Four youths are suspects in window-shooting spree

Vandals went on a BB gun shooting spree over the weekend, targeting windows of at least seven vehicles and causing at least \$1,600 in damages.

Police have identified and interviewed four suspects, two adult and two juvenile males, concerning the spree.

Charges are pending, and negotiations are underway for restitution to the owners.

The four suspects were stopped in a vehicle that contained two air rifles and one pistol, all of which were confiscated.

Reports of the random shootings began reaching the police department

late Saturday night.

Locations of the vehicles were from 510 N. Jackson, 506 E. Bank, 910 E. Bank, 510 N. Wall, 311 W. Magnolia, 100 W. Cash and 904 W. Louisa.

The vehicle on West Cash was the Friendly Door's van. Replacement on that vehicle's window alone was said to be \$533.

Actually, there was an eighth vehicle's window attacked, but not by BB shot.

Two men reportedly knocked out a pickup window Sunday while it was parked in the 100 block of West Cash. They reportedly used a baseball bat.

The pair, arrested in the 300 block of East Cash, were identified as William Harvey Holloway, 23, and Joshua Jacob Lambert, 20.

Both were placed under arrest by Iowa Park police at 8:42 p.m., and shortly after midnight they were transported to the county jail, according to the police blotter.

Three other arrests were made during the past week, unrelated to the criminal mischief cases, and another was ordered by the municipal court judge to go to jail for outstanding offenses.

Pamela Yvonne Hilliard, 45, was taken into custody at 7:05 p.m. Thursday in the 900 block of South Wall, on a charge of public intoxication. She was released five hours later after signing a personal recognizance bond.

Another public intoxication arrest was made at 1:26 p.m. Saturday, in the 200 block of Northwest Access Road.

