Hawks to host **Pipers**

The Hawks will once again have their hands full Friday night when they play host to the Hamlin Pipers at 8 p.m. at Hawk Stadium.

The Pipers, a state semi-finalist last year, return five offensive and four defensive starters from a team that finished the season with a 10-4 mark that included a 22-14 win over the Hawks.

"They've got a good football team again this year," head coach Weldon Nelms said. "After watching them on film, I think they might even be better than they were last year. They have four or five starters returning and a lot of other kids that played in a backup role last year but they all gained a lot of experience and Hamlin has established a winning tradition and has a lot of high expectations going into this season."

Iowa Park will be coming into this week's game looking to continue its dominance in the ground game. After piling up 319 yards against Burk and 216 against Electra, the Hawks are averaging an impressive 5.5 yards is leading the team in rushing with 215 yards on 36 carries for close to a 6-yard per-carry average. Shane Bagley, also a senior, is averaging 8.7 yards per carry gaining 140 yards on only 16 tries. Sophomore quarterback Todd Yeager is the team's third leading rusher with 92 yards on 24

The Iowa Park passing game still hasn't gotten on track as the Hawks have struggled in their first two games completing only 5-of-20 for 75 yards. Split end David Waterbury leads the team in receptions and yardage.

Defensively the Hawks are led senior linebacker Clint

OUTSTANDING TEACHERS RECOGNIZED - During Thursday's school trustee meeting, board chairman Keith Fisher, center, presented plaques of recognition to Ruby Black, this year's Secondary Teacher of the Year, and Michael Bean, Elementary Teacher of the Year. Bean also has been selected the Region Nine Elementary Teacher of the Year.

Trustees handle routine business

Iowa Park school trustees handled a lengthy list of issues during their regularly-scheduled meeting Thursday night, most of which were related to plans for the new school year.

Besides reports from each of the campus principals concerning testing and getting the new year underway, student field trips, fund-raising projects, dress code, teacher evaluations and new personnel took up the major portion of the meeting time.

The one revision to the student dress code which was enacted has to do with moustaches. It reads, "Moustaches shall be well groomed and shall not extend beyond the corner of the mouth or touch the red part of the lips."

The motion was approved unanimously.

Teacher appraisal dates are to begin Sept. 18 and end April 30, with the legally-mandated exception of days immediately preceding a holi-

Those who will be doing the appraisals include all principals, Glen Mitchell, Robert Palmer, Debra Brandt and Dennis Brooks.

The same organizations that had contracts to operate concession stands last year were approved again for this year. They are the Band Boosters, at Hawk Stadium, and Athletic Boosters, at the gymnasium.

When asked if any other organization could bid on a contract, Supt. Mitchell said all proposals received in the spring would be considered for the following year.

The board approved a proposal from the site based decision making committee to grant a waiver to offer algebra I over a two-year period, in 1996 and 1997. Algebra I-IV will be offered those years to selected students, and two credits will be award upon completion.

Trustees approved four changes in this year's budget, none of which were budgeted.

Besides adding \$40,302 to purchase a new van and pickup, and adding student insurance expense for volleyball and softball, \$3,160 was put in the budget for an English as Second Language consultant.

During a discussion concerning student fund-raising activities, it was decided that telephone solicitations would be prohibited, and explanations of what money raised would be used for would be volunteered.

Juveniles catch police attention

Juveniles occupied a lot of time during the past week of the police department.

Youthful offenders were picked up for shoplifting, running away, curfew violations and even attempting to steal street signs.

Police were notified Thursday that a young male suspect had been shoplifting during the hour before school started, over a seven-day pe-

Personnel at Wal-Mart identified the 14-year-old from photos in a school yearbook. He was alleged to have taken five calculators, two video cassettes and a poster, all valued at

He was taken into custody and, after all the items were returned --

including two calculators he had sold to other students -- released to his mother's custody. His case also was referred to the county juvenile probation department.

Two 16-year-old juveniles, a male and female, from the south Texas community of Taft were taken into custody at a residence in the 1200 block of North Pacific Monday af-

Both were held in the juvenile detention, to await being turned over to their parents, according to the police blotter. The male was charged with criminal trespass and the female for running away from home.

Three juvenile girls were picked

Sales tax report glows

Iowa Park continues to lead all \$175,186.97 reported at this same other cities in Wichita County in percentage of increase in sales tax collections for the year.

The city received a check this month for \$15,606.20, which includes taxes collected on July sales and reported in August by businesses fil-

That made the year's total rebates \$190,858.77, which is an increase of 8.94 percent over the are reporting negative collections.

time in 1994, according to the state comptroller's report.

Wichita Falls has experienced a gain of 2.79 percent, and Electra is 1.33 percent thus far over 1994. Burkburnett, however, has a loss of 4.56 percent.

In Archer County, Holliday is 2.70 percent above this time last year, and Scotland is the only other city in

Ambulance service may change

The city council is to consider a change in ambulance service, when aldermen meet at 7 p.m. Monday in council chambers.

A resolution is noted on the tentative meeting agenda which, if approved, would authorize CareLine, Inc. to assign the ambulance service

to Laidlaw, Inc. An ordinance will be considered to abandon part of the street right of way in the 600 block of South Texowa.

City Administrator Mike Price is to propose the council prohibit fishing on Lake Gordon Oct. 19-20, in conjunction with a "Kid Fish" event to be held Oct. 21.

If approved, fishing would not be permitted those two days, while the lake was being stocked with additional catfish by the state.

Life-long resident recalls changes

By MYRNA SMITH

Seventeen years before the birth of James Taylor George his father, James Newton (Jim) and grandfather Thomas Benton George came to this sparsely settled area to check out possibilities of buying land and moving to Texas.

They liked what they saw and the elder George purchased two and a half sections of farm and ranch land. Located about six miles southwest of what is now Burkburnett, Gilbert Creek meandered through the middle of the property.

The elder George and his son built a one and a half story white frame house on the land before Thomas Benton returned to the rocky hills of Franklin, Tenn. He brought his wife, Sarah Taylor George, and their children to the new home, establishing the George name that has been a familiar one in Wichita County more than a

A few years after settleing here Jim met and married Nodema Keturah (Deamy) Hale who was born north of Iowa Park.

James Taylor was born on the George land the year Indian Territory became the State of Oklahoma. Of their four children, Taylor at age 88 is the only living child of Jim and Deamy George.He has never lived more than nine

miles from his birthplace. Taylor now lives in what is

said to be the oldest house in Iowa Park, at 610 N Yosemite It was built by Jesse Kennedy, who was associated with the Iowa-Texas Land Co., that bought land in this North Texas area for resale to prospective settlers. He bought the four room house at auction in 1933. He has added to it and now it is seven rooms and two baths.

Surely the grandfather never imagined the only son of his eldest son would 43 years later buy the house built in 1890, the same year he and his young children came by rail to this part of Texas. But, lives have strange ways of interweaving through the years.

The town of Burkburnett was originally known as Nesterville, Taylor said. His typically low voice rises to a different level as he gets a little upset that people pronounce Burkburnett the way they do. "It should be pronounced the way Burk Burnett and Tom Burnett's names are pronounced, since it was named for Burk", Taylor fumes. Burk Burnett bought ranch land west of Iowa Park in 1870s.

Taylor rode to the old Weeth school in a buggy. His two older sisters, Cleo and Jessie Mae, were in school in Burkburnett.

When Taylor's little sister, Mary, was old enough to go to school, he would go by his Uncle Will's (W.F. George, brother of Jim) and pick up his cousin Catherine and take them to school. To keep warm in the winter they used heated bricks.

As we visited and his reflective juices began flowing, Taylor revisted yesterday from his childhood as well as from the years

He remembered going into Burkburnett when the first oil well was brought in.

"Papa went in the wagon to see the new well, and of course I had to go every time he went anywhere. He told me to stay in the wagon, and stopped it about 100 yards from the well. I'll never forget how that black oil looked gushing out over the wooden derrick.

"I got tired waiting so I got out of the wagon, barefooted of course, and started walking toward the derrick. It was July and by the time I got to Papa, the hot sand was really burning my feet. I didn't want to have to walk back, but he told me if I where I was barefooted

I could get back. I did." When Taylor saw his first car he was riding his horse. The car spooked his mount and it ran away. The "car" was an open top fourwheel buggy with a two cylinder motor on the back and a chain drive. It was steered by a chrome rod. He remembers that it was driven by W.H. Gauntt.

"I also remember the first car Papa bought." With a slight grin, he reminded me that the vernacular of that day was Papa and Mama, not Mother and Daddy.

"The car was a right hand drive four-cylinder Buick with the gear shift on the left running board. It had acetylene headlights and kerosene tailights."

Taylor laughed as he recounted their first trip to Burkburnett in the car to buy groceries. "When we came home Papa drove the car into the garage and hollered 'Whoa'. Of course the car didn't whoa and we went on through the back wall."

He said their first lights in the farm house were from a 32-volt Delco plant. It had 16 glass batteries that Taylor had to keep filled with water and it was generated by a motor that had a knob that it was cranked with. That also was Taylor's job.

His and his dad's first shower was from a storage tank on a stand that was filled with water pumped from a well. From this tank hung a gallon bucket with holes punched in the bottom.

When Taylor would be in the 10th grade his dad purchased three blocks of ground in Iowa Park where he built their two-story buff brick home that still stands today at the corner of Yosemite and Magno-

A mischievious grin crossed his lips as he related that when he was a senior the play they were to

TAYLOR GEORGE

Glass, Edmiston are wed in candlelight ceremony

Marsha Ann Glass, daughter of Mr. and Mrs. Daniel Glass, became the bride of Howard Parker Edmiston Saturday in a ceremony performed at 6 o'clock in Trinity Lutheran Church of Clara.

The bridegroom is a son of Mr. and Mrs. Howard Edmiston of Crockett.

The newlyweds are now on a tour of the Hawaiian Islands. Upon their return they will make their home in Crockett.

Rev. Daniel Canion, pastor, directed the recitation of double ring vows.

Candlesticks were arranged on either side of the altar, flanked the front doors and were placed between the windows. A large arrangement of fresh flowers in front of the altar completed decorations in the sanctuary. Pews were marked with bridal pink net swags and ivory tulle bows.

A string quartet presented prelude music. Donna Brimley and Patrick Robertson sang, "Only God Could Love You More" and Ms. Brimley sang "The Lord's Prayer".

