GETTING YEAR STARTED RIGHT - A weather system moved over Iowa Park Monday, New Year's Day, and deposited almost an inch of precipitation. Mid-day snow, shown

gracing the Tom Burnett Memorial Library, followed heavy showers that began prior to dawn. In all, .88 of an inch of moisture was measured by Virgil Woodfin.

#### Project to close Smith Road

The long, two-and-one-half- according to the school calendar. week holiday vacation ends Monday for students, faculty and staff of Iowa Park schools.

Classes, and the spring semester, get underway Monday morning,

One-day "staff development" days are scheduled Jan. 15 and Feb. 19, and then a week-long Spring Break is on the books, beginning the close of Mar. 15 and classes resume on Mar. 25.

#### Long school holiday near end

A portion of Smith Road will be closed for major repairs Tuesday and Wednesday of next week, according to Belvin Lytle, the city's public works director.

Does your subscription to the Leader expire this month? Check the list on page 4.

The city will be installing box culverts in the 800 block, in an effort to improve drainage from the West Highway area.

Lytle emphasizes the work is scheduled on a tentative basis, because the weather must cooperate in order for the project to be accomplished.

Should rain occur, which would make the work impossible, it would cause a postponement until conditions were dryer.

## **BUILDING OVER \$4,4-MILLION** Bumper year for permits

The year 1995 was a banner period for construction in Iowa Park, according to building permit reports issued by city hall.

Total of permits was \$4,408,827, after December's \$261,525. That was bolstered by permits being issued for the construction of five new homes.

When compared with recent years, the 1995 total is even more impressive. The total for 1994 was \$3,009,817; in 1993,\$2,025,480, and for all of 1992, the total building permits amounted to only \$743,628.

Additionally impressive was the fact that none of the permits issued last year was for a public structure, such as additional classrooms for the schools. That, likely, will bolster the final count in 1996.

Permits issued in December included:

Hal Williams, 715 W. Alameda, addition, \$11,000; George Register, 605 E. Texas,

George Register, 609 E. Texas, new home, \$42,000; George Register, 607 E. Texas, new home, \$44,000; George Register, 611 E. Texas, new home, \$44,000; Billy Armstrong, 507 W. Alameda, roofing, \$200; Hatcher Pools, 512 W. Coleman, swimming pool, \$10,000; Bill Hamilton, 909 Foley, brick garage, \$500; Gary Grubbs, 311 E. Aldine, roofing, \$500;

Holloway Construction, 909 E. Texas, new home, \$60,000; Carol Mullins, 1003 Park Plaza, repair, \$5,000;

Jerry Springmeyer, 402 W. Washington, storage building, \$125;

John Mixon, 310 W. Magnolia, siding, \$1,400; Ernest O. Williams, 304 W. Aldine, carport, \$800.

## Chamber award nominations deadline nears

One of the reasons Iowa Park is such a pleasant city to live in is because citizens go out of their way to make things even better than they

For that reason, the Iowa Park Chamber of Commerce several years ago began recognizing those who make those types of contributions, by presenting them with awards.

In many cases, only a few even know who makes those contributions. That is why they solicit nominations for award recipients.

Nomination forms are available at the Chamber office, which is located directly across Wall Street from city hall.

The completed forms should be turned in by next Tuesday, in order for committees to evaluate them and determine the winners for this year.

The awards, for Outstanding Citizen, Outstanding Educator, and Outstanding Senior Citizen, will be presented at the banquet Saturday, Jan. 13.

Two other awards also are given in years when committees deem the nominees are worthy. Those are Outstanding Business and Outstanding Agriculturist.

Tickets for the banquet, which includes a steak dinner prepared by the Iowa Park MuleSkinners, are \$10 Park Cleaners, Hughes Pharmacy and Iowa Park Leader

The late Gladys James was the initial recipient of the Outstanding Citizen of the Year, in 1971.