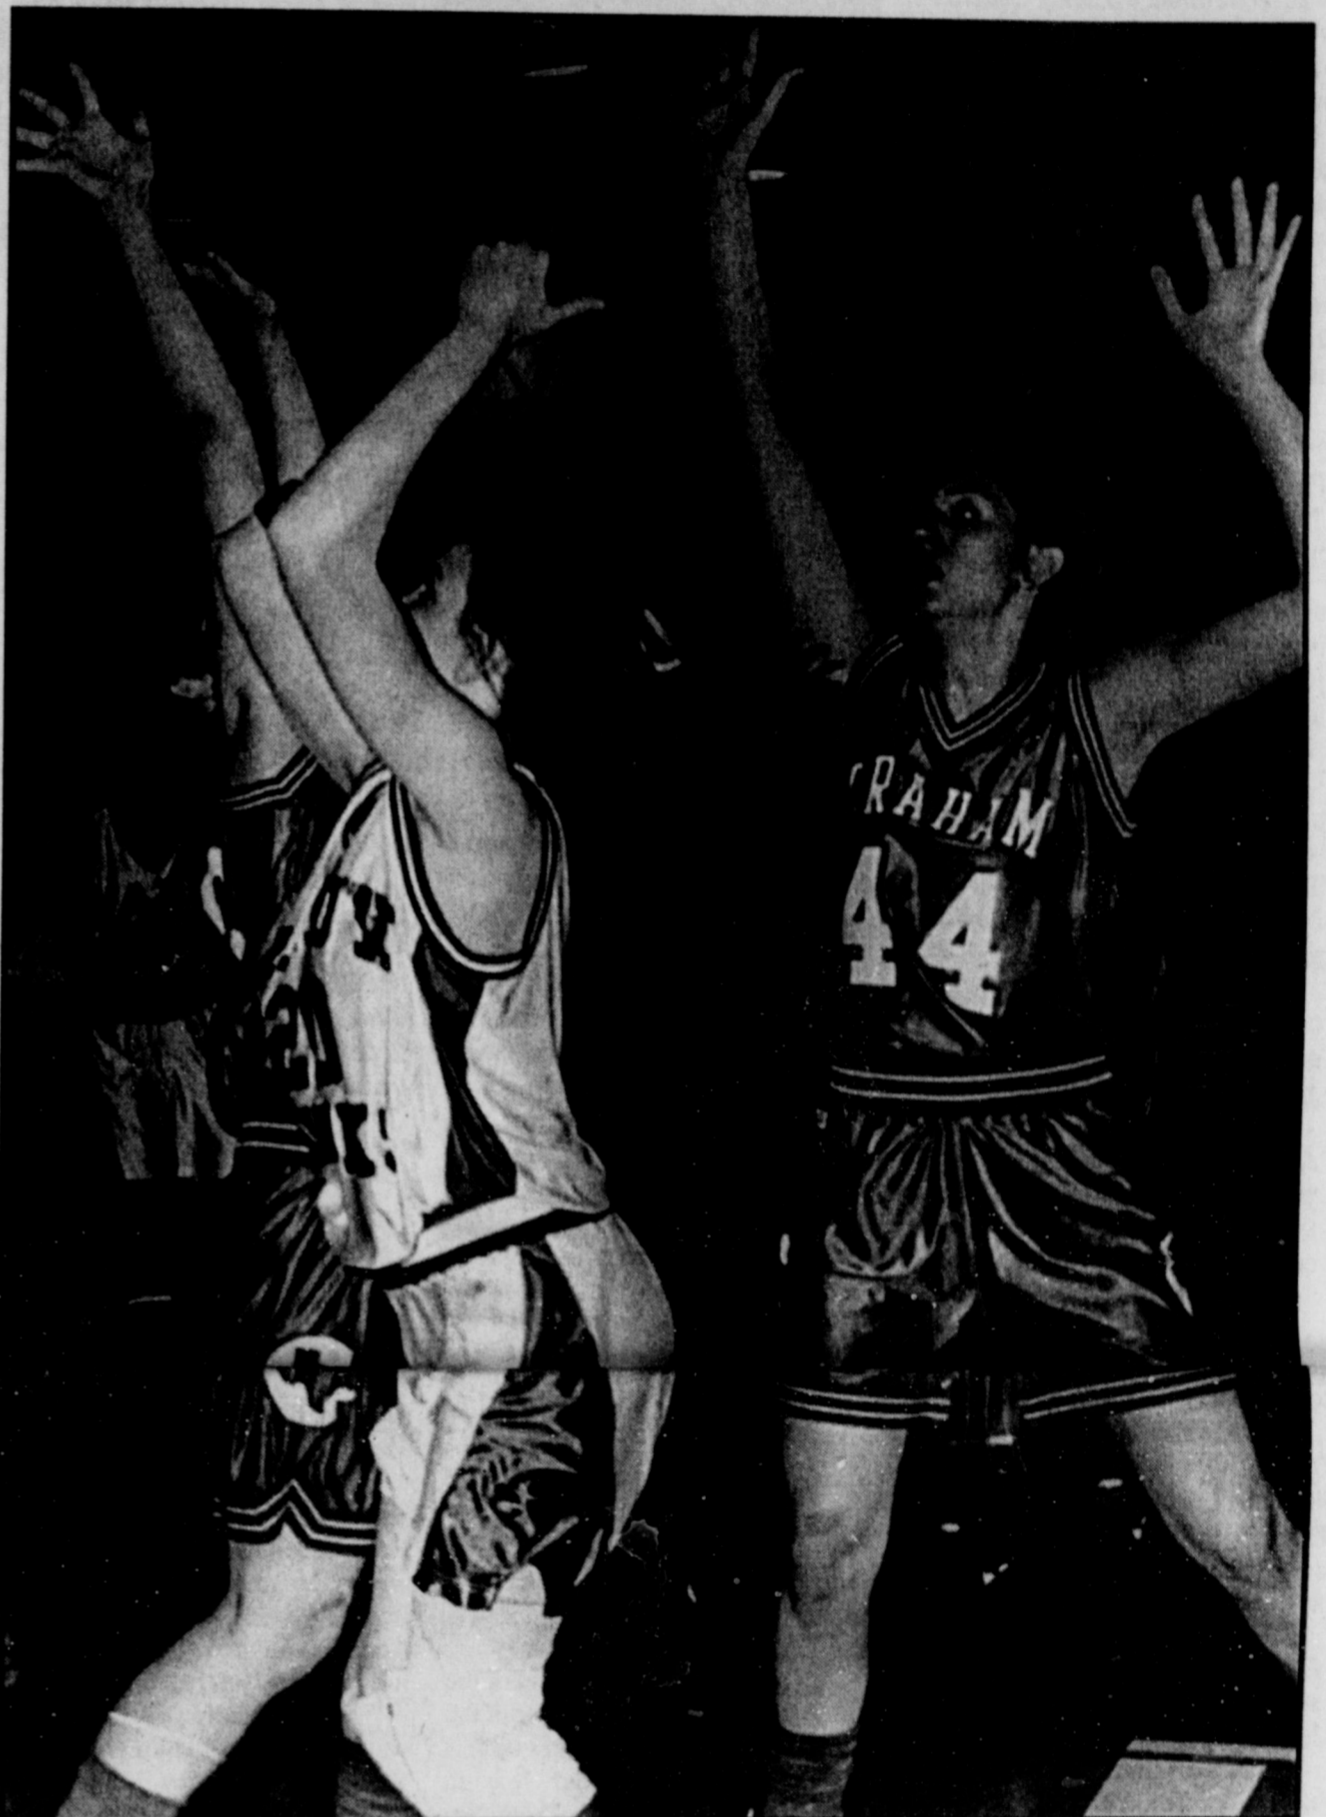

Barbara Burnham Mayo, 54, was released at 5:32 a.m. after paying a fine of \$282, according to the blotter entry.

Police investigated a 9-1-1 call at a residence in the 900 block of East Cash at 8:02 p.m. Monday, which resulted in the arrest of Hester Jenkins, 57, on a charge of assault to prevent family violence.

She was released at 2:26 a.m. Tuesday after signing a personal recognizance bond.

In municipal court Tuesday morning, David Chris Wilson, 36, was ordered to be committed to the county jail. He was transported there some two hours later.

Wilson's appearance in court was to face public intoxication and drug paraphernalia charges which were filed Nov. 15.

Project Graduation meeting slated

Project Graduation parents will have an organizational meeting Monday, Jan. 15.

The meeting will be at 7 p.m. in the high school library. All senior parents are urged to attend this important meeting.

Chamber banquet Saturday

Iowa Park's traditional and largest social event of the year, the Chamber of Commerce banquet, is set to get underway at 7 p.m. Saturday in the high school cafeteria.

