Hawks to Bridgeport

Seek to continue domination of Bulls

When Iowa Park takes the field in Bridgeport tomorrow night at 7:30 the Hawks will be looking to continue a winning streak that stretches back to 1984.

The Hawks have never lost to the Bulls, winning eight straight district games before realignment moved Bridgeport to another district. Iowa Park won those 8 games by the combined score of 255-82.

The Bulls are coming into the contest against the Hawks riding a three-game losing streak following a 28-0 loss to Bowie and a 30-7 loss to Graham last week. Bridgeport is 2-5 overall and 0-2 in district play.

If you are one of those people who thinks high school teams don't throw the ball enough, you don't want to miss this one. Bridgeport will throw it enough for both teams as the Bulls are averaging 49 pass attempts in their last 5 games.

Quarterback Joe Newton leads the Bulls attack and is joined in the backfield by Daniel Lara, a 165-pound running back that runs the ball real well. Newton's favorite targets are Jeff Riordan, a 140-pound split end and Paul Raby a 160-pound wide receiver. The Bulls' offense uses multiple sets with a lot of four-receiver looks.

"They are a mystery type team that gives you a lot of different looks on offense," Iowa Park head coach Weldon Nelms said. "They won't look like anybody we've faced all year.

They'll line up in the shotgun sometimes with no backs and they run the run-and-shoot. They mix in a few running plays to keep you honest but primarily they are a passing team.

"They have a real good quarterback and if you don't put some pressure on him, he can pick you apart," Nelms added. "We'll use a few more kids to keep fresh people in the game and will give him some different looks. They are a control type passing team and they like to run a lot of underneath and crossing routes. They'll be the first team that we've played where we had the most speed on the field."

Bridgeport comes into the game against Iowa Park scoring an average of 16 points per contest while allowing opponents 21 per game.

Defensively, the Bulls are a little on the young side as they start three freshmen.

"Anytime you have to start freshmen and sophomores at varsity level in 3A it's tough," Nelms said. "We feel like our offensive package will give them a lot of trouble and we are looking to have a strong game offensively. Against a passing team like Bridgeport, you want to control the ball and keep their offense on the sideline as much as possible. We feel like the size match up is in our favor as well as we definitely need to take advantage of that and continue to play at the level we played against Vernon. If we do, we should be alright."

Southlake Carroll was a common opponent for both teams with the Dragons beating Bridgeport 28-14 in the season opener while the Hawks fell 22-7 in week four with the score not

'94 HOMECOMING QUEEN Dani Goin, daughter of Mr. and Mrs. Danny Goin, was crowned prior to Friday night's football game. Philip House, student council president, adjusts the queen's cape.

Storm damage to schools is estimated at \$300,000

Damage sustained by school buildings and other facilities in the Oct. 3 hail and wind storm was extensive, and estimates are that the total could reach \$300,000.

A report was made by Supt. Glen Mitchell to the school board during last Thursday's regularly-scheduled monthly meeting.

At that time, the one cost available was \$2,600, which was approved on an emergency basis to replace five air conditioner coils at Bradford Elementary. In addition, approval also was given to replace the roof of the Transitional Living Center at the junior high.

The reason action was taken on an emergency basis was so the work could be done without the delay of time necessary for bids to be sought.

A list of damage was provided board members, including:

High School - wind screens at the tennis courts and baseball field destroyed, baseball batting cage damaged, baseball field flag pole bent, south

press box at football field destroyed, compressor shed at bus barn destroyed and fence damaged, gas pump line damaged, three press box windows broken, ticket booth damaged, green house roof damaged, as were two lights at the stadium and roof of the swimming pool pump house;

Kidwell Elementary - television cable blown down;

Bradford Elementary - besides the air conditioner units damaged, five windows broken, roof damaged and metal building dented;

Junior High - main building roof damaged, front columns chipped, metal sheets dented, several windows broken, gutters blown loose, band hall's windows broken and damage to siding, roof and flashing, windows of

both dressing rooms in boys' gymnasium broken and water flooded flooring, blue building sustained dents to sides and down spouts and water leaks onto floor, girls' gymnasium flashing and roof damaged, allowing water inside causing tiles to come up on floor;

Administration Building - air conditioner and roof damaged.

OTHER BUSINESS

Also taking place during Thursday's meeting were:

* approved a bid from Indeco Sales to purchase 10 new desks for the high school, costing \$3,531;

* approved a bid from Luk Computers for three computers with printers for \$5,500, and five more printers

City leads in sales gain

Retail sales continue to have a rose-colored tint, according to this month's sales tax report from the state comptroller's office.

Iowa Park is again leading all four cities in Wichita County in increased sales taxes collected.

The city received a \$16,829.41 check from Austin this month, reflecting sales taxes collected by local businesses in August and reported to the comptroller in September.

That was a 30.13-percent increase over the same month in 1993. Electra had a 14.24-percent gain for the month, but Wichita Falls reported a minus 11.15 compared to last year and Burk-

burnett dropped a whopping 28.53 percent for the month.

So, for the year, Iowa Park is enjoying a 7.86-percent gain over 1993, having received a total of \$192,016.38, according to the report.

Electra and Wichita Falls both are on the plus side for the year, with 5.26 and 3.90 percent increases. However, August's business caused Burkburnett to drop below this same time last year, to a minus 2.37 percent.

Holliday is a minus 10.89 percent for the year, having received only \$49,709.42 during the 10-month period, as compared to \$55,790.35 at this time in 1993.

News Briefs

Water tower work nearing end

A crew that is to sandblast and paint the new water tower just west of Johnson Road arrived on the site Tuesday afternoon.

The work is projected to be completed by Friday of next week, if good weather allows, according to Belvin Lytle, public works director.

Drizzle produces quarter inch

Very little moisture fell in a short time during the past week, but three days of sprinkles and drizzling pro-

duced .23 of an inch precipitation, according to Virgil Woodfin, increasing the October total to 2.16 inches.

No classes scheduled Monday

Students will get a break from school Monday, which has been set as a Staff Development Day.

Regular class schedules will resume Tuesday morning.

Band in competition Saturday

Iowa Park High School's Mean Green Marching Machine will take to the field at Memorial Stadium Saturday, seeking its 13th consecutive Division One rating in UIL marching contest.

To perform at 3 p.m., the band will

be the last to compete among class 3A bands, and ratings will be announced at the end of each classification.

The all-day contest will include all area schools through Class 5A

No junior high bands will be competing.

Early voting gets underway

Early voting in the Nov. 8 general election was begun Wednesday, and will continue through Friday, Nov. 4.

The early voting pole in Iowa Park is located in the Wichita County Tax Office at 400 North Wall.

The county annex building, where such voting was held, was previously located on West Park, next to the First Baptist Church, until the new building was constructed.

Voting hours will be 8 a.m. to 5 p.m. through Friday, Oct. 28, and 7

a.m. to 7 p.m. Saturday, Oct. 29, and all the next week through Oct. 4.

This is not a presidential election year, but still there are numerous important posts to be decided, including U.S. Senator, U.S. Representative, governor of Texas, lieutenant governor, comptroller, numerous judges and state senator.

Any registered voter can opt to cast his/her ballot early, rather than waiting for the Nov. 8 polls to open, and no excuse for voting early is required.

Home of collections

By MYRNA SMITH

Wall to wall treasured antiques from Germany and Vietnam, heirloom pieces, a large collection of dolls, and beautifully turned wooden pieces that showcase the artistic talents of a retired Air Force Senior Master Sergeant, establish the identity of the Herb Smallwood home and its occupants.

Herb and his wife Lona are collectors. During the three years he served in Germany with the U.S. Air Force he was stationed at Tempelhof AFB in Berlin. The couple became interested in collecting antique clocks, fine crystal and china, Hummel figurines, and many pieces of antique furniture.

While the Smallwoods and their daughter, Cathy, who was 12 at the time, and son Jon, who was nine years old, did not live in housing provided by the Air Force. They chose to rent houses that were among the German people. If they needed repair work done, Smallwood did it. He said they lived in some really nice old homes.

Some of their friends couldn't understand why they did not choose to live in housing provided for them. Herb said he told them, "We know about the Americans, and now we have an opportunity to know the German people and find out more about their customs and culture by living among them."

"Jon played with the children all up and down the block and quickly learned to speak the German language," Herb said.

The Smallwoods bought most of their treasures in East Berlin and became well acquainted with a clock repairman and his mother. They gave them advice on knowing the authenticity of the clocks.

When they returned from Germany to Sheppard AFB they had so many clocks there were clocks spilling over into the garage. They finally decided to sell 40 of them. In fact, Lona told Herb, "I want you to get rid of some of these clocks, they are covering the walls.

