

Spring-like storm causes heavy damage

A storm, more commonly associated with spring rather than fall, cut a path of damage all the way from Kamay to Sheppard AFB Monday afternoon.

Hail, reported varying from pea to tennis ball size, was driven by winds upward to 60 miles per hour and pounded everything in its path.

Long lines began forming at local insurance agency offices when they opened Tuesday morning, and more than 1,000 claims were estimated to have been filed by Wednesday, with more expected.

Rain amounts, as well as damage, varied in the path. Virgil Woodfin said he measured .68 of an inch Tuesday morning, and another .12 from a second shower Tuesday afternoon.

The rains were especially helpful to area farmers, who had "dusted in"

their winter wheat crop.

Besides roofs and windows being damaged by the hail, the high wind also caused considerable damage to trees and some carports.

Hail damage wasn't restricted to roofs and windows of structures, as well as vehicles, but also to vinyl and aluminum siding as well as aluminum window frames.

Every section of stained glass on the south side of First Baptist Church sustained damage.

In every section of the city, streets were covered with tree leaves.

A path of strong wind caused considerable damage in the western part of the city.

Two old established trees were blown to the ground at the corners of Van Horn and Louisa, along Fourth Street.

A metal building under construction at West Highway and Fourth had insulation spread all over the area.

The Barbour Insurance building at Magnolia and West Highway lost a large portion of its flat roof.

A sign placed by the Chamber of Commerce and features emblems of several local organizations at West Highway and Johnson Road was heavily damaged.

Duct work for air conditioners atop most of the school buildings was badly dented, and some even crushed, according to school personnel.

At least one resident who was coming home from work in Wichita Falls had windows of her car broken out.

Through it all, however, no injuries were reported to any individuals.

RUSTY SPRUIELL displays an exasperated smile while surveying Monday afternoon's storm damage in his yard at Fourth and Van Horn. Heaviest damage was the loss of a fully-grown tree, on the right, and half another that was standing near by. Another tree, at least 25 feet tall, also was blown down and into Fourth Street, just one block to the north of Spruiell's.

Bold thief takes battery

Though the monetary loss was not great, police expressed concern over the boldness of a theft that took place during the past week.

A resident in the 600 block of West Clara told police Thursday that a new battery had been taken from a van parked there overnight.

The van reportedly was parked under a carport. The owner found the sliding side door open.

Two bicycle thefts were reported in a three-day period, according to the police blotter.

The first was reported Thursday when a woman in the 700 block of West Alameda saw a male she described as a teenager taking her child's bicycle from the yard.

The vehicle was recovered when the youth abandoned it about a block away in making his escape.

Saturday afternoon, a resident in the 800 block of Van Horn told police someone had taken a bicycle from her yard, and left one in its place she described as being "broken down."

An officer on patrol located the stolen bicycle in the 700 block of West Texas and returned it to the owner. He then took the abandoned bicycle to the police station, where it remained unclaimed Wednesday.

Police are investigating a shoplifting theft reported Monday afternoon, where a billfold valued at less than \$20 was taken. A witness report-

edly has identified a suspect, who apparently left the item's box in the parking lot.

One case of criminal mischief was reported during the week, on Sunday evening, where a pickup and an apartment door were hit by eggs in the 1100 block of Mary Drive.

Permits top \$2-million

A new home helped bolster the building permits for September and loft the year's total over the \$2-million mark, according to a city hall report. September's total was \$158,900, taking the nine-month building permit total to \$2,121,221.

Permits issued during September included:

- Roger Mathews, 906 E. Bank, move trailer, no amount;
- Mike McKnight, 404 W. Valley, carport, \$1,200;
- Phyllis Farrer, 1123 W. Cornelia, carport, \$1,150;
- David Padgett, 706 W. Cornelia, roofing, \$3,500;
- James Loving, 900 N. Fourth, roofing, \$1,000;
- Pacific Baptist Church, 1400 N. Pacific, roofing, \$2,000;
- David Robnett, 602 W. Coleman, roofing, \$2,200;
- Donald Hallum, 804 N. Wall, roofing, \$1,800;
- L.B. Skinner, 1512 Douglas, roofing, \$3,800;
- George Atkins, 1018 W. Louisa, carport, \$1,000;
- Bert Caddell, 604 N. Wall, roofing, \$1,100;
- W.C. Evans, 1000 N. Jackson, carport, \$1,600;
- Larry Dutton, 300 E. Cash, roofing, \$2,000;
- Preston Pace, 1310 Westridge, storage building, \$1,000;
- Johnny Compton, 306 E. Magnolia, mobile home, \$3,000;
- Dean Maxwell, 1008 Foley, roofing, \$800;
- Kevin Thompson, 612 N. Bell, new home, \$120,000;
- Irwine DeWitt, 523 N. Wall, siding, \$1,500;
- E.E. Wiggins, 1702 Johnson Rd., storage building, \$850;
- Edith Whitley, 809 N. Yosemite, patio cover, \$1,000;
- William Clayton, 302 W. Louisa, siding/roofing, \$6,000;
- Kirk Martin, 1013 Lanelle, carport, \$2,000;
- Bobby Logan, 1000 W. Cornelia, storage building, \$200;
- Jeff Coats, 311 E. Ruby, storage building, \$200.

Hawks face 'new season'

Travel to Jacksboro to open conference race

The slate has been wiped clean. Everybody in District 3-3A is starting from scratch with identical 0-0 records heading into play this Friday night when the games start counting for real.

The Iowa Park Hawks will travel to Jacksboro to take on the Tigers in the district opener for both teams tomorrow night at 7:30 and will be looking to notch their first victory of the "new" season.

The Tigers on the other hand have yet to be defeated and come into the game against the Hawks riding a five-game winning streak.

Jacksboro opened the season by beating Valley View 28-7 and followed that by downing Electra by the same score before blowing out its next three opponents: Olney 44-3, Boyd 43-14 and blasting Decatur last week by the score of 45-23.

The Tigers are averaging over 37 points per game and a whopping 44 points in their last three games while allowing only 11 points per contest. Jacksboro has had good success moving the ball on the ground averaging 256 yards per game and another

79 yards through the air and is giving up an average of 191 yards per contest, 141 rushing and 50 passing.

"There's not anything real special about them," Iowa Park head coach Weldon Nelms said. "They aren't real big, they have good speed but not great speed and their quarterback isn't spectacular he just doesn't make a lot of mistakes. Defensively they are a strong physical type team with a real good middle linebacker that we are going to have to block to have success.

"I don't want to take anything away from them, but I don't think they have played near the level of competition that we have played so far," Nelms added. "The key for us to winning will be if we can play good sound defense and can control the ball on offense. We as a coaching staff are trying to stress that this is a new season and it doesn't matter what happened earlier in the year. I've seen teams start off 0-5 and still make the playoffs and I believe we have as good a shot as anybody in the district. We've seen the kids play at a high level in a big game like the Southlake game and I expect them to rebound and play well Friday night

against Jacksboro."

Offensively the Tigers look to senior quarterback Ty Pippin to get them going along with 185-pound junior fullback Matt Fryar. But when they need a big first down look for the ball to be in the hands of Will Ramage a 190-pound senior halfback who has been the go to guy so far this year. When Jacksboro goes to the air they look for tight end Stewart Chalmers a 200-pound junior.

On the defensive side of the ball, everything centers around Fryar who is their big play maker. The Hawks must account for him on every play according to the coaching staff to have success on offense. Joining Fryar are David Brancom a 205-pound senior outside linebacker and Casey Conway a 165-pound defensive end. Both are in on a majority of the tackles for the Tigers.

The Hawks, coming off last week's poor showing against Springtown, look to get the offense back on track to where it was in the Hamlin and Southlake games.

Jacksboro comes into Friday night's

Skinner's are 'crafty' couple

By MYRNA SMITH

Multi-talented Freddie Skinner is also a "people person". You could say that both Freddie and her husband, Luther, are "crafty" people, in the sense of being skillful in the things they do.

Most of Freddie's life has been spent working with people, some times as employee, some times as "boss", until her retirement in May 1990. The past 15 years has been punctuated with a lot of travel to exotic places.

A native of Manitou, Okla., the oldest of three children of Mr. and Mrs. Loyd Sturgis, she moved to West Texas with her parents at the age of four.

Early on she met the boy who would later become her husband, but you would have had a hard time convincing her of that then. "I didn't like him at all, in fact we argued, or worse, every time we saw each other.

