## Citizen assists police arrest bicycle thieves

Iowa Park police retrieved a bicycle that was stolen Monday night from a local business, but now they're trying to retrieve the thief.

The suspect gave police an false name, so now he's being sought on an additional charge of failure to identify as a fugitive, according to Det. Lynn Collins.

Actually, the stolen vehicle was spirited from the city without the knowledge of the police.

Collins said a Wichita Falls resident observed an individual take a small girl's bicycle from a display area at Wal-Mart and put it in a car. The observer followed the car and attracted the attention of a game warden by

flashing his lights.

The game warden called a DPS trooper, and the fleeing vehicle was stopped near Iowa Park Road and FM 369. The couple had tossed the bicycle out of their car after detecting they were being followed, and it was later retrieved.

The male suspect identified himself as Rodney D. Chapman, 24, and his female companion as Melissa L. Free, also 24.

Both were eventually taken that night to the county jail. They were released Tuesday morning on bond.

They returned to Iowa Park to get their impounded vehicle and left the city.

But later in the day, Collins learned that the man had given him false identification, so that additional charge was added to the charge of theft over \$20, Collins said.

Collins added that the bondsman had contacted him, complaining that the couple hadn't paid for the posting of the bond.

Three other arrests made during the past week were noted on the police blotter.

When officers responded to a domestic disturbance in the 700 block of West Rebecca Thursday evening, they took Roger Allen Taylor, 39, into custody on a charge of assault to prevent family violence, and also resisting transportation to the police station.

Taylor was later transported to the county jail.

Another domestic disturbance call, this time Monday night in the 1300 block of Emma, also ended in an arrest.

Linda McFann, 33, was charged with assault. She was released early Tuesday morning after posting a \$130 cash bond and signing a promise to appear in municipal court.

Tuesday morning, an officer stopped a vehicle in the 100 block of West Garden, and during a routine computer check of the driver, it was determined at least two warrants for his arrest were outstanding.

David R. Meissner, 26, was wanted by the Wichita County Sheriff's Office and also the DPS office in Lubbock for driving while license was suspended. After adding an additional DWLS charge locally, Meissner was transported to the county jail, according to the blotter entry.

Though local police did not file arrest charges on three suspects they took into custody Tuesday night, the trio was returned to Electra where charges were filed.

Iowa Park police were notified by Electra PD that three suspects of oilfield equipment theft were traveling this direction on US 287.

They were stopped at Johnson Road and held until Electra officers picked them up.

## Big local turnout agrees with state

What do Iowa Park area residents have in common with others from across the state of Texas?

They turned out in huge numbers for Tuesday's general election, and in both cases, the majorities voted the same.

A total of 1,831 ballots were cast in the election by voters of precincts 32, 33, 34 and 35. That made up 5.6 percent of the total votes cast in all of Wichita County, according to final tabulations.

And almost half, 822, of the votes in those four precincts were cast before the polls opened Tuesday.

They favored two Republicans in the two races that had attracted the most local attention, which were governor and Dist. 13 U.S. Representative.

The area cast 496 votes in favor of George W. Bush, as compared to 308 for incumbent Ann Richards for governor. And in the race for representative, William (Mac) Thornberry attracted 489 votes to incumbent Bill Sarpalius' 305.

The only Iowa Parkan on the ballot, incumbent Justice of the Peace for Precinct Three Bill Robinson, ran unopposed.

Votes cast early and during Tuesday at each of the four area precincts included: precinct 32, 1,121; precinct 33, 399; precinct 34, 162, and precinct 34, 149.

Only at one of the four local area polls was any problem reported, and the problem had nothing to do with voting irregularities.

Instead, it was the heat.

Precinct 32 poll judge Joe Singer said employees who work in the County Agriculture Building, where the election was held, turned off the air-conditioning when they left at 5 p.m.

Because no air was circulating, it was a warm day outside, and the large number of people who cast ballots before the 7 p.m. deadline, Singer reported several complaints were registered about the stuffiness in the building.

**CONFUSING WEATHER** - Mother Nature began her confusion of the season with a spring-like wind and hail storm the first week of October. Now, she's confused Sam Fairchild's plum tree. The tree, located in the back of Fairchild's home on Bell Road, began putting on new leaves and beautiful white blooms early in the second week of November.

## Personnel on agenda for trustees' meeting

A busy agenda faces Iowa Park school trustees when they meet this evening, including a closed session.

The meeting is to begin at 7:30

p.m. in the junior high school library.

The 21st item on the agenda calls for a closed session to accept resignations and consider employing new

personnel.

Then, the final agenda item is to open the meeting again to the public and take action on the topics discussed during the executive session.

First item of the meeting will be to recognize two teachers: Jo Ann Hale, the district's Elementary Teacher of the Year, and Earnie Reusch, district Secondary Teacher of the Year.

Other items on the agenda, following action on the board's last two meeting minutes, include:

- \* Approve/reject rescinding the motion made on October 13, 1994 to accept the bid from Indeco Sales for Junior and Senior High School desks because the specifications were not for the desks needed;

- \* Finance (a) pay bills, (b) appoint bill paying committee, (c) approve/reject budget change request;

- \* Recognize patrons who wish to address the board;

- \* Appoint Marc Newman to the Wichita County Appraisal District Board;

- \* Approve District Committees for the 1994-95 school year;

- \* Approve/reject adjunct staff member status to the County Extension Faculty for the 1994-95 school year so that youth participating in 4-H

## News Briefs

### Heavy rainfall hits city Friday

Streets were turned to rushing streams Friday morning, when Iowa Park received as much as three inches of rain in only a short period.

Though Virgil Woodfin reported receiving only 2.65, other residents,

mainly in the northern part of the city, said they got three to three and a half inches.

An additional .07 fell during the early morning hours yesterday, Woodfin reported.

### Food basket donations sought

The Iowa Park Ministerial Alliance prepares food baskets for local families at Christmas season each year.

Cub Scouts are helping the organization by picking up sacks of food

left on front porches, and they will begin doing that at 9 a.m. Saturday.

Any resident whose donation might fail to be picked up by noon is asked to call 592-4378 or 592-2648.

### Bloodmobile to be here Monday

The Red River Red Cross Bloodmobile will be at the Optimist Club building from 4 to 6:30 p.m. Monday.

Iowa Park's goal for the stop is 25 donations. The building is located at West Highway and Magnolia.

### Commodities to be distributed

USDA food commodities will be distributed from 3 to 6 p.m. Thursday, Nov. 17, at the Christian Church Fellowship Hall.

On the list this month are tomatoes, peaches, pears, green beans and butter, according to Frances Park, local coordinator.

### Chamber luncheon date nears

Reservations are now being accepted by the Iowa Park Chamber of Commerce for its annual All-Membership luncheon meeting.

Guest speaker for the meeting will be Weldon Nelms, athletic director and head football coach of Iowa Park schools.

## Sign up for free turkeys

Iowa Park residents once again are being given an opportunity to win a free Thanksgiving turkey, compliments of Chamber of Commerce members.

Forty-one Chamber members have begun registering for the Monday, Nov. 21 drawings.

No purchases are necessary, and the public is invited by the sponsors to register (once) each visit to the respective locations.

The winners will be notified by the sponsoring Chamber members, that they are to pick up their certificates at that location and redeem their free turkey at B&R Thriftway.

Clara Green Kerley

Clara (Mrs. Joe O.) Kerley is a native of Iowa Park. One of 11 children of Mary and Bill Green, Clara grew up on the family farm six miles south of Iowa Park. She attended Valley View School during the time that Mrs. S.B. Reaves was principal.

