SUNDAY, MAY 8, 1966

# It's Don Cihak, R. P. McCall, Nelda Merriott

These are Muleshoe's highest-scoring seniors, each winding up with 95-plus averages for four years, Joe Adams, valedictorian, and Ruth Ann Duckworth, salutatorian, are talking over their "good old MHS" fast-finishing days in the shot above. (Journal Photo)

## THE Best Students Picked

Two 18-year-old students who have been hanging up scholastic records all four of their senior high years, were named valedictorian and salutatorian for 1966 at the annual awards program Thursday night in the high school auditorium.

Joe Houston Adams, with an average of 96.45 was selected as valedictorian and Ruth Ann Duckworth, tallying 94.89, was picked as salutatorian. Joe was 18 March 1 this year, and Ruth Ann passed her 18th birthday Nov. 9 last year.

Joe is the son of Mr. and Mrs. J. K. Adams; his father is county agricultural agent. Ruth Ann is the daughter of Mr. and Mrs. Frank Duckworth. He is a minister of the Northside Church of Christ. Eleven other pupils are wind-

ing up their school careers with 90 or above averages. They include: Carolia Marie Bass, 93.95; Morris Edwin Lewis, 92.07; Sandra Sue Garlington, 92.06; Durward Glenn Head, 91.52; Carol Jan Everett, 90.95; Edna Mae T. Galt, 90.74; Faustine Gail Darsey, 90.85; Sonja Gale Bass, 90.75; Jimmy Lewis Francis, 90.75; Lawrence Edwin Green, 90.23; and Don Houston Douglas, 90.03.

Honored at Thursday night's award assembly also were these "outstanding students in departments": Jackie Kemp, shorthand; Gail Locker, typing; Dennis Bush, drivers' education; Terry Lynn Bryant, bookkeeping; Jerry Redwine, vocational agriculture; Ruth Ann Duckworth, English.

Also Joe Adams, boys' ath-

## County Farmers to Vote on 1967 Transfer of Cotton Acreages

Cotton farmers in Bailey county will vote this month to decide whether they want to be able to sell or lease their cotton allotments outside the county, E. W. Locker, chairman, Agricultural Stabilization and Conservation County Committee, has announced.

The referendum on the question will be conducted by mail

## 96 Join Industry Set-up

Muleshoe Area Industrial Foundation (MAIF) now has 96 members, Harmon Elliott, chairman, said Saturday as the steady sign-up of members to the organization which seeks to bring industry to this area continued.

New members signed up this week included Bill Wimberly, Roy C. Dyer, Red Johnson, John Miller, Eddie Lane, Bob Clodfelter, Ray Griffiths, Louis Shafer, Charles J. Lenau and Harry Waidel.

(Continued on page 10)

during the period May 16 off unwanted cotton allotments.

Ballots also may be delivered by hand to the ASCS county office.

Charles Daniel, ASCS manager for this county, said that as many as 3000 persons could vote in the referendum since the owner and his wife and the tenant and his wife are all eligible to allot. There are 1270 cotton farms in the county, and this year, only 63,194 acres will be planted.

Last year, cotton farmers voted down the transfer, and many farmers "bought" allotments from other counties which had agreed to "sell

off unwanted cotton allotments.

The only question to be decided by the balloting is whether upland cotton allotments may be transferred during the next three years to other farms outside the county which are owned or controlled by someone else. Such transfers may be made by sale or by lease. In no case may transfers be made outside the State. An affirmative vote by at least two-thirds of the county's cotton farmers who vote will permit such transfers for the next three upland cotton crops, 1967-69.

A referendum on the same

(Continued on page 10)

## Primary Turnout Heavy

Bailey county voters picked Democratic nominees in Saturday's election, and since there are no Republican candidates for any county posts, nomination was tantamount to election.

Selected for county judge was Don W. Cihak, Muleshoe attorney who is a law partner of District Attorney Jack Young. He defeated Calvin P. Calvert 693 to 654. Calvert is a Muleshoe grocer.

R. P. McCall won his bid to retain the county commissioner's post for precinct 4, beating two seekers, Charlie J. Tiller and C. C. Suttler. By candidates the votes were: McCall 206 Suttler 55 and Tiller 94.

