Trustees to consider adopting new budget

Superintendent seeks four-cent increase on tax rate

Iowa Park school trustees will consider a proposed budget for the 1995-96 school year in a called meeting this evening.

The budget being proposed is al-

most \$1-million higher than the past year's budget.

The meeting is to begin at 7:30 in the junior high school library. However, board members are to meet at

6:30 to tour Bradford Elementary, and then the junior high facilities, before starting their session.

Also on the meeting agenda are considering of student transfer requests, employee pay schedules, and employing personnel.

Some of the meeting likely will be held behind closed doors, for discussion of personnel.

Supt. Glen Mitchell is proposing a four-cent increase in the tax rate, to fund a budget of \$9,039,376. The past year's budget was \$8,075,341.

The majority of the increased funding, if the budget is approved, would go toward salaries. The proposal calls for \$6,510,826 in that category, an increase of \$618,641.

The payroll makes up 72.03 percent of the proposed budget.

Other expenditures in the proposal include: \$686,748 for contracted services; \$907,688, supplies and materials; \$276,728, other operating expenses; \$251,563, debt service; \$272,776 for capital outlay, and under the heading "other uses not assigned a function," \$133,047.

Should the superintendent's proposal to increase the tax rate four cents, the new rate would be \$1.20.

Each penny, with the district's values set at \$258,515,242, produces \$25,850.

Tax on a \$50,000 home would rise from \$580 to \$600, if the proposed rate is approved.

"There are several major reasons why I am asking for a \$.04 tax increase," Supt. Mitchell wrote for trustees.

He explained \$173,850 of the increase costs included a \$60,000 elevator for the high school, \$64,000 less income from City View student transfers, and \$42,050 for volleyball, softball and a coach/teacher salary which have been approved by the board.

WORKERS DIG FOUNDATION ON ONE OF THREE NEW HOMES IN PARK PLACE ADDITION

Storms, arrests keep police busy

Besides responding to motorists needing assistance because of high water, caused by heavy rains, Iowa Park police also found time to make four arrests and take two criminal mischief reports.

The first arrest was made Tuesday afternoon of last week, when a man

walked into the police station saying he had information he had an outstanding warrant for his arrest.

Jeffrey Lee Davenport, 17, was taken into custody on a charge of capias pro fine, no drivers license. He was released about two hours later after paying a \$68.50 fine, according to the

police blotter.

Police took Melvin Bernard Compton, 29, into custody Wednesday morning in the 200 block of West Highway, when it was determined the man was wanted in Austin for parole violation.

Compton reportedly had a charge of burglary of a habitation filed against him. He was turned over to a Wichita County deputy to be transported to the county jail.

Police arrested Shelley Lynn Jackson, 26, in the 1000 block of Mary Drive Thursday afternoon, on a charge of public intoxication. She was released some six hours later after paying a fine of \$130.

Saturday, officers responded to the scene of an accident in the 700 block of West Highway.

During a computer check of one driver's identity, it was determined Clifford A. Morgan, 36, had an outstanding warrant for his arrest out of Bexar County.

The charge against Morgan was contempt of court, child support. He was transported to the county jail by a deputy sheriff.

A resident in the 500 block of South Bond told police his house was egged sometime Sunday night. The resident reportedly identified a juvenile responsible, and parents promised restitution for damage.

Monday, a vehicle owner filed a report that paint had been scratched

while parked in the 500 block of West Highway.

All new students should register

With classes scheduled to begin in Iowa Park schools only two weeks from today, the administrators of each campus are asking all students who have not yet registered to do so.

The new students should have with them their transcripts from their previous school, as well as their immunization records, Social Security cards and birth certificates.

Students who will be attending elementary classes and are new to the district should register between 9 a.m. and 3 p.m. Tuesday through Friday of next week.

Kidwell Elementary, where classes are held for Pre-Kindergarten through Second grade, is located on Third Street.

Bradford Elementary, located on South Texowa, has grades Three through Five.

Iowa Park Junior High, on East Cash, began registering new students Wednesday and will continue through today, during the hours of 8:30-11:45 a.m. and 1:15-3:30 p.m. Grades taught on that campus are Six through Eight.