First, they gave each child a

grandfather clock and let them choose any of the other wall clocks they wanted before they sold the remainder of the 40.

Herb's favorite clock that he says, "No amount of money could buy that clock," is a tall oak, open well, chiming grandfather clock that he purchased in East Berlin, after a year of wanting it. The first time he saw it he said that's a "must have."

According to Herb, it was unusual to find a grandfather clock that still had a top. The Germans used the tops of their clocks for fuel during World War II.

Another special clock is a Delft porcelain one that dates circa 1840, embellished with fruit and the painting of a face. There are two matching vases.

The Smallwoods still have 10 of the beautiful clocks they had when they returned to the States.

Lona loved her Hummel figurines, but she decided to divide her collection with their children and

Stacii Miller and David Owens

To wed in November

Mr. and Mrs. Eddie Miller of Wichita Falls and Ms. Dianna Miller of Iowa Park, announce the engagement of their daughter, Stacii, to David Owens.

Owens is the son of Mr. and Mrs. Danny Owens of Munday.

The couple will pledge marriage vows Nov. 4 in Munday.

The bride-elect is a graduate of Iowa Park High School and is a junior Criminal Justice major at Midwestern State University. She is assistant manager of Lerners of New York at Sikes Center Mall.

Owens graduated Munday High School. He received his degree in Criminal Justice from MSU. He is manager of J. Riggins in Wichita Falls.

A.D.D. support group to meet Tuesday night

The A.D.D./Hyperactivity Support Group will meet Tuesday, Oct. 25, at 7 p.m. at the Recreational Activities Center.

A video by Sam Goldstein, child psychologist, will be shown.

Title of the video is "Why Won't My Child Pay Attention?" It concerns children who are hyperactive/A.D.D.

LIBRARY NEWS

THANK YOU

A special "Thanks" to Mila Capes-Altom, Sandy Koonce and Vikki Shea for spending many hours reorganizing the Genealogy Department.

Their knowledge of the Genealogy area, has made a big difference in the way the Genealogy Department will be available to future researchers.

They are members of the newly formed Iowa Park Genealogical & Historical Society. This group meets at the library the second Saturday of each month. Watch for additional information within the *Leader* on this society.

REMINDER

Guessing Contest will be held until Oct. 28. Please take a few minutes to place your guess at the number of pieces of candy in the container found on the circulation desk.

The winner will receive a Halloween decoration for first and second place.

Jack-O-Lantern contest will run from Oct. 21 until Oct. 28. Please be creative and bring your entry to the library during regular business hours on Oct. 21 and Oct. 22.

Judging will be done by our library patrons for the four different age groups. Under six; seven-10 years; 11-16 years and over 16.

Prizes will be awarded Oct. 28 at which time we would ask that you also pick up your entry.

FREEDOM PRESCRIPTION PLAN®

A unique prescription service aiding you in the relief of rising costs of prescription medication.

- *HOW DOES IT WORK? This pharmacy has the capabilities to direct bill your health insurance company for prescription medication supplied by our pharmacy.
- *DOES THIS MEAN I NO LONGER HAVE TO FILL OUT AND FILE LENGTHY INSURANCE CLAIM FORMS? Absolutely! Our pharmacy will complete all necessary claim forms required by your insurance company.
- *WILL I STILL HAVE TO WAIT FOR REIMBURSEMENT FROM MY INSURANCE COMPANY? Of course not! We will directly receive payment on all prescriptions supplied by our pharmacy.
- *WILL THIS REDUCE MY COSTLY OUT-OF-POCKET EXPENSE? Certainly! Pay only your portion as stated by your insurance company.

Example: 80/20 Insurance Plan
\$25.00 Prescription
5.00 (20%) YOUR PORTION!
20.00 (80%) Insurance Portion

*HOW DO I QUALIFY? Easy! Just present your health insurance card and we will contact your insurance company asking all the qualifying questions. It takes only a few minutes!

*WHY WOULD WE WANT TO PROVIDE SUCH A TREMENDOUS AND DESPERATELY NEEDED SERVICE? Because we care about you!!!

Mrs. Harrell Riggins

Being president of the Iowa Park Chamber of Commerce comes natural for Kathy (Mrs. Harrell) Riggins. When she was growing up, her father was chamber of commerce manager in several Texas cities.

Born in Abilene, Kathy lived in Brownfield, Plainview, Big Spring and Sweetwater before moving to Wichita Falls where she graduated Rider High School. She and her husband Harrell met and were married in Wichita Falls. They moved to Iowa Park 28 years ago.

Kathy is the manager of Park Cleaners, and Harrell is employed in the NATO program at Sheppard Air Force Base.

The Riggins have two children. Their son Tommy is vice president of Smith X-Ray, and his wife, Michelle, is a CPA. Their daughter Kristy, who is a cosmetology student at Vernon Regional Junior College, is the mother of their only grandchild, six-year-old Justin.

Kathy said about the only activities she has time for are those related to the Chamber of Commerce, and her family. She likes to have backyard cookouts with family and friends.

Kathy likes to cook, and cooks every day. She said they have a sit-down supper every night.

Her recipe for "Hush Puppies" is used quite often for cookouts, and Kathy said she likes to prepare "Canning Jar Bread" and give it as gifts at Christmas time.

COOK OF THE WEEK

Canning Jar Bread

- 8 - pint size, wide-mouth canning jars
- 2/3 cup shortening
- 2 2/3 cup sugar
- 4 eggs
- 2/3 cup water
- 2 cups bananas
- 3 1/3 cup flour
- 1/2 tsp. baking powder
- 2 tsps. baking soda
- 1 1/2 tsp. salt
- 1 tsp. cinnamon
- 1 tsp. cloves
- 1 cup chopped pecans

Wash and dry (wide-mouth) canning jars. Grease well. Pre-heat oven to 300 degrees.

Cream shortening and sugar. Add eggs to mixture. Add water and bananas and beat well. Add with spoon the remaining ingredients.

Fill jars 1/2 full. Bake in pre-heated oven 45 to 55 minutes. When done, remove one at a time from oven. Put scalded lid on each one and seal. Can be used as gifts. Use ribbons or appropriate ornaments to decorate the jars.

Sweet Surprise Chicken

- 2 1/2 - 3 lbs. chicken breasts
- 1 - 16 oz. jellied cranberry sauce
- 1 - 8 oz. bottle creamy French dressing
- 1 envelope onion soup mix

In shallow, greased baking pan, place chicken, skin side up, in single layer (may be skinned if needed). In medium bowl, mix cranberry sauce, dressing and onion soup mix. Pour over chicken. Bake uncovered at 250 degrees 2 hours, or until fork can be inserted into chicken with ease.

Hush Puppies

- 1 1/2 cup cornmeal
- 1 1/2 cup water
- 1/3 cup milk
- 1 Tbsp. vegetable oil
- 2 tsps. grated onion
- 2 eggs, beaten
- 1 cup flour
- 3 tsps. baking powder
- 2 tsps. salt
- 2 tsps. sugar

Cook corn meal and water until stiff and it begins to roll into a ball - about 6 minutes. Remove from heat; add milk, oil and onion. Stir until smooth. Gradually stir into beaten eggs, in a 2-quart bowl.

Blend dry ingredients. Add to cornmeal batter and blend thoroughly. Heat cooking oil (1 inch deep) to 375 degrees and drop batter by teaspoonfuls into hot fat. Fry 6-7 minutes. Makes 24-30 hush puppies.

Butter Rolls

- 1 recipe biscuit dough
- 1/2 cup butter (not oleo)
- 1 1/2 cup sugar
- Milk
- Vanilla

Roll out biscuit dough to about one-half inch thick. Cut into squares or circles (use a saucer). Sprinkle with 1 cup of sugar and dot with vanilla. Chip butter up over the sugar and vanilla. Roll up and crimp ends. Place in cobler pan and sprinkle with remaining sugar. Cover with milk or cream and place in a 300 degree oven. The dough will float. Cook until top is browned.

Class celebrates 20-year reunion

Members of Iowa Park High School's graduating class of 1974 observed their 20-year reunion last weekend in conjunction with homecoming festivities.

Many classmates and their families sat together during Friday night's football game between Iowa Park and Vernon. Saturday morning, a golf tournament was held under the direction of Wes Spruiell.

During Whoop-T-Do on Saturday, there was an informal gathering for class members and their families at the pavilion in City Park.

The final event, a dinner held at the Ramada Inn in Wichita Falls, was attended by 49 classmates, their spouses, and guests.

Retired high school principal, Bob Dawson, was the guest speaker, and Leroy Threet served as master of ceremonies. Members of the class who were recognized included: Frank Baston - traveled the farthest (Calif.) to attend; David Brott - most recently married; and Gisele Farmer Herron - classmate with the youngest child.