The bride's father presented her for marriage. Her bridal gown of ivory taffeta was designed with a scalloped sweetheart neckline, a stunning drop

Sharp, Wade exchange vows

Charles Wade Son and his bride, the former Stephanie Michele Sharp. are making their home in Iowa Park following their marriage Aug. 4 in Grace Baptist Church of Iowa Park.

Mrs. Son is the daughter of Steve and Carlene Sharp of Iowa Park, Son's parents are Charles and Susan Son of Wichita Falls.

Rev. John Hare, associate pastor of Grace Baptist Church, directed the double ring vows in an altar setting of purple and green candles burning in ivory candelabra. Ivory tulle bows decorated the window peaks and pews were marked by small white floral bouquets with rose inserts of purple and green.

The bride's father gave her in marriage. Her gown of candlelight bridal satin featured a white Venetian lace overlay on the bodice. Pouffed cap sleeves had lace extending to the wrists. Self-covered buttons closed the sleeves to mid-arm. A full chapellength train completed the bridal

A headpiece of ivory roses held her three-tiered, lace trimmed veil of illusion. She carried a bouquet of ivory and purple silk roses with crystal baby's breath and ivory tulle ac-

Kelli Wright of Granite, Okla., served as maid of honor and Kelly Lindsey of Burkburnett was bridesmaid. They were attired in tea length floral dresses with ivory eyelet collars. Their hand-formed bouquets were purple silk roses with white

April Hare of Iowa Park and Lisa Brunker of Lawton, Okla., were flower girls. Their dresses were styled identical to those of the other feminine attendants. They wore wrist corsages of purple roses.

Joel Hare of Iowa Park acted as best man. Joel Johnson, Wichita Falls was groomsman and Jeremy Hare and Brady Sharp, both of Iowa Park,

A reception was held in fellowship hall of the church. Purple streamers and teddy bears were used in the decorations.

The bride's three-tiered white cake was decorated with purple roses and green leaves. Tamara Carden presided.

Elizabeth Johnson presided at the

The rehearsal dinner was hosted by the groom's parents at Mr. B's Steakhouse.

For travel the bride wore a green and blue floral challis skirt with a green bengaline jacket. They honeymooned at Lake Murray and Turner

Out-of-town guests included Mr. and Mrs. Larry Sharp, Mr. and Mrs. Wayne Sharp, Carl Wood, Mr. and Mrs. Dale Brunker, Vickie Wright and Betty Vickery.

The bride is a 1995 graduate of Grace Baptist Christian School and is employed by H&R Block.

The groom is a 1993 graduate of Calvary Baptist Christian School of Wichita Falls and attended Midwestern State University. He is employed by Cryovac of Iowa Park.

I had intended to drop the issue of the Hotter 'n Hell Hundred, but Iowa Parkan Mike Minderman came to the office last week with a point

that needs to be made. Mike, who farms, does construction and also digs graves, lives on Watts Road, which has only one entrance and that's off FM 367-368.

Wanting to make an impression on the sponsoring Wichita Falls Bicycling Club as to the effect their ride has on folks not residents of that community, Mike sent the club a bill, pointing out his inconvenience.

The bill was for being shut down from working four hours, at \$60 per hour, for a total of \$240.

He received a bill from the club which states: "Billing for entertainment provided and community enrichment activities, 2400 hours @ ten cents per hour = \$240."

And they capped it off by writing, "Thanks, we appreciate your support of this important community event."

Needless to say, Mike was hot under the collar. And I don't blame him.

Have you ever noticed how misleading some businesses can be, concerning their prices.

I'm talking about prices of such items as automobiles, gasoline and sandwich meat.

Some sharpie a few years back apparently noticed that people pay attention only to the major numbers of prices, and decided that was the best way to attract buyers.

For example, when was the last

CUB SCOUT

This Saturday is our Scout-O-Rama at the J.S. Bridwell Ag Center in Wichita Falls. Our theme this year is Pinewood Derby, so if you want to bring your cars, awards, and trophies you have won in the past, be sure to do

Lunch--Chicken spaghetti, sesame broccoli, carrots, garden cottage cheese salad, garlic toast, chocolate pudding.

TUESDAY, Sept. 26 Lunch--Roast beef, brown gravy, mashed potatoes, brussel sprouts, hot rolls, banana cake.

WEDNESDAY, Sept. 27

Lunch--Pinto beans and ham chunks, fried okra, yellow squash, combread, peach half.

THURSDAY, Sept. 28

Lunch--Country fried steak, cream gravy, mashed potatoes, mixed vegetables, white or wheat bread, strawberry dessert.

FRIDAY, Sept. 29 Lunch--Meat loaf, creole sauce, blackeyed peas, cole slaw, combread, prunes/apricots.

time you saw an automobile priced at a flat \$12,000, other than possibly an individual trying to sell his used car in a classified advertisement?

If a dealer is pricing a vehicle, he'll have \$11,998. He knows that potential buyers pay attention only to the first two, or possibly three, numbers in the price.

In other words, a car priced at \$11,000, or \$11,900 sounds better than \$12,000.

Now, dealers are advertising what a per-month payment would be, to make the price sound more affordable.

Can you remember gasoline prices posted at a flat price? I'm guilty of driving down the highway and commenting to Dolores that gas is only \$1.21 in a particular area.

Actually, the price is \$1.219. The 9 is always in smaller letters than the first three digits. But it sure is closer to \$1.22 than it is \$1.21.

Throughout history, we've always purchased meat at the grocery market by the pound. That's still true, except for sandwich meat.

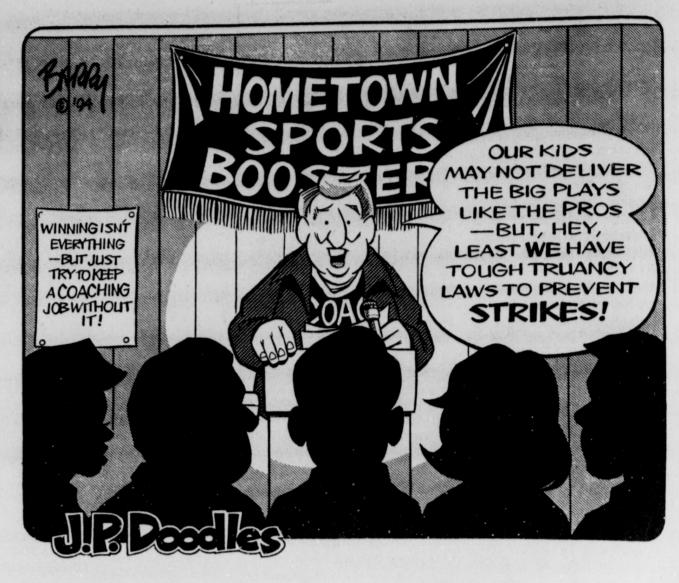

·A few years back, the big suppliers started packaging sliced meats in 12-ounce packages. Buyers, having passed by the shelves of steaks, roasts and chickens, have by-thepound prices on their minds.

They've been seeing, for instance, steak for \$1.98 a pound.

And when they get to the sliced meat package section, they might see a price of \$2.10.

That doesn't sound so high. Not for all the sandwiches the slices in the package will make.

Well, that package of sliced meat would actually cost \$2.80, if it were a full pound.

Taylor George recalls early Iowa Park

Continued from page 1

present was titled, "Bashful Mr. Bob" and Supt W.R. Bradford wanted him to be Mr. Bob because his was so shy.

"When he told me I would have to kiss Vivian Smith, a character in the play, I informed him I wouldn't do it. I had never kissed a girl and I wasn't going to now." When Bradford told him "You will or go to the office with my paddle", Taylor relented, but he wasn't pleased.

Taylor graduated W. F. George High School in May 1924, the school that had been named for his Uncle Will. The building was finished shortly before the close of 1923 and they got to move in it in time to have their graduation exercises. He said there were 27 students, but only 10 graduated.

Taylor's first job after moving to Iowa Park was washing dishes in James Hosak's "chili joint".

His first job after graduation was at the Rexall Drug Store for Dr. Tommy Clark and Fenton Dale. He and Red Hill, who later became president of the First State Bank, both worked as clerks.

While Taylor was working for the Rexall he and another clerk took turn about opening in the morning and closing at night. One night the city marshal had made an arrest and confiscated some home brew.

He brought it to the drug store and wanted them to lock it up with their medicine. It was the other clerk's time to close. Taylor opened the store the next morning. He said "It was evident the clerk and his friends had a lot of fun with the home brew".

Taylor called Fenton Dale and told him what he found. Fenton immediately came down, got his checkbook and the clerk never came back to the store

Some time later A.C. Golden, chairman of the board of First State Bank, came to Taylor and offered him a job as bookkeeper and assistant teller for \$120 a month. That was more than he was making at the drug store, so he took the job.

Soon he bought a new 1925 Model-T roadster with oak wheels, balloon tires, a rumble seat and lock steering wheel for \$525. By this time Taylor wasn't bashful with the

One day he and Buddy Tanner, "a young man about town" went to Craterville Park in Oklahoma.

There he met his future wife, Hazel Bell, a cousin of Buddy's. She lived in San Antonio, but visited the Tanners every summer, and she and Taylor began dating.

Taylor enrolled at Texas A&M the next fall, where he attended one year and one semester. Buddy was enrolled at Baylor, so Taylor decided to change to Baylor. Hazel was going to Baylor in Belton.

Taylor and Buddy roomed with four football players. Every weekend a big black car with the tag "No. 1" would drive up. It was former Governor Pat Neff and his son. He would knock on the door

and Taylor and three others would stay and play dominoes with him.

In the summer of 1927 Hazel came to visit the Tanners and she and Taylor decided to get married. They talked to her daddy, John Bell, and he told them to go ahead. They were married Aug. 14, 1927.

After their marriage Taylor began working for Tanner Furniture and Hardware, located at the corner of Cash and Wall streets which is an Iowa Park landmark.

Taylor also helped out at Tanner Funeral Home that was located across the street where Texas Reality is now located. Taylor assisted with embalming and also with autopsies that occasionally were performed there. He continued to work at the two businesses part time until 1986

In 1936 he went to work with his father-in-law at Morgan-Cain Oil Co. Bell wanted to go into the wholesale and retail oil business and handle a few car parts.