New students in the district who have not yet registered to attend Iowa

Park High School should report to the counselor's office between 8-12 a.m. or 1-3 p.m. this Friday or Monday.

New high school students will work out their class schedules at that time, which will be distributed to all students the first day of school.

In preparation for the Aug. 17 start of school, teachers are scheduled to attend in-service meetings the 15th and observe a work day the 16th.

All Sixth Grade students may pick up their schedules, locker assignments and lock combinations between 8:30 a.m. and 3:30 p.m. Thursday of next week, according to IPJHS principal Randy Lovelady.

During that time they may "walk through" their schedules and practice lock combinations. National Junior Honor Society members will be present to assist students when needed.

Seventh and Eighth Grade students will receive their schedules, locker assignments and lock combinations on the first day of school.

Home room assignments will be posted at the front entrance of the building at 4 p.m. Monday, Aug. 14.

Former Hawk track coach repeats as national champ

Former Iowa Park coach Bill Carter recently captured first in his age group at the United States of America Track and Field National Master's Championships, held at East Lansing, Mich.

Now a resident of Marlow, Okla., Carter directed Iowa Park High to the state track title in 1960. He was the first to be inducted into the Hawk Track Hall of Fame, in 1994.

Carter won the pentathlon event in the 70-74 age group with 3,206 points.

It was his fourth national title in the event, since first entering in 1988.

He did not compete last year because of surgery.

The pentathlon includes five different events: long jump, javelin, 200-meter dash, discus, and the 1500-meter run.

He reportedly scratched on his first two long jump attempts, and on his third and final leap, he took a nine-step approach, took off short of the board, and measured 12 feet even.

That put him well behind other competitors in points, so he had to

make up the difference in the other four events.

First places took care of the point need, earning him the title.

He then earned honors in two individual events, the discus and the 100-meter dash.

"We finished the pentathlon Wednesday and my plane did not leave until Saturday," he is quoted in the *Marlow Review*. "so they (meet officials) gave me special permission to compete in the individual events."

"They don't usually let people participate (who are not pre-registered), so I really appreciated it."

He placed first in the discus with a toss of 124-8, and was second in the century, clocking 14.14.

Carter told the Marlow newspaper he plans to defend his title next year, at the USATF National Masters Championship in Spokane, Wash.

Costal storm drops 3.55 inches here

The area has been well-soaked by rains this week, as the remains of tropical storm Dean moved northwest from the Gulf Coast.

Three days of showering produced a total of 3.55 inches in the city, according to measurements recorded by Virgil Woodfin.

He said he measured .15 Monday,

1.85 Tuesday and 1.55 Wednesday. Woodfin posts his measurements each morning, giving him a 24-hour observation.

Only minor flooding of streets in the city was reported, primarily in the area of Wall and Garden Valley.

Rainfall reports were considerably greater in communities to the south and west, however.

City-wide garage sale Saturday

At least 54 locations in the city will be participating in Saturday's city-wide back-to-school garage sale, sponsored by the Iowa Park Chamber of Commerce.

A complete list of the locations can be found in an advertisement on

page 11 of this issue.

To accommodate out-of-town shoppers, Chamber secretary Susan Dillard said she would have maps and listings available at the Chamber office, starting at 7 a.m.

Angie Adams - Pharmacist

As I See It... By Bob Hamilton

This being the 50th anniversary of the end of World War II, the national news media is getting a lot of mileage on the topic, what with all the reunions veterans are having.

But there's one topic which has drawn criticism I just don't understand, other than, perhaps, ignorance. That is the criticism of our dropping the atomic bomb on Japan.

When I use the term ignorance, I'm not applying it so much to education as I am lack of just being around when the war was underway.

In this day of being so sensitive to environmental issues, racial issues, everything related to the perfect world, it is understandable that someone who was not here in the early 1940s, and gets all his information from history books, might want to criticize how we ended the war.

Americans gained a lot of experience as to how determined the Japanese military was to fight, when our

boys battled for every foot of islands they regained in the Pacific.

With that experience, it was inconceivable to consider an alternative of dropping the atomic bomb, by deciding to fight house-to-house combat on the islands of Japan.