Nelda Merriott, who has been a clerk in the combined district-county clerk's office here, won the right to serve as the first clerk of the separated district clerk's office. She beat Thursie Reid, operator of a Muleshoe stamp redemption store. Other candidates on the Democrat's slate had no opposition.

These included: Pat Boone for district judge 1398; Hazel Gilbreath for county clerk 1401; Edith Wilt for county treasurer 1404.

With the Journal Staff

Wayne Wash, professional at the Muleshoe Golf club, said Saturday that a pro-am tournament is to be staged Monday, starting at 8 a.m., with entry deadline of 1 p.m. A \$5 fee will be charged. Merchandise prizes will be given to winners, playing in low ball tournaments. The scoring will be based on team low-ball scores rather than individual scores.

The Rev. J. Frank Peery announced that the Bailey County Committee on Aging meets tomorrow, May 9, 5 p.m., in the lounge of the First Methodist Church. Mr. Peery urged each member to be present, as plans will be made at that time for the activities of the week of May 23, which is to be observed as "Senior Citizens Week." A number of interesting activities will be scheduled for the week.

The Rev. Brian V. Engel, pastor of St. Paul Lutheran Church here, announced Saturday that the church will hold its annual meeting following worship services this morning. Many important items are included on the agenda, he said, urging all members to be present.

Sam Fox, consignee for Texaco, for 33 years, was presented a Hamilton wrist watch this past week in honor of the occasion. The watch was given by the district manager, Ray Vechna, Amarillo, who explained that Fox became the Texaco dealer (Continued on page 10)

## Irrigated Wheat Good; Dryland Outlook Poor

wheat outlook for West Texas has been summed up by the Texas Employment Commission in two extremes: Good and poor.

The second farm labor bulletin for the season, issued by TEC this past week, said that, in general, dryland wheat is poor in the Panhandle and South Plains, but irrigated wheat is poor in the Panhandle and South Plains, but irrigated wheat is generally good. Said the bulletin: "Dry-land wheat in the Panhandle and South Plains area is in poor condition, and up to 60% has been reported plowed under or turned to grazing. Recent rains have been very beneficial to crops planted on summer fallow land. Irrigated acreage is considered good, with average yields expected."

By areas, the bulletin gave this report: Borger, Dalhart, Channing, Stratford, Dumas, Spearman and Perryton: Forty to 50% of the dryland acreage has been abandoned due to dry weather. Recent rains were received too late to be of material benefit to most of the dryland acreage. Prospects are good for irrigated acreage.

Littlefield and Muleshoe: Recent rains have been very beneficial to dryland acreage. An average yield is expected from irrigated wheat. Amarillo, Hereford, Dimmitt, Farwell, Vega, Canyon, Panhandle and Laude: Irrigated wheat is considered to be in average to good condition for this time of year. Dryland acreage is reported as poor, with some "ready abandoned.

## It's Like the Lady Said: Home Shopping is 'Nice'

(When she returned from the city to the community where she was known).

"Isn't it a glorious feeling to be among people you know and trust?"

Recognition, fellowship and trust are desired by all people. You will find all three of these among the Muleshoe merchants and sales people.

What does Muleshoe have to offer?

1. Convenient shopping facilities, accessible to a large trade area.

2. Comfortable shopping quarters, manned by courteous, efficient salespeople.

3. Haberdashers, ladies ready-to-wear, and children's shops to dress anybody for any occasion.

4. A large array of assorted fabrics from all over the world, styled by the world's best designers.

5. Super markets and neighborhood grocers stocked with foods that will satisfy any gourmet — and fit any budget.

6. Skilled physicians and surgeons, and well-stocked pharmacies to safeguard and maintain our health.

7. The most modern machinery and gadgets that will save you both money and time in your farm and household duties.

8. New and used automobiles and trucks of all makes and models for business and pleasure.

9. Automotive and farm implement parts and skilled mechanics to service all makes and models.

10. Architects, contractors and building supply people to

(Continued on page 7)

## Hooten is Named Lions' President

Lions Club elected officers for the coming year at their meeting this past week when Robert Hooten was named president and James Jennings first vice-president. Guy Kendall was elected second vice-president.