They went into business as Alamo Oil Co. Taylor bought out Bell in 1940 and operated the oil company until 1946.

At that time he had to have some "simple" surgery done, which lasted two hours and 50 minutes. He could not work for six weeks.

Taylor was president of the Lions Club and decided to go to the Lions Convention in Philidalphia, taking 12 days extra after the convention was over.

The only way he could go was by Pullman and his Iowa Park physician, Dr. Gordon Clark, told him he had to be checked by a doctor every day he was gone.

To hear Taylor reminisce, he must have had a ball. He made all the interesting and historical places in Philadelphia and then decided he would do some more sightseeing.

A few of his other experiences included going up in the Empire State Building in New York. Coming down he was told not to talk or open his mouth. But he had to see about that, so he opened his mouth and found out that when the elevator is dropping 600 feet a minute your tongue sticks to the roof of your mouth and you can't move it.

His next exciting time was when he walked across the street to buy a bus ticket. He got tired of waiting in the long line inside, so decided to stand outside. That wasn't a good idea. He was arrested for vagrancy. When the judge saw his Lions Club button he waved his hand for Taylor to forget it.

From there he went to Washington, D.C. He visited the Capitol and Congress was in session, discussing the Tidewater Bill. He listened for a while. He said, "You would have thought it might be a high school debate team".

He went to the Pentagon, the Statue of Liberty, Mount Vernon, Grant's Tomb and many other historical places. "I learned more history there than when I was in school".

While his train was stopped in China Town he was handed a

telegram asking him to go to a nursing home when he got to Fort Worth and get Eli Copeland's mother and take her to the Eastern Star Home. Copeland was a local resident. Taylor has been a member of Eastern Star since 1940 and served eight years as Worthy

He has had varied experience in his jobs through the years. When he sold Alamo Oil Co., he leased Barbour's Magnolia Station and from 1962 until 1984 he was a substitute mail carrier.

While selling cars for Hill Motor Co., he went to Oklahoma City and drove back the first automatic drive Chevrolet for them

He worked 12 counties selling Quaker State products. Later he went to work for Edwards-Tarry & Parks Insurance Agency, and then for R.W. Hill Insurance until 1971 when he started drawing Social Security. But he was still working for the post office and the funeral

Taylor was active in civic and community activities as long as he was able and had time.

He was a member of the Volunteer Fire Department more than 44 years, starting in 1927 after it was formed in 1924.

Iowa Park's first real fire truck was built on a Model-T frame. The next one was an International truck with a tank of water behind the seat. "There was just a seat and a

steering wheel," he remembered. He said a windshield or a cab were not allowed in the early 20s.

Taylor was a long time member of the Lions Club as well as the Masonic Lodge. He was active in the Wichita Falls Commandery No. 59, York Scottish Right, Shriners, and served as Worshipful Master of the Commandery. He also served several terms on the Iowa Park City Council.

Taylor worked in some capacity with the Texas-Oklahoma Fair 34 years, from the meager beginning in an old mechanic's shop on West Park in 1928, until a fire destroyed the main auditorium just before the fair opened in 1962. It was decided soon after the fire to cease operation.

Taylor and Hazel had been told they could not have children, but their first and only child, Jimmie Joy, was born Feb. 27, 1935.

Jimmie Joy was born with a rare physical defect that required immediate attention. After Dr. Clark conferred with another physician, he did the surgery on the Georges dining room table.

Everything turned out fine from that, but she had a heart defect they had to be careful about.

Jimmie Joy married an Iowa Park boy, J.C. Parmer, who became a dentist. After the birth of their twins Jimmie Joy had to have open heart surgery and she and her mother stayed in Dallas two months. Taylor and J.C. went to Dallas every weekend. Taylor recalled that she was in the hospital when President Kennedy was assassinated.

"She is now doing real good," Taylor said. They had two more children and she helps her husband in his office. It seems Jimmie Joy's surgery

was the beginning of a number of physical problems in the family. Hazel developed breast cancer in 1964 and underwent 94 cobalt treatments. It seemed to be in remission, but later came back and Hazel died in 1968.

Dec. 1, 1973, Taylor and his present wife, Marge, were married in the chapel of the First United Methodist Church, where five generations of the George families have been baptized.

In 1977 J. C. and Jimmie Joy took Marge and Taylor to Bella Vista, Ark. Taylor bought a lot there and they planned to build a retirement home when he retired.

That didn't work out for them either. Marge suffered a stroke in 1992. They had to sell their lot and because of her condition she was at Grace Care Center until their Medicare and Blue Cross Insurance ran out. She has been in the local nursing home three times. It finally got so Taylor had to bring her home and he is her sole caregiver, with the exception help two hours a day from Home Health Care, a lady to come in and clean the house, and a man to take care of their yard.

Taylor gets out for two hours a day, per doctor's instruction. He plays dominoes with a group of friends each day except Saturday and Sunday.

He excused himself several times from the table where we were visiting to go into the living room and check on Marge's needs. She watches televison most of the

Marge cannot wait on herself at all and Taylor has had his own physical problems. He has had cancer surgery and he now has carpal tunnel syndrome in both hands.

He says, Now we are both just waiting for the end," and refers to 3 James 1:14, which reads,"I hope to see you soon, and we will talk face to face."

Taylor has four grandchildren, Jim, who has a drug store in Vernon and his twin, Pam, a dental hygenist, Jay, also a dentist, with offices in Quanah, Childress, Memphis and Vernon, and Paige, a dental hygenist, who works for her

The Iowa Park Police Department hs a lost and found drawer.

The drawer contains items that have been turned in to the department, such as keys, glasses, wallets and jewelry.

If you lose an item or if you have lost an item in the past, be sure to check with the police department to see if the item has been turned in.

Showers drench local area

Iowa Park gardens, lawns and fields were soaked during the past few days with 1.08 in rainfall, according to Virgil Woodfin.

He said he measured .10 Friday, .30 Saturday, and then a total of .68 accumulating from steady showers late Monday and early Tuesday.

GOOK

Brenda Edwards

A favorite source of recipes for 3 med. potatoes, sliced thin Brenda (Mrs. Wayne) Edwards is her co-workers at Levi Strauss. On special occasions they have salad dinners and each brings a favorite dish. Naturally, there are many requests for recipes, and over the years Brenda has collected quite a few.

In fact, the employees have come up with so many good recipes, they have put together a cookbook, to be published in December, with over 600 recipes in it.

Brenda grew up near Iowa Park on a quarterhorse ranch where her father worked. She is a graduate of Iowa Park High School. When she and Wayne married, they moved to Valley View where they still live. Wayne is a foreman for Lydick Roofing Co., and Brenda has worked at Levi Strauss 16 years.

They have two daughters. Renea, 25, is married to Tracy Ward and they have two children. Janelle, 16, is a junior at Iowa Park High School.

The Edwards' are very active in community and school organizations.. Brendaisco-leader of the Valley View 4-H Club and reporter for the Iowa Park FFA Booster Club. Wayne is president of the FFA Booster Club, a member of Wichita County Livestock Association and Wichita County Young Farmers. They are members of Christ the King Catholic Church.

Brenda likes to crochet, fish, help Janelle with her animals and spend time with her grandchildren. Another family activity is raising show pigs. And since Wayne's father lives at Possum Kingdom Lake, they like to go down there a lot.

Brenda says that Wayne is a good cook and, when he has time, goes through the cookbooks and tries out new recipes, often adding his own touch. The recipes this week are some that he has tried, and others are ones that have been passed around at Levi

Round Steak Dinner

I lb. round steak, cut in serving size

Bacon, enough to cover bottom of

2 med, carrots, sliced thin

1 onion, sliced thin 1 cup water

Salt and pepper to taste Place bacon in the bottom of a 10 or 12-inch skillet. Layer steak, carrots, potatoes and onion and add water. Cook, covered, on low heat 1 hour. It is important the lid fit tight, or check to prevent burning.

Southern Pork Chops with Rice

4 pork chops, coated

1/2 cup chopped green pepper 1/2 cup chopped onion

1 tsp. salt 1/4 tsp. pepper

2 chicken bouillon cubes 2 cups boiling hot water

Brown chops in skillet. Put rice, green pepper, onion, salt and pepper in bottom of 1 1/2 quart casserole. Place browned chops on top of rice mixture. Dissolve bouillon cubes in hot water; pour over porkchop mixture. Bake covered in 350 degree oven

Chili-Cheese Corn

1 - 8 oz. pkg. cream cheese 2 cans whole kernel corn, drained 1/4 stick butter

1/4 cup milk 1 can chopped chilies 1/4 tsp. garlic salt

Melt cream cheese, butter and milk in pan. Drain com and stir into melted ingredients. Add garlic salt and chilies. Pour into baking dish and bake at 350 degrees 20 to 25 minutes.

Mandarin Orange Salad

1 large ctn. Cool Whip 1 small ctn. cottage cheese 1 small can crushed pineapple, drained 2 cans mandarin oranges, drained

1 small pkg. orange jello Mix dry jello with Cool Whip. Gently add cottage cheese, then pineapple and oranges. Refrigerate for 1 hour.

Spanish Coffee Cake

2 1/2 cups all-purpose flour 1 cup packed brown sugar 3/4 cup sugar 1 tsp. ground cinnamon 1/2 tsp. salt

3/4 cup cooking oil 1 tsp. baking soda 1 tsp. baking powder

1 cup buttermilk 1 beaten egg

Grease and flour a 13/9/2 inch baking pan; set aside.

In a medium mixing bowl stir together flour, brown sugar, sugar, cinnamon and salt. Make a well in the center of the mixture. Add oil; stir to mix. Remove 1 cup of the flour-oil mixture for topping; set aside.

To the remaining flour-oil mixture, stir in baking soda and baking powder. Add buttermilk and egg; stir just until moistened.

Spread batter in greased baking pan. Sprinkle with the reserved topping. Bake in a 350 degree oven 35 to 40 minutes or til a wooden pick inserted near the center comes out clean. Cool in pan on a wire rack.

Parents without Partners open house set Sunday

The Wichita Falls Chapter of Parents without Partners is having an open house from 2-5 p.m. Sunday at 3100 Seymour Highway, Suite 122.

Single parents are invited to join with others like themselves. Membership in the group provides a social outlet, with opportunities to make new friends for the adults and their children. The group provides fellowship, mutual support, and opportunities for social, educational, and family activities.