Others who followed, in order, were Dr. Gordon Clark, Mrs. Frank Harlin, Ralph Beall, Wayne House, Darrell Dick, Mrs. Lita Watson, Mrs. Charlie Lee, Bill Steger, Gordon Griffith, Buck Voyles, Bill Gilmore, H.M. Nipper, and the entire Iowa Park Volunteer Fire Department membership.

Following them were Grover Cleveland, Frances George, James Barrington, Dr. Erwin Soell, Robert Palmer, Bob Hamilton, Michael Price, Ruth Welch, Sheri Kennedy, Joe Hughes, and last year's recipient, Louis Sefcik.

The first Outstanding Senior Citizen recipient went to the late Fenton Dale. Following him were Mrs. W.F. George, Arch Hughes, Charlie Metz, Bertha McDonald, Mrs. Otis Gay, Mrs. James Sewell, Lester Brooks, Riley Thompson, Olive Blalock, Pauline Singleton, Carl Sullivan, Ida Mae Lehman, Raymond Good, Tommie Smith, Betty Lowe, Wayne House, Virgil Woodfin, Martha Robinson and Laverne Owen.

In 1978, the first award presented for Outstanding Agriculturist went to Virgil Woodfin.

Following Woodfin were Loys Barbour, Ray Hicks, Rex Wells, Barry Mahler, Robert Wilcox, Stanley Williamson, Freddie Daume, Denny McCarthy, Marvin Klinkerman, David Robnett, Gene Jordan, and Richard Hill.

The year following the initial Agriculturist award, the Chamber began awarding the Outstanding Educator award. It was presented to John Sibley.

Linda Ayers, Bob Dawson, Earnie Reusch, Patsy Todd, Carol Edwards, Joni Whitis, Greg Miller, Jim Gotcher, Helen Roberts, Carole Venhaus, Kenneth Davis, Carolyn Richter, Dorothy Palmer, Linda Gray, and last year's recipient was Jo Ann Hale. Cryovac was the first to receive

the Outstanding Business of the Year award, presented in 1989. Others recognized were State National Bank, the City of Iowa Park, Entex Fabrication Inc., Dutton Funeral Home, and last year it went to B&R Thriftway.

## Weaver, Cruz vows exchanged in Saturday evening ceremony

Faith Baptist Church was the setting for the Saturday 6 o'clock double ring wedding ceremony that united Shonna Kay Weaver and Marc Gambill Cruz.

The bride is the daughter of Melba Weaver and the late Harold Weaver of Iowa Park.

Parents of the groom are Sandra and Perry Green, also of Iowa Park.

The recitation of marriage vows was directed by Dennis Neal, associate pastor of Faith Baptist Church.

The railing in back of the wedding party was lined with white lights, accentuated by twin ficus trees decorated with white lights. Two heart-shaped candelabra and the unity candle completed altar decorations. Pews were marked with white tulle intertwined with greenery and iridescent beads.

As family members were seated, "The Wedding Song" was played by Mitzi Briggs, pianist, and sung by Melissa Logan. Attendants entered the nuptial area to the tune of "Trumpet Voluntary" and the bride's processional was "Bridal Chorus"

"In This Very Room" was sung by Melissa Logan and Allen Briggs, accompaned by Mrs. Briggs, as the mothers lit the tapers of the unity candle. "I Will Be There" was sung by Briggs during the lighting of the unity candle by the couple. At this time the couple asked the Falls was flower girl. congregation's blessing of the mar-

riage. Following the ceremony "Wedding March" was played as the newlyweds left the church and "Jesu, Joy of Man's Desiring" was played as the attendants left. The attendants also entered the sanctuary together.

The bride was escorted to the altar by her mother. She chose a bridal white Victorian gown styled with V-neckline and embellished with lace applique and beads. Puffs of the with lace appliques and bow accents as was the remainder of the long sleeves that came to a point over the

## NEWS OF THE Iowa Park GENEALOGICAL & HISTORICAL SOCIETY

The many different ethnic groups who immigrated to our country brought their traditions and customs with them and contributed greatly to the American culture.