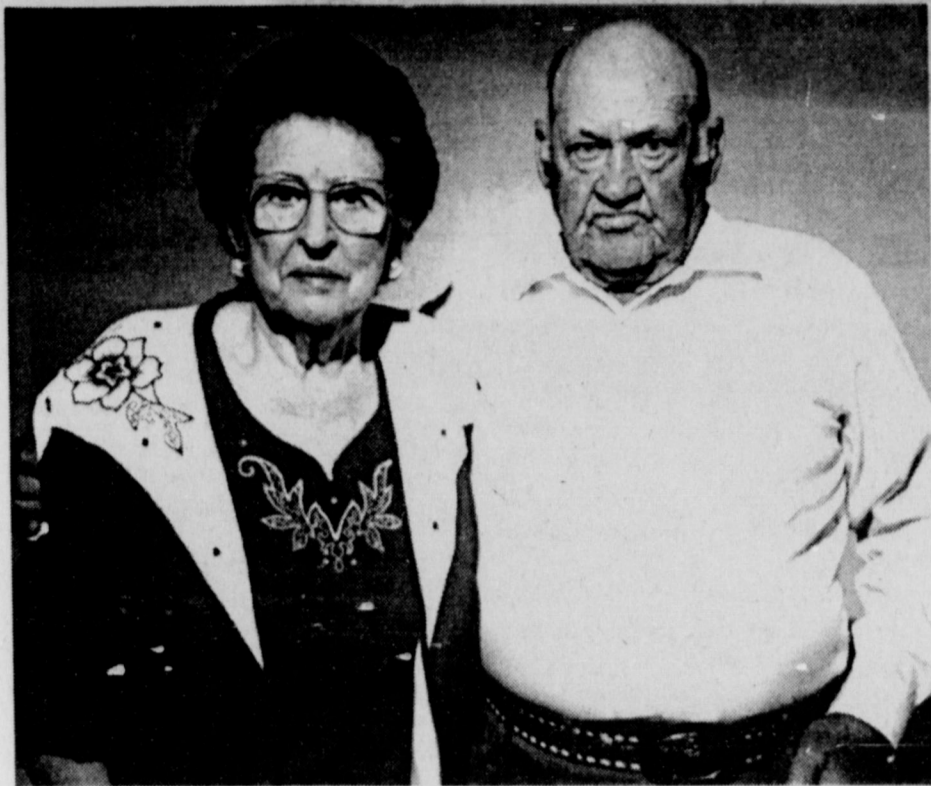

Luther was staying with an aunt and uncle who lived near her parents at Amhurst. Luther would come to her house and she would either ignore him, or fuss at him.

One time when he came to the door she told him to leave. When he didn't, she threw water on him through a screen door. A short time later he returned and when she answered the door, he had a big cup of water and threw it on her.

Mr. and Mrs. Ray Gholson

Gholsons celebrate 50th anniversary

Friends and relatives of Ray and Billie Gholson gathered last Saturday in the main room of the Kamay Fire Station to celebrate the couple's 50th wedding anniversary.

The event was hosted by the Gholson's children and their spouses: Linda Gholson, Mary and J.W. Segler, Richard and Jodi Gholson, Jackie and Shelia Gholson, Jerry and Nancy Gholson, 12 grandchildren, and three great-grandchildren.

During the celebration, Mr. and Mrs. Gholson were presented with a plaque from members of the Valley View 4-H Club.

Ray Ferrell Gholson met Billie Fay Selby in Wichita Falls. They were married Oct. 6, 1944, in Waruika, Okla. and moved to Electra. They moved to Kamay in August, 1951, making it their home and raising their five children.

Ray is a pumper for Don Talley. He has done oilfield work most of his life, and some farming. Billie Fay worked in the Valley View school

cafeteria for a number of years, and then started making drapes and had her own drapery shop.

Program tells of ESA beginnings

Final plans for the homecoming parade and Whoop-T-Do King and Queen contest were made during a meeting Tuesday night of Epsilon Eta chapter of Epsilon Sigma Alpha. Members met in the home of Mary Lynn Boyd in Wichita Falls.

All proceeds from the King and Queen contest will go to the Friendly Door and Recreational Activities Center.

Pat Bradley, president, conducted the business meeting, and the opening thought was given by Mary Lynn Boyd.

Class offered on genealogy

Iowa Park Genealogical & Historical Society is presenting a "Beginning Genealogy" Part I class at the October 8 meeting, with Charlene Parks as the speaker.

The meeting will be at Tom Burnett Memorial Library, beginning at 2 p.m.

There is no charge for the class, however, donations are appreciated.

Plans were made for members to attend the District VI meeting in Quanah Oct. 15 and 16. Members were reminded to get items together for a garage sale to be held Oct. 15 for the convention fund.

A program, "Boot Scootin Across Texas - Small But Interesting Places - Jacksonville," was presented by DeeDee Forney.

She said that Jacksonville is a small, growing city nestled deep in the heart of the piney woods of East Texas. Jacksonville was a post office community before 1849, but moved three miles to its present location when International - Great Northern Railroad was built in 1872.

During the 1930's and 40's, the city was known as the "Tomato Capital," when more tomatoes were shipped from there than any other city. Each September the city still celebrates Tomato Fest honoring the once important crop.

"But to ESA," she continued, "that is not the most important thing that happened in Jacksonville." "It was on Sept. 13, 1929, when nine ladies as-

sembled in the home of Mrs. Estelle Simpson for the first meeting of Epsilon Sigma Alpha."

These nine ladies were installed and became the Mother Chapter of ESA. Their meetings were held in individual homes at night, with much of their time taken up with helpful and interesting discussions. At that time, memberships were \$100, and a member received a set of 50 books entitled "Writings of Mankind."

Mrs. Forney said that lasting bonds

of friendship were created and cherished by these ladies, as they are today by all members of ESA.

Members present at Tuesday night's meeting were Boyd, Skeeter Clark, Forney, Barbara Hickman, Essie Johnson, Bradley, Joyce Henry, Romona Vaughn, and a special guest Beverly Gwinn.

The next meeting will be a Halloween Party, hosted by the chapter, for MHMR Friendship House on Oct. 25.

Tickets available now for alumni banquet

Plans have been finalized for the annual Ex-Students Association banquet to be held at 7 p.m. Saturday, Oct. 15 in the high school cafeteria.

Tickets for the event are available between 10 a.m. and 3 p.m. weekdays at the Chamber of Commerce office. The price this year is \$8.

Reservations should be made by next Wednesday.

Letters have been mailed to all known graduates and interested parties. Those who have not received an

invitation should contact Jo Patterson at 592-9038.

All former students are encouraged to gather for a social period between 10 a.m. and 2 p.m. at the Friendly Door during the Whoop-T-Do earlier in the day.

Tickets for the banquet also will be available there, but at a \$10 price.

The school's doors will open at 5 p.m. prior to the banquet to allow for more visitation time, according to Lisa Ezzell.

LIBRARY NEWS

THANK YOU

We wish to thank H. Oscar Lochridge for his kind and generous funding donation to assist the Iowa Park Genealogy & Historical Society with its goals.

JACK O'LANTERN CONTEST

Let's be creative! No special theme this year, so be imaginative and design a Jack-O-Lantern from paper sacks, real pumpkins, etc.

Prizes will be awarded in four-age groups (under six; seven to 10 years; 11 to 16 years and 16 and up). We are looking forward to the creativity of our many patrons.

We ask that your entries be brought to the library on Oct. 21-22 during business hours.

Our patrons will be our judges, selecting the one in each category for creativity.

Prizes to be awarded Oct. 29.

GUESSING CONTEST

We will place a container with candy in it, on the front desk. Stop and take a guess at the number of pieces to be found in it. A first and second prize will be awarded for the closest guess.

Contest will be held from the Oct. 15-29. Prizes to be awarded Oct. 29.

TRIVIA

Why do men button from the right, women from the left?

Custom... Men usually dressed themselves, and because most men are right-handed, buttoning from the right made sense. Women were more often dressed by maids, and they found it easier to work from their right, the wearer's left.

Surprise party honors Mrs. Velma Skinner

A surprise party was given Saturday to honor Velma (Mrs. Elmer) Skinner and help her celebrate her 85th birthday.

While two of Mrs. Skinner's grandchildren took her out to lunch, forty-four relatives and friends gathered at her home to greet her with "Happy Birthday" when she, her husband and grandchildren returned from lunch.

Mrs. Skinner's children, Cole Tidwell and his wife, Jo, of Ardmore, Okla., Barbara and Ernie Eldridge of Austin, Sarah and David Brady of Iowa Park, Fee and Paul Wheeler, and Ginger and John Mason all of Wichita Falls, were hosts for the party.

The refreshment table was covered with a peach lace cloth and centered with a large spray of white magnolias.

Mrs. Skinner's birthday cake was a beautiful two tiered flower garden creation completely covered with pink roses and white gardenias of spun sugar.

A highlight of the afternoon was the presentation of a scrapbook to the honoree by her grandchildren. Each of them had written special memories of times spent with their grandmother.

