24-HOUR GROWING MACHINE
... used to produce marijuana.

'HOME-GROWN'

Pot producer jailed when crop discovered

An Iowa Park resident was arrested last week when police discovered he was growing a marijuana plant in his apartment.

Larry Daniel Thompson, 26, was taken into custody Thursday afternoon on a charge of possession of marijuana, under two ounces.

Local police received a tip that Thompson was growing the plant in unit 204 at Woodbriar Apartments.

Upon investigation, officers found a four-foot, commercially-built structure in the man's closet. It was hooked up with electricity to provide a light that enhanced the plant's growth.

Also found were marijuana seeds and plant food.

The growing box contained a single, 18-inch healthy marijuana plant.

Thompson was placed in the county jail under a \$500 bond, according to police.

Police also are investigating a reported theft of a bank bag from Golden Fried Chicken.

Manager Tim Ewing notified police Wednesday morning of last week that the bag, containing \$292 in checks and \$100 in cash, was apparently taken sometime the night before.

Police are asking that anyone who wrote a check at the business on

Tuesday, Sept. 26, notify the department if their check has been cashed at a bank.

Two arrests were noted during the past week's police blotter.

When officers responded to a residence in the 100 block of East Alameda Wednesday afternoon, they arrested Russell D. Patterson, 25, on a charge of criminal mischief \$20-\$500.

A state-wide computer check also found that an outstanding warrant existed on Patterson, issued by the Wise County Sheriff's Department, for violation of probation on a DWI charge.

Patterson was transported by a deputy sheriff to the jail in Wichita Falls.

An officer on patrol stopped a vehicle at 11:47 p.m. Thursday in the 700 block of West Highway, and it was determined an outstanding warrant existed for the driver, Audrie Wheeler Meissner, 25.

The warrant was capias pro fine, safety belt violation, unsecured child 4-14.

Meissner was taken into custody, and released at 2:10 a.m. Friday after signing a promise to appear in municipal court, according to the police blotter.

Council to meet Monday

Three resolutions and one bid action are included on the tentative agenda for Monday night's meeting of the city council.

The regularly-scheduled meeting is to begin at 7 p.m. in council chambers.

The resolutions include:
* authorizing assignment of ambulance service contract to Laidlaw, Inc. from CareLine, Inc. The topic was passed over from the

council's last meeting;

* consider writing off bad debts owed the city; and,

* consider granting an exemption to put a mobile home on a lot that does not have the footage required by city code.

Also to be considered is authorizing the city administrator to purchase a street sweeper. The council earlier had authorized advertising for bids on a new unit.

Hawks take on Porkys in pre-conference final

When the season started, the Springtown Porcupines looked like they would take up right where they left off the 1994 season.

After losing in the regional quarter-finals in the State Class 3-A playoffs to Abilene Wylie, the Porcupines had a number of returning starters and were rewarded by being ranked No. 4 in the preseason polls.

But preseason rankings don't win you football games and after starting the season at 0-2, the Springtown offense that was supposed to roll over teams, had managed only 12 points and the team fell from the rankings.

When the Porcupines, 2-2, square off against Iowa Park Friday at 7:30 p.m., the Hawks will be looking to rebound from a 34-7 loss to the 4-A No. 7 ranked Southlake Carroll Dragons that left the team hurting and winless at 0-4 for the season.

Springtown on the other hand has rebounded after starting the season by losing 27-6 to Azle then 13-6 to Alvarado by blasting Breckenridge 51-3. The Porcupines followed that with an impressive 42-7 win over Brewer last week to even their record at 2-2 for the season.

In the game against the Buckaroos, Springtown's senior running back Corey Gilley, who scored a pair of touchdowns in Springtown's 49-7

win over the Hawks last year, scored the games first three touchdowns to give his team a quick 21-0 first-quarter lead.

Also returning from last year's squad is quarterback Mark Mathis who rushed for 98 yards on 17 carries and hit on five of six passes for another 84 yards in the Porcupines win over Breckenridge. Springtown's option offense racked up 308 yards rushing on 55 carries as the Porcupines finally got their offense on track.