In the early 1950's, Clara left Iowa Park to work on an Indian reservation near Farmington, N.M. With the help of two Navajo Indians, Clara was responsible for preparing meals for two shifts of six-man drilling rig crews. "It was a pretty big job because the men had to eat well," Clara said.

During the time of the Snyder oil boom, Clara worked at the hospital there.

Her husband Joe was a truck driver for Clyde Hall Drilling Co. They lived in Bakersfield, Calif. while he worked in Alaska. The company flew him back and forth between work and home.

After the death of his boss, Joe and Clara moved back to Texas and lived in Odessa, where he worked with leased trucks. He retired in 1987 and, in 1989, they moved back to Iowa Park where they hope to stay.

Clara's children are: Rita Ratliff, who works for Outreach Home Health in Wichita Falls; Bud McClinton of San Bernadino, Calif.; and Jerry McClinton of Grand Junction, Colo. She has six grandchildren.

Clara's recipes are ones that she has always used. She said that the "Fruit Cake" recipe is one she has used for many years.

# COOK OF THE WEEK

## Fruit Cake

Cream together:  
1 cup Crisco - or oil  
1 cup dark brown sugar  
Beat in 4 eggs.  
Sift together:  
2 cups flour  
1 tsp. baking powder  
1 tsp. salt  
1 tsp. cinnamon  
1/2 tsp. nutmeg  
Measure 1 cup liquids:  
1/2 cup coffee  
1/2 bottle dark Karo

In another bowl combine:  
1/2 lb. raisins  
2 lbs. mixed candied fruit  
1/2 cup chopped dates  
1 lb. chopped nuts  
1 cup flour

Alternately mix the dry ingredients and the cup of liquids with the shortening/sugar mixture. Mix well and add the fruit and nut mixture. Mix well - makes a stiff dough.

Grease and flour cake pan (1 use bundt pans). Bake approximately 1 1/2 hours in 275 degree oven.

## Pimento Cheese Salad

2-5 oz. jars pasteurized cheese spread with pimento  
1 - 8 oz. ctn. Cool Whip  
1 - 8 oz. can crushed pineapple, drained  
1/2 pkg. miniature marshmallows  
Mix ingredients together and refrigerate overnight, or several hours before serving.

## Grandma Benton's Rolls

1 yeast cake  
1/4 cup Crisco  
1/4 cup sugar  
1 or 2 tsps. salt  
4 cups flour  
1 cup warm water

Dissolve yeast cake in warm water.

Cream sugar and Crisco together and add salt. Then add water and yeast cake.

Work dough and let rise until double in size. Work dough again and make into rolls. Let rise, then bake in 350 or 400 degree oven about 25 minutes.

## Pecan Pie

1 - 9-inch unbaked pie shell  
3 eggs, beaten  
1 cup sugar  
1 cup Karo syrup  
2 Tbsps. butter or oleo  
1 tsp. vanilla extract  
1 tsp. salt  
1 cup pecans - halves or chopped  
Mix eggs, sugar, syrup, butter, vanilla and salt until well blended. Pour in pecans.

Bake 15 minutes in 400 degree oven. Lower temperature to 325 and bake 25 or 30 minutes longer. Let cool.

## Diabetic Nut Cake

2 eggs  
1/2 cup oil  
1 1/2 tsp. liquid sweetener  
2 cups flour  
2 tsps. baking soda  
1/2 tsp. cinnamon  
1 cup chopped nuts  
1 cup chopped dates  
1 1/2 cup applesauce, unsweetened  
1 tsp. vanilla  
Mix oil and eggs; mix in sweetener and vanilla. Add flour, soda and cinnamon and mix well. Fold in nuts, dates and applesauce. Pour into greased and floured bundt pan and bake 1 hour at 300 degrees.

## Lemon Cake

1 cup shortening  
2 cups sugar  
3 cups flour  
4 eggs  
1 cup buttermilk  
1/2 tsp. soda  
1/2 tsp. salt  
1 tsp. lemon extract (If desired, may add a dab of lemon juice.)  
Bake 1 hour in 350 degree oven.  
NOTE: When I want a topping, I use a mixture of powdered sugar and lemon juice - not too thin.

## Club members tell about crafts

Members of Iowa Park Arts and Crafts Association brought craft articles from home and snack foods to share during their meeting Tuesday evening at the Recreational Activities Center.

After each member showed a craft she had done on her own during the past year, and told something about it, the group had a time of fellowship while enjoying the food that had been brought in.

To conclude the meeting, officers

for the 1995 club year were installed by Linda Mod. They are: Cindy Lane, president; Sheri Kennedy, vice president; Sheri Albus, secretary; Shirley Hicks, treasurer; Susan Scott, program chairman; Bobbie Heacox, publicity, and Freddie Skinner, display.

Meetings are held on the second Tuesday of each month, January through November, at the RAC, 806 N. Third. During the year, work of the members is displayed at Tom Burnett Memorial Library.

## Bilyeu, Banks wed Oct. 28

Shaylar Gene Banks and his bride, the former Jeanie Denise Bilyeu, are making their home in Iowa Park following their marriage Oct. 28, in the home of the bride's parents, Mr. and Mrs. David Bilyeu here.

Parents of the groom are Mr. and Mrs. Frank Banks, also of Iowa Park. Blue and white streamers and hanging white bells decorated the nuptial area. Rev. Larry Washburn directed the couple in their exchange of double ring wedding vows at 7 o'clock.

The bride's father gave her in marriage. She wore a navy blue lace dress of ankle length. The fitted bodice had short sleeves. She adorned her hair with baby's breath and carried a cascade bouquet of satin roses, pearls and lace interspersed with tiny blue roses.

Jennifer Davis of Iowa Park was the bride's only attendant. She wore a navy blue ankle length dress and carried a single navy blue flower surrounded by white flowers and blue and white lace ribbons.

Frank Banks Jr., served as best man.

A reception was held following the ceremony. A floral arrangement and crystal candleholders with blue candles centered the serving table.

Anna Moyes presided at the refreshment table. The top tier of the white three-tiered wedding cake was heart shaped. It was decorated with

Mr. and Mrs.  
Shaylar Gene Banks  
(Jeanie Denise Bilyeu)

white and blue roses, pearls and two clear bells. Two white doves, flowers and lace encircled the base of the cake.

Guests registered in a white satin covered bride's book that was decorated with doves.

Out of town guests included Mr. and Mrs. Lloyd D. Yarbrough, Donna Yarbrough and Marie Entrop, all of Wichita Falls; Norma Bilyeu and Mr. and Mrs. Donnie Bilyeu of Burkburnett.

## CAMP FIRE NEWS

Due to rainy weather last Friday, the Adventure Overnight was rescheduled for Friday, Nov. 18, at Harrell Park.

"Minding Your P's and Q's" will be presented at the Camp Fire office Tuesday, Nov. 15, at 4 p.m. for grades three and up. The program will teach introductions, table manners, setting a table, how to serve food and restaurant manners. The members of Cheryl Rust's Adventure Club have made plans to attend the session and will have dinner at a Wichita Falls restaurant afterwards.

"My Family, Your Family," a program about many ways to be a family, will be presented with a video and a discussion beginning at 3:30 p.m., Thursday, Nov. 17, at Harrell Park. This program is for kindergarten through second grade.

## Holiday bazaar set for Nov. 19

The annual Holiday Bazaar sponsored by Ladies Ministries of the Iowa Park Church of God will be Saturday, Nov. 19, at 601 E. Cash.

The community is invited to visit, browse and make selections between the hours of 9 a.m. and 4 p.m.

There will be a wide variety of craft items from which to choose, including needlecraft, crochet, wood crafts, decorated sweat shirts, novel holiday decorations, and numerous other items.

