IOWA PARK, WICHITA COUNTY, TEXAS 76367

Thursday, September 28, 1995

Terlizzi is named Cryovac manager

Frank M. Terlizzi will officially become the fifth manager of Iowa Park's Cryovac plant this weekend.

Terlizzi, who was appointed manager of bagging operations at the plant in July of 1994, succeeds Ray Youngblood.

Youngblood, who was among the 25 original Cryovac personnel assigned to the local plant 20 years ago, was named vice president of Grace Container and Specialty Polymers in August.

First public notice of Terlizzi's promotion was made early last week during the monthly meeting of the Iowa Park Chamber of Commerce board of directors.

Terlizzi was elected to replace

Youngblood on the Chamber's board.

Youngblood, who has been with W.R. Grace more than 30 years, will be located in Lexington, Mass. The effective date of his appointment was announced as Oct. 1.

Terlizzi, a native of Columbia, South Carolina, has held several positions with Cryovac in his 17 years with the company.

He and his wife, Beverly, have two children: a son, Michael, and a daughter, Katie.

Terlizzi holds a bachelor of science degree in animal science, and a master of science in agriculture from Clemson Univ.

The local Cryovac plant is currently undergoing its 10th major expansion project. More than 750 are

FRANK TERLIZZI

employed at the plant, and employment is projected by the year 2000 to be right at 1,000.

Preceding Terlizzi and Youngblood as managers of the plant were Charlie Lee, Frank Gossett and Sam Laird.

City hopes to correct flooding on south side

The city council is undertaking a move designed to eliminate flooding in the Wall and Valley Drive area following heavy rains.

At their meeting Monday night, aldermen heard plans for a concrete street and concrete drainage ditch, and then approved advertising for bids on the project.

Kerry Maroney, city engineer, proposed completion of Valley Drive surfacing from Wall to Texowa.

He said the city already has an easement between two lots on the south side of the street paving project, and a concrete ditch is proposed to carry the runoff water from that point to the earthen ditch on Texowa.

The reason for the concrete ditch, Maroney explained, was because the elevation of the Valley-Texowa intersection was too high to carry water.

In fact, the slope of the concrete

ditch was only one foot, Maroney said in response to an alderman's question.

During a discussion on the proposal, aldermen expressed concern that the earthen ditch along Texowa would be kept in a cleaned condition so it could allow water to flow away from that area.

Alderman Johnny Crawford, who voted against advertising for bids, said he could not support the project until adequate information concerning the flow of water away from the area was available.

Maroney said he estimated the cost to construct a concrete street surface and curbing would be \$75,000, and the drainage ditch would be another \$24,000.

Runoff water has flooded the Wall and Valley intersection since Garden Valley Addition was built,

following moderate to heavy rain storms.

Water often rises well over the street curbs and backs up half a block.

Over the years, city councils have studied the problem, but because of costs have never taken action to relieve the situation.

Alderman Bob Hamilton expressed concern that the Texowa ditch, which is outside the city limits, would be kept clean of weeds and growth which would impede water flow and the project not function as hoped.

On another issue, which involved a lot at the corner of Texowa and Pecan that was recently purchased for a mobile home site but does not have the dimensions needed to meet building codes, the council decided

MRS. FRANK ZIMMERER
... views her beautiful yard.

Couple beautifies, builds

By MYRNA SMITH

Enormous energy, a passion for nature, religion, life, and an innate love of children, people, and her roots delineate the persona of Ida Zimmerman. Her husband Ray shares these qualities.

The love of people and nature is noted in the many trees, shrubs and flowers that earned their yard at 110 W. Washington the "Yard of the Month for September" distinction by the Iowa Park Garden Club.

She calls it her Memory Garden because many plants are from someone dear to her, or have been given to her by friends and neighbors.

In the yard Ida has a Rose of Sharon plant she brought from her late mother's home in East Texas.

Pine trees in the yard grew from pine cones that were in mulch she brought from her sister's home in East Texas.

They have done well after being moved three times. Once when the Zimmerers moved to Iowa Park from Wichita Falls 13 years ago, and another move from a rented house on Alameda to the present location in the yard of the home they built.

The crape myrtle holds special meaning because, "It was the size of a match stick when it was given to me," Ida said.

At the time it was given to her

she was a member of Wesley Methodist Church in Wichita Falls. The minister, Rev. Braxton Bryant, had come to the church following the tornado that destroyed so much property in Wichita Falls.

He and his wife were moving back to Dallas. "He handed me that stick in a can of dirt and said 'Here, Ida, would you like to have this?' I took it, and look at it today."

The Zimmerers moved to Iowa Park in August. She dug up the crape myrtle and brought it along and put it in the ground.

"It froze three times the following January. I never expected it would live," Ida said. That's why I call it my Miracle Bush."

One of the rose bushes she calls the "Zimmerer Rose". It grew from a cutting from a rose bush Ray's mother had that had come from his great-grandmother's yard.

Many of her plants have come from cuttings from other people. A short time ago one of her neighbors came to her door with a lot of canna bulbs and asked if she would like to have them. He was thinning his plants. "I love the plants that have been given to me by neighbors and friends", Ida said.

"People who love butterflies and like to have them in their yard should plant some penta. They

really attract the butterflies."

Ray was raised in Munster. He attended the Subiaco Abbey in Arkansas through high school and college with the thought of entering the priesthood. He was in charge of the greenhouse while he was there.

He became a builder instead. He was building supervisor for all of the What-a-Burger Restaurants, except the one at Sikes Senter Mall. He builds many of the beautiful country homes.

Ray built their two story, five bedroom, two-bath home at the corner of Washington and Yosemite. He had the help of Ida and her two granddaughters, who made their home with the Zimmerers eight years.

Ida commented, "A lot of love and family memories are in the building of this house. We wanted it simple, because we live a simple life. We try not to let things own us."

The inside of their home attests to the same love of nature, people, religion and her roots.

Ida has many items in her home that have come from other places, but have special meaning for her because of who made them, someone that she knows personally, or has met and visited with the

Winless Hawks travel Friday to Southlake

Things don't get any easier for the Iowa Park Hawks this week as they have to travel Friday to Southlake Carroll to take on the No. 7 ranked 4A team in the state.

The Hawks, 0-3 and coming off their lowest offensive output of the season, will be up against the Dragons who are 3-0 and coming off a tough 7-2 win over Mesquite Potet last week.

In last year's meeting between the two teams, the Hawks gave Southlake all they wanted and despite losing 22-7, Iowa Park was in position to possibly tie the score late had it not been for a dropped pass late in the game.

This year, the Dragons are once again going to be the bigger and quicker team on the field.

Southlake opened the season by beating Gainesville, then followed that by edging Bridgeport 17-12 in week two.

Iowa Park head coach Weldon Nelms is looking for a tough game

against the state-ranked Dragons. "They're a strong, physical, line-up smash-mouth type football team," Nelms said. "They're big up front and all their kids have good quickness. They don't have the speed burner or the superstar players like they may have had in the past, but overall, they are solid in every position."

"Right now they're still splitting

time with two kids at the quarterback position, still looking for a leader at that spot," Nelms added. Senior Chance Caple and junior Brian Lacroix are both seeing time as signal caller for the Dragons. Sophomore running back H.D. Rodgers leads the team in the rushing department.

Hopes high to pave downtown

Weather and other problems have caused postponement of resurfacing the downtown business area streets for the past three weeks.

But Belvin Lytle, public works director for the city, is hoping this weekend the weather will cooperate and the oft-delayed project can be completed.

The intent of the city is to overlay the decades-old concrete streets with an overlay of smooth asphalt.

A contractor has had his equipment parked and ready to move during the prolonged wait.

Lytle explained a plan which he said he hopes will cause as little interference with business traffic as possible.

He said Saturday's objective is to cover Yosemite to Bank and the 100 block of West Cash. Sunday, they hope to do the 100 block of West Park and wind up with resurfacing Wall from East Highway to Bank.

BOGGED DOWN - Hawk defensive coordinator coach Bruce Merrell lost a shoe during Friday night's football game, when he became bogged down in deep mud.

Does your subscription to the Leader expire?

Mrs. James Roy Hollis
(Sally Ann Cannedy)

Cannedy-Hollis wed in ceremony Sept. 3

Mr. and Mrs. James Ray Hollis are making their home in Iowa Park following their marriage Sept. 3, and a honeymoon trip to Branson, Mo.

Mrs. Hollis is the former Sally Ann Cannedy, daughter of James Cannedy and Grace Sapata of Wichita Falls.

Hollis is the son of Roy and Ramona Hollis of Iowa Park and Barbara Hollis of Wichita Falls.

The couple pledged double ring vows of matrimony at First Christian Church of Iowa Park. Rev. Tom Oden-Peace, pastor, officiated.

The altar area was decorated with crescent shaped candelabra bearing lighted white tapers.

"You Needed Me" and "Could I Have This Dance" provided the music during lighting of the unity candle.

James Cannedy presented his daughter for marriage.

She was attired in a gown of white bridal satin embellished with lace and seed pearls. Her bouquet was fashioned of white roses accented with fuchsia satin ribbons.

Doni Kaufhold of Iowa Park served as maid of honor and Teresa Burns of Wichita Falls was bridesmaid.

They wore lace trimmed dresses of fuchsia with long tapered sleeves.

Caile Knecht of Lawton, Okla., was flower girl. She wore a white knee length dress and carried a basket of fuchsia flower petals.

Christopher Hollis of Iowa Park, son of the groom, was ring bearer. He wore a black tuxedo.

Best man for the groom was his father, Kane Cannedy of Wichita Falls, brother of the bride, was usher and David Hollis of Iowa Park, the groom's brother, was groomsman.

A reception was held in Fellowship Hall of the church.

Both the bride and groom are graduates of Iowa Park High School.

FFA Boosters to meet

A meeting of the FFA Booster Club will be held at 7 p.m. Monday, in the high school Vo-Ag building.

Topics of discussion will be planning meals to be served for all home football games during October, as well as the Whoop-T-Do activities.

Parents and anyone wishing to join the organization are invited to attend the meeting.

