Mean Green Marching Machine does it again!

They did it again!
For the 13th consecutive year, Iowa Park High's Mean Green Marching Machine has earned a Division One rating in the University Interscholastic League's regional marching contest.

The competition was held Saturday in Wichita Falls Memorial Stadium.

The band now advances to the Area B competition, at Hurst-Eules-Bedford's Pennington Field. Eighteen Class AAA bands are to begin their presentations at 9:50 a.m., and Iowa Park is scheduled to take the field at

12:24 p.m.

General admission to the stadium to watch the competition is \$2 per person.

To reach Pennington Field from Iowa Park, take the highway through Decatur to Loop 820, just north of Fort Worth. Go east on 820 until it merges with SH 121. Continue east on 121, and take the off ramp one block before reaching Central. The stadium is a block to the right (south).

The UIL holds competition for various classification bands on alter-

nating years. This is the year for AAA and AAAAA organizations to advance.

The top two bands in both classifications will advance to the state contest Nov. 7 in Austin. Results of Saturday's contest are expected to be announced about 3:10 p.m.

Other AAA marching units competing with Iowa Park Saturday will be Whitesboro, Bridgeport, Aledo, Springtown, Alvarado, Glen Rose, Graham, Jacksboro, Breckenridge, Comanche, Clyde, Coleman, Abilene Wylie, Brady, Llano, Colorado City and Reagan County.

Hawks hosting Steers in final home contest

The task sounds simple enough. Stop two people and you stop the Graham Steers.

The two people in question are Julian Taylor and Tubby Coleman and between the two of them, they've accounted for over 85 percent of their team's total offense.

The Hawks will be trying to shut down the duo Friday night at 7:30 when Iowa Park squares off against Graham in the final home game of the season. The game will also serve as Parents Night as the players will be accompanied by their parents on the field before the kickoff.

The Steers enter the game at 6-2 overall and 2-1 in district tied for second with Jacksboro.

Over the years Iowa Park has played the Steers to a draw as the record stands at 10-10-1 dating back to 1970. The one tie was in a bi-district playoff game in 1985 where Iowa Park advanced on penetrations.

In the three games the Hawks have scouted against Graham, Taylor, a 190-pound senior tailback has gained over 500 yards while teammate Coleman, a 160-pound senior quarterback has

picked up over 300 yards.

"We definitely have to stop their two big guns," Iowa Park head coach Weldon Nelms said. "They are a run oriented team that likes to run a lot of option and counter type plays. Their passing game is struggling a bit so we want to shut them down on the ground and force them to beat us with the pass. Taylor is probably one of the best backs we've faced all year long. He's a better open field runner than Gaines from Vernon with better speed."

Graham comes into the game averaging 258 yards per game with 217 of that coming on the ground and only 41 passing. The Steers are giving up only 169 total yards per game, 87 rushing and 82 passing. Iowa Park comes in averaging 199 yards per contest, 120 rushing and 79 through the air. The Hawks are allowing 175 yard rushing per game and another 72 passing.

When the Steers do try to go on top they look for Stewart Hondon, a 170-pound senior split end who leads the team in receptions.

Defensively, Graham is led by Bryce Parker, a 220-pound junior de-

fensive tackle, Ryan Kelley, a 165-pound junior outside linebacker and Coleman who plays safety.

"We're going to try to give them some different fronts to look at this week," Nelms said. "You'll see us moving around more in the defensive line to try and confuse their blocking assignments. When they run the option, we have to stop the best threat and that's their quarterback. We have to contain him. He has great speed and quickness and is capable of going the distance every time he touches the football."

"I feel like our offense will give them some problems," Nelms added. "We've put in some wrinkles to attack some of their weaker personnel. But most of all we want to control the ball on offense and keep their best players on the sideline."

In the Hawks' game against Bridgeport last week, starting quarterback Robert Klinkerman was lost for the season with a knee injury. Brandon Campbell will step in and lead the offense this week against the Steers.

Coach Nelms feels his team will come out with a solid performance in its last home game of the season. "Anytime you're 0-8 and realize you're out of the playoffs, it's tough," Nelms said. "But these kids have a lot of pride in themselves and I think they will come out with a lot of pride and give it all they've got. Eventually, we'll have to catch a break somewhere along the way and we haven't yet so good things could be just around the corner."

United Way nearing goal

Iowa Park's United Way campaign apparently is nearing its goal of \$77,000, according to this year's chairs Myrna Robinson and Leverne Owens.

As of Monday of this week, 17 percent of the goal had been reached -- and the community's largest contributor's donations hadn't been tabulated.

Cryovac normally represents 80 percent of the amount raised in Iowa Park each year. The firm's campaign has been completed, but the results were still being tabulated.

Iowa Park's campaign cabinet is made up of Dan and Lucy York, Buddy Keichersid, Kim Roberts, Doug James, Rev. Glen Blackmon, Rev. Greg Hardin, Sheri Kennedy, Stormie Mikkelsen and Bennie Horton.

This year's campaign began Sept. 12 with a "time of caring," which featured volunteers sharing their time with other volunteers on specific, one-day projects throughout the area.

"We are working hard to reach everyone in Iowa Park so they can have an opportunity to give to United Way," said Mrs. Robinson. "United Way represents 22 agencies that serve people from Iowa Park. Last year over 4,300 Iowa Park citizens were helped by United Way funded organizations."

"When people open their hearts to United Way, they touch the lives of their friends, families and neighbors as well as people they've never met," Mrs. Owens commented.

Two local agencies receive funding from United Way. They are the Friendly Door senior citizen center and Iowa Park Recreational Activities Center.

Early vote turnout in general election

Iowa Park area voters apparently will exceed the state-wide percentage turnout in this year's general election, based on the early voting count.

The secretary of state's office is predicting only about 50 percent of the eligible voters will cast ballots in the Nov. 8 election.

If early voting turnout is any indicator of what the total will be by election night, Iowa Park's percentage should greatly exceed what is expected over the state.

Before the local early voting poll had closed here Tuesday afternoon, 198 ballots had already been cast.

There were 44 votes cast Wednesday of last week, the first day of early voting, and the same number the following day. Another 47 voted Friday, and 29 Monday.

An additional 34 votes had been cast by 4:20 p.m. Tuesday, and early voting will continue through Friday of next week.

The absentee voting poll in Iowa Park is located at the Wichita County Agriculture Building, at Wall and Bank.

Voting hours today and Friday are 8 a.m. to 5 p.m., but then they are extended to 7 a.m. to 7 p.m. through Nov. 4.

IT'S HALLOWEEN TIME, as indicated by one of the numerous yard decorations over the community. This one is in front of the Charles Friday home, at 914 W. Louisa. Halloween's trick or treaters will be out in force Monday night. To answer numerous questions about when Halloween is to be observed, it is always on the calendar's date, unless either the city or school suggests a change if it falls on a Sunday or Wednesday night, or on a varsity football night.

Council accepts bid for subdivision work

The city council Monday night accepted the lowest of four bids to extend water and sewer service to Highland Park Addition, the city's newest housing development.

Bowles Construction of Wichita Falls submitted the winning bid of \$77,497, while the highest of the four bids received was \$134,478.

An alternate on the bid also was approved, with Bowles winning with an offer of \$15,975. The alternate calls for extension of the water line southward on US 287 to connect it with an existing line, therefore "looping" the service to the addition.

Bowles' total bid for the project and alternate came in under the \$95,000 the council had budgeted for the base project.

A contracted crew is already laying the first of the housing development's utility lines in the addition, which is located north of US 287 and west of FM 369.

One reason for the project's high cost is the fact that a lift station must be installed on the sewer line that is large enough to handle the capacity of the addition once it is completed.

Kevin Thompson appeared before the council, requesting sewer service to the 600 block of North Bell Road, where he is building his new home. No sewer service is available in that particular area.

Thompson was told that the city would have an engineer to study the request and make recommendations on its feasibility as well as cost projections.

