Playoff-bound Hawks to host Hares in finale

What a difference a year makes. After finishing last year at 0-10 and getting off to an 0-5 start this year, the Iowa Park Hawks have clinched a spot in the playoffs for the first time since 1987.

Friday night's 44-7 win over Graham, coupled with Jacksboro's 30-14 win over Bridgeport, ended an 8 year playoff drought for Iowa Park regardless of the outcome in tomorrow night's final regular season game against Bowie.

"This is a huge step for our entire program," head coach Weldon Nelms said. "The kids have worked hard all year long to get back to the playoff level and we will feel the effects for years to come. This year we hoped to make the playoffs but next year, the kids will expect to be there. Then after that, they will start expecting to play more than a 10-game season. They will also gain some playoff experience this year that they can build off of next season."

But before the Hawks enter post-season play they have some unfinished

business to take care of in the form of the Jackrabbits Friday night at 7:30.

The game will also serve as Senior Night as all Hawk senior players will be introduced along side their parents.

Bowie will be looking to end the season on a positive note as the Jackrabbits enter the contest riding a 7-game losing streak at 1-8. Bowie, which is winless in district play, picked up it's lone win in week two against Decatur by a 14-10 score.

Iowa Park will be looking to snap a three-game skid against the Rabbits with the Hawks' last win coming in 1991 by the score of 35-7 in a game that was called at halftime due to a thunderstorm.

One of the reasons for Bowie's success in the last few years has been Jered Clark, a three-year starter at running back who graduated last year.

The Rabbits will look to a trio of juniors to fill Clark's shoes. Keith Carey, Keith Richey and Aaron Kerek will make up the wishbone backfield with Aaron Tefertiller as the up man.

Tefertiller, a 6-2 175-lb. senior, is an option quarterback who also has a good arm and can throw deep with his favorite target being Thor Thornhill, a 6-0 junior split end.

"We're coming off our biggest win of the season," Nelms said. "But we can't afford to go out there and lose our edge. We need to maintain our intensity and go into the playoffs on an upswing. We don't want to go out and get anybody injured but you can't control that. We want to win the game to stay on a roll but I don't think we will be at the intensity level we were at for the last two games."

"I look for Bowie to play hard to try and get their first district win," Nelms added. "They want to finish strong and now they have a shot at knocking off a playoff team. I expect them to come up with some trick plays and not to hold anything back."

The Hawks will enter the game having outscored their last two opponents by the combined score of 71-25, with the defense playing a big role in both wins.

"Our defense is definitely playing well for us," said Nelms, who's watched his team create 12 turnovers in the last two ballgames. "We are a plus 10 in takeaways in the last two games and what's even better is we're converting those into points. That's the mark of a good football team. Our defense is starting to expect to cause

Progress topics on city's table

Members of the city council face a busy agenda Monday night, as most of the topics are considered within the community.

The meeting is to begin at 7 p.m. in council chambers.

Among the topics is a decision whether to purchase a tract of land where a golf course might be developed.

Almost three months ago, the city made a \$5,000 deposit toward the purchase of 348.81 acres of land on the west side of Johnson Road.

Known locally as the "Van Horn place," the property had been placed on the market, and aldermen indicated the tract could be developed into an 18-hole public golf course.

The deposit was to hold the sale for 90 days.

Since then, a feasibility study was conducted by Flatt Golf Services, and though that report indicated the property could well be used as a golf course, there was some concern that housing development

around it might not meet demands of the market.

Considered as a method of funding the building of the course.

The land is west of Johnson Road and between US 287 and the railroad. Aldermen are also scheduled Monday night to discuss authorizing surplus funds in investments, as well as approving streets to receive slurry applications and streets to be repaved next summer.

A discussion on adopting an ordinance which would exempt active military personnel from posting all or portions of city utility deposits will be held.

Authorization will be discussed to advertise for bids for a sewer main to Indian Springs Addition, as well as advertising for a two-year janitorial service agreement for municipal buildings.

The council also will consider purchasing a police cruiser through a cooperative purchasing agreement with the city of Wichita Falls.

A public appearance is on the agenda, sought by Mrs. Peggy Blanton, who is to request the city condemn and purchase lots she owns on West Emerald.

Portions of school meeting to be behind closed doors

School board members could possibly spend as much of tonight's meeting behind closed doors as they spend in open session, according to the meeting's agenda.

Trustees are to commence their regularly-scheduled meeting at 7:30 p.m. in the junior high library.

Three different topics are slated to be discussed in executive sessions, including student discipline, personnel and a second session concerning personnel which includes "accepting

resignations" and "employ new personnel."

Action could be taken following all the executive sessions, because it is listed on the agenda in accordance with the state's open meetings law.

Trustees may approve or reject four proposals, including: TASB employment policy worksheet; teacher appraisal local performance criteria; implementing the alternative education program, and authorization to check Valley View school buildings for asbestos.

Board members will consider

nominating chairman Keith Fisher to fill a position on the TASB board of trustees.

Another appointment to be considered, according to the agenda, is of a person to serve on the Wichita Appraisal District Board of Review.

District committees for 1995-96 will be presented for approval.

Besides regular monthly department reports, the agenda includes recognizing "Ray Youngblood by sending a letter of appreciation for his and Cryovac's support of Iowa Park CISD during his tenure as plant manager."

Four arrests reported

Police made four arrests during the past week, none of which were related, according to the police blotter.

When officers responded to a domestic disturbance call at 6:49 p.m. Friday, in the 1800 block of Johnson Road, they took into custody Karli Rayann Christiansen, 17, on a charge of Class C assault to prevent family violence.

Christiansen was released at 9:31 p.m., after paying a fine of \$132.

Saturday evening, Terry Wayne Morris, 36, was arrested in the 100 block of South Victoria, on a charge of public intoxication. He was released about two hours later, after signing a promise to appear in municipal court.

An officer stopped a vehicle in the 100 block of North Bell Monday morning, and when a computer check was made on the driver, she was found to have outstanding warrants for her arrest issued by the Wichita County sheriff's office.