Mrs. Skinner has been a resident of Iowa Park 19 years. She is a lifetime member of the Church of Christ and a member of The Friendly Door.

She has 20 grandchildren and 16 great-grandchildren.

Band Boosters meeting scheduled for Tuesday

The Iowa Park Band Boosters will meet at 7 p.m. Tuesday in the high school band hall.

Topics of discussion will include whether to have the band trailer repaired or buy a new one, and the coupon books to be distributed.

Parents of all band students, or anyone interested in the bands, are encouraged to attend the meeting.

Rac board elects officers

Officers to serve during the coming year were elected during a meeting of the Recreational Activities Center board of directors, held Tuesday night at the RAC.

Those elected to one-year terms are: Glenda Key, president; Belvin Lytle, vice president; Jan Clapp, secretary, and Jane Fitzgerald, treasurer.

Outgoing president, Dolores Hamilton, thanked the members who

were going off the board, and welcomed the new members.

The new board members are John Chapman, Linda Gray, Mike Miller, Pat Raby and Marvin Robertson.

Holdover members include Lytle, Key, Clapp, Fitzgerald, Hamilton, Galyia Kasperek, Mark Patterson, Laura Perkins, Cathy Price and Danny Sargent.

In other business, Executive Director Jo Lynn Cockrum, discussed the junior high school Report Card Dance to be held this Friday night at the RAC. Also, she said that Saturday, Dec. 10, has been set as the date for the RAC-sponsored Christmas Tour of Homes.

Following adjournment, refreshments were served.

Cemetery Association quarterly meeting set

The quarterly meeting of the Highland Cemetery Association will be held Sunday at the Recreational Activities Center (RAC), 806 N. Third St. The meeting is scheduled to begin at 2:30 p.m.

Pat Aulds reported that the following letter was received by the association this week from a man passing through on his way to Maryland:

"To Caretaker of Highland Cemetery:

I retired from the Navy in San Diego on 1 July and am slowly making my way home to Maryland. Occasionally, when I'm tired of driving, I pull over and investigate cemeteries. This is by far, sir, the best kept cemetery I've seen in quite a while. It is both serene and well ordered. - Richard Herzend, Waldorf, Maryland."

You have purchased a unique piece of hand turned American stoneware from Ellis Production Pottery in Marshall, Texas.

Each piece is entirely made by hand, turned on a wheel by master potters and hand painted by experienced artists. A strong and durable clay body and a high fired, lead free glaze produces a product that is functional and food safe.

Use it in your dishwasher, microwave or conventional oven; however, we recommend that you use a cold oven and never place the vessel over a direct flame. Protect your wooden surfaces because of the natural abrasive nature of stoneware.

Slight inconsistencies are an unpredictable by-product of the clay and firing process. Tiny black specks, bumps, variations in color or even an occasional fingerprint contribute to the distinctive character of a product made entirely by hand.

Our goal is to produce the finest and most innovative stoneware available. It is important to our artisans that you, the customer, understand and appreciate the uniqueness and individuality of our products.

As I See It... By Bob Hamilton

As you've probably decided after reading this space for a while, I don't take a slap in the face well.

When I read a "house ad" in the Wichita Falls paper Monday morning, my feeling was more like having been insulted than anything else.

"No other news organization in North Texas and Southern Oklahoma can give you news reported and edited by experienced professionals."

That self-promotional piece was under a heading of "A great newspaper is as good as its word..."

Well, it was either written by one of their non-professionals, a newcomer who doesn't know the area, or a damn stupid fool.

A feature part of the ad is a picture that apparently showed the staff. I counted 32 in it, and less than half a dozen appeared to be dry behind the ears, age-wise.

Several of them I include among my friends.

Let me tell you something about experience and staff.

The five-member staff of the *Iowa Park Leader* has accumulated over 150 years in the newspaper business. That's an average slightly over 30 years per

person, including our newest addition, sportswriter Don Young with three years.

Only one or possibly two of the Wichita Falls staff could have even been born when our reporter Myrna Smith started in her profession. That was in 1934.

The vast majority of those in the photograph hadn't even started to school when I began writing for the *Hereford Brand* in 1949.

Dolores got her feet wet in 1961, when we were producing two weekly newspapers, the *Plains Farmer* and the *Kress News*.

Kari is a 10-year veteran, and, as I said, Don has three years under his belt.

Again, looking at the picture in the advertisement, only about half of them are as old as our staff averages in experience.

But you can look around Wichita Falls a little more and find more experience than any of those in that photograph claim.

Let me point out that Bill and Jo Ann Glassford, publishers of the *Clay County News*, and S.J. McBeath, pub-

lisher of the *Burk Burnett Informer/Star*, are far from being newcomers.

In fact, total up the years experience of those three along with Myrna, Dolores and me, and I would just about bet you our sum would equal or exceed all the years experience of that 32-person staff!

And while I'm at it, I'll just toss in a couple more points with which to compare experience.

All newspapers, at least in this part of the country, are now printed by offset press. My newspapers had been printed by the offset method about 15 years before the Wichita Falls newspaper under Rhea Howard converted.

In fact, no active newspaper publisher in Texas has been in offset longer than I, because I started in June of 1959.

How many of those 32 staff members has ever been nominated for the Pulitzer Award in journalism?

Nope, I don't take a slap in the face well. Even with as few years experience as I've had in journalism, even I know that when one makes an incorrect statement, it affects a publication's credibility.

'Nuff said!

Worth Quoting

One of the bonuses of being on the regional staff of this newspaper is being able to go to towns in our circulation area and do stories on people and things there.

But one of the not-so-nice aspects of the job is having to stand by and watch a small town die. This has happened several times over the past few years, and believe me, it's not pretty to watch.

I've learned, however, that any community must have two important things to remain healthy -- a school and a newspaper. Without those, a town loses its community strength. It has nothing to hold its citizens together.

People will drive 15 or 25 miles to buy their groceries or do their banking, but take away their school and their newspaper, and the town has nothing to bind it together.

Thinking about this the other day, I called two friends who just happened to be editors of two of the most successful weekly newspapers in the area, Bob Hamilton of the *Iowa Park Leader* and Lewis Simmons of the *Clay County Leader*.

The question asked was, "What do you consider the most important duty of a community weekly newspaper?"

Hamilton, the senior of this particular duo, has been in the business 37 years and has had the *Iowa Park Paper* since 1969. He didn't hesitate with his answer -- which isn't surprising because he seldom hems and haws around.

"Our job is to mirror the community so that, hopefully, when someone 20 years from now picks up that paper, it will give them a pretty good idea of what was going on here back then," Hamilton said.

He added that his determination to print the bad news along with the good isn't always appreciated by some of his friends who would prefer to see only the good news about their community printed.

"It's cost me a few friends," Hamilton said.

The editor of the *Clay County Leader* echoed similar sentiments but put it in different words.

"We give more attention to the little things; things that metropolitan papers wouldn't use, because we feel all those little stories are important to somebody," he said.

Simmons also reinforced my contention about the importance of a community newspaper.

"I've always said if a town doesn't have a school, newspaper, bank and grocery store, it's not much of a town," he said.

So there you have it. Both of these men are excellent writers and could probably make more money working on a large daily newspaper, but they continue doing what they are because -- and probably neither would come right out and say it -- they have a deep sense of doing what is best for their communities.

And there's no argument that Iowa Park and Henrietta have the best there is when it comes to their weekly newspapers.

Letters to the Editor

Praises volunteer firemen

I read your editorial concerning the disagreement between the county commissioners and the outlying volunteer fire departments in regard to liability in last week's paper. This past Sunday and Monday really brought the realities of the situation home to me. Having rural fire protection is something none of us can afford to be without.

On Sunday afternoon, we experienced the first of three fires in the span of 28 hours on our land four miles west of the city limits on FM 367. With the southerly winds gusting to about 10-15 miles per hour, a small grass fire spread into a wide 100 yard line in less than five minutes. The Iowa Park volunteer fire department responded within ten minutes, but over 5 acres had been engulfed by this time. Thanks to the quick reaction by Mr. Skinner, the Iowa Park Fire Chief, multiple units were dispatched from the volunteer fire departments of Electra, Kamay, and Wichita West. Without the dedication, cooperation, and hard work by all these fine men, there most likely would have been no homes left north of 367 from my home eastward to Old Electra Road. Even with all these units and multiple tanker trucks from FOUR VOLUNTEER FIRE DEPARTMENTS, it took them until around 7 PM to contain the blaze as it was spreading both north and east.