The Bazaar also features a "Nearly New Shoppe" and a selection of home baked goodies.

From 11 a.m. until 1 p.m., shoppers are invited to have lunch. The menu offers beef stew and cornbread, or red beans and cornbread, drink and dessert.

Proceeds from the bazaar support special projects of the Ladies Ministries.

## Couple marries in Dallas

Emilie Dawn Flick became the bride of Timothy Mack Sherrod Saturday in Highland Park United Methodist Church, Cox Chapel, in Dallas.

The bride is the daughter of Mr. and Mrs. Jesse Flick of Iowa Park. The bridegroom's parents are Jodi Clawson, and Mr. and Mrs. Mack Sherrod, all of Austin.

Double ring vows were pledged by the couple and 1 o'clock, with Dr. Kenneth Dickson, senior associate minister of the church, directing the recitation.

Jenny Bezner of Lindsay served as matron of honor, and Daren Sherrill of Houston, cousin of the groom, served as best man.

A reception was held in Tyndale Lounge of Highland Park United Methodist Church.

The bride is a graduate of Iowa Park High School and received the Associate Degree in Nursing from Midwestern State University. She is a registered nurse in the Neonatal Intensive Care Unit at Presbyterian Hospital of Dallas.

Sherrod received the Bachelor's Business Administration degree, with a major in accounting. He is an accountant with Mitchell Williams, EDS Partnership in Las Colinas.

The couple left for a honeymoon in Cozumel, Mexico. They will make their home in Irving.

### Look Who's New

#### Beall

Charles Edward and Lee Ann Beall are the parents of an eight pound, three ounce son, Spencer Wade, born Oct. 27 in Austin. He has a sister, Audrey Grace, five years old.

Mrs. Beall is the former Lee Ann Brixey of Kamay.

Grandparents are Tommy and Annella Brixey of Kamay and Charles D. and Joyce Beall of Arlington.

A great-grandmother is Billie Simmons of Hope, Ark.

# As I See It... By Bob Hamilton

I'm reading more and more news reports concerning the fact that there are a lot of new jobs being created across the nation, but that a large percentage of them are of the low-pay variety.

Some authorities offer the point that an awful lot of jobs, such as in automobile manufacturing, are being displaced by robotics and computer-driven mechanical equipment.

I suggest that fewer good-paying jobs are being created because of government regulations, court rulings and demands made by employees.

The first things an employer must take into account when considering hiring someone is how much work is there to be done, and can the new position create enough revenue to pay not only for its cost but make a profit.

Employers must provide space and equipment for the employee, and pay all the "hidden" costs that go with it. That includes the matching of Social Security withheld from the employee's check, workman's compensation costs, loss of revenue from holidays and vacations, as well as sick time. . . just to name a few.

And hiring someone isn't easy, either. In fact, it's gotten to the point

where, in many cases, the employer cannot afford to advertise he is hiring.

The reason? In many cases, the employer can, and often is, sued because he chose one applicant over another. He can't make his decision at his whim, whether he disliked the applicant's appearance, breath smell, lack of eye contact, or verbal responses to questions.

And he can't any longer ask if the applicant has a drug or drinking problem, ever been arrested, is homosexual or anything like that.

Nope. He can not only get sued, but have to pay court costs, penalty and even interest on income lost.

Sound ridiculous? Check it out!

I got wind of a situation suffered by another newspaper in the state recently that makes you want to wring somebody's neck.

The publishers fired this employee after they determined he not only was planning to start a competition newspaper in the same town against them, but was advertising for help and taking business information from their office that would help him.

So they fired him. Wouldn't you? Okay, the guy did in fact begin his

competition newspaper a week later. And then he pulled the real joker.

The fired employee who was now in business for himself filed for unemployment with the Texas Employment Commission.

And he won. To the tune of \$200 per week for six months. That created an expense of \$12,000 to his former employers to cover the cost of his benefits and the penalty that will be assessed against them as a chargeback by the TEC, I'm told.

Someone, especially our courts and governmental people, needs to begin understanding that people-hiring businesses aren't there for the sole purpose of financing our society.

Businesses, most of them, are sincerely interested in their employees and their welfare. But they can exist only as long as those employees are earning their way, as well as producing a profit for the business.

In case you question that, just look into the facts about why Communism has failed after its lengthy experiment.

## Council sets meeting

Rural firefighting and possible prohibition of discharging firearms at two city lakes will be discussed when the city council meets at 7 p.m. Monday in council chambers.

Administrator Mike Price is to update the council on a series of meetings which have been held concerning rural firefighting.

Iowa Park, as well as Burkburnett, have told the county commissioners court that their volunteer fire departments will be prohibited from fighting rural fires unless adequate funding and liability insurance is provided by the county.

A number of alternative plans have been proposed during a series of meetings during the past two weeks, and Price is to update the council on those proposals.

Price also is to discuss the possibility of prohibiting anyone from firing guns at Lake Buffalo and Lake Iowa Park, both of which are owned by the city.

## Letters to the Editor

### Project, needs explained

Dear Mr. Hamilton:  
The Iowa Park Optimist Club is building a new facility, The Everett L. Boulware Optimist Gymnasium, which will be used for youth activities. The facility is located on Third Street in Iowa Park next to the Recreational Activities Center. The building, currently under construction, includes restrooms, a concession stand and club meeting room and should be completed by December 2, 1994.

Projected completion date for the gymnasium is November 18, 1994. However, the inner wall inside the gym will need several sheets of plywood to be able to meet the projected completion date. The Iowa Park Optimist Club urges anyone wishing to donate a contribution towards the completion of the inner wall of the gym to contact Ronnie D. or Linda J. Miller at 817-592-0428 or mail your contribution to the Iowa Park Optimist Club, P.O. Box 643, Iowa Park, Texas 76367.

Sincerely,  
Ronnie D. Miller

## Rice gives program for UMW Fellowship

"Touched by the Spirit" was the title of the program given by Rowena Rice for members of the UMW Susannah Wesley Fellowship at the meeting held Tuesday morning, with Frances George as hostess.

The program followed a short business meeting conducted by the leader, Kay Cole.

During the business several ill members were remembered in prayer. Laverne Owens reported on local officers training held in Bowie Saturday.

Thought for the Day was a poem by Helen Steiner Rice, "One Nation Under God".

"When we set our eyes on the Spirit it gives us light and peace," Mrs. Rice said. She stated that the Spirit of God is often ignored today and that many people think of it only when in church.

She listed several ways an individual can be touched by the Spirit, including through the lives of special people, by reading the scripture and through prayer.

Some of the ways Susannah Wesley Fellowship tries to touch others is by Global Missions, The

Supportative Community and Social Involvement.

The next meeting will be the yearly Pledge Service. It will be held in the First United Methodist Church Chapel Nov. 15 at 9:30 a.m.

Others present for the meeting were Carlene Bennett, Julia Berry, Marcella Childers, Jo Gilbert, Reba Snow, Elsie Sullivan, Evelyn Thompson, Hilda Thompson, Gerry Thurlo, Patsy Todd, Nete Williams, Clara Martin, and a guest, Ina Mahler.

### Officers Wives Club to hold bazaar, antique show

Sheppard Officers Wives Club will hold its eighth annual Christmas Bazaar and Antique Show from 9 a.m. to 5 p.m. Saturday in Hangar 1080 at Sheppard AFB.

Admission donation is \$1.00. The show will feature 177 booths with vendors from as far away as San Antonio and Lubbock.

The bazaar is open to the public. Enter the base through the main gate or hospital gate and follow the signs.