In the Hawks' game against the Dragons, Iowa Park lost much more than the ballgame as several players were hurt with the biggest loss being suffered by junior Kevin Brazile, who left the game at halftime with a broken right arm. Brazile played the final five plays of the first half before telling coaches about his arm.

"We're definitely hurting heading into Friday night's game," head coach Weldon Nelms said. "Besides Brazile, Robert Klinkerman is out with a knee sprain, Todd Cheeseman has torn ligaments in his elbow and is listed as questionable, Jimmy Fallon has a sprained ankle and his brother Michael is playing with a sore knee. Tyson Spruiell re-injured his leg and is doubtful and on top of that, Jason Yeager hurt his arch in practice on

Tuesday and if he isn't moving better by game time we could be in trouble on our offensive line.

"We still have others playing with some hurts," Nelms added. Keith Hoover is playing with a broken wrist and John Woods is playing banged up. We're also going to hold out Clint Witherspoon this week with no contact to see if his shoulder will heal up before we get into district play next week."

With the Hawks looking more and more like a MASH unit, Nelms is counting on some of his replacement players to step up and help his team build some confidence in the final tuneup before the district opener against Jacksboro.

"We need a good outing this week," Nelms said. "Right now we have a bitter taste in our mouths and we're tired of losing. Nobody is feeling sorry for anybody around here, we just have to go out there and get better every week."

That could be a tough task with all the injuries to the offensive line for the Hawks as the Porcupines enter the game with a very big defensive line.

Springtown's starting noseguard is 260-lbs. and their defensive tackles are 260 and 245.

Offensively, the Porcupines run the option with Mathis and Gilley handling the ball the majority of the time.

"We have to do a better job defending the option than we did against Southlake," Nelms added. "Mathis is one of the best option quarterbacks I've seen and we have to contain him. Gilley has some speed and we have to keep him bottled up to stay in the game."

The key to the Porcupines' offense is their huge offensive line that averages over 240 pounds.

"They're extremely big," said Nelms. "They like to line up foot to foot and zone block and drive you off the football. We're going to have to try some stunts and gamble some this week and play the option better. They're a senior-filled ball club and they've got a lot of tradition behind them."

Friday night's contest is scheduled to get underway at 7:30.

NEWS BRIEFS

Rains may have caused concern

When the rains began falling over the Iowa Park area Monday morning, residents may have had flashbacks to this time last year.

The area received .58 rainfall, according to Virgil Woodfin.

That came on Oct. 2, which was one day early of the anniversary (Oct. 3) of a major hail storm that struck the

area in 1994.

Also, the majority of residents likely went to bed Thursday night without any concerns about weather. But the area was placed under a tornado watch from about 10:30 until 3 a.m. Friday.