However, Mayor Wayne House told Thompson that the city likely could not provide the service before the home is completed, in about six months, because other projects already are on the city's agenda as result of recently-completed budget work.

Thompson replied that he understood, but primarily wanted to get his request before the council for future consideration.

Angela Burnett, a spokesperson for the Gateway Substance Abuse Council, also appeared before the council to explain her organization's operations, funding and program.

The Abuse Council is funded by state and federal monies through Nortex

Regional Council. Administrator Mike Price was authorized to advertise for grazing rights at Lake Buffalo.

An addition to the grazing lease contract from previous leases would allow the council to control the number of cattle grazing that acreage, in case over-grazing is detected, and even allows a cancellation of the agreement should an extreme condition arise.

The city's ordinance requiring door-to-door salesmen soliciting in the residential areas to acquire a permit from city hall was expanded.

The revision now requires a permit when such salespersons solicit in businesses or the customers in businesses.

Aldermen rejected a proposal of the mayor and administrator to use

Change time pieces Saturday night

It's time to change all those clocks and watches back to Standard Time once again.

"Fall back" will be the theme of all time piece owners Saturday night, when

clocks will be set back one hour.

So, if you have an appointment at 11 a.m. Sunday, you'll get there at 10, if you forget to change your clock the night before.

1.39 rainfall measured during week

Early-morning showers deposited 1.39 inches of precipitation on Iowa Park during the past week.

According to Virgil Woodfin, he measured .21 of an inch Thursday, .48 Friday, and another .70 Tuesday.

That raised the city's total precipitation for October to 3.55 inches.

Also concerning weather, vehicles parked Tuesday night in the open had frost on their windshields. The dew was frozen, drivers reported.

Local genealogical society in quest for historical data

The newly formed Iowa Park Genealogical and Historical Society has begun its search for old photos of persons and places relating to Iowa Park in the early days.

Needed are old newspaper articles, family albums, letters, family Bibles, and stories. Photographic copies will be made of the items when they are brought to Tom Burnett Memorial Library. These will be used for a future compilation of historical data of founding, growth and families of Iowa Park.

For additional information contact Charlene Parks at 592-0521, or go by the library any Tuesday, Thursday or Saturday. There will be a society representative available for assistance and to answer questions on those days.

The Society is offering tickets at \$1 each for the drawing of a china doll created by Shirley Banks, and the chance for a ceramic Mr. and Mrs. Santa Claus made by Mrs. Parks. Proceeds will be used by the Society to purchase needed items for the genealogical room at the library.

The drawing will be held during

the December party and meeting. Contact any member of the Society for information concerning purchasing a chance.

H. Oscar Lochridge of Fort Worth, formerly of Iowa Park, has donated to the Society editions covering various counties in the states of Kentucky, Georgia, Virginia, South Carolina and Tennessee.

These editions cover variations of marriage bonds, census records, histories and genealogies, military records and newspaper abstracts.

Also Kathleen Weddle of Electra has donated a copy of "Everton's Genealogical Helpers"

The next scheduled meeting of the Iowa Park Genealogy & Historical Society is Nov. 12 at 2 p.m. at the library. Program topic will be announced next week.

As I See It

By Bob Hamilton

I've hardly been able to turn around all this week without someone wanting to know what happened in the Hawks' game Friday at Bridgeport, and what I thought about our team.

As you likely know, five players from Iowa Park were ejected during the second half of the game, charged by the officials with fighting.

Don Young has pretty well described the situation, in his story about the ball game. Young, you will remember, has been covering all the sports for the paper since the start of school. And doing a fine job, I might add.

Young didn't mention, however, that the ejected Hawks weren't fighting among themselves. Yet, none of the Bridgeport players were ejected.

That led to another ejection that hardly anyone knows about.

No, it wasn't another player. And it wasn't a coach or anyone related to the staff. It was a newspaper reporter.

Don Hammonds, a graduate of IPHS, has for several years been covering Hawk games on the road for the Wichita Falls paper. Like me, he walks the sidelines while compiling his statistics.

Hammonds asked one of the officials how it was that only players from one team were ejected for fighting, and none of the others.

I wondered the same thing. It just didn't figure they were fighting each other.

Anyway, Hammonds told me as soon as he got the question out of his mouth, the official said he also was ejected.

I can't comment too much about the actions of the officials, because when it all broke out, I was up in the stadium seats. I've adopted a policy that I walk the sidelines to shoot my pictures only during the first half, and sit it out the second half.

As for the officials, I was surprised to learn they were out of the Dallas chapter of officials, and not from Fort Worth. I've had a thing about Fort Worth officials ever since our 1971 game at Brownwood.

But that's another story, all by itself.

This week, I asked Head Hawk Weldon Nelms about the situation and what results there would be concerning the ejections.

Nelms explained to me his policy concerning any player ejected for whatever reason from a contest, and it applies whether he agrees with the officiating or not.

An ejected player is sent immediately to the dressing room for the balance of the contest. He is automatically

suspended through the following week. During athletic period, instead of working out with the team, he is to run two miles each day. He is not allowed to participate in the following Friday's game, but is allowed to stand on the sidelines although in street pants and jersey.

Following that week's suspension, an individual player/coach interview is held. If the player displays a sincere regret for whatever his action was, he is then allowed to return as a member of the team.

Going into Tuesday's conversation, I didn't feel there was any way Nelms could rank any higher in my opinion than he already did. But I was wrong.

This guy is for real. I like his policies. I like his coaching methods. I like his attitude. I like his relationship with his players, staff, student body, faculty, administration and community.

And if that's not enough, I'll add another like.

For the first time in my years of covering high school athletics, I like each and every one on the coaching staff -- all the way down from the head coach/athletic director through the junior high staff.

And after the past three years, it's a relief.

These coaches know their business, including athletics, how to work with youth, and how to be role models.

As far as this year's varsity football team goes, I'll say they likely are the best 0-8 team in Texas. Bar none.

Their only problem is their aim is too good. They just can't miss shooting themselves in the foot.

Eliminate the mistakes, and the 1994 Hawks will win any game they play.

Council

Continued from page 1

surplus money from the previous year's budget to pay off existing debts, as far as it would go.

Instead, the council voted to have \$450,000 invested in long-term government bonds which would, they said, pay higher interest rates than exist on the debts that would have been paid.

The money invested also would serve as a safeguard in case of a major catastrophe, aldermen said. The additional long-term investment would raise the city total in that account to \$800,000.

Aldermen voted to confirm Mayor House's reappointments of all members to the board of adjustment and electrical board, as well as reappointment of Marc Newman to the county Appraisal District board of directors.

Topics of general discussions included the need of a street light at Washington Street and West Highway, illegal truck traffic in residential areas, the situation concerning last summer's theft and return of a city vehicle and equipment, need of an easement in the alley north of Mary Drive, and demolition of two old buildings owned by Burlington Railroad located between Yosemite and Wall.

Letters to the Editor

Likes to 'keep up'

Dear Editor Bob:
Sounds like the good Iowa Park folks had a wonderful time at Whoop-Ti-Do, and I sure agree that it is nice for folks to enjoy such a get-together.

It's even nicer that some are willing and able to wear all the necessary hats to make such things work!

I got a kick out of your description of the details and duties of your day.

The Leader is really enjoyable to our small Iowa Park expatriots group. Sons Mike and Val, along with ex-Hawk standout Eddie Stevens, join me every week in checking on the doings of our "Old Home Town."

All four of us are connected with a technology firm here in the Electronics Suburb. Our end of Dallas has enough computer and automation outfits to make it seem like "Silicon Valley East." Brother Hamilton, my purpose in writing is to pass along a new mail address for the Leader subscription. At best, the U.S. Mail manages to introduce a two-to-four day delay. Eddie and Mike particularly feel it during football season. They like to keep up with the Hawks.

The new address is: 3820 Spring Valley Road, #1807, Dallas, 75244. Thanks a lot for making the change -- and keep up the fine work. Ted Overbey

Taylor for our unique parade entry -- his mule team and covered wagon.