Monday afternoon, my family and I returned home from work to find that the Iowa Park and Wichita West Departments were again at our home, fighting another fire which appeared to have started in the bar ditch east of our house. This was the second time on this day that they had responded to calls at my home. Some workers on an oil well had started a fire approximately at 2 PM while attempting to repair oil lines damaged from Sunday's fire. The third fire (around 4 PM) had engulfed a barn east of my home which was full of hay. Without their quick reaction, it would have destroyed our new home also.

I can not express my appreciation enough to everyone who helped during this time, from the people who spotted and reported the fires to those fire fighters and other volunteers who came out and worked themselves to the point of exhaustion.

Consider what result would have been if Electra and Iowa Park would not have responded. Potentially, there would have been several hundred thousand dollars worth of damage, plus the potential of many people being

killed. The realities are that we must have support for fires in rural areas, and even the cities will not be safe. The issue of support for the volunteer fire departments should be remedied quickly and handled in a fair manner. These men and women involved are volunteering their time and risking their lives to protect their fellow man. The county certainly should realize their value and do the proper thing to see that they are supported in a fair and equitable fashion. If there is no rural fire protection, insurance companies will be forced to charge rates that will be prohibitive to cover homes outside the city limits.

At the very least, the city and county leaders need to recognize the value of these volunteer fire departments, and cooperate to see that fire protection is available county wide. If you have not called or written your county commissioners on this issue, it is time to do so. I urge you to think seriously about this matter. If rural fires are allowed to spread unchecked, it could potentially lead to whole cities being destroyed. Now is the time to speak out on this issue.

Sincerely yours,
David Parham

Letters to Editor policy explained

The *Leader* receives numerous letters which cannot, for one reason or another, be published.

Letters will not be printed unless they are signed. A typed name will not do. And, for the sake of verification, the writer's telephone should be included.

Should the writer not wish his/her name printed, it will be omitted upon request. However, the letter will be kept on file to be read upon request.

Letters also must be free of libel. If not, they will not be published, because we will not edit their content.

Corrections will not be made if they change the message in any way, but will be edited to enhance their content.

In letters supporting political candidates or issues, the *Leader* reserves the right to limit their lengths.

We encourage your Letters to the Editor, and offer the paper as your forum for discussions of ideas and observations.

Dear Bob,

As you well know, Iowa Park is the town of friendly living, a bird sanctuary, a church town, with good schools, community spirit and civic pride. It's becoming more beautiful each day, thanks to the Clean and Green committee members. I'm glad I live in Iowa Park.

The real purpose of this letter is to inform your readers that Sunday, October 9 has been declared in many states as National Clergy Appreciation Day. The worship committee of the First United Methodist Church request that you show your minister and his family that you truly appreciate their service to your church and the community.

Focus on the Family is joining hands with several other pastoral care organizations, as well as many denominations and church groups, to encourage people of faith throughout this nation to say to those in ministry, "You are a national treasure." Also in the United States senate, Resolution #191 is working its way through the confirmation process declaring Oct. 9th a special day to recognize those who serve us so faithfully.

Remember this Sunday is your opportunity to say thank you by your presence and willingness to participate in this celebration.

In Christian love,
Betty Dyer

Skinner's are 'crafty'

Continued from page 1

But, as time went on, they began to date, but still argued. Luther joined the Navy and they corresponded.

Freddie had already decided maybe she didn't dislike him as much as she had thought she did.

She and a girl friend went to Fort Worth to work during World War II. Freddie worked for Swift Co., breaking eggs for K-rations. She said you had to work fast to be able to get your quota in for the day.

"I was young and daring in those days," Freddie laughed, "I would flirt with the guys and they would help me." The excitement wore off that work before long.

Her grandmother was a mid-wife and had always told Freddie that she would be a nurse. Freddie started studying toward an LVN license and worked at the hospital in Amhurst. She planned to continue her studies to become an RN. She loved to work with the babies.

Fifteen months before Luther completed his tour of duty, he and Freddie were married in 1945. In 1947 they moved to Iowa Park where his parents were living.

Freddie did not complete her LVN training. They started raising their own family and as the children grew the Skinner's became involved in all of their activities.

Freddie worked more with crafts that she had always liked. She worked with Cub Scouts and taught them many crafts. Luther served as scoutmaster, when their children were in that age range. They spent a lot of time with their children and entertaining in their home for them and their friends.

One of those who was lucky enough to enjoy the Skinner's hospitality commented, "They were definitely pro-kids. One time kids were at their house every night for a month and they never seemed to tire of having us around. And, we never got tired of being around, because they were always a fun family."

In 1950 Luther went to work at Sheppard Air Force Base and stayed 28 years as a civil engineer. He was a planner and estimator of materials. After he retired from SAFB he worked for the Iowa Park schools and then went to work at Cryovac where he spent seven years.

Freddie agreed to teach crafts to the youth at Sheppard in 1962, she thought for three months. She had three children in elementary school and did not plan to work full time until they were older.

At the time she was a room mother, a PTA officer, youth leader at the Iowa Park Church of God, and a Cub Scout leader. She gave up those "jobs" when she went to work.

She began on the "ground floor" doing anything there was to do, even helping the janitor at times, she said.

From that beginning she worked her way up to become the first woman to hold the position of director of the Youth Center at SAFB and the title of recreation specialist.

Her love of children and working with them through the years, in addition to teaching crafts, influenced her being able to do the job for which she was picked.

Freddie began by planning social and recreational activities for children of the military between the

ages of six and 18. She organized Little League programs and ordered all equipment and uniforms. Coaches were all volunteers and it was her responsibility to be in charge of that phase of the program.

Some years she had as many as 40 Little League teams, but she enjoyed her work and the challenges it presented as she became more professional in her job.

She became social director of the young people and assistant director for adult activities.

The last 12 years she worked she was director for all social activities for youth and adults, was in charge of all sports and cultural activities and summer day camp.

Her job description changed from making art projects and playing games with the children to planning activities for 1500 children, working with a budget of \$300 a month to an annual budget of \$100,000.

Freddie had a full-time athletic director she assisted in sign-up campaigns for two Top-O-Texas football teams, 10 soccer teams, 16 to 20 basketball teams and 500 children playing Little League football.

She also was responsible for seeing that activities were available to entertain and instruct the base children from 9 a.m. to 6 p.m. Tuesday through Saturday, and provide regular evening social events.

Freddie attended many special courses and workshops during her years at SAFB.

By the time Freddie retired, it had been 28 years---a long three months, she said.

She had been involved in so many things for so long she thought, "I'll be lost. I also wondered, how it would be when Luther and I were retired and had to be around each other 24 hours a day, thinking about how we argued in our younger days. But it has worked out great."

They work together on some of the crafts she does. She has made some shelf rabbits that he has cut out the wood faces for her to paint. She started making yarn cats and when people saw them she couldn't keep enough ahead for the people who wanted them.

She has recently finished some Santa Claus faces, using string mop heads for the beard and hair. She makes shelf angels and loves to do flower arranging.

Luther said, "I guess I'm lucky, she took over my office for her work room, but she did leave me enough room for my desk and chair, so I could use it to pay the bills."

He has enclosed their patio into a lovely sun room which looks very inviting for a place to relax.

Almost anywhere you look in their home there will be an example of Freddie's crafts, Luther's carpentry, family pictures, mememtos in beautiful souvenir pieces, or photo albums of their trips to Hawaii, cruises to Jamaica, several Caribbean cruises, and from their last one which was to Panama.

Collections of Freddie's are noted at vantage points in the home, including an exquisite collection of silver crystal, some pieces she has bought on trips, other pieces were given to her by her children or friends and staff while she worked at the base.

They plan many of their cruises

so their children can go. The next place they want to return to is Puerto Vallarta and the Jack Tar Village, because it is such a great place for their grandchildren.

Another special sentimental collection which you can't miss is really not Freddie's. The large group of trophies belong to their daughter, Sandra who won them on her twirling at different times through her school and college days at West Texas State University where she was selected Miss WTSU. But, Sandra hasn't taken them with her, because it makes it seem more like home when she visits.

Freddie plays the piano and organ. She says "I don't claim to be good at either, but I can play enough that I enjoy it."

She related that after she and Luther had been married about 10 years that she told him she wanted a piano. He wanted to be a pilot. That year he bought her a piano and got his private pilot's license.

She says she plays the organ because, "it is very relaxing and if I have been under stress that helps me more than anything to 'unwind'."

"I kept thinking I would take music lessons, but I've stayed so busy I never found time. But I still might one of these days."

Freddie plans and decorates for all special events at their church. She is president of the Ladies Ministry at the Iowa Park Church of God. Every Tuesday some of the women meet and quilt all day to raise money for the Women's Ministries. She has worked with that about 10 years.

Freddie believes in giving of herself and tries to do that in each thing in which she involved.