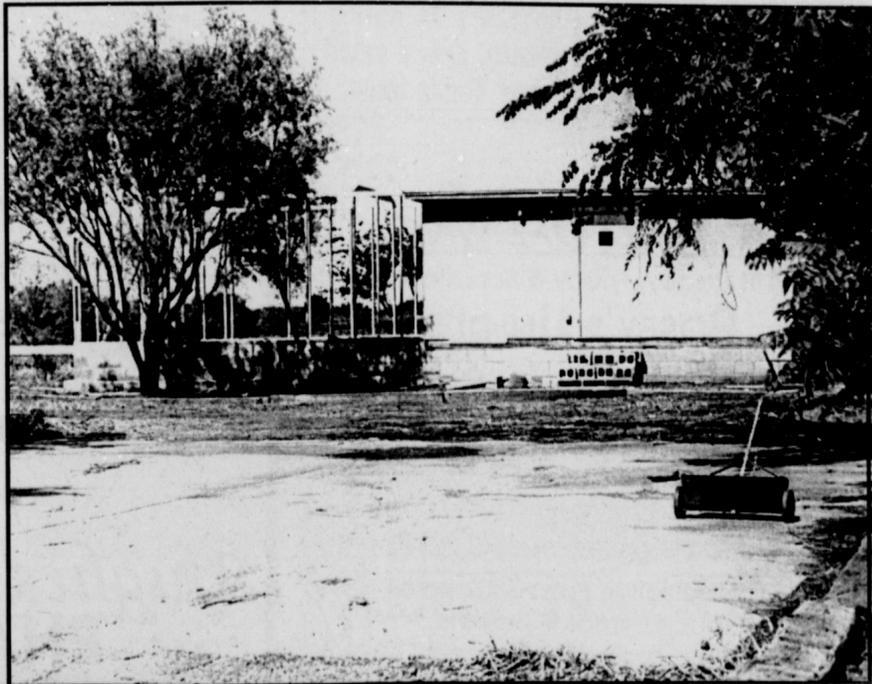

Nothing ever came from that storm, however.

As I See It... By Bob Hamilton

Until this week, I had felt I had controlled my prejudicial feelings concerning race pretty well.

That is, until the O.J. Simpson trial's conclusion and after reading an article concerning a murder trial in Lubbock.

After Simpson was found not guilty by a jury dominated by blacks, and his attorney, Johnny Cockran, stated emphatically that he had not used race in his defense, I realized I have a major twinge of racism.

No, not because Simpson was accused of killing his former wife, a white, and another man who also was white, but because I listened to Cockran's summation at the end of the trial.

The only thing he failed to

employ was the resurrection of Abraham Lincoln as a need to free the blacks once more.

The article I read concerning a case in Lubbock was that the NAACP has filed for a re-trial of a young black who was found guilty of shooting to death a man who was on an early-morning newspaper delivering route.

The organization's reason for

seeking the re-trial? Not one member of the jury was black, and, by golly, blacks make up 10 percent of the population of Lubbock.

Considering that argument, is 90 percent of Los Angeles' population black?

No, I wasn't surprised at the outcome of the Simpson trial. In fact, I expected it once the jury was chosen, and I read of its racial makeup.

Illegal dumping now patrolled

A certified peace officer is now roaming the county, seeking out illegally-disposed trash and culprits who broke the law.

He is Greg Dooley, who works jointly for Wichita County and the city of Wichita Falls. His position is funded through a grant from the Texas Natural Resources Conservation Commission.

In one month, 69 dump sites

were identified, described as "some isolated and some chronic." Eleven violators were identified and 148,340 pounds of illegally dumped debris removed.

"This problem is on the increase because so many landfills have been closed in smaller cities," Dooley said. "Because this is a major health problem in the area, cities can really help by phoning our hotline number -- 761-8899 -- and leaving a message of where the illegally dumped debris is located."

Dooley said he had located several areas of trash at two Iowa Park lakes, Lake Iowa Park and Lake Buffalo. Some were household, brush and construction debris, and others were areas trashed by fishermen and party-goers.

County Commissioner Gordon Griffith commented that some

dumping had been found on Riley, Bacon Switch, Old Electra and City View roads.

Both the commissioner and officer agreed that wooded and creek crossing areas, any place not easily observed, are common dump sites.

If an illegal dumper is observed, citizens should note (if possible) the license number, color and make of the vehicle, a description of the driver, and the kind of debris being deposited.

Citations may also be written for transporting trash or debris in a truck that is not covered, or for pitching debris out of a moving vehicle, Dooley said.

Prior to assuming the newly-created position, Dooley served with the Sheppard AFB fire department and was on the Burkburnett reserve police force.

NEW ADDITION - Members of Lakeview Church of God erected these three concrete crosses in front of their sanctuary over the weekend, enhancing the view of passing motorists on US 287.