There's no telling how many lives were saved and how many months, or even years, the war was shortened by Pres. Harry Truman's decision to drop the bomb.

And, let me tell you, Americans had little or no love for the Japanese.

Consider, Japan initiated the war by bombing Pearl Harbor, inhumane treatment was dealt military as well as civilian captives of the Nippon military, and Americans were totally unified in their support of our government and military.

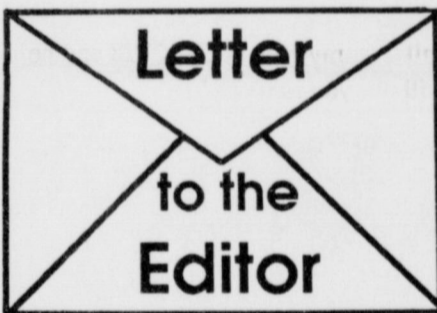

Though I was not in that war, I did have conversations with a great many of my friends who were, including one who was in the Bataan Death March.

Never, from any of those who had been in the Pacific, did I ever hear a word of humane treatment from any Japanese military personnel.

While the German military was ruthless with particular religious groups and nationalities, I've been told by some prisoners of war of certain acts of kindness being shown.

After four years of war, Americans were absolutely ready for it to end. And when we got word, first of the atomic bomb drops, and then of Japan's unconditional surrender, it was total elation.

Our sense of relief upon hearing the announcement that the war was over will never be forgotten. And the only regret we felt was the loss of all the lives lost in the war -- with absolutely no regret for those who were killed in the atomic bomb blast.

Papers late at Kamay

Dear Bob,
There are several people in Kamay who subscribe to the *Leader*. The people who receive their mail on a Rural Route get their paper (*Leader*) on Thursday. However, there are others of us who receive our mail at the Post Office -- we get our *Leader* on Friday. Lately, we've been getting it on Saturday.

It's an inconvenience for those of us who have children. We miss out on things happening at the RAC, at the Library, and even the garage sales. I missed out on the Awards Day at Kidwell because I received my paper too late.

This may seem trivial to some, but it's bothering me for quite some time. Thank you for letting me voice my opinion.
Pam Tyler

From out of the past

Dear Sir:
A few years ago a friend of mine found a scrapbook in the New London, CT. town dump. He gave it to me about 10 years ago. And I've always felt guilty for not trying to find a living relative who would like to have it. It's a rather neat book, put together by a student at the Iowa Park High School. There's quite a few pictures of family and friends as well as other personal items from that era. The girl who put the book together was Nellie Mae Doby and she graduated from your school in 1929. Enclosed is a few copies of different pages from the scrapbook. Any help you can give me would be greatly appreciated.

Thanks very much,
Warren Lewis
29 West Mystic Ave.
Mystic, CT. 06355

(EDITOR'S NOTE: Copies of several pages from the book are in the *Leader* office for viewing and identification. Should no relative claim the book, the information will be turned over to the Genealogical and Historical Society. Mr. Lewis' letter was initially addressed to Richard Davis, IPHS principal.)

Letters to Editor policy explained

The *Leader* receives numerous letters which cannot, for one reason or another, be published.

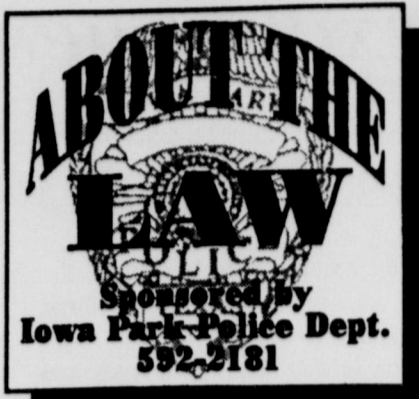

Letters will not be printed unless they are signed. A typed name will not do. And, for the sake of verification, the writer's telephone should be included.

Should the writer not wish his/her name printed, it will be omitted upon request. However, the letter will be kept on file to be read upon request.

Letters also must be free of libel. If not, they will not be published, because we will not edit the content of any letter.