Parents without Partners is an international, non-profit non-sectarian, educational organization devoted to the welfare and interests of single

Study Club begins new year

The Twenty-Three Study Club tioned specific keys that enable a met Thursday at the home of Mr. and Mrs. Rollin Roberts for the initial meeting of the 1995-96 club year. Pat Aulds and Flossie Nunn served as cohostesses.

Activities began at a breakfast served by the lovely backyard pool. Shirley Hicks offered the invocation.

Wanda Singer, chair of the program committee, served as leader and distributed new yearbooks. "Unity in Diversity--Open the Gate for Involvement" is the club theme for the

Frances Park, Lucy Reynolds, Colleen Roberts, and Helen Dale Roberts were recognized as other members of the program and yearbook committee.

This year the focus will be on individual involvement of each member. Mrs. Singer opened the program with the quotation, "I can't change the direction of the wind, but I can adjust my sails."

Members answered roll call by responding to the question,"What one woman helped you open your gate to involvement?"

A reading, "Call Me a Woman" by Nancy R. Smith was given by Mrs. Hicks, Patsy Cope, and Margaret Soell.

Mrs. Singer challenged each woman to remember that as members of the General Federation of Women's Clubs, "we are part of the world's largest organization of community-based volunteers".

She emphasized what one woman can do as a volunteer by "opening the gate to involvement". She men-

Cholesterol and Your Health

- · Cholesterol is a soft, fatty substance that the body needs - in small amounts
- · Cholesterol is made up of HDL's (High Density Lipoproteins) and LDL's (Low Density Lipoproteins.) When overall cholesterol levels are measured in the bloodstream, the percentage of HDL's and LDL's is now often determined.
- · LDL's seem to promote cholesterol deposits on the artery walls. HDL's, however, help move cholesterol back to
- · High blood cholesterol levels contribute greatly to the development of coronary heart disease - America's number one killer which claims approximately 550,000 lives every year.
- · Millions of adults have cholesterol levels of 200 or higher, placing them at increased risk of heart disease and heart attack.
- · Most people can lower cholesterol to less than 200, a "desirable" level, with diet and exercise. Make sure you carefully follow your doctor's instructions about any change in eating habits or exercise routine.
- · Stop smoking.
- · Lose weight if your doctor advises you to.
- · If the above measures aren't adequate, your doctor may prescribe a prescription medication to help lower cholesterol levels.

For more information on cholesterol and health -Ask your pharmacist.

Police

Continued from page 1

up at 5:24 a.m. Friday in the 200 block of West Highway on charges of curfew violation. They eventually were turned over to their parents.

Two young adult males were escorted from the high school campus Friday evening, after they had been observed consuming beer near the tennis courts.

Both were ticketed for possession of alcohol on the premises; and their beer confiscated.

A resident reported Saturday morning that someone had taken a toolbox full of hand tools from his pickup sometime the previous night, while the vehicle was parked in the 400 block of East Alameda. The loss was estimated at \$200.

Another report received at the department was a criminal mischief case, filed Wednesday morning of last week. The rear window of a vehicle was broken while parked in the 600 block of West Washington.

Two arrests of adults were made during the past week, according to police blotter entries.

After a vehicle was stopped at 2:23 a.m. Sunday in the 200 block of West Highway, the officer was granted permission to conduct a

Jimmy Alfred Holdbrook, 48, was charged for possession after the officer found a small amount of marijuana. He was transferred at 5:29 a.m. to the county jail.

Floyd Yarbrough, 68, was taken into custody at 6:28 p.m. Tuesday in the 700 block of South Wall, on two outstanding warrants issued locally.

One warrant was for public intoxication, which carries a fine of \$146.50, and the other was disorderly conduct, and a \$250 fine.

Yarbrough was released at 8:01 p.m. after signing promises to appear in municipal court, according to the blotter entry.

Surplus property sale set Saturday at SAFB

SAFB, Texas - - The Defense Reutilization and Marketing Office will host a sale of surplus government property beginning at 8 a.m. Sept. 23. The event will take place in Bldg. 2135 on Motor Pool Road at Sheppard Air Force Base.

Items for sale include video cassette recorders, compact disc players, wall lockers, file cabinets, typewriters, electrical and electronic supplies, trailers, refrigerators, computers, stoves, televisions, books, clothing, residue of cars and residue of five and ten ton tractor trainers.

Items will be sold "as is" and must be paid for in cash, guaranteed

For safety reasons infants and small children will not be allowed in the warehouse or outside during the surplus sale.

Ubituaries

Frances Caudell Howington

Graveside services for Frances Caudell Howington, 72, were at 2 p.m. Friday in Riverside Cemetery.

Rev. Darrel Glen Blackmon Sr., pastor of First United Methodist Church of Iowa Park, officiated. Arrangements were under direction of Owens & Brumley Funeral Home of Wichita Falls.

Mrs. Howington died Wednesday in a Wichita Falls hospital.

Born May 18, 1923, in Burkburnett, she was a lifetime resident of the area. She was married to Jay I. Howington May 18, 1952, in Wichita Falls.

They owned Johnson Restaurant Supply Co. a business started in 1947 by Mrs. Howington's parents, Ruble and Angie Johnson. The Howingtons sold the business and retired in 1987.

Mrs. Howington was a member of First United Methodist Church of Iowa Park, Daughters of the Nile, Order of the Eastern Star and Social Order of Beauceant. She was also a bridge player.

She is survived by her husband; one son, James Colhouer of Kennett, Mo.; one stepson, Jay Howington Jr. of Archer City; one stepdaughter, Ann Howington of Tyler; two grandchildren and three step-grandchildren.

Memorials may be made to the Iowa Park First United Methodist Church.

Hay show approaching

By DAVID FINLEY **County Agent**

Hay season is beginning to slow down and the Wichita County Hay Show will be here soon. We are looking for it to be bigger and better than last year's.

Entries for the show are currently being taken at the County Extension office, 4309 Jacksboro Hwy, Suite B, Wichita Falls. Or they can be dropped off at Texoma Ag Products in Iowa Park, Fox Feed & Seed in Iowa Park, K&K Grain in Electra, or Berend Brothers in Electra.

Entries must be at one of these locations by Nov. 1.

Round and square bales may be entered in the show. Those producers that have round bales will need to bring a sack of hay from the interior of the bale. This is what the protein samples will be taken from.

All samples entered in the show will have a protein analysis run. This will be done courtesy of Ralph Harvey and Texoma Ag Products. The protein score will then be coupled with a physical score of the sample. Both added together will give the total score that determines the winner.

The 1995 show will be held later in November.

Classes of hay that may be entered include coastal bermuda, other bermudagrass, forage sorghums, al-

falfa, small grains, and native grasses Entries from the show will also be taken from residents of Archer and Clay counties as well.

Last year's show was won by Johnson Farms from Amarillo with an entry of alfalfa. It later received a blue ribbon at the state hay show and was named champion alfalfa. Seven of our county entries were sent on to the state hay show and all received blue ribbons.

As was the case in 1994, all top entries and class winners will again be sent to the state show. These will represent the best from this area.

Mashburns celebrate 40th anniversary

Billy Charles and Tommie Kay Mashburn were guests of honor at a surprise 40th wedding anniversary party Sunday afternoon in Fellowship Hall of First United Methodist Church.

Hosting the occasion were daughters of the couple and their families, including Neta Simmons and sons, Brian and Stephen of Arlington; Paula and Bart Bodine and daughter, Marka of Whitewright; Deanna and Darin Whitman and sons, Kendall and Clayton of Iowa Park.

The Mashburns also have a son and daughter-in-law, Bruce and Maureen and their children, Diane, Stephanie, Nicholas, Joshua and Jacob of Bakersfield, Calif.

Mashburn and the former Tommie Kay Buckholt of Quanah were married Sept. 17, 1955, in First Methodist Church of Quanah. Tommie Kay is a native of Quanah.

Mashburn was born in Electra, graduated Bay City High School and earned an Associate Degree from Cook County College. He also attended Midwestern State University and Vernon Junior Regional Col-

He served in the U.S. Navy and Army and retired from Sheppard Air Force Base.

They moved to Iowa Park from Wichita Falls in 1968 and had lived in Quanah before that. Mrs. Mashburn is employed by the Texas Department of Human Services.

The Mashburns are members of First United Methodist Church of

Genealogist--a person who traces or studies the descent of persons or family.

I don't own a computer, I am computer illiterate and furthermore, I understand very little computer language. I do enjoy my Brother word processor even though that has not been fully conquered. Although somewhat handicapped, I must remember it is still possible to compile a family history and genealogy.

The prerequisite is to have an interest in family history and curiosity to stimulate the search for more history. One must have a desire to gather all family information, including pictures, documents etc. in an organized way, not only for us, but so future generations have a record of their families to build on.

The oldest and largest genealogical society in the world, the New England Historic Genealogical Society is celebrating its sesquicentennial anniversary this year.

The Society was founded in 1845

for the purpose of collecting, preserving and publishing genealogical and historical materials relating to New England families. The library contains more than 175,000 books and microforms, including genealogies and local histories from all 50

Some of the societies' publications are very expensive but are available in larger libraries for research. Computerized information can be more accessible, but don't forget the volumes of information available in libraries, even small town libraries have histories on file.

The Lawton (Okla.) Public Library is co-sponsoring "SWOGS" Fall Workshop. (South West Oklahoma Genealogical Society) October 21 at the Lawton Public Library.

Cost is \$15 with pre-registration preferred, but not required. Registration at the library starts at 8 a.m. There will be free handouts and refreshments, bring your lunch or eat

State

HIGHLIGHTS

Capital

By Lyndell Williams & Ed Sterling TEXAS PRESS ASSOCIATION

AUSTIN - Gov. George W. Bush is sticking with his promise to shift authority from the state to the local level, even if it means going against fellow Republicans on the State Board of Education.

Last week, after some board members who were elected with the support of religious conservatives said they wanted to reject textbooks they feel are objectionable, Bush said they should leave school textbook screening to local school

SBOE member Donna Ballard

of The Woodlands said during the meeting, "...if (legislators) weren't able to transcribe into law their intent, then I don't have to follow their intent."