To all those individuals who worked the gates at the football game, manned the banquet registration tables, and otherwise assisted us, we convey our boundless praise.

Our festive Homecoming weekend activities were made possible by the unselfish sharing, caring, and hard work of many in our community. We appreciate you all!

Sincerely,
Gay Campbell Williams
President

'Keep it up'

Yes, I want to renew my subscription to my hometown paper. Since I moved away about 40 years ago and then my family either moved away or died, I don't get much news about my dear friends. I find myself looking forward to the mail on Monday when my copy usually arrives. Of course I really enjoy the articles Myrna Smith writes about the "old timers." Many of the people I knew, but a lot of the history, I didn't. Tell her to keep it up. Lucille Wesley Holman

Appreciations expressed

Dear Editor:
We appreciate all the articles and other assistance you gave us for our Alumni and Ex-Students Association annual banquet. It was a rousing success!!!

We also wish to publicly thank the MuleSkinners for the delicious steak dinner, and Richard Davis, the IPHS cafeteria staff and custodians.

Donna Gibson Brinlee's Junior High Show Choir provided excellent entertainment, appropriately incorporating this year's theme, "Dancing Through the Decades." Dave Bridger's soothing dinner music added much to the pleasurable evening.

All Occasions Florist provided a beautiful mum corsage for our Coming Home Queen and State National Bank generously donated a \$100 U.S. Savings Bond.

We heartily thank Mr. Stewart

Mrs. Paul Rumble and Bethany

Cynthia (Mrs. Paul) Rumble has lived in Iowa Park since she was nine months old. The daughter of Mr. and Mrs. Junior Collazo, Cynthia is a graduate of Iowa Park High School and received her LVN degree from Vernon Regional Junior College.

Her husband Paul is employed at Cryovac, and Cynthia works part-time at Bethania Regional Health Care Center.

They have a five-year-old daughter, Bethany, who attends kindergarten at Kidwell Elementary.

Cynthia is a member of Faith Baptist Church, where she helps with Children's Church, sings in the choir, and helps with visitation.

Helping family and friends is important to Cynthia, and she likes to do volunteer work.

The recipes she brought in are some that she uses often, and ones we think the readers will want to try for themselves.

COOK OF THE WEEK

Bread Pudding

3 eggs
3 cups milk
1 tsp. cinnamon
1 Tbsp. vanilla
1/8 tsp. salt
1/2 cup raisins
4 cups bread cubes

Preheat oven to 325 degrees, and butter 1 1/2 qt. casserole.

In large bowl, beat eggs with wire whisk until frothy.

Beat in milk, sugar, cinnamon, vanilla and salt until combined.

Stir in bread cubes and raisins. Let stand 5 minutes; stir again. Pour mixture into casserole.

Set casserole in baking pan and place on oven rack. Add boiling water to baking pan to reach halfway up side of casserole. Bake 1 1/2 hours or until knife inserted near center comes out clean. Makes 6 servings.

Top each serving with Cool Whip if desired.

Chicken Soup

1/2 onion
1 whole fresh tomato
1 - 16 oz. can peas
1/2 tsp. garlic salt or garlic powder
Salt & pepper to taste
1 whole chicken, skinned and cut up in pieces

Put chicken in pan of boiling water (You will need 10 cups of water). Cook chicken 30 minutes, then add garlic, salt and pepper.

Heat 1 tsp. cooking oil in skillet. Add onion and tomato and saute 5 minutes. Add to cooked chicken. Add the peas last, then cook another 20 minutes over medium heat.

Blueberry Crisp

1 - 8 oz. pkg. cream cheese
1 - 8 oz. bowl Cool Whip
1 - 21 oz. can blueberries (with 1 cup to cup and a half of fresh berries mixed with canned berries if desired.)
2 pkgs. graham crackers, crushed
1 cup margarine
1/2 cup powdered sugar

Mix cream cheese, Cool Whip, 1/2 cup powdered sugar together. Mix with mixer about 2 minutes; set aside.

Mix crushed graham crackers and margarine together. Press into cooking pan and bake in 350 degree oven 5 to 10 minutes. Let cool.

Pour blueberries over graham cracker crust, then add Cool Whip mixture on top. Put in refrigerator about an hour before serving.

Conchas

Sea shell noodles (1 small package)
1/8 tsp. garlic salt
2 Tbsps. tomato sauce
5 slices Velveeta cheese
1 1/2 tsps. cooking oil
1/2 tsp. salt

Heat oil in a skillet. Add noodles and let brown a little. Then add garlic salt, salt, tomato sauce, and 4 cups of water (maybe 1 more cup if needed). Cook until noodles are done. Add cheese last and cook another 10 minutes over low to medium heat.

LOOK WHO'S NEW

Adams

A son, Vernon Charles Adams III, was born Oct. 6, at Wichita General Hospital, to Mr. and Mrs. Vernon Charles Adams Jr. of Iowa Park. The couple's first child weighed seven pounds and two ounces.

Grandparents are Mr. and Mrs. Charles Adams of Iowa Park, and Mary Z. Montoya and the late Adolfo Montoya of Burkburnett.

In The Military

Gregory W. Lowe, son of Mr. and Mrs. Steve Lowe of Iowa Park, recently enlisted in the U.S. Army's Delayed Entry Program and will report for active duty Jan. 19, 1995.

The Iowa Park High School graduate will take basic and advanced individual training at Fort Knox, Ky. He has chosen the position of cavalry scout as his military occupational specialty and has volunteered to serve a three-year tour of duty.

Faith Baptist hosts Heartbreak House

The Youth Ministry of Faith Baptist Church is sponsoring the "Heartbreak House" from 7 to 11 p.m. Saturday at the church.

Cost to visit the house will be \$2 per person, or in groups of 20 or more, \$1 per person.

Organizers are calling this attraction a "Christian alternative to haunted houses."

Pharm/alert Health Tips

Dealing With The Common Cold

Each winter, millions of people suffer from the unpleasant effects of "colds".

Despite popular opinion, you do not get colds from sitting in a draft, getting wet feet or staying outside too long in bad weather.

The common cold is a viral infection which is found in the respiratory system (the nose, throat and lungs).

Colds can last for just a few days or as long as a couple of weeks.

Colds are spread through the air or by contact with hands.

You can help keep your cold from spreading to others if you are careful to cover your mouth when you sneeze or cough.

Colds are spread when a healthy person makes hand contact with a sick person or touches contaminated objects, such as doorknobs.

One of the best ways to reduce your risk of catching a cold or spreading colds to others is to wash your hands frequently.

There is no "cure" for the common cold. The best way to treat your cold is rest, drink plenty of liquids, and take proper medication to relieve your cold or cough symptoms. Your pharmacist or doctor can recommend the best medicine for you.

If your child has a cough or a cold be sure to ask your doctor or pharmacist about the amount of medicine to give your child.

Remember a cough can be serious. If your cough lasts longer than 10 days or is accompanied by a fever of 102 degrees or higher for more than three days, see your doctor.

For more information about colds - Ask your pharmacist.

NEWS FROM THE HALLS OF THE HAWKS

BRADFORD

Pie Sales Begin Friday

Bradford students will begin selling pies Friday as a fund-raising project for Bradford PTA.

Each student will bring home an order form Friday and may continue taking orders through November 4.

Several incentives are being given to the students for pie sales. The student who sells the most pies will get to put a chocolate creme pie in Mrs. Craven's face. In addition, for every five pies a student sells, he or she will receive a \$1 bill. The class in each grade with the most total sales will also be treated to a party by the PTA.

Pies and pastries available and their prices are apple, peach, pumpkin and strawberry-rhubarb, \$7 each; cherry, pecan, lemon meringue and chocolate chip, \$8 each; French silk, \$10 each; and apple, cherry and cinnamon French braid, \$7 each. A \$1 discount will be given to anyone ordering three or more.