In letters supporting political candidates or issues, the *Leader* reserves the right to limit their lengths.

We encourage your Letters to the Editor, and offer the paper space as your forum for discussions of ideas and observations.

SCHOOL BUS SAFETY

When a school bus is stopped receiving or discharging children, you must stop your vehicle before reaching the school bus.

You may not proceed until the bus resumes motion.

Because of the seriousness of this violation, no warnings are given.

PRODUCTIVE SWING - Rev. Glen Blackmon was among a large turnout of golfers who participated in a four-man scramble tournament Friday at River Creek Golf Course. Sponsored by the Iowa Park Athletic Booster Club, approximately \$400 was raised by the activity.

Wendy Bridwell is MVP in national tourney

An Iowa Park student/athlete earned team and individual honors playing in a summer basketball program.

She is Wendy Bridwell, daughter of Mr. and Mrs. Buddy Bridwell.

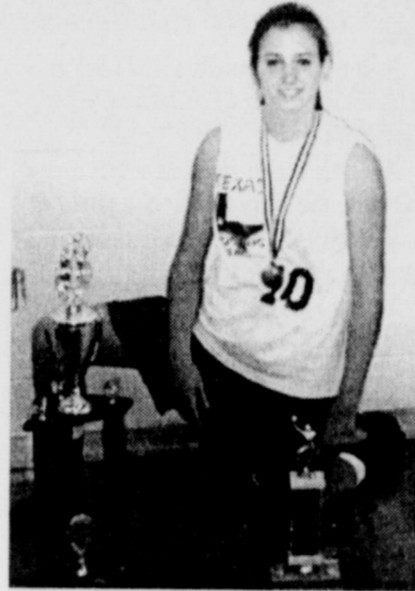

She accepted an invitation to play with the Runnin' Rebels, a summer league team from the Dallas/Fort Worth area. The league is known as the Youth Basketball of America.

The Rebels competed July 9-15 in the national championship tournament, held in Winter Haven, Fla.

Over 5,000 athletes participated in the meet, with eight foreign countries represented. In the 14-and-under division, there were 22 teams entered.

The Runnin' Rebels won the 14-and-under division by defeating The Supreme Court from Atlanta, Ga., 28-27, scoring a layup with 4.7 seconds remaining on the clock.