One of the highlights of the evening was the showing of a video, produced by David Brott, covering the group's high school years.

4-H Club News

We are doing lots of projects in the club. Please come join us! We had our last meeting Sept. 8 and voted on officers for the new year.

New officers are Ky Hunter, president; Kelly Williamson, first vice president; Joey Gauthier, second vice president; Brian Ford, secretary; Cuc Stevens, treasurer; Bryan Taylor, reporter; Lindsey Hunter, council delegate, and Dee McEwen, council delegate alternate.

The Iowa Park Club did a float for the Homecoming parade and want to thank everyone for helping us. Our next meeting is Nov. 10 and we meet every second Thursday of the month at the Iowa Park RAC.

The club managers are Phillis and Tim Hunter and their number is 592-5312. Please call them if you have any questions.

Hand-Crafted Stained Glass Lasting Impressions Real Flowers

Our flowers are picked and pressed at their peak of color and are then artistically arranged into beautiful handcrafted pieces. Each floral arrangement is individual in style as it is captured between sparkling layers of glass.

So enjoy...and know that Lasting Impressions has provided you with a unique work of art we hope you are delighted to own.

As I See It... By Bob Hamilton

Like I indicated in this space last week, I'm glad homecoming weekend is over.

The hours were long and the work hard, but all-in-all, I had a ball. It was great getting to see a lot of our former residents who came home for the event, but I didn't get to see nearly as many of them I heard about who were here, as I would have liked.

Working on numerous projects just doesn't give you much time to seek and find people in the crowds.

I certainly had no problem going to sleep when I finally got into my bed Friday and Saturday nights!

The weather wasn't the best we've had for this type weekend, but it could

have been much, much worse.

During the ball game Friday night, only a few drops of rain and mist made you aware of what could happen.

And when I got up from bed Saturday morning, I could have lost a bundle by betting that Whoop-T-Do would be washed out for the first time since it was begun.

The wind and slight mist made things chilly Saturday. But it appeared to me that the only people who were plainly uncomfortable were the kids who decided their t-shirts were the dress of the day, and those poor souls who agreed to be the victims on the dunking board.

Almost every booth had successful days, especially the food booths.

None of them had anything to carry over, and most had to close early when they ran out of supplies. That surprised the booth sponsors most of all.

I should have guessed how successful the weekend was going to be Friday afternoon. The homecoming parade was outstanding, and to the best of my recollection, had more participation and viewers than any since I've been covering them.

It's just a real pleasure to tell you I did not hear one single complaint about anything over the weekend.

There's one simple answer to it all. The people. We've got the best. They are interested in their community. And it shows at every turn.

Worth Quoting

Who'd have thought, only a few years ago, that in the '94 election the scariest buzzword thrown around by the mostly liberal, mostly at-risk incumbent office-holders would be... *Christian?*

Who'd have believed that in the United States, calling your opponent a *Christian* could have the ominous overtones it now has? Who'd have thought linking someone's name with "family values" would be akin to

branding him with a scarlet letter -- "I" for Intolerant?

The "Christian Right," to read the columns, won't tolerate other points of view. Not content merely to have a voice in the way things are run, they're trying to TAKE OVER so they can FORCE their beliefs on everyone. They are the new fascists, religious Nazis looking for people to control.

Funny, I've never gotten that sense of world domination at my church. They don't invite me to those committee meetings.

Maybe the liberal alarmists are right. Maybe the Radical Religious Right's agenda is indeed to take over society, to trample every dissenting faith, to discard freedom and ruthlessly police every facet of life.

But don't call that Christianity. Wasn't Jesus full of love? Didn't he dedicate his life to healing the sick, feeding the hungry and clothing the tattered? Wouldn't the world be a better place if there were more like Him?

I've never seen a church try to win a convert by force. Jesus called, but he didn't draft. Governments do that. In fact, rather than taking over the government, Jesus was taken captive and put to death by a government that feared him.

So who's the scary one here? Maybe that's the point.

It should come as no surprise that entrenched government fears the ideas of Christianity; that there is a higher authority than the state; that a nation cannot survive when it calls evil good and good evil; that human life has a value beyond this world.

Just as Jesus Christ broke the dark and evil cycle of pagan religion, so the United States broke the cycle of tyranny with a system of government that set men free.

The kind of government I read about in the Declaration of Independence doesn't conflict with Christianity. In fact, faith flourished in America as it had never flourished anywhere, because of that freedom. The American ideals -- individual freedom, re-

sponsibility and moral accountability -- work very well alongside Christianity.

When liberal fearmongers tell us the Radical Religious Right wants to control us, we would do well to remember the IRS, the ATF, OSHA, the EPA, the DOE, HUD, the FDA -- a control-happy explosion of federal bureaucracies, the legacy of decades of liberal government.

If people who profess the Christian faith feel like it's time to try a new approach, who can blame them? They can put their ideas in the public arena, get out the vote, and go for it. Isn't that the American way?

If that strikes fear into the hearts of some, it's likely a fear of losing control, and it may be fully justified.

Christianity is not forced, but it is a force.

It thrives not on control, but on freedom.

BOB BUCKEL
Springtown Epigraph

My, how times have changed. While we were demolishing the building next door to make room for our expansion project, we found an electric bill from Texas Power & Light Co. dated February 1959. It was for \$1.29.

ROY EATON
Wise County Messenger

"Nobody likes me at school," said the son. "The teachers don't and the kids don't. The superintendent wants to transfer me, and the custodians have it in for me. I don't want to go."

"But you have to go," the mother insisted.

"You're healthy. You have a lot to learn. You've got something to offer others. You are a leader. Besides, you are 50 years old. You're the principal and you have to go back to school."

ROY MC QUEEN
Snyder Daily News

also from Luk for \$895 total;

* approved a bid from Fleetwood to purchase wireless foreign language laboratory equipment which can be used by 30 students at the same time, for a total of \$12,702.50;

* accepted the resignation of Nancy Padgett, who is responsible for food service, student attendance, student data input and student activity accounts, effective Dec. 22;

* hired two new personnel, including Kristy Sue Malone as half-day resource room teacher at Bradford, and

Karen Gauthier as Chapter One aide at Bradford;

* heard a report from Robert Palmer, assistant superintendent, concerning a satellite television project which could network all the local school computers with information sources such as college libraries;

* rejected a proposal to sell an acre of land at the Valley View School campus;

* and held a discussion concerning consideration of a tax abatement program for Cryovac.

Letters to the Editor

Thanks for support

We would like to express our heartfelt thanks to the many people who have stood by us, supported us, and prayed for us during the nightmarish experience we have endured for the past two and a half years. The silver lining in the dark cloud that has hovered over us has been in finding out how many wonderful friends we have. We will be eternally grateful to: Our immediate families, especially our three daughters who have lovingly supported and staunchly defended their Dad; longtime friends who have been with us through thick and thin and are still there for us today; our loving, caring church family; our wonderful square dance family; our neighbors, both in our immediate neighborhood and throughout the community who have continued to show friendliness and faith in our integrity; the parents of other bus children who called to offer your support and assure that your children believed in him; co-workers and former co-workers.

We hope all of you understand our decision to accept the known factor of the plea bargain that was offered in exchange for a "no contest" plea, to the unknown factor of a trial that would be tried in the media as well as in the courtroom. The legal system has not worked for us since day one of the allegations and in the climate of today's society we were uncertain of the outcome of the trial. Also, we have fought this thing so hard for so long that we are emotionally, physically, and financially drained. As it turned out, we still had to endure the pain and public humiliation of the media, but we realize they were just doing their jobs by reporting information that was fed to them.

With the continued love and support of all of you, we want to put this terrible ordeal behind us and go on

with our lives.

May God bless you each and every one as He has blessed us with your presence in our lives.

Johnny & Betty Cole

Announces winners

Dear Mr. Hamilton;

When reading the *Leader* on Sunday afternoon, I grinned when I read your article concerning how you felt about the Whoop T Do. We only participated in one booth, how you wore four hats is awesome.

As part of the Nortex 9-1-1 Communications booth, citizens could sign up to win an insulated mug. Each hour we drew a name with six names being drawn. The list of winners we would very much like to publish in the *Leader*. We would appreciate your running the following article in this week's edition.

The Nortex 9-1-1 Communications District was pleased to have everyone that visited our booth at the annual Whoop T Do. As part of the booth, each hour a name was drawn to win an insulated 9-1-1 mug. Listed are the names that won: Brenda Gee, Scott Smith, Belen Gonzales, Travis Hail, Sherri Marston and Lauren Gonzales. You will be receiving your mug by mail within the next week. Thank all of you for making our booth a success!!