Each of the pies measure 10-inches.

Pies will be picked up at Bradford Tuesday, Nov. 22, from 3:30 - 5:30 p.m. Money owed for the pies will be paid at that time.

Third graders plan field trip

The third grade classes will take a field trip this week to the Wichita Falls Museum and Art Center.

During the visit, students will see the Caldcott collection of children's book illustrations.

Take Two!

Students who weren't pleased with the first set of school pictures, or who were absent or forgot their picture money, have the chance to have them retaken, next Thursday.

Students with unsuitable pictures should bring those back with them on Thursday to turn in.

Hats On to Red Ribbon Week

Bradford students will get to "Put a Cap on Drugs" Thursday, when they will be allowed to wear caps in the school building.

Awards will be given for the most unusual hat in each grade.

"Hawks Don't Do Drugs" day will be Friday, and students are asked to wear green clothes.

Name That State

Fifth grade students will have to be pretty sharp on US geography to ace their six week test.

The test will be state placement in the United States. Students will be given a blank US map in which they must place each state in the correct place, spelled properly.

Halloween Acrostics

Mrs. Scott's fourth grade class has been busy working on Halloween acrostics. Here is a sampling of the class' work:

KIDWELL

1st and 2nd graders to take 'wild' trip

Kidwell's first and second grade classes will take a trip to the wild Monday.

The classes will go to Memorial Auditorium to the the play, "Jungle Book."

Kindergartners having glove day

Kidwell kindergartners will need to bring gloves to school Friday for "glove day."

The gloves will be part of their study of the letter 'G.'

Trooper Bud to visit campus

The Trooper Bud program, featuring Joe Clement and his robot will end the Red Ribbon Week activities.

He will give a presentation Friday at 8:30 a.m. and 9:15 a.m. in the gymnasium.

Hawks win everything, except the score

If football games were played on paper, the Iowa Park Hawks would be 4-4 overall and 2-1 in District 3-3A and be in the middle of the playoff picture.

But unfortunately they aren't and following Friday night's 25-15 loss to the Bridgeport Bulls, the Hawks fell to 0-8 for the season and were eliminated from the playoffs.

In yet another game where Iowa Park dominated the stat department only to come up short on the scoreboard, this one was especially tough as the players and the coaches felt they were ready to crack the win column and by winning their remaining games against Graham and Bowie could still get into post season play.

The Hawks finished the game with 88 more yards than the Bulls did, 1 more first down, 3 more fumbles, 33 more yards in penalties and 6 fewer players.

Bridgeport's first touchdown came on a 53-yard fumble recovery by Daniel Lara with 2:29 left in the first quarter after Corky Petty was separated from the ball at midfield. The Hawks defense had held the Bulls to three plays and out, on their first two possessions, and the Iowa Park offense was moving the ball on a 12-play drive when the turnover occurred. The Bulls made the best of a bad snap on the point-after when they picked up a loose ball and tossed it to a wide open Scott Podhaisky to make the score 8-0.

BRANDON CAMPBELL ON THE MOVE

Following the touchdown, the Hawks couldn't manage a first down on their next possession and punted the ball back to Bridgeport. The Bulls ran off 8 plays and faced a third-and-7 from the 10 when the Hawk defense again stiffened forcing a fourth down and a 26-yard field goal by Shawn Mann.

LOW PASS SLIPS THROUGH ODDUS MERRIFIELD'S HANDS

Mann's kick was good leaving Iowa Park trailing 11-0 with 9:22 left in the first half of play.

The Hawks took the ensuing kickoff and ran off 8 plays before turning the ball over on downs at the Bulls' 38 yard line midway through the second quarter. Bridgeport then proceeded to cover the 62 yards in 6 plays capped by Paul

Raby's 15-yard touchdown pass from Joe Newton to make the score 18-0 at the half.

Bridgeport went up 25-0 early in the third quarter when the Bulls recovered another fumble by the Hawks and scored 6 plays later when Lara ran in from 6 yards out with 9:11 left in the period.

The Hawks got on the board at the 4:43 mark of the third quarter when quarterback Brandon Campbell, taking over for an injured Robert Klinkerman, ran in from 7 yards out. Clint Scobee added the point after to cut the lead to 25-7.

Neither team could move the ball to start the fourth quarter and midway through the period, the Bulls punted the ball to Iowa Park. Jimmy Fallon took the ball near the 10 yard line and headed to the right sideline where he was drilled after he was out of bounds.

That's when things got out of hand as both teams started throwing punches as coaches from both teams tried to separate the players. When all was said and done, five Hawk players were ejected from the game and no one from Bridgeport was removed. Later in the quarter another Iowa Park player was ejected for a separate incident.

"That was an unfortunate situation," Iowa Park head coach Weldon Nelms said. "I hope people don't think any less of our kids for what happened on the field last Friday night. We expect them to display good character at all times. When your discipline breaks down, it hurts the whole team. We didn't start it but we got involved. Our program, as long as I'm here will be based on pride and the performance Friday night is not going to be accepted."

Iowa Park's Jeff Taylor picked off a pass with 2:27 left in the game and 5 plays later, Jason Young hit James Armstrong with a 54-yard touchdown pass to make the final 25-15.

First Christian calls new pastor

By MYRNA SMITH

A straight-forward, ebullient Virginian with diverse interests, marks his third week Sunday as pastor of Iowa Park's First Christian Church (Disciples of Christ).

This also is the first church that Rev. Tom Oden-Peace has served as pastor since his ordination in December 1993.

He and his wife, Teresa, a psycho-therapist, and their two Cairn Terriers moved here from Fort Worth.

Rollin Roberts, an elder of the church, said "We are looking forward to working with this personable individual who is very knowledgeable in the Christian faith. Tom has constructive ideas for growth and we feel he will be a fine young minister for our church." Roberts also co-chairs the Worship Committee with his wife, Helen Dale.

"I'm not afraid to speak out and say what I feel needs to be said for the good of the church," the new minister said.

He was ordained a minister (for the second time) at the South Hill Christian Church in Fort Worth where he had served as an active lay person for a number of years.

Tentative plans are for Rev. Oden-Peace to be installed as minister here Nov. 13.

"Areas I plan to focus on are the youth group, the choir and personal and family responsibility."

Since 1980 he had been self-employed in the roofing business in Fort Worth. He only worked for people who knew him because he wanted to be sure the ones he did the work for trusted him. He also remodeled bathrooms and kitchens.

The son of a Christian Church (Disciples of Christ) minister in Virginia, he is a third generation of ministers of that church.

Of Anglo-Saxon ancestry, his forebearers arrived in Jamestown from England in 1602. He said, "Sometimes

Rev. Tom and Teresa Oden-Peace

my wife accuses me of being smug about my ancestry, but I'm really not". He explained that his dad (now deceased) just never would let him forget it.

"As I would go places with him he would point out different places where there was a business, or houses or land, and explain how my ancestors were instrumental in founding the area."

Tom commented that his father was the first one in the family that did not own land and that each of his children made sure the first thing they did when they were grown was to buy some land.

His mother still lives in Petersburg and during the week she babysits in Alexandria for his sister.

Both the minister and his wife have books on their genealogy.

When Tom first began thinking about the ministry, he was in high school. He recalls that he had a Sunday school teacher who was explaining a portion of scripture.

"I knew she was not teaching the right application. So I started studying for myself and realized even more how wrong she was. I decided then I

was either going to quit the church or get involved and become part of the solution.

"I'm not complaining, it was valuable for me and I believe I chose the right course to take."

He began his studies at the universities of Lynchburg and Vanderbilt. He was not satisfied either place so he came to Texas and enrolled in Brite Divinity School, Texas Christian University. He received his Masters in 1983.

He went through "the paces of ordination", but at the time he felt he was not really ready. He decided he should just be involved as a lay person and get more experience.

When he decided he was ready to begin preaching, his files had been misplaced. He had to go through the process again with the committee before he could be ordained. That took three years.