The day after the meeting, Bush said, "This was what I campaigned on. My recommendation is for everybody - regardless of whoever it is - to understand what the spirit of Senate Bill 1 is ... Local people can make the right decisions for their schools. We must trust local people."

Senate Bill 1, which revamped the education code and went into effect Sept. 1, limits the board's authority to assuring school books are free from errors of fact, are sturdily bound and contain "essential" information for each

Before Sept. 1, the old law gave the board power to reject textbooks and order changes.

Dole Stumps in Dallas During a campaign stop in Dallas earlier this month, Senate Majority Leader Bob Dole's top supporters

Phil Gramm in his own back yard. Dole, who previously had visited Texas only to raise money,

predicted he will beat U.S. Sen.

introduced his statewide steering committee.

"I know I'm in Phil Gramm's state of Texas," Dole told supporters. "All of us in this race are friends," he said, telling backers that Republican primary foes should not "speak ill" of each

Boone Pickens, chairman of Dole's Texas steering committee, said that Dole will "carry Texas during the Republican primary."

Dole did not criticize Gramm during his speech, but in a news conference after the event, he said, "Phil had been needling me for several months. I think he'd like me to respond."

The Gramm campaign said it welcomed the competition in Texas, but predicted Dole's efforts would prove futile.

"In the end, Phil Gramm is going to win every district and every delegate in the Texas primary," said Gramm spokesman Larry Neal.

While stumping in Oklahoma, Dole picked up endorsements from Gov. Frank Keating and fellow GOP Sen. Don Nickles.

Oil Royalty Lawsuit A lawsuit filed in July by the state claims several oil companies underpaid royalties for oil produced on state lands by basing payments on "posted" prices that were lower than market prices.

Texas Land Commissioner Garry Mauro said the companies accused of underpaying may owe \$300 to \$400 million to state and private landowners.

Companies named in the suit are Exxon, Amoco, Chevron, USX-Marathon, Mobil, Phillips Petroleum, Shell Oil, Texaco and Union Pacific Resources.

A state district judge will decide whether the suit should include all landowners and merit class-action certification.

GARDENING HINTS

By MARK TERNING, COUNTY AGENT - HORTICULTURE

Common questions/solutions over the past week at the Wichita County Texas Agricultural Extension Service office are as follows:

Q. Is it time to apply a preemergent to our lawn? We live in Wichita Falls and have a bermuda

lawn.

B. Now is a key time to apply pre-emergent controls to established warm-season lawns. Early or late fall can throw a wrench in the system, however, in most cases around September 15 is a good time for applications in Texoma. Check with your local nursery for pre-emergent selections or call a professional lawn care company. Remember to follow label rates. Most homeowners tend to over-apply pre-emergent.

Q. We purchased a new home. The entire lot is bare soil. Can we still seed a bermuda lawn now?

A. The odds of successfully establishing a bermuda lawn from seed go down the later part of August and by mid-September the season is finished. Your choice of establishing a bermuda lawn which will survive it's first winter is questionable. Try seeding ryegrass this fall as a temporary cover to prevent soil erosion. Annual or perennial ryegrass are coolseason grasses which provide lush, green growth during wirter. Next spring you can till the rye under and sow bermuda seed for a permanent

Q. What can be used as a cover crop in my vegetable garden? I live in the Kamay area.

A. There are several options. Nitrogen fixing plants such as Austrian Winter Pea or Hairy Vetch can be used. Another excellent choice is "Elbon" rye. This cereal rye will help control root-knot nematodes (microscopic pests which damage plant roots) while helping add organic matter to the garden soil. Good gardeners realize the benefits of winter cover crops in the garden.

O. We had a cottonwood tree cut down recently. The stump was ground out also. Our problem is the neverending sprouting of new seeds all over our lawn. What can we do? We tried Roundup with little success.

A. Cottonwood is terrible about surface rooting and sprouting. Apply a broadleaf herbicide as a spot treatment to the newly emerged sprouts. Broadleaf controls such as Wipeout or Weed-B-Gone normally provide better results on broadleaf woody weeds than glyphosate controls like Roundup.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION **NOVEMBER 7, 1995**

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 50 proposes a constitutional amendment providing that the legislature by general law may authorize the Texas Higher Education Coordinating Board to issue general obligation bonds of the state in an amount not exceeding \$300 million to finance educational loans to students. The maximum interest rate to be borne by the bonds must be set by law. The legislature may provide for the investment of bond proceeds and may establish an interest and sinking fund to pay the bonds.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the issuance of \$300 million in general obligation bonds to finance education loans to students."

PROPOSITION NO. 2 ON THE BALLOT

Senate Joint Resolution 36 proposes a constitutional amendment that would authorize the legislature to exempt from ad valorem taxation the property of an organization chartered by the Congress of the Republic of Texas if the property is used primarily for the charitable, benevolent, or public service activities of the organization as defined by general law. The Comptroller's Property Tax Division has identified the Grand Lodge of Texas, also know as the Masonic Lodges, as the primary organization which would qualify for this tax exemption.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to authorize the legislature to exempt from ad valorem taxation property of an organization chartered by the Congress of the Republic of Texas that is used primarily for the charitable, benevolent, or public service activities of the organization."

PROPOSITION NO. 3 ON THE BALLOT

Senate Joint Resolution 51 proposes a constitutional amendment that provides that the farm and ranch finance program fund shall be administered by the Texas Agricultural Finance Authority and not by the Veterans' Land Board, as provided by current law. In addition, the proposed amendment provides that the proceeds of \$200 million of the \$500 million in bonds authorized by the Texas Constitution for the farm and ranch finance program fund may be diverted to the agricultural fund and the rural microenterprise development fund, also authorized by the Texas Constitution, to be used for agricultural and rural economic development programs.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment allowing the use of existing bond authority of the farm and ranch finance program to include financial assistance for the expansion, development, and diversification of production, processing, marketing, and export of Texas agricultural products."

PROPOSITION NO. 4 ON THE BALLOT

Senate Joint Resolution 46 proposes a constitutional amendment that would allow an encumbrance to be fixed on homestead property for an owelty of partition. In divorce and probate situations, a piece of property may be owned jointly by two

or more people, and each person owns an undivided interest in the property, as opposed to a specific portion of the property. If one owner wishes to purchase the other person's interest in the property and wishes to obtain a loan to finance the purchase, the lending institution requires all interests in the property to be used as security for the loan; this is called an owelty of partition. Senate Joint Resolution 46 would allow the lending institution to foreclose on the homestead property for an owelty of partition if the purchaser defaulted on the loan. In addition, the proposed amendment would allow the refinance of a lien against a homestead. Finally, the proposed amendment would allow a purchaser or lender to rely on an affidavit that states that the property to be conveyed or encumbered is not the homestead of the affiant.

The proposed amendment will appear

"The constitutional amendment permitting an encumbrance to be fixed on homestead property for an owelty of partition, including a debt of a spouse resulting from a division or award of a homestead in a divorce proceeding, and for the refinance of a lien against a homestead, including a federal tax lien resulting from the tax debt of the

PROPOSITION NO. 5 ON THE BALLOT

House Joint Resolution 34 proposes a constitutional amendment which would increase by \$500 million the constitutional authorization of the Veterans' Land Board to issue and sell general obligation bonds of the state to provide housing financing to Texas veterans. The proceeds from the bonds authorized by this amendment shall be used to augment the Veterans' Housing Assistance Fund II to be administered and invested as provided by law. The bonds authorized by this amendment shall be incontestable after execution by the Veterans' Land Board, approval by the attorney general, and delivery to the purchaser.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment to increase by \$500 million the amount of general obligation bonds that may be issued to augment the veterans' housing assistance fund II.'

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 64 proposes a constitutional amendment which would extend the tax exemption under article VIII, section 1-b(b) of the Texas Constitution for the residence homestead of a person age 65 or older to the surviving spouse of a person who received the exemption. The surviving spouse must be age 55 or older when the deceased spouse died, and the property must be the residence homestead of the surviving spouse when the deceased spouse died and remain the surviving spouse's residence homestead. A surviving spouse who already receives an exemption under this section of the Texas Constitution is not entitled to an additional exemption under the amendment.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment exempting from ad valorem taxation the residence homestead of the surviving spouse of an elderly person."

PROPOSITION NO. 7 ON THE BALLOT

600 E. Pasadena

Iowa Park

House Joint Resolution 73 proposes a constitutional amendment that would reduce the amount of general obligation bonds authorized for the superconducting super collider fund from \$500 million to \$250 million.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment reducing the amount of general obligation bonds authorized for undertakings related to the superconducting super collider research facility from \$500 million to \$250 million."

PROPOSITION NO. 8 ON THE BALLOT

House Joint Resolution 80 proposes a constitutional amendment abolishing the office of constable in Mills, Reagan, and Roberts counties. In Mills County, the office of constable is abolished, and the powers, duties, and records of the office are transferred to the sheriff. In Reagan and Roberts counties, the office of constable is abolished and the powers, duties, and records of the office are transferred to the sheriff only if a majority of voters in each of the respective counties favors the proposed amendment.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment providing for the abolition of the office of constable in Mills, Reagan, and Roberts counties."

PROPOSITION NO. 9 ON THE BALLOT

Senate Joint Resolution 7 proposes a constitutional amendment that would allow investment of money from the Texas growth fund in a business without the business's disclosure of its investments in or with South Africa or Namibia. Currently, such investments are prohibited by article XVI, section 70(r) of the Texas Constitution, which would be repealed.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment allowing investment of money from the Texas growth fund in a business without the business's disclosure of its investments in or with South Africa or

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 1 proposes a constitutional amendment that would abolish the constitutional office of state treasurer effective September 1, 1996. The transfer of specific constitutional powers and duties to the comptroller of public accounts takes effect on that date. The statutory powers and duties and the property and other obligations of the state treasurer are transferred to officers and agencies of state government as the legislature provides by general law.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment abolishing the office of state treasurer."

PROPOSITION NO. 11 ON THE BALLOT

House Joint Resolution 72 proposes a constitutional amendment requiring that land devoted to wildlife management be taxed on the basis of its productive capacity. The proposed amendment also adds a temporary provision to the Texas Consti-tution validating the changes to the law made by Chapter 560, Acts of the 72nd Legislature, Regular Session, 1991, which amended the Tax Code to allow land used for wildlife management to be appraised as agricultural land. The temporary provision also provides that a property owner is not authorized to claim a refund of taxes paid unless the tax payment was challenged before the effective date of the proposed amendment. The temporary provision expires on January

The proposed amendment will appear on the ballot as follows:

James Cates, Owner

592-2056

"The constitutional amendment to allow open-space land used for wildlife management to qualify for tax appraisal in the same manner as openspace agricultural land, subject to eligibility limitations provided by the legislature."