She said, "We know we are very fortunate that the Lord has allowed us to be able to do a lot of things that has made life exciting and a lot of fun."

She is a member of the Iowa Park

Arts and Crafts Association and is vice president of the Iowa Park Garden Club.

All three of their children are graduates of Iowa Park High School. Their daughter, Sandra Oldham lives in Midland where her husband is president of the Parallel Petroleum Co. They have two sons.

Their oldest son, Jimmy, is a Church of God minister. He has a son and two daughters.

Mike lives in Dallas where he is administrative vice president of Jo Hardin's, clothing manufacturers. He has two sons.

Luther and Freddie try to go to all of their grandchildren's special activities.

In fact, the grandchildren have kept them pretty busy ever since they retired.

New Officers

A new slate of officers was elected for the RAC Board of Directors at the monthly meeting held Tuesday. President for the 1994-95 year will be Glenda Key. Other officers include Belvin Lytle, vice president, Jane Fitzgerald, treasurer, and Jan Clapp, secretary. These officers, and the other members of the RAC Board, are volunteers to their positions and should be commended for their efforts of service to our community. We, as staff members, do appreciate them very much.

Junior High Dance

Tomorrow night will be the first of this year's Report Card Dances for junior high students at the RAC. These dances are sponsored by the RAC for junior high students only as an incentive to make better grades, and as a way of offering local activities to this age group. Any Iowa Park junior high student presenting a "Making the

Grade" card will be admitted to the dance for a fee of \$1.00. All other IPJH students may attend for a cost of \$2.00. The dance will be from 7:00 to 10:00 p.m. and will be chaperoned by junior high parents and RAC staff and board members. Any parents who would like to volunteer as chaperons are urged to contact the RAC at 592-4471.

Country & Western Dance

The October country & western dance at the RAC will be held on the second Thursday instead of the first Thursday. This change in schedule is only for this dance, and is necessary to avoid a conflict with another dance in the area.

Bridge Club

Dorothy Ward was the winner at bridge this week with a score of 5610. Second high score was earned by Alene Onstead with 5040 points. There were two tables in play this week.

Grassfires keep firemen busy

Grassfires kept Kamay Volunteer Firemen busy the first part of this week.

Sunday afternoon, Kamay assisted Iowa Park on a large grassfire on FM 367. They assisted Iowa Park again Monday on a rekindle at the same location.

Monday they were called out on two separate grassfires, one east of Kamay on Highway 258, and the other on Faulk Station Road.

Tuesday, the firefighters assisted Holliday on a grassfire north of Dundee.

Porkeys jump all over Hawks, 49-7

Friday night's game against Springtown wasn't a thing of beauty to look at if you were an Iowa Park fan as the Hawks couldn't get anything going and dropped their fifth consecutive game in a row, this one a 49-7 loss to the Porcupines.

After two impressive outings against Hamlin and Southlake, the Hawks came out extremely flat for this one and never really got on track as Springtown took the opening kickoff and quickly marched 57 yards for a touchdown in the first two minutes of the game.

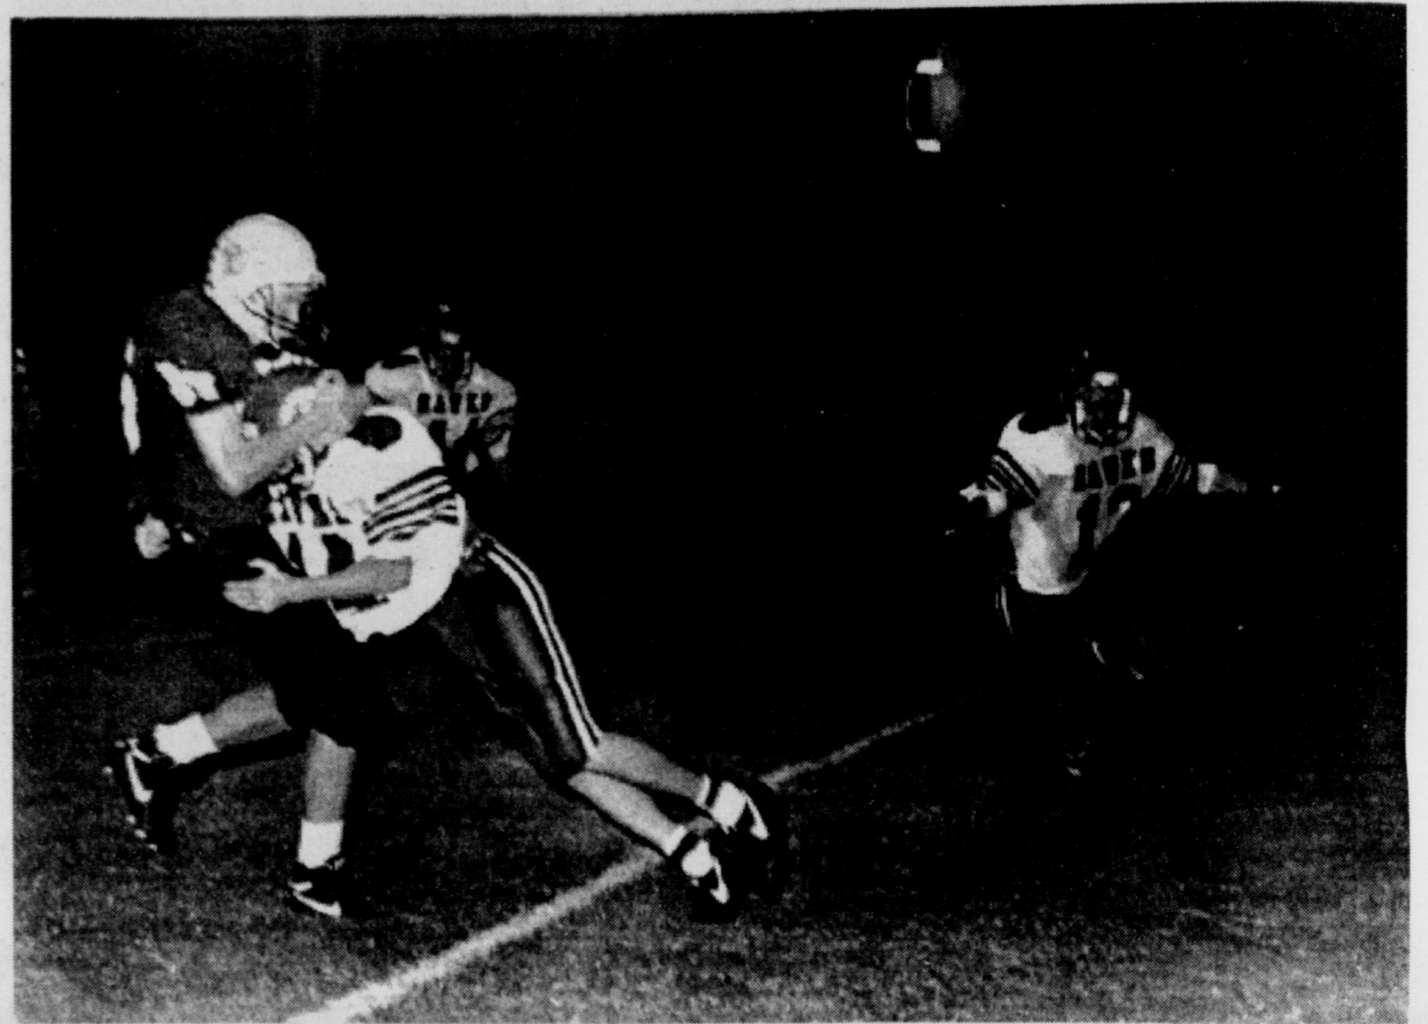

Porcupine fullback Cory Gilley scored from 16 yards out on an option play to give Springtown an early 6-0 lead. Brad Haugen tacked on the first of his seven extra points to make the score 7-0 with 9:59 left in the opening period. The Porcupines built the lead to 14-0 just 83 seconds later after the Hawks fumbled the ensuing kickoff. Four plays later, quarterback Mark Mathis scored from 17 yards out again on an option play to give his team a 14 point lead before Iowa Park had run a single offensive play.

"It was just one of those games where we came out real flat and just weren't ready to play," Hawks head coach Weldon Nelms said. "We'd played well the two previous weeks and we just suffered a let down. We have to be ready to play every week and that's our job as a coaching staff to get the kids ready to play. I felt like we didn't play up to our caliber and when they jumped out to the 14-0 lead things just kind of snowballed from that point on."

On the Hawks' first possession, the offense managed only 5 yards and was forced to punt. Springtown took over at its own 44 yard line and four plays later faced a fourth-and-11 from the Hawk 38. The Porcupines then ran a fake punt 28 yards for a first down and scored three plays later to build the lead to 21-0 with 3:06 remaining in the first quarter when Haugen dove over from the one.