Highlighting the evening will be presentations of awards, a guest speaker, steak dinner, and installation of new officers.

Open to the general public, and not just Chamber members, tickets are available at the Chamber office, Park Cleaners, Hughes Pharmacy and Iowa Park Leader.

Ticket prices are \$10 per person in advance, if purchased by 12-noon

Friday, and \$12 when purchased at the door.

The steak dinner will be cooked and served by the Iowa Park Mule-Skinners.

Outgoing president Dale Cox, following remarks of activities during the past year, will install the new officers who include Dr. Derrell Monday, president; Cindy Clifton, first vice president, and Darrell Jolly, second vice president.

Susan Dillard will continue as secretary of the organization.

Also to be installed are directors whose terms will expire in 1998. They

include Joe Hughes, Tommy Key, Glen Mitchell, Lisa Bushfield, Jackie Beckham, Derrell Monday, Mike Price and Bob Greenwalt.

Speaker of the evening will be Aaron Alejandro, president of Catalyst Dynamics of Wichita Falls.

Awards to be presented include the Outstanding Citizen of the Year, Outstanding Senior Citizen, Outstanding Agriculturist, Outstanding Educator and Business of the Year.

The evening's invocation will be given by Jeff Ratliff, minister of the Church of Christ, and benediction by Rev. Charles Hensley of the Assembly of God.

THREE MEETINGS SET

School trustees are busy

Iowa Park school trustees will have little time for themselves in the near future, with three meetings having been posted, two of them for this evening and the third on Monday.

The first meeting this evening is to begin at 6:00 in the administration building. Trustees are to hear from Hank Wheeler, director of Superintendent Search for the Texas Association of School Boards.

Most of the meeting is to be held in executive session, under the topic of personnel. Members will later open the meeting to the public, allowing for action to be taken.

The evident reason for the meeting was brought about by the announcement last month that Supt. Glen Mitchell is resigning at the end

of this school year, and a search for his replacement is about to get underway.

The board's regularly-scheduled monthly meeting is to begin at 7:30 p.m. in the junior high library. However, according to the agenda which was posted, the latter portion of the meeting will again be closed to the public, and moved back into the administration building.

That executive session is to be held for the superintendent's evaluation, according to the agenda.

Other topics on the agenda, besides the regular tax and department reports, include:

- * consider employing architect Don Daughterity to draft plans and specifications for an elevator at the high school;

- * consider a request from the Wichita Falls Southwest Basketball Association to use the junior high gymnasium for a basketball tournament, and,

- * consider use of the junior high gym for a donkey basketball game Jan. 20, sponsored by the FFA Booster Club.

A called special session at 7 p.m. Monday will be held at the junior high library, and will include boards from the Electra, Holliday, City View and Burk Burnett boards of trustees.

The purpose of that joint meeting is to "Provide training and information to trustees about Compensation Concepts and School Pay Practices in Texas," according to the posted agenda notice.

Council overrides veto

A split vote by the city council was used Monday night to override a veto issued last month by Mayor Wayne House.

The council, in its only meeting during December, had voted to accept a bid submitted by Happy House to contract janitorial work at city facilities.

However, following the meeting, House issued a letter that he was vetoing their action.

Monday, Alderman Bob Hamilton made a motion to "Override the mayor's veto and sustain council's decision to accept janitorial bid submitted by Happy House."

During discussion of the issue,

the mayor said he felt it was wrong to not accept the lowest bid received. Happy House was the second-lowest of four bids received.

Some discussion concerned whether the city should have given ProClean, the firm which has held the contract the past two years, the contract again because its bid had been the lowest.

ProClean had bid \$250 per week and Happy House \$290. The other two bids were \$410 and \$477.

However, various department heads had complained about the work of ProClean, which was one of the reasons for its option year not being recognized by the council.

Voting to override the mayor's veto were Hamilton, Mark Raby and Tracy Fears. Aldermen Johnny Crawford and Bud Mercer voted against it.

An ordinance reducing the areas of non-parking in the 100 block of West Park was approved, providing room for at least four more parking spaces.

It was also brought out during discussion on that issue, that violators parking in "no parking" areas would be ticketed in the future.

The city received only one bid for grazing rights at Lake Iowa Park,

Mulkey, Merrick nuptials read in Saturday evening ceremony

In an illuminated setting of burning tapers in candelabra and an archway decorated with magnolia blossoms, gladiolas and miniature carnations in the bride's chosen color of plum, Kenda Faye Mulkey became the bride of Jack William Merrick in a six o'clock double ring ceremony Saturday evening.

First Baptist Church of Dean was scene of the wedding. Sanctuary windows were draped with English ivy, magnolia blossoms and stephanotis.

The bride is the daughter of Jaye and Norma Mulkey of Wichita Falls and parents of the groom are Jim Bob and Linda Merrick of Iowa Park.

Rev. Jerry Laird of Magnolia, cousin of the bride, directed the couple in their recitation of matrimonial vows.

The program of wedding music was provided by Sherlene Hamilton, pianist, and Rusty Dillard, vocalist, who sang "Your Love Amazes Me", during the ceremony.