Reflecting on the situation Tom said, "I believe I am better prepared now, having been an active lay person and having had my business experience with my own company. I feel it will be to the advantage of the church that I have had the additional experiences."

"I am more mature now, more pastoral and I want to see just how I can help others. I'm not the controlling type, but I can take charge and play up the good points."

When Oden-Peace came from the Blue Ridge Mountains of Virginia to Texas, "it was quite a change to say the least," he said with his infectious grin.

"When I first heard someone say, 'Look at the beautiful colors', I'd look and say, different shades of brown?"

"Now I can see the beauty of the colors you can see in Texas as well as those in Virginia, and I even drive in the middle of the road when it rains just like other Texans do," he laughed.

A multifarious individual, Tom is

an avid soccer player and has been active in soccer 22 years. He has played in the Men's League and Co-ed League and plans to continue to play. He also has coached.

He has a number of skills in addition to speaking. He has sailing skills, he works on appliances, does upholstery, has had some experience in landscaping. He likes to do ceramics, plans to do some woodcarving and does most of the cooking at home.

"My wife calls me a tinkerer, and I guess that I am," Tom said. "I love anything mechanical, and one time I fixed our VCR after the repairman gave up."

The new minister said, "If I had to evaluate myself, I guess I would call me a renaissance man."

He is proud of his 1963 panel truck that he "bought off the block" for \$150 and rebuilt it.

Tom is aesthetic as well as ecclesiastical. Art is very important to him, he writes poetry, and both he and his wife are music lovers. "She is the one with the voice," he said. They plan to become involved with the Symphony.

Tom said, "If you wonder about the hyphenated name, my wife's maiden name was Oden. She didn't want to drop that name when we married, so we solved the problem by hyphenating our names." They have been married 11 years.

An Oklahoma native, Teresa has a very impressive background in music and in her profession.

She attended Western Oklahoma State College in Altus, Okla., then enrolled in Phillips University at Enid where she received the Bachelor of Music Therapy with emphasis in vocal performance, in 1979 she received the Bachelor of Music Education with emphasis in vocal performance at Phillips.

In 1989 Mrs. Oden-Peace earned the Masters of Science in Social Work with honors from the University of Texas at Arlington.

Some highlights of her professional expertise include a licensed

master social worker; registered music therapist, board certified; 15 years experience in psychiatric hospital settings; six years experience as a supervisor or department manager; expert knowledge in solution-oriented brief therapy; specialized in difficult or chaotic cases, and broad experience in multi-disciplinary team treatment.

Tom, a very jovial person, said, "I can be very serious, but also I have to poke fun at myself and allow time for play and have fun--that's just part of who I am."

Growing serious, he said, "Sometimes I almost believe I have a charmed life. It is amazing the things that have happened in my life that have turned out so fortunate for me. And, I believe my wife came into my life because it was meant to be."

He is looking forward to his work

with the local church and becoming involved with community activities. And, he considers this just another one of the fortunate things that has happened to him.

Iowa Parkan named national president

Faye Burdett

Mrs. Burdett was asked to join the G.O. 45 Military Order of the Cootie Auxiliary 15 in Dallas in 1971. She later transferred to her present Auxiliary, Wiskataw 47, in Wichita Falls, where she served as president in 1981-82.

She has held the offices of MOCA Grand (State) District 6 president and Grand president. She also served as

Supreme District 5 Hospital Commissioner and as Supreme Chief-of-Staff in 1988-89.

A graduate of Wichita Falls High School, Mrs. Burdett recently retired from the United States Postal Service after a career of 24 1/2 years. Her hobbies include cross-stitch, crochet and collecting Post Office and Coca-Cola memorabilia.

Vernon, in 1967, under the eligibility of her husband. She later transferred to Iowa Park Auxiliary 7211 and served as president 1968-70. She is now a member of the James King Jr. Auxiliary. She also has served as District 15 president in the state of Texas.

A Homecoming will be held Saturday in Wichita Falls in honor of Faye Birdett, who was elected Supreme (National) President of the Women's Auxiliary to the Military Order of the Cootie (MOCA) Aug. 25, in Las Vegas, Nev.

MOCA is the Military Order of the Cootie, which is the "honor degree of the Veterans of Foreign Wars". She is a resident of Iowa Park.

Mrs. Burdett is the wife of Bobbie A. Birdett, Supreme Quartermaster-Adjutant of the Military Order of the Cootie, and a past Supreme Commander.

The homecoming event Saturday will be at the James King Jr. VFW Post 2147, with guest lodging at the Ramada Inn. Chairman for the event is Texas Grand (State) President Carolyn Henry of Wichita Falls.

Supreme President Birdett joined the Ray Cox VFW Auxiliary 4747,

WORTH QUOTING

Did you hear about the three businessmen who had adjacent stores in the same building?

The one who ran the store at one end of the building put up a sign reading "Year-End Clearance Sale."

At the other end of the building, the other businessman followed with a sign that said "Closing Out Sale."

The businessman in the middle knew his business was going to hurt unless he did something immediately.

His sign said "Main Entrance."

Food Handler's Course

There will be a food handler's course held at the IPRAC on November 7 from 4:00 to 6:00 p.m. Cost for the course will be \$12.50 per person, and must be pre-paid by November 4. For more information, or to register, please call the RAC at 592-4471.

Cheerleading Classes

Openings are still available in the cheerleading class held on Thursday afternoons. The class is taught by MSU cheerleaders. Class fees are \$30 per month for RAC members. Students will learn basic cheerleading moves, jumps, cheers, and chants. Those who are already enrolled in gymnastics at the RAC will receive a discount of \$10 per month. For placement in the class, or for more info, please call the RAC office.

Tour of Homes

The annual Christmas Tour of Homes sponsored by the IPRAC will be held December 10 this year, and another successful tour appears to be ahead for us. Already four homes have been confirmed, and several others are still in consideration. If you know someone who would like to have their home in the Tour, please contact Jo

GARDENING HINTS

By MARK TERNING, COUNTY AGENT - HORTICULTURE

Homeowners across the Texoma region have been concerned about a new fungal disease attacking lawns.

This disease can be confusing and alarming to those people who take a serious interest in maintaining attractive lawn areas. The following facts about this relatively new turfgrass disease will help you understand the problem and how to deal with it properly.

The disease is called Take-All patch. Take-All patch showed up in St. Augustine turf and bermudagrass in almost epidemic proportions throughout Central Texas. Damage has been much more severe in St. Augustine lawns than bermudagrass.

Several lawns in Wichita Falls were positively diagnosed with the disease this spring and summer. Homeowners should be aware that there are many factors which can stress turfgrass areas, however, only a complete laboratory diagnosis of plant tis-

sue can positively determine a disease problem.

The Texas Agricultural Extension Service can test plant tissue for possible disease problems at our plant disease diagnostic lab. There is a \$15 fee for testing.

Homeowners can obtain sample submission instruction from local county extension offices. This test can help separate the fact from fiction for many plant problems.

Take-All patch disease normally is characterized by large circular patches of dead turf, often ranging from a foot to several yards in diameter. Take-All patch can be mistaken for Brown patch (another turf disease) or grub worm damage, but a closer look at turf shows several distinguishing characteristics.

The Take-All patch fungus causes extensive root rotting. Roots often show a dry decay near the crown or nodes of the turf. Stolons (the above ground

runners) will have lesions or show a brownish discoloration.

Because the roots are rotted, entire stolons may be lifted easily from the turf. Grub damaged roots do not appear rotted. Brown Patch causes a rotting of the leaf sheath.

Individual leaf blades on plants infected with Brown Patch pull from the rest of the plant with a gentle tug. Brown Patch does not affect the root system of the turf.

Lawns infected with Brown Patch will tend to recover in mid-spring. Lawns infected with Take-All patch will not recover due to root damage. Take-All patch can persist into the summer months while the Brown Patch fungus will normally go dormant.

Remember that the majority of problems with the Take-All patch fungus have been on St. Augustine lawns.