Deborah Jo Miller, 36, was wanted for bond forfeiture for possession of cocaine, no bond, and theft by check \$0-20, \$2,000 bond.

She was released two hours later to a county deputy to be transported to the county jail.

Felix Randal Esparza, 35, turned himself in at the police station early Tuesday morning, explaining he had received word a warrant had been issued locally for his arrest.

Esparza faces a court appearance for failure to maintain financial responsibility for his vehicle, and two counts of failure to appear in court on the charge.

He was released soon after when his token payment of \$10 was accepted against his fine, and signing a promise to appear in court.

Police continue to investigate a reported hit and run incident in the 1400 block of Mary Drive sometime Saturday night.

A vehicle was driven over a yard, into a flower garden, breaking a fence post, and striking a trash dumpster. White paint was left on the dumpster, apparently by the offending vehicle.

EMPTY PARKING SPACE, EMPTY BOXES -- One of the lowest voter turnouts in modern history was counted here Tuesday, when 14 amendments to the state constitution were decided. Fewer than 200 ballots were cast, including two weeks of early voting. (The lone automobile belongs to the poll's election judge.)

Cook of the Week

Billie Scobee

Billie Scobee and her husband Randy are staunch supporters of Iowa Park athletics, and follow all sports.

Their son Clint, who was a standout in Hawk football and baseball, graduated Iowa Park High School last spring and is a freshman at Vernon Regional Junior College.

Daughter Kimberly is a junior at IPHS where she is a cheerleader and plays volleyball, basketball, and hopes to be on the girl's softball team.

Billie grew up in Quanah and is a graduate of Quanah High School. She has lived in Iowa Park since she and Randy married. He worked at Cryovac, and she worked for her in-laws, Mr. and Mrs. Otis Scobee, in their store, Scobee's Mini Mart. When they retired about four years ago, the Scobee's sold the store to Randy and Billie.

When Billie isn't working at the store or attending a sports event, she likes to do ceramics and crochet. She said she got a lot of crocheting done while they were on the road, going to state baseball playoff games, the last two years.

The Scobee's are members of the Iowa Park Athletic Booster Club, and Randy is a member of the Iowa Park Lions Club.

Billie's recipes are ones that would be appealing to anyone, and she says they are easy to prepare. The "Chicken in a Basket" is a family favorite, and "Saucepan Brownies" are a favorite of the children.

Soon after she and Randy were married, Billie said she called her mother to get the recipe for "Vanilla Cream Pie," plus the variations. She said if you follow the instructions, this pie will turn out right every time.

Chicken in a Basket

- 6-8 pieces chicken (boneless, skinless best)
- 1 cup uncooked instant rice
- 1 cup milk
- 1 (4 oz.) can mushroom pieces (opt.)
- 1 (10 3/4 oz.) can cream soup (your choice)
- 1 pkg. dry onion soup mix
- 1 pkg. stove top stuffing

Make stuffing according to directions on package; set aside.

Combine rice, milk, mushrooms, soup mix and canned soup in bottom of baking dish (sprayed with Pam). Mix until blended. Lay chicken on top of mixture and top with stuffing.

Cover with foil and bake 1 1/2 hours at 350 degrees. Remove from oven, take foil off, and return to oven 5 to 10 minutes to brown stuffing. Serve hot. Freezes well.

Upside Down Pizza

- 1 lb. ground beef
 - 1/4 cup chopped onion
 - 1 - 1 5/8 oz. pkg. spaghetti mix
 - 6 oz. Mozzarella cheese
 - 1 small can tomato paste
 - 1/2 cup sour cream
 - 1 - 8 oz. can refrigerator crescent rolls
 - Parmesan cheese
 - Margarine
- Brown meat and onion; drain well. Add spaghetti mix and 1 can of water. Mix together the Mozzarella cheese and sour cream. Spread the meat mixture into 9x13 baking dish. Cover with cheese and sour cream mixture. Lay "unrolled" crescent rolls flat on top. Sprinkle with Parmesan cheese and bake at 350 degrees about 20 minutes.

Easy Cheese Ball

(Our favorite at Christmas)

- 16 ozs. cream cheese, softened
 - 1 c. can (12 or 16 oz.) crushed pineapple, drained
 - 2 tps. green onion, finely chopped
 - 2 tps. bell pepper, chopped
 - Salt to taste
 - Dash garlic powder
 - 2 cups chopped pecans
- Mix together with 1 cup nuts; form ball and chill. When chilled, roll ball in remaining nuts. (The longer it's refrigerated, the better the flavor.) Serve with Ritz crackers.

Saucepan Brownies

- 1 1/2 cup flour
- 2 cups sugar
- 1/2 cup Crisco
- 1 stick oleo
- 1 tsp. vanilla
- 4 eggs
- 8 Tbsps. cocoa
- 1/2 tsp. salt
- 1 cup chopped pecans

Melt Crisco, oleo and cocoa over low heat (or microwave). Add sugar and vanilla. Mix well; add eggs one at a time and beat each addition. Add flour, salt, and nuts. Pour into 9x13 greased pan. Bake 25 minutes at 350 degrees. Don't overcook. Better to undercook, as they will be dry.

Fudge Frosting

- 2 Tbsps. Crisco, melted
- 2 Tbsps. cocoa
- 1/4 tsp. salt
- 1 tsp. vanilla
- 3 Tbsps. milk
- 1 3/4 cup powdered sugar (sift if lumpy)

Combine Crisco, cocoa, salt, and vanilla. Add sugar and milk; mix until smooth and creamy. Add more sugar to thicken or milk to thin frosting if needed. Spread on hot brownies. Forms a smooth glaze. Cool and cut. Makes 30.

Tuna Casserole

- 1 can cream of mushroom soup
 - 1/2 cup milk
 - 1 can tuna
 - 1 cup cooked green peas
 - 1 cup crushed potato chips
- Preheat oven to 350 degrees.