LIBRARY NEWS

REMINDER "JUMPSTART"

The Prudential Insurance Company and the Tom Burnett Memorial Library are combining efforts to help your child receive the opportunity to participate in a national contest to win computers, World Book or Childcraft Books or Scholarship monies.

All you need to do is complete the form that your child brought home a few weeks ago from school. Bring them to the library to receive their very own library card, and their name will be added to those being sent to the "JUMPSTART" headquarters. All the participants from the USA will be placed together with the winner selected from all of them.

We realize that there is a slim chance of their being a national winner, but everyone who has a library card is a winner, because they have a wealth of adventure ahead of them with the use of all the library books, videos, etc., available to them.

PLEASE take a few minutes to help your child become a library card holder. We received four additional registration forms this week to bring our total to 31 out of 446 possible. HELP! Parents this is a call to assist your young reader in the first, second or third grades, be a part of this program.

PINE CONES

Large pine cones are needed for upcoming craft items. Please contact the library if you have cones that need to be picked up. We will be using them to make bird feeders and also Christmas trees.

HALLOWEEN

Once again this year we will be holding a "Jack-O-Lantern" contest and a "Count the Candy" contest.

JACK-O-LANTERNS will be received from Oct. 17 through 21. Judging will be 24-27. Entries are to be picked out up the 31st. Prizes will be awarded for smallest, largest, funniest, scariest, most original. Prizes will be for the first, second, third

place for closest guess to number of candies in container.

PRESIDENT TRIVIA

- (answers next week)
1. What president's last name begins and ends with the same letter?
 2. Four presidents last name ends with a vowel.
 3. What first name is shared by six presidents?
 4. The only four-syllable presidential last name.
 5. Only president whose last name ends with "G".
 6. Only president whose last name ends with "H".
 7. Which presidents were Tom, Dick and Harry?
 8. Name the seven presidents who have one syllable last names.
 10. What two presidents died on the 50th anniversary of the adoption of the Declaration of Independence?

Jennifer Bernstein and Jeremy Hedrick

Announce engagement

Johnny and Cindy Bernstein of North Richland Hills announce the engagement of their daughter, Jennifer, to Jeremy Hedrick, son of Randy and Vicki Hedrick of McKinney.

The bride-elect is a granddaughter of Donald and Annie Lee Hill of Iowa Park, and Emmet and Joe Ann Bernstein of McKinney.

The couple has selected Dec. 22

as their wedding date. They will be married at 7 p.m. in First Baptist Church of McKinney.

Miss Bernstein attended the University of Mary Hardin-Baylor and is currently a bridal consultant in Arlington.

Hedrick is a senior at Angelo State University in San Angelo. He is pursuing a degree in music.

FRIENDLY DOOR NEWS

FLU SHOTS--Wednesday, Oct. 4 from 10 a.m. to 1:30 p.m. at the Friendly Door.

Flu shots will be free to anyone who has Medicare Part B. Every one must have Medicare cards available for proof.

The cost will be \$25 to everyone else. You must call 592-9311 to sign up and set your appointment. You must let us know so we can have plenty of medicine. If you are allergic to eggs, you must not take the flu shot.

Texoma Community Health will be giving all flu shots. The sign up deadline is Monday, Oct. 2.

QUILT RAFFLE--We will be selling chances for \$1 Saturday, Sept 30 at Wal-Mart. Quilt to be given away Oct. 14 at Whoop-T-Do.

SENIOR FOCUS--Saturday, Sept 30, from 9 a.m. to 4 p.m. at Wichita Falls Activity Center. Displays by Winn Dixie, Wichita General Hospital, Texhoma Christian Care Center, Care Team, 100 exhibitors, entertainment, door prizes, tons of food give aways.

CAMPFIRE GIRLS-- Are looking for grandparents to adopt. They would like to visit, play games, share gifts and just show you they love and care for you.

Anyone who would like to help out these little girls should call Sherry Wood at 592-9311 or Cheryl Rust at 592-9670.

UNITED WAY--Don't forget to show your support to United Way. Buy a coupon booklet from the Friendly Door for \$5.

Garden Club makes Yule decorations for rest home

During a meeting Friday morning at the RAC, Freddie Skinner taught members of Iowa Park Garden Club how to make "Yule Loveknots." They made enough to hang one on each door at the local nursing home during the Christmas holidays.

Bonnie Illingworth was in charge of the business meeting where the club's activities during homecoming and Whoop-T-Do were discussed. Kim Cox told about having a decorated car in the parade, and the flower show at First Christian Church will feature pot plants, wreaths, and fresh

fruit arrangements. Joyce Short, flower show chairman, said the next meeting would be used to set up for the show.

A short reading about using time wisely was given by Norma Fortner. She also provided the horticulture display, a pot of cacti, for the meeting.

Kay Cole and Freddie Skinner were hostesses for the meeting. Eighteen members and one guest, Pam Teplicek, were served refreshments from a table centered with a fall arrangement.

Tom and Pearl Moore, 1995

Tom and Pearl Moore, 1945

NEWS OF THE IOWA PARK GENEALOGICAL & HISTORICAL SOCIETY

There will be times, when researching for genealogy and historical projects, that we find the map in our road atlas is inadequate and it's difficult or next to impossible to locate a small town.

Many small towns may have records of our ancestors. Fillmore Spangler points out a very useful and free source of information.

He says, "Each state has a department of tourism whose sole purpose in life is attracting you to some area in their state so you can visit. For the price of a postcard you can send them a short note, telling of your intent to visit and they will be more than happy to supply you with maps, books, brochures, travel information and details about points of interest in their state."

"With each request for data, be sure to request a state map that will aid you in that lost or missing landmark in the state your relatives came from."

Fillmore has compiled a list of addresses of where to write for state travel brochures, and this is available

in the genealogy section in our library.

Some states have maps of counties produced primarily for sportsman's guides. These maps are quite detailed and are usually sold at sporting goods stores, but ask about them and while you probably won't get a freebie, you might get an address and price list.

Another source for maps, is the U.S. Board on Geographic Names, US Geological Survey, 523 National Center, Reston, Va., 22092.

Shirley Banks has used maps from this source in searching for old cemeteries. Also Shirley reminds us not to overlook useful materials in our library. She has used and recommends "The Source" as a useful tool for researching.

Don't forget to register for the Fall Workshop, co-sponsored by SWOGS and the Lawton Public Library. This is an opportunity for "new" genealogists to participate in a learning process with experienced and inexperienced family historians.

Marita Holdsworth

Moore's honored on 50th anniversary

Tom and Pearl Moore were honored Saturday afternoon at a 50th wedding anniversary celebration party at Faith Baptist Church.

Hosting the occasion were the Moores' son and daughter-in-law, James and Linda Moore of Argyle and their granddaughter and her husband, Kelli and Danny Valdez and their children, Kristian and Katrina.

Moore and Pearl Capen of Amhurst, Mass., were married Sept. 20, 1945 in Seattle, Wash., where he was stationed with the Navy and she was working in a Seattle coffee shop.

Moore was born in Wapaneka, Okla. He is a World War II veteran and a Pearl Harbor survivor. He is currently commander of the Iowa Park VFW.

Following his discharge from the Navy, Moore became a builder and framing contractor in Wichita Falls. He is now retired. He is serving as consultant for the remodeling of

Faith Baptist Church.

Mrs. Moore is a homemaker. She retired from working at various jobs, including a baseball factory.

The Moores have lived in Iowa Park 33 years.

"Make it a perfect wedding beginning with your invitation!"

What You Should Know About Depression

Everyone feels "down" at certain times in his or her life. Short periods of sadness and discouragement are quite normal. But a person who cannot get over these feelings within two weeks may be suffering from depression. Depression can cause great emotional pain, and can lead to suicide. Fortunately, it is one of the most treatable of all mental illnesses. There are a number of medications available that can help those suffering from depression return to happy, productive lives.

The first step in treating depression is recognizing the early warning signs:

- ✓ Noticeable change of appetite
- ✓ Noticeable change of sleeping habits
- ✓ Loss of interest and pleasure in activities you enjoy
- ✓ Loss of energy or feeling fatigued
- ✓ Feeling worthless
- ✓ Feeling hopeless
- ✓ Not being able to concentrate or think
- ✓ Not being able to make decisions
- ✓ Recurring thoughts of suicide
- ✓ Overwhelming feelings of sadness or grief
- ✓ Waking up at least two hours earlier than normal
- ✓ Disturbed thinking or beliefs not based on reality
- ✓ Suffering from unexplained headaches or stomach aches, or other ailments

Should you suffer from four or more of these symptoms for a period of longer than two weeks, see your doctor for a professional opinion.

For more information about taking your medicines — Ask your pharmacist.

As I See It...

By Bob Hamilton

To all those who commented to me last week about how refreshing that cool weather was -- bah humbug!

I don't mean to be an old grouch, but the spring and fall weather seasons are a bummer to me.

Oh, I can handle whatever temperature mother nature chooses to bring. But I have problems deciding how to dress in the mornings, during the spring and summer.

Consequently, I keep a change of coat weights in the car, rather than having to go home during the day if it turns cooler or warmer than the temperature for which I dressed.

And, if I had my way about it, our temperatures could stay in the 90 to 103 range all the time. I find I can handle heat much better than cold.

But, saying that, if it turns cold

and stays that way, I can handle it. In fact, even enjoy it, because then I get to light up our fireplace, which I love dearly.

Having been raised during my younger years in the Texas Panhandle, and then a couple of years in Alaska, I learned to cope with cold. That is,

when it stays that way throughout the day.

Maybe it's my age. On one hand I find change of any kind unsettling. But on the other hand, I'm determined to undergo as many seasons of change as I can.

Beats the alternative!

CIRCUS HERE FRIDAY - Orin Luke juggles on a high wire, as part of the **Culpepper and Merriweather Great Combined Circus** which will put on two performances tomorrow at 5:30 and 7:30 p.m. It will be located in the vacant block north of Wal-Mart. Advance tickets remain on sale through today at Parkway TrueValue, Hughes Pharmacy, Scobee's Mini Mart and K&K Quick Stop. Residents are encouraged to watch the raising of the tent, when workers use some of their elephants, starting about 9 a.m.