Mr. Mulkey presented his daughter for marriage. She chose an ivory satin gown of traditional styling. It featured a V-neckline, fitted bodice, leg-o-mutton sleeves and a bouffant skirt.

Bodice of the gown featured appliques of Schiffler lace trimmed with seed pearls and iridescent sequins. The sleeves were accented with windows and cutouts of lace with the pearl and sequin trim.

Scattered motifs of windows and cutouts trimmed with pearls and sequins embellished the skirt of the gown and edged the hemline.

The cathedral length train was sprinkled with applique motifs and was edged with the lace design. Her three-tiered veil fell from an iridescent pearl headband of silk flowers and beaded sprays.

She carried a shower bouquet of white and ivory stephanotis, intermingled with English ivy.

Maid of honor was Cathy Lee of Petrolia and matron of honor was the bride's sister, Shelli Starr of Wichita Falls. Jennifer Paden of Wichita Falls and Wendy Coker of Charlie, served as bridesmaids.

They were identically attired in floor length dresses of plum, designed with fitted bodice and sweetheart neckline.

Jayson Owen, Wichita Falls, nephew of the bride, was ring bearer. He wore a black suit with plum colored bow tie.

Greg Steger of Lubbock, the groom's cousin, served as best man. Groomsmen were Brent Bishop, Andy Cravens, and Matt May, all of Lubbock. Serving as ushers were Jason Welch and Steve Starr, brother-in-law of the bride, both of Wichita Falls.

The reception was held in Fellowship Hall of the church.

Forming a backdrop for the bride's table was white lattice work over a background of plum colored linen. The lattice work was entwined with ivy and magnolia garlands and white carnations.

White linen draped with magnolia garlands covered the bride's table. A focal point in decorative accents was formed by a circular

holder featuring four white cathedral tapers, centered with a bouquet of magnolias and roses. The bridal bouquet completed the central arrangement.

Shaved ice grape punch was served from a crystal punch bowl. Crystal serving pieces were used for the nuts and mints. The bride and groom glasses for toasting were accented with plum colored bows.

The bride's white, triple tiered square cake was laced with magnolia accents and draped with plum roses, tipped with teal accents.

Seating at the bride's table were Brande Ervin and Natalie Ervin.

The groom's table was laid with white linen, draped with magnolia and white carnation garland. The chocolate sheath cake was iced with chocolate and topped with fresh strawberries dipped in chocolate syrup. A silver coffee service and crystal serving pieces were used.

Roxanna Rushing, cousin of the bride, and Geri Merrick, sister of the groom, served at the groom's table.

Misti Rushing and Jessica Rushing, cousins of the bride, secured signatures of guests on arrival. The registry table was placed in the church foyer. It was decorated with magnolia garlands and bridal portraits.

Mr. and Mrs. Merrick, parents of the bridegroom, hosted the rehearsal dinner Friday evening at McBride's Seafood and Steaks.

The bride is a graduate of Petrolia High School and is attending Mid-

western State University.

Merrick graduated Iowa Park High School and is a student at MSU.

When the newlyweds return from a wedding trip to Red River, N.M. they will make their home in Wichita Falls.

McDonalds celebrate 50 years

G. C. (Bud) and Maxine McDonald will mark 50 years of marriage Monday, although the event has already been celebrated by them and family members.

The year of their marriage, 1946, the McDonalds had a lot for which to be thankful.

Following graduation from W.F. George High School in Iowa Park, McDonald served in the United States Navy Seabees from 1943-1946. The Japanese army had surrendered to General Douglas MacArthur just months earlier and World War II had finally come to an end.

After graduation, the former Maxine Phillips had gone to Denton to further her education. She soon returned to Iowa Park to prepare for her marriage to Bud, and a brief honeymoon in Florida.

On January 15, 1946, Bud and Maxine Phillips were given in marriage by Emma Phillips and Myrtice McDonald at First Baptist Church in Iowa Park.

The McDonalds remained in the area, where Bud worked as a plumbing contractor and Maxine was a homemaker.

After the birth of their first son in April 1947 and twin sons in August 1949, the McDonalds settled in Iowa Park. Bud was later employed by Civil Service until his retirement in 1987.

In honor of their 50th anniversary, a surprise reception was hosted by the McDonald sons at Faith Baptist Church of Iowa Park on Christmas Eve. Dr. Greg Ammons, pastor, made the announcement at the conclusion of church services.

A three-tiered cake, iced in white and decorated with pale blue confection flowers, pearl sprays and gold leaves, served as the focal point in the reception hall. The cake was flanked with a trailing silk English ivy plant intermingled with white silk roses in an oblong brass container.

A brass candelabra encircled with pale blue roses supported five white candles. A crystal punch bowl and matching gold, ivory and white

plates and cups were placed on tables draped in white with gold runners.

The refreshment tables were completed with ivory and gold napkins that read "50th Anniversary, Maxine and Bud, 1946-January 15-1996.

A red rose corsage and white rose boutonniere were worn by the honorees as they were led to chairs marked with large gold bows where guests could greet and congratulate them. Selections of music from the "big band" era played in the background.

Pam, Noelle, Ashley, and Jodi McDonald presided at the serving tables. Fern Jones registered guests as they entered the hall. Gatlyn McDonald served as photographer.