Control of Take-All patch will require an integrated management strategy. Reducing thatch build-up, aerating soils to reduce compaction, proper watering and fertilization programs, lowering soil pH, and a fungicide application will be necessary.

Lawns confirmed with Take-All patch should be treated in the fall with

a labeled fungicide. Currently, two fungicides are labeled for control of the disease. They are Rubigan and Bayleton 25.

Fungicides are most effective as preventative treatments and are much less effective as curative treatments after disease establishment. Always read and follow all label directions when using any fungicide.

Additional information, fact sheets, and disease diagnosis forms are available at your local county extension office, garden centers and pest control outlets.

Chamber election slated

New officers are to be elected at the Iowa Park Chamber of Commerce all-membership luncheon and annual business meeting on Monday, Nov. 21.

This year's nominating committee, appointed by President Cathy Riggins, includes Melinda Gonzales, Larry Dutton and Gene Jordan.

A representative of Cryovac's home office in South Carolina possibly will be the guest speaker. Confirmation had not been received, however,

by Monday's monthly board of directors meeting.

The Chamber's supply of city maps has expired, and also needs to be updated because of numerous annexation of tracts in the past year, Riggins told directors. She named Tommy Key, Derrell Monday and Glenna Via to a committee to have new maps printed.

This year's Whoop-T-Do was a "roaring success," according to all reports at the meeting, Riggins said.

PLAYING FOR HAWK PRIDE

HAWKS SOAR IN '94

OOOOOOPS - Yep. You were right. We blew it in a big way last week on the football page when we ran the same exact picture as the week before, but had the correct caption under the photo. The correct photograph shows Clint Witherspoon, 10, Jimmy Fallon, 21, and Heath Ward, 51, closing in on a Vernon receiver. In fact, they closed in so hard that the ball fell incomplete! We regret the error.

JBC Pigskin Prep's picks for this week's Dist. 3-AAA games include Graham over Iowa Park by 26 points, Vernon to beat Bowie by 16, and Jacksboro a 10-point favorite over Bridgeport.

The Iowa Park Little League will hold its annual meeting to elect officers and board members Wednesday Nov. 2 at 7:30 p.m. at the Optimist Club. All concerned parents and coaches are urged to attend.

Frosh humble Bulls

The Iowa Park freshmen took the opening kickoff and never looked back last Thursday night as they ripped Bridgeport 40-8 to improve to 5-2-1 for the season.

The Hawks took the opening kickoff and drove the ball 64 yards highlighted by Todd Yeager's 49-yard scamper setting up a Brandon Brown 15-yard touchdown and following the two point conversion the Hawks led 8-0.

On their next possession, the Hawks threw a pass to Toby Catlin who lateraled the ball to Brown who easily scored from 16 yards out to make the score 16-0. Later in the second quarter, Yeager hit tight end Clint Mathis on a 27-yard pass to the Bulls 3 where Brown took it over to make the score 24-0 at the half.

The defense got into the scoring as defensive end Tres Beisch recovered a loose ball in the end zone for a touchdown to pad the lead to 32-0.

Bridgeport finally got on the board with a 64-yard TD pass to trim the Hawk advantage to 32-8. Iowa Park ended the scoring when Catlin rambled 75 yards to make the final 40-8.

Offensive leaders for Iowa Park were Yeager, Brown, Catlin and Brandon Holley.

Defensively, the Hawks were led

JV tops Bridgeport

The Iowa Park junior varsity evened its season record at 4-4 following an impressive 28-6 victory over the Bridgeport Bulls last Thursday night at Hawk Stadium.

No turnovers and a consistent offense coupled with a stingy defense allowed the Hawks to out-gain the Bulls 300 total yards to only 134. Iowa Park finished the night with 266 yards rushing while holding Bridgeport to a minus 35 yards rushing.

Clancy LaLumia led the Hawks in scoring with three touchdowns and 60 yards rushing while Jackie Miller added a touchdown and 120 yards rushing. Jacob Robertson and Shawn Fulfer each had two-point conversions for Iowa Park. Others doing a good job offensively were Chris Norris and Matt Strange.

Defensively, Cody Russell and Fulfer each came away with fumble recoveries, one caused by a big hit from Mark Hutchins. Dusty Farr did a good job pressuring the quarterback all night and the secondary did a good job never getting beat on deep passes.

According to the coaching staff, the Hawks need to cut down on their penalties, but overall this was a much better effort than last week.

by Brad and Perry Green and Beisch. Both Seth Ralston and Jeremy Tatum did a good job in the secondary.

Vote For Terrance E. (Terry) Loughry

Time is running out, to get your County back! Vote Nov. 8, 1994 for County Commissioner.

Terry Loughry is needed to stop the tax and spending policies that have plagued our County. With his experience as City Councilman and in construction, his common sense, and his enthusiasm, he will represent you well in your County Government.

Kay Bailey Hutchison Working For Texas

Reducing Government to Strengthen Families and Small Business.

She's voted against higher taxes every time and for the Balanced Budget Amendment. She strongly opposes unnecessary federal regulations that hurt small business.

And she's proposed a new law so homemakers can save with a tax free retirement account, too.

Changing the Way Washington Works.

Kay cut her own Senate office budget 20% — just as she promised last year. Now she's pushed Congress to slash its budget, reduce government overhead by 10%, and trim \$50 billion from 50 programs.

Kay's the sponsor of a bill for a national referendum on term limits and will set an example by only seeking two full terms herself.

Now she's determined to make Congress live under the laws it passes for the rest of America.

Protecting Our Freedom.

On the Armed Services Committee, Kay is fighting for a strong defense and defending our Texas military bases that are so critical to national security.

She's committed to protecting private property rights and other constitutionally protected freedoms.

She's pushing for tough crime laws that protect citizens, not criminals.

Already An Effective Leader.

Though we sent Kay Bailey Hutchison to the Senate just last year, she's already making a difference for Texas.

She passed a bill to make the federal government — for the first time — pay for some costs of its failure to protect our Texas border against illegal immigration.

Our choice this year is to keep this effective, new conservative leader who puts Texas first ... or replace her with a Clinton-style "New Democrat."

Panel for Kay Bailey Hutchison for Senate Committee.

TOP OF TEXAS FOOTBALL

The Midget West Hawks finished the regular season with a perfect 8-0 record following a 36-0 rout of the Sheppard Redskins Saturday night.

Chase Wright got his team started on the right foot as he returned the opening kickoff 70 yards for a touchdown to put Iowa Park on top 6-0. Brandon Criswell ran in for the two-point conversion to make the score 8-0.

The lead grew to 16-0 in the second quarter when Chris Simmons tossed a 13-yard TD pass to Wright and then ran in the point after to put his team up by 16. Later in the same period, Wright again found the end zone, this time from 18 yards out to put the Hawks on top 22-0. Criswell kicked the extra point as Iowa Park led at the half 23-0.

Wright added his fourth touchdown of the night in the third quarter on a 39 yard run to boost the score to 29-0. Criswell tacked on the final touchdown in the fourth quarter on a 7-yarder. Wright kicked the point after to make the final 36-0.

Wright led all rushers with 90 yards on 6 carries while Criswell ran for 50 yards on 10 carries. Simmons added 41 yards on 5 carries and Parker Murfield chipped in with 33 yards on 4 attempts.

Defensively, Joel Sanchez picked off his fifth pass of the season while Rowdy Hebel also grabbed an interception. Wright also recovered a fumble for the Hawks.

Iowa Park will be playing Burk Burnett at 5 p.m. this Saturday night in the opening round of the playoffs with the winner advancing to play next week.

The Pee Wee West Hawks ended their season Saturday night with a 26-8 loss to the Sheppard Cowboys. The Hawks finished the year at 2-6 overall and 1-5 in conference play.

The Cowboys built a 26-0 lead before the Hawks were able to get on the board late in the game. James

Rowland scored from 40 yards out to prevent the shutout. Jarred Horsky added the two-point conversion to make the final 26-8.