## Pharm/alert Health Tips

### Vitamin Basics

- Vitamins and minerals work together to keep the blood, bones, teeth, hormonal systems, muscles and nerves functioning properly.
- Vitamins and minerals cannot be manufactured by the body, but are present in food in small amounts.
- Generally, adequate amounts of vitamins and minerals can be acquired through a sound diet which includes daily selections of food from the fruit and vegetable group, the bread and cereal group, the dairy group and the protein group.
- Unfortunately, even though a large variety of foods are available, many of us do not have nutritionally adequate diets. We eat the wrong foods, or inadequate amounts of the right foods.
- Stress is another factor which can greatly increase an individual's need for water-soluble vitamins, such as B-complex and Vitamin C.
- Unlike fat-soluble vitamins, such as Vitamins A, D, E and K, most of the water-soluble vitamins are not stored in the body.
- Vitamin and mineral supplements may be needed when:
  - the diet is unbalanced or restricted due to a weight reduction program, food faddism or special diets for disease management;
  - alcohol consumption is high;
  - oral contraceptives are being taken;
  - stress, illness, overwork or injury have occurred;
  - certain medicines are being taken that may change the body's ability to utilize vitamins properly;
  - a woman is pregnant or nursing;
  - certain ages are reached, for example, infants and children have special requirements due to growth patterns; also, some elderly people eat irregularly due to dental or economic problems.

For more information on vitamin supplements - Ask your pharmacist.

# Local men join disaster unit

**By MYRNA SMITH**  
The night of Oct. 21 Gene Pepitone of Wichita Falls, received a call from an official at the Texas Baptist Men's office in Dallas.

It was a request for the Wichita-Archer-Clay Baptist Association Disaster Relief Unit and a crew to be on standby to go to Houston's flood disaster area. Pepitone is director of Church Services for the Association.

This marked the first time the unit had been called on to be of service since it was completed with all equipment to be used for cooking meals for disaster victims.

Saturday morning, Oct. 22, six men headed for Houston from Wichita Falls with a tow vehicle pulling the unit, a truck with a generator, and a van.

Joe Singer and Terrell Silvers from First Baptist Church of Iowa Park, Pepitone from Colonial Baptist Church in Wichita Falls, Woody Scrogun, J.D. Jones and Sonny Glazener of South Side Baptist Church of Olney arrived in the Houston area at 4 p.m. Saturday afternoon and set up at Forest Cove Baptist Church near Humble.

They began cooking for flood victims Sunday morning, serving 1,150 that day. Meals were transported to the flood area by emergency relief vehicles of the American Red Cross.

The next day they were asked to move the WACA unit to the south side of Houston and set up on the parking lot at South Park Baptist Church. They were joined there by a "peanut" unit from Bullard Baptist Church in East Texas.

Monday morning the WACA unit was joined by Joe Ward, communications, from Iowa Park First Baptist Church. He set up radio equipment in order for those manning the 11 disaster units to communicate.

Singer said there was a unit from Tennessee, one from Louisiana, one from Oklahoma and the others were from Texas.

The men manning the unit from the Wichita-Archer-Clay Baptist Association and the Bullard unit cooked food for 48,534 meals from Sunday, Oct. 23 to Saturday, Oct. 29. "We served two hot meals a day," Singer said.

Sunday, Oct. 30, another group from Wichita Falls, led by the general manager, Pepitone, went to Houston and cooked food for another 20,000 meals. They returned late Thursday, Nov. 3. Singer said the other nine units cooked food for approximately 200,000 meals.

WACA unit personnel works under the auspices and coordination of the Red Cross National Disaster Unit.

Those leaving from Wichita Falls took sleeping bags, prepared to sleep on the floor at the church building, but the Red Cross provided lodging at motels for the volunteer workers.

"We never did get into the devastated area," Singer said, "but we did see a lot of the destruction and devastation the flood had caused and saw where the water was 28 feet deep."

"People in our area, churches, organizations and businesses really opened their hearts to those in need. They provided food and clothing, and a number of volunteers from different Baptist churches, as well as other churches helped out."

According to Singer, almost everyone who came to the church to be served meals had a very good attitude.

He explained that the function of the Disaster Relief segment of Texas Baptist Men is to be ready to go and prepare food for victims in disaster areas and to give Christian witness to them.

There are 61 Baptist churches that are members of the three-county Association.

"We were real thankful to get to go and help in the Houston area. We believe we are serving God by serving others," Singer said.

He added, "We want people to know that we have this unit and that we are ready to go any time there is a disaster, and that volunteers are always needed to help in any way they can. There is always a need for volunteers to help the people get back to the point when they can help themselves."

"The disaster victims in the Houston area still need a lot of prayers said in their behalf. They need encouragement to be very careful in bringing their lives back to normal."

# Foster Care for youth is a great opportunity

Juvenile Probation has declared the month of November as "Foster Care for Youth Month."

Foster care for youth is a service designed by the Wichita County Juvenile Services Department to provide both short-term and long-term residential care for children ages 10-17 who are in need of placement outside their homes.

Short-term care, which can range from one to thirty days, is frequently needed to give the probation department time to make appropriate long-term living arrangements for children, or to give children a short "cooling off" period away from family conflict.

Long-term care may be for periods up to one year or longer. Long-term care is needed when parents are no longer able to provide proper supervision for their children.

Children placed in foster care come from all backgrounds with various physical, emotional, and social needs. Only children who have committed runaway, truancy, or non-violent offenses and are under the jurisdiction of the Juvenile Court will be referred to Foster Care.

A Foster family may be a single adult, a couple, or parents with children. People of all backgrounds and races are encouraged to participate as long as they are in good physical and

mental health and have stable family lives.

Prospective foster parents complete an intensive screening process, including filing an application, reference check, home study, and interview.

They are required to attend a series of initial training and orientation meetings prior to having children placed in their care, and on-going training sessions during the placement period.

Anyone interested in becoming a Foster Parent should contact the Juvenile Probation Department at 766-8225.

## Grace reports earnings hike

W.R. Grace & Co. reported net operating earnings of 81 cents per share in the third quarter of 1994, an increase of 17 percent over the same period in 1993.

Net income in the current quarter was \$76 million, compared to a net loss of \$236 million in the year-ago quarter, which included a \$300 million after-tax charge related to asbestos insurance coverage.

Sales for the third quarter rose 15 percent to \$1.3 billion, compared to \$1.14 billion a year ago.

Grace is the parent company of Cryovac.

PHILIP HOUSE

## Rotary Club Honors Student of the Month

Iowa Park High School senior Philip House was recognized as the Rotary Club's Student of the Month for October.

The son of Mr. and Mrs. Wendell House is a class officer and has been on the Student Council three years. He also is a member of the National Honor Society.

He has played football all four years at IPHS, and was named All-District as a junior. House placed second in the district's UIL debate contest last year, qualifying for the regional meet.

As a member of the school's powerlifting team, he has qualified three years for the regional competition, and once for the state meet.

House was presented before the Iowa Park Rotary Club to receive his recognition by Glen Mitchell, superintendent of schools.

He plans to enter the University of Texas at Austin next year.

## Letters to Editor policy explained

The *Leader* receives numerous letters which cannot, for one reason or another, be published.

Letters will not be printed unless they are signed. A typed name will not do. And, for the sake of verification, the writer's telephone should be included.

Should the writer not wish his/her name printed, it will be omitted upon request. However, the letter will be kept on file to be read upon request.

## OBITUARIES

### Myrtle Lula Sargent

Services for Myrtle Lula Sargent, 96, were Friday at 10 a. m. in Martin's Chapel in Granbury.

Rev. John Duncan and Gene Sargent officiated. Burial was in Rough Creek Cemetery in Hood County.

Mrs. Sargent, mother of Bill Sargent of Iowa Park, died Nov. 1 in Granbury Villa Nursing Home in Granbury.