Special guests for the reception were sons of Bud and Maxine, Jerry, Billy and Phil McDonald. Jerry lives in Bedford, Billy lives in New Braunfels, and Phil is a resident of Iowa Park.

Other special guests included Weldon and Margie Phillips and Roy and Fran McDonald, all of Oklahoma, Francis and Sang Boone of Iowa Park and Bill Guthrie, Peyton and Dana Parkerson, all of Wichita Falls.

The McDonalds have eight grandchildren and two great-grandchildren.

Since retiring, Bud enjoys fishing and reading and Maxine enjoys cooking and spending time with family. They are members of Faith Baptist Church.

Art group installs officers

New officers for the Iowa Park Arts and Crafts Association were installed Tuesday night at the Recreational Activity Center. Martha Dudley conducted the installation ceremony.

Those who will serve during the coming year are: Sheri Kennedy, president; Dorothy Johnson, vice president; Melba McIlroy, secretary; and Shirley Hicks, treasurer. Standing committee chairmen are: Sheri Heidrick, program; Bobbie Heacox, publicity; Freddie Skinner, display; and Cathy Price, yearbook.

The program was presented by Cathy Price, who showed members how to make baskets from two-liter size pop bottles using fabric, lace and ribbon.

Crafts made by Mrs. Price will be displayed at the library during the month of January.

In other business, names were drawn for secret prizes. The door prize, a wooden chicken on a stand, made by Kathy Hicks, was won by Pat Ikey.

The next meeting will be February 13, at 7 p.m. at the RAC.

Club members study exercise and fitness

Members of Amity Study Club met at Dooley's Family Fitness Center on Monday evening for a program on exercise and fitness.

Owner, Jim Dooley, explained and demonstrated the types of exercise, and the purpose behind exercising.

Following the program, Amity members went to the home of Linda Crumbliss for the remainder of the meeting.

The group brought school supplies for Iowa Park school children in keeping with the monthly project.

After the business meeting, Mrs. Crumbliss and co-hostess Mary McIlroy served refreshments.

As I See It... By Bob Hamilton

It's amazing how paths can cross with friends over the years.

I had an occasion to renew an old acquaintance at the Lady Hawks' basketball game here Tuesday night with a young man I first met 35 years ago. But there's more to that story I'd like to tell you.

Dolores and I acquired the Kress News in 1960. The school's coach at that time was Leo Fields. He and his wife Jo had two sons, Alton and Larry.

Seven years later, we moved to Littlefield and gave up the paper. And with it, I gave up a close relationship with the Fields family.

Well, about 15 years later, Leo and Jo moved here to Iowa Park, buying a home on Rita. Leo had given up the education field and was for a couple of years the Farm Bureau agent for this area.

They later moved to Graham, where Larry, the younger of the sons, had been hired as city manager, a position he still holds.

Leo bought a western wear store

and operated it a few years, on the square in Graham, and later died.

Visiting with Larry Tuesday was the first time we'd seen each other in some 28 years. He and his wife, a Kress native I'd also known, have three daughters. The oldest, who was with them, is a student at TCU. One was playing that night and the other will be in a couple of years.

The oldest Fields son, Alton, went into education, and later into administration.

Here's some of that path-crossing stuff to which I referred to earlier. Alton was superintendent at Rotan at the same time Weldon Nelms, our head coach here, began

his career as a head coach.

Also speaking of similarities, you might remember that former head coach Tommy Watkins came here from Rotan, as well as another Head Hawk, David Baugh, is a graduate of that school.

Another crossing -- Alton, who is now superintendent at Pleasanton, a 4-A school, was the top administrator of Sanford-Fritch schools when the Hawks beat their team at Lubbock in the state baseball playoffs.

I guess, if there's any moral to this piece is, don't burn your bridges and forget your friends. Sooner or later, you'll run into them again.

Jim Goetze earns doctorate

Jim Riley Goetze, a 1980 graduate of Iowa Park High School, received a Doctor of Philosophy in Zoology degree from Texas Tech University in graduation ceremonies Dec. 16.

He received an Associate of Science degree in Agriculture from Vernon Regional Junior College, and the Bachelor of Science degree in Agriculture Education from Tarleton State University.

Goetze earned his Masters of Science degree in Biology at Midwestern State University. His master's thesis research concerned a late Pleistocene to early Holocene fossil site on the Red River of Oklahoma.

He was a teaching assistant in the Department of Biological Sciences at Texas Tech. He was also a research assistant in this department, and re-

ceived a graduate school summer research award in 1990.

While at Texas Tech, he served as an editorial assistant and reviewer for the Texas Journal of Science and has published 10 scientific research articles.

Dr. Goetze is a member of the Texas Academy of Science, Texas Society of Mammalogists, American Society of Mammalogists, Southwestern Association of Naturalists, and the National Association of Biology Teachers. He is also a member of Phi Theta Kappa, Alpha Zeta Alpha Chi, and Beta Beta Beta.

Keeping up with 'home'

Dear Bob:

Just a short note to tell you how much I enjoy the paper. It allows me the opportunity to keep track of what's going on in the old "home town."

