Administrators subject of school board meetings

Administration is a major topic this week for school trustees.

The board held a called meeting Monday night, concerning the search for a new superintendent, following Glen Mitchell's announcement in December that he would retire at the end of this school year.

Trustees will hold their regularly-scheduled monthly meeting at 7:30 this evening in the junior high library, during which they will consider extensions of contracts for all other administrators, as well as other key personnel.

The primary reason for Monday's meeting was to meet with Hank Wheeler, a representative of the Texas Association of School Boards, who has been contracted to conduct a search for the new superintendent.

The board requested that school personnel as well as the public be involved in developing the main characteristics for Mitchell's replacement.

Complying with the request, a series of public meetings was scheduled.

The first series will be next Thursday, when three will be held: all administrators, 2 p.m., in the board room; teachers, counselors, librarians, secretaries and aides, 3:30 p.m., high school auditorium, and community groups, 5 p.m., junior high library.

Four other meetings are slated for the following Friday, including: administration and tax office, 8:30 a.m., board room; media, 10:45 a.m.,

Leader office; retired community, 11:30 a.m., Friendly Door, and all school auxiliary staff, 1:15 p.m., high school cafeteria.

Members of each of the groups are encouraged by the school board to attend the respective meetings, to give consultants their thoughts and insights.

Tonight's meeting agenda provides for a closed session, during which trustees will evaluate all administrators and key personnel. Those persons are the assistant superintendent, principals, assistant principals, counselors and the tax collector.

Other topics on tonight's agenda include:

* consider request from the high school to seek sponsorship of an electronic message board;

* consider a gifted and talented plan for the high school;

* consider a request for a class size waiver for the fourth grade;

* consider architectural plans for the high school elevator;

* consider purchase of a four-wheel vehicle to be used at the athletic complex;

* consider the amount the district will pay toward the employee health insurance plan;

* consider advertising the sale of Valley View school buildings and property, as well as for bids to tear down those buildings;

* consider use of the high school gymnasium the week of June 17 for a volleyball camp;

* consider request from Athletic Booster Club to use high school gym for a Basketball Hoop Shoots event Mar. 30, and,

* take action concerning this spring's trustee election.

City council to meet Monday

The city council will call its annual election, during Monday's meeting to be held in council chambers.

Voters are to elect three members of the council on May 4, including mayor and two aldermen.

Terms expire this spring for Mayor Wayne House and Aldermen Johnny Crawford and Bud Mercer.

Also during the meeting, which is to get underway at 7 p.m., Ad-

ministrator Mike Price will request permission to advertise for bids to purchase a sludge press for the water treatment plant.

Aldermen are expected to vote approval of using the remaining certificate of obligation money to pay on a 1993 water and sewer improvement note.

The bonds were used primarily to construct the new water tower in the northwest part of the city.

Local stock show set Feb. 17

The annual Iowa Park Junior Livestock Show will be held Saturday, Feb. 17, at the school's animal barn on East Ruby.

The event is sponsored and conducted by the Wichita County Young Farmers.

All entries and weight cards must be turned in between 6 and 9 p.m. the previous Friday. Entry fee is \$5.

Saturday's showings will begin at 8:30 a.m., in the following order: meat pen rabbits; market goats; broilers; turkeys; steers; market lambs, and market swine.

Permits drop in January

Building permits went into a major slump during January, according to figures reported by city hall.

Permits amounted to only \$57,740 for January. The first month of 1995, they were \$312,411, which led to the year's sum of \$4.4-million.

And, unlike most months last year, none of the permits issued in January were for new home construction. So, if new home permits are to match the 35 issued during 1995, some contractors are going to have to get busy.

Permits issued during January included:

Intergrated Health, 1109 North Third, roofing, \$7,500;
Phillip Britt, 111 West Ruby, roofing, \$3,000;
Keith Fisher, 1409 Johnson Road, sign, \$15;
Mike Price, 306 East Bank, storage building, \$1,000;
C.R. Carrillo-Miranda, 909 East Cash, slab, \$3,000;
Bennie Bagley, 211 West Emerald, carport, \$1,500;
M.W. Davidson, 100 South Pacific, mobile home, \$7,000;
A.W. Bedford, 607 East Cash, siding, \$5,000;
Rodney Parker, 320 East Cash, repairs, \$3,000;

Jim Groves, 1012 West Louisa, storage building, \$1,250;
Wal-Mart, 500 West Highway, repairs, \$24,000;
Wes Klinkerman, 620 West Washington, patio, \$1,175;
Keith Dyer, 505 Southwest Access, roofing/remodel, \$1,500;
Kenny Rhodes, 810 Van Horn, storage building, \$800.