Born March 20, 1898, in Granbury, she was married to Ernest Sargent who preceded her in death.

Mrs. Sargent was a resident of Wichita County 57 years and was a member of Faith Baptist Church of Iowa Park.

Other survivors include another son, Eugene Sargent of Granbury; one daughter, Doris Taylor of Azle; 12 grandchildren; 24 great-grandchildren and 13 great-great-grandchildren.

### James M. Calhoun

Graveside services for James Melton Calhoun, 69, of Henrietta, were at 3 p. m. Tuesday in Holliday Cemetery.

Rev. Mark Mitchell, pastor of Kamay Baptist Church, officiated.

Mr. Calhoun, brother of Nettie Jorene Young of Kamay, died Sunday in a Wichita Falls hospital.

Born Feb. 11, 1925, in Montague, he was married to Dovie Dee Chancellor in Brownfield April 16, 1942.

Calhoun retired in 1979 as a forklift mechanic for Hyster Forklift Co., in California. He had been a resident of Clay County since 1987.

Other survivors include his wife; two sons, James M. Jr., of Bakersfield, Calif., and Robert B. of Colorado Springs, Colo.; three daughters, Dorothy D. Clark of Wichita Falls, Wanda J. Reed of San Diego, Calif., and Jimmie Rastedt of Bakersfield; three other sisters, Ernestine Eunice Ewing of Clarksville, Bonnie June Davis of Quanah, and Mary Elizabeth Schanck of Pasarobles, Calif.; one brother, Jack of Bowie; 14 grandchildren and 16 great-grandchildren.

## Social Security benefits increase

Social Security and Supplemental Security Income (SSI) benefits will increase 2.8 percent, beginning with the payments that Social Security beneficiaries receive on Jan. 3 and SSI recipients receive Dec. 30, George White, Social Security manager for Wichita Falls has announced.

The automatic cost-of-living adjustment is made annually.

For Social Security beneficiaries, the average monthly benefit amount for all retired workers will rise from \$679 to \$698.

The maximum federal SSI monthly payment to an individual will rise from \$446 to \$458. For a couple, it will rise from \$669 to \$687.

Social Security and SSI benefits increase automatically each year based on the rise in the Consumer Price Index for Urban Wage Earners and Clerical Workers for the third quarter of one year through the corresponding period of the next.

This year's increase in the CIP was 2.8 percent.

Mrs. Crampton was a lifetime resident of Holliday. She was a Methodist and a homemaker.

Other survivors include a son, Freddie of Holliday; five grandchildren and five great-grandchildren.

## Nov. 15 declared 'Texas Recycles Day'

Tuesday, Nov. 15, has been declared *Texas Recycles Day* and people in rural areas and small towns across the state are responding by pledging to recycle.

From Mission to Pottsboro and Fort Stockton to Diboll, Texans are planning special events to mark the day and pledging to start or increase recycling.

Texas Natural Resource Conservation Commission (TNRCC) chairman John Hall explained that the aim of *Texas Recycles Day* is to reduce the amount of solid waste going into landfills.

"Each year we put more than 20 million tons of solid waste into Texas landfills," Hall said. "That's more than a ton of garbage per Texan each year, yet we are seeing more and more communities, private companies and schools beginning to implement aggressive recycling programs which collectively will help avoid a landfill problem in Texas."

TNRCC commissioner Peggy Garner says recycling in rural Texas is alive and well. "There are a total of 576 rural recycling programs in this state, including 128 curbside collection programs and 150 recycling drop off centers," Garner said.

Garner continued by saying, "Texans love the land, especially rural Texans, and that's why we're seeing such strong interest in *Texas Recycles Day* among small towns and communities. Some of the most exciting recycling events we know about are from Texas' smaller towns."

In the South Texas town of Mission, a student group at Leal Elementary, called the "Rubbish Rangers," will be holding a "Can Do" on *Texas*

*Recycles Day*. Students and staff will bring to school aluminum cans, newspapers and other recyclable items on Nov. 15. School staff will then transport the items to BFI for recycling.

Each participant is rewarded with an official Rubbish Ranger certificate.

At Pottsboro, the Texoma Council of Governments, in partnership with Pottsboro Proud and the TNRCC, will dedicate a portion of Pottsboro City Park as a composting demonstration site.

The people of Pottsboro will be the real winners because the demonstration site will teach them how to set up a composting bin in their back yards, ultimately lightening the load of yard trimmings on their local landfill.

And, at Fort Stockton, the Pecos Valley State Bank and the Keep Historic Fort Stockton Beautiful organization are organizing a recycling rally in the Wal-Mart parking lot.

Festivities will include a performance by the STARS elementary singing group, a speech by a young student, cheerleader dance routines and a poem for the day.

The Wal-Mart and other local businesses will be holding special sales of products related to recycling.

Diboll's Temple Elementary School will show students a recycling film, have a recycling parade through

the school, begin a school compost pile and make "recyclable gobots" out of recycled materials.

Companies in towns across Texas are beginning to implement recycling programs which save substantial amounts of money in disposal costs.

Baxter Healthcare Corporation in Jacksonville is one example. The manufacturer of medical and surgical supplies recycles nearly all plastics, corrugated cardboard, paper, newsprint, styrofoam, metal, wood, laser toner cartridges and used oil and oil filters.

In addition, Baxter composts all cafeteria food scraps and yard trimmings. Baxter Healthcare is saving more than \$40,000 per year.

TNRCC is sponsoring a "Texas Country Clean Up" for *Texas Recycles Day* in Slaton, near Lubbock, and Robstown, near Corpus Christi.

The event offers rural communities free disposal of empty pesticide containers, used motor oil, used oil filters, scrap tires and lead acid batteries. TNRCC has held 45 Texas Country Clean Ups across the state.

CHAD SIMPSON IS CAUGHT AFTER YARD-GAINING RUN

## Turnovers doom Hawks' finale

Iowa Park turned the ball over four times Friday night against Bowie and had two punts blocked as the Hawks fell 26-9 in the final game of the season.

The hard-luck Hawks finished the year 0-10 despite playing much better than their record would indicate.

Iowa Park ran off 18 offensive plays in the first quarter to only 6 for the Jackrabbits, yet trailed on the scoreboard 7-0 following the first of Jered Clark's four touchdowns.

The senior tailback, who finished the night with 161 yards rushing on 28 carries, scored from 6 yards out with 5:12 left to play in the opening period to cap a 33-yard drive after the Hawks had turned the ball over on downs.

Iowa Park took the ensuing kickoff at its own 20 and held the ball for 7:10 before turning it over when quarterback Brandon Campbell was picked off on first down from the Bowie 39.

The Hawks were flagged 14 times for 153 yards in the game, and had two costly holding penalties in the drive that helped take them out of scoring position. Bowie also had its share of penalties as the Rabbits were whistled for 16 infractions for 160 yards.

The Hawk defense held the Rabbits on their next possession and forced a punt which led to Iowa Park's first points of the night.

Starting at its own 33, Iowa Park moved to the Bowie 36 in only two plays, a 3-yard run by

fullback Chad Simpson and a 12-yarder by Corky Petty that had a 15-yard personal foul tacked on to give the Hawks a first-and-10 from the 36. Four plays later Iowa Park faced a fourth-and-9 from the 25 and had to settle for a 42-yard field goal by Clint Scobee. Scobee's kick cleared easily to cut the Bowie lead to 7-3 with 4:49 left in the first half.

The Hawks quickly got the ball back when Kevin Freeman intercepted a pass giving Iowa Park the ball at the Bowie 48 with 3:07 still left on the clock. But turn around is fair play and with 37 seconds remaining, Campbell's pass was picked off on a fourth-and-13 from the Rabbit 39 to end the threat. The Hawks dominated the first half of play as Iowa Park had 5 more first downs and 69 more yards rushing than did Bowie.