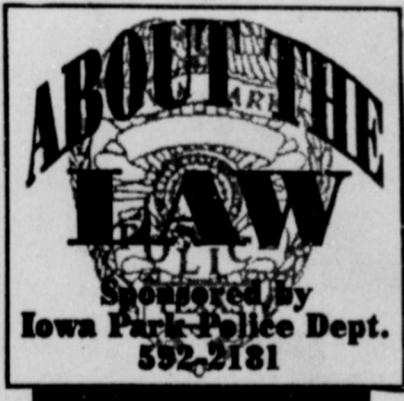

I would like to offer a couple of suggestions:

1) It would be helpful when showing team photographs of the "be printed so that the "out of towners" can follow the sons and daughters of former teammates.

2) Don't be so hard on the "Hotter Than Hell". It is unbelievable the amount of people I run into who know where Iowa Park is because of the bicycle ride.

Anyway keep up the good work. Please tell Kelli and Mike I said hi and if you run into Bill Sasser, tell him I said to get a haircut. He is 40 now.

Sincerely,
Mike Ehler

It is a violation of City Ordinance to park a non-operable vehicle on any street for a lengthy period of time.

This violation has become a growing concern for the city. Not only is this violation an eye sore, it causes problems for traffic as well as the city's street crew.

A violation of the ordinance is punishable by a fine up to \$500.

After notification, each day that the vehicle is not removed, it is considered a separate offense and the violator may be fined for each violation.

City

Continued from page 1 submitted by Denny McCarthy for \$200 annually.

Aldermen decided to not accept the bid and, in fact, launch a project to seed the area on the west side of the lake in hopes of producing more grass in the future, as well as clearing out most of the mesquite trees.

Funds for that work will come from a budgeted amount intended to clean up the lake areas, Administrator Mike Price said.

NEWS OF THE IOWA PARK GENEALOGICAL & HISTORICAL SOCIETY

Whether an avocation or a vocation, the interest in genealogy is growing by leaps and bounds.

The beginning family genealogist will find an overwhelming amount of information available and being added to daily.

Belonging to a local genealogy group can be helpful in learning where to start a family history project and how to proceed in an organized and interesting way.

Many lose interest just getting all the scraps of information found in boxes around home in some sort of order, but there is hope and help. Once you have established your data base, the adventure begins in adding

the missing links to your family tree.

Some programs can be costly, but with more personal computers being used, the Internet, the World Wide Web, CD-ROM, and other technologies available, much can be accomplished by the sharing of information, and you don't need a PC.

Come to the next meeting of the Iowa Park Genealogical and Historical Society Saturday, Jan. 13 at 2 p.m. at the Tom Burnett Memorial Library, and learn of new programs available, how to use them and share with other genealogists.

Migraine — Not Just Another Headache

Migraine is a debilitating disease that affects an estimated one in eleven Americans.

People ages 30-45 are most likely to suffer from migraine. It tends to affect about three times more women than men.

Migraine is different from other types of headache. Severe pain occurs on just one side of the head and is accompanied by nausea and vomiting as well as extreme sensitivity to bright light and noise.

Migraine attacks last from 4 to 72 hours. Typically migraine sufferers experience an average of one attack per month.

There are two types of migraine: migraine with aura and migraine without aura.

Between 10-20% of migraine sufferers experience auras before pain begins. An aura may last 15-45 minutes. The person may see colors, flashes of light or bright spots, and may experience other symptoms: loss of vision, numbness or tingling, weakness in limbs, mental confusion and occasional hallucinations.

The exact cause of migraine is not understood. There may be a number of "triggers", including: emotional stress, certain foods and drinks (such as cheese, red wine, and chocolate), the menstrual cycle and changes in sleep or eating patterns.

Genetics may play a role, too — people with a family history of migraine are at greater risk.

If you suffer from migraine, or think that your headaches are migraine, it is important to see your doctor.

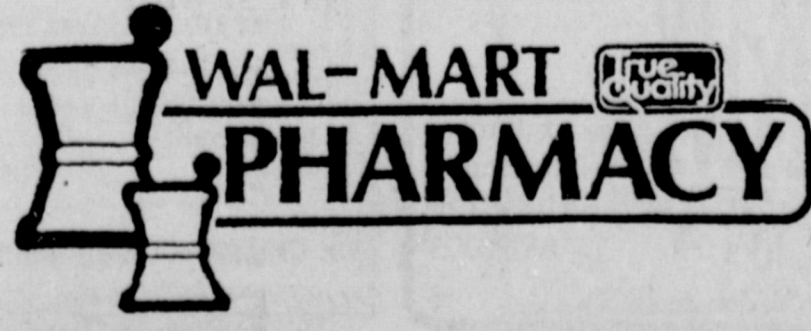

The first step in treatment is to determine the migraine trigger and try to avoid it.

If it is not possible to avoid the trigger, there are prescription medicines available that will help reduce the likelihood of an attack and others to help reduce the pain.

Special presentations scheduled Sunday at First Baptist Church

Sunday during the 10:45 a.m. and 6 p.m. services of First Baptist Church, John Kanter will present special messages.

Kanter is a converted Jew who is currently helping establish a Messianic congregation, Adat Shalom, in North Dallas.

Raised by Jewish parents in Los Angeles, Kanter came to faith in Jesus at the age of 16. In 1985 he became involved in Jewish missions. He graduated Moody Bible Institute in 1991 and is currently working toward his Master of Theology degree at Dallas Theological Seminary.