Please obey the law

To the Citizens driving in Our Community:

The law states that a divided highway is one which separates lanes whether it is a cement structure, grassy area or fenced area, the lanes are physically divided which will impede crossing lanes. Inside the Iowa Park city limits going through town from Yosemite to High School, the state considers the highway a 2 lane road with a turning lane only. It is not considered a 3 lane highway according to the law books of the Texas Highway Patrol.

That makes it illegal to drive past a school bus stopped with the red flasher lights on, loading or unloading school children. All traffic must stop. The on-coming vehicles driver is unaware of which side of the street the child walks to. The law says you must stop.

Heaven help you if you hit a child.

Traffic does not even slow down on the highway. The bus drivers honk their horns, wave their arms out the window and in some instances, stop traffic and walk the child across the street. Some of the newer buses even have a stop sign that pops out to the left side of the bus when the door is opened. Most drivers just go right on past the bus, but a few exceptionally good drivers stop like the law says.

Most of the teenagers just drive on past like they didn't cover this particular law in Drivers Education. I wonder if they covered vehicular manslaughter in Drivers Education.

Also it is very important that unless the sun is up, early morning drivers should have their headlights on so that children crossing the street can see the vehicle approaching. This is true for both city and county roads. If a child doesn't see the car on a dark morning, he may run out in front of the vehicle as he crosses the road to the bus. It's also important in avoiding an accident. Turn on the car lights. It is as important to be seen as it is to see.

Let's watch out for our children and try to make it safer for them. Name withheld by request

Thanks for program

Last Monday De Alderman from the Iowa Park Police Department's D.A.R.E. Program and Vereda Koch from Nortex 911 showed Pack 7 how 911 works. They have a great program and did wonderful with the boys. These two young ladies had not only the boys attention but all of the adults were listening. They included the boys in making calls and showed how everything works.

Thank you both for an enjoyable and interesting visit and we would love to have you back again.

Sincerely,
Pack 7
Cub Scouts

Man arrested for stalking

Charges were filed by Iowa Park police last week against a man for stalking a local woman.

The man, Ricky Wayne Carroll, 34, turned himself in to the sheriff's office in Wichita Falls Friday, and he was placed under a \$1,500 bond.

Carroll is alleged to have made a verbal threat against the woman, and then made some 100 telephone calls to her residence, all of which were caught by a line tap installed by Southwestern Bell Telephone following a request by the victim.

Two male juveniles were taken into custody Monday evening after reportedly having broken out three windows of a vacant house in the 700 block of West Texas.

Both were released to their guardians, who promised to make restitution to the owner who was out of the state at the time.

Two minor theft cases were included on the week's police blotter.

The first was of a cheerleader's sign taken Friday night from the front yard of a residence in the 1700 block of Johnson Road.

Monday evening, a clerk at Allsup's reported a man in "an older red pickup" drove off without paying for \$16 worth of gasoline.

Two residents of the 1600 block of Karen reported to police Sunday that someone had used white shoe polish to write on their vehicle windows sometime Saturday night.

City hopes

Continued from page 1

to have a resolution drafted for the next meeting which would grant an exemption for its use.

The lot was represented on city maps as being 50 feet wide, but was only 41 feet. Because of the difference, placing a mobile home on it would not conform to the city's building code.

One solution considered was to adopt a resolution abandoning nine feet of city right of way. However, aldermen said they would rather grant an exemption, rather than abandoning.

Action could not be taken Monday, because the resolution needed was not on the meeting agenda.

A resolution which was on the agenda, concerning fishing at Lake Gordon, was approved, however.

Administrator Mike Price explained that Texas Parks and Wildlife seeks to hold a new program at

the lake, designed to promoting interest of young people in fishing.

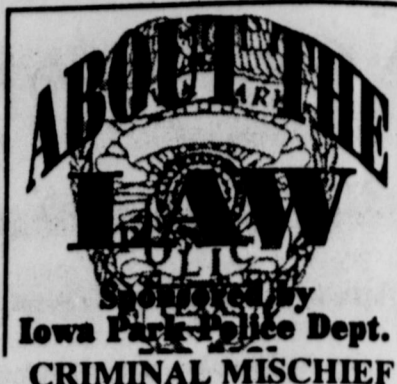

Lake Gordon will be stocked by the state agency with more than 5,000 pounds of catfish, and youth from a seven-county area invited to participate.

The event will be held Saturday, Oct. 21. State workers will begin stocking the lake the preceding Thursday.

In order to insure the stocked fish will still be there when the youth begin their fishing, the council voted to prohibit fishing at Lake Gordon from 8 a.m. Oct. 19, until 8 a.m. Sunday, Oct. 22, with only participants in Kidfish being allowed to use the lake.

Texas Parks and Wildlife will provide enforcement of the fishing ban, as well as coordinate volunteers and equipment for the young fishermen.

Price said there could be as many as 1,000 or more youngsters here for that event.

Iowa Park Police Dept.

CRIMINAL MISCHIEF

Destroying someone else's property isn't funny. It's a crime.

How many places do you pass daily that have been vandalized in some way, like graffiti on buildings, broken windows, or missing traffic signs?

Maybe you've heard that vandalism is just mischief and it doesn't hurt anyone. That's not true!

A homeowner has to replace a broken window, the torn-up flower bed or the knocked-down mail box. The school can be out thousands of dollars repairing damaged property.

People feel angry, sad and frightened when something of theirs is destroyed for no apparent reason.

Remember, vandalism is not a joke. It's Against The Law!

Couple beautifies, builds

Continued from page 1

creator of them. A hearth broom hangs on her wall made by people who live near Asheville, N.C. and grow their own broom corn. Ida commented that both the husband and wife have doctorates, and had wonderful positions, but they decided that was not all there was to life. They quit their jobs and are taking life at a slower pace and enjoying all they can. Ida admires them for doing that.

On another wall in the dining room is a copy of a portrait of the Methodist preacher who gave her the crape myrtle. He has a long white beard and is sitting at a dining table praying. On the table is a loaf of homemade bread. The portrait is similar in composition to that of "The Old Man Praying", a painting familiar to many people.

While Bryant was pastor of Wesley Methodist Church he helped organize InterFaith Ministries. They now own and live on a mountain outside Asheville that once was a church camp.

Ida remarked, "Art speaks to me," as she pointed to two paintings on her wall that were executed by a well-known American Indian artist in Oklahoma. She said she gets a special feeling while studying the paintings. She has met and visited with the artist.

Ida sketches, paints and does crewel embroidery. One of her favorite things hangs on one wall in the living room. It is a framed poem, surrounded by colorful crewel work flowers that she made for her mother a few years ago. After her mother's death she brought it to her home and because it had hung in her mother's house it is very special to her.

She said her mother always had something growing and had many house plants. "We had a big vegetable garden and could share it with others".

In fact, Ida credits the many things she loves and appreciates today to be a result of what her mother taught her in childhood. It also is a reason she is so proud of her roots.

She remarked, "My mother was a very selfless person. She didn't have a lot of education, but she had a lot of common sense. She could always find a way to extend the food a little to give someone else a meal.

"My enthusiasm for helping others is because of her teaching us to be kind and helpful to others. She was a wise woman. She taught

more by example than by instruction and always taught us to have respect for the faith of other people."

Ida grew up in the Baptist Church, spent some years as a Methodist and is now a convert to catholicism.

She was born during World War II in the middle of a Texas desert, near Sierra Blanca, the youngest daughter of five sisters and two brothers.

She grew up in the Houston area and graduated high school in Pasadena. She attended Hardin-Simmons University in Abilene.

She lived in Hawaii four years and all but one of her four children were born there.

"Ray and I are like so many modern families today, this is our second marriage," Ida remarked. They have been married 13 years. "My philosophy is you can't get where you are today without having been where you were yesterday," she added.

The tall brunette laughs a lot and shows she loves life. She says she has had a rich life so far. She likes to remember only the good times and not dwell on the past.

Both Ida and Ray love children. They were foster parents five years. They retired last year, the first time in years they had not had children in their home.

Now they occasionally take

children on weekend camping trips. The ones who never have a chance to do things like that.

She said they used to take their foster children some. It is something new for them to get next to nature, sit around the campfire, climb hills, watch the different animals and make memories children do not forget.

They are members of Foster Parents Association. She has served the organization as president. And also has served on the Regional Advisory Committee for Foster Care and Adoption.

She was a foster parent trainer. Foster parents must have a specific number of hours of training before they can be foster parents, Ida explained.

She worked for Mental Health and Mental Retardation in Abilene and at the State Hospital in Wichita Falls 12 years as staff supervisor in the Adolescent Unit.

After that she was on the Rural Outreach Network for First Step, travelling to Baylor, Archer, Wilbarger, Montague and Wichita Counties. She was informing people of the help they can receive through First Step.

Ida speaks to various groups and has counseled persons who need help from First Step, such as those for domestic violence, sexual assault and in other areas. Her

husband also is a volunteer for First Step.

"So many people are unwilling to take responsibility for their own acts," she said.

They both work at the Service Center for foster children, helping to sort clothes. "When you are keeping foster children, you may not have any clothing for them except what they have on their backs. You can go to the Service Center and get enough needed items for the children until you have time to do some shopping," Ida said.

"We love Iowa Park and the people. That is why we are here," Ida said.

Ray is a member of the City Planning and Zoning Board. They both help take care of the yard and flowers at Christ the King Catholic Church where they are members.

When their house was built Ray built a niche in the dining room for the purpose of building her a china closet there. The closet isn't built yet, but Ida is making good use of it.

For the time being she uses it as her meditation and prayer niche

where she goes each morning. A table is there with a statue of the Virgin Mary, a vase of roses, and a picture depicting the birth, life, crucifixion and resurrection of Jesus. On the table is a Job's Tears rosary that is made of seeds from the Holy Land. "I especially love it because it is made of natural things," said Ida.