PROPOSITION NO. 12 ON THE BALLOT

House Joint Resolution 31 proposes a constitutional amendment providing that the legislature may exempt from ad valorem taxation income-producing personal property and mineral interests that have a taxable value which is insufficient to re cover the costs of administering the tax.

The proposed amendment will appear on the ballot as follows:

'The constitutional amendment authorizing the legislature to exempt from ad valorem taxation personal property and mineral interests having a value insufficient to recover the administrative costs of collecting the taxes."

PROPOSITION NO. 13 ON THE BALLOT

House Joint Resolution No. 35 proposes a constitutional amendment authorizing the governing body of a political subdivision to exempt from ad valorem taxation boats and other equipment used primarily in the commercial taking or production of fish, shrimp, shellfish, and other marine life.

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment authorizing the governing body of a political subdivision to exempt from ad valorem taxation boats and other equipment used primarily in the commercial taking or production of fish, shrimp, shellfish, and other marine life.

PROPOSITION NO. 14 ON THE BALLOT

House Joint Resolution 68 proposes a constitutional amendment that allows the legislature to raise the current ad valorem tax exemption for disabled veterans and their surviving spouses and minor children. The tax exemptions would be raised based on a veteran's disability rating as follows:

Maximum

Tax Exemption

10%-30% Disability 30%-50% \$ 7,500 50%-70% \$10,000 More than 70% \$12,000 Age 65 and 10% or higher \$12,000 Loss or loss of use of limb \$12,000 Blindness or paraplegia

The spouse and children of any veteran who dies while on active duty may be granted an exemption of up to \$5,000. The amounts of the exemptions provided for in this proposed amendment may be repealed by the legislature by general

The proposed amendment will appear on the ballot as follows:

"The constitutional amendment relating to raising the limits of the exemption from ad valorem taxation of property owned by disabled veterans or by the surviving spouses or surviving minor children of disabled veterans."

EWS FROM THE HALLS OF THE HAWKS

JUNIOR HIGH

16 to participate in Talent Search

Sixteen seventh grade students at Iowa Park Junior High School have been invited to participate in the 16th annual Talent Search conducted by the Duke University Talent Identification Program(TIP). The students qualified on TLI (Texas learning index) levels on the TAAS test in 6th grade.

The local students who qualified are Douglas Boyd, Derrick Carlton, Russel Foster, Stephen Gray, Rachel Higgenbotham, John Menasco, Kyle Parker, Jason Pelz, Andrea Peters, Nikki Pryor, Angela Raschke, Chase Simpson, Sarah Williams, Micah Bosley, Russell Clopton, and Brandon Lane.

Participation in any of TIP's programs is voluntary. The aim is to assist young people who have excellent mathematical, verbal or general intellectual ability by providing them with information about their ability and about educational options that may be beneficial to them.

Talent Search participants must attend a school, public or private, within TIP's 16-state Talent Search region. They are required to take the ACT Assessment or SAT under the same conditions as high school students.

Six-weeks test schedule

Students are taking their sixweeks tests this week.

Tests Thursday, Sept. 21, will be in English, history and reading.

On Friday, testing will be on math, science and electives.

Football pictures

Pictures of football players will be taken on Friday, beginning at 7 a.m. The eighth grade players will have their pictures taken first, with the seventh grade to follow.

Volleyball

The 7th and 8th grade, A and B volleyball teams will play Vernon here at 4:30 Monday.

They will also play in a tournament at Burkburnett on Saturday, with the times to be announced.

BRADFORD

Three Cheers for the Hawks

The varsity Hawk football team, their coaches and the varsity cheerleaders came to Bradford Friday for a "Meet the Hawks" pep rally in the gymnasium.

The stars of the day went among the students to shake hands and introduce themselves, and stayed after the pep rally to eat lunch with the fourth graders.

Several students got autographs from the players, cheerleaders and

Bradford Principal Pat Cravens complemented the of the team and cheerleaders with the student, saying the Bradford students got a big thrill out of talking to them.

Time to say cheese

A reminder that individual students pictures will be made Tuesday.

Fifth grade choir selected

The Fifth Grade Choir has been selected for the new school year after try-outs recently.

Earning a position on the choir includes Katie Albus, Celeste Armstrong, Vanessa Banks, Daniel Bess, Taler Boland, Boon Bowling, Alanah Bushfield, Kelli Collins, Lindsey Cook.

Also, Amber Daulton, Jeni Davis, Jodi Davis, Laura Davis, Sarah Fisher, Tori Fowler, Kristen Garcia, Rusty Guyette, Jessica Hale, Felicia Hoffman, Breann Hrncirik, Diana

Also, Brooke Lieb, Brittany Love, Amanda McCreary, Megan Miller, Misty Naylor, Garrett Sampley, Kaci Stewart, Keith Thompson, Kevin Thompson, Judy Messer and Zack Newman.

S.T.A.R. program to begin

Bradford students will participate in an accelerated reading program beginning in the second six weeks grading period.

The program, S.T.A.R. (Super Talented Accelerated Readers) is in its first year at Bradford.

Many parents whose children attended Kidwell will already be familiar with the accelerated reading program there, entitled S.H.A.R.K. (Super Happy Accelerated Reading Kids). Bradford's program is designed to be used a little differently, but the basic concept is the same.

To use the accelerated reader, a student reads a book from the program's book list, then tests his or her knowledge and comprehension of the book by answering multiple choice questions on the computer.

The computer will handle all scoring and record keeping automatically and print out a report to the

The program will be incorporated into Bradford's curriculum. Each grade level will have a specific guideline as to how it will be used, including reading levels, number of books to read each six weeks, and a point system.

Teachers will soon be sending home books lists for the required reading. Most of the books on the lists may be found in the Bradford library or in the classroom libraries. Others may also be found and checked out at Tom Burnett Memorial Library.

KIDWELL

PTA meeting slated

Kidwell PTA will meet today at Kidwell.

The board will meet at 6 p.m., with a general meeting at 7 p.m.

Business scheduled during the general meeting includes adopting the 1995-96 budget, adopting a change in the by-laws and discussing fund-raisers for the coming year.

The meeting, regularly held the third Tuesday of the month, was rescheduled due to Tuesday's Open

592-5521

Downs named top 10 in ag science

Mrs. Jackie Downs of Kamay, has been named one of the top 10 Agricultural Science Students in Texas. Members like Rusty who excel in their supervised agricultural experience programs are recognized through the Proficiency Award Program. These awards encourage members to develop specialized skills that will apply toward a future career.

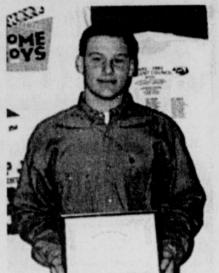

Rusty, who is a member of the Iowa Park FFA, was recently named one of the top 10 students in Forage Production Proficiency. This award, sponsored nationwide, is presented to an outstanding agriculture student demonstration superior scholarship, leadership, and supervised agricultural program.

Rusty attended Iowa Park High School where he was an active member in the Iowa Park FFA Chapter. He was named the 1995 Ray Hicks Memorial agricultural schol-

Rusty Downs, son of Mr. and arship winner and has been FFA chapter president for the past two years.

While in agricultural science, Rusty was on the area Junior Chapter Conducting team and state Nursery Landscape team both his freshman and senior years. His second year found him participating on Senior Chapter Conducting and Livestock Judging teams. He also served as a Wichita District FFA officer. His third year was highlighted with his third place turkey at the Houston Livestock Show and Rodeo and livestock judging at Texas A&M University in the State Livestock Judging Contest. Rusty qualified as a state finalist in forage production three years in a

During the past four years, Rusty's travels have carried him from Lubbock, as runner-up state star greenhand, to the National FFA Convention in Kansas City.

Mistakes cost Hawks first win

Fumbles, penalties and a passing game that still hasn't clicked all contributed to spelling doom for Iowa Park Friday as the Electra Tigers escaped with a 16-13 win over the Hawks, leaving Iowa Park at 0-2 to start the year while Electra improved to 1-1.

The Hawks moved the ball inside the Tigers' 25 yard line on four different occasions yet came away with only one touchdown as they failed to connect on three fourth down passes that would have kept drives alive.

"It just boiled down to a poor job of executing," head coach Weldon Nelms said. "A missed block here, a missed block there. One time they just sent more people than we could block and on the screen pass, we blocked the only man who could make the tackle into the pattern."

Despite all of the above, Clancy Lalumia's 80-yard kickoff return with 57 seconds remaining left the Hawks just an onside kick away from being right back in the game.

With Electra leading 10-7 with 1:44 left in the game, the Tigers took over at their own 25 when Iowa Park turned the ball over on downs after Todd Yeager's screen pass to Dusty Owen didn't net enough yardage to move the sticks. Two plays later, the Tigers' Terry Monroe scored his second touchdown

PETTY HAS TO PASS BATTED AWAY

SHANE BAGLEY PICKS UP GOOD YARDAGE AGAINST ELECTRA

of the game when he broke loose and raced 66 yards to make the score 16-7 with 1:12 left to play.

Lalumia gave the Hawks hope when he picked up the ensuing kickoff at his own 20 yard line, moved up the middle of the field behind the wedge before breaking to his right toward the sideline. Lalumia picked up a couple of great downfield blocks on his way to the end zone to pull Iowa Park to within 3 at 16-13. But the pass for two failed and Lalumia's onside kick attempt was covered by Electra, dashing the Hawks' comeback bid.

For the second week in a row, the Hawk ground game looked to be in midseason form as Iowa Park picked up 216 yards on 45 carries.

Owen led the way picking up 76 yards on 17 carries while Shane Bagley was close behind with 61 yards on nine tries. Todd Yeager added 46 yards on 12 attempts.

But on the downside, for the second week in a row, the Iowa Park aerial attack hasn't been what it should be. In the Hawks' 25-24 loss to Burk, sophomore quarterback Todd Yeager completed only 3-of-10 passes for 71 yards and hit on 2-of-10 against the Tigers for only 4 yards.