Church to celebrate anniversary

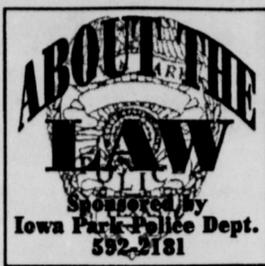

On Sunday members and friends of Lakeview Church of God will celebrate 10 years of ministry at the present location, N. Victoria and Expressway.

Special guest for the day will be Dr. Robert White, General Overseer of the Church of God.

The Sunday morning service will be at 10:30, with special music to be presented by the Youth Choir.

A nursery is available.

Pastor Ole Olds and members extend an invitation to the public to attend and be a part of the celebration.

USE SAFETY BELTS

The Iowa Park Police Department has a growing concern for our citizens not wearing their safety belts.

All drivers and front seat passengers must wear a safety belt at all times. Children under two years of age must be secured by a child safety seat at all times. Children from two to four years of age must be secured by a child safety seat or a safety belt at all times.

A violation of this law is extremely dangerous. In an accident without a safety belt, you can be thrown against the steering wheel, door, or another person. An infant or child riding on the lap of another person is not only dangerous, but deadly.

The infant or child could be crushed between the steering wheel and the driver or the passenger and the dashboard.

Be safe. No trip is too short. An accident can happen any time or any place.

Faith Baptist to celebrate 40th anniversary Sunday

Faith Baptist Church will host its 40th anniversary Sunday as a congregation with a day of festivities.

The festive day will begin with Sunday School at 9:15 a.m. and worship at 10:30 a.m.

At 1:30 p.m. a celebration service will also be held at the Worship Center at Chaparral Baptist Assembly. Former ministers, musicians, and charter members will lead out in both worship services during the day.

A catered meal will be provided at Chaparral Baptist Assembly at 12 noon for all to enjoy. The cost is \$2.50 for adults and \$1 for children. Please contact the church office, 592-2716 if you plan to eat and fellowship with the church on its anniversary.

The church constituted as a congregation in 1955 with 173 charter members. Twenty of the charter members are still active, resident members of Faith Baptist Church.

The first pastor was Rev. H. M. Rick. Other pastors through the years include Rev. George Shropshire, Rev. John Klappenbach, Rev. Gerald Tidwell, Rev. Ron Killingsworth, the late Rev. Jacky Newton, Rev. Bill Campbell, Rev. Ken Cole and Rev. Jerry Miller. Currently Dr. Greg Ammons serves as pastor of the congregation.

"Through the years, God has blessed the church by allowing growth in many areas," said the pastor, Dr. Ammons.

Buildings were added as needed and the present facilities are valued at \$1.4 million. Currently the church is in a \$900,000 building campaign to further increase its facilities.

The campaign will include remodeling, providing additional parking, constructing an office complex and an educational building. The final phase of the building program will add a balcony in the sanctuary which will raise the seating capacity from 750 to 1100.

Church membership also expanded through the years. Faith Baptist Church now enjoys more than 1500 total members. Last Sunday, the congregation reached its highest Sunday School attendance, at 677, in its history.

Faith Baptist Church is located at 411 S. Wall. Everyone is invited to celebrate the day Sunday with the congregation.

Obituaries

Norman "Bud" Otto

Memorial services and burial for Norman "Bud" Otto, 81, will be held in Lansing, Mich. Arrangements are under direction of Dutton Funeral Home.

Mr. Otto died Friday in a Wichita Falls hospital.

Born Dec. 27, 1913, in Morgan, Minn., he and Lorraine Wright were married Feb. 25, 1961, in East Lansing, Mich.

Otto had lived in Iowa Park since 1977, moving here from East Lansing. He retired as a supermarket manager for Kroger Company after more than 37 years of service. He was a Protestant.

Otto was an outdoorsman and loved to fish, garden and golf.

Survivors include his wife; one son, Norman Jr., of Phoenix; a half sister, Marilyn Limban of Ousville, Mich., and two grandchildren.

Memorials may be made to the Friendly Door Building Fund.

He played with bands that performed with Waylon Jennings, Leroy Parnell, Jerry Jeff Walker, Johnny Bush and others.