Ida's son, Alan, lives in Wichita Falls and works for Washtex. Her three daughters live in Florida. Gayla is a nurse, Laura works with criminal justice security and Diana is attending school and working at a tourist resort.

Ray's son, Matthew, is a Baptist youth minister in the Dallas area and Scott lives in San Antonio.

Correction

Information we received for the story last week concerning Tammie Buzzard's honor as Rotary Club's Outstanding Senior Student in the vocational field, was incomplete.

Instead of Tammie being the daughter of Vickie Buzzard, it should have read the daughter of Lyle and Vickie Buzzard.

IN THE MILITARY

Connor aboard flagship

Chief Petty Officer Charles R. Connor, a 1981 graduate of Iowa Park High School, recently returned from a one-month deployment to the Eastern Mediterranean and Black seas, while serving aboard the Sixth Fleet flagship USS La Salle.

Connor worked supporting the commander of the fleet during the trip that included visits to Bulgaria, Romania and Ukraine.

Since returning to Gaeta, Italy, Connor has been busy supporting the Sixth Fleet commander as he and his staff help coordinate the NATO air strikes over Bosnia -- the largest allied air campaign in Europe since World War II.

Connor joined the Navy in November 1982.

GARDENING HINTS

By MARK TERNING, COUNTY AGENT - HORTICULTURE

The following questions/answers were common at the Wichita County Agricultural Extension Service office over the past week.

Q. I have several *Euonymus* shrubs with an unusual growth on the stem. The growth is the size of a baseball. A sample is enclosed. Is this a disease?

A. Your *Euonymus* plants are plagued with Crown Gall. *Euonymus* is a common host plant for this bacterium. Both roots and stems can bear large galls.

Interestingly, Crown Gall behaves much like cancer. As a matter of fact Crown Gall is used in laboratories to test certain cancer treatments. If a treatment works against Crown Gall on a plant it may have possible uses on humans.

As far as your plants are concerned, you must prune out the stems where these galls appear. Disinfect your pruning shears in a 10 percent bleach/water solution between cuts to avoid infecting healthy tissues. Heavily infected plants should be removed.

Q. Is it recommended to fertilize our shade trees this fall?

A. Shade trees which have received regular applications of lawn fertilizer through the spring and summer months should be fine. Fertilizing with high nitrogen plant foods late in the fall could actually increase chances of freeze damage from an early freeze. Using a slow-release nitrogen turf food with a 3-1-2 or 4-1-2 ratio from spring to early fall

(Sept. 1) is a good nutritional program for shade trees as well as warm-season lawns.

Q. Our Red Oaks are dropping leaves and the leaves have circular spots. Is this a little early for leaf drop? A sample is enclosed.

A. Your sample certainly indicates a disease problem. The disease Anthracnose will occur during wet, cool weather and causes defoliation of Red Oaks. This disease was seen last spring on Red Oaks in some Wichita Falls landscapes. The best time to control this problem is at budswell early next spring. Apply Daconil 2787 at budswell and again for two to three applications at 14-day intervals. Trees which are totally defoliated in the spring can be killed.

Finnell salutes progress in speed limit reform

State Rep. Charles Finnell hailed action by the U.S. House of Representatives recently in voting for repeal of federal speed limit authority, leaving the matter to the states.

"Now we are getting somewhere in Congress. It appears they are finally getting the message Texas sent in 1991," stated Finnell, the author of the state legislation urging its repeal and setting Texas' four-lane divided highways at 65 mph.

As a result of the Finnell bill, Texas is the only state now poised to benefit at such time as the federal law has passed both houses of congress and is signed into federal law by the

president. By this process the state of Texas will not have risked or lost any of the billions of federal dollars in the state budget.

Finnell stressed the necessity to keep pressure on the federal conference committee now adjusting differences between their two versions of the pending federal transportation bill.

"The Texas legislature realizes the needs of this state just a whole lot better than the U.S. congress and federal bureaucracy," he said. "Texas can, and will, take care of Texas." The pending federal transporta-

tion bill repeal was included in the legislation designating a national highway system, a 160,000-mile network of well-traveled roads that would get top priority for federal dollars and which must be passed before the end of the federal fiscal year next month.

"It is essential that we complete the infrastructure of this country in order for us to remain a productive nation," Finnell said.

"By enacting the national highway system, this nation will create for the 21st century what the interstate highway system has made possible in the current century."

Obituaries

Henry Donald Haselden

Services for Henry Donald "Don" Haselden, 59, were at 3:30 p.m. Sunday at First Wesleyan Church in High Point, N.C.

Burial was in Floral Garden Park Cemetery under direction of Cumby Mortuary Inc.

Mr. Haselden died Thursday, Sept. 21, in a High Point hospital.

Haselden was born July 17, 1936, in Clinton, S.C. He was married to Judy Holmes Waters, formerly of Iowa Park, May 12, 1990.

He was a Navy veteran and was the division dyeing and finishing manager for Adams-Millis Corp. He had lived in High Point three years, moving there from Lexington, S.C.

He was a member of First Wesleyan Church, where he served as greeting coordinator and was also a member of Jerry Farlow's Outreach class of the Sunday school.

He is survived by his wife; two daughters, Michelle Opsahl of Little Mountain, S.C., and Cristin Kayasch of Flower Mound, Tx.; three sons, Frederick Lee of Greenwood, S.C., Clark Waters of Wichita Falls and Steven Cary Waters of Iowa Park; one brother, Bill of Aiken, S.C.; one sister, Lois Greenwall of Irmo, S.C., and six grandchildren.

Memorials may be made to First Wesleyan Church, 1915 North Centennial St., High Point, N.C. 27262 or the Hephzibah Children's Home, c/o First Wesleyan Church.

Marvin L. Haley

Graveside services for Marvin L. Haley, 71, were at 2 p.m. Wednesday at Crestview Memorial Park in Wichita Falls.

Rev. Bobby Christmas, pastor of Allendale Baptist Church, officiated. Arrangements were under direction of Dutton Funeral Home.

Mr. Haley died Sunday in a Wichita Falls hospital.

Born June 8, 1924, in Tishomingo, Okla., he was married to Tushiko Abie May 23, 1957.

Haley retired as a staff sergeant

after spending 20 years in the Air Force. He had lived in the Iowa Park area since 1971.

Survivors include his wife; one son, James of Paris; one sister, Jerry Davis of Electra and three grandchildren.

Terry Franklin Henry

Graveside services for Terry Franklin Henry, 39, of Big Sandy, brother of Mrs. Richard (Pat) Davis of Iowa Park, were at 10 a.m. Monday in Little Mound Cemetery.

Rev. Jim Crump officiated. Arrangements were under direction of Croley Funeral Home of Gilmer.

Memorial services will be Saturday at 2 p.m. at Little Mound Baptist Church.

Mr. Henry died Sunday, Sept. 24, in a Houston hospital.

Born Jan. 16, 1956 in Dallas, he had lived most of his life in Upshur County. He was owner of Performance Computing Inc. He was a member of Little Mound Baptist Church. Henry and Deborah Dickerson were married Dec. 12, 1975 in Waco.

Survivors in addition to Mrs. Davis include his wife; one daughter, Christi Henry of Big Sandy; his parents, Mr and Mrs. Clayton Henry of Big Sandy; one brother, Bobby Henry of Spring Hill.

Memorials may be made to The American Cancer Society, P.O. Box 520, Gilmer, Tx.

Nov. 15

Most Texans know recycling is good for the environment, and more businesses are realizing it can cut disposal costs. But now, for the first time recycling can help citizens across the state win big prizes.

Gov. George W. Bush has proclaimed Wednesday, Nov. 15, as "Texas Recycles Day."

To launch the event, several

F. L. Lofland

Services for F.L. Lofland, 89, father of Shirley Smith of Iowa Park, were at 11 a.m. Tuesday at Dutton Funeral Home.

Rev. Bobby Christmas, pastor of Allendale Baptist Church, and Craig McCord, Lofland's grandson, officiated. Burial was in Highland Cemetery.