Influence of the Pennsylvania Dutch was felt in agriculture techniques, trades, foods, pre-industrial technology and also in religious patterns. The Christmas tree and the Easter bunny are two of the customs they brought with them.

Among the many traditional recipes this ethnic group contributed are sauerkraut, pretzels, hot salads and shoofly pie. All became popular and are still enjoyed.

The Pennsylvania Dutch also were responsible for the Conestoga wagon, documented as early as 1717, and was used on the frontier for hauling freight and then was the type of wagon used by pioneers on their way west. They were producers of folk art and manuscript decoration that was popular from about 1750 to 1850 (called fraktur style).

It is against the law to leave a child under seven years of age in a motor vehicle for longer than five minutes, unless the child is attended by an individual in the vehicle who is at least 14 years of age.

Never under estimate the curiosity of a child. A child's curiosity runs high and sometimes the child ends up hurt because of it.

Things can happen so fast, one minute the child is fine, but you turn your back for five minutes and the child is hurt or in trouble.

Stop and think of all the things that could happen to a child left unattended in a vehicle. Is the risk worth it?

In my younger years, I often thought about how grand it would be to live a life of continual holidays.

Boy howdy! Wouldn't that just be grand. Sleeping as late as I wanted every morning. Going to bed whenever I got tired. Grand food every meal. Presents every day. Visiting whomever and wherever I desired. No responsibilities, like school work or having to go to work.

So I expect to continue just the same way. Oh, I might begin leaving the office earlier in the day, maybe doing those retirement things as playing a round of golf every afternoon. That could be in the future.

I guess the thing I like most about holidays, though, is the fact that those are days Dolores and I are visited by family.

Now, that's pure holiday to me. Yeah, we do our share of eating -some formal and some informal -but being a family event, the food always seems to taste better than usual.

Besides not having my regular routine on holidays, observing them on Mondays is always a pain -- in the weekly newspaper business.

"Doc," I pleaded. "Is there anything I can eat?"

"Sure," the good doc assured me. "You can have all the cauliflower, white bread and potatoes you want. "Here," he said. "Read this bro-

"no future." After all, I live to eat. "Plus." he added pointing to the says you can have broiled chicken or lamb once a week."

That was it. Shoot me. Get it over with. Without steak and potatoes -- without good hot bread with lots of butter, list me under the

obituaries this week. Was this reward for eating a proper diet? For years, I stayed away from refined sugar and flour. I avoided fried foods. I ate properly prepared veggies and always took vitamins --

and now this. Actually I gave up the vitamins after a niacin overdose left a "rosy color" in my cheeks, but that's another story.

"What you have," the good doctor explained was to me, "is a purine content of the blood that results in an arthritic condition settling in major joints, primarily around the big toe."

"Ah -- come again doc. What was that you just said?"

"Gout," he replied without a hint of change in expression. "Come on," I laughed. "That's an

old man's disease." "Mmmmmmm," was his only reply combined with a shrug of the

shoulders and a glance at my son sitting in the room with us. "Mmmmmmm," was my son's

supportive comment shrugging his shoulders.

#### HIGHLIGHTS

By Lyndell Williams & Ed Sterling TEXAS PRESS ASSOCIATION

AUSTIN - Texas Department of Public Safety officials said preliminary statistics show that only 19 people died on Texas roads and highways between 6 p.m. Dec. 22 and midnight Dec. 25.

The DPS had predicted 35 people would die in traffic-related accidents during the Christmas weekend reporting period.

"It's quite a bit lower than the estimate. Of course that is a happy surprise for us," said DPS spokeswoman Sherri Green. "We love it when we don't reach our estimate. Maybe some people are heeding our warnings.'

At least four of the traffic fatalities involved alcohol and several involved losing control at high speed. In six cases, seat helts were not worn, the Houston Chronicle reported.

Green said at least 40 more people may die on Texas highways during the New Year's weekend.

College's Gun Classes Popular

So many students at San Antonio College have taken handgun training classes that the college plans to continue offering them during the spring semester.