Mr. Hamilton, I hope that you have recuperated. As for me, this was the first Whoop T Do to plan and then to work in. As you said, "I looked forward to it, but I was happy when it was all over". Next year will probably be the same. Maybe just maybe, however, we'll have sunny weather.

Respectfully,
Vereda Koch
9-1-1 Coordinator/Public Education

IOWA PARK FOR SALE?

Board games featuring local businesses are being prepared and will be sold by the Iowa Park Lions Club.

The game, played similarly to Monopoly, will give each person playing the game the opportunity to "own" Iowa Park. This exciting game is being planned to be available about the middle of December.

The games will be sold through the Lions Club with the proceeds going to aid in the many community projects the Lions work with such as the aid of families needing help with eye examinations and glasses, and scholarships given to graduating seniors each year.

There are a limited number of advertising spaces available. Businesses wishing to be included on the board should notify Joe Hughes, 592-4191, or Jeff Nolen, 592-2100. The advertisements are from \$50 to \$150. Businesses not taking a full ad can have their names listed for \$25.

There will also be a place for individuals to have their names listed on the boards. For \$10 your family name will become a part of the Game of Iowa Park. This will be limited by space, so get your name and money in as soon as possible. The deadline for all purchases is October 28th.

It is anticipated that the games will be available for sale by mid-December. They will cost \$15.95. Below is a special coupon offer.

The Official Lions Club's

GAME OF IOWA PARK

Limited Edition

An action-packed board game, offering real Iowa Park businesses that can be bought and sold. ORDER NOW. To the first 200 paid orders - your family name will be printed on all boards. Proceeds used for Lions Club community projects and scholarships.

Please send this coupon and payment to Lions Club, Box 91, Iowa Park, Tx. 76367.

Make checks payable to Lions Club

Print your family name as to be shown on board

Number of games _____ X \$15.95 _____ Total

Orders must be received by Friday the 28th.

You will be notified to pick-up games when they arrive in December.

NEWS FROM THE HALLS OF THE HAWKS

BRADFORD

9-1-1 information to be given

Vereda Koch of Iowa Park, a representative of Nortex 9-1-1, spoke to Bradford PTA classes Wednesday. She showed a video and discussed when and how to use 9-1-1 services.

Third graders travels to Beacon Lighthouse

Mrs. Mitchell's and Mrs. Thompson's third grades classes took a field trip recently to Beacon Lighthouse for the Blind in Wichita Falls.

The trip concluded the reading of the book, "Through Grandpa's Eyes," about a grandfather, who is blind, and his grandchild.

Sessions underway

Group and individual sessions for children of divorce, 12-step and attention deficit disorder are underway and going well, according to Diane Granbery, counselor.

Parents who believe their child needs to participate in one of these groups should contact Ms. Granbery, 592-5721.

Red Ribbon Week Activities Announced

Next week is Red Ribbon week at Bradford Elementary.

Since there will be no classes held Monday, students will begin Red Ribbon activities Tuesday by signing a pledge card promising to be drug free, and help others to do the same.

Wednesday Trooper Joe Clements and his robot will visit P.E. classes with a drug-free message.

Thursday has been set as "Put a Cap on Drugs" day, in which the students will be allowed to wear caps in the school building.

"Hawks Don't Do Drugs" day will be Friday, and students are asked to wear green clothes.

KIDWELL

Wear bright clothes and say "Cheese"

Individual school pictures will be taken next Thursday.

It is recommended that students wear bright clothes on picture day.

Kindergartners going to hospital

Kidwell kindergartners will take a field trip to the hospital this week as part of their study on community helpers.

The trips have been scheduled for Thursday and Friday.

Having fun saying no

Red Ribbon week activities will kick off Tuesday at Kidwell.

Students will wear red ribbons during school Tuesday to show they are drug free.

Students are asked to wear red clothing on Wednesday.

Thursday, Kindergartners, Pre-kindergartners and SPH classes will sign certificates pledging to be drug free; and first and second graders will make drug free posters.

The Trooper Bud program, featuring Joe Clement and his robot will end the week's activities. He will give a presentation Friday at 8:30 a.m. and 9:15 a.m.

Pharm/alert[®] Health Tips

Dangers of Secondhand Smoke

You don't have to be a smoker to suffer the ill effects of smoking. Exposure to secondhand smoke is a very real health hazard.

Secondhand smoke is a combination of the smoke from a burning cigarette and the smoke exhaled by the smoker.

It contaminates the air and lingers in clothing, curtains and furniture, but most importantly, it contains at least 40 different chemicals found to cause cancer.

Every year more than 3,000 non-smokers die of lung cancer and 36,000 from heart disease linked to secondhand smoke.

Secondhand smoke is dangerous to everyone, but infants and children are at the greatest risk because it causes damage to developing organs, such as the lungs and brain.

Smoking during pregnancy may cause birth defects and low birth weights.

Secondhand smoke triggers or worsens asthma attacks. It also increases the number of children's colds, sore throats, and ear infections.

There are several steps you can take to lessen your or your child's chances of being exposed to secondhand smoke:

- Stop smoking, if you do smoke. Talk to your doctor. There are a variety of pharmaceutical products available that can help you quit.
- If you have household members who smoke, help them stop. If it is not possible to stop their smoking, ask them, and any visitors, to smoke outside of your home.
- Do not allow smoking in your car.
- Be certain that your children's schools and daycare facilities are smoke free.

For more information about ways to stop smoking—ask your pharmacist.

TASTY MEALS of barbecued ribs and beans were served during the Whoop-T-Do by the Wichita County Young Farmers.

GARDENING HINTS

By MARK TERNING, COUNTY AGENT - HORTICULTURE

Your otherwise brown winter lawn can be transformed into beautiful green turf by overseeding with ryegrass during October.

Overseeding with ryegrass now will provide a lush, green turf while warm-season lawns are dormant. Ryegrass is a cool-season grass which will grow during the winter and die out as warmer temperatures arrive next spring.

Homeowners have two choices for overseeding warm-season lawns. Annual ryegrass is most commonly utilized. Annual ryegrass produces a rather coarse bladed, fast growing turf which can be an attractive cool-season grass.

Another option is perennial ryegrass which offers a more controllable rate of growth (less mowing required), finer

leaf blades, increased cold tolerance, an overall uniform texture, and attractive winter color.

Perennial ryegrass is a term which can be misleading. Perennial ryegrass will die out as weather warms up next spring and warm-season grasses come back into growth.

Regardless of which ryegrass you decide to use, there are similarities as far as establishment and care:

- * Seeding rates are eight to 10 pounds per 1,000 square feet.

- * Use a broadcast type fertilizer spreader to evenly distribute seed. Apply half of the seed one direction and the other half the opposite direction to avoid bare areas.

- * Bare soil areas (i.e. around new homes) can be shallowly tilled prior to seeding. Established lawns are simply overseeded.

- * Irrigate after seeding and then periodically to keep the soil moist and ensure seed germination.

- * Fertilize with a 3-1-2 or 4-1-2 ratio lawn food using a light application rate three or four weeks after germination. Fertilize again in later November and early March. Follow all label rates and instructions when using fertilizers.

- * Mow the ryegrass at a height of about two inches.

- * Last, but certainly not least, do not use a pre-emergent herbicide if you plan to overseed with ryegrass. A pre-emergent will inhibit seed germination.

- * Enjoy a beautiful green lawn all winter long.

Flower show results are announced

First place winners in the four categories at the Annual Flower Show, sponsored by the Iowa Park Garden Club, have been announced.

The show was held Saturday at First Christian Church Fellowship Hall.

Winners were Avis Wilson, dry/and or Wildflowers; Freddy Skinner, Artificial Flowers; Charlotte Kennedy; Fruit and/or Vegetable, and Jo Gilbert, Miniature.

Garden Club members met Friday morning in the fellowship hall to prepare for the show.

A brief business meeting was conducted by Norma Fortner, president. Refreshments were served by hostesses Mrs. Wilson and Kay Cole.

The group adjourned to prepare tables for the flower show which was

held in conjunction with the Whoop-T-Do.

Louise Clapp, who served as flower show chairman, announced that three plants were to be given as door prizes.

Those winning the door prizes, which were given every hour at the show, were Phyllis Torgerson, Desiree Wilson and Shirley Hicks.

GO HAWKS!

MEAN GREEN DEFENDERS CLOSE IN ON VERNON PASS RECEIVER

Hawks play Vernon tough

No surprises this year, but the Iowa Park Hawks definitely held their own against the high-powered Vernon Lions Friday night as they dropped a hard-fought 12-0 decision to fall to 0-7 for the season and 0-2 in district play.