Kanter will speak on "The Gospel in the Feasts of Israel" in the morning service. Looking at the person and work of Jesus at His first and second comings as reflected in the seven feast days, God gave to the Jewish people in Leviticus 23. This

message teaches the significance of these feasts for believers today.

During the evening service the message will be "The Time of Jacob's Trouble". This message teaches how God will deal with the nation of Israel during the Tribulation period as taught in Matthew 24.

The members of First Baptist Church invite the public to join them for these special presentations. Much of the world's news revolves around the nation of Israel. Learning more about them may help us understand more of the world situation.

Pleasant Valley church to host community singing

Saturday night Pleasant Valley Baptist Church will host a community singing. Other churches are being invited to join them.

Those who sing or play an instrument are urged to attend to sing praises and have fellowship together.

If the first community singing is successful it is planned to host a singing on a quarterly basis.

At the close of the singing cookies, sandwiches, iced tea and coffee will be served. Those who sing or enjoy listening to others sing are

invited to join the group Saturday night.

Pleasant Valley Baptist Church is making plans now for its 61st anniversary March 31.

The church needs addresses and phone numbers for those who are former members at Pleasant Valley. A former pastor of the church will preach the morning service for the anniversary celebration.

Also a catered meal will be served at the church building and following the meal and time of fellowship, another former pastor will preach the evening service at 2:30 p.m. that Sunday.

Those who have names and addresses of former members, or who can be present for the anniversary activities are asked to call 592-9064 and let them know.

Cook of the Week

Lori Williams

Lori Williams and her husband Norman both grew up in Iowa Park and are graduates of Iowa Park High School.

After they married, the couple lived in the Dallas-Fort Worth area eight years before moving back to Iowa Park three years ago.

They have a son, Nolan, who is five years old, and a daughter, Loran, two.

Norman is employed at Cryovac, and Lori enjoys staying at home with the children and being a homemaker.

Lori said she loves to go to the lake and water ski. She also likes to bowl. But, most of all, she enjoys being with her kids. Lori is room mother for Nolan's kindergarten class at Kidwell, and keeps busy taking him to soccer and baseball practice and games. She is also assistant fundraiser for Kidwell P-TA.

Lori likes to cook, and the recipes she brought in are some of her favorites. She especially likes the "Taco Soup" and "Banana Split Cake."

Cheese Enchiladas

1 lb. hamburger meat

In large saucepan, over low heat, melt the mixture of Velveta cheese, 2 soups, both milks, then add green chilies.

Melt all together, then remove from heat. In a large casserole dish, sprayed with Pam, layer 5 of the flour tortillas and sprinkle with meat mixture. Then pour over 1/2 of the melted cheese and top with shredded cheese. Repeat procedure and end with shredded cheese on top. Cover with foil and bake 30 minutes at 350 degrees.

Library observes 10th anniversary

Monday, Jan 15, marks the 10th anniversary of the Tom Burnett Memorial Library. That was the first day in 1986, that the library officially opened for business.

Prior to that, the library was located at the former home economics cottage, across from the Junior High School (now a parking lot).

The donation of the library building to the city began in 1981, when Mrs. Ann W. Phillips, granddaughter of Tom Burnett, decided to give her grandfather's home to the city for the sole purpose of using it as a library, stipulating that it be named in honor of her grandfather.

Mrs. Phillips, who was president of the Burnett ranches, Inc., and principal director of the Ann Burnett and Charles D. Tandy Foundation, gave an additional gift of \$240,000 from the Tandy Foundation to help pay for necessary structural changes.

Friends of the Library worked very hard during the next few years to raise the rest of the money needed to further the reconstruction, an estimated cost of \$500,000.

They received a matching federal grant from the Texas State Library, along with a donation from the Hardin Foundation of Wichita Falls.

Mrs. Phillips' grandfather, Tom Burnett, was the son of Burk Burnett for whom the town of Burkburnett is named.

Tom Burnett built the house in 1924 and lived there until his death in 1938. Will Burnett, a cousin of Tom, purchased the house in 1941, and after his death in 1964, it remained

the home of Will's wife, Maggie (Denny), until her death in 1980. The house was then willed to Mrs. Marie Callon, Maggie's sister.

Mrs. Phillips purchased the home from Mrs. Callon for the purpose of donating it to the city for a library.

The library became a reality in January 1986 and the formal dedication took place Saturday, March 15, 1986.

The Texas Historical Commission designated the home as a "Texas Historical Landmark" with a bronze marker located at the right of the entrance. This marker bears the title, "Tom Loyd Burnett Home."

Another bronze marker stands on the front of the lawn and tells of Tom's life as a prominent rancher, a friend to the Indians, and a supporter of rodeos. The Texas Historical Commission placed this marker in 1981.

Iowa Park opened the week with a 47-29 loss to Bowie on Friday night. Amanda Roberts led Iowa Park in scoring with 14 points followed by Summer Sternadel who finished with 12. Sara Shook added 8 points to help pace Iowa Park.

MONICA MERRELL TRIES TO BREAK UP SHOT

Lady Hawks now 1-1 in conference play

The Iowa Park Lady Hawks split a pair of district contests this week, beating defending State Champion Bowie 65-56 on Friday night before falling behind early and losing 71-55 to Graham on Tuesday.