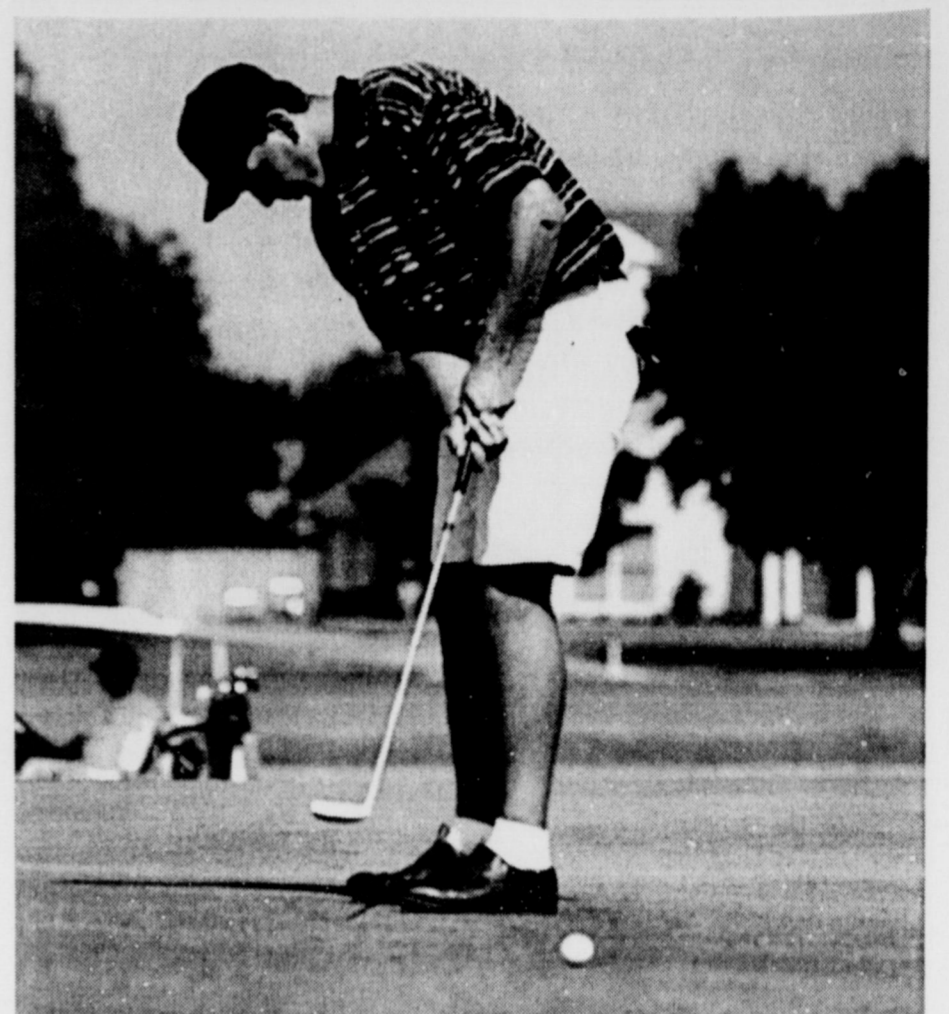

The Rebels played teams from Puerto Rico, Peru, Princeton, West Virginia, Michigan, Connecticut, and

two from Georgia.

The individual honor earned by the Lady Hawk?

Most Valuable Player of the tournament.

Woods winner at Olney

John Woods, an Iowa Park High School senior, fired an even-par 72 last Friday to capture the title in the Tom Moore Jr. Classic held at the Olney Country Club.

Woods also took first place in the 9-hole putting contest held after the tournament. Woods then traveled to Bowie to take place in the Bowie Jun-

ior Invitational held at the Bowie Country Club.

Rain forced the tournament to be called after only 14 holes had been played. Although Woods was in 2nd place after the 14 holes, because all players hadn't played the same number of holes, the scores reverted back to the first nine holes leaving Woods in fifth place with a score of 38.

Cross country starts today

The 1995 boys and girls cross country teams will get the season started with a meeting of all interested runners today at 4:30 p.m. in the High School Gym.

The 1994 season saw the Hawks send two runners to the Regional Meet as Tim Estrada finished first place in the District Meet and David Water-

bury also qualified for regionals.

The Lady Hawks will return as the defending district Champions this year after winning the District Meet for the second straight year. The Lady Hawk track team also won the district meet last spring. And not to be outdone, the JV Cross Country Team also finished first last season.

BEST COMMUNITY SERVICE - These officers of the Valley View 4-H Club display an award the club earned in the Colgate-Palmolive "Youth for America" program. The club conducted Project 9-1-1 in their effort to get rural addresses displayed. Pictured are (l to r) Kyler Godwin, vice president; Boyn Bowling, council; and Clint Myers, president. Donna Myers and Brenda Edwards are sponsors.

Valley View 4-H wins award

Valley View 4-H Club has won a national award in the 22nd annual search for the country's best community service projects by young Americans. The club conducted Project 911 to assist Nortex 911 Communications District in their effort to get rural addresses displayed.

In the past, valuable time was wasted by emergency personnel trying to locate residents in the small rural communities of Valley View, Kamay and Kadane Corner. The 4-H members, with the assistance of their club leaders and parents, canvassed the entire area explaining the importance of displaying addresses and taking orders for the highly visible signs made available in three sizes and several bright colors.

Larua Avara, Wichita County Extension Agent - 4-H & Youth, says, "It took the 4-H members, leaders, parents, community residents and Vereda Koch of Nortex 911 Communications District working together to make Project 911 such a success. Besides the great benefit to the rural residents of Wichita County, the project taught the members about their responsibility for their community and price in a job well done." Avara adds, "The newly posted signs have made the job of emergency personnel much easier. Minutes count when responding to an emergency call, possibly even saving lives."