"We are planning them once a month until the supply outlasts the demand," instructor Bob McMillan told the Associated Press.

San Antonio College students

can't carry guns on campus, even under the state's new concealed

weapons law, which goes into effect Jan. 1. But 57 students have taken advantage of the training in the past two months.

McMillan, a former Houston police officer who has 14 years' experience in firearms training, also teaches a 40-hour course on firearms at San Antonio College police training academy.

"We are attracting people from walks of life," said McMillan, who c aducts two nights of classroom training at the college and two nights at his Blackhawk Shooting Range.

The courses are part of the college's continuing education program. With the training, applicants may apply for the state permit.

#### Fired Official Sues Agency

Charles Bailey, the former director of the Texas Department of Transportation's civil rights division, is suing the state agency for more than \$2.2 million, saying his firing violated his rights.

The Associated Press reported Bailey filed his lawsuit in Travis County and is seeking reinstatement with the agency and back pay since his June 1994 firing.

Daffney Henry, the agency's assistant executive director for human resources management, said she fired Bailey for reasons involving his management of the division and instances of insubordination. A hearing examiner with the department said problems regarding Bailey's performance and behavior justified his termination, although proper procedures were not followed in the firing.

Bailey's lawsuit alleges he was fired "in retaliation for exercising his right and duty to defend the civil rights program."

Travis DA's Office Part of Study The Travis County district attorney's office is among four that will be studied in a research project paid

for by the National Institute of Jus-

tice, officials announced.

The project, "Prosecution in the Community: A Study of Emergent Strategies," will study the changing role of prosecutors, the importance of community prosecution

and how it works with community

Prosecutors' offices in Boston, Indianapolis and an undetermined site will be studied. The sites were selected because they have ongoing programs in community prosecution, in which communitybased action programs are included with traditional case processing.

The research project is administered by the Program in Criminal Justice Policy and Management at Harvard University's John F. Kennedy School of Government.

#### Labeling of Valuables Urged

The Texas Action Council on Theft is urging citizens to label or engrave newly purchased compact-disk players, video cassette recorders and computer equipment as a measure to discourage burglars.

The council has projected that about 35,000 burglaries will be committed in the state during December and January, the Associated Press reported.

"Juveniles between the ages of 15 and 19 make up the largest number of burglary arrestees," said Charity Judah, spokeswoman for the council, which is a nonprofit coalition of law enforcement officials, insurance companies and private citizens.

"That translates to increased burglaries because many kids are out of school for the holidays,' Judah said.

■ NationsBank has agreed to pay \$30 million to settle a class action suit brought by plaintiffs listed as Ivy Shipp et al., who alleged they and thousands of other Texans were misled about the risk of their investments in uninsured mutual funds and annuities.

 Two books reportedly are enjoying brisk sales across Texas "The Gun Owners Guide" and "A Matter of Personal Protection" - in anticipation of the state's concealed handgun law that takes effect Jan. 1.

#### Forth Texan Contracts Hantavirus

The fourth Texan to contract the rodent-borne hantavirus is a 23year-old Beaumont man.

Symptoms of the disease, which is fatal in 50 percent of cases, include fever, shortness of breath and muscular aches.

The man, hospitalized for 12 days, was put on oxygen and required dialysis after his kidneys failed. He is recuperating and almost back to normal.

## Hawks run season record to 14-4

The Iowa Park Hawks traveled to Aledo to play in the Aledo Classic last week and split four games, winning a pair and losing two. The Hawks returned home Tuesday night and won a 72-70 thriller over Byers to improve to 14-4 for the season.

Iowa Park opened the Aledo tournament with a 67-45 win over Maypearl. The Hawks won all four quarters enroute to the 22-point win. Shaun Campbell led his team with 15 points followed by Michael Fallon with 10 and Corky Petty with 9.