Place mushroom soup in a small casserole dish; add milk. Stir until well blended. Drain tuna and green peas. Add tuna, green peas, and about 3/4 cup potato chips to soup; mix well. Sprinkle remaining chips over top. Bake 25 minutes. Serve hot. Serves 6.

Vanilla Cream Pie

- Mix in saucepan:
 - 2/3 cup sugar
 - 3 Tbsps. cornstarch
 - 1/2 tsp. salt
- Stir in gradually:
- 3 cups milk
- Cook over medium heat, stirring constantly, until mixture thickens and boils. Boil 1 minute.
- Remove from heat. Gradually stir at least 1/2 of hot mixture into 3 egg yolks, slightly beaten. Then blend into hot mixture in saucepan. Boil 1 minute more, stirring constantly. Remove from heat and blend in 1 tablespoon butter and 1/2 teaspoon vanilla.

Chocolate Cream Pie

Use same recipe, except increase the following:

- 1 1/2 cups sugar
- 1/2 cup cocoa

Coconut Cream Pie

Use same recipe except fold in 3/4 cup moist shredded coconut. Sprinkle meringue topping with 1/2 cup coconut.

Meringue Topping

- 3 egg whites (room temp.)
 - 1/4 tsp. cream of tartar
 - 6 Tbsps. sugar
 - 1/2 tsp. vanilla
- Beat egg whites with cream of tartar until frothy. Gradually add and beat sugar, 1 tablespoon at a time. Beat until stiff and add flavoring. Pile onto HOT pie filling. Slightly brown in oven.

Creamy Banana Pudding

- 1 can Eagle Brand milk
- 1 1/2 cups (cold-refrig.) water
- 1 small pkg. instant vanilla pudding

- 1 pt. whipping cream
- Vanilla wafers
- 3 bananas

In large mixing bowl, combine milk and water. Add pudding, beat until well blended. Chill 5 minutes. Whip whipping cream and fold in gently. Layer, starting and ending with pudding.

Chicken Spaghetti

- 2 cans cream of chicken soup
- 1 jar Cheez Whiz
- 1 stick butter
- 3 chicken breasts (boneless, skinless)
- 12 to 24 oz. spaghetti

Boil chicken and shred. Mix melted butter and Cheez Whiz with soup and chicken. Boil spaghetti and mix together. Bake 30 minutes at 350 degrees.

NEWS OF THE IOWA PARK GENEALOGICAL & HISTORICAL SOCIETY

Part of getting organized with a genealogy project is finding the old photos and pictures that have been stored in ways that ensure their ruin.

Sometimes they've rested in old suitcases, trunks, or have been stored away in cardboard boxes, tucked away in another attic, just waiting for someone to rescue these family treasures.

Many times they move from place to place, someone breaks up housekeeping for one reason or another and a relative or friend moves the stuff, no one sorts the belongings and if no one does, much family history is lost to the city or county dump.

Family pictures and memorabilia may have been put in "magnetic" albums and eaten by acid in the paper. Also insects can eat at the glue and paper in photo albums and scrapbooks. The need to find and sort through these treasures becomes urgent.

We are bound to find pictures we want to share with other relatives, some will be so faded or yellowed they will be past rescuing, but there are now many ways available to us. We can find help.

First it is important to decide which of the pictures really are relevant, do we know for sure who they are, or might someone else know?

In identifying photos write on the back using a photo pen, other inks may migrate through. Also use tape, glue and paper, especially recommended for preserving documents and photos.

Inquire at a photo copying store and also Creative Memories will not only have these supplies, but offers workshops on how to best preserve these treasures.

Some photos and documents will be past restoring, but the image may be rescued.

One authority suggests copying by making a new negative either by

taking a picture of the photograph, or the image can be optically scanned, converted to digits and stored in a computer disk, and new pictures made.

With a good camera you may be able to photograph the picture satisfactorily.

Then you can go a more expensive way and have it done professionally, but be sure you retain the rights to the negatives. Optical scanners are also being used, and there are other options available, such as Kodak's Copy Print Station. Whichever method is chosen, you might check it out with a photo of less value than an heirloom.

If you have a computer and software that can handle photographs and a low end laser printer, there is no better time to start finding and looking through those old photos moldering in a box or trunk, and identifying the ones worth preserving for future generations.

Auction to benefit Vickers

Several benefit activities have already been held and several more are planned during the month of November for Mark Vickers of Iowa Park. The next one will be an auction sale at the Lone Tree Arena Saturday, put on by Johnny Choate.

Vickers, a race horse trainer, was injured when a bronc fell on him, resulting in motor and sensory nerve damage that left Vickers a paraplegic.

After many months of suffering and pain, with no help from normal avenues, Vickers put himself on several experimental lists.

Recently a surgeon from Washington, D.C. called Vickers and met with him in Dallas. After checking him, his x-rays and doctors' reports, the surgeon told him he had developed a special surgery that could help him.

The problem is that the operation is only experimental, so is not FDA approved and cannot be done in the United States. Neither will his insurance pay for the operation, which can be done only in Argentina.

The second and principal problem is that \$35,000 must be raised by Dec. 1. Friends have raised \$10,000 to date.

Vickers is a member of the Cowboy Church of Iowa Park. A group from the church got together and decided to help with generous donations and by staging fund raisers.

The auction Saturday will feature in part a guided deer hunt race horse starting gates, a horse walker, farm implements, saddle and tack, diamond earrings, a gold ring, silver fox coat and a designer watch.

Also included will be western art by Jack Stevens, Lex Graham and others, video games, dinners from area restaurants, and many other items. These have been donated by individuals and merchants.

At the Saturday auction dinner will be available courtesy of the Iowa Park Mule Skinner.

Saturday, Nov. 18, Mark and Connie Toby are furnishing the Double T Arena on Watts Road, just off FM 367, southwest of Iowa Park, for a benefit barrel race.

Raffle tickets are being sold for \$1 on a 270 deer rifle with scope, a 19-inch color TV, and a Cowboy Church belt buckle. The drawing will be held Nov. 22 at the Cowboy Church.