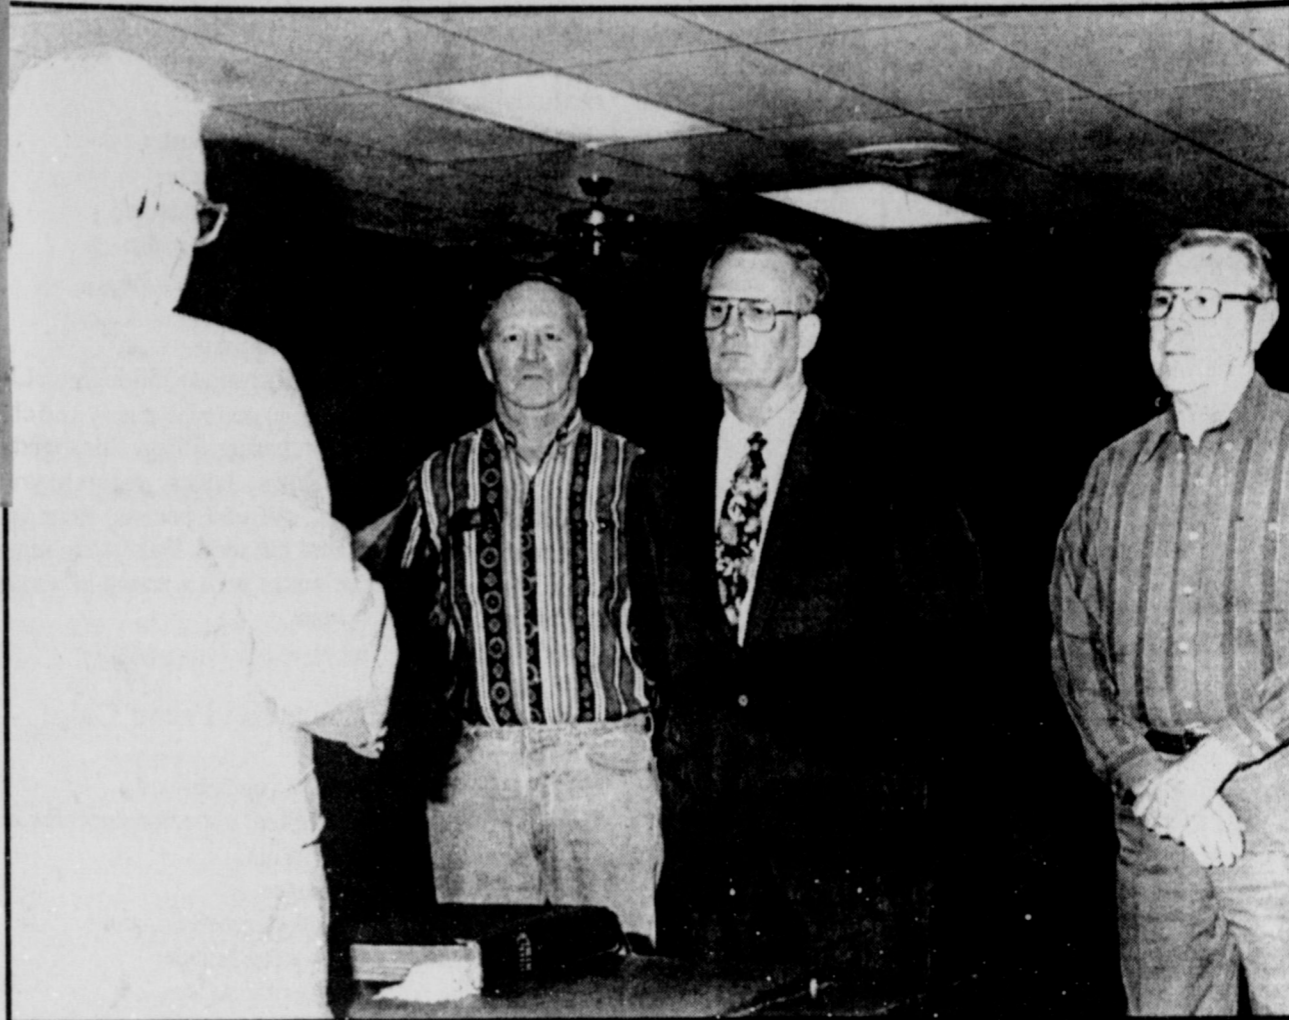

Mr. Lofland died Sunday.

Born April 30, 1906, in Gatesville, he had lived in the Wichita Falls area 75 years. He was married to Lillian Pauline Carter Oct. 27, 1927, in Clara. He was a member of Jefferson Street Baptist Church.

Mr. Lofland retired in 1962 after 22 years as a mechanic for Continental Oil Co. He was an avid sportsman, hunter and bird dog trainer.

Survivors include his wife; two sons, W.J. of Saint Jo, and Larry of Wichita Falls; one daughter, Ms. Smith; one brother, Quinton of Round Rock; six grandchildren, and three great-grandchildren.

Memorials may be made to the Muscular Dystrophy Association.

RECEIVES RECOGNITION - Larry Dutton, second from left, was presented the Community Builder's Award during a ceremony Thursday at the Iowa Park Masonic Lodge. The award is presented to non-Masons for their service to their communities. Past Master Don Fields, left, made the presentation. Dutton was escorted by Charles Seets, right, and John Henry Brown.

SWCD election slated Tuesday

An election of a soil and water conservation district director to serve Zone Three on the Wichita Soil and Water Conservation District is scheduled Tuesday at Iowa Park High School's Vo-Ag Building.

The election will be held at 6:30 p.m., according to Fred Dwyer, chairman of the board.

State law decrees that to be eligible to vote in a soil and water conservation district director election, a person must own agricultural land within the district where the election is being held.

The person must also live in a county all or part of which is in the district, and be 18 years of age or older.

The same qualifications are required for candidates for the office.

Zone Three includes an area beginning at the intersection of US 287 and FM 369, following 287 east to the Wichita River; east along the river until it intersects with the Wichita County line, and north to the Red River.

Current members of the board besides Dwyer are Bill Brockriede, vice chairman; Barry Mahler, secretary; and Rex Wells and Freddie Daume.

ch season as it passes; the air, drink the drink, the fruit, and resign yourself influences of each.

Cook of the Week

Pecan trees are prevalent in this area, and it looks like they will be producing a bumper crop this year. This week's recipes were selected in order to provide a variety of ways in which pecans can be used in food preparation.

Snooty Popcorn

1 1/2 lbs. white chocolate
17 cups popped, unsalted popcorn
2 cups pecans
Spray a large cookie sheet with non-stick pan coating. In a large turkey browning bag, place white chocolate in microwave 2-3 minutes until melted, mashing with hands at 1 minute intervals. Remove unpopped popcorn kernels and pour popcorn and nuts into bag with chocolate and toss to coat well. Spread onto cookie sheet. Cool thoroughly. Break apart and store in tightly covered container. Makes 22 cups.

Pecan Turtles

Arrange 72 pecan halves on buttered cookie sheets. (One for the head and two for the legs.)
Caramel:
1 cup granulated sugar
1/2 cup light-brown sugar (firmly packed)
1/2 cup corn syrup
1/2 cup heavy cream
1 cup milk
1 tsp. vanilla extract
In medium saucepan combine all ingredients except vanilla. Cook,

stirring over low heat, until sugars are dissolved. Over medium heat, cook uncovered, stirring occasionally, to 248 degrees on candy thermometer, or until a little cold water forms a firm ball.

Remove from heat; stir in vanilla and two more tablespoons heavy cream. Pour a little over each turtle (enough to cover). Put cookie sheets in refrigerator to harden caramel.

While they are cooling, melt a package of milk chocolate chips in double boiler.

Take turtles out of refrigerator and pour melted chocolate over them to cover. Use spoon to pour chocolate on turtles. Let chocolate harden and the turtles are ready to eat.

Keep them refrigerated and take them out about 30 minutes before eating. They're much chewier when they are not cold.

Spiced Pecans

3 Tbsps. butter
1/4 tsp. cayenne
1/2 tsp. ground cinnamon
2 tsps. salt
3 Tbsps. Worcestershire sauce
Dash of Tabasco
4 cups pecans
Melt butter and add seasonings. Mix thoroughly. Add pecans and toss gently until all nuts are coated. Place in shallow baking pan. Bake at 300 degrees 30 minutes. Turn at least once.

Old Fashioned Nutbread

2 cups dark brown sugar
2 eggs
1/2 tsp. salt
1 tsp. baking powder
Stir together, or blend in mixer. Add 3/4 tsp. baking soda dissolved in a little warm water and alternately add 1 cup sour milk and 3 1/2 cups flour.
Stir in 1 cup chopped pecans. Pour into 2 medium or 3 small loaf pans which have been greased and floured. Bake in a slow oven (350 degrees) about 1 hour. After baking, remove from pans, cool and wrap in foil a day or two, allowing the crust to soften. Slice as thin as possible, but-
tering two sides for sandwiches.

Pecan Pie

1 9-inch pie shell
3 eggs
3 Tbsps. melted butter
1/2 cup brown sugar
1/4 cup granulated sugar
1/2 cup light corn syrup
1 tsp. vanilla
1/4 tsp. salt
1 1/4 cup pecans
Preheat oven to 350 degrees. Lift a 9-inch pie pan with pastry and chill while preparing filling. Stir together beaten eggs, butter, sugars, syrup, vanilla, salt and pecans. Pour into prepared pie shell. Bake 45 minutes. Serve warm with a scoop of vanilla ice cream.

Zucchini Pecan Cake

4 eggs
1 1/2 cups vegetable oil
3 cups grated, unpeeled zucchini
2 tsps. vanilla
3 cups sugar
3 cups all-purpose flour
2 tsps. baking powder
2 tsps. baking soda
1/2 tsp. salt
1 1/2 tsp. cinnamon
1/4 tsp. each allspice and cloves
1 cup chopped pecans
Place eggs, oil, zucchini, vanilla and sugar in large mixing bowl. Beat two to three minutes. Sift together dry ingredients. Add to egg mixture. Beat until blended. Stir in nuts. Pour into greased and floured pans. Bake at 350 degrees 1 hour and 20 minutes for Bundt pan, or until cake tests done. Serve with whipped cream, Cool Whip or cream cheese frosting if desired.

Orange Glazed Pecans (for the microwave)

1/4 cup orange juice
1/2 tsp. orange flavoring
1 cup sugar
2 cups pecan halves
Combine orange juice, flavoring and sugar in a 2-quart glass baking dish. Stir in pecans. Microwave on roast for six minutes. Stir and continue on roast for 8 to 10 minutes or until syrup crystallizes. Spread and separate glazed nuts on a buttered cookie sheet to cool.

utes progress

By this process the state of Texas will not have risked or lost any of the billions of federal dollars in the state budget.

Finnell stressed the necessity to keep pressure on the federal conference committee now adjusting differences between their two versions of the pending federal transportation bill.

"The Texas legislature realizes we need the most appropriate places, and basically have more limberness than a rubber band!! We have the answer... gymnastics! Take advantage of all that energy and turn it into a healthy skill.

The RAC has employed a new gymnastics instructor, Rachel Randerson, and she will begin lessons next month. Classes will be on Thursday afternoons at a cost of \$30 per month for one hour a week. To register or for more info, call the RAC at 592-4471.

RAC Memberships

October is the beginning of the fiscal year at the RAC, which means it is time to renew RAC memberships. If you received a renewal letter, and have not yet returned your dues, please take a minute to do so. The very nominal membership dues (\$15 for family or \$6 for single) help us to continue our programs at the RAC. If you have never been a RAC member, we would love to have you. For more info, call 592-4471.

Tour of Homes

We are not accepting nominations for homes to be selected for our annual Christmas Tour of Homes. This event is held each year on the second Saturday in December and is a wonderful way to share in the hometown spirit of Christmas in our community. If you would like to make a suggestion, whether it be your home or someone else's, please contact Jo Lynn at 592-4471.

Aerobics

We have received a few calls

RAC News

COCKRUM

from persons interested in taking aerobics at the RAC. In order to begin a class and get an instructor, we will need at least 10 persons who will attend on a regular basis. If you would be interested, please call us and let us put your name on the waiting list.