BABY IT'S COLD OUTSIDE! - Residents didn't have to view the fountain in front of the Tom Burnett Memorial Library over the weekend to decide it was cold in Iowa Park. A record-low temperature of three degrees above zero was recorded Monday morning at the National Weather Center in Wichita Falls. Plumbers were kept busy responding to broken water lines, both for residents as well as the city. Some very light and dry snow fell, but not enough to be measured.

Weather-related problems, individual keep police busy

Iowa Park police and their radio dispatchers didn't need anything more than the weather-related problems during the past week, but an individual added to their workload over a two-day period.

Police were called three times to Gordon Lake, to chase youths off the frozen ice surface.

Radio dispatchers kept busy calling out repairs to reported water line breaks -- at least eight of them, including once to the department's holding cell, alerting volunteer firemen three days to fight grassfires, and notifying the street crew of the need to sand slick street surfaces.

The problem with the individual began with a call at 10:03 p.m. Monday, when officers were called to the scene of a domestic disturbance at a residence in the 800 block of Vogel.

Officers arrested William Earnest Kirkham Jr., 34, and Tommy Jerome Sykes, 52, on charges of public intoxication.

An additional charge was filed against Kirkham, for possession of drug paraphernalia, a pipe.

Kirkham was released at 5:12 a.m. Tuesday, after paying \$5 toward fines of \$215.50, according to the

police blotter. At 9:18 a.m., Sykes was released after signing a promise to appear in municipal court.

Just before 6 a.m., Kirkham's wife called to tell police her husband had returned to the home, cut the telephone line and was standing outside shouting threats. She had made her call on a neighbor's phone.

Kirkham had left the area by the time police had arrived.

At 5:50 a.m. Tuesday, the wife's father notified police that his son-in-law had telephoned more than once, threatening him.

Then, less than an hour after the father's call, police were notified that Kirkham could be found at a residence in the 900 block of East Washington and the resident had told him to leave, but he persisted in sitting in his truck parked in the driveway.

Officers responded, saw the truck had left, but then located him in the 1300 block of East Highway.

Kirkham again was arrested on a charge of public intoxication, and his truck was impounded.

He was released at 11:55 p.m., after signing a promise to appear in municipal court.

At 6:47 p.m. last Thursday, po-

lice were called to the scene of another domestic disturbance, but this one was in the 1000 block of West Smith. Wilburn Lee Atkinson, 57, was charged with Class C assault, and released from custody at 8:10 p.m. after signing a promise to appear in municipal court.

Police arrested Roger Dale Williams, 49, at 1:21 a.m. Sunday in the 400 block of West Pecan, on a charge of public intoxication. He paid his fine of \$282 and was released at 7:30 a.m., according to the police blotter.

A male juvenile was issued a citation Thursday afternoon for minor in possession on school grounds. His bottle of whisky was confiscated and he was instructed to appear in municipal court to answer the charge.

Another high school student received a citation Monday afternoon, for allegedly breaking out a window at the high school cosmetology building with his fist. His case, however, will be handled by school authorities, according to police.

Police were notified by a citizen Saturday afternoon, that someone had taken a portable CD player and chain saw from a vehicle while parked at Wal-Mart.

THREE IOWA PARK SCOUTS from Troop 37 will serve as delegates representing the Northwest Texas Council, at the 1996 "Report to State" to be given Saturday in Austin by Gov. George W. Bush. They are Kyle Chaney, left, Ricky Ashton, center, and Anthony Dillman. State Rep. John Hirschi officially installed each Scout as a delegate during a Jan. 30 banquet.

Jennifer Helene Wehde and Brian Robert Luney

May wedding planned

Mr. and Mrs. Coy S. Skelton of Sugarland and Carl C. Wehde of Cape Cod, Mass., and Mr. and Mrs. Robert Luney of Iowa Park announce the engagement of their children, Jennifer Helene Wehde and Brian Robert Luney.

The couple will be married May 25, at 12 noon in Southern Plantation Chapel in Missouri City.

Miss Wehde is a graduate of Klein Forrest High School in Houston and

Texas Tech University in Lubbock. She has degrees in advertising technology and English.

The groom-to-be is a graduate of Iowa Park High School and Texas Tech University in Lubbock. He has a degree in construction engineering technology and is field engineer for Hensel Phelps Construction of Austin.

They will make their home in Austin.

Locals on MSU honor rolls

A large number of Iowa Parkans were among the 584 Midwestern State University's 584 recognized for academics during the 1995 fall semester.

Students from Iowa Park who made the Dean's List include Karen Sue Vestal Bradberry, Tracy LaDona Hale Catlin, Cynthia Marie Grace Collazo, Leslie Joyce Jeter Daulton, Donna L. Klinkerman Davis, Jeffrey Dale Franklin, Jonathan David Matthews and Dee Ann Warren.