A 19-inch color TV was donated by Wal-Mart. The church members have also put on a bake sale and car wash at Wal-Mart, in addition to the store giving a generous donation.

Rod and Jan Staudinger of The Lone Tree Arena at FM 369 and Iowa Park Road, have generously provided their space for activities, including a garage sale there that brought almost \$3,000.

Nov. 4 The Lone Tree Arena and The Cowboy Church put on a non-alcoholic old fashion barn dance that featured the Yellow Rose Band and Texas Lace, and a cake walk.

The following day the Staudingers put on a benefit junior bull riding and steer riding event.

Other individuals, organizations and businesses have helped a lot and Mike "Booger" Walsh of the Cowboy Church said "We want to thank all of the people who have helped us and ask God's blessings on them. We also would like to ask that if anyone has other suggestions that would help us raise the needed money for Mark to let us know."

An account had been set up for Vickers at State National Bank in Iowa Park.

Anyone wishing more information should contact Walsh at 592-5691 or Bryan Choate, 691-3481.

As I See It... By Bob Hamilton

How 'bout those Hawks!
Back in the playoffs for the first time since 1987, the way I understand it.
Well, maybe I missed that 8-2 season record prediction. But, shucks, returning to the state playoffs isn't all that bad.
Congratulations to a great group of athletes and coaches.
The next time someone comes into my office to complain about their

high water bill, I've got something to show them.
Our charge for October was only \$19,465.70! Can you top that?
Nope, we didn't have a leak in the line, or anything like that. Thank goodness.
Figuring it was a mistake of some kind, I dashed over to city hall last week to give those folks a hard time about it.
In between tears and laughter, they explained the problem was that

our water meter had "turned over," or in other words, automatically set up a new series of numbers. They just hadn't caught it, until the card was mailed.
Who said members of the city council get all the breaks?

Upset with radio station

Dear Editor:

...and to all those concerned. As many people may know by now, KLUR Radio Station in Wichita Falls has cancelled the Southern Gospel Music Program called Jays Gospel Jubilee. On October 22nd the management decided the things of God no longer has a place there, without a notice to it's listeners.

Joel Hasting's dedication, and the program he D.J.'d has been an absolute thrill to me every Sunday night, and I'm sure a blessing to thousands of others.

I am asking every concerned listener to take a stand and show Joel Hastings and Keith Diers your support. Here's my plan:

1. Call KLUR Radio and ask for its' return.

2. Each church begin a petition, stating your request and gaining as many signatures as possible. Send them to: KLUR Radio Station, ATTN. Mr. Sam Beard, 4302 Call Field Road, Wichita Falls, TX 76307.

3. Make sure each smaller town's newspaper gets this similar letter.

4. Use your IMAGINATION! Whatever it takes to get Jay's Gospel Jubilee back on the air. Please Hurry!

WORTH QUOTING

The other morning on John Madden's radio sports program, former Washington Redskins quarterback Joe Thiesmann was talking about how he could do the best job in the worked -- when you are winning -- and the worst when losing.

By the way, he was Joe Theesman until he went to Notre Dame and the sports publicist, hoping this hot young passer would someday be a candidate for college football's highest honor, changed it to Thiesman "to rhyme with Heisman."

Anyway, Thiesmann says the Redskins lost to Philadelphia in 1985 and when he drove into a full-service gas station and the attendant didn't come out, he honked the horn.

"Say, aren't you Joe Thiesmann?" said the attendant, standing in the doorway.

"Yeah," the quarterback re-

sponded, his car window rolled down.

"Didn't you lose to Philadelphia last Sunday?" the attendant pressed.

"Yeah," Thiesmann replied reluctantly.

"Then pump your own gas," the avid and angry fan commanded.

That reminds me of the story told by Frank Pollard, former pastor of First Baptist Church in Tulia, about Beverly King, who owned a lot of land and buildings in Graham.

A visitor came to town one day and walked into a drug store, inquiring about a good place to spend the night.

The hotel down the street was recommended.

"Do they have any bellhops over there?" asked the man. "I need someone to carry my bags."

"Nope, they don't have any bellhops," said one of the coffee-drinkers at the lunch counter.

"Well, could I pay one of you men to carry my bags to the hotel?" the visitor inquired.

"I'll carry your bags for you," said Mr. King, picking up the suitcases.

As they walked down the street, the man asked the luggage-toter, "Say, on the way into town, I saw a beautiful home out there by the lake. Who owns that house?"

"I do," Mr. King said matter-of-factly.

"You do?" the man replied in amazement. "How can you afford a home like that?"

"Because I carry my own bags," said Mr. King.

He probably pumped his own gas, too, whether he had to or not.

Did'ja read about the old timer who was interviewed on his 100th birthday?

A young reporter asked the old man to what he attributed his remarkable health.

"Wal," drawled the old-timer. "I reckon I got a good start on most people by being born before germs were discovered, so I had a lot less to fret about."

GARDENING HINTS

By MARK TERNING, COUNTY AGENT - HORTICULTURE

The following questions/solutions were common this last week at the Wichita County extension office.

Q. When is the county pecan show? How can I enter pecans for the show?

A. Yes!! There will be a 1995 Wichita county pecan show and you are encouraged to enter your pecan samples. To submit an entry you must gather a minimum of 40 pecans of one variety and place them in a paper bag with your name, address, and variety name if known, written on the paper bag. Only one entry per variety per person is allowed, however, you can enter as many different variety samples as you wish.

Deliver pecan entries to the Extension office, now located at 4309 Jacksboro Highway, Suite B, in Wichita Falls (Galaxy Center Building). Entries are due by Dec. 1. The pecan show will be held on Dec. 8 at Sikes Senter Mall starting at 10 a.m. All persons with an interest in pecans are encouraged to attend. Plaques, ribbons, and awards will be given to pecan show winning entries along with a chance to advance to regional and even state pecan shows.

Q. My bermuda lawn has recently developed a strange pattern that looks like many large maze-like lines all over the lawn. Some of the grass is green while other areas are brown. Photo is enclosed. Is this a disease?