The Lions took the opening kickoff and ran off eight plays that moved the ball to the Iowa Park 17 but on fourth-and-one, the Hawk defense stiffened and stopped Vernon's Billy Gaines for no gain to end the drive.

The Hawks took over and drove the ball to their own 46 before having to punt. Corky Petty's punt was downed at the 9 giving the Lions a long field to work with.

Vernon managed to get only to the 19 and punted the ball back to Iowa Park as the first quarter came to a scoreless end.

The Hawks' Troy Radford opened the drive with a 17-yard run that put the ball at the Vernon 37. On the next play from scrimmage, senior fullback Chad Simpson rambled for 16 down to the Lion 21. Petty broke loose for 15 on the next play to give the Hawks a first-and-goal from the 6. But three straight running plays netted only 4 yards leaving the Hawks facing a fourth-and-goal from the 2. Quarterback Robert Klinkerman rolled out on fourth down and was sacked for a 9-yard loss keeping Iowa Park out of the end zone.

Vernon took over at the Hawk 11 and five

plays later, Iowa Park appeared to have taken a 6-0 lead when Clint Witherspoon stepped in front of a pass intended for Vernon's Brandon Favors and returned it 35 yards for a touchdown, only to see the play called back when the officials had ruled that quarterback Kyle Williams was down before he threw the ball.

Later in the quarter, on the Hawks' next possession, Petty's punt on fourth-and-18 from the 49 was blocked and recovered by the Lions at the 38 with 4:11 left to play in the first half.

Three incomplete passes left the Lions facing a fourth-and-10 from the 38 but Williams found Favors on a 24-yard pass to keep the drive alive. Then on third-and-11 from the 14, Williams again found Favors, this time for a 9-yard gain that gave Vernon a first-and-goal from the 3.

Following two procedure penalties and a two-yard loss by Gaines that moved the ball back to the 15, the Hawks were called for their second questionable pass interference call in the end zone in the last two weeks. The penalty put the ball at the 2 and gave the Lions a first-and-goal from that point. Three plays later Vernon still hadn't found the end zone and faced a fourth-and-goal from the 1 with 7 seconds left on the clock. After a time out, Gaines found a small crease on the left side of the Hawk line and dove over to make the score 6-0. Iowa Park's Heath Ward broke through

and blocked the point after as both teams headed into the locker room.

Not much went right for the Hawks in the second half as they totaled a minus 8 yards for the half as both teams traded punts during the third quarter with neither team mounting any type of drive.

The fourth quarter saw much of the same as both teams again traded punts until the 4:31 mark of the period when the Lions marched 72 yards in five plays to take a 12-0 lead. The big plays in the drive were a 28 and a 51 yard run by Gaines.

"I thought our defense played as well as they possibly could," Hawk head coach Weldon Nelms said. "They made some adjustments in the second half that shut us down some but our main problem was that we couldn't throw the ball in the second half. They put a lot of pressure on us with their big guys up front and that allowed their defensive backs to help out on the run."

TOP OF TEXAS FOOTBALL

The Midget West Hawks just keep on winning. The Hawks raised their record to a perfect 7-0 last Saturday night by blasting the Vernon Lions 30-0.

Following a scoreless first quarter, Iowa Park's Chris Simmons, who finished the night 9-of-11 for 115 yards passing, hit Chase Wright with a 12-yard touchdown pass to give his team a 6-0 lead. The duo hooked up again on the point after to boost the lead to 8-0. Later in the second quarter, Simmons found tight end Tim Denny for a 34-yard TD pass to give Iowa Park a 14-0 lead. Wright kicked the extra point to give the Hawks a 15-0 halftime advantage.

Joel Sanchez recovered the second half kickoff and a few plays later, Wright caught a 14-yard TD pass from Simmons. Sanchez tacked on the two-point conversion to pad the Iowa Park lead to 23-0. Also in the third period, Wright broke free for a 78-yard run to make it 29-0 and Brandon Criswell kicked the point after to make the final score 30-0.

On the defensive side of the ball for the Hawks, Tommy Taylor and Matt Ohm both had fumble recoveries. Sanchez picked off a pass and Parker Murfield played an all around solid game to pace Iowa Park.

The Hawks next action will be Saturday night at 8 p.m. when they host Sheppard to close out the regular season.

The Pee Wee West Hawks lost a close decision to the Vernon Lions last Saturday night by the count of 14-6 to fall to 2-5 overall and 1-4 in conference play.

The Lions took an 8-0 first quarter lead but Iowa Park came right back and trimmed the lead to 8-6 when Jason Stevens stripped the ball from a Vernon player then lateraled it to Michael Fulkerson who returned it for a touchdown.

The score remained 8-6 until midway through the fourth quarter when the Lions added another TD to make the final 14-6.

One of the highlights in the second half for the Hawks was a nice 65-yard kickoff return by Jack Scholl.

Offensively for Iowa Park, Jeremy Fulfer and Jarred Horskey both had good games to go along with the entire offensive line.

Defensively Iowa Park was led by Cody Reed and Stevens who both had fumble recoveries and Fulfer who had an interception.

The Hawks finish out the regular season this Saturday night at 6 p.m. when they host Sheppard.

The Midget East Hawks came from behind again to chalk up their third victory of the season Saturday night by downing Archer City 24-8 to raise their record to 3-4 overall and 3-3 in conference play.

The Wildcats jumped out to an

early 6-0 lead on the first play from scrimmage on a long run by the quarterback.

But the Hawks answered early in the second quarter when Jimmy Miller found a hole in the middle of the line and went 48 yards for the touchdown to tie the game at 6-6. Later in the same quarter, Nick Kennedy gave his team a 12-6 lead when he found himself on the receiving end of a 40-yard TD pass from Micha Bosley.

Archer City added a safety in the third period to cut the lead to 12-8. Miller put the Hawks up by 10 when he scored his second touchdown of the night, this one on a 26-yard run. Bryan Swenson added the final points for Iowa Park on a spectacular catch and run that covered 53 yards to make the final 24-8.

Offensively for the Hawks, Miller and Swenson both had solid games to go along with the offensive line.

On the defensive side of the ball the defensive front line did a good job as did Kennedy and Swenson.

The Hawks finish out the regular season Saturday night when they travel to Seymour to take on the Panthers at 8 p.m. in a non-conference game.

The Pee Wee East Hawks suffered their first shut out of the year Saturday night as they fell 16-0 to the Archer City Wildcats and dropped to 3-4 overall and 3-3 in conference play.

Archer City scored in the second and third quarters to build a 16-0 lead as the Hawks couldn't get things going offensively.

Defensively for the Hawks, Ronnie Brackett had a solid game according to the coaching staff.

On the offensive side of the ball for Iowa Park, Cory Bosley had a good game and had a couple of long runs that were called back with penalties.

The Hawks final regular season game will be Saturday night at 6 p.m. in Seymour.

Hawks

Continued from page 1

reflecting how close the game really was.

"I was real pleased with the way our defense played last week against Vernon," Nelms said. "They gave us every chance to win the game. I thought our kicking game looked a lot better except for the blocked punt. Three times we downed the ball inside the 10 yard line and we did a great job on returns. Jeremy Erskine had two kickoff returns over 40 yards and Jimmy Fallon returned a punt for 35 yards."

The Hawks can still make the playoffs if they win their remaining three games and Vernon wins out.

"We're still in contention," Nelms added. "We just have to keep on playing well and most of all we need to get that first one and go on from there. I've seen teams that were 3-7 that made the playoffs. One of the things coach Britain said to me following the game last week was that he'd never seen a team that was 0-7 that played as hard as our guys did. That says a lot for the kids on this team."

Estrada is winner

The Iowa Park Cross Country teams were in action again last week with the girls varsity team finishing third and Tim Estrada placing first overall in the boys division while the JV girls also ran away with the first place trophy in the Wichita Falls Cross Country Meet held at Hamilton Park in Wichita Falls.

Brandi Butler paced the Lady Hawks by finishing fourth with a time of 13:38. Both Wendy Bridwell and Lori Spruiell finished in the top 20 for Iowa Park in 12th and 18th respectively.

Iowa Parkan on probation

An Iowa Park man has been sentenced to eight years probation after pleading no-contest to a charge of indecency with a child, according to Rita Stevens, assistant District Attorney in Wichita Falls.

Johnny Melvin Cole entered his no-contest plea Sept. 19 before 78th District Court Judge Keith Nelson, who found him guilty.

Appearing before Judge Nelson again Monday, Cole also was instructed to register in the sex offenders program, and attend sexual abuse treatment for the next eight years.

Cole was accused in 1992 of fondling an eight year old girl while working as a school bus driver for the Iowa Park schools. He was later indicted by a grand jury on the charge.