As the second half opened, Iowa Park was unable to move the ball on its first two possessions and both times the Hawks were forced to punt and both times the punt was blocked.

The second blocked punt was recovered at the Iowa Park 1-yard line with 6:36 left to play in the third quarter. Three plays later, Clark dove over from the 1 to put the Rabbits on top 13-3 with 5:16 remaining.

The Bowie lead grew to 20-3 midway through the final period when Clark scored his third touchdown of the night, this one a 9-yarder following an Iowa Park fumble that gave the Rabbits the ball at the Hawks' 40.

Following the touchdown, the Hawks took over and moved to the Bowie 46 before they suffered their third interception of the game. The Rabbits took only three plays to turn the turnover into points when Clark found the end zone from 10 yards out to boost the Bowie advantage to 26-3.

Iowa Park cut the lead to 26-9 late in the game when Simpson scored from 8 yards out on a fourth-and-1. The Hawks' try for the two-point conversion was unsuccessful making the final score 26-9.

Simpson led all Hawk rushers with 108 tough yards on 24 carries while teammate Corky Petty chipped in with 46 yards on only 10 attempts. The duo finished the year as the top two ground gainers with Simpson picking up 635 yards on 158 carries for a 4.0 average per carry while Petty finished with 418 yards on 87 carries for a 4.8 average per attempt.

Second graders will present a musical program, "The First Thanksgiving," at 7 p.m. Tuesday at the Iowa Park High School Auditorium.

A meeting of the Kidwell PTA Board will precede the program at 6 p.m.

**Kids can cash in**

Kidwell Elementary students are participating in "Kid's Cash," an incentive program sponsored by KLUR, Toy Express, Putt Putt Golf and Games and Baskin Robbins Ice Cream.

Designed as an incentive for kids to do well in school, students may take their report cards to Toy Express, Putt Putt Golf and Games or Baskin Robbins where they will get credit of 25¢ per "A" they received. The student may use

his credit that day or save up credit and make his purchase later.

A tally will be kept on the back of the Kid's Cash card.

**Correction:** In last week's issue of the *Iowa Park Leader* in an Evening Lioness Club story, it was stated that First Step Shelter sets up a store at Christmas where children and adults can buy gifts. The gifts are not sold. They are donated by citizens. Adults and children can select the gifts free of charge. The *Leader* regrets the error.

**Helpful Facts**

The city's Board of Adjustments meetings are at 6:15 p.m. on Mondays when there is an agenda, in Council Chambers, 103 North Wall. Public notices for all Board of Adjustments meetings are published two weeks in the *Iowa Park Leader*, and are open to the public.

**Helpful Hints**

City ordinance prohibits the keeping of any wild animal as a pet.

**NEWS FROM THE HALLS OF THE HAWKS**

**Representatives to travel to state PTA convention**

Representatives from the Iowa Park Junior High, Bradford and Kidwell PTA's will attend the state PTA convention this weekend in Fort Worth.

Seminars are slated for Saturday and Sunday. Delegates will vote on state by-laws during the convention.

A new PTA president will also be elected.

Schneider, Mrs. Crumb and Mrs. Pedon; and fifth grade - Mrs. Cribbs, Mrs. Kasperek, Mrs. Alsop and Mrs. Cain.

For each five pies a student sold, he earned \$1 from PTA.

Pies that were ordered may be picked up at Bradford Tuesday, Nov. 22, from 3:30 - 5:30 p.m. Money owed for the pies will be paid at that time.

Money raised from the pie sales will go toward the purchase of new playground equipment.

**Bush takes Bradford in Mock Election**

In keeping with state sentiment, George W. Bush earned the majority of votes from Bradford students in a mock election Tuesday.

In the race for Texas Governor, Bush edged out Gov. Ann Richards 47 votes to 41 votes among third graders.

Fourth graders gave Bush 54 percent of their votes, and Richards' 46 percent. And five out of seven fifth grade classes gave the majority of their votes to Bush.

Third graders also cast their votes

# Family histories, genealogies of local area being collected

By MYRNA SMITH

Although the Iowa Park Genealogical and Historical Society is still in the embryonic stage, it is gaining in membership and interest.

It is beginning to form a nucleus from which residents in Iowa Park and its environs can expect greater growth and service in the future.

The seed for such an organization in Iowa Park was sown in mid-summer and by September the first meeting was held and officers were elected.

A handful of enthusiastic and dedicated individuals of the area, with the same goals in common, made the decision to get the Society "off the ground".

Their number one goal is to preserve and document the rich family histories and genealogies that have created the fabric of life of Iowa Park and the area encompassed within the boundaries of the Iowa Park Independent School District.

Another interest of the group is to provide help and information for older

people or for those, who for whatever reason, it is hard for them to drive to a larger library to get help.

Tom Burnett Memorial Library has a genealogy room and there is a lot of information on Texas and South Carolina in particular, but short on many other states.

Library personnel agree that volunteers from the Genealogical and Historical Society have already made a vast improvement in the genealogical section. Some books have been donated for the section and volunteer members of the Society have been busy almost every day. All materials will be categorized, and other work is in progress on the existing materials.

Another goal of Society members is to provide continuing education to the members and other interested citizens of this area and to assist them with research of their family histories and genealogies.

Other goals of Society officers are to publish the findings to preserve the past, the present and the future; to provide assistance to other societies

and genealogists; to uphold and maintain quality genealogical standards; to encourage the youth of today in learning the importance of genealogical research and documentation by offering educational classes to the schools, and to make the Society's records available to the public.

Officers of the Society are Mila Capes-Altom, president; Vikki Shea, first vice president; Sandi Koonce, second vice president; Marvin Doyle Parks, secretary-treasurer, and Charlene Parks, archivist. As time allows, Shirley Banks will be assisting with interviews and collecting historical information for the genealogy section.

The Society operates from the Genealogy Room of the Tom Burnett Memorial Library, and all staffing is done by volunteers.

Funding consists of membership dues, which are \$10 per year for individuals, \$15 per year for a family, and \$15 for organizational dues; private donations, and various fund raising events.

In order to accomplish some of their goals they need equipment with which to work and provide more materials for the archives.

The library has a reel-to-reel reader, but they need a micro-fiche film reader-copier and a conversion reader, along with other equipment as they receive enough monetary support.

The library also has a computer that has two genealogical software programs that people can use. They need a 3 1/2-inch floppy disc to use it to assemble their own family information.

Mrs. Parks is now in the process of compiling a spiral back book of history taken from the 1988 *Iowa Park Leader* Centennial Edition.

Society officers are asking residents in the Iowa Park Independent School District to look through their old pictures, scrapbooks, stories of community events, printed or photographic materials, information about early day businesses, churches,

schools, entertainment or entertainment facilities, early-day advertising, football or other sports, early stages of development of the area...anything that is of historical value.

Many times people fall heir to some of these items and have no one to hand them down to. The Society would love to have and preserve them for posterity and add to the story of the dreams and schemes of pioneers of the area.

Those who have items of this nature, but do not want to part with them, the Society volunteers will make copies for the archives.

Parks, treasurer, said, "The officers are certainly not a financially affluent group, but are attempting to demonstrate a desire to share all information acquired and knowledge

gained, in accomplishing family history research in the most cost effective manner.

"To this end, the society has been formed in an effort to document all available research procedures and existing or newly discovered information for unrestricted access to the public"

The Society meets the second Saturday of each month at 2 p. m. at the library, and on the following Monday evening there is a mini-workshop. The public is invited to attend.