Survivors include two sons, Jake Willis and Cole, both of Gatesville; his father, Kyle of Chandlersville, Ohio, and a brother, Terry of Phoenix, Ariz.

George W. Muse

Graveside services for George W. Muse, 80, were at 10 a.m. Tuesday in Highland Cemetery.

Vaughn Coffman, chaplain, officiated. Arrangements were under direction of Dutton Funeral Home.

Mr. Muse died Friday in a Wichita Falls hospital.

Born Nov. 10, 1914, in Wellington, he and Gay Nell House were married July 30, 1953, in Las Vegas. His daughter, Lisa Muse Stephens died in 1988.

He had been a resident of Iowa Park since 1983, moving here from Delta, Colo.

Muse retired in 1963 as a fire prevention technician for the U.S. Department of Agriculture Forest Services after 16 years of service. He was a member of First Baptist Church of Loving, Okla.

Survivors include his wife; two sons, Dean of Valley View and George David of Sacramento, Calif.; two daughters, Toni Spruiell and Patti Caldwell, both of Iowa Park, and eight grandchildren.

Cemetery Assoc. to meet Sunday

A meeting of the Highland Cemetery Association will be held Sunday at the Iowa Park Recreation Center. Meeting time will be 2:30 p.m.

Some changes that people who own lots should be aware of are taking place at the cemetery.

In the near future the land will be prepared and spaces marked off in the new addition.

Trees, bushes, benches, bird-baths or any upright items that will impede mowing are not allowed. Items placed on lots without approval of the board of directors will be removed. This does not apply to items already in place.

Also, weekend and evening construction without a permit is subject to removal.

Covering lots with gravel is no longer allowed. The plastic crumbles after a few seasons and weeds emerge. In addition is the problem of graves sinking.

Those whose lots are covered with gravel should let the board of directors of the cemetery know who to contact when growth comes through or graves sink.

Those who want gravel removed from their lots should go by the cemetery office and sign a request for the removal of the gravel in order that the caretaker can do the work during the winter months while the work load is not so heavy.

Card of thanks

To all who sent flowers, cards, brought food and called at the time of our sorrow, we are deeply grateful. God bless you all.

We love you,
The family of George Muse

NEWS OF THE IOWA PARK GENEALOGICAL & HISTORICAL SOCIETY

Myra Vanderpool Gormley, a well-known genealogist, has some tips on learning how to find and use maps and gazetteers when researching for records of ancestors.

The best detailed maps for genealogists, Ms. Gormley points out, are topographic ones that enlarge small areas and show buildings, cemeteries, churches and roads. In addition, mountains, rivers and valleys are shown.

Call the United States Geological Survey at 800-872-6277, and ask for a free booklet titled "Maps Can Help You Trace Your Family Tree".

The booklet, according to Gormley, tells about the types of maps available from USGS. Also available is "Index to Map Coverage". This is a booklet for each state or a single sheet map for each state with the information you need to order for the proper quadrangle of the topographic maps. You can order one or for all 50 states and they are free.

Maps of county boundaries as they exist now and as they were on each census year can be found in "Map Guide to the U.S. Federal Censuses, 1790-1920", by William Thorndale and William Dollarhide, and available from Genealogical Publishing Co., 1001 N. Calvert St., Baltimore, Md. 21202-3897; 800-296-6687.

Thank you to Myra Vanderpool Gormley for all her helpful tips on researching our family trees. She also reminds us that large public libraries and academic libraries nearby may have the 10-volume "Omni Gazetteers of the United States".

Gazetteers are lists and descriptions of places, usually in alphabetical order according to states, a source in some detail to help find small places.

"Atlas of American History" is one of several historical atlases that show the growth and development of the nation and details of migration routes, boundaries, settlement patterns, military campaigns and Indian reservations.

Leta Watson, a member of Iowa Park Genealogical and Historical Society, is a very authoritative genealogist and teacher.