A. The unusual pattern of damage in the picture is simply the result of frost damage on bermudagrass. If you look around town you will see more bermudagrass lawns with similar patterns of damage. Bermuda is very cold tolerant and no permanent harm should result. This is not a disease.

Q. We have a vine growing in our Wichita Falls back yard that has heart shaped leaves and purplish color with seed pods. It also flowers. Can you tell us what it is?

A. The vine you are describing sounds like Hyacinth Bean. This is a plant that has been around a long time. As a matter of fact Thomas Jefferson reportedly grew this plant at Monticello. The vine will perform as an annual in Texoma, but you can

save the seed for replanting next spring. This vine is useful for fast growth and shade on trellises or arbors during summer.

Q. We live in the Tanglewood area of town and have numerous shade trees in our landscape. The problem is that many of our trees have mistletoe in them. Will this kill our trees and how can we get rid of mistletoe?

A. Mistletoe is a parasite and can steal nutrients and water from the host plant (your trees). Normally, it is a very slow process or stress. Trees which are heavily infested with mistletoe may be predisposed to death if you add another stress factor such as severe drought or insect attack.

Mechanical removal involves cutting back at least eight inches behind where the parasite is attached to a limb. This is necessary because the mistletoe has a root-like structure which grows into limbs. Larger clumps may require cutting back even further on a limb.

Obviously, removing mistletoe on badly infested trees may require butchering the canopy. This is still no guarantee you will not have some resprouting in future years.

Another option is to have a mistletoe growth regulator such as Florel applied while the trees are dormant in late winter. Our testing of Florel showed about a one to two year suppression of the mistletoe before we had to retreat. This is certainly not permanent, however, it does eliminate the need for heavy limb pruning.

Social security number required for car titles

The Texas Department of Transportation will soon require additional information on title applications for motor vehicles.

Beginning Nov. 1, Texans who request title transactions in counties using the registration and title system (RTS) must provide their social security number.

TRS is an automated system that electronically links county tax office to the Transportation headquarters in Austin.

The Wichita County tax office and its substations use RTS to process motor vehicle transactions.

The social security requirement is part of House Bill 1863, passed by the 74th legislature. The bill addresses fraud prevention in public assistance programs.

The Department is mandated to collect the social security numbers and make them accessible to other state agencies for the purpose of determining eligibility for those programs.

Individuals who do not have a social security number, or are not eligible for one, must complete a statement before their title application is processed.

The Department is implementing TRS statewide, with completion expected by December 1996.

The computerized system makes it possible for registration records to be updated within 48 hours, which is a major benefit to law enforcement.

Customers will also receive their vehicle titles within five days of the date the title applications arrive at the Austin headquarters.

Area Baptist GA groups attend birthday party

Approximately 115 girls and leaders from Wichita, Archer and Clay Counties attended the GA birthday party, held October 28, in the Fellowship Hall at First Baptist Church in Wichita Falls.

The girls brought birthday party items for children at the state hospital to have a party on their birthdays.

Carol Patterson from First Baptist Church of Iowa Park is the GA

director, and Beverly Childs from First Baptist Church of Dean was coordinator for the Birthday Party.

After the opening prayer, Mrs. Childs led the girls in singing a few songs. Then they played name bingo, which consists of the girls getting names from all of the churches on their cards.

Lahoma Greenwood was the missionary guest. She and her husband Richard are on furlow from Guatemala. They have been missionaries 30 years, and will retire from the field in March. Dressed in Kekchi attire, Mrs. Greenwood told the group about the way of life in Guatemala, and displayed various items from this country in Central America.

Andrea Cantrell from First Baptist Church in Iowa Park told the

story of Lottie Moon, from the book "Lady of Courage," in first person form.

Entertainment was provided by the Faith Clowns of Faith Baptist Church in Iowa Park.

The girls from First Baptist Church of Kamay who attended are: Sheila Looney, Shy-Anne Looney, Julie Mitchell, Andrea Murray, Mallory Ralston, and Lindy Tyler.

JUNIOR HIGH

Region choir auditions

Out of 10 schools competing in the Junior High Region Choir auditions last Saturday, Iowa Park Junior High had the third highest placement in the choir.

The auditions, open to all seventh, eighth and ninth grade choir students, was held at McNiel Junior High School in Wichita Falls.

The following students will be travelling to Abilene, Dec. 1 and 2, to sing in the Region Concert: Angela Raschke, J.L. Howard, Brandi Nelson, Benn Bennett, Jeremy Kaspar, Ryan Bess, Kelly Williamson and Lani Gibbs.

Donna Brinlee is the junior high choir director.

BRADFORD

Mentoring program begun

Bradford's mentoring program began this week following a training session for adult volunteers, according to Diane Granbery, counselor.

Some 11 volunteers, all through the First Baptist Church, completed the training and began spending time at school with the child they were paired up with.

Mrs. Granbery said 24 students were identified as participants who would benefit from the program, add that male volunteers were desperately needed.

This program is somewhat like the "Big Brother, Big Sister" program, in that the adult volunteer will spend time with a child each week at the school, providing encouragement as well as being a positive role model.

Over \$5,000 raised

Bradford jump ropers raised \$5,151.92 for the American Heart Assoc. during their jump rope-a-thon held recently.

All students participated, and those who wished to, collected donations for the Heart Assoc.

Patterson top seller

Dakota Patterson will get to put a pie in the face of Bradford Principal Pat Cravens, as a result of his pie-selling efforts.

The fourth-grader sold 65 pies in the PTA's fund-raiser.

The top-selling class was Mrs. Kasperek's fifth grade class, with 256 pies sold. The school total was 2,810. Mrs. Cravens said six classes totalled at least 150 pies.

For every five pies a student sold, he or she received \$1.

PTA will use the money from the fundraiser to purchase Saxon Math boards for the third grade classrooms; to purchase letters for a new marquee, which was purchased by fifth grade HOT (Homework On Time) money; as well as other items needed by the school.