U.S. clubs and troops of six national youth organizations - Boy Scouts, Girl Scouts, Camp Fire, Girls Incorporated, 4-H and Boys and Girls

Clubs - are invited to enter their best community service projects in this annual Colgate campaign. Grants of up to \$1,000 are awarded for the best projects in each of the organizations. Valley View 4-H was voted a \$100 fourth prize, and will use this money to fund their club events and activities.

To date, Colgate-Palmolive has awarded more than \$5.5-million to America's young people through "Youth for America." The program, established in 1972, has been honored by the White House under five different administrations, has received a Freedoms Foundation Award and is praised each year by members of Congress and countless governors and mayors throughout the nation.

In discussing the 22nd annual campaign, Michelle Macchia the program's Executive Director commented, "Our Youth For America program puts special young Americans in the spotlight for their positive efforts in improving their world. The quality of this year's entries, which mirror some of today's most common problems, proves that our kids are truly committed to their country and up to any challenge when it comes to building a better tomorrow for themselves."

Entry forms for the 1995-96 "Youth for America" campaign will be available this fall through local offices of the six national youth organizations or by sending a stamped self-addressed envelope to Colgate's Youth for America at P.O. Box 1058, FDR Station, New York, NY 10150-1058.

A family affair

By BONNIE JONES

In our contemporary world, when life seems to be in the fast lane, parents often try to set aside a time of entertainment for the entire family.

Rounding up the group and setting off for an entertaining, wholesome movie can appear to be the magic of sharing an enjoyable experience together -- but within a split second of previews of coming events, the wholesome time can become one of viewing the "not so wholesome."

Home being the very heart of family, it can, in a flip of the channel, become a visitor that is considering inappropriate viewing for the family gathering.

Every third week in August, some 16,000 people, most of whom comprise family units, gather at the Wichita Falls Mounted Patrol Arena located on FM 369, and for two days, have a family affair event. It is the Texas Ranch Roundup!

The participants -- entertainers, are from some of the most historically significant ranches in Texas. They bring their families -- both blood and extended family members and perform and compete for two days and nights.

The ranch "families" are usually composed of the husband, wife and children of the owners and managers, plus the families of other ranch hands. Those cowboys who might be single are considered a part of the family -- the extended family that works and shares daily life together.

The closeness of the "ranch family" is apparent... even to the casual observer. The daily interdependency that is required to make a ranch run smoothly creates a natural bond of support and respect. One wonders if there isn't a lesson, within that ranch unit, after which could be patterned by other families who find themselves in "the fast lane."

During the two-day event, one might see a horse buck a cowboy a little higher than usual, smell the aroma of chuckwagon food a little more invitingly, hear a song that touches a little more deeply -- but there are never any big surprises that makes one wish his/her family had not witnessed a particular scene.

Perhaps that is why the 15-year-old event continues to draw crowds from across Texas and from out of state. It is truly a time of reunion -- the old fashioned way. The ranch families enjoy the annual comradarie with other ranch families, the public enjoys the wholesome family entertainment. It has been called "a visit into the past" because of the unique heritage that the ranches have maintained in their lifestyle.

On August 18 and 19, as the crowds come and as they depart, as the families return to their contemporary lifestyles, one can see smiles of delight and animated reruns of a spectacular show... Could it be that there are wistful lingerings to take some of the quality happenings home -- and let it continue to be a family affair?

The Texas Ranch Roundup is co-sponsored by Budweiser/Falls Distributing and North Texas Rehabilitation Center, with all proceeds going to three Texas charities. West Texas Rehab in Abilene, West Texas Boys Ranch in San Angelo and North Texas Rehab in Wichita Falls have received about \$1,000,000 through the past 14 years.

"Anheuser-Busch and Falls Distributing salute the generous efforts of the heritage of the Texas Cowboy, giving today's cowboys a place to gather and exhibit their western skills, at a quality event such as the Texas Ranch Roundup," said Stephen (Reno) A. Gustafson, president of Falls Distributing Co.

151 attend family reunion

The Hendricks and Jackson families held their fourth reunion Saturday at the Iowa Park Recreational Activity Center with 151 in attendance.

Some of the families had four and five generations present and some came for the first time!