Cole had filed a slander suit against the parents, but has since settled that action by paying the parents \$8,500, and his civil suit was dismissed, Stevens said.

Also participating in the girls division were Dusti Welch, Briana Stalker, Randi Tigrett, Amanda Thompson and Lisa Haladay.

In the junior varsity girls division, the Hawks placed four runners in the top 10 to come away with the top prize.

Deamber Koerth finished 2nd with a time of 15:08 just ahead of teammates Sharla Hughes (5th), Jodi Henderson (7th), and Valerie Johnson (9th). Also running for Iowa Park were Merideth Brammer who finished 11th, Carmen Tidwell, Becky Petty, Stephanie Schownecker and Linda Fudge.

The only thing keeping the boys from placing in the meet was the lack of entries. Iowa Park only entered four runners with Estrada crossing the finish line ahead of everybody else. Also running for the Hawks were Shawn Phillips, Eric Heidrich and Lonnie Simmons.

The Hawks next action will be on the 26th in Vernon for the District 3-3A Meet with the top teams advancing to the Regional meet at a later date.

Card of Thanks

A special thank you to the people who helped me at the ball game when I fell and hurt my ankle. A special thank you also to Dorothy Johnson, Cindy Lane, Donna Howard and the Life Line crew. Also to Wendell Bean and I'm sorry I don't know who else helped carry me up the stairs but you don't know how much it means to know that there are great people like you all out there. Again thanks to everyone for your help with me and with Destiny and Blake.

Sheela Posey

Frosh, JV lose tilts

The Iowa Park freshmen ran into a wall last Thursday when they traveled to Vernon to take on the Lions as the Hawks dropped a 39-8 decision to fall to 4-2-1 for the season.

The Lions built a 25-0 halftime lead and added another touchdown before Iowa Park lit up its half of the scoreboard.

Todd Yeager tossed a 40-yard touchdown pass to Chad Wright then hooked up again with Wright on the two-point conversion to make it 32-8. The Lions later added another score to make the final 39-8.

The freshmen get a chance to get back into the win column tonight when they play host to the Bridgeport Bulls at 7 p.m. following the junior varsity game that starts at 5 p.m.

The Iowa Park junior varsity committed five turnovers en route to an 18-0 loss to the Holliday Eagles last Thursday to fall to 3-4 for the year.

To go along with the five turnovers, the Hawk defense couldn't keep the Holliday offense off the field as the

Eagles ran off 28 more offensive plays than Iowa Park did.

Wally Wahl led the Hawks defensively while Cody Russell and Jed Taylor paced the offense.

The Hawks next action will be tonight at 5 p.m. when they play host to the Bulls from Bridgeport.

Committee named to study rural firefighting

No decision was reached Monday afternoon by county commissioners on funding of rural fire fighting, other than to name a committee to submit a recommendation to the court.

The committee, composed of a representative of each volunteer fire department, a representative from Iowa Park, Burkburnett and Electra, two rural residents and two commissioners, was

to meet Wednesday afternoon in the Iowa Park city council chambers.

Commissioners had agreed to increase funding to the volunteer departments, from a total of \$100,000 to \$172,000, but balked on providing liability insurance for the firemen.

The city councils of Iowa Park and Burkburnett have both told the county that if an acceptable agreement is not reached by Jan. 1, which is the beginning of the county's fiscal year, their departments would cease responding to rural fires.

Judge Nick Gibson pointed out that if new departments are to be organized to take the places of Iowa Park and Burkburnett, "time is very short" to purchase and install equipment.

He encouraged the committee to develop its recommendation to the court with 30 days, or sooner if possible.

FASTEST in this year's annual Turtle Trot was Justin Baumer's entry. The six-year-old is the son of Mr. and Mrs. Bobby Baumer. More than a dozen turtles competed.

Card of Thanks

The Iowa Park Chamber of Commerce wishes to thank all of the non-profit organizations and the arts and crafts people who braved the weather and participated in the Whoop-T-Do. Special thanks to the High School and Junior High bands, the Junior High Choir and all the entertainment groups who performed in less than desirable conditions. This year's great success is due to you and the people of Iowa Park who came out and had fun. Thanks to everyone and we'll see you again next year!

Helpful Hints

The running or roaming at large of any dog, cat or other animal within the city has been declared a nuisance and positively prohibited, and it has been made unlawful and deemed a Class C misdemeanor for the owner or keeper of any dog, cat or other animal to allow the same to run or roam at large within the city.

POPULAR BOOTH at Saturday's Whoop-T-Do was Amity Study Club's face painting.

grandchildren so they could enjoy them.

A perfect repository for the beautiful crystal stemware, glasses, and bowls, some matching, others single pieces, lead crystal vases and novelties, plus memorabilia, is a massive antique china cabinet.

On top is an assemblage of steins of various description. One in particular had a picture in the bottom: that you could see when the stein is turned up to your mouth. Herb said the story went that when you drank enough to see the picture at the bottom, it was time to quit, you had all you needed.

There are other cabinets and hutches that also hold matching stemware, water glasses, wine glasses, and other crystal pieces. Herb especially likes crystal and could never seem to pass by a bowl, vase or glass that he really liked.

One day his wife was working and he was going into East Berlin. She told him, "Don't you go and buy another piece of crystal. Now I mean it."

He returned with a large box and Lona said, "I told you not to buy anything and I'm not going to have it."

I'm assuming Herb nonchalantly opened the box and set the beautiful crystal punch bowl on the table. All Lona could say was, "It is pretty, isn't it."

"That was always the way we bought things, not with a plan, but when we saw something we liked, and could buy it, we did," Herb said.

The unusual thing about the massive china cabinet is the way it is assembled. To ship it, the top was taken off, each end came off with the door, and the back is a single piece. The cabinet was re-assembled with screws, and wedges driven into slots to secure the top.

Another unusual antique acquired in Germany is a three piece pedestal with ornamental detailing topped with a matching urn, that originated in Copenhagen.

In order to get from West to East Berlin, there was only one road they could travel. They could stay a minimum of two hours, or a maximum of four hours. "And you'd better be off of it in that length of time," said Herb.

While in Germany he was a 1st/ Sgt. in charge of all enlisted personnel. He looked after their health and welfare. "I gave them a pat on the back when they did good, and a pat somewhere else when they did bad," he explained.

The Smallwoods came back to Sheppard AFB from Germany in 1970. They lived in Iowa Park.

Herb was then sent to Vietnam where he served one year. He told Lona he was seeing some beautiful antiques there, but he didn't know what they would do with them if he bought them. She told him, "If you buy them,

I'll find a place for them."

That's just what he did, and it would be difficult to say which are the more beautiful, those from Germany or from Vietnam.

Included among the pieces of furniture he bought in Vietnam is a beautiful cocktail table, a large desk, and a portable bar, all ornately decorated with figures hand chiseled in relief.

When they made the portable bar, they thought of everything. When the top and doors are opened there is room for everything that is needed to start serving the party.

However, it is not used for the original intention, but is now a beautiful piece of furniture in the room the Smallwoods have made into a playroom for their granddaughter, Jennifer Loucks, who uses it for toy storage. Jennifer is Herb's charge after school while her mother works.

Jennifer is her granddaddy's pride and joy and all she has to do is look at him and ask, and she is pretty sure to get what she asks for, as long as it is reasonable.

Her name was imprinted, along with her footprint and handprint, in the cement that made the sidewalk up to the porch of the Smallwood house in 1985.

Smallwood returned to Sheppard AFB where he retired July 1, 1973 as a Senior Master Sergeant, after 26 years and nine months in military service.

Herb and Lona discussed where they wanted to live after he retired.

"My wife said, 'Well, we own our home here, we like the schools for the children, I have a good job and you can find one, and we can fuss about the weather anywhere, so let's just stay here.' That made sense to me, so here we are after 20 or so years, and we aren't looking for any place to move."

Some of the heirlooms in their home were made by Lona's grandfather, who Herb says was "a jack of all trades and master of all".

Lona's aunt gave her the "family" clock in 1967 that her grandfather made. Among other pieces, they have a spool chair and another chair he made and used the seat out of a Model-T Ford for the seat of the chair. The seat raises and was used for storage.

"In those days of course you had

to use what you had and use your creative abilities. You couldn't go to the store and buy everything you wanted, nor would you have had the money," Herb reminisced.

Lona has collected all of her dolls in the States, she didn't bring any back from Germany. They add a decorative touch at focal points in most of the rooms.

After his retirement from military service, Herb worked at Sears for a while and then worked on houses in Wichita Falls while attending Midwestern State University to complete his degree in Business Education.

After getting his degree, he kept working on houses because "it was more fun". He got his degree for his own satisfaction, he says.