Offensively for the Hawks Rowland finished the night with 55 yards rushing on 6 carries while Horsky added 39 yards on 8 attempts. Kyle Hayley also had a good game on offense for the Hawks.

Defensively, both Horsky and Michael Fulkerson came up with fumble recoveries while Jeremy Fulfer had an interception to pace the defense. Dwight Gibbs also did a good job for Iowa Park.

The coaching staff said that the won-loss record doesn't reflect the effort the team displayed all year long and that they enjoyed working with each player.

The Midget East Hawks came close but couldn't put the Seymour Panthers away Saturday night as they fell 30-20 to drop to 3-5 overall and 3-3 in conference play.

The Panthers scored on the first play of the game to take an 8-0 lead just 15 seconds into the game and stretched the lead to 16-0 before Pete Ermis caught an 8-yard touchdown pass from Michael Horton to cut the lead to 16-6.

Seymour added another touchdown to make the score 22-6 before Horton scored on a quarterback sneak then added the two-point conversion to pull his team to within 8 at 22-14.

Micha Bosley got the Hawks to within 2 at 22-20 midway through the fourth quarter when he broke loose on a 47-yard TD run.

The Panthers added a late touchdown to put the game out of reach at 30-20.

Offensively for Iowa Park, Bosley, Miller and Swenson all did a good job running the ball, while Horton and Ermis hooked up on a couple of nice pass plays.

Defensively, the front line did a good job putting pressure on the quarterback all night long.

The Hawks will get a chance to avenge an earlier loss to Holliday Saturday night when they travel to take on the Eagles at 8 p.m. in the opening round of the playoffs.

The Pee Wee East Hawks evened their record at 4-4 and 3-3 in conference play with a 26-18 win over Seymour Saturday night.

Ryan Shierry's long run set up a 7-yard touchdown by Zack Newman to put the Hawks on top 6-0 in the opening quarter of play. Later in the same period, Justin Swenson gave the ball back to Iowa Park when he intercepted a pass. That led to another Hawk touchdown when Cory Bosley scored following a long run by Jeff Henderson. to make it 12-0. Seymour made it 12-6 with just 3 seconds left in the first half.

Bosley scored his second touchdown of the night to put his team on top 18-6. Luke Ermis ran in for the two-point conversion to make the score 20-6. The Panthers cut the lead to 20-12 early in the final quarter before the Hawks' Tristin Dozier plowed over from 5 yards out to pad the lead to 26-12. Seymour added a late touchdown to make the final 26-18.

This was the best effort and best game by the whole team all year long according to the coaching staff.

The Hawks will open the playoffs in Archer City at 1 p.m. Saturday afternoon.

Runners sweep district meet

Iowa Park High's varsity and junior varsity girls' cross country teams swept the Dist. 3 AAA championships Wednesday at Vernon.

In addition, two members of the boys' varsity placed first and third individually.

The varsity girls and two boys will next compete Saturday, Nov. 5, in the Region One meet at Lubbock, where they will attempt to qualify for the state meet.

Bowie placed second to the Lady Hawks in the girls' varsity division, while Bowie and Graham boys' teams were first and second.

In cross country competition, each school is allowed to enter seven runners on a team, and the team's five highest placers make up the team's time.

Varsity Lady Hawk runners, their placings and times, included: Brandi Catlin, first, 13:03; Brandi Butler, second, 13:04; Dusti Welch, fourth,

13:27; Randi Tigrett, sixth, 13:36; Wendy Bridwell, 11th, 13:37; Lori Spruiell, 25th, and Briana Stalker, 27th.

Junior Varsity finishes included: Deamber Koerth, first, 13:38; Sharla Hughes, second, 14:15; Valerie Johnson, seventh, 14:54; Jodi Henderson, 10th, 15:08; Meredith Brammer, 11th, 15:11; Amanda Thompson, 13th, and Carmen Tidwell, 17th.

Tim Estrada placed first among Varsity boys in the meet with a 15:42,

while David Waterbury was fourth with 16:30.

Others on the Hawk team were Eric Heidrich, Shawn Phillips, Lonnie Simmons and Shawn Campbell.

Buddy Dyle Henderson

Services for Buddy Dyle Henderson, 60, were at 2 p.m. Wednesday at First Baptist Church.

Dr. Derrell Monday, pastor, officiated. Burial was in Crestview Memorial Park under direction of Owens & Brumley Funeral Home of Wichita Falls.

Mr. Henderson died Sunday in his home here.

Born Nov. 17, 1933, in Amarillo, he moved to Wichita Falls in 1943. He was a 1952 graduate of Wichita Falls High School where he played football, was vice president of his class and class favorite.

Henderson attended Texas Tech University and Midwestern University where he earned a bachelor of science degree in mathematics. He owned and operated Henderson 66 Sales Inc. and Wichita Oil Company Inc., and was involved in the cattle business. He also was involved in Pathways as a planner and trainer and assisted in Future Farmers of America and 4-H projects.

A Boy Scout many years, Henderson served as cubmaster, assistant scoutmaster, district chairman and headed many other committees and activities.

He was a Vigil Honor member of Order of the Arrow and received the Silver Beaver Award in 1987. Three of his sons obtained the rank of Eagle Scout.

Survivors include four sons, John and Mark, both of Wichita Falls, Allen of Iwakuyi, Japan, and Ronnie of Plano; one daughter, Tammy Jo of Fort Worth; one brother, Loren of Clear Lake; one sister, Patsy Scott of Rockport; his mother, Violet Taylor of Wichita Falls, and six grandchildren.

Rosa Ellen Tatro

Services for Rosa Ellen Tatro, 62, will be at 2 p.m. today at Hillside Baptist Church in Electra with Rev. Bob Webb, pastor, officiating. Burial will be in Electra Cemetery under the direction of Dutton Funeral Home.

Mrs. Tatro, a sister of Mary June Frazier of Iowa Park, died Sunday in her home in Electra.

Mrs. Tatro was born Nov. 5, 1931, in Elkins, Ark. She and Charles James Tatro Sr. were married Jan. 29, 1953, in Wichita Falls. She had lived in Electra 14 years, and was a member of Hillside Baptist Church and the Veterans of Foreign Wars Ladies Auxiliary. She was a homemaker.

Survivors include her husband; a daughter, Elizabeth Goodwin of Electra; five sons, Charles Tatro Jr. of Monticello, Iowa, Steve and Gary, both of Hiawatha, Iowa, Terry of Electra and John of Cedar Rapids, Iowa; five sisters, Margaret Dickson and Violet Richardson Bolf, both of Electra, Marie Holcutt of Fayette, Ala., Mary June Frazier of Iowa Park and Peggy Walker of California; a brother, B.J. Richardson of Vernon; her mother, Frances Hines of Electra, 20 grandchildren; and a great-grandchild.

Memorials may be made to Hillside Baptist Church.

Odessa Atkinson

Services for Odessa Atkinson, 89, of Breckenridge were Saturday at 2 p.m. at Melton Funeral Home.

Rev. Cecil Harper and Rev. J.D. Wright officiated. Burial was in Woodson Cemetery.

Mrs. Atkinson, mother of Wilburn Atkinson of Iowa Park, died Wednesday.

Born July 22, 1905, in Haskell, she was married to W.A. Atkinson April 16, 1925, in Throckmorton. He died Feb. 10, 1977.

Mrs. Atkinson was a homemaker. She had worked as a dietician at Hamilton Hospital in Olney and at the senior citizens center in Breckenridge. She was a member of First Baptist Church.

Other survivors include one daughter, Donna Ruth Rials of Breckenridge; five other sons, Keaton and L.B., both of Breckenridge, Kenneth and Ray Jean, both of Snyder, and Frank of Paradise; seven sisters,

Winnie Mae Stames, Maggie Lee Allen, Rachel Lange and Opal Gremelin, all of Stephenville, Adeline Pugh of Breckenridge, Ruby Nell Walker of Woodson, and Betty Jo Hearne of Rochester; two brothers, Buford Wright of Seymour and Wayland Wright of Stephenville; 26 grandchildren; 60 great-grandchildren, and three great-great-grandchildren.