Don Harmon was elected secretary — treasurer, Jimmy Crawford, Lion Tamer, James Glaze, Tail Twister, Father Clifton Corcoran, assistant Tail Twister and Tye Young, song leader. He has served the club as song leader for more than 20 years.

The two new board members elected were Buck Johnson and Don Cihak.

The Lions Club sweetheart was re-elected and she is Jane Branscum.

Robert Hooten succeeds Frank Ellis as president. All newly elected officers will take office in June.

## West Texas 'Rain'

While much of Texas has been suffering from floods, West Texas continues to create its own kind of "rain" — the underground variety which has been bread and butter for West Texas farmers for years. This is Butch Vandiver, getting ready to start "rain-making" via pipe. He farms north of Muleshoe. (Journal Photo)

## Lions to Open 6-Day Carnival Here Tomorrow

Muleshoe Lions club will present Lone Star Amusement Co., Amarillo, with one of the southwest's best carnivals, Frank Ellis, president announced Saturday. The carnival, catering especially to elaborate rides, will move in Monday and will show each evening and night, Monday through Saturday, according to George Sultemeier, Lions club carnival chairman. Saturday's shows will start at 12 noon.

The Amarillo carnival firm will furnish only the rides, Sultemeier explained, and local organizations will supply the booths.

Clubs which will have booths at the carnival include: Jaycees, a penny pitch, Rotary club, a dunking board, volunteer fire department, a money pitch; Little League, cold drinks; Lions club, bingo and a fishing pond for children; Friends of the library, refreshments, snacks and snow cones.

Profits will go toward the Lions' eye program which provides "new eyes" for scores of persons every year.

All rides, Ellis said, are exceptionally "high class, clean rides," adding, "the firm has made a reputation throughout the southwest for its very fine rides."

### Variety Club Cleans Center

Each member of the Midway Variety Club brought a covered dish to the Oklahoma Lane Community Center building Tuesday when the group met to clean the center and do year work.

The group of women gave Mrs. Irene Walkins a birthday party. She was presented a cake and several gifts.

Following the party, the group washed windows, mopped and waxed the floors, cabinets, refrigerator and other various things around the center.

The club presented Mrs. M. C. Mason with a floral arrangement.

### Veta Allison Is President

Veta Allison, daughter of Mr. and Mrs. Harold Allison of the Pleasant Valley Community, was installed recently as president of the Student Education Association at Texas Western College in El Paso. She was a delegate earlier this year to the National Student Education Association convention which was held recently sponsored by one of the fraternities on the Texas Western campus. She is a sophomore student and is majoring in elementary education and minoring in music.

ment in sympathy of the death of her brother in Oklahoma. Present for the day were Mrs. Dee Brown, Mrs. Lora Brown, Mrs. Lacy Hardage, Mrs. Dorothy Raye Harbin, Mrs. Mildred Redwine, Mrs. Irene Walkins, Mrs. Dorothy Mason and Mrs. Audrey Mason.

### Busy Beavers Work on Projects

Each girl drew a picture of her bedroom and discussed how she could improve it at the Busy Beavers 4-H club meeting.

The second meeting, the girls covered a box and cardboard to make drawer dividers. The girls also discussed making their clothes closets neater and how to put them in order.

At a third meeting, each girl brought two wash rags and yarn to make bed pillows. The adult leaders served refreshments and showed the girls how to make the pillows. The girls then worked on their pillows.

Club members present for the three meetings were Sheryl Bass, Ruth Ramm, Marilyn Black, Sandra Mardis and Alta Ramm. Adult leaders for the girls are Mrs. Eugene Black and Mrs. Ernest Ramm.

... Mrs. Travis Bessire

### Mrs. Travis Bessire is Honored With Stork Shower

Mrs. Travis Bessire was honored with a stork shower in the home of Mrs. Herb Griffiths Wednesday morning from 9:30 to 11:30.

The serving table was decorated with a white cloth and centered with an arrangement suiting the event. Coffee, fruit bread and a bowl containing fruit were served by Mrs. Russell Bryant and Mrs. Jerry Don Haley.