While growing up in Matador, he never thought about working with wood, or doing any kind of building.

"I was born on a dry land farm with a hoe in one hand and a cotton sack over my shoulder," he joked.

Herb laughed and said, "I was grown before I got to go swimming at Roaring Springs (south of Matador) because dad kept us busy on the farm. One of my brothers got to go one time and came back so sunburned he couldn't work in the field for two or three days. My other brother and I were really mad about that."

One time his dad asked him when and how he learned to build and work with wood like he does. Herb told him that while he was in Germany and working on some of the houses they rented, that he read and re-read, then he would think about it, and finally it would come to him how he would or could do what he wanted to do.

That is pretty much the same way he does now in his large size, well-equipped workshop that he built in 1991. But he has a creative gift with the neat work he turns out. And, it has given him something to do since he has had two open heart surgeries, the last in May this year.

Most of the things Herb makes are from cherry wood and black walnut.

"Sometimes I get out there and start making sawdust and I'm not sure what is going to come out as the finished product. Sometimes I know what I am going to do," Herb said.

Some of the things he makes he has a pattern for and some he just

makes. Usually if he has a pattern he doesn't go exactly by it, but uses it as a guide.

"My wife decides there is something she wants me to cut out for her. I cut out the figures and she gives them their dress and personality with her paint, brush and artistic touch," Herb said.

Proof of that are the wooden figures of pilgrims, pumpkins, scarecrows, rabbits, etc., that she has finished. And in the process in his workshop are angels, snowmen and women, and a half finished Texas cowboy.

Two of the most beautiful examples of his woodworking ability are a sleigh and a rocking reindeer.

The sleigh is perfect in detail to a real one and is about the size of a child's sleigh. It sits in front of their fireplace (that Herb made and bricked and that he says he is going to do the mantel over because it isn't right). He says Lona won't let the sleigh be moved. It's place is there, and at Christmas time she stacks packages in it.

The rocking reindeer is not the size for the sleigh, but it is a beautiful piece of workmanship.

Herb finished the pieces with a mixture of Tung oil and varnish, giv-

ing them about four coats.

Each piece of the larger, more elaborate pieces, Herb makes three more. This is so his three grandchildren will each have a piece of his work.

"When they get older, I don't know what they will think, or if they will want them or not, but they can do what they want with them," he said.

After Herb graduated Matador High School, he attended Hardin-Simmons University and Sam Houston State Teachers College. That is another reason he wanted to enter MSU and complete his degree.

Lona is a native of Wisconsin. She and Herb met in Washington, D.C., while she was working for the Department of the Army.

While they were in Germany she worked at the Base library. She has been working for MSU Library as acquisition clerk since 1970.

They are members of Redeemer Lutheran Church in Wichita Falls and Herb has held about every position there is to hold in the church.

He also reads to three classes at Bradford Elementary School. (Jennifer

asked him to do that) and he loves it. Their children are Cathy Loucks who works for PPG, and their son, Jon who has two children and lives in Bedford.

Herb says, "I don't have anything personal to brag about, except my pecan pie. It is his own concoction and he calls it Herb's North Texas Pecan Pie.

He has entered it twice in an annual contest they have in Thornberry. The first time he won honorable mention and the second time he received second place. "I'm going to win first place yet," he says.

He wants to share his recipe with Iowa Park Leader readers.

- 1 All-Ready Pie Crust
 - 1 9-inch deep dish pie pan
 - 3 eggs
 - 3/4 c. sugar
 - 1 c. light or dark corn syrup
 - 1 tsp. vanilla extract
 - 4 Tbsps. butter or margarine, melted
 - 2 c. chopped pecans
 - 1 full c. pecan halves
 - dash of salt optional
- Place pie crust in pie pan and set aside. Beat eggs lightly. Add sugar and syrup to the eggs, beating constantly. Stir in butter, vanilla and salt (if desired). Add chopped pecans and mix well. Pour mixture into pie shell and place in oven preheated to 400 degrees. Baking time is approximately one hour to one hour and 10 minutes.
- The following is very important. After 10 minutes, slide oven shelf out so pie is accessible. Take a fork and gently remix pecans and syrup. Start in the middle of the pie and work toward the edge. (Starting at the side makes the syrup move onto the edge of the crust or even spill over).
- After first mixture, reduce heat to 375 degrees. Every 10 minutes repeat

the process of remixing the ingredients. Continue doing this until there is no runny syrup. At this time place pecan halves on top of the pie, pressing them in gently. Bake another 10 to 12 minutes.

Yield: 1 very delicious 9-inch pie.

Grace down in emissions

W.R. Grace & Co. announced it has achieved a 72-percent reduction in its emissions from 1988 through 1993 under the federal government's SARA Title III program, which requires reporting for emissions of approximately 300 chemicals.

Based on reports submitted to the Environmental Protection Agency, the company realized reductions in water, land and air emissions -- with the greatest reduction in land emissions.

"Grace's trend on emissions is headed in the right direction, and we are pleased with the progress Grace has made in this endeavor," said Dr. Alden C. Pierce, corporate director, Environment, Health and Safety.

"Grace will strive to continue making our business operations safer and healthier, and to make the environment cleaner. These efforts form the center piece of Grace's Commitment to Care Program.

"One of the six management codes of that program addresses pollution prevention to reduce and eliminate the release of materials to the air, water and soil. Our SARA Title III results are evidence of our progress," Dr. Pierce said.

Wilbarger Craft Show

The Wilbarger Regional Craft Show will take place Saturday from 9:30 a.m. - 5 p.m., and Sunday from 12:30 - 5:00 p.m. at the Wilbarger Auditorium in Vernon.

There will be all kinds of crafts, a concession stand, and door prizes. Admission is free.

Structure, grass fires reported at Kamay

Kamay Firemen recently responded to a housefire at Kadane Corner, when an electrical meter wire shorted out and caught the back of a house on fire.

Damage was reported as minimal.

A grassfire at Headquarters Road and Kamay Road called firemen out Friday afternoon. They were assisted in fighting the blaze by Iowa Park.

Saturday, Kamay firemen assisted Electra in dousing a grassfire west of Electra.

Quiet week for police

Despite all the weather and large crowds here for homecoming, Iowa Park police had an extremely light duty week.

Chief Ray Smock expressed relief and at the same time complimented the community for having been so well-behaved.

Actually, there were only two incidents on the police blotter that even related to homecoming, and both of those were minor.

Three juvenile boys insisted on enjoying themselves during the bonfire by tossing firecrackers into the blazing heap.

When asked to leave, they said they didn't have to, so an officer was called to take care of the situation. He had one of the youth's parents called on the telephone, and the problem was corrected.

A resident contacted police Saturday morning and told them someone had apparently attempted to break into his van while parked at the football stadium the previous night. The handle on the sliding side door had been damaged.

Three arrests were included on the police blotter, but none had any connection with homecoming.

Jeffery Glen Thompson, 24, turned himself in at the police station Friday evening, on outstanding warrants that had been issued locally.

The warrants and related fines included: two public intoxication, \$385; capias pro fine public intoxication, \$151.50; safety belt violation, \$128, and another public intoxication, \$350.

It was also determined by a computer check that Wichita County Sheriff's Office also had an outstanding warrant for Thompson's arrest, on a charge of theft under \$20 in hand.

Johnson was transported to the county jail.

Another computer check, made when an officer on patrol stopped a vehicle at Wall and Diamond Monday afternoon, determined the driver also was wanted by the county sheriff's office.

The warrant against Olen James Hicks, 19, was for theft over \$20. He was released to a county deputy to be transported to the jail, according to the blotter.

Officers were called to the 300 block of East Magnolia at 9:53 p.m. Tuesday, where a domestic disturbance was reportedly underway.

Larry K. Loggins, 36, was arrested on a charge of assault to prevent family violence, and released Wednesday morning after signing a promise to appear in municipal court.

A student reported the theft of a billfold Monday afternoon outside the high school fieldhouse, and police are to interview a suspect.

WHILE YOURS IS BEING REPAIRED FOR HAIL DAMAGE AT

1125 Central Freeway - Wichita Falls 723-6631

JUST VISITING went on almost all day Saturday at the Friendly Door, which was headquarters for former graduates of Iowa Park schools who returned for Homecoming '94.

Council may expand solicitation ordinance

The city council will consider amending its ordinance regulating soliciting, when aldermen meet in council chambers at 7 p.m. Monday.

Iowa Park has long had an ordinance requiring any sales solicitors who work in residential areas to have a permit issued by city hall.

The ordinance does not, however, regulate solicitors who show up at businesses, industrial plants or governmental offices without a similar permit.

If enacted, the ordinance would prohibit solicitations of workers and customers in other areas without a permit.