Leta is active in continuing education at Midwestern State University and will be presenting "Beginning Genealogy" Saturday, Nov. 4. The fee is \$25 for the all-day session.

To register, please call the continuing education department at MSU. This will be a wonderful opportunity to "get started" and learn more of genealogy and history available in this area.

Hawks drop 4th to Dragons

The Iowa Park Hawks ran into a steam roller Friday night in Class 4-A No. 7 ranked Southlake as the Dragons handed the Hawks their fourth loss in a row, as Iowa Park fell 34-7.

Southlake, 4-0, took the opening kickoff and ran off nine plays in only 2:58 to score the game's first touchdown. James Miller, a senior running back, scored the first of his three touchdowns on a 2-yard run with 9:02 left in the first quarter and following Austin Cranford's point after, the Dragons led 7-0.

Iowa Park took the ensuing kickoff at its own 21 yard line and marched down the field to the Southlake 29 by running off 13 plays and chewing up 6:32 off the clock before the Hawks' drive stalled. Senior fullback Dusty Owen led the way by picking up 33 of his team-high 73 yards rushing on the drive on only five carries. Shane Bagley picked up 13 yards on a pair of carries and Ciancy Lalumia added nine yards to fuel the Iowa Park drive.

But when the drive stalled at the Dragon 29 yard line, Iowa Park's John Woods miss-fired on a long 47-yard field goal attempt to nullify the Hawks scoring opportunity.

The Hawks held the Dragons on their next possession as the first quarter ended 7-0.

On Iowa Park's next possession, the Hawks once again moved into Dragon territory as Owen picked up 18 more yards and Bagley added seven leaving the Hawks facing a fourth-and-one from the Southlake 44 with 9:04 left in the first half. But the Dragon defense stiffened and held Owen short of the yardage needed to keep the drive alive.

"I felt a lot better about our performance offensively," head coach Weldon

MICHAEL FALLON PUTS END TO DRAGON'S RUN

Nelms said. "We really stepped it up from last week's outing against Hamlin even though we came up short on those first couple of drives. I thought we did a good job moving the ball against a very good Southlake football team."

The Dragons took over at their own 44 and marched 56 yards in eight plays to take a 14-0 lead with 5:42 left in the first half when Miller scored his second touchdown of the game, this one coming from five yards out.

On the ensuing kickoff, Lalumia fielded the ball two yards deep in the endzone and started to bring it out but thought better and decided to take the touchback which would take the ball out to the 20. But what he didn't notice was that he had crossed the goal line and when he kneeled down his knee was on the one yard line giving the Hawks terrible field position.

Iowa Park picked up one first down put a sack on second-and-six from the 17 left them deep in their own territory. Corky Petty's 26-yard punt left the Dragons with a short field to work with and five plays later, Cranford hauled in a 27-yard scoring strike from Brian Lacroix to make the score 21-0

with only 60 seconds left on the clock in the first half.

The Hawks opened the second half by going four and out once again leaving Southlake with a short field to work with.

Five plays later, the Dragons made it 28-0 when Miller scored from 1 yard out for his third TD. Southlake added another touchdown late in the fourth quarter to make it 34-0 before Iowa Park got on the board.

Following the Dragons' last score, the Hawks took over at their own 30 and went 70 yards in seven plays capped by quarterback Todd Yeager's 13-yard run with 14 seconds remaining to put Iowa Park on the board. John Woods added the extra point to make the final 34-7.

TOP OF TEXAS FOOTBALL

It wasn't easy, but the Pee Wee West Hawks ran their winning streak 4-0 Saturday with a hard-fought 8-win over the Sheppard Cowboys.

The Hawks improved to a perfect 3-0 in conference play.

James Rowland scored the Hawks touchdown on a 5-yard run in the second quarter and Michael Fulkerson scored what turned out to be the winning points on the two-point conversion.

Offensive standouts for Iowa Park included, Nic Scoughton, Randy Garza and Rusty Brixey.

Turnovers in the third quarter kept the Hawks from reaching the endzone again.