Among those present were Lena Simmons, the only living daughter of Mr. and Mrs. H.K. Hendricks and 13 of their grandchildren.

They were Mary and Bob Underwood of Wheeler, Lucy and Virginia Reeder of Van Alstyne, Donald and Jane Hendricks of La Marque, Roy and Betty McLaurin and Gary McLaurin of Victoria, Barbara Glass, Texas City, Bill Hendricks of Granbury, Dorothy Kaye Johnston of Liberty, Ginger Klinkerman of Houston, daughter of Mrs. Simmons, Jackie and Rosalee Hendricks, Pampa, and Dean and Ruby Simmons, Freddie

and Martha Simmons, and Jerry and Maggie Simmons, all of Iowa Park.

Many great-grandchildren, great-nephews, great-nieces and cousins came from 18 Texas cities and Iowa Park.

A beautiful plaque with wooden letters, "Hendricks Reunion 1995", rested on the registry table with verses that read, "We are related because God brought us together and created a special relationship between us" and "I'm so glad God made us family".

After the home cooked lunch and a special cake inscribed with "Hendricks-Jackson Reunion 1995", brought by Sandy Simmons, was served there was visiting, photo taking and Our Trotter Family brought their band from Nemo and was joined by other family members to provide entertainment ranging from Gospel to County Western music and singing.

NEWS OF THE IOWA PARK GENEALOGICAL & HISTORICAL SOCIETY

Family Legends, Truth or Fiction

Genealogy seems to generate many tales, some may be true and some may be myths, handed down through the generations.

There also seems to be a tendency to mold many hearsays into something we want to believe. Mothers are ones to forget faults and exaggerate all their children's good points and tales begin.

Some of our ancestors have been known to claim royal blood. Well, a real historian either has to approve or disprove family legends even though we may feel we should accept the family legends. Our parents or grandparents wouldn't lie to us!

Early hired unethical genealogists may have hoodwinked our relatives or maybe some tales started as family gossip and somehow became family history.

Some early legends came from the knowledge of a so-called remittance man in the family some place. Was he really a disowned son of a noble or royal family?

How about the three brothers who came early to America? Sometimes it was said two stayed and one went back. This may have originated when three men of the same surname were found in the early colonial records and may not have been brothers.

Other tales, such as you descend from a Hessian soldier who was brought to this country to fight for the British (mercenary soldiers called Hessians). But many Germans came to America before the Revolutionary War.

Another myth, you descend from a Cherokee "princess". The Cherokees did not have royalty. The stories abound in genealogy so beware if you want to be a family historian.

How easy it could be to start a legend. On a trip with my siblings and

their spouses in February, we stopped in Tombstone, the site of the O.K. Corral, where the likes of Wyatt Earp and Doc Holliday, Bat Masterson and others in the 1880s held forth.

A visit to Boot Hill, whether a real cemetery or not, (like Knotts Berry Farm), it's part of the scene. As we walked around I noticed two graves side by side, both familiar family names. My grandpa's name and his mother's maiden name. One had died of natural causes, the other one was shot in the year 1883.

Well, it wasn't grandpa, but were they his cousins? I couldn't lay claim, my brothers and sister didn't think it had any connection! Is that the way family legends get started? I wondered.

Cemeteries are so often searched for names and dates. Many have lichen-covered tombstones and care must be taken in cleaning to expose the lettering for pictures or rubbings. Some of the old stones are fragile and often times the engraving is almost worn off.

The Iowa Park Genealogy department at the Tom Burnett Memorial Library has recently acquired "Complete Cemetery Census of Young County Texas 1837-1995. Compiled by Jack Loftin.

Card of Thanks

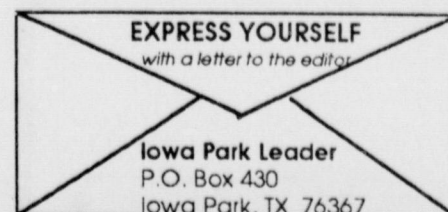

My thanks go to all my nephews, nieces, my daughter, great-nephews, great-nieces and to all my cousins who came to share the day July 29.