John Yates, president of the North Texas Genealogical and Historical Society will be guest speaker at the

upcoming Saturday meeting. He will speak on utilizing computers with genealogical and historical research.

Monday night a mini-workshop will be conducted on "How to Read The Indian Records"

The Saturday meeting in December will be a Christmas party and covered dish luncheon.

In January the meeting Saturday will be on European Research with W. Carl Plummer of Wichita Falls as speaker.

Oscar Lochridge of Fort Worth, former resident of Iowa Park and member of pioneer area families, will be the guest speaker.

# 10 reasons why you should maintain and increase your newspaper advertising when business is slow.

**1.** Whether business is good or slow, you have to get your share of whatever business is around. Cutting back your advertising puts you at a disadvantage at the very moment when you need an edge. Increasing your advertising gives you the edge.

**2.** In times of uncertainty, consumers are careful and a little reluctant to spend. They want to be sure before they buy; they want information about products, services, prices and values from newspapers. Yours-or somebody else's.

**3.** Maybe you figure other retailers in your line are going to cut back their advertising, so it's safe for you, too. Right? Wrong. You're in competition for the customer's dollar with every other retailer in town, no matter what he or she sells. People have only so many dollars to spend and if they don't spend them for what you sell they'll spend them for something else.

**4.** There are more people working now than ever before. More women working too, adding to the family income. People still need and want goods and services and will spend for them. There is plenty of business out there. Your competitors will be bidding for their share - and yours.

**5.** You can't do much about most factors in the marketplace rent, labor costs, price of merchandise, what the competition will. But one thing you do control is your own promotion. Remember that newspaper advertising is not just a cost of doing business. It's a proven sales tool that returns many times your investment in store traffic and sales.

**6.** Remember how long it took you to get started? Once you build up a business you can keep it going with a moderate, consistent advertising program. But if you cut your advertising and lose your hold on the public's awareness you'll find it's much harder to build it up again. It's sort of like starting all over.

**7.** Your advertising is a part of your sales force. Newspaper ads help to pre-sell customers and help you close the sale faster. What saves you time saves your money.

**8.** You say your customers know you and for a while, at least, they'll keep coming in even if you don't promote? That's partly true, but shortsighted. Remember, one out of five Americans moves every year. So there's a steady flow of your customers out of your market, and a corresponding influx of new folks who don't know you at all. Tell them about yourself.

**9.** Here's hard fact to chew on. Over any given period, a business that advertises below the industry average has sales that are below the industry average.

**10.** Advertising is "news" - about products and services. Your customers look for this kind of news in the pages of this newspaper. In plush times, retailers often experiment with other media, but when the going gets tough, they concentrate their efforts in the weekly newspaper because it provides and immediate payoff at the cash register.

*Give us a call. We can help you plan a professional advertising program that will increase store traffic while helping increase sales.*

## Lady Hawks looking for crown

When the Lady Hawks take the floor this season under the direction of first year head coach Ronda Havins, they will be looking to improve on last year's 15-16 record and fourth place district finish.

The Lady Hawks return three starters including 1st team All-District forward Dusti Welch. Welch led the team in scoring with 513 points and also led the squad in rebounding with 250 boards. Joining Welch from last year's team are Briana Stalker and Jody Young. Young returns as the team's second leading scorer with 233

points and the second leading rebounder with 228. Stalker wasn't far behind finishing with 198 points and 182 rebounds.

Expected to step up and provide some quality minutes this year are Brandi Catlin and Jayne Roberts, both 5-7 senior guards. Randi Tigrett and Monica Merrell will also help in the backcourt. Julea Ricks a 6-2 post and Amanda Thompson a 5-8 forward will provide some much needed height for Iowa Park.

"I think it will take some time for the girls to get used to me," Havins said. "Because I know it's going to take time for me to get used to them. You

can practice all you want but until you get a few games under your belt, you don't know how they will respond to the pressure."

The loss of Henrietta and Breckenridge makes the district tougher when you add Jacksboro and Bridgeport according to Havins, whose team will play an up-tempo style with a lot of pressure on the ball.

"Bowie and Vernon are probably the two teams to beat going into the season," Havins added. "But if we can run and yet be a better disciplined team than in the past, I think we'll be right there in the thick of things in the district race."

## Returning starters boost Hawk hope for title run

With four returning starters back from last year's 11-20 season, Iowa Park head basketball coach Tim Clark has a smile on his face when he thinks about the upcoming season.

Back are Rudy Hawkins, a 6-3 senior guard who led the team in scoring with a 13.4 average and pulled down 4.4 rebounds per contest, Jason Young, a 6-3 senior post who averaged 7.4 points per game and 5.4 rebounds, Nick Black a 6-0 sophomore guard who averaged 8.5 points per game and 3.3 rebounds and Michael Fallon a 6-1 junior forward who averaged 6.2 points per contest and 2.2

rebounds.

Joining the four returning starters are John Lucas, Rylan McNeil and Brent Kotulek. All three play the post position according to Clark, and all three have improved a great deal over last year.

"We'll be a more balanced scoring team this year," Clark said. "We'll have five players on the floor that can score where in the past, we've relied on one or two people to carry most of the load. We'll be able to go 10 deep this year and not have much change in our team out on the floor. This is the most depth I've ever had since I've been coaching. We're going to play a tough man-

to-man defense with a lot of pressure on the ball," Clark added. "We're going to look to run every chance we get. We've got four kids that can shoot the three real well and that will help our inside game if we can hit from the outside."

The Hawks will be looking to improve on last year's third place tie in district with two new teams in the place of Henrietta and Breckenridge. Jacksboro and Bridgeport will take their places on this year's schedule.

"I think Graham has to be considered the team to beat this year," Clark said. "They have four returning starters and a 6-8 move-in kid that can really play. I just hope they go a long way in the football playoffs that will keep them out of the gym that much longer. We're the team to beat for second, there's no doubt in my mind. And don't count us out when we play Graham. We think we can play with them this year."

Clark will get a chance to see how his team is doing tonight when he will scrimmage against both Henrietta and Byers starting at 5 p.m.

The scrimmage will start by Iowa Park playing against Henrietta for one quarter in a game type situation followed by the Hawks and Byers with the same format. Next Henrietta and Byers will scrimmage against each other with the teams rotating until each team plays three quarters against each other. The varsity, junior varsity and freshmen will travel to Hirschi Saturday morning to scrimmage the Huskies before the varsity's home opener Nov. 15 against Peaster at 8:30 p.m. in the high school gym.

There will be a meeting for all varsity, junior varsity and freshmen players and parents following the scrimmage tonight. All parents are encouraged to attend.

Results from the final regular season week of interest to Iowa Park football fans included:

Vernon 35, Bridgeport 3  
Graham 42, Jacksboro 6  
Springtown 24, Boyd 0  
Electra 29, Petrolia 0  
Hamlin 9, Stamford 0  
Wichita Falls High 14, Burkburnett 7  
Justin Northwest 28, S'lake Carroll 0

Iowa Park suffered its fourth winless season in 1994, according to available local records. The previous three were in 1957, 1975 and 1977.

Five teams the Hawks played this season are in the state playoffs this weekend. Vernon, Dist. 3-AAA champion, takes on Decatur at 7 this evening in Wichita Falls, and runner-up Graham meets Springtown at 7:30 p.m. Friday at Stephenville. Also, Southlake Carroll, despite a 5-4 record, plays Waxahachie at 7:30 p.m. Friday in Arlington, and Hamlin meets Dublin at 8 p.m. Friday in Coleman.

## Girls 9th at region

The Iowa Park girls cross country team finished in 9th place overall last Saturday in the UIL Reigon I Cross Country Meet held at May Simmons Park in Lubbock.