Iowa Park moved to the Springtown 8 yard line midway through the second quarter after taking over on the Porcupine 44 following a fumble recovery. The Hawks ran off 10 plays before facing a third-and-3 from the 8, but fullback Chad Simpson was tackled for a 2-yard loss and on fourth down, Jason Young was sacked for a 7-yard loss turning the ball back over to Springtown.

The Porcupines covered the 83 yards in just six plays to make the score 28-0 with 2:03 left in the first half. The big plays in the drive were a 23-yard screen pass to Haugen and a 36-yard

DALE LINDGREN SEPARATES A PORCUPINE RECEIVER FROM THE BALL

run by Mathis on an option play that capped the drive.

On the ensuing kickoff, the Hawks took over at their own 20 and were flagged for holding on first down moving the ball back to the 10. Two running plays, a 1-yard gain by Simpson and a 5-yard pickup by James Armstrong left Iowa Park facing a third-and-14 with 48 seconds left to play in the first half. Young's third-down pass was picked off by Springtown's Ricky Brown. The Porcupines turned the turnover into points just 11 seconds later when Dakon Doggett scored from 13 yards out to boost the lead to 35-0 at the half.

"The most frustrating part of it all was we had worked on what they were doing all week," Nelms said. "They didn't do anything different, we just couldn't stop them."

The Hawks started the second half just like they ended the first as Young's third-down pass was intercepted on Iowa Park's first possession just 1:26 into the third quarter. Springtown scored to make it 42-0 with 8:49 remaining in the period when Doggett found the end zone from 6 yards out.

Iowa Park prevented the shutout with 2:42 left in the contest when Robert Klinkerman

hooked up with Oddus Merrifield on a 30-yard bomb to put the Hawks on the board. Clint Scobee made it 42-7 following the extra point.

Mrs. Joe Tom Collins

This week we are featuring the Leader's advertising director, Kari (Mrs. Joe Tom) Collins as Cook of the Week.

Kari was four years old when her family moved to Iowa Park in 1969. She is a graduate of Iowa Park High School, and attended Midwestern State University. She was employed by the City of Iowa Park a year and a half before coming to work for the Leader 10 years ago. As is true with most employees of weekly newspapers, Kari's title doesn't limit her to one area of work. She also does extensive writing and a lot of the bookkeeping chores.

Kari's husband Joe Tom is a Wichita Falls police officer and also runs the family farm and cattle operation. They live on a farm in Kamay.

They have an eight-year-old daughter, Karilea, a third grader at Bradford, and a son, Tom, five years old and in kindergarten at Kidwell. Both children play soccer, and Karilea is in gymnastics and member of a Camp Fire group.

Kari is president of the Wichita Falls Police Officers Family Association (who just published a cook book),

COOK OF THE WEEK

board member of Kidwell and Bradford PTA's, room mother and assistant room mother for her children's classes, a member of Iowa Park Clean and Green, a member of the board of West Texas Press Association, a member of Texas Press Association, and a member of First Presbyterian Church.

Kari said that she doesn't have time for hobbies, but she likes to read non-fiction books.

She loves to cook out, and enjoys getting together for big family events where everybody brings a dish. "Everyone in the family is a good cook," she said, "with the exception of my brother Kevin's rolls."

Many of the recipes that Kari is sharing this week were included in the Police Officer's Family Assoc. cook-book. The recipe for "Opal's Pound Cake" is from Joe Tom's grandmother, and is his favorite cake.

Cheddar Cornbread

- 1 cup yellow cornmeal
- 1 cup all-purpose flour
- 2 Tbsp. sugar
- 1 Tbsp. baking powder
- 1 tsp. salt
- 1 cup milk
- 2 eggs, beaten
- 2 cups (8 oz.) shredded Cheddar cheese

Combine first five ingredients in a large mixing bowl; set aside. Combine milk, eggs and cheese; add to dry ingredients, mixing well. Pour batter into a hot, greased 10 1/2-inch cast-iron skillet. Bake at 425 for 15 minutes or until cornbread is golden.

Opal Collins' Pound Cake

- 1 cup shortening or margarine
- 2 cups sugar
- 4 eggs
- 3 cups flour
- 1/4 tsp. soda
- 1 cup buttermilk
- 1 tsp. vanilla, lemon or almond extract

Cream the shortening and sugar. Add eggs, one at a time, beating well. Add flour alternately with buttermilk, beginning and ending with flour. Add soda and extract. Bake in a greased and floured tube pan, 1 hour at 350.

Potato Salad

- 6 medium potatoes
- 1 1/3 cup mayonnaise or salad dressing
- 2 tsp. sugar
- 1 tsp. vinegar
- 2 Tbsp. mustard
- 1/3 cup chopped dill pickles
- 6-10 slices bacon

Cook potatoes in boiling water 20-25 minutes until they pierce easily with a fork. Drain and cool. Peel and quarter potatoes into a large bowl.

Combine next five ingredients and toss with potatoes. Refrigerate. Just before serving, fry bacon until crisp, blot up excess oil and crumble over salad.

Cinnamon Christmas Ornaments

- 3/4 to 1 cup apple sauce
 - 1-4 1/2 oz. bottle ground cinnamon
- Mix apple sauce with cinnamon to form a stiff dough. Roll out to 1/4-inch thickness. Cut with cookie cutter. Make a hole for ribbon. Put on rack to dry. Let air dry several days, turning occasionally.

Sunday Roast

- 4 to 4 1/2 lb. chuck roast
 - 1 can condensed cream of mushroom soup
 - 1 pkg. dry onion soup mix
 - Salt and pepper
- Place roast on large sheet of aluminum foil. Sprinkle dry soup mix, salt and pepper over roast. Spread mushroom soup over all. Seal foil and bake 3 1/2 hours at 325°.

Council to hear request

For the second consecutive meeting, the city council is to hear a request Monday night for raw water.

Robert Wilcox has applied to be on the meeting agenda, to request raw water for his livestock.

Aldermen approved a request from H.K. Gregg at their Sept. 26 meeting to allow a tap on the transmission line between Lake Buffalo and the city.

Monday's meeting is to begin at 7 p.m. in council chambers.

Other topics on the meeting agenda include bid action, two resolutions and

an ordinance.

The council is to consider accepting each of the bids received from last Saturday's auction of city surplus items.

The resolutions include writing off bad debts on utility bills, and opposing uncompensated state and federal mandates, while encouraging the legislature to adopt appropriate legislation.

Aldermen are expected to amend the city's code to add a stop sign at the southern entrance of Park Place Circle at Johnson Road.

Born July 25, 1908, southwest of Allen, she was married Nov. 5, 1924, in Allen to William Arnold Bryant. He died May 29, 1987.

Mrs. Bryant was a past matron of the Order of the Eastern Star. She worked as a craft teacher during vacation Bible school. She was a former Girl Scout leader and a member of Allen Home Demonstration Club.

Additional survivors are a son, Jack of Schuller, Okla., and a brother, George Grant of Abilene; seven grandchildren and 10 great-grandchildren.

GARDENING HINTS

By MARK TERNING, COUNTY AGENT - HORTICULTURE

October is a prime month for planting trees, cool-season colorful bedding plants, overseeding lawns, and other outdoor activities.

Follow this garden check list for all of your October gardening and landscaping endeavors.

Planting:

* Plant shade trees for years of enjoyment. Fall is the best time to plant and Texoma nurseries have excellent supplies of trees.

* Plant colorful pansies, ornamental kale, and cabbage, dianthus, stock, and snapdragons in landscape beds and containers.

* Over-seed warm season lawns with ryegrass for a lush, green lawn all winter.

* Vegetable gardens can be over-seeded with Elbon Rye for soil improvement and nematode control.

* Establish wildlife food plots for whitetail deer, turkey and other game. Acorn crops are limited in some surrounding areas and supplemental feeding will certainly help the game animals.

* Plant bluebonnets and other wildflowers for spring color.

* Select quality bulbs at local garden centers. Remember that tulip and hyacinth bulbs should be refrigerated for 45 days at 40 degrees before planting. (The crisper bin of your refrigerator works fine.)

* Establish fescue lawns from seed early in October.

Fertilizers and Watering:

* Cool-season lawns such as fescue can be fed with a 3-1-2 or 4-1-2 ratio lawn food during October.

* Warm-season lawns should be allowed to go dormant without any high nitrogen fertilizer application. A winterizer fertilizer would be appropriate at this time as your last fertilizer treatment.

* Continue to water lawns weekly in the absence of rainfall. Drought stricken lawns, especially St. Augustine are more susceptible to freeze damage.

* Trees and shrubs should also be irrigated weekly as we move into the winter season.

