in their new suits. If you looked real hard you could see Bobby taking pictures of the all stars.

Page was trying to knock everyone's eyes out with his bright yellow shirt Wednesday. It really looks nice with his brown eyes.

Eldon Biggs has the loudest mouth in geometry class sometimes. If you know what I mean. Echoes....

Dorman has been seen quite a bit lately with one of Harold Lewis' old flames. Not mentioning any names.

As Charlene says, "True love never runs smooth." Thanks, Charlene, that gives lots of us hope.

Eva Nell is the smartest thing in P.E. class. She beats all.

Charlene and Wanda have learned some new words in English, so if they go down the hall jabbering something—don't think anything about it.

That Johnny Cobb (Patsy Mitchell) is taking the Drivers Course, so that by chance she will get her driver's license.

This is all she wrote this time, so I can hear Chattanooga Shu Shine Boy. Be seeing ya.

The Christian Women's Council began a six months' study of "Friendly Journeys in Japan" Monday afternoon when Mrs. Follins Woodall directed presentation of the first program, "Japan of the Closed Doors."

In her introductory remarks she told why the study of Japan is worthwhile. Mrs. Ralph Sisk presented a map talk to show where mission stations are located. The leader discussed "Swinging Doors—To Buddhism, to Chinese Culture, to Christianity." The concluding topic, "The Door Closed," was given by Mrs. Forest Bates.

Mrs. S. T. Buzzard contributed a devotional on the subject, "Thy Kingdom Come, O God." Of great interest were letters which Mrs. Cecil Marquart had received from a Japanese girl. Also display were a doll dressed like the ladies of the court, and a Japanese translation of the gospel of John. These were sent to Mrs. Sisk by her daughter Ann, who is employed at Tokyo.

During a business meeting, members discussed the sending of clothing and medical necessities to the school compound for girls in Tokyo.

Present for the meeting were Mesdames Sisk, Buzzard, Woodall, Marquart, Bates and Wilson Huckaby.

8,575 TEXANS

Were Stricken With POLIO

DURING THE PAST 11 YEARS

Imagine wiping out a town of 8,575 persons with one hidden germ. That is virtually what has taken place in TEXAS during the past 11 years.

Polio the Paralyzer struck down that many TEXAS men, women and children from January 1, 1939 to January 1, 1950. There were 232 cases in 1939. There were 2355—or more than ten times that number—in 1949.

Our 11-year record leaves a cripple in every 210 TEXAS homes. Something must be done to stop this killer. Your dimes and dollars are needed to fight POLIO.

When Jeanine Scott, daughter of Mr. and Mrs. E. L. Scott of Iowa Park, was found to have polio last August, she had every resource of medical knowledge and skill to help her in the long and painstaking road back to normal. That she made the fight is proof of her courage and her parents' constant loving care. That she had all these resources to save her life and help restore her to physical normalcy redounds to the credit of every school child who puts a thin dime into the March of Dimes, and to every adult who contributes dimes and dollars to fight this crippling disease.