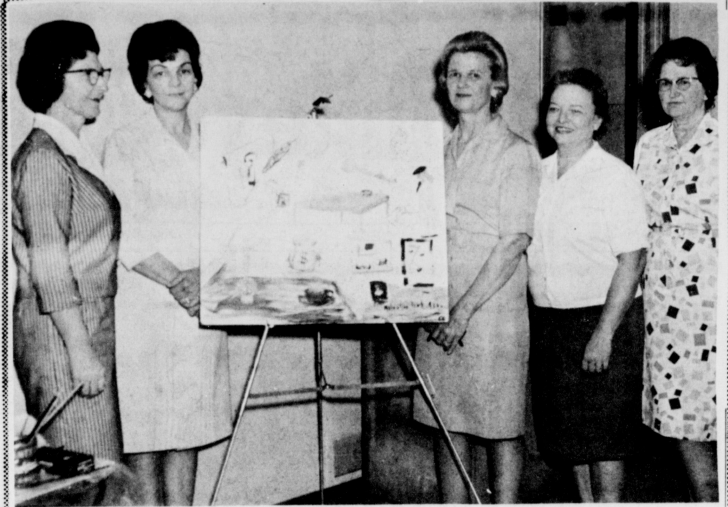

In the receiving line were the honoree, her mother, Mrs. Ruby Willman; Mrs. Omar Bessire, Mrs. Kenneth Hanks and Mrs. Herb Griffiths.

Mrs. C. A. Grau, Grady,

N.M., a great grandmother of the honoree and Mrs. Lloyd Grau also from Grady, were present for the shower. Hostesses for the event were Mrs. Herb Griffiths, Mrs. Tommy Haley, Mrs. Jerry Don Haley, Mrs. Gary Miller, Mrs. Russell Bryant, Mrs. Elmo Stevens, Mrs. Allen Haley and Mrs. Gid Howell.

Approximately 40 guests were registered by Mrs. Gary Miller.

As the 1940-41 school term draws to an end in the Muleshoe schools, students are looking forward to the holidays. Examination papers will be graded the following Thursday, and books checked in Friday.

**ART ASSOCIATION OFFICERS** - New officers for the Muleshoe Art Association were installed Wednesday in the home of Mrs. Howard Elliott, 406 W. 5th. Officers posing with the art work each new officer contributed are Ethel Allison, president; Pauline Jamison, first vice-president and program chairman; Marie Lenau, exhibit chairman and second vice-president; Jeanne Garth, secretary and Sybil Erickson, treasurer. (Journal Photo)

### Muleshoe Art Association Installs Officers For Year

The Muleshoe Art Association met in the home of Mrs. Howard Elliott, 406 W. 5th Wednesday for their installation and luncheon.

Betty Chihak presented the new president with a clean canvas and Ethel Allison, new president, painted the symbol of an ear (listening) on scroll and feather pen. Sybil Erickson, treasurer, added a money bag. Each member then added details to the picture.

Committees appointed were: Pauline Jamison, program; along with Blanche Lenderson, Matilda Slemmons, Inez Bobo and Jeanne Garth. Appointed to the exhibit committee were Marie Lenau, Velma Davis, Kitty Moss, Ada Murrah, Verne Fox and Pearl Gunstream. Social chairman appointed was from KMLU was also present.

ine Jamison, first vice-president, and program chairman, added more to the symbol of duties; Marie Lenau, second vice-president and exhibit chairman added black and white spots. Jeanne Garth, secretary, transcribed duties in the form of an ear (listening) on scroll and feather pen. Sybil Erickson, treasurer, added a money bag. Each member then added details to the picture.

Dana Arnold. With her on this are Zeffa Shater, Clara Mounts and Fay Gardner. Betty Chihak is the new chairman for the membership and telephone committee, serving with her are Mildred Williams and Melzine Elliott.

Present for the luncheon and installation service were Betty Chihak, Verne Fox, Inez Bobo, Sybil Erickson, Kitty Moss, Velma Davis, Tiny Forbes, Mrs. Kenneth Pharr, Lubbock; Melzine Elliott, Pauline Jamison, Bernice Amerson, Myrtle Steinbock, Marie Lenau, Barbara Puckett, Ada Murrah, Marie Lenau, Velma Davis, Kitty Moss, Ada Murrah, Verne Fox and Pearl Gunstream.