Weed, Pest, Disease Control:

* Finish pre-emergent weed control applications early in the month. Do not apply a pre-emergent if you plan to over seed.

* St. Augustine lawns diagnosed with Take-All Patch disease should be treated with Rubigan or Bayleton 25. Turf care companies and pest control operators offer custom applications.

* Sticky, clear substance from pecan trees is a result of aphid freezing. Aphids are not easily controlled with insect control products. Populations will normally decrease as beneficial insects feed on the aphids.

* Follow all label directions and rates when using any pesticide or fertilizer.

BRADFORD

World War II captures fifth grade students

Bradford fifth graders have been studying World War II, using projects as learning tools.

The classes are doing a novel analysis on "Number The Stars," and each student is assigned to interview someone who lived during World War II. Students are also being encouraged to bring show and tell items related to World War II.

Rev. Aaron Flowers, a veteran of the war, addressed the class about his experiences, during an assembly Tuesday.

Science has ups and downs

Fourth grade science students have been experimenting with roller coasters this week.

The rollers coasters, made by the students, provide study on friction and speed.

Fun and Games

The third grade classes read the story "Field Day" in class this week.

Following the reading the classes got to go outside and play games that were depicted in the story.

Crystal Hoffman, Krysha Hoover, Megan Horton, Jessica Joplin, Amanda Kingcade, Christy Landers, Kim Long, Kevin McShan, Erika Medlinger, Amber Miller, Shea Nault, Kim Powell, Amanda Reed, Dayna Scroggins, Jason Simmons, Meagan Smith, Jeremiah Stevens, Kayla Stevens, Lacy Wells, and Cole Yarbrough.

G/T to visit City View

Bradford Gifted/Talented students will travel to City View school to meet with G/T students of that school for an "enrichment day."

Mrs. Pat Cravens, Bradford Principal, said City View students will also travel to our school for the same type day in a few weeks.

Bradford PTA meeting set

The Bradford PTA will meet at 7 p.m. Tuesday with an informative evening planned for the parents.

A forum, with two teachers from each grade, will be presented. Parents will be able to ask questions of the teacher about the curriculum, policies and other things relating to the school.

KIDWELL

Kindergartners travel to the wild Friday

Kidwell Elementary kindergartners got a treat while studying the letter "N" last week.

All kindergarten classes took a field trip to the Nature Connection in Wichita Falls, followed by a sack lunch picnic in Scotland Park.

Sonic Drive-In doors re-opened

Iowa Park's Sonic Drive-In, closed since a fire on Aug. 9, opened for business Tuesday.

The business, which first opened in 1976, has undergone remodeling and repairs, as well as adding a new patio dining area, according to Danny Johnson, supervisor.

Also added is a feature of carhops on skates, and they will be wearing uniforms reminiscent of the 1950s on Tuesdays.

PSAT given October 11

The Preliminary Scholastic Aptitude Test (PSAT) will be administered at Iowa Park High School Tuesday, Oct. 11.

The test is intended for juniors, although other grades may also take it. It is a valuable tool for helping students prepare for college entrance tests.

In addition, this exam is required before a student can be considered for National Honor Society and high scores will enter a junior student in scholarship competitions. Another benefit of this exam is that students may use it to investigate colleges.

The exam will begin at 7:15 a.m. in the high school cafeteria and the cost is \$8. Fee waivers are available for students with financial need.

Students may register in the counselor's office and bring their money on the day of the exam.

For more information, call Nancy Young or LaRae Collins at 592-2144.

- Junior High Roundup -

The Iowa Park 8th grade got things started off on the right foot Tuesday night when Tommy Duerson returned the opening kickoff not once but twice for a touchdown as the Hawks whipped Jacksboro 30-6 to improve to 3-2 for the season.

Duerson's first return was called back due to a penalty but he was not to be denied as he took it the distance on the re-kick to give Iowa Park an early 6-0 lead. Duerson then caught a pass from Toby Williams for the two point conversion.

The Tigers answered right back when they intercepted a pass and returned it 97 yards for a touchdown to cut the lead to 8-6.

But it was all Hawks from that point forward.

Duerson rambled 80 yards to put his team up by 8 and Justin Denton ran in for the conversion to make the score 16-6. Dub Howard added a 4-yard TD to raise the Iowa Park lead to 24-6 following Denton's second two-point run. Denton then put the final points on the board with a 7-yard run to make the final 30-6.

The entire offensive line was credited with having an excellent game for the Hawks.

Defensively, Mark Dreher and Bryan Miller both had interceptions for Iowa Park while Aaron McGuire also had a solid game.

pressive 22-6 victory over Jacksboro to raise the Hawks record to 3-1-1 for the season.

Mitchell's first touchdown came on a 40-yard pass from quarterback Tyler Pulley to give his team a 6-0 first quarter lead.

With the Hawks leading 6-0 and just 55 seconds remaining in the half, Wade Miser broke loose and rambled 85 yards before being dragged down at the Jacksboro 10 and with just 11 ticks left on the clock, Mitchell did the rest. Randy York added the two point conversion to make the score 14-0 at the half.

Following a scoreless third quarter, Duerson scored his third TD of the night, this one a 60-yard pass from Pulley to give the Hawks a 22-0 lead following Jeff Duerson's two point run.

The Tigers avoided the shutout scoring in the final two minutes of the contest.

Offensively for Iowa Park, linemen Dusty Dean, Jeremy Nelson and Shane Dunn all did good jobs opening holes for the backs all night long.

On defense, the Hawks were led by Ryann Huff, James Williams, Randy Follette and Jeremy Stevens. Also credited with good efforts for the Hawks were Bubba Antones, Bryan Swanson and John Sims.

TOP OF TEXAS FOOTBALL

The Midget West Hawks improved to 5-0 Saturday night as the ripped the Electra Tigers 36-6 to raise their record to 5-0 overall and 3-0 in conference play.

Chase Wright opened the scoring for the Hawks in the first quarter by scoring two of his four touchdowns in the period on runs of 10 and 25 yards. He and Brandon Criswell each scored a two point conversion to make the score 16-0 in the first quarter.

Criswell, who finished the night with 72 yards rushing on only six carries added a 46-yard TD run to build the Hawks lead to 22-0 at the half.

In the second half, Wright, who finished with 94 yards rushing on 7 attempts, scored his third touchdown of the night this one an 8-yard run to put Iowa Park on top 28-0. Wright then "kicked" the first of his two extra points to pad the lead to 29-0.

Quarterback Chris Simmons who completed 6-of-12 passes for 151 yards hit Wright with a 62-yard scoring pass to wrap up the evening for the Hawks.

Defensively for Iowa Park, Heath Hodges, Colby Rusk and Rowdy Hebel all had good games to go along with Criswell, Wright and Simmons who picked off a pass and returned it 32 yards.

The Pee Wee West Hawks also had an easy time with Electra Saturday night as Iowa Park blanked the Tigers 12-0 to improve to 2-3 overall and 1-2 in conference play.

Jack Scholl put the Hawks on the board in the second quarter on a 21-yard run and later added a 4-yard run in the fourth quarter to make the final score 12-0.

Scholl finished the night with 92 yards rushing while Jeremy Fulfer added 30 yards on the ground. Hawk fullback Jason Stevens did a great job blocking to open the holes for the other two backs. Also doing a good job for Iowa Park was the entire offensive line.

The defense was a combined effort as the Hawks held the Tigers to only one first down for the entire game.

The Midget East Hawks kept their playoff hopes alive Saturday night when they came from behind to beat Burkburnett 16-8 in overtime. The Hawks improve to 2-3 overall and even their conference mark at 2-2.

With the score tied after the first half, the Bulldogs managed to find the end zone late in the third quarter to take an 8-0 lead following the two point conversion.

The Hawks answered when Micha Bosley scored from 5 yards out to cut the lead to 8-6 late in the final period. Kyle Young tied the game at 8-8 when he plowed over from 3 yards out for the conversion forcing the game into overtime.

In the overtime period, Iowa Park took the ball first and drove the 20 yards and scored the game winner when Bosley went in from the 3. He also added the two point conversion to make the score 16-8.

The Bulldogs still had a chance to score and tie the game again but on fourth-and-inches from just outside the

10 yard line, Jimmy Miller recovered a Burk fumble to preserve the victory for the Hawks.

Offensively for Iowa Park, Bosley and Young both did a good job running with the ball while Russell Duggins and Russell Foster did a super job opening the holes in the line.

On the defensive side of the ball, Bryan Swenson and Michael Hopper both had solid performances to go along with Miller.

The Pee Wee East Hawks improved to 3-2 overall and 3-1 in conference play Saturday night by drilling the Burkburnett Bulldogs 28-8 to grab a share of the division lead.