Locals on the University Honor Roll were Douglas Lynn Albus, Neely Wayne Carter, Christie Leigh Catlin, Brenda Dawn Copas, Monty Lee Denham, Dani Marie Goin, John Stuart Hall, Len Allen Holloway, and Philip Jason House.

Mistie Leigh Williams Huff, Casey Ann Hunter, Timothy Wayne Jacobi, Rebecca Lynn Jones, Rhonda Allene Jones, Lori Dawn Kasparek, Heather Nicole Lovelady, Jody Renee McQuerry, Annette LaVerle Oliver Medford, James Robert Merrick, Dianna Pearl Ashley Miller, Jason Paul Miller, Jan Katherine Parkey, Jolie Carol Harper Teaff and David Wayne Warren.

To make the Dean's List, a student must complete a semester schedule of at least 12 hours with no grade lower than an "A." The University Honor Roll requires a grade point average of 3.5, and no grade lower than a "C."

Cook of the WEEK

Patricia O'Callaghan

Patricia and Dan O'Callaghan moved to Iowa Park in November of 1994, from Biloxi, Miss. Dan is a Master Sergeant in the U.S. Air Force and writes training manuals for surgical technicians.

Patricia grew up in Xenia, a small farming community in southwestern Ohio, and Dan is from Boston, Mass.

They are the parents of five children: Danny, eight, Sean, five, Brady, four, Colleen, two, and Thomas, almost one year old.

"Our family requires my time at home, so I became a Registered Family Home," Patricia said. "The extra child care allows me to contribute financially and be available to my children at all times."

Patricia said she spends many hours each day playing with and caring for the children. In order to be able to do this, Patricia said she had to get the house work, especially the cooking and cleaning up under control.

With this in mind, Patricia has successfully adapted to a new method of cooking. "I now cook once a month," she said. Nearly all of her main dishes are prepared and frozen in one day, and simply reheated when needed. "No preparation, no pots and pans, no worrying about 'What's for dinner?'. It saves a great deal of time as well as money." Patricia said. She prepares large quantities for each evening meal, which allows for lunches the next day or unexpected guests.

"The unexpected does occur,"

she said, "as I am a 'crisis care' home with a state program that helps families with child care during difficult times." Patricia is also a volunteer with a program called "Mom to Mom." The program is for pregnant women who are usually far from family and need an experienced and sympathetic person to talk to during this time.

Patricia enjoys sewing and gardening, but says it's a struggle to find available time for these activities.

"Our first year here has brought us so many blessings," Patricia said. "The people of Iowa Park have been wonderful. The support of our church family has been a tremendous help during what could have been a very difficult year of transition."

Patricia said her "sanity saving" meal plan and some of her family's favorite recipes are adapted from the book *Once-A-Month Cooking* by Wilson & Lagerborg.

Texican Stew

- 1 1/2 lbs. ground beef, browned
- 1 cup onion, chopped
- 1 cup green/red bell pepper, chopped
- 1/2 cup carrots, diced
- 2 tsps. garlic, minced
- 1 - 15 oz. can corn
- 1 - 15 oz. can diced tomatoes
- 1 - 8 oz. can tomato sauce
- 1/2 cup black olives, sliced
- 2 Tbsps. chili powder
- 1 tsp. cumin
- 1 tsp. salt
- 1/2 tsp. cayenne pepper (optional)
- 1 cup Cheddar cheese, shredded

Brown the ground beef. Soften the onion, bell pepper, carrot, and garlic. (I use the microwave). Stir all the ingredients together except the cheese. Freeze tightly covered. (9x13 works well). Put the cheese in a freezer bag and tape to the top.

To serve, thaw and heat in 375 degree oven. When it's hot (45 minutes) top with cheese and bake until lightly browned or serve cheese as a topping at the table. Serve with cornbread or corn chips and salsa.

Linguine and Ham

- 1 - 12 oz. linguine
- 2 Tbsps. margarine
- 2 Tbsps. flour
- 1/2 tsp. salt
- 1 - 12 oz. can evaporated milk
- 1 - 4 oz. can mushrooms, pieces and stems
- 1 1/2 cup water
- 1 chicken bouillon cube
- 4 cups cooked, cubed ham (approx 2 lbs.)
- 1/2 cup Parmesan or Romano cheese
- 1 red bell pepper, sliced
- 8 oz. pkg. frozen French green beans
- 1 cup seasoned croutons

Cook linguine according to directions. Drain and return to pan. While the pasta cooks, melt the margarine and stir in the flour and the evaporated milk. Heat to a boil stirring regularly. (I use the microwave). Boil 1 minute. Add water and bouillon and heat until slightly thickened and bubbly.

Add 2 cups of the liquid and the drained mushrooms to the linguine; toss to mix well. Place the linguine mixture in a 9x13 baking dish and press it up the sides, leaving a slight hollow in the middle.