Brandi Catlin led the Lady Hawks finishing 23rd overall out of 97 runners in the meet. Catlin finished with a time of 13:17.6. Dusti Welch finished in 38th overall and second for Iowa Park with a time of 13:55. Brandi Butler finished just behind Welch with a

time of 14:33.

Also running for the Lady Hawks were Randi Tigrett, Wendy Bridwell, Briana Stalker and Lori Spruiell.

In the boys division, Iowa Park's Tim Estrada finished 29th out of 97 runners and David Waterberry finished 57th.

Fabens and Clint were first and second in the boys' division, while the girls' top two teams were from Santord-Fritch and Dimmitt.

## Win evens JV record

According to the coaching staff, the Iowa Park junior varsity played their best defensive game of the year in a hard fought 8-7 win over the Bowie Jackrabbits to finish the season with a 5-5 mark overall and 3-1 in district play.

The Hawk defense, being banged up and held together with bailing wire according to the coaching staff, held Bowie to only 152 total yards and only 32 in the second half. Iowa Park controlled the ball offensively running 59 plays to only 31 for the Rabbits.

The Hawks racked up 262 yards of total offense with 208 of that coming on the ground. Jacob Robertson picked up 95 of that on only 12 carries to lead Iowa Park. The Hawks got on the board when Chris Norris tossed a

touchdown pass to Jed Taylor and Clancy Luliumia's two-point conversion run proved to be the game winner.

Leading the way for the Hawks with good games were, Matt Strange, Todd Cheeseman, Matt Rose, Brad Phipps, Cody Russell, Chad Graham, Kevin Pace, Wally Whal, Shawn Fulfer and Steven Trahan.

Dusty Farr and Reece Williamson both had fumble recoveries for Iowa Park.

The coaching staff said they thought the kids came together as a team and overcame some injuries to have a good season. And the coaches were also very pleased with the kids' effort over the year and would like to thank the parents for the opportunity to have worked with this group of kids.

## Frosh blast Bowie

The Iowa Park freshmen finished their 7-2-1 season with a 44-12 thrashing of the Bowie Jackrabbits and ended the year with only one loss in district play, that being to Vernon.

It was the Hawk defense which got the first points of the game when Brandon Holley and Brandon McLemore combined to bring down a Bowie ball carrier for a safety making the score 2-0.

Another Brandon, Brandon Brown added a 5-yard touchdown run in the first quarter to boost the IP lead to 8-0.

The second quarter opened with a Todd Yeager pass to Chad Wright to bring the score to 16-0 following the two-point conversion before Bowie scored on a 65-yard run to cut the Hawk advantage to 16-6.

## TOP OF TEXAS FOOTBALL

The varsity season is over. So are the junior varsity, freshmen, and 7th and 8th grade seasons. The only Iowa Park team left playing football will be playing for a championship this Saturday afternoon when the Midget West Hawks square off against Vernon in the Top Of Texas Championship Game scheduled for 3 p.m. in Iowa Park.

The Hawks are coming into the big game with a perfect 9-0 season following last week's 20-0 victory over Seymour in their semi-final game.

Following a scoreless first quarter, the Hawks finally got on the board when quarterback Chris Simmons scored from 8 yards out to give his team a 6-0 lead. That's the way the game stood until early in the fourth quarter.

Chase Wright scored on a 14-yard reverse from Joel Sanchez to pad the lead to 12-0. Wright then hauled in the two-point conversion pass from Simmons to boost the lead to 14-0.

The Hawks went back to the same reverse play from Sanchez to Wright for another touchdown in the same

quarter this one a 21-yarder to make the final score 20-0.

Iowa Park racked up 214 total yards in the contest with 205 of that coming on the ground. Wright led all ball carriers with 123 yards rushing on 12 carries. Fullback Brandon Criswell added 32 yards on 7 carries while Simmons chipped in with 27 more on 6 tries. Parker Murfield also rushed twice for 13 yards. The offensive line anchored by center Heath Hodges opened the holes all day long allowing the running room for the backs.

Defensively for the Hawks, John Clower, Jared Davis and Criswell all came up with fumble recoveries to help keep the Cougars out of the end zone. Criswell and linebacker Andy Simpson each picked off a pass to shut down Seymour's passing game.

So it all comes down to one final game for all the marbles this Saturday at 3 p.m. when the Hawks take on Vernon.

Remember, this will be the last time you can cheer for any Iowa Park football team so come out and support the Hawks as they go for the title.

## Electrofishing conducted on Texas Lakes

By SCOTT ROBINSON  
Texas Parks and Wildlife Dept.  
Fall is here again, and with the coming of fall, the Texas Parks and Wildlife Department's Inland Fisheries Division begins electrofishing Texas lakes.

Electrofishing is conducted each year on selected lakes to sample black bass, sunfish, and shad populations.

It is done in the fall because as water temperatures cool down from the heat of summer, fish become more active in shallow water where electrofishing gear is most effective.

This is also the best time of year to assess survival of young fish from the spring spawning season.

Lake Wichita is one of the lakes sampled this year by the Wichita Falls district office. Although the water level has been lowered for the holiday Creek Flood Control Project, Lake Wichita is still a productive lake.

Wichita has an excellent gizzard shad population that provides forage for predatory fish such as largemouth bass. Thanks to this abundant food supply, the largemouth bass present in the lake are in very good condition.

The largest bass sampled this year from Wichita was 5.2 pounds, although there are probably larger bass out there.

There are good numbers of bass in the one to three pound range, concentrated mainly around rocky areas and any brush that is available.

One point of concern at Wichita is the lack of young of the year largemouth bass. No young bass were collected in this year's sample, indicating an unsuccessful spawn this past spring.

Lake Arrowhead was also electrofished during October and showed some positive results.

Arrowhead has good numbers of shad available as forage for largemouth bass, and that is reflected by the condition of Arrowhead bass.

In contrast to Lake Wichita, Arrowhead bass successfully spawned this past spring and there are good numbers of young bass, four to eight inches long, that should provide good fishing in the future.

## GARDENING HINTS

By MARK TERNING, COUNTY AGENT - HORTICULTURE

Beautiful spring color begins with bulb selection and planting in the fall.

Don't overlook this opportunity to include some hardy, easy-to-grow spring beauties in your garden this fall.

Bulbs are some of the easiest flowers to grow; they are easy to care for and affordable. When properly planted in the fall, they will reward you with weeks of early spring color and beauty.

Success with spring bulbs depends on several factors.

Purchasing quality bulbs is a must for dependable flowering in the spring. Select large, firm bulbs that are not excessively dry or stressed. Local garden centers and nurseries have excellent selections of quality bulbs now.

Selecting bulbs now will insure a wide range of choices and fresh, healthy bulbs.

Some of our most popular bulbs will require a cool-treatment prior to planting in the flower bed. Tulips and hyacinths should be refrigerated in the crisper bin of your refrigerator for at least 45 days before planting.

When soil temperatures cool down to the mid 50s (mid-December), then you can plant these refrigerated bulbs.

Plant spring flowering bulbs in an area which receives full sun for best performance. Soils amended with organic matter such as compost, peat moss, etc. will be ideal.

Good drainage is a must for bulb growth. Landscape timbers, rocks and railroad ties can be used to construct raised beds for bulbs. Raised beds provide good drainage and are easily filled with soil amendments.

As a general rule, plant bulbs about two to three times as deep as the bulb is tall. Tulips should be planted about 6 to 8 inches deep. Plan on using at least 15 to 20 bulbs per color for best results.

Continuous color throughout the spring can be achieved by planting bulbs which bloom at different periods during the spring.

Your bulb planting efforts this fall will pay off with dazzling color next spring.