Iowa Park, 12-8 overall and 1-1 in district, opened the week with its second win of the season over the Lady Jackrabbits. The Lady Hawks handed Bowie a loss in the finals of the Fantasy Of Lights Tournament earlier this season.

The Lady Hawks opened the game with a 18-8 first quarter with Dusti Welch scoring 6 of her 19 points in the first period. Wendy Bridwell, who finished with 14, scored 4 in the opening period as did Monica Merrell who finished with 12.

Bowie trimmed the Iowa Park lead to 7 at 36-29 at the half and then pulled to within 4 at 46-42 heading into the final 8 minutes of play. Iowa Park put the game out of reach with a 19-14 fourth quarter as the Lady Hawks finished the night shooting 16-of-20 from the free throw line.

Randi Tigrett and Alora Foster each finished with 6 points for Iowa Park.

In Tuesday's game against Graham, the Lady Blues jumped out to a 9-0 lead with 6:03 left in the first and went on to win the opening period 25-11. Graham finished the period shooting 12-of-22 from the floor while Iowa Park hit on only 3-of-15 and committed 6 turnovers.

Graham, 14-4 overall and 1-1 in district, stretched the lead to 42-23 at

Hawks to open district play Friday

The Iowa Park Hawks looked to be well on their way to posting their 15th win of the season Monday night when they traveled to Hirschi.

But a defensive lapse and some hot shooting by the Huskies helped Hirschi come away with a 65-56 win to drop Iowa Park to 14-5 for the year.

The Hawks jumped out to an 8-1 lead on a layup by Corky Petty and a pair of three-point bombs by Nick Black at the 6:30 mark of the first but Hirschi fought back to trail by only two at the end of the quarter. Black, who finished with 17 points, accounted for 8 of the 12 first-period points.

Hirschi, 10-9 overall, tied the game at 16-16 at the 5:53 mark of the second on a pair of free throws by Herman Johnson, but Iowa Park quickly answered with a three-pointer

JV HAWKS

The JV Hawks won a thriller Monday night against Hirschi in a game that took overtime to decide the winner.

Chad Wright hit a pair of free throws late in the overtime period to help his team come away with a 67-66 win over the Huskies.

Iowa Park led 19-13 after the end of the first and 35-30 at the half. Hirschi trimmed the lead to 45-42 after three periods and tied the game at 62-62 at the end of regulation.

The Hawks, 8-3 overall, were led by Bobby Fisch who finished with 10 points followed by a trio of players who finished with 9 including Clint Mathis, Archie Stewart and Wright.

FROSH LADY HAWKS

The freshmen Lady Hawks opened district play on the wrong foot Friday night with a 43-25 loss to Bowie before rebounding at home Tuesday night to blast Graham 43-30.

Iowa Park, 12-3 overall and 1-1 in district play, fell behind the Lady Rabbits 30-13 at the half and never were able to climb back into the game. Randi Nelms and Dena Brown both scored 4 points while 5 different players scored 3 including Brandi Parker, Vanessa Hebel, Laci Downs, Alisha Clements and Carrie Evans.

In Tuesday's game, it was close at the half with Graham holding a 16-12 lead but the second half was all Iowa Park as the Lady Hawks won the third quarter 14-8 and the fourth 17-6 to post the 43-30 win.

Downs led her team in scoring with 9 followed by Cari Hogan with 7, while Parker, Nelms and Evans each scored 6 points.

by Michael Fallon who finished with 13.

The Huskies went back on top 30-26 with 2:19 remaining in the first half before Iowa Park scored the final six points of the half to take a 32-30 lead into the locker room. Layups by Shaun Campbell and David Waterbury, who each finished with 10 points, and a 19-footer by Black accounted for the final points of the second quarter.

Iowa Park built its lead to five at 43-38 with 2:32 left in the third but Hirschi outscored the Hawks 4-1 over the final 2 1/2 minutes to pull to within 44-42 heading into the final eight minutes of play.

The Huskies grabbed a four-point lead at 50-46 on a three-point play by J.J. Jackson, who finished with a game high 21 points, at the 6:25 mark of the fourth quarter. Iowa Park trimmed the lead to two at 54-52 on a layup by Waterbury with 4:08 remaining and that would be the last field goal the Hawks would make until Waterbury hit a three-pointer with 37 seconds remaining.

During that scoring drought by the Hawks, Hirschi suddenly found the range and finished the quarter shooting 8-of-11 shots from the floor to pull away and take the 65-56 win.

Another key to Hirschi's big fourth quarter were six costly Hawk

turnovers while the Huskies only turned the ball over twice in the final eight minutes. Iowa Park finished shooting only 3-of-11 in the final period.

"We just played poor defense," head coach Tim Clark said, "especially in the fourth quarter. When you let a team make 8-of-11 shots from the floor, it's a good sign that you didn't play very good defense."

The Hawks will try to get back on the winning track Friday night

when they play host to Jacksboro in the district opener for both teams.

"Our district is going to be tougher this year," Clark added. "Bridgeport is ranked No. 6 in the latest poll and Graham is ranked No. 9. We'll have to play a lot better defensively than we did tonight if we expect to win against those type teams."

Friday night's game will follow the Lady Hawks' game against Jacksboro.