My thanks to the Susan and Fred Tibbet family for the beautiful plaque. My thanks to Sandy Simmons for the special cake, and my thanks to Our Trotter Family for bringing their band and talent.

What a great day I had with 151 relatives to visit in one day! Indeed, it was so special.

Yes, I too, am so glad God made us all family.

God bless you,
Love, Lena Simmons

GAME WARDENS Mike Porter and Rodney Knight flank Justin Rusk during a hunter's safety course for youth in Sonora.

Justin Rusk earns safety certification

Justin Rusk, son of Keith Rusk of Iowa Park and Chi Chi Miller of Wichita Falls, recently earned his Hunter's Safety Certification during a camp held at the McPherson 4-M Hunt Club facilities south of Sonora.

The camp, held July 9-12, was sponsored by the Texas Parks and Wildlife Department, Meridian Oil and the Canyon Ranch of Sonora, and McPherson 4-M Ranch.

Rusk, along with twenty other young men from various towns in Texas, participated in the camp which was organized by Rodney Knight, Sutton County Game Warden and Sandy and Doug McPherson of San Antonio.

The group was instructed in hunter safety, pistol and rifle firing, archery skills, shotgun shooting, wildlife identification and conservation. They were supervised in firing several handguns, a .22 rifle, a compound bow, a Colt 45 ACP and muzzle loading black powder rifles.

The camp is instructed by nine Texas Game Wardens along with Jim Ross of the Canyon Ranch, the McPhersons, Brent Gesch, Sonora Chief of Police, and Mary Humphrey, Sutton County Game Biologist with the Texas Parks and Wildlife Department.

Karen Smith

The family of Dick and Karen Smith was another gain for Iowa Park when they moved here with the new coaching staff last year.

Karen and Dick both graduated high school in Santa Anna.

Karen attended Angelo State University and Western Texas College before graduating in 1990 from Southwest Texas State University with a degree in Elementary Education. She began her teaching career in Wimberly, and is now teaching fifth grade at Bradford Elementary.

Dick attended the University of Texas at Austin before graduating in 1985 from Angelo State University with a degree in Physical Education. He began coaching in Rotan, and coached at Wimberly before coming to Iowa Park.

They have three children. Dana is 11 and in the sixth grade; Rye is nine and a third grader, and the youngest is two-year-old Cody.

Karen's hobbies include reading, tennis and golf. She also likes to go camping with her family, and this summer they camped out along the way to visit Mount Rushmore and Yellowstone National Park.

Karen said most of her recipes come from Dick's mother, Pat. His dad was also a coach, so they moved around a lot. "Pat loves to cook, so she collected many wonderful recipes," Karen said.

Canadian Cheese Soup

- 1/4 cup butter
- 1/2 cup diced onion
- 1/2 cup diced carrots
- 1/2 cup diced celery
- 1/4 cup flour
- 1 1/2 Tbsp. cornstarch
- 1 can chicken broth
- 1 quart milk
- 1/8 tsp. soda
- 2 cups Velveeta
- Salt & pepper

Melt butter in pan. Add onions, carrots, and celery and saute until tender. Add flour and cornstarch. Cook until thick and bubbly. Add broth and milk and make a smooth sauce. Add cheese and soda. Simmer until cheese is completely melted. Salt and pepper to taste.

Brown the chops and place on top of stuffing. Sprinkle with salt and pepper. Mix apples with brown sugar and spice. Spread over chops. Dot with butter. Cover casserole with aluminum foil and bake at 400 degrees 30 minutes. Remove foil and bake 10 minutes.

Combine carrots, onion, and green pepper in a large bowl. Mix remaining ingredients for marinade. Refrigerate at least 12 hours before serving cold. This marinade will keep at least 2 weeks - just add vegetables.

Lynn's Casserole

- 1 lb. ground beef
- 1/2 cup onion
- 1 can green beans, drained
- 1 can tomato soup
- 4 potatoes, cooked and mashed with milk, butter, salt & pepper

Brown ground beef with onion. Drain and return to stove. Add green beans and tomato soup. Simmer five minutes. Pour mixture into 9x9 pan. Top with mashed potatoes. Bake 10-15 minutes in 350 degree oven.