Those who purchased pies are reminded to pick them up Tuesday, Nov. 21, between 3:30 and 5:30 p.m. in Bradford's cafeteria. Payment may be made when the pies are picked up.

Working to save the rain forest

Bradford students will soon be selling t-shirts to benefit the Brazilian Rain Forest effort.

More information on these t-shirts sales will be given to students to take home in the near future.

Report Card Day

Report cards will be sent home today for the second six weeks grading period.

Fourth grade activities

Fourth graders appear to have been quite busy in their pursuit of knowledge recently.

The students have been studying endangered species in the animal unit of science. In English, they have been practicing narrative writing.

Math problems have escalated to multiplication of two-digit numbers, and division should begin soon.

Students have all been given 20 minutes free reading each day to promote the S.T.A.R. (Super Talented Accelerated Readers) accelerated reading program. With the points the students accumulate on their accelerated reading tests, they may buy prizes.

KIDWELL

First graders to attend pep rally

Kidwell's first graders will travel to the high school Friday to participate in the pep rally prior to the Iowa Park-Bowie football game.

Next Wednesday, the varsity football team and the band will bring the pep rally to Kidwell at 9:30 a.m., when all the students may participate.

That's Terrific!

Kidwell kindergartners wore t-shirts, a tie and tennis shoes to school Tuesday, while studying the letter "T."

Se habla Espanol?

High school Spanish students have been going into some of the second grade classrooms to share a little knowledge in Spanish with the kids.

The second graders have learned songs, colors and family names in Spanish as a result of their efforts.

Report Card Day

Report cards will be sent home today for the second six weeks grading period.

GO HAWKS!

Hawks dominate Steers, 44-7

It was simple. Beat Graham and for the first time since 1987, Iowa Park would be in the playoffs.

And when the Hawks took the field Friday night it didn't take them long to get the job done.

Iowa Park scored on it's first possession and put the game on ice early, scoring 38 first-half points in a 44-7 blow-out over the Steers.

The Hawks wasted little time as they took the opening kickoff and quickly moved inside Graham territory. Shane Bagley picked up 16 yards on the first play from scrimmage, Corky Petty ran for 23 on the next before the drive stalled three plays later at the Steer 25. Facing a fourth-and-four, quarterback Brandon Campbell rolled right and connected with a diving David Waterbury for a 25-yard touchdown to put his team on the board. John Woods added the first of his five extra points to make the score 7-0 with 9:58 still left in the opening quarter.

"It was an 80 read," Waterbury said. "We only needed about five yards for a first down but if the defender came up on me, I was supposed to go deep. Brandon threw the ball over his head and I just jumped up and caught it. I think it gave us a big lift to score on our first drive. That's been one of our goals in every game, to score on our first drive and in a big game like this one it was even more important."

The Iowa Park lead lasted only 12 seconds when Ryan Kelley, who finished the game with 136 yards rushing on 23 carries, ran 66 yards on Graham's first play from scrimmage to put the Steers on the board. Bart McNatt tied the game at 7-7 with his point after with 9:40 left in the first quarter.

That would be the last highlight for Graham as it was all Iowa Park from that point on. The Hawks scored on their next possession when Woods kicked a 30-yard field goal to cap a 10-play drive that covered 75 yards to put Iowa Park on top 10-7 with 5:10 remaining in the opening period.

BRANDON CAMPBELL SCORES ON QB KEEPER

Bagley made it 17-7 with 7 seconds left in the first when he fielded a Graham punt at his own 36, faked a reverse and raced 64 yards for the touchdown.

The Hawk defense then took over forcing the Steers to punt but Iowa Park's Toby King broke free and blocked the kick with the Hawks taking possession at the Graham 3. Two plays later Campbell snuck over from the 1 to make the score 24-7.

Graham took the ensuing kickoff at their own 35 and two plays later it was once again the Hawk defense that came up big. Clancy Lalumia appeared to have sacked Graham quarterback Dan Robertson for a big loss but Robertson somehow got his pass off. The Steers wished he wouldn't have. Brandon Holley stepped in and intercepted the errant throw and rambled 20 yards for a touchdown to put Iowa Park up by the score of 31-7 with 8:28 left in the first half.

The Hawk defense forced yet another turnover on Graham's next possession when Jimmy Fallon knocked the ball free from Kelley. Iowa Park took over at the

Steer 46 and 7 plays later Petty scored from 1 yard out to make it 38-7 with the big play coming on a 30-yard pass from Campbell to Waterbury that moved the ball to the 12.

Following a scoreless third quarter, Campbell scored the final points on a 1-yard run with 10:18 left in the game to make the final 44-7.

The Hawk defense held the Steers to only one first down in the first half, that coming on Kelley's touchdown run on Graham's first play from scrimmage. The Steers finished with only 6 first downs and 130 total yards for the game.

TEXAS PRESS ASSOCIATION

AUSTIN — Most Texans thought George W. Bush was doing a good job at the nine month-mark in his term as governor, an October telephone survey by the Texas Poll indicates.

Fifty-seven percent of 1,010 respondents gave Bush high marks for his performance over the last three months, while 31 percent felt the governor performed fairly or poorly. The remaining 12 percent had no opinion.

Though Bush said he would continue to do his job and let the numbers fall where they may, he added that he is grateful "people think I'm doing a good job."

Bruce Buchanan, a political scientist with the University of Texas at Austin, said Bush has avoided controversy by emphasizing bipartisanship, and looks moderate when compared to some of the nation's leading Republicans.

With a year to go before the general election, the poll shows Texas Republicans are split between U.S. Sens. Phil Gramm, R-Texas, and Bob Dole, R-Kan., with 32 percent favoring each man in the GOP primary. Down the list were Pat Buchanan with 5 percent, Steve Forbes with 4 percent and Sen. Arlen Specter, R-Penn., with 2 percent.

President Clinton's job-approval rating, at 56 percent, has improved four points over the last six months.

Respondents rated national problems facing Texas, in order of importance, as follows:

- the economy and the deficit;
- crime and violence; and
- racism and race relations.