### Installation Set By Ruby Green

Ruby Green announced Tuesday night at the meeting of the Muleshoe Eastern Star Chapter that she will have her installation in the Masonic Hall on the evening of June 4. She also set a practice date for the Thursday following the installation. Other officers to be installed are Tom Smith, Worthy Patron; Pat Johnson, Associate Matron; Bill Johnson, Associate Patron; Phyllis Beavers, Conductress; Ruth Fowler, associate conductress; Hazel Nowell, secretary; Ruth Williams, treasurer; Louise Williams, marshal; Sid Bullock, chaplain; Barbara Lust, Adah; Cecile Cunningham, Ruth; Karen George, Esther; Wilma Polson, Martha; Margaret White, Electa; Donna Gralla, Warder; James Fowler, Sentinel; and Inez Kennedy, organist.

Following initiation ceremonies, the Worthy Matron, Lois Norwood, presented her officers gifts for her year and expressed her appreciation for their year as her officers.

During the business session, Pat Johnson invited the members of the chapter to attend a tea honoring the Worthy Matron. The tea is scheduled for May 29 in the community room of the First National Bank from 3 to 5 p.m.

### Art Loft Schedules Sale

The Art Loft will have a half-price sale starting at 10 a.m. Wednesday and continuing throughout the day. The sale will be held on the patio below the stairway to the Loft. Featured on sale will be unframed paintings. Also of interest to some collectors will be the new stock of antiques and framed paintings in the Loft.

**Jona Goucher Gives Program**

Jona Goucher, vice president, gave a program on recreation and also read the minutes at the Muleshoe 4-H Club's meeting Monday. The meeting was held in the Richland Hills Cafeteria, with the president, Betty Harbin, presiding over the meeting.

Next meeting for the group will be parent week.

When you are mixing by hand, you may want to set the mixing bowl on a folded tea towel or a pot holder so that the bowl won't dance all over the counter or burn your hands.

**RETIRING TEACHERS**—Blanche Johnson and Margaret Slemmons will not be in the classrooms next year as they are retiring from the Muleshoe School System. Mrs. Johnson has been teaching and with the school systems for some 40 years. She is librarian with the schools here. Mrs. Slemmons has been a teacher for approximately 20 years. Mrs. Slemmons is a second grade teacher in Richland Hills Elementary School. Mrs. Willie McAlpin, president of the Muleshoe Classroom Teachers Association is presenting the teachers with certificates for their outstanding work. (JP)

**Club Members Show Display**

Mrs. Iley brought a satin pillow case and a work basket to the Muleshoe Hobby Club's meeting Tuesday afternoon. Other displays brought were Alie Harbour, a necklace; Mabel Caldwell, lamp and a pillow

**Mulshoe Folk Attend Meet**

The Lamb-Bailey, Bi-County Council met in Littlefield, May 3, in the High School Auditorium. Mrs. Ed Thompson, Olton, presiding. Mrs. Bly, secretary, announced that the traveling trophy went to Sudan for having the most attendance of 26 throughout the year. Spade was second with 24.

**Loraine Gallman Monthly Queen**

Loraine Gallman was named queen for the month at the TOPS meeting Thursday night. Countesses for the title were Cris Dunlap and Ethel Allison. The queen was presented a fruit basket.

**Loraine Gallman Monthly Queen**

Loraine Gallman was named queen for the month at the TOPS meeting Thursday night. Countesses for the title were Cris Dunlap and Ethel Allison. The queen was presented a fruit basket. Evelyn Johnson was queen for the week and her countesses were Marjorie Platt and Myrtle Wells.

**Seventeen women answered the roll call and Zora Mae Beler was presented a birthday gift.**

The club voted to send their part financially to help send Helen Rogers to National Convention in Canada. Helen is the area supervisor and helped start the Muleshoe TOPS organization. Myrtle Wells and Girtie Kirk reported on their state convention they attended in Galveston recently. They announced the queen for the national event was from Houston and she lost 105-1/4 pounds this year. It was reported that 16 tons were lost by members of the TOPS organization in Texas this year. Each member is to speak on their favorite hobby or something outstanding in their home for Thursday's meeting. A fine will be paid unless you have a story to tell.

## ATTEND THE CHURCH OF YOUR CHOICE THIS SUNDAY

# READY FOR *New* CARGO

This ship has been emptied of its cargo, and now stands ready to take on fuel and more cargo for further service. If this ship were to remain empty, it would be of no value and would be failing in the one thing that it was built for.