Junior High Dances

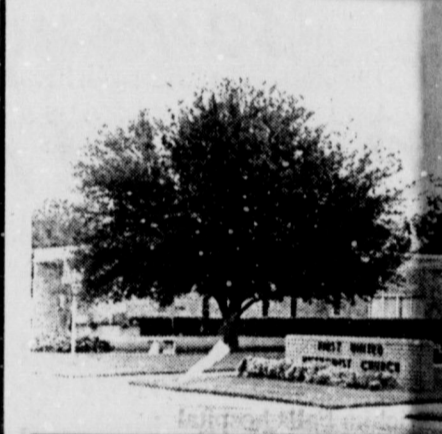

Due to previously scheduled events, there will not be a report card dance at the RAC for this six weeks period. We regret this, but don't worry kids, we'll make it up to you as the year continues. A schedule of the dances will be distributed with report cards at the junior high this week.

Pleasant Valley Baptist slates revival Oct. 2-6

A revival with the theme "Listen Now, Hear Forever," will be held Oct. 2-6, at Pleasant Valley Baptist Church. Services will begin at 7 o'clock each evening at the church located at 880 Huntington Lane.
Thomas Simon, pastor of Shiloh Baptist Church in Wichita Falls, will be the evangelist, and his wife, Mozelle, will lead the singing.
Other members of Shiloh Baptist Church will present special music throughout the week, and Friday night the Shiloh Baptist Choir will sing.
Each night of the revival has a special designation. Monday is Sunday School night; Tuesday is Friends and Family night; Wednesday is Just Be There night; Thursday is Pack a Pew night; and Friday is Youth Night.
Carl Kent, pastor of Pleasant Valley Baptist Church, says everyone is welcome to attend the services.

PARTIALLY HIDDEN by weeds, tree limbs and water is an automobile in a stock pond about one mile west of Barnett Road, off US 287. Three Wichita Falls women were riding in the vehicle when they said they were forced off the pavement by a passing truck. No injuries were reported.

Nov. 15 is 'Texas Recycles Day'

Most Texans know recycling is good for the environment, and more businesses are realizing it can cut disposal costs. But now, for the first time recycling can help citizens across the state win big prizes.

Gov. George W. Bush has proclaimed Wednesday, Nov. 15, as "Texas Recycles Day."

To launch the event, several choice prizes -- including one that has four wheels and 44 percent recycled steel content -- was announced in Austin by a group of 100 businesses, schools, government agencies and civic and environmental organizations that are coordinating the recycling event.

"Every year, Texans throw about 20 million tons of garbage into landfills," said Texas Natural Resource Conservation Commission Chairman Barry R. McBee. "But that number could be much smaller because it's estimated that up to 80 percent of that trash is recyclable. Diverting those recyclables from landfills is a Texas-

sized challenge that requires a Texas-sized solution."

Anyone who pledges to start or enhance a recycling program as part of Texas Recycles Day has a chance to win prizes donated by businesses that care about the environment.

Mayor prizes include:
* A 1995 Jeep Wrangler donated by Steel Recycling Institute;
* A \$3,000 gift certificate to The Home Depot;
* A \$2,000 vacation gift certificate donated by Balcones Recycling;
* A Travelmate 4000 laptop computer for schools from Texas Instruments; and
* Five \$500 shopping sprees from H.E. Butt Grocery Company.

The prizes and many more will be given away when Texas Recycles Day culminates with a drawing at the state capitol building in Austin Nov. 15.

Hundreds of recycling events coordinated by a variety of organizations will also be held across the

state that day.

Ten Great Ways to Celebrate Texas Recycles Day

1. Think before you throw. Reduce. Reuse. Recycle.
2. Add new recyclable materials to your home, office or school recycling program.

3. Commit to buy and use recycled products at home and at work.

4. Conduct a Texas Recycles Day sales promotion.

5. Start a compost pile with yard trimmings and food scraps.

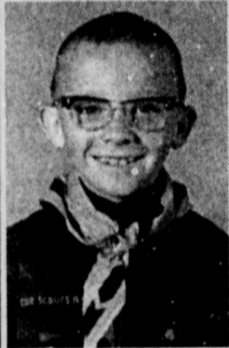

6. Take a youth group to visit a recycling facility or a landfill in your community.

7. Take your used motor oil and oil filters to one of the many approved collection centers.

8. Don't Bat It. Leave grass clippings on the lawn as fertilizer.

9. Allow a school to consolidate its recyclables with your workplace recycling program.

10. Conduct a training workshop on recycling or composting.

GO HAWKS!

Pipers romp over short-handed Hawks

You rarely see their names in the paper and it seems the only time they get singled out is when they jump off sides or get called for holding.

It's always "so and so scored three touchdowns and rushed for 139 yards or so and so threw for 216 yards and two touchdowns." You sometimes take for granted the people up front who are opening the holes or allowing the quarterback the time he needs to complete all those passes.

That was the case Friday night when Iowa Park, who entered the game averaging 267 yards per game rushing, were playing without two of their offensive linemen. The Hawks managed only 12 yards rushing and 45 yards passing as they fell to 0-3 on the season losing 31-7 to the Hamlin Pied Pipers.

The Hawks were without the services of Tyson Spruiell, a 255-lb. senior guard who missed the game with a severely bruised thigh. Iowa Park's other missing starter was 285-lb. senior tackle Keith Hoover who saw limited action but was slowed tremendously by his broken left hand he suffered in the Electra game.

Matt Strange and Brad Phipps filled in for the pair but when you take out 540-lbs of blocking and senior leadership, you definitely notice it both on the stat sheet and on the scoreboard.

"Our offense seemed out of sync all night," head coach Weldon Nelms said. "We tried to simplify things and at the same time we tried to add some different formations. Hamlin came out and played us man-to-man and at times they just out athleted us in some areas."

The losses were also felt on the defensive side of the ball as the Hawks gave up 349 total yards and 31 points, both season highs.

Hamlin sophomore quarterback Chas Shira completed only four passes against the Iowa Park secondary, but three of those ended up in the endzone. Shira finished four-of-nine for 157 yards and three TD's with two of those going to James Clawson.

Following a scoreless first quarter, Shira appeared to have put the Pipers on the board when he hit his tight end with a 15-yard TD pass, but a holding call nullified the score. On the next play, Shira hit Darryl Cooper, who out-jumped a Hawk defender in the endzone for the game's first score. Scotty Nichols added the first of his four extra points to make the score 7-0. Six

minutes later Shira and Clawson hooked up for a 79-yard scoring strike to boost the Hamlin lead to 14-0. The Pipers ended the first half scoring with Nichols' 24-yard field goal.

The Hawks cut the lead to 17-7 late in the third when they took advantage of a Piper turnover. Michael Fallon stepped in front of a Shira pass and returned it 22 yards to the Hamlin 18. Four plays later, Dusty Owen scored from 7 yards out to pull Iowa Park within striking distance. John Woods tackled on the extra point.

On the ensuing kickoff, Wood hit the ball high in the air and Iowa Park's Shane Bagley raced under it at the Pipers' 37 giving his team excellent field position. But the Hawks were unable to take advantage of the break and four plays later punted the ball

back to Hamlin to end the third quarter.

Seven plays later, Clawson hauled in his second TD pass from Shira, this one a 25-yarder, to boost the Hamlin lead to 24-7 with 9:05 left in the contest. The Pipers' final score came with 6:27 left to play when Timmy Davis scored on a 4-yard run to make the final 31-7.

Frosh Hawks edged by Quanah Junior high teams sweep Graham

The Iowa Park freshmen Hawks came back from a 14-0 halftime deficit to the Quanah JV Indians Tuesday, but came up short in the end losing

28-20 to fall to 1-2 for the season. After a scoreless first quarter, Quanah put up 14 points in the second period to take a two-touchdown lead

into the locker room at halftime. Iowa Park answered with 14 points of its own in the third quarter. Tommy Duerson returned an Indian punt 60 yards for a touchdown to put the Hawks on the board. Duerson then hauled in the two-point conversion pass from quarterback Justin Terry to make the score 14-8. Quanah added another touchdown to boost its lead to 20-8 but once again, the Hawks fought back.

7TH GRADE A TEAM
The 7th grade A team kept it's undefeated and unscored upon streaks alive Tuesday night by beating the Graham Steers 14-0 on the road for their third victory of the season.

7TH GRADE B TEAM
The 7th grade B team has something in common with their A team counterparts in that they too are unbeaten after beating Graham 18-6 Tuesday night.

with their only setback coming in week one against Burk.

Runners in competition

The Iowa Park cross country teams saw action Saturday in the Grafard Invitational Meet.

The Lady Hawks finished in 5th place in the 3A-5A division with 167 points just behind district rival Bridgeport who finished with 137 points.

Scoring is based on adding the place each runner finished with the lowest being best.

Brandi Butler led all Iowa Park

finishers with her 17th place finish. Just behind her was Randi Nelms who finished 19th. Other finishers from Iowa Park included Amanda Stephens (26th), Amber Beason (50th), and Sarah Shook who finished 55th.

In the boys 3A-5A division, the Hawks finished 11th with 264 points with David Waterbury leading all Iowa Park finishers in 20th place. Tommy Estrada was close behind finishing in 22nd place.

Duerson scored his second touchdown of the quarter, this one a 15-yarder to pull Iowa Park to within 6 at 20-14 as the third quarter came to an end.

Iowa Park's Malcolm Wise tied the game in the final quarter with a 45-yard run to make the score 20-20 after the two point conversion failed. But with 3:55 left to play the Indians scored again to make the final 28-20.

Offensive standouts included Clint Ashford, Patrick Moulton and Wise. Defensively Moulton was listed as having a good game for the Hawks.

Iowa Park's Nathan Creekmore scored the game's first touchdown with less than a minute to go in the first quarter. Chase Wright scored the Hawks second touchdown on a nice 20-yard run and fullback Brandon Criswell ran in for the two point conversion to make the score 14-0 with 2:30 left in the first half.

That turned out to be the final score as neither team found the end zone in the second half.