The Hawks came up short against Mineral Wells 75-53 in their second game with the turning point coming in the second quarter in which Iowa Park was outscored 29-9. Nick Black led the Hawks in scoring with 19 and David Waterbury was close behind with 16. Mineral Wells was led by Jerome Jackson who finished with 34, with 18 of those coming in the second quarter.

In the third game of the tournament Iowa Park downed Castleberry 63-51 with Black leading the way with 16 points, followed by Petty who finished with 11.

The Hawks finished the tournament with a 70-48 loss to Krum. McNeil led Iowa Park in scoring with 10 points followed by Campbell who

'We played up and down all week," said head coach Tim Clark. "I think we got better defensively but we struggled some on offense. The competiton level was outstanding. Six different coaches at the tournament have won the state tournament. I think our kids seeing teams like this play will make us work harder."

Iowa Park returned home Tuesday night to play host to Byers and this one went down to the final buzzer.

With the game tied at 70-70 and with Byers inbounding the ball at halfcourt, Waterbury stole the

## Lady Hawks to Bowie The Iowa Park Lady Hawks are Lady Hawks took over from that point

doing what every team wants to do heading into district play. Getting hot at the right time.

**DISTRICT-OPENER** 

Iowa Park is currently riding a three game-winning streak with all three wins coming over 4-A schools.

The Lady Hawks picked up two of those wins this past week, beating Wichita Falls High School 61-50 Friday night and followed that with a 78-66 win over Altus Tuesday night. The streak started with a win over Hirschi Dec. 19.

Iowa Park picked up it's 10th win of the season Friday night when the Lady Hawks blew a close game open in the third quarter. Iowa Park held a slim two-point advantage at halftime but outscored the Lady Coyotes 18-6 in the third quarter to take a 44-30 lead heading into the final eight minutes of play. The Lady Hawks were outscored 20-17 in the fourth but it wasn't enough. Dusti Welch led the team with 18 points followed by Wendy Bridwell who finished with 17. Randi Tigrett also reached double figures finishing with 10.

The Lady Hawks moved to 11-7 for the season in their final non-district game Tuesday night with a 78-66 win over the Lady Bulldogs from

Once again Iowa Park blew open a close game, this time in the fourth quarter with a 24-14 run.

With the game tied at 34-34 at the half, Tigrett and Welch took over with the pair scoring 14 of the team's 20 points in the period. Tigrett scored 8 points, all coming on assists from Welch who finished the game with 8. Welch scored 6 of her game-high 24 points in the third on a three-point play and a three-pointer both on assists from Tigrett.

"We're doing a much better job seeing the floor and hitting the open man," said head coach Ronda Havins. "Our scoring is more balanced and we're playing better defense and that's a good sign heading into district."

Iowa Park led 54-52 heading into

on outscoring Altus 24-14. Iowa Park held the Lady Bulldogs without a point from the 6:08 mark until the 2:26 mark. During that stretch, the Lady Hawks scored 12 to take a 72-

Once again Iowa Park had three players reach double figures. Welch finished with 24, Bridwell scored 13 and Tigrett tossed in 12.

"This was a good win for us," Havins added. "We'll start getting ready for Bowie tomorrow. We've got to be ready to play every time we take the floor in District and just take them one game at a time and we'll be alright."

The Lady Hawks open District 3-3A play in Bowie against the defending 3A State Champion Lady Tuesday to host Graham.

inbounds pass at the time line and raced to the basket laying the ball off the glass as the final second ticked off the clock to give his team a 72-70

Byers led 17-13 after the first period and then it was bombs away in the second as both teams started hitting from long range.

The Hornets made five of their eight first-half three-pointers in the second period to take a 42-33 lead into the locker room. Black kept Iowa Park within range hitting four consecutive three-point bombs in the

Byers built the lead to 10 at 47-37 at the 6:13 mark of the third but Iowa Park rallied and scored eight Rabbits Friday night and return home unanswered points to cut the lead to 47-45 with 4:36 left in the third. Iowa

Park took it's first lead at 49-48 with 3:27 left on a six footer by Levi Scholl. Byers quickly built the lead back to 8 at 60-52 on a layup with 17 seconds left in the third.