The Texas Poll was conducted Oct. 12-23 by the Office of Survey Research at the University of Texas at Austin for Harte-Hanks Communications Inc.

School Funding Task Force

How can Texas do a better job of funding its public schools while providing tax relief to property owners and not imposing a tax on personal income?

A task force formed by Gov. Bush and other state leaders has begun meeting in Austin to explore various types of taxes that could replace the \$9 billion in local property taxes the state government spends every year to run its public schools.

"The governor made it very clear we weren't to come up with

SILVER DIVISION CHAMPS - The Iowa Park Shamrocks clinched the titled undefeated in the under-10 girls' division of the Greater Wichita Falls Soccer Assoc. Coached by Lou Pierce, team members include (front row): Julie Dale, Lauren Gonzales, Shirlena Springmeyer, Brooke Graves, Amy Carender and Karilea Collins. (Back row) Tonya Hartman, Kriston McLaughlin, Clare Carrillo-Miranda, Anna Sanchez, Whitney Cole, Kristen Garcia and Valine Hyde. Aquilla Carrillo-Miranda is team manager.

the option," said Jared Hazleton, a Texas A&M finance professor named to the task force by Lt. Gov. Bob Bullock.

"We're just doing some background work so that someone who wanted to look at this could say, 'Here are the options.' There's only a few. If you don't tax income, you clearly have to tax sales in some way, though that doesn't necessarily mean a sales tax," Hazleton told the *Austin American-Statesman*.

Already Bush has tested ideas of:

- increasing the state franchise tax on corporations;
- increasing the state's 6.25 percent sales tax; and
- creating business taxes on profits.

But all of these ideas have been criticized strongly.

Regarding Bush's ideas, Bill Allaway, president of the Texas Association of Taxpayers told the *American-Statesman*, "Each one has its opponents, and it looks like nothing is possible if you do it that way. ... If you jump too early, you open yourself up to all sorts of demagoguery."

Bus Driver Records Eyed

More than 200 certified bus drivers in Texas have traffic convictions, the *Houston Chronicle* reported last week in a copyright story.

About 150 of those were convicted of speeding, according to records of the state's 55,000 certified school bus drivers during a three-year period ending Aug. 31, 1994.

According to the records maintained by the Texas Department of Public Safety, school bus accidents in Texas have increased 20 percent

in the last four years, from 1,198 in 1991 to 1,449 in 1994.

DPS records also show injuries to children are up more than 55 percent from 826 in 1991 to 1,282 in 1994, the *Chronicle* reported.

A law that went into effect Sept. 1 transferred the state's school bus driver certification program from combined enforcement by the Texas Education Agency and the DPS to the DPS alone, with the intent of promoting more efficient monitoring.

Jim Templeton, manager of the DPS accident records bureau, said there will be a reassessment of the certification program.

New TDCJ Director Named

The Texas Board of Criminal Justice named Wayne Scott, who was considered the frontrunner for the position, as the executive director of the Texas Department of Criminal Justice.

Like his predecessor James A. "Andy" Collins, Scott began as a prison guard and worked his way up through a series of administrative positions. He will be in control of the agency's \$2.3 billion-a-year

budget.

He will take office Dec. 1, replacing Collins, who announced his resignation in September to start a prison management firm in Louisiana.

Scott, 44, was selected from a field of seven qualified applicants. He worked for the past 18 months as director of the institutional division of the TDCJ, overseeing the incarceration of 132,000 inmates.

As executive director, he also will be responsible for the agencies that supervise about 500,000 parolees and probationers and 34,000 workers.

Other Highlights

■ Texas is in competition with three states to land a multimillion-dollar facility to train 2,000 new Border Patrol agents and Immigration and Naturalization Service inspectors. Military bases in El Paso, Charleston, S.C., and Anniston, Ala., are under consideration as training sites. A fourth site, at now-closed Eaker Air Force Base in Arkansas is being reviewed to handle the training of only the Border Patrol agents.

Later in the first half, Michael Fulkerson scored from 9 yards out followed by another Rowland two-point conversion to put Iowa Park on top 16-0 at the half.

The Hawks picked up where they left off when Rowland ran the second half kickoff back for a 60-yard touchdown. Kyle Hayley added the two-point conversion to make the final 24-0.

Offensive standouts for Iowa Park included the entire offensive line which allowed Rowland to finish with 110 yards rushing followed by McFann's 63 and Fulkerson's 47.

Defensively the Hawks were led by Chase Burger, Fulkerson, Hayley and Cody Reed.

MIDGET EAST HAWKS

The Midget East Hawks bowed out of the playoffs Saturday night with a 22-14 loss at the hands of the Petrolia Pirates. Iowa Park finished the season at 3-6.

Petrolia jumped out to a 6-0 lead but Iowa Park answered when Kyle Young dove over from the 2 to tie the game at 6-6. The touchdown was set up by a 56-yard run by Ryan Shiery that put the Hawks in scoring position.

The Pirates built their lead to 22-6 but late in the fourth quarter, Daniel Jacobson scored on a 3-yard sweep to cut the lead to 22-12. Quarterback Nick Kennedy hooked up with Austin Weiss on the two-point conversion to cut the lead to 22-14.

Basketball teams appear improved

Hawks

After getting a taste of the playoffs last year for the first time in 10 years, this year's Hawk basketball team is looking to do better.

Much Better.

Back from last year's team that finished 25-7 are Nick Black, a first team All-District selection, along with Rylan McNeil, Michael Fallon, and David Waterbury. All were named to the Honorable Mention team.

The Hawks will be led by last year's Coach Of The Year Tim Clark, who saw his team fall in the Bi-District playoffs to Lake Worth.

Iowa Park lost a pair of starters off last year's team in John Lucas and Rudy Hawkins but will only have to replace one as Waterbury, who served as a sixth man last year, will step into the spot vacated by Hawkins at point guard.

The Hawks return four of their five top scorers with McNeil and

Black each scoring over 10 points per game. Iowa Park showed it could score from downtown last season as the Hawks connected on 158 three-pointers with Waterbury, Fallon and Black each pouring in 40 each to lead the team.