Defensive standouts for Iowa Park included Jimmy Miller and Michael Leal, who according to coaches, saved two or three touchdowns with good open field tackles.

The Hawks will be looking to run their record to 4-0 next Tuesday when they play host to Springtown at 5 p.m..

The win lifts the Hawks record to 2-0-1. It is the second win in a row for Iowa Park after a tie against Burk in the opener.

The Hawks touchdowns went to Joel Sanchez, Jimmy Brown and Jamie Eaton and John Wittmeyer was credited with a solid job of blocking to lead Iowa Park.

8TH GRADE A TEAM
For the second week in a row, the 8th grade A team had to battle from behind but managed to pull out a victory by beating the Graham Steers 30-22 to raise their record to 2-1.

The Hawks saw their winning streak grow to two Tuesday night

The Iowa Park touchdowns went to Joe Rath who returned a punt 60 yards for a score, Ryan Huff scored a pair on runs of 25 and 10 yards and also ran in a pair of two point conversions. Scotty Mitchell added a touchdown on a 15-yard run and also tacked on a two point conversion.

The Hawk defense was led by Huff, Bryan Swanson, Dusty Dean, Shane Dunn, Dustin Shiery and Troy Tatom.

Coaches credited the entire offensive line of James Williams, Justin Phillips, Darnon Fox and Carl Morgan for opening some big holes for the backs to run through. Pulley and Duerson hooked up on a pair of long pass plays to pull Iowa Park out of the hole on two different occasions.

The Hawks will be looking to stay on the winning path when they play host to Springtown next Tuesday.

SEVEN GREENHANDS from the Iowa Park Future Farmers of America chapter attended a leadership conference Saturday in Breckenridge, where they heard talks by Dustin Dean, state vice president, and area president Amber Brady. Attending were Johnny and Ross Dillard, Jennifer Phillips, Beth Clower, Kari Hogan, Timmy Barnes and Bryan Taylor.

Temperature, rain discussion topics

Weather has been on the minds of gardeners and coffee drinkers during the past week.

A cold front forced jackets and sweaters out of the closet in the latter

part of last week, when the low dropped slightly below 40 degrees.

Clouds that passed over the area Monday deposited .60 of an inch of rain, Virgil Woodfin reported.

TOP OF TEXAS FOOTBALL

The Pee Wee East Hawks raised their record to 2-1 Saturday with a convincing 30-6 win over the Vernon Lions. The win lifts the Hawks non-conference record to 2-0 and 0-1 in league play.

Cory Bosley opened the scoring for Iowa Park with a 1-yard run in the first quarter. Justin Swenson added an 11-yard run and Tristin Dozier added a two point conversion to give Iowa Park an 14-0 lead.

The Lions scored to make it 14-6 but on the ensuing kickoff, Bosley rambed 60 yards for another touchdown. Swenson added a two point conversion, then followed with his second touchdown, this one a 35-yarder to make the score 28-6. Dozier scored his second two point conversion of the game to make the final score 30-6 as neither team scored in the second half.

Offensive standouts included Grant Miller, Sam Martinez, Kevin Carlton and Wade Havins. Defensively, Shawn Llana, Matt Clagow, Brandon Llana, and Martinez all had outstanding games for the Hawks.

The Hawks next action will be this Saturday when they play host to Burkburnett.

The Midget East Hawks lost their third tough game to start the season to fall to 0-3 after losing 12-0 to the Vernon Lions. The Hawks are 0-1 in conference play.

For the second time this year, Iowa Park let their opponent score on the first play of the game. Vernon scored on a 45-yard sweep less than a minute into the game to make the score 6-0. The Hawk defense held the Lions in check for the remainder of the first half but the offense couldn't manage to hold on to the football long enough to find the end zone.

Despite racking up piles of yardage, three costly fumbles hurt Iowa Park's scoring chances.

Kyle Young led the team with 68 yards rushing on 9 carries thanks to his offensive line.

Jarred Vernon, Tommy Jeter, Dwight Gibbs, Michael Hopper, Michael Yoder, Brandon Gentry and Austin Weiss opened numerous holes for the backs to run through.

K.P. Rains hooked up with Gentry on a 27-yard pass play to put the Hawks in scoring position but a fumble ended the threat.

Vernon scored midway through the third to make the final 12-0.

Defensively, Young and Yoder led the team with 7 tackles each followed by Jeter, Rains and John Schram who each finished with 5.

The Hawks will be looking to crack the win column Saturday when they play host to Burkburnett.

The Iowa Park West Pee Wee's remained unbeaten Saturday by beating Electra to improve to 3-0 overall and 2-0 in conference play.

Kyle Hayley, who finished with 71 yards rushing, put his team on the board with a 10-yard touchdown early. His two point conversion made the score 8-0. James Rowland, who led

the team with 113 yards rushing, scored on a 42-yard run and then added the two point conversion to make it 16-0.

Michael Fulkerson scored a pair of touchdowns on runs of 10 and 37 yards to boost the Hawk lead to 28-0 at the half.

Chase Burger added Iowa Park's final points on a 2-yard TD and the two point conversion.

Defensively, the Hawks were led by Matthew Carrizales, Tim Hawley, Michael Fulkerson as each came up with a fumble recovery. Other defensive standouts included Nash McFann, Burger and Cody Reid.

The Hawks will be looking to remain perfect when they play host to Sheppard this Saturday.

The Midget West Hawks suffered through a bad case of fumbleitis Saturday night as they lost 6-0 to Electra to fall to 1-2 overall and 1-1 in conference play.

The Hawks fumbled 12 times and lost five of them to go along with 40 yards in penalties, all adding to keep Iowa Park out of the end zone.

Jared Davis led the Hawks in rushing with 45 yards followed by Andy Simpson with 30 yards and Cory Sosbee with 20.

Quarterback Will Clapp and tight end Trey McKnight hooked up on a 15-yard pass play to help boost the offense.

The Hawk defense played solid throughout the game right up till the final 90 seconds as the Tigers broke loose for the games only score to make the final 6-0.

Defensive standouts for Iowa Park included Davis and Simpson who each intercepted a pass, and Guthrie Jensen and Jason Vanek, who each had fumble recoveries.

The Hawks will be looking to get back on the winning track Saturday when they host the Sheppard Cowboys.

Card of Thanks

We would like to say thanks to everyone who helped Perry Lee when he injured his knee in the football game at Electra. Your phone calls, cards, gifts, the many visits, and most of all your prayers are very much appreciated. Thanks to all of Perry's friends and parents who came and kept him cheered up. God bless all of you. A very special thanks to Jimmy and Debbie Green, Zella Green, Joe Noel, Pastor Duffy Terry and Cornerstone Church.

Sincerely,
Perry, Sandra &
Perry Lee Green

A special thanks to IPJH coaches, Bob Gray, David May, and Larry Zachary who went out of their way to come to the hospital and to our home to check on Randy. We would also like to thank the many friends who called or came by. It is so appreciated.
Roger, Cheryl
Randy and Jenny York

Girls' league now forming

Players and coaches are needed to form teams for the girls basketball league at Southside Girls Club in Wichita Falls.

Registration is in progress and will continue through Oct. 10. To register, an individual player or a team can call Sherry Smith at 767-7071 between 2:30 and 5:30 pm. Monday through Friday.

Two of the four age divisions will play about half their games locally this year at the new Optimist Club Gymnasium.

7th B team places 3rd

The 7th grade B Lady Hawks volleyball team came home with a third-place trophy last week when they defeated Zundy 12-15, 15-7 and 15-6 in the final game of the Burkburnett Tournament.

The Lady Hawks opened the tournament by beating host Burk 15-3, 15-12, before losing to McNiel 3-15 and 5-15.

In the 8th grade B division, Iowa Park lost to Burk 6-15, 12-15 and then fell to McNiel 3-15 and 12-15.

The Ladies were back in action Monday night with the 7th grade A team falling to Vernon 5-15, 6-15. The 7th grade B team fell 15-10, 9-15 and 9-15 to the Lady Lions.

In 8th grade action, Iowa Park's A team lost 4-15 and 2-15 with the B team falling 5-15 and 14-16.

Winless Hawks

Continued from page 1

"They are a well balanced ball club," Nelms said. "They run the option just enough to keep you honest and they throw the ball just enough to keep you off balance. Their offensive line is strong and very physical and is one of the keys to their success."

"Defensively, they're a sound ball club without many holes," said Nelms. "They play pretty much straight up and don't stunt much. We're going to have to try some different formations to keep them off balance. It's going to be a challenge for us but the kids are looking forward to it. We played them tough here last year and with them being 3-0 and us 0-3, they may be looking ahead to the homecoming festivities planned."

The Dragons are a tough team to score on as they enter Friday night's game giving up only 5 points per game and are only allowing 179 total yards per contest.

"In their three games so far, they've caught some big breaks,"

Nelms said. "In the Poteet game, Southlake blocks a punt and recovers it for a touchdown. Poteet blocks a punt and it rolls out of the end zone for a safety. They had some trouble in both of their other games as well, but a sign of a good team is that they win games like that and they create the breaks."

Iowa Park will be a bit more healthy entering Friday night's contest as they will get back starting

offensive linemen Tyson Spruiell and Keith Hoover. Jimmy Fallon is back as well for the Hawks.

"We know going into the game, that no one in the state is giving us any chance of winning and we're tremendous underdogs," Nelms said. "We're taking the attitude that if we can get back to the level we played at in the Burk game, we feel like we can play with anybody."

Friday's game is scheduled to get underway at 8 p.m. with the Hawks returning next week to host Springtown, and Jacksboro visiting here on Oct. 13 for homecoming.

SAFB Lobster Bake slated for Oct. 7

It's time to roll up your sleeves and lick your chops -- the 15th Annual Lobster Bake is set for Oct. 7 at Sheppard AFB's community center. All proceeds from this year's event go to the following Combined Federal Campaign organizations: Retarded Citizens Fund, maternity Cottage and Sheppard AFB's Youth Center. Tickets are \$15 for adults, who will dine on a menu of live Maine lobster, corn on the cob, baked beans, boiled potatoes, rolls and beverages. At \$1 each, children will be fed hot dogs with all the fixings. Three serving times will be at 1:30, 4:30 and 7:30 p.m. Reservations must be made by Oct. 3, and information is available by calling 676-6647, 676-3894 or 676-7050.