The Hawks pulled to within one at 62-63 with 6:01 to play in the game on a short jumper by Black. Iowa Park took a 70-65 lead with 3:01 left in the game on a three-pointer by Waterbury. Byers answered with a pair of free throws and a three-pointer of their own to tie the game at 70-70 with 2:18 left. Byers went into a stall and held the ball until Campbell came up with a steal with 18 seconds left. Black worked free on the baseline but his 10-footer missed the mark with Byers grabbing the loose ball to set up

Waterbury's heroic finish.

with 17 points followed by Black with 16. Campbell finished with 12 while Petty finished with 10.

"Byers played great," Clark said. "They hit their open shots. We didn't play very good defense in the first half but played better in the second. I don't think we shot any better in the second half. It was our defense that improved. I think we just wanted it

Waterbury finished the game more than they did down the stretch and our depth just wore them down."

The Hawks will host Springtown Saturday with the freshmen getting started at 1 p.m.. The JV will follow with the varsity getting started around 4 p.m. The Hawks will then travel to Hirschi Monday night to take on the Huskies before opening district play the followin Friday night against

OWA PARK LEADER

# Edward Jones gets first place rating

Edward Jones brokers gave the firm a first-place rating in a national survey of nine investment companies, Bo Watson, Lorie Vagher and Mike Bruckner the investment representatives for Jones in Iowa Park, announced today. Even more impressive is the fact that Jones received a near-perfect score when it comes to putting clients first and doing what it promises.

"Although we'd love to take credit for these recent achievements," Watson said, "we know it really belongs with those who have played the most important roles in making our firm a successful organization - - our customers and friends."

This is the fourth consecutive year that Edward Jones has ranked either first or second in the survey, conducted every October by Registered Representative magazine. The survey results, which appear in the December 1995, issue are based on anonymous telephone interviews with 50 brokers from each company. The brokers rate their firms on such factors as overall ethics, freedom from pressure to sell certain products, quote and information systems, and quality of research.

In the four main categories of the survey - - work environment, support, product and management - - Jones scored higher than any other firm.

Additionally, Jones received an "A" letter grade in all sub-categories except research, for which it received a "B". The firm scored especially high in the category of freedom from pressure to sell certain products and in the ethics category. Jones received an overall score of 9.05 out of a possible 10 points.

"This survey reflects the opinions of our brokers, the people who are on the front lines dealing with our customers," said John W. Bachmann, managing principal of the St. Louisbased company. "Because of that, we are very proud of the high scores we received.

"In addition, our investment representatives are members of the communities in which they work, so their opinions about our firm are significant. We are very happy that we are providing the support they need," Bachmann said.

Edward Jones is one of the largest financial services fiarms in the nation with more than 3,100 branch offices in 49 states. The firm serves more than 2-million clients and specializes in investments tailored to the needs of individual investors. It offers such investments as certificates of deposit, taxable and tax-free bodns, stocks and mutual funds.

The Iowa Park office is located at 105 W. Cash.

## Letters to Editor policy explained

The *Leader* receives numerous letters which cannot, for one reason or another, be published.

Letters will not be printed unless they are signed. A typed name will not do. And, for the sake of verification, the writer's telephone should be included.

Should the writer not wish his/her name printed, it will be omitted upon request. However, the letter will be kept on file to be read upon request.

Letters also must be free of libel. If not, they will not be published, because we will not edit the content of any letter.

In letters supporting political candidates or issues, the *Leader* reserves the right to limit their lengths.

We encourage your Letters to the Editor, and offer the paper space as your forum for discussions of ideas and observations.

#### Iowa Park 4-H Club

The Iowa Park 4-H Club met Thursday, Dec. 21, at the RAC. We had our Christmas party, and Tim and Phyllis Hunter prepared chili dogs for us. We decided to give presents to a needy family. These were delivered with a Christmas tree on Dec. 23.

The next meeting will be Jan. 18, 1996. See you.