Corky Petty also returns as a letterman from last year's team.

Others who will contribute include Shaun Campbell, Dusty Crawford, Levi Scholl, Todd Yeager, Chad Wright, Jonathan Horton, Lonnie Simmons and Eric Heidrich.

The Hawks will open the season at Peaster Tuesday, then host Childress on Friday, followed by a road game against Eastland.

Iowa Park will then play in the Fantasy Of Lights Tournament in Wichita Falls Nov. 24-25. The Hawks will also play in the Seymour Tournament Dec. 7-9 and in the Aledo Tournament Dec. 27-30.

District play opens on Jan. 12 when the Hawks host Jacksboro.

Henderson, Kim Scobee, Nicole Sales, Heather Bloom, Meredith Brammer, Deniese Gant, Sharla Hughes, Lee Ann Jordan, Jennifer Mize, Jennifer Nicholson, Becky Petty, Trisha Pulley, Amanda Roberts, Sarah Shook and Summer Sternadel.

Following the Lady Hawks' opener against Chillicothe, Iowa Park will play games against Childress, Hirschi and Eastland before playing in the Fantasy Of Lights Tournament in Wichita Falls.

Other tournaments include the Key City Tournament Nov. 30-Dec. 2 in Abilene, and the Seymour Tournament Dec. 7-9.

Iowa Park will open district play Jan. 5 at home against the defending state champion Lady Jackrabbits from Bowie.

of 73 points which was 46 behind first place Bowie who had the top two individuals and 9 ahead of third-place Bridgeport.

Iowa Park advanced to the Region 1 Cross Country Meet held at Mae Simmons Park in Lubbock and finished 8th out of 12 schools.

Estrada led the way finishing 12th overall with a time of 17.11. Other finishers included, Gentry - 44th, Waterbury - 54th, Shawn Phillips - 76th, Potter - 77th, Heidrich - 85th and Simmons - 89th.

turnovers and the offense is doing what it takes to capitalize on them."

In the last two games the Hawk defense has forced a total of eight fumbles with Iowa Park recovering six, while the secondary has picked off six passes, returning one of those for a touchdown when Brandon Holley rambled 20 yards against Graham.

The Hawks are getting excellent play from their special teams as well. Iowa Park has recovered an onside kick, scored on a fake punt, blocked two punts and returned another for a touchdown when Shane Bagley carved his way through the Steers on a 64-yard TD return off a fake reverse.

The Iowa Park offense has kicked into high gear as well. The Hawks have out gained their last two opponents 612 yards to 409.

"We're starting to do a lot of things right and at the right time of the season," Nelms said. "Another big plus for us has been our fan support. They've been super all year long. It gave our kids a big boost to look up in the stands at Graham and see more fans on our side than on Graham's side. And as the game went along our fans got louder and their fans went home. I expect a huge crowd tomorrow night and if you want a seat you'd better get there early."

There will be a community pep rally next Thursday night at 7 p.m. at the high school field to allow the entire town to show its support for the playoff-bound Hawks.

JV, Frosh sweep Graham

JV HAWKS

The Iowa Park JV jumped out to a 20-6 first quarter lead and coasted to an easy 34-12 win over Graham Thursday night to improve to 5-2 for the year and 3-0 in district play.

The Hawks got on the board in the first quarter on a Michael Swenson 54-yard run on their first possession. The next time they had the ball, Jacob Robertson scored on a 72-yard run to make the score 12-0.

Graham cut the lead to 12-6 when the Steers picked up a fumble and returned it for a touchdown.

Bo Vernon recovered an onside kick attempt for Iowa Park, then Swenson added his second touchdown to boost the lead to 18-6. Swenson added the two-point conversion to

make the score 20-6 at the half.

The Steers opened the second half scoring on their second fumble recovery and return to make it 20-12.

Robertson broke loose on a 65-yard run in the fourth quarter setting up Swenson's 6-yard TD to make the score 28-12 following the two-point conversion pass to Steven Trahan from Jonathan Clubb.

Trahan added the final touchdown of the night on a 2-yard run set up by his 85-yard scamper earlier in the drive.

Offensively for the Hawks Brandon McLemore, Jeremy Dorzab, Mike Noel, Bodie Yarbrough, Brian Casey, Michael Trahan and Clint Mathis all had good games.

The Iowa Park defense, which didn't allow a touchdown, was led by

Toby Catlin, Brad Green, Calvin Galliton, McLemore, Noel, Jonathan Horton, Chad Graham and Casey.

The Hawks will travel to Bowie to close out the season tonight.

FRESHMEN HAWKS

The Iowa Park freshmen picked up their second win of the season Thursday night by beating Graham 34-12.

The Hawks' first touchdown came after they had drove the length of the field before turning the ball over on downs inside the Steer 5. But on Graham's first play, Thomas Brake recovered a fumble in the end zone to put Iowa Park on the board.

Iowa Park made it 14-0 in the second quarter on a 26-yard touchdown run by Malcom Wise and a two-point conversion by Tommy Duerson.

The Hawk lead grew to 28-0 following a pair of Duerson touchdowns. The first on a 4-yard run and the second on a 60-yard punt return. Bryan Miller added a two-point conversion.

Chad Davis scored Iowa Park's final touchdown on a 22-yard run in the fourth quarter.

Defensively the Hawks were led by Brake, Patrick Moulton, and Josh Parker each recovering fumbles with Moulton recovering two. Miller also had an interception to prevent the Steers from scoring.

Junior Hawks end season with wins

Iowa Park also got touchdowns from Aaron Thomas on a 90-yard run, Chase Wright on a 60-yard punt return, and Michael Horton on a 40-yard pass from Criswell. TEXAS LEGENDS

There is a story about Governor Hogg as a boy going to the court-

house to find the sheriff in trouble. The men, who would have killed the sheriff, were mad because James Hogg showed up and spoiled their plans. One of the outlaws shot Hogg and left him for dead. This was in 1869, and in 1891 he became the first native Texan to become governor.