Defensively, Matthew Carrizales turned in one of the plays of the day when he sacked the Sheppard quarterback on fourth down late in the game to stop a Cowboy drive. Other standouts included, Rowland, who intercepted a pass, Kyle Hayley, Nash McFann, Cody Reid and Chase Burger.

The Hawks will be looking to go 5-0 Saturday when they play host to Vernon West.

The Midget West Hawks split and played an A and B game Saturday against Sheppard Air Force Base but came out on the wrong side in both contests.

The B team fell 6-0 with Jason Stevens, Jack Scholl and Matt Schenck leading the Hawks offensively.

Stevens also played solidly on defense leading the team in tackles and intercepting a pass. Other defensive standouts included Shawn Kyle, Guthrie Jensen, Chris Simms, Schenck, Steven Marshal, Steven Sargent and B. J. Adams who also picked off a pass.

The A team is still looking for a cure for the bad case of fumbleitis it is having as for the second week in a row, the Hawks have lost five fumbles. Iowa Park fumbled eight times as Sheppard took advantage by winning 20-0. The loss drops Iowa Park's record to 1-3 overall and 1-2 in league play.

The Hawks were led offensively by fullback Andy Simpson who finished the game with 30 yards rushing and Cory Sosbee who finished with 14 as Iowa Park managed a season low 17 net yards.

Defensively, Jarred Davis led the team with 11 tackles followed by Simpson and Jarred Horsky who each finished with 7. Jason Stevens and Trey McKnight added 5 tackles apiece for the Hawks who will be looking to turn things around this Saturday when they play host to Vernon West.

The Pee Wee East Hawks lost 12-0 to the Burk Burnett Bulldogs Saturday to even their overall record at 2-2. The loss drops the Hawks conference record to 0-2.

The Bulldogs scored on runs of 8 and 52 yards.

Offensively, Justin Swenson led the team in rushing with 60 yards on 8 carries followed by Cory Bosley's 30 yards on 6 carries. Tristen Dozier

added 29 yards on only 5 tries.

Defensively, Sam Martinez, Grant Miller and Wade Havins were listed as players of the game.

Iowa Park will be off this week as Vernon didn't have enough players to have two teams.

The Midget East Hawks said hello to the win column for the first time Saturday as they came from behind to beat Burk Burnett 18-14 to improve to 1-3 overall for the season. The win evens the Hawks conference record at 1-1.

Fullback Kyle Young put the Hawks on the board in the first quarter on his first carry of the game when he ran 15 yards through a big hole on the left side of the line to give Iowa Park a 6-0 lead.

The Hawks offensive line of Austin Wiess, Dwight Gibbs, Tommy Jeter, Gerrard Vernon, Michael Hopper, Michael Yodder and Brandon Gentry had one of its better games of the season as three different backs rushed for over 50 yards.

But despite all that, the Bulldogs scored twice in the second quarter to jump ahead 14-6 at the half.

Iowa Park's K.P. Rains pulled his team to within two at 14-12 midway through the third quarter when he scored from 3 yards out but the try for two failed leaving the Hawks on the short end of the scoreboard.

It was the Hawks' defense that turned things around when Young recovered his second fumble of the game giving his team good field position midway through the fourth quarter. Jeremy Fulfer also added a fumble recovery for Iowa Park.

The Hawks broke their three-game losing streak when Young scored his second touchdown of the game with 2:33 left to play on a 3-yard plunge over the right side of the line to make the final 18-14.

Offensively, Rains led the team in rushing with 73 yards on 12 carries followed by Fulfer who added 63 yards on nine carries. Young finished with 59 yards on nine tries.

Defensively, the Iowa Park was led by Hopper and Gibbs who each recorded 7 tackles. Yoder, Fulfer, Young and Rains all finished with five tackles apiece for the Hawks

JV suffers 1st loss

After opening the season by winning their first two games, the Iowa Park junior varsity football team ran into some problems in their next two outings.