W.A. "Bill" Johnson

Former Iowa Park resident, W.A. "Bill" Johnson, 83, died Monday in his home in Odessa.

Graveside services will be at 10 a.m. Friday in Highland Cemetery.

Mr. Johnson was born July 14, 1911, in Scurry County, Texas. He and Nelda Corridon were married March 14, 1938, in Abilene. She died Oct. 2, 1981. He moved to Odessa in 1965. He worked for Western Co. as a field representative before retiring in 1980.

Heritage Manor Activities

It's Halloween again! As we have done in the past, everyone is invited to come by Monday night between 6:30 and 8 p.m. to tick or treat.

Residents will be giving out candy to all the kids that come by, and refreshments will be served.

November will be a busy month. Our coming events include:

Nov. 1 - Golden Harps Band at 3:30 p.m.

Nov. 4 - Church of Christ will be hosting the November Birthday Party at 3 p.m.

Nov. 7 - The ladies from the Kamay community will be hosting a dessert party at 2 p.m.

Nov. 11 - The Eastern Star will give a party featuring live entertainment.

Nov. 28 - The Blue Grass Band will perform at 7 p.m.

A special thanks goes to the Arts and Crafts Assoc. for the beautiful seasonal wreaths they made for the facility. Also, thanks to Susan Cannon for making our dining room tables look great with the flower arrangements she made.

Commissioners of the Texas Natural Resource Conservation Commission (TNRCC) recently announced a proclamation from Governor Ann Richards declaring Nov. 15, 1994 Texas Recycles Day. On that day every Texan is invited to begin, enhance or support a recycling program.

Joined by the Texas Recycles Day steering committee, the TNRCC commissioners signed a pledge to start or enhance recycling programs and urged all Texans to do the same. The steering committee is a coalition of 70 representatives from business, schools, government and environmental and civic groups.

Speaking at ACCO Waste Paper in Austin, TNRCC Chairman John Hall said Texas businesses increasingly see recycling as an economically attractive alternative to the escalating costs of traditional waste disposal.

"Each year, we put nearly 20 million tons of solid waste into Texas landfills," Hall said. "That's more than a ton of garbage per Texan each year. Our waste disposal costs are rising, yet we are seeing more and more private

companies saving substantial dollars by implementing aggressive recycling programs. Recycling is truly one area where, in many cases, good economics and good environmental policy are moving in the same direction."

Tim Mikus, an environmental specialist for Texas Instruments, agreed: "Our employees initiated a recycling program in 1990, and since then we've reduced our solid waste stream by 65 percent and we're saving more than half a million dollars a year."

Texas Recycles Day will involve a cross section of the public and private sector to increase public awareness of and participation in recycling. Chairman Hall added, "Texas Recycles Day is an excellent chance to demonstrate the overlooked opportunities for recycling."

"This is an exciting event for Texans to use as a catalyst for increasing recycling in both urban and rural areas of Texas," said state Rep. Robert Saunders, a key sponsor of the state's recycling legislation.

Another company which has stepped forward to capitalize on the recycling bounty is Champion International, which recently opened a paper recycling facility near Houston. Champion Manager of Public Affairs Seth Kursman says recycling is not just a passing environmental fad, but

rather a core piece of business for Champion as well as many other companies.

"Champion International has made an investment in excess of \$100 million to support the recycling infrastructure in the state of Texas," Kursman said.

"Our de-inking facility outside of Houston annually diverts close to 200,000 tons of newspapers, magazines and shopping catalogues before they enter the municipal solid waste stream," Kursman continued. "This potentially saves the state of Texas more than 500,000 cubic yards of landfill space and offers a striking example that what's good for business can also be environmentally beneficial."

TNRCC Commissioner Pam Reed says one of the primary purposes of Texas Recycles Day is to focus attention on such success stories. "Local governments should be commended for responding to the public's call for recycling by establishing drop-off and curbside recycling programs," said

Reed. "Curbside programs in Texas have increased by 20 percent in the last two years, serving more than two million Texans. Cities and counties are the key link to closing the loop by supplying recyclable materials to meet the market's needs."

TNRCC Commissioner Peggy Garner explained that the recycling challenge calls on Texas businesses, schools, governments and individuals to fill out pledge cards indicating their commitment to recycling. "As an incentive, we'll be having a drawing on Texas Recycles Day," Garner said. "Winners will receive some great prizes related to recycling."

On Texas Recycles Day, TNRCC will sponsor six public outreach events across the state to help give the effort momentum.

However, according to the commissioners, the most important part of Texas Recycles Day will be grassroots participation from businesses, schools, environmental and civic organizations conducting a patchwork of recycling events across Texas.

The first milestone of the new school year has arrived - - the report card. If grades need a little work, parental support can make a difference.

If grades are suffering because a child claims to have no homework, Mock suggests implementing a daily assignment sheet initiated by the teacher. This system allows parents to monitor assignments and reward their child for completing assigned work.

families where homework has been a previous source of conflict, Mock suggests using a tag-team approach with parents taking turns working with the child. Another option, she says, is to hire a high school student or someone else as a tutor.

"Providing structure and expressing interest may be the keys to improving a child's grades," said Dr. Lou Ann Mock, a child psychologist at Baylor College of Medicine in Houston.

"A minimal reward for remembering assignments four nights out of five puts the focus on the positive, not the negative," Mock said.

And if grades do not improve? "Meet with the teacher again, and make sure you are not expecting more than the child can deliver," she said. "Helping a child learn to put forth his or her best effort may be more important than a grade on a report card."

"Rather than punish a child after the first report card, parents might want to take a more positive attitude of 'how can we work together to fix this problem?'"

There are also times when a child will need help with new concepts. In

The first step is to talk with the teacher, and then begin to implement some change at home.

Mock also encourages parents to set a specific time in the evening for studies. "Allow some time for outside play or for an after-school snack, but make television off limits until after homework time," she said.

One essential at home is adequate study space with good lighting and few distractions.

It might be necessary to sit with a young child just starting a homework routine, but parents should pull back as soon as possible so the child can learn to work independently.

"A desk in a room is fine if it isn't covered with clothes and belongings," Mock said. "Many times the dining room or kitchen table works well and makes parental supervision a little easier."

"Let your child know you have other responsibilities to take care of, but check in occasionally," Mock said. "This provides structure, but keeps you from hovering over your child."

TWO YOUTHS INJURED in this accident Saturday night at Lake Buffalo were transported to a Wichita Falls hospital by ambulance. A man and woman also were in the car, but were allowing a 12-year-old boy drive as they were leaving. The driver missed the curve onto Van Horn Road, bounced over a two-foot-high embankment, and circled through the trees almost back onto the road. The driver's mouth was apparently smashed into the steering wheel. All were from Wichita Falls.

Three sitting out fines

Commitment orders were issued in municipal court Tuesday morning on three young men, all of whom chose to sit out their fines in jail rather than paying them.

Transported to the Wichita County jail were: John Paul Houston, 19, charged with failure to appear in court; Jeremy Dell Sellers, 17, possession of drug paraphanelia, and Eric Christopher Holley, 18, public intoxication

(other than alcohol).

When Paul Anthony Carter, 28, was stopped in the 100 block of South Wall Friday morning, it was determined outstanding warrants, with total fines of \$749, existed for his arrest.

The warrants and their individual fine amounts included: no motor vehicle insurance, \$74.50; defective stop lamps, \$104.50; no vehicle insurance,

\$315, and failure to appear in court, \$255.

Carter was released three hours later after signing a promise to appear and bonds on warrants, according to the police blotter.

One criminal mischief report was filed, by the owner of some property in the 300 block of East Pecan. Windows of three vehicles and a house were broken.