CUB SCOUT NEWS

Last Monday was our Pack meeting at the RAC. The opening was performed by Jere Ellison's Den 1. Cindy Shults, Den 5, did the set-up. The Parents Attendance Award went to Phil Johnson's Den 4 and Angela Horton's Den 6. Several boys advanced to Bobcat. They are from Jamie Fulton's, Den 9 and include Jonathan Barnes, Devin Fulton, Brandon Holguin, Erik Jensen, Jacob McDaniel, Justin Willis, and Richard Windhorst. Cindy Shults' Den 5 were Blake Beals, Caleb Castleberry, Westin Henderson, Benjamin Ketchersid, Jordan Ketchersid, Louis Mangiacapra, and Ross Shults. From Karla Hopper's Den 5 was Ryan Smith and from Tony Fulton's Den 8, was Andrew Shaffer. Don't forget Lad and Dad is Oct. 7-8, or Oct. 27-28. Deadline to turn in your money is Sept. 29. A special thanks to Veneda Koch from Nor-Tex 911 and DeDe Alderman from the Iowa Park D.A.R.E. Program. You did a super job talking with the boys. Thanks to the boys and their parents who worked the Scout-O-Rama. You all did a great job at the booth and selling tickets.

CAMP FIRE NEWS

The Autumn Ramble Overnight for all grade 3 and older members with leaders and co-leaders will be held Friday at 5:00 p.m. until Saturday at 8:00 a.m. in Harrell Park. The cost is \$6.00 for each child and everyone attending should bring their signed permission slip. Peggy Kaspar will be in charge of this adventurous evening of fun.

LEGAL NOTICE

ADVERTISEMENT FOR BIDS
Sealed bids for Valley Drive Drainage Project for the City of Iowa Park, Texas will be received by Mr. Wayne House, Mayor until 10:00 A.M., Tuesday, October 17, 1995, in the City Council Chambers, Iowa Park, Texas and then publicly opened and read aloud. Information for bidders, form of bid, plans, specifications, and forms of bid bond, performance bond, and payment bond, together with other contract documents, may be examined at the offices of Biggs & Mathews, Inc., 2500 Brook, Wichita Falls, Texas 76301. Copies may be obtained upon payment of \$25.00 for each set, which is non-refundable, from the offices of Biggs & Mathews, Inc. or by calling (817) 766-0156. The major items to be furnished and installed are: 2,000 CY Gravel surface removal and street excavation 24,500 SF 5" Reinforced concrete paving
Additive Alternates:
430 LF Drainage channel excavation
Bidders must submit with their bids a Cashier's or Certified Check in the amount of Five (5%) percent of the maximum amount of bid payable to the City of Iowa Park, Texas or a Proposal Bond in the same amount from a reliable surety company as a guarantee that Bidder will enter into a contract and execute bond and guarantee forms provided within ten (10) days after notice of award of contract to him. Bids without check or proposal bond will not be considered. The successful Bidder must furnish bond in the amount of 100% of the contract price from an approved surety company holding permit from the State of Texas to act as surety and acceptable according to the latest list of companies holding certificates of authority from the Secretary of the Treasury of the United States, or other surety or sureties acceptable to the Owner. The City of Iowa Park also requires the Contractor to provide a two (2) year Maintenance Bond in the amount of 50% of the project cost.

NEWS FROM THE HALLS OF THE HAWKS

ID Tags offered

Polished, stainless steel identification accessories are being offered as a joint service project by the Bradford and Kidwell PTA's. Being offered include shoe tags, bracelets, necklaces and keychains, for \$3 a piece. The tags will have a space to put the child's name, address, phone number and allergies. The tags will be sold beginning next Monday through Friday. Order forms, due back by Oct. 9, will be sent home in students' backpacks. The offer is not limited to just students of the schools, and may be purchased by anyone. Anyone interested in ordering may contact Debbie Brixey, 438-2269 or Shawnee Raines, 592-9625.

JUNIOR HIGH

Sign up now for European tour

Junior high students have an opportunity to tour Europe next summer, with stops in Amsterdam, Brussels, Paris, and London. Individual cost of the 10-day trip, which will be from May 26 thru June 5, is \$1370. The price includes round-trip airfare, eight overnight stays in first, superior tourist, or tourist-class hotels, continental breakfast and dinner daily, full-time services of a tour director, all transfers and intercity transportation, two comprehensive sightseeing tours led by licensed local guides, four visits to special attractions and three walking tours. Students who are interested should see Mrs. Pepiton for further information and brochures. Those who decide to go on the tour should turn in an \$85 deposit, along with their application, by Oct. 6.

Report Cards given out Friday

Friday is the day we've all been waiting for! With tests finished and grades posted, students will be given their first six-weeks report cards to take home on Friday.

Football

On Tuesday, the 7th and 8th grade A teams will play Springtown here beginning at 5 p.m.

Vision/Hearing checks

The school nurse will be conducting hearing and vision checks for 7th grade students on Tuesday, Oct. 3.

Report Card Dances

Junior High Report Card Dances, sponsored by the Iowa Park RAC, are held one week after report cards are received. The dances are on Saturday evenings from 7:00 to 10:00. This allows time for all students who qualify to receive their honor cards.

Admission for students who present an honor card is \$1.00. Admission for students without honor cards is \$2.00. This dance is intended for Iowa Park Junior High students only. If it is necessary for you to bring an out-of-town guest, you and your guest will be required to sign in and give responsible party information. No high school or elementary students will be admitted to the dance.

These dances are arranged in cooperation with the schools, however they are sponsored by the RAC. Therefore, RAC policies will be enforced in regard to entry/exit, dress code, music, etc. No student will be allowed to come and go from the dance. If you are to leave the RAC early, you must provide written parental permission. This is for the safety of students, as well as peace of mind for RAC directors and parents.

The success of the dances depend largely on volunteer support from parents. If your parents would like to volunteer to help chaperon at any of the dances, have them call the RAC office at 592-4471.

No dance this six weeks

Due to previously scheduled events, there will not be a Report Card Dance at the RAC following the first six weeks period. Dances will be held for the second, third, fourth and fifth six weeks.

BRADFORD

PTA meeting

Bradford PTA will meet Tuesday evening in Bradford cafeteria. The board meeting will begin at 6 p.m., with a general session to follow at 7 p.m. Items to be discussed include Whoop-T-Do, pie sales, Red Ribbon week, state PTA convention and the 1995-96 proposed budget. Bradford PTA meetings are held the first Tuesday of each month.

Place those states

Fifth graders should be getting out their maps to brush up on state placement. Memory work for the second six weeks will be United States state placement.

High School Pals at work

High School students have begun their work at Bradford, according to Pat Cravens, principal. These students take one class period a day to go to the school and assist in the classrooms as aides. Clint Witherspoon is Bradford's computer lab aide; Sarah Kennedy will assist Mrs. Dillard; Brandon Campbell will be Mrs. Crumb's aide; and Melina Lovell will assist Mrs. Frederick.

Weight Watchers at Work

A Midwestern State Univ. student, Melissa Thompson, is coming to Bradford to monitor the progress of those participating in the Weight Watchers at Work program. Ms. Thompson is doing the study for a college course she is enrolled in, and will interview those involved. About 15 members of the Bradford staff, as well as staff from other Iowa Park schools, are participating in the weight loss program.

Going Commercial

Fifth graders will tape a public service announcement for the D.A.R.E. program this Friday. The PSA's will appear on KAUZ Channel 6.

Jump Rope-A-Thon

Bradford students will be jumping rope in October to raise money for the American Heart Assoc. Information and forms for pledges will be sent home with students in the near future. Everyone will participate in the Jump Rope-A-Thon, but collecting pledges will be optional, according to Mrs. Cravens.

KIDWELL

Second grade field trip

Mrs. Cash's and Mrs. Hefli's second grade classes will take a field trip to the Humane Society Friday. The trip will conclude a reading unit which emphasizes responsibility.

S.H.A.R.K.s among us!

Second graders have begun the S.H.A.R.K. (Super Happy Accelerated Reading Kids) accelerated reading program. During the program, second graders will receive a reward after reading five books and passing each computer test.

Learning to Sign

To conclude last week's reading unit, "I Have a Sister, My Sister is Dear," second graders were treated with a lesson in sign language. Mrs. Sandy Watreas and Mrs. Becky Lovelady shared their knowledge and expertise with the classes, showing them the manual alphabet for the deaf and various signing techniques. The students then learned to "sing" a song using these techniques.

In a Stew

The second grade classes of Mmes. Padgett, Moody and Gunter will conclude this week's reading unit, "The Wolf's Chicken Stew," by making chicken stew in their classes. The students will get to enjoy their stew feast Friday.

Apples aren't just for teachers

Tuesday, second graders celebrated Johnny Applesseed's birthday with literature, art and, of course, by eating apples.

Four graduate MSU

Among the 179 Midwestern State Univ. students who completed degree requirements during the past summer were five from Iowa Park. They included Marcelli Gambill Cruz, Ardenne Dawn Driscoll, Michael E. Matthews and Jerry Dale McClurg, all completing bachelor's degrees. Stacy James Ward completed his master's degree.

Whoop-T-Do King and Queen Contest

Epsilon Eta Chapter of Epsilon Sigma Alpha International invites all boys and girls in the age groups of 0-3 and 4-7 to compete for WHOOP-T-DO KING AND QUEEN. A king and queen winner will be named for each age group. Votes are cast by a penny per vote. The winners will be determined as being the child who has collected the most penny votes. The winners will be crowned at the Whoop-T-Do celebration on Saturday, October 14, 1995. Anyone within the Iowa Park School District may enter. ESA is a non-profit organization which supports many projects within the community.

Please call one of the following persons to register or receive additional information: Essie Johnson, 592-4411 or Dee Dee Forney, 592-5252.