Man was created to be a companion to God, and when he does not join in worship with God, he is failing in the reason for his creation. Make your life mean something for God...

★ ATTEND CHURCH SUNDAY ★

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persist and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**FUN FOR ALL!** Mrs. Ray (Wanda) Givens, owner and manager of the Muleshoe Raceway, invites all ages and sexes to come out and enjoy the fun. Wanda says "Model car racing is both a hobby and a sport."

★ ★ ★    ★ ★ ★    ★ ★ ★

## Fun Center, Construction Co.

### Operated by The Ray Givens

Fun for everyone is evident when you walk into the city's Muleshoe Raceway, located at 1116 West American Blvd.

The racing firm is operated by Mr. and Mrs. Ray Givens (Wanda and Ray) and car racing is classified as the nation's fastest growing family sport. Interest in the sport has gained momentum each day since the business opened here last October.

Muleshoe Raceway is equipped with eight lanes, each 140 feet long and a 55 foot drag strip, based on one-fourth mile scale for cars. Maintenance items for cars, cars and controls are available there.

Table races are held each Sunday, and drag races each Friday night. Winners of these events are presented with trophies.

Muleshoe Raceway is open to folks, young and old, from 4 p.m. to 10 p.m., week days, from 1 p.m. to 10 p.m. Saturdays and from 1 p.m. to 5 p.m. Sundays and is closed on Mondays.

Mrs. Givens doubles as operator of the Raceway and as secretary for her husbands business firm, Givens General Construction Company.

Givens has been in the construction business all his adult life and became quite familiar with the trade at a very early age, learning from his father who built Muleshoe High School.

Some of the local firms Givens General Construction have remodeled are Muleshoe State Bank, West Plains Hospital, Lambert Cleaners, St. Clair's and Federal Land Bank.

They are distributors for Fedders heating and refrigerated air conditioning systems.

The Givens have four children, Butch, 14; Jan, 12; Gyna, 10; and Mark, 5. They moved to Muleshoe almost three years ago from Lubbock where he was a construction contractor and they are members of the First Baptist Church.

For all your construction needs go by Givens General Construction Co., at 114 West Second Street or call 272-4765.

Then when it is fun time, visit Muleshoe Raceway.

## Irrigation Water Rights Ruling To Effect All Farmers, Ranchers

By Vern Sanford  
Texas Press Association

AUSTIN — Considering a case which could effect every rancher, farmer and other landowner in the state — so far as water rights on their own land is concerned — are the three judges who make up the Third Court of Civil Appeals in Austin.

Appeal by P. L. Garrison of Bandera County of a trial court decision favoring the Bexar-Medina-Aztatoca Water Improvement District No. 1 may revise the process authorized by the Legislature in 1959 under which a landowner could get irrigation rights to more than 200 acre feet of water a year through a relatively simple process of filing for a permit with the Water Rights Commission.

Garrison got his permit on January 9, 1964. But a few days before that, the Commission had ruled that the 1959 route to a permit for additional water did not apply where navigable waters are concerned.

Attacking the permit because of this rule, the water improvement district won a trial court verdict that the Commission's rule was valid, but Garrison's permit was not. This because the usually dry west prong of the Medina River, covered by the permit, is part of a "navigable stream."

Garrison fought two sides in the arguments before the appellate court, because the Commission's attorney said he would rather the court uphold the rule than the permit, even though both were issued by the Water Rights Commission.

If Garrison loses, Texas landowners will frequently find themselves in need of a surveyor and an attorney when they plan to apply for a water use permit.

Next year's legislative session may see state employees battling as hard for a pay raise as school teachers.

Furthermore, help is assured, Gov. John Connally says that "substantial pay raises for state employees" will be among his "strongest recommendations" to lawmakers.

Indications are that the pay boosts could run as high as \$17,500,000 a year.

According to Connally, state government is slipping farther and farther behind in its efforts to keep qualified workers — not only in the lowest pay levels but in the higher brackets of professional personnel.

Connally says that:

— More than 7,800 of the 45,000 state employees (not including those at colleges and universities) make less than \$3,000 a year, the federal "poverty line."

— Turnover is running 30 per cent per year.