Last week's game against Hamlin had to be cancelled when the Pipers' field proved to be un-playable as it was under water after the heavy rains.

But Mother Nature had nothing to do with the Hawks' game against Wichita Falls High School Thursday night as the Coyotes ran away with a 32-6 win over Iowa Park to drop the Hawks record to 2-1.

Junior Hawks beat, tie with Springtown

7TH GRADE A TEAM

The 7th grade Hawks were unbeaten and un-scored upon entering Tuesday night's game against the Springtown Porcupines and one of those two streaks is still alive following a 14-14 tie.

But things didn't look good early for the Hawks as Springtown jumped out to an early 14-0 lead.

But the Hawks fought back and quarterback Chris Simmons' 48-yard touchdown pass to Chase Wright cut the Porcupines lead to 14-8.

Nathan Creekmore scored Iowa Park's second touchdown on a 60-yard run thanks in part to a great block by tight end Ryan Bess, who also had a couple of great catches.

Defensive standouts for the Hawks included Leal, who intercepted a pass late in the third quarter to stop a Springtown drive at the 15, Heath Hodges, Rowdy Hebel and Michael Horton.

8TH GRADE A TEAM

In a defensive struggle, Iowa Park raised its record to 3-1 Tuesday night by edging Springtown by the score of 6-0.

Ryan Huff scored the game's only touchdown on a 1-yard plunge to give

The lone Iowa Park score came late in the game when Steven Trahan hooked up with Michael Swenson on a halfback pass.

The Hawks fumbled away numerous other scoring opportunities as the offense couldn't crack the Coyote defense.

Wally Wahl was listed as the defensive player of the game for the Hawks while Clint Mathis picked up the offensive honor.

Iowa Park will play the Porcupines from Springtown tonight on the road looking to improve to 3-1 for the year.

the Hawks the 6-0 win.

Offensive standouts for Iowa Park included Tyler Pulley, Dustin Shiery, Justin Penn, Damon Fox, Justin Phillips, Shane Dunn, James Williams and Dusty Dean.

Defensively, Huff, Scotty Mitchell, Troy Tatom, Bryan Swanson, Ricky Furan, Jeremiah Stevens, Joe Rath and Landon Miller all contributed to the hard fought victory for the Hawks.

Cook of the Week

Terri Mills

Terri (Mrs. Mike) Mills is convinced that being able to "cook like grandmother," is something that comes about after years of experience instead of the result of carefully following a recipe.

Terri said she grew up feeling that no one could cook like her grandmother. She would try preparing some of her grandmother's recipes, such as "Date Loaf Candy," but it never tasted the same. Her grandmother is now deceased, but Terri said her mother's cooking is beginning to taste like her grandmother's.

Terri, who refers to herself as an "Air Force brat," was born in Dallas. Her family moved to Wichita Falls when her father was stationed at Sheppard AFB. When he retired from the Air Force, they bought a home and stayed in Wichita Falls. Following graduation from Wichita Falls High School, Terri worked at the Wichita Falls State Hospital and Wichita General Hospital. She and her husband, Mike, met in Wichita Falls.

They live in Iowa Park now and are co-owners of Mills Contracting, a firm that does sheetrocking, insula-

tion, remodeling, and other construction work.

They have two sons and a daughter. Robert, 13, is in the eighth grade and plays trombone in the junior high band. David, eight, is in the third grade and is a member of Cub Scouts. Five-year-old Staci is a kindergarten student at Kidwell. All three children take taekwondo lessons.

In addition to working in the business, and activities with the children, Terri is in charge of public relations for the local Cub Scouts, a VIP at Kidwell and Bradford Elementary schools, and a member of PTA. In her spare time, she likes to do tile painting and makes holiday yard decorations. The family likes to go camping and fishing.

While a couple of the recipes this week belonged to her grandmother, others are ones that Terri put together. The "Southern Fried Ham" and "Fajita Burgers" are Terri's recipes, and are some of her family's favorites.