Two public appearances and appointments of citizens to boards also are on the meeting agenda.

Angela Burnett, representing the Gateway Substance Abuse Council, is to update aldermen on the organization's funding and projects, and Mr. and Mrs. Kevin Thompson are to appear to request sewer service to

the 600 block of North Bell Road.

Mayor Wayne House is to announce appointments of individuals to the Board of Adjustments and Electrical Board, as well as re-appointing Marc Newman to the Wichita Appraisal District board of directors.

The agenda calls for consideration of two bid projects. One is for the construction of a water main and sewer lift station for the Highland Park Addition, and the other, if approved, would authorize the city administrator to advertise for grazing rights around Lake Buffalo.

Administrator Mike Price is to discuss the city's investment report, obligated surplus funds and possibly investing surplus funds in long-term investments.

CUB SCOUT NEWS

BOOE ROOFING COMPANY
1-800-530-4751

Company earns ranking second consecutive year

ProForma Watsonrise Business Systems has landed on the *Inc.* 500 listing of fast-growing companies for the second consecutive year. The company is ranked No. 453 on *Inc.* magazine's 13th annual listing, which is published in the October 1994 issue.

Carl and Kim Watson, owners of ProForma Watsonrise, have steered their ProForma printed products franchise to a growth rate of 574% during the last five years. ProForma franchise owners are distributors (not manufacturers) of a full range of printed products such as commercial and promotional printing, business forms, advertising specialty items, as well as related services like warehousing and fulfillment, and printing and forms management programs. The Watsons founded their franchise in 1986.

Success certainly breeds success within the ProForma system, which now has been represented on the prestigious *Inc.* listing five of the last 11 years. This apparently marks the first time in history of the rankings that a franchisor (ProForma Inc. of Cleveland) and one of its franchisees (ProForma Watsonrise) have both made the *Inc.* 500 at least twice each, according to the International Franchise Association, Washington, D.C., and *Inc.* magazine. ProForma Inc. was named to the *Inc.* 500 three times during the mid-1980s as the company emerged as a multi-million dollar corporation and later began franchising.

ProForma Watsonrise posted sales of \$1.9 million in 1993 with eight full-time employees. The franchise first appeared on the *Inc.* last year, at No. 321, with sales of \$1.38 million and a five-year growth rate of 837%. The Watsons moved their business into a larger facility on Duncan Perry Road in Arlington earlier this year to accommodate their growth. The building they purchased includes offices, warehouse space and a unique company-owned day care center for children of employees, including Carl and Kim's little ones, three-year-old Shelby and eight-month-old Cole.

"It is especially gratifying to be recognized twice by *Inc.* magazine," commented Watson. "The first time you're recognized by *Inc.*, you are competing against the other 20,000 companies. The second time, you're really competing against your own numbers."

To be selected as a member of the 1994 *Inc.* 500, a company must show at least \$100,000 in 1989 sales and show a sales increase between 1992 and 1993. Rankings are determined by a function of percentage sales growth over the period from 1989 to 1993. More than 20,000 companies applied for this year's honor, according to *Inc.* magazine.

ProForma Watsonrise's year-by-year sales growth: 1988 - \$148,000; 1989 - \$282,000; 1990 - \$660,000; 1991 - \$880,000; 1992 - \$1,380,000; 1993 - \$1,902,000.

Earlier this year, ProForma Watsonrise was recognized with a Gold Ink award from a leading industry publication, *Printing Impressions*, for a point of purchase display which was designed and produced for Neiman Marcus. In 1993, Watson was selected the industry's Sales Professional of the Year by *Business Forms, Labels & Systems* magazine (May 20, 1993) mainly on the strength of his company's creative instincts and outstanding customer service.

The Watsons also are members of ProForma's Million Dollar Club, which recognizes franchises that bill more than \$1 million annually.

ProForma's 120 franchises are linked to more than 600 print manufacturers and 50,000 qualified buyers. The franchise network is expanded to 400 units throughout North America and the Watsons will be playing a key role in Arlington in that planned growth. They soon will be certified as Development Agents for ProForma. As area representatives, they will help to locate prospects for new ProForma franchises in the metro area. Development Agents also assist in the training and support of new franchisees.

The model for the Development Agent program came from Subway Sandwiches & Salads -- the world's fastest-growing franchise organization -- who used the concept to grow to nearly 9,000 locations worldwide. Earlier this year, the co-owners of Subway became partners in the ProForma franchise system.

Carl is the son of Dr. Earl F. Watson and Lita Watson, both of Iowa Park. He was graduated from Iowa Park High School in 1974, and then earned his BBA in accounting in 1979 from Angelo State Univ. in San Angelo. Kim graduated Cumberland County High School in Crossville, Tenn. in 1976 and then received her B.S. in accounting in 1980 from Tennessee Tech Univ.

OBITUARIES

Hugh B. Mullin

Memorial services for Hugh B. Mullin, 64, of Brooklawn, N.J., will be held at a later date. Arrangements are under direction of Dutton Funeral Home.

Mr. Mullin, father of Gary Holmes of Iowa Park, died Friday in Wichita Falls.

Born March 16, 1930, in Philadelphia, he was married in 1968 to Eddie M. Vannatta in Philadelphia.

Mullin retired from Gould Inc., as an electrician. He was a member of Gould Inc. Retirement Club. He had been a resident of Brooklawn since 1968. He was a Catholic.

Other survivors include his wife; four sons, Frances of Levittown, Pa., Michael, Mark and Matt, all of Philadelphia; one daughter, Tracy Mailley of Gloucester, N.J.; two brothers, Tommy and Leo, both of Philadelphia; two sisters, Rose and Mary, both of Philadelphia; 13 grandchildren, and two great-grandchildren.

Glenna Wagner

Services for Glenna Wagner, 57, were Friday at Grove Hill Funeral Home. Rev. Ned Chipley and Rev. Ken Griffin officiated. Burial was in Grove Hill Memorial Park.

Mrs. Wagner, sister of Melba McCreary of Iowa Park, died Oct. 5 in Dallas.

Additional survivors include two sons, Roy and Robert Meek; one daughter, Bobbie Nix; her mother, Mary Ann Wyatt of Wichita Falls; three brothers, Willy Morris of Dallas, Jack Morris of Hastings, Okla., and Ron Morris of Wichita Falls; nine grandchildren, and two great-grandchildren.

Orpha Effie Watts

Services for Orpha Effie Watts, 90, were at 4 p.m. Tuesday at Dutton Funeral Home.

Rev. Ed Prince, pastor of Henrietta Church of God, officiated. Burial was in Highland Cemetery under direction of Dutton Funeral Home.

Mrs. Watts, former Iowa Park resident and sister of Grace Churchman of Iowa Park, died Sunday in Richardson.

Born June 17, 1904, in Boles, Ark., she was married to Luther Leroy Watts Aug. 27, 1925, in Boles. He died in March 1960.

Mrs. Watts lived in Iowa Park from 1925 until 1987, when she moved to Richardson. She was a homemaker and a member of the Church of God in Iowa Park, where she was very active for more than 50 years. She was formerly a seamstress at Sheppard Air Force Base.

Survivors include a son, A.L. Roy of Rowlett; two sisters in addition to Ms. Churchman, Dessie Willeford of Burkburnett and Ollie Churchman of Wichita Falls; one brother, Aubrey Willeford of Burkburnett; three grandchildren and three great-grandchildren.

Memorials may be made to the Iowa Park Church of God.

Card of Thanks

Thank you seems so simple for the love shown to us during our loss of Darrell. Although this thank you is long overdue, each act of kindness was deeply appreciated.

Thank You,
Eddie, Kerri, Kelli
Richardson & Family

Blake Allen Posey Whoop-T-Do King ~ 1994

Blake wants to thank each and every person that helped him win Whoop-T-Do King. A special thank you to the following businesses for letting me put my cans in your store.....Sincerely Yours, Scobee's, Allsup's, Posey's Appliance Service, Harvey's, B&R Thriftway and Food Depot.

Thank You,
Blake

Your Peace Of Mind Is Our Main Concern

When you are bereaved, the last thing you need is to worry about making the right decisions. That's where we can help.

Our experts will efficiently guide you through the funeral process, advising you of costs and options the whole way through. And we make it our business to insure that your wishes are adhered to in every way.

We believe that all the details that make up a dignified service really matter. But what matters most to us is your overall satisfaction.

Call us...we care!

CAMP FIRE NEWS

A great big "thank you" goes out to everyone who contributed the baked goods for our cake walk at Whoop-T-Do and to everyone who visited our booth!

Special thanks to the Bake Shop for donating the brownies and also to the leaders, co-leaders, and parents who helped make it a fun experience for the children.