"We just missed on a couple of passes that would have been big plays for us," Nelms added. We're going to add some things for next week that we feel will help

our passing game. Todd's just going through a growing experience but there's no doubt, he's going to be an excellent quarterback."

After a scoreless first half, Electra recovered on the Iowa Park 27 following a Hawk fumble to start the second half. But the Iowa Park defense stiffened holding the Tigers to a 25-yard field goal after stopping Electra three times from inside the 5.

Iowa Park answered on it's next possession when Todd Yeager scored from 5 yards out to cap an 11-play 67-yard drive to make the score 7-3 after John Woods tacked on the point after. The key play in the drive came when Bagley recovered an Owen fumble at the 3 yard line. Owen fumbled after gaining 11 yards on a third and eight from the 14.

Monroe gave Electra a 10-7 lead on the Tigers next possession when he broke a tackle at the line of scrimmage, then went 43 yards to the end zone with 9:09 left in the fourth quarter.

TOP OF TEXAS FOOTBALL

The Pee Wee West Hawks improved to 2-0 overall and 1-0 in conference play Saturday with a 28-0 blanking of Seymour in Top Of Texas Football action.

Michael Fulkerson scored a pair of touchdowns, the first coming on a perfect 51-yard pass from Kyle Hayley and the second coming on an 11-yard run. James Rowland finished the night with 103 yards rushing that included a 39-yard touchdown. Rowland also added a pair of twopoint conversions for the Hawks.

Nash McFann capped the scoring for Iowa Park with his 27-yard run to make the final score 28-0.

Joining the above mentioned players as offensive players of the game was Cody Reid.

Defensively, Toby Brown, Chase Burger, Matthew Carrizales and Rowland all had solid games for the Hawks.

The Midget West Hawks improved to 1-1 and 1-0 in conference play Saturday with a 6-0 road win over Seymour.

Cory Sosbee scored the game's only touchdown as Iowa Park won a tough defensive ball game.

Sosbee led all Hawk rushers with 40 yards followed by Jack Scholl who finished with 34 yards. Jason Stevens added 20 yards rushing for Iowa Park.

Defensively, the Hawks were led by Andy Simpson, Jared Davis, Jason Vanek, Jarred Horsky, Matt Schenk and Stevens. Guthrie Jensed and Horsky both had a pair of fumble recoveries to help their team.

The Hawks will play host to Electra this Saturday night.

The Iowa Park Pee Wee East Hawks built a 12-0 lead over the Petrolia Hornets in Saturday night's game but couldn't hold on as Petrolia rallied for a 14-12 win dropping Iowa Park to 1-1 overall an 0-1 in confer-

Cory Bosely scored the game's first touchdown on a 60-yard run, then Justin Swenson raced 80 yards

to the end zone to make it 12-0 in the first half. But the Homets didn't quit and scored twice in the second half and converted one of their two-point conversions that turned out to be the difference in the game.

Swenson finished the game with 164 yards rushing on 10 carries while Bosley finished with 129 yards on 7 tries. Tristin Dozier added 8 yards on 4 attempts.

Offensively, both Bosley and Swenson were joined by Matt Bosley, Darryl Landers, Grant Miller, John Standridge, Sam Martinez, Kory Reece and Joseph Cockrum as players of the game while on defense, Bosley led the team with 16 tackles with Dozier and Miller also playing good games. Miller, Bosley and Cockrum all had fumble recoveries for Iowa Park.

The Iowa Park Midget East Hawks fell to 0-2 following Saturday's loss to Petrolia and look to rebound this week when they travel to Vernon to take on the Lions.

K.P. Rains, who led the team in rushing with 75 yards on 14 carries, scored Iowa Park's lone touchdown on a 4-yard run.

The Hawks had trouble holding on to the ball as Iowa Park had five turnovers including four fumbles and an interception.

Offensive standouts for Iowa Park included Rains, Michael Hopper, and Brandon Gentry, who hauled in a 24-yard pass from quarterback Nick Kennedy.

Defensively, Kyle Young led the Hawks with 8 tackles followed by Hopper, Michael Yoder and Rains all finishing with 6. Tommy Jeter finished with five tackles. Hopper also recovered a pair of fumbles for the

Correction

Iowa Park FFA Booster Club meetings are held on the first Monday of each month at 7 p.m. in the Vo-Ag building at the high school, not every Monday as was reported in last week's issue of the Iowa Park Leader.

Hawks vs. Pipers

Continued from page 1

Witherspoon who along with defensive back Brandon Campbell, and linebackers Owen and Clancy Lalumia, are among the team leaders

Iowa Park is allowing 195 yards per game on the ground and 53 yards

"They are starting a sophomore at quarterback just like we are," Nelms added. "He's going through some of the same things Todd is going through for us. Their other skilled people have got a lot of speed and they are a bigplay type of team. We have to keep them from the big play because they've shown the tendency to break down when you force them to drive the football against you.

"They like to throw the ball quite a bit," Nelms said. "They're probably 60-40 pass and they have a big tight end that goes about 6-4 and weighs 205. They like to get him the ball in a lot of different ways. They run him on the reverse, and on the screen passes. They use the tight end as much as any team I've ever seen. All of their running backs are straight ahead type runners with good quickness and their offensive and defensive line people are big and can move well."

The Hawks will be without several players heading into the game against the Pipers as Tyson Spruiell, Brandon Campbell and Jimmy Fallon are all going to miss the game. Kevin Brazile, who missed the Electra game, is listed as questionable along with Keith Hoover who broke his hand in the game against the Tigers. Hoover's hand was placed in a cast and he could see action in Friday night's contest.

"Things aren't going to get any easier for us in the next few weeks," Nelms added. "This week we're going

to face one of the top teams in 2A, next week we play the 7th ranked team in class 4A and the following week we play one of the top 3A teams in the state. We're not as much concerned with our opponents as we are our own level of play. If we play up to our potential, the winning will take care of itself. We have to overcome the penalties and mistakes to get to where we want to be.

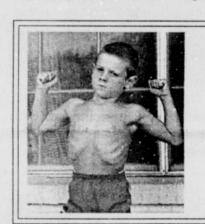

"We can't play at the level of our competition, we have to play at our best for us to win," Nelms said. "We have to start playing to win instead of playing not to lose. It's going to take a team effort and everyone must execute on every single play of the game for us to be successful."

Chapter meeting

The Iowa Park FFA held a chapter meeting Tuesday, Sept. 12, to describe the benefits of membership. Officers explained to the members opportunities they could participate in to become more active in FFA. An October meeting will be held, but the date has not yet been set.

JV Hawks 2-0

After opening the season with an impressive win over Burkburnett, the Iowa Park JV picked up where it left off and drilled Electra 35-13 Thursday night to move to 2-0 for the season.

The Hawks took the opening kickoff and traveled 68 yards before Clint Thompson dove over from the one to give Iowa Park an early lead. After a Brandon Brown fumble recovery on Electra's first play, Jacob Robertson added the second Iowa Park touchdown on a 4-yard sweep. Brown then recovered the ensuing onside kick and later scored on a 3-yard run. Michael Swenson added the two point conversion to pad Iowa Park's lead ot 20-0 with the game still in the first quarter.

A fumble recovery by Chad Graham set up the Hawks' next score, a 2-yard run by Calvin Galliton. Brown added the two point conversion on the swinging gate play as Iowa Park enjoyed a 28-6 halftime lead.

Brown recovered the second half kickoff that led to Galliton's second score of the game on a 1-yard run. Brandon Holley kicked the point after to give Iowa Park a 35-6 lead. The Tigers added a late score to make the final 35-13.

Offensive standouts included, Holley, Brandon McLemore, Richard McCann and Mike Noel. Defensively, Iowa Park was led by Holley, Brad Green, Perry Green, Brian Casey and Jonathan Horton who had a pair of fumble recoveries. Swenson and Jonathan Clubb also had fumble recoveries for the Hawks.

Iowa Park will be looking to move to 3-0 tonight when they travel to Hamlin to take on the Pipers.

The Iowa Park JV opened the ason with a convincing 45-20 win over the Burkburnett Bulldogs.

Quarterback Clint Thompson ored on a pair of 1-yard sneaks to e the Iowa Park offense in the first alf as the Hawks built a 24-8 lead. Teompson's first TD was set up by Calvin Galliton's 56-yard run. Brandon Brown added the two point conversion to make the score 8-0. Michael Swenson then scored from five yards out, then added the extra point to make the score 16-8. Thompson finished the first half scoring with his second one yard plunge. Brown, who covered the kickoff following Swenson's touchdown added the point after to make the halftime score 24-8.

The Bulldogs scored on their first possession of the third quarter to cut the lead ot 24-14 but the Hawks answered when Jacob Robertson scored for Iowa Park on a 26-yard sweep to make it 30-14.

Swenson scored his second touchdown of the game in the fourth quarter on a 36-yard reverse, then Brandon Holley kicked the point after to bring the score to 37-14.

Seth Ralston scored Iowa Park's final touchdown on a one yard run. Brown ran it in for the point after to give his team a 45-14 lead. Burk added a late TD to make the final 45-20.

Offensive standouts included Holley, Brandon McLemore, Richard McCann, Mike Noel, Tres Biesch and Clint Mathis. Defensively the Hawks were led by Brian Casey. Steven Trahan and Chad Graham.

The Iowa Park freshmen evened their record at 1-1 Thursday night by beating the Olney JV 20-8 as four different players scored for the Hawks.

Justin Terry scored on a quarterback sneak in the first quarter to give Iowa Park a 6-0 lead. Terry then hit Chad Davis with the two-point conversion pass to make the score 8-0

The Olney Cubs answered in the second quarter when they intercepted a pass and returned it for the touchdown, then made the two-point conversion to knot the score at 8-8.

It was all Iowa Park from that point on as the Hawks added touchdowns in the second and third quarters to post the win. Tommy Duerson returned a punt 70 yards in the second period to give his team a 14-8 half-time lead and Malcolm Wise added the final points in the third quarter on a 25 yard sweep.

Offensive players of the game were Wise and Davis with defensive honors going to Ryan Howard and Duerson.

The Iowa Park freshmen kicked off the season against Burkburnett losing 40-26 to the Bulldogs.