— Lower - bracket hospital aides get as little as \$193 a month.

— There are 313 vacancies in the hospital system, 77 in parks and wildlife operations, 100 in the prison system, 135 in the highway patrol and 148 in the Texas Education Agency.

"If we do not reverse the trend," warns Connally, "not only will the stability and efficiency of our operations be threatened, but we will also weaken our entire system of local self government and responsibility."

Salary issue promptly was injected into the governor's race.

Stanley Woods, Connally's opponent for the Democratic nomination, chided the governor for not having spoken out on the subject before election time.

Woods' ticketmate, State Rep. Bill Hollowell, running for lieutenant governor, said Connally should submit the raises to an immediate special session of the Legislature rather than waiting eight months until the regular session opens.

State Highway Department accepted bids last week for the most projects in a single letting in eight years — eighty-five projects for a value of about \$46,000,000.

State Securities Commissioner William M. King reinstated the secondary trading exemption of Saturn Industries, Inc.

Postmaster General Lawrence O'Brien authorized a vending stand in the new Austin post office as demanded by the State Commission for Blind, Dr. Hiram Friedsam of North Texas University is the new chairman for the Research and Training Advisory Council of the Governor's Committee on Aging.

AG Opinions — Even under the new Criminal Code, habitual violators of Texas' traffic laws will not be able to protect their driver's licenses from being revoked by pleading no contest to charges. So ruled Atty. Gen. Waggoner Carr.

In other recent opinions, Carr held that:

— Willbarger County Hospital District may pay for land acquired to establish community center for mental health and mental retardation services out of a building bond issue or district tax levy.

— Tax bonds of Texas junior college districts are not eligible to secure deposits of state funds, but revenue bonds are eligible to secure deposits of state funds, but revenue bonds are eligible to extend provided by statutes.

— County clerks in misdemeanor cases have authority to issue arrest writs to any peace officer.

— Willbarger County Hospital District bonds are not acceptable as security for state deposits.

— No inheritance tax is due the state on a veteran's estate which passed to the U. S. on his death.

Secretary of State has no authority to accept and file applications for certificate of withdrawal from foreign corporations unless they comply with all requirements of Texas Business Corporation Act.

Hearing Set — Railroad Commission has set a hearing for May 27 to investigate purchasing and transportation practices of the Gulf Oil Corporation and Gulf Refining Company in the Pittsburg Field in Camp County.

T. D. Humphrey Jr. and Southern Union Production Company requested the hearing.

Conclusions after a year-long study of pollutants caused by cotton gins is that smoke emitted from burr burning contains significant quantities of arsenic and tars. These poisons, along with gin dust, have contributed to the 20 to 30 per cent increase in complaints about respiratory diseases suffered by downwind residents during ginning season. Also, there have been reports of arsenic and vegetation down wind from arsenic and other evidences of pollutants.

Report states that much of the increased pollutants from the gins are caused from an increase in trash — leaves, limbs, immature bolls, and dust — picked up by mechanical harvesters. Recommendations for curbing these problems will be in the report of the Board's staff.

Water Quality Costs Going Up — Taxpayers, as well as the men who run the sewage treatment plants in growing cities, must get used to the fact that in the future they are going to have to maintain high standards of operation of their plants. Higher quality water means higher cost of treatment.

This came out in the Texas Water Pollution Control Board's meeting when the City of Dallas objected to a doubling of the Board's usual chlorination requirement, arguing it would cost more than it would be worth.

Dave Smallhorst, the Board's executive secretary, said: "The cities, including Dallas, have to recognize the fact that an increase in water quality requirements is going to mean an increase in cost." Smallhorst said chlorination is necessary to protect public health and the Board's first concern is the health of the public.

Courts Speak — A trial court ruling that Rice University must integrate can be appealed by school alumni, Texas Supreme Court held.

State Highway Department accepted bids last week for the most projects in a single letting in eight years — eighty-five projects for a value of about \$46,000,000.

State Securities Commissioner William M. King reinstated the secondary trading exemption of Saturn Industries, Inc.

Postmaster General Lawrence O'Brien authorized a vending stand in the new Austin post office as demanded by the State Commission for Blind, Dr. Hiram Friedsam of North Texas University is the new chairman for the Research and Training Advisory Council of the Governor's Committee on Aging.