Jeff Henderson put the Hawks on the board in the first quarter on a 5-yard run to give his team a 6-0 lead. Iowa Park's Brandon Lama then attempted an onside kick that was recovered by the Hawks that led to a Ryan Shierry 35-yard TD run that put the Hawks on top 12-0.

Shierry scored on a long run in the second quarter to pad the lead to 20-0 before the Bulldogs scored to cut the deficit to 20-8 at halftime.

Cory Bosley added the final touch, a 60-yard quarterback sneak on fourth-and-15 to make the final score 28-8.

Offensively for Iowa Park, Joseph Cockrum and Caleb Simon both had good games to go along with Henderson and Shierry.

On the defensive side of the ball, Justin Swenson, Luke Ermis and Charles Heacox all were credited with good games.

Frosh thump Springtown, 36-8

The Iowa Park freshmen improved to 3-1-1 last Thursday night by blasting Springtown 36-8 thanks to three touchdowns by Todd Yeager and two more from Brandon Brown.

Yeager opened the scoring on a 15-yard run to cap an eight minute drive to give the Hawks a 6-0 lead. Yeager then

hooked up with Chad Wright on the two point conversion pass to make the score 8-0.

Brown made it 14-0 early in the second quarter when he scored on a 20-yard run. Yeager added 8 more points to his team's total on a 20-yard run and conversion as the Hawks took a 22-0 lead into the lockerroom at the half.

Brown scored his second touchdown of the night in the third quarter to boost

the lead to 28-0 before the Porcupines scored a touchdown to cut the lead to 28-8 heading into the final period of play.

Yeager finished the scoring with a 4-yard TD run and a conversion pass to Wright to make the final 36-8.

The offensive line consisting of, Brad Green, Bodie Yarbough, Brandon McLemore, Brandon Holley and Kevin Hoover all had solid games allowing both Yeager and Brown to gain over 100 yards each on the ground.

Defensively, Ross Lowrence and Michael Blair both had good games to go along with Wright and Yeager who also had an interception to go along with his three TD's.

Hawks

Continued from page 1
contest looking to snap an eight-game losing streak to Iowa Park dating back to the 1969 State Class 2A semifinal game won by the Hawks 21-0 on their way to an undefeated State Championship. Since that game, Iowa Park has handled the Tigers fairly easy winning seven games by the combined score of 257-71.

In the Hawks last meeting with Jacksboro in 1987, Iowa Park came away with a 28-3 district win before the Tigers were re-aligned to Class 2A.

The Hawks are coming into the game a little banged up. Keith Hoover who is still nursing a sprained knee could be ready to go Friday while Heath Ward, who injured his ankle in the Springtown game is still listed as day-to-day. Troy Radford who missed last week's game with a bruised sternum is listed as doubtful and Jeff Taylor should be ready to go after missing part of the game against the Porcupines last week.

"This is the biggest game of the year so far for us," Nelms said. "We need to step up our play to the next level and realize that the goals we set at the start of the season are still within reach. We just have to keep working toward those goals week in and week out."

JV suffers third loss of season

Not much went right offensively for the Hawks last Thursday night against Springtown as the Porcupines blanked Iowa Park 28-0 to drop the Hawks to 2-3 overall heading into district play tonight.

Iowa Park managed only 65 yards total offense as numerous penalties and turnovers hurt the Hawks chances to score.

Defensively, the Hawks were led by Chris Norris who intercepted a pass and Steven Trahan who did a good job from his linebacker spot.

Iowa Park will be looking to get the district started off on the right foot tonight when they host the Jacksboro Tigers at Hawk Stadium in a game scheduled to get under way at 5:30 p.m.

FRIENDLY DOOR NEWS

FRIENDLY DOOR members who will have birthdays in October

City View 4-H meets

The City View 4-H Club held its first meeting of the new school year at City View School. The meeting was conducted by the new slate of officers. They include: Josh Boyd, president; Chris Lewis, vice president; Erin Parks, secretary; Chad Vickers, treasurer; Richard King, council delegate; Adam Aguirre, alternate council delegate; Luke Hasse, reporter; Cheyenne Patterson, membership chairman; and Elisa Aguirre and Monica Powell, recreation leaders.

Several new members were introduced and accepted by the club, and reports were given on county and district activities.

Club leaders, Fred and Sandra Lewis, told of the club members who had completed their project record books. The group decided to participate in the Iowa Park Whoop-T-Do activities October 14 and 15. They will promote 4-H with an entry in the parade, and a pumpkin sale. Members were informed of a photo contest and asked to sign up for projects for the coming year.

The meeting ended with club members making posters for use at school to promote 4-H participation.

will be celebrating that event Monday, Oct. 10 include Velma I. Skinner, Ruby B. Anderson, Ruth D. Gard, Thelma Ferguson, Sallie P. Riddle, Mary McCreary, Marie Boren, Carlton Hicks, Loyce Roy, Loyd W. Holmes, Bernice Green, Bea F. Johnston, Lois L. Bartosh, Wilma G. Lane, Vera Bates, Graver M. Anderson, Buster D. Grimes, and Jettie E. Sampley.

DAVE BRIDGERS will come every Wednesday to play the piano and members can sing-along.

BLOOD PRESSURE check-up time Thursday, Oct. 13.

BLOOD SUGAR CLINIC Friday, Oct. 28.

GAME NIGHT Friday, Oct. 28. Everyone is to bring a favorite covered dish. It will be a night of fun, food, and good fellowship.

HAPPY HALLOWEEN Monday, Oct. 31 we will be having a Costume Contest. Prizes will be awarded to the Best Female Spook and the Best Male Spook. It's going to be a howling good time.

LEGAL NOTICE

SHERIFF'S SALE
THE STATE OF TEXAS
County of Wichita
NOTICE IS HEREBY GIVEN That by virtue of a certain Order of Sale issued out of the Honorable 89th District Court of Wichita County, on the 26th day of August 1994 by Dorsey Trapp, Clerk of said District Court for the sum of Seven hundred sixteen and 22/100 DOLLARS
Plus 10% interest from date of judgment and costs of suit, under a certain judgment, in favor of Iowa Park Independent School District, Et Al in a certain cause in said Court, No. 38,762-C and styled City of Iowa Park, Iowa Park Independent School District, Wichita County Education District vs. Harry Lee Skinner and placed in my hands for service, I Thomas J. Callahan as Sheriff of Wichita County, Texas, did on the 13th day of September 1994 levy on certain Real Estate, situated in Wichita County, Texas, described as follows, to-wit:
Tract 1: East sixty five (65) feet of Lots 1, 2, & 3 and the south four (4) feet of the east sixty five (65) feet of Lot 4, Block S, Original Townsite to the City of Iowa Park, Wichita County, Texas, as more particularly described in a deed recorded in Volume 1163 at Page 111 of the Deed Records of Wichita County, Texas; known as 108 E. Jefferson in said city.
The above property shall be sold subject to the owner's right of redemption. The redemption period is two years for homestead and agricultural use property and six months for all other property. Purchasers shall receive a Sheriff's Deed that is without warranty. Bidders should satisfy themselves concerning title and location of the property and improvements on the property prior to sale, and levied upon as the property of Harry Lee Skinner and that on the first Tuesday in November 1994, the same being the 1st day of said month, at the Court House door, of Wichita County, in the City of Wichita Falls, Texas, at 10 A.M. by virtue of said levy and said Order of Sale I will sell said above described Real Estate at public venue, for cash, to the highest bidder, as the property of said Harry Lee Skinner.
And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Iowa Park Leader a newspaper published in Wichita County.
Witness my hand, this 13th day of September 1994
Thomas J. Callahan
Sheriff, Wichita County, Texas

THE REMAINS of a carport covered much of Mockingbird Drive, following the storm Monday afternoon. Observers questioned why the carport would be damaged by a wind out of the south, when the home faced the north, and a carport directly across the street had no damage.

UIL to study changes

The often-discussed issue of adding a Conference 6-A will once again be an item of discussion at the University Interscholastic League's meeting Oct. 16-18 in Austin.

An advisory committee authorized by the state legislature asked the UIL athletic staff to study the possibility of adding the conference.

After a survey of member schools in September, those findings will be presented to the Legislative Council in October.

Member schools also will be asked to respond on such proposals after the Athletic Committee meeting last summer as:

- * Making all baseball playoffs a two-of-three series;
- * Adding a third team from each district in the playoffs in 4-A, 3-A, 2-A and 1-A in all team sports;
- * Moving softball to the fall and adding a third classification;
- * Adding girl's pole vault to track and field;
- * Dividing six-man football into two playoff divisions; and,
- * Discuss a new method of dealing with last-minute ineligible player rulings that could delay the state playoffs. Instead of banning the entire team, sideline the ineligible player.