The Hawks got a pair of touchdowns from Chad Davis, a fumble return for a score from Travis Cline and a TD pass from Justin Terry to Bryan Lyons. Terry also connected with Tommy Duerson with a twopoint conversion pass.

With the score tied at 14-14 at the end of the half, the Hawk defense weakened allowing the Bulldogs to score 26 points in the second half.

The loss of Josh Arrington and Chad Bavor during practice and Kevin Park during the game hindered the Hawks' effort.

Scores of last week's games involving Iowa Park Hawk opponents included:

Bowie 14, Decatur 10
Bridgeport 20, Aledo 20
Jacksboro 20, Valley View 0
Abilene Wylie 33, Graham 17
Hamlin 13, Clyde 10
Southlake Carroll 19, Gainesville 14
Alvarado 13, Springtown 6
Boswell 35, Burkburnett 12

SS SS SS SS

Tommy Watkins, now coach of Garland Lakeview, won his 275th football game Friday, when the Patriots defeated Arlington Sam Houston 29-0. Of those 275 wins, 107 were earned by the Iowa Park Hawks during his two tenures here. From 1963 through 1971, the Mean Green had 97 victories, and added 10 more during his second stay (1978-79).

SS SS SS SS SS

JANET HOLLAND, District Rotary governor from Mineral Wells, is scheduled to visit the local Rotary Club next Wednesday.

Junior High football teams see action

7TH GRADE A TEAM

For the second week in a row the 7th grade A team blanked it's opponent, winning 42-0 over Bowie Tuesday night.

Chase Wright scored a pair of touchdowns on long runs, Micha Bosley added a touchdown and Creekmore added a score as Iowa Park went on a scoring frenzy. Quarterback Chris Simmons threw for two two-point conversions to Brandon Criswell and Criswell added a third on the ground.

Standouts for the Hawks included Jimmy Miller, Brandon Lane, Heath Hodges, Coby Rusk, Michael Horton, Wright, Simmons and Criswell.

The win improves the Hawks' record to 2-0 and in those two games, Iowa Park has outscored its opponents 58-0.

7TH GRADE B TEAM

Joel Sanchez scored Iowa Park's only touchdown to tie the score at 6-6 in Tuesday night's game against the Bowie 7th grade B team and Robert McCann scored what turned out to be the game winning points on a two

Windthorst teams tough

It was a tough week for the Junior High girls' volleybll teams as they ran into a tough Winthorst squad.

The 7th grade B team fell 9-15, 4-15, while the 7th grade A team fell 7-15, 1-15.

In 8th grade action, the Iowa Park 8th grade B team lost 5-15, 14-16 while the A team was defeated 4-15, 2-15.

The 7th and 8th grade B teams will travel to Burk for a tournament Saturday, then travel to Vernon with the A teams to play Vernon Monday at 4:30 p.m..

point conversion to give Iowa Park a hard fought 8-6 win over the Jackrabbits.

The win improves the Hawks' record to 1-0-1 after a 0-0 tie last week with Burkburnett.

The Iowa Park 8th grade A team for Iow had to battle back from a 16-0 deficit 20-16.

Tuesday night but rallied for a 20-16 win over Bowie to improve to 1-1 overall for the season.

Iowa Park's Ryan Huff scored the Hawk's first two touchdowns to cut the Jackrabbit lead to 16-12 on runs of 3 and 5 yards. Scotty Mitchell scored the game winning touchdown on a 25-yard pass from Tyler Pulley. Huff ran in the two point conversion for Iowa Park to make the final score 20-16.

"JUMPSTART" REGISTRA-

The children in first and second grade at Kidwell Elementary and the third graders at Bradford Elementary received a letter from school a few weeks ago in regard to a promotion by Tom Burnett Memorial Library and Prudential Insurance.

If your child brought home this letter, there is a card in the corner to fill out and return to the library, when your child comes in for a library card. This registration form entitles them to a chance (along with all the other children in the U.S.A.) to win scholarship funds, computers, World Books, and Childcraft books.

If your child already has their own library card, there is no need to obtain another one, but please take a minute to fill out the registration card and we will include it with the rest of the forms, and mail them to "JUMPSTART Headquarters at the end of October.

As of Sept. 19, only 27 students had brought their cards in. There are 446 students in these three grades, so that is a very small percentage. Parents, please help your student participate, by bringing them to the library. The only cost for their own library card is a few minutes of your time. LIBRARY HOURS:

Tuesday/Thursday, 10 a.m.-8 p.m. Wednesday/Friday 10 a.m.-5 p.m. Saturday 10 a.m. - 2 p.m. Sunday/Monday Closed

STORYTIME HOURS Tuesday, 9:30-10 2 yrs & up Thursday 1-1:30 4 to 6 yrs

9-9:30 2 yrs & up Friday

Next week's storytime, we will be doing a flannel graph story on squirrels and the different places to hide nuts for winter.

News

By JO LYNN COCKRUM

Bridge

Congratulations to the Iowa Park bridge players who represented our community so strongly in the recent Senior Sports Classic Event!! Winners of the sanctioned bridge tournaments there wre Carolyn Cookingham and Dorothy Ward, 1st place and Estaleen Newman and Amy Conley, 2nd place.

At Monday bridge this week, John Clapp had the high score of 4190 and Ann Guthrie had the second high of 4060. There were three tables and four rounds.

Last Wednesday's group played four tables and four rounds. Marti Tinnerstet had the high score of 4510 and John chapman had the second high of 3320.

New Board Members

TILLING

POST HOLE DIGGING

New board members of the Iowa Park RAC were elected Tuesday night at the annual membership meeting. They are Kay Clayton, Michelie Byrne, Galyia Kasparek, Annette Shook, Victor Maness, Stacey Arredondo, and Jan Clapp. We would

like to welcome these fine folks to our RAC family and look forward to many wonderful happenings under their

All 1994-95 board members are to attend the next RAC board meeting on October 3rd. Officers for the 1995-96 year will be elected at that time.

CPR & 1ST AID

There are still a few openings for the CPR and first aid courses to be held at the RAC next week. CPR will be held on Monday from 6 to 9 p.m. and first aid will be held on Tuesday at the same time. Cost for the courses is \$15 each or \$25 for both. Preregistration is required. For more info, call 592-4471.

Hunter's Education

The Texas Parks & Wildlife Dept. will have hunters education courses this weekend at the RAC. If you have not registered or need more info, call the RAC at 592-4471, or Mike McCarty at 592-4330. This course is required for Texas hunters over the age of 12 to receive a hunting license. Cost is \$5 per person.

SCOTT SANDERS

KEVIN (O'CLOWN) RYAN and his best friend Spunky are two of the many performers who will be appearing here Sept. 29 with the Culpepper and Merriweather Great Combined Circus, sponsored by the Iowa Park Lions Club.

Circus coming to town

mother took her son to the circus, she didn't realize she was introducing him to a lifelong dream.

"That very night I made up my mind that one day I was going to be part of that wonderful world," said Johnson, owner of Culpepper and Merriweather Great Combined Circus. "In 1985, we didn't even have a tent, much less an elephant. All we had was the desire to create a traditional circus."

And when Johnson says traditional, he means the kind of tented circus in which the audience is as important as the performers, animals and dreams.

"I sort of like to think that when folks come to our circus, they take all their senses on vacation," Johnson said. "They are able to see costumed performers up close, they hear wonderfully happy music, they smell sawdust and they are able to eat all the foods that diets don't permit."

During those 10 years, Johnson's troupe has achieved national fame for its excellence in traditional circus. Culpepper and Merriweather's fleet of brightly-painted trucks now travel 16,000 to 20,000 miles yearly during its cross-country tour of America's heartland.

"We begin our tour in Phoenix, move into Southern California, up the coast to Washington and head east to Chicago," Johnson said.

The Chicago performance has been an annual trek during the circus'

When Robert "Red" Johnson's 10 years and has been a wonderful example in which the circus family works within a community.

"Ten years ago we were selected to be the featured attraction of 'The Taste of Chicago' Festival and have been invited back each year," Johnson said.

The circus' success so impressed Chicago's city fathers that they selected Culpepper and Merriweather for a six-week tour of the city's neighborhoods.

"The city wanted inter-city children to have the experience of a traditional, tented circus just like their parents had seen as children," John-

Culpepper and Merriweather Great Combined Circus will be appearing Friday, Sept. 29 in the vacant block north of Wal-Mart, with performances at 5:30 and 7:30 p.m.

Ticket prices are \$4 (12 and under) and \$6 in advance, and \$5 and \$7 at the door.

Valley View 4-H Club has first meeting of year

Valley View 4-H club held their first meeting of the new year Sunday afternoon at the Kamay Volunteer Fire Department. There were 28 members present.

New members welcomed into the club were Kayla Brixey, Karilea and Tom Collins, Misty and Shay Dipprey, Matthew Fox, Chance Whitaker, Christy Norton, Carrie, Jeff and Chris Catlin, Julie Mitchell, Blake Powell and Sheyna Stewart.

Plans were discussed for the pretzel booth at Whoop-T-Do and the club's entry in the homecoming parade. The new members were told of the benefits and projects the club has to offer. In the near future, they will

be selling 4-H candy as a fundraiser. New meeting time is at 3 p.m. on the second Sunday of each month.

Following the meeting, refreshments were served.

Red River group sets public conference

The Red River Valley Association has invited members and the general public from a four-state region to a Water Resource Conference next month in Wichita Falls.

It will be held Monday, Oct. 9, at the Sheraton Inn Hotel, from 8 a.m. to

North Texas Rehabilitation Center - serving 16 counties in North TX and Southern OK - is no longer affiliated with National Easter Seals. Any gifts that you give because of phone and mail solicitations from National Easter Seals will not be applied to local services.

All services will remain exactly as they have been at North Texas Rehabilitation Center. This action is a name change only and was made for more cost effective services to local people.

The Rehab Center will have easily identified mailings throughout the year that will provide an opportunity for area donors to support local neighbors, friends and family who come to The Rehab Center.

For information regarding this matter - or for information regarding services for your family, call (817) 322-0771.

SPECIAL EDUCATION CHILD FIND

The Special Education Program for Children with Disabilities provides services for children ages birth through 21. If you are aware of a child who is suspected of having a disability, please contact West Wichita County Coop (817) 438-2335 or Region IX Education Service Center (817) 322-6928 or (817) 322-8297 for information about screening and evaluation at no cost.