## WELCOME TO MULESHOE

**JOHN HARRIS**

Newcomers to Muleshoe are Mr. and Mrs. John Harris and their 8-month old son, John Kevin. The family moved here from Portales, N.M. where he was employed as an automobile mechanic. He is presently employed at Fry and Cox as a mechanic.

Harris and his wife, Carolyn, are members of the Baptist Church and live at 1218 W. Avenue C. The following merchants extend a cordial welcome to these newcomers.

(Continued from page 1)  
Elliott announced. Membership chairman is Jim Cox. Elliott pointed out that of the 96 now signed up, 27 are farmers, "thus giving our industrial organization a good cross-section of members." He said no drive has been held, "just those interested enough to join, doing so."  
"We are contacting those who are interested enough to join in our movement, realizing that the future of the entire Muleshoe area depends on our industrial program."  
"Many," said Elliott, "are going to work compiling and securing material that will be used to 'sell' Muleshoe to those who make inquiries." He said most of these contact people are already at work on this phase of the project.  
"Soon," he explained, "the members and the board will get together for a fireside chat and begin to move into the mechanics of getting the work all put together."  
Harold King is vice-chairman and Wilbur LeVeque the treasurer.

**Cotton...**

(Continued from page 1)  
question was conducted last fall throughout the Cotton Belt, and growers in 349 counties at that time approved the allotment transfers in last fall's vote.  
The upcoming vote by mail marks a first in program administration, according to Locker. Farmers previously have been able to vote by mail in annual ASC committeeman elections, but the method has never before been used in a commodity program referendum.  
Locker said, "It's easy to vote by mail, and we hope all producers will vote. The vote should be fully representative of the wishes of cotton farmers in our county."  
The chairman said that copies of the ballot are being sent to all cotton producers of record in the county, together with information describing the program's purpose and operation. Any cotton producer who has a question about the referendum or about who is eligible to vote, is urged to get in touch with the ASC's county office.

**Summer Reading Program Planned By Bookmobile**

The Texas State Library will again sponsor the Texas Reading Club this summer. Last year 40,000 boys and girls joined this vacation reading program to make it the largest in the world! The program is designed to encourage reading among young people.  
"You may participate in the Reading Club through the High Plains Library Bookmobile, so start making your plans ahead time," says Mrs. Pena, Listed below is additional information concerning the Texas Reading Club:  
1. The program dates are June 1 to August 31.  
2. Children who join this summer Reading Club and read 12 books of their choice and reading level will receive a certificate from the Texas State Library.  
3. A list of the titles read for this program will be kept on a reading log furnished by the State Library. Each reader should fill in his own reading log. Just ask your Bookmobile Librarian for a reading log.  
"Plan on making this a more interesting summer through books!" she concluded.

**Fine Arts Events Set**

Muleshoe Fine Arts Department will present a four-day "fine arts festival" Monday, Tuesday, Thursday and Friday, it was announced Saturday by fine arts directors Leasel Richardson, Bill Bradley and Bob Breckenridge.  
Monday night's program will include a one-act play, "The Red Peppers," to be given by Eastern New Mexico University cast. Tech Madrigals also will sing. Then on Tuesday night, Texas Tech Men's glee club and the Muleshoe "Blue Mules" will present an entertainment.  
Thursday night's program will be given by the Muleshoe High Choir and band, together with a brass choir from West Texas State University.  
Friday night's program will be an American Heritage program for the public and for the schools. In addition, an art show will be presented each night of the festival, featuring paintings by many well-known artists. On Saturday night also there will be a fine arts banquet, open to all of the fine arts students.

**GUIDED AGE** - It seems the eighth grade at Junior High entered a contest Friday to see who could fit the title of 'guided age'. The honors went to Betty Harbin, first, Diane Crawford, second; and Narsisa Otwell, third; in the girls division. Norman Sowder took fourth and Kathryn Darsev, fifth. Alford Bleeker was named first place winner in the boys guided age contest held Friday at the Junior High here. Brent Tanner came in second and Butch Givens, third. Judges for the event were Mrs. John Watson, C. E. Fox, Ben Gramling, Kathleen Francis and Margaret Durban. (Journal Photo)