Toss ham in the remaining sauce and pour it in the center of the linguine. Sprinkle with cheese. Cover tightly and freeze. Soften red pepper (I use the microwave) cool and place in a freezer bag with the French green beans. Place croutons in a freezer bag and tape both to the top of the dish.

To serve - thaw, then heat 30 minutes at 400 degrees. Heat bell pepper and green beans separately (microwave works great). Before serving, sprinkle rouitons around edge of casserole and mound the peppers and beans in the center.

Chicken and a Biscuit

- 1 whole chicken, cooked, deboned and chopped (approx. 3 cups)
- 2 - 16 oz. pkgs. frozen mixed vegetables - carrots, broccoli, cauliflower
- 1 - 14 oz. can cream of chicken soup
- 1 cup milk
- 1 Tbsp. seasoned salt
- 1 large can French fried onions, divided
- 1 cup Cheddar cheese, divided
- 1 or 2 cans (10 ct.) biscuits

Stir chicken, vegetables, soup, milk, salt, 1/2 of the onions, and 1/2 cup cheese all together. Place in a casserole (I prefer 11x15, but 9x13 works). Freeze tightly covered. Put remaining cheese and onions in separate freezer bags and tape to the top. Do not freeze the biscuits.

To serve - thaw and heat 30 minutes at 350 degrees. Remove from oven and turn heat to 400 degrees. Place biscuits scattered across the top of chicken/vegetables. Return to the oven for 5 minutes. Remove and sprinkle French fried onions, then cheese, over all and continue baking until lightly browned.

Morris and Price selected Students of the Month

Rotary Club of Iowa Park has selected Mike Price and Stephen Morris as Students of the Month for January.

Honored in the Academic Field is Stephen Morris, son of Ken and Lavelle Turman.

Mike Price is honored in the Vocational Field. He is the son of Mike and Cathy Price.

Stephen first attended Iowa Park schools in kindergarten. Classes he is enrolled in this year are English IV, Government, Economics, Varsity Tennis, Band, and Business Applications.

He has participated in varsity tennis four years, and competed in district and regional events, where he was quarter finalist his junior year, and district champion his junior year.

He also was state tennis team qualifier. He received Most Valuable Tennis Player award in 1995.

Stephen also has participated in band four years, where he served as sophomore representative, earned a Band I Rating Solo in his freshman year, and was a member of District Band as a freshman.

He was listed in "Who's Who in American High School Students in 1994."

Stephen's hobbies are playing tennis and tournaments.

His college plans are to major in Physical Therapy and Sports Medicine. He has not decided the college he will attend at this time.

Mike also began attending Iowa Park schools in kindergarten.

He is enrolled in Government, Economics, Introduction to Business, Geometry, English, and M.O.C.T. He earned Biology II honors, English III honors, and Geometry honors.

Mike has participated in VICA two years, and Varsity Tennis Team three years, where he served as boys' team captain.

Mike has participated in regional tennis meets, and earned third place at Team Tennis, and in the district competition of Mock Trials, earning

Stephen Morris

Mike Price

fourth place.

His hobbies are playing tennis, working on and racing Sprint cars, and working with electronics.

His college plans are to major in Business Administration at Midwestern State University and TSTC of Waco.

Orientation set for volunteers

The Wichita Literacy Council will hold an orientation session for anyone interested in volunteering.

The sessions will be held Tuesday, Feb. 20, and Thursday, the 22nd, from 6:30 to 7:45 p.m. at the Region nine Education Service Center, 301 Loop 11, Wichita Falls.

Purpose of the orientation sessions is to explain the commitment and responsibilities required for volunteer tutors, as well as to learn more about programs offered and materials used.

They are not training sessions, but attendance at a session is required for attending a tutor training session.

The next tutor training sessions will be on Saturdays, Feb. 24 and Mar. 2, from 9 a.m. to 4 p.m.

Volunteers must attend both sessions of training before being matched with a student.

Card of Thanks

We would like to thank everyone for their gifts, thoughts, and prayers during Justin's stay in the hospital. He is doing well and we appreciate everyone.

Pharm/alert Health Tips

Lifestyle for a Healthy Heart

February is American Heart Month, a good time to take a look at ways to promote a healthy heart.

First, be aware certain factors increase your risk of developing heart disease. Some cannot be changed, such as family history, diabetes and aging. Others you can do something about, such as obesity, cigarette smoking, high blood pressure and stress. To help reduce your risk of developing heart disease:

- Exercise regularly. Simply walking briskly for 20 minutes three times per week is beneficial.
- Follow a healthy diet. Eat foods low in fat, cholesterol and salt. Talk to your doctor about exercise and diet programs to help you maintain your ideal weight and keep blood cholesterol levels within a normal range.
- Stop smoking. Smokers are more than twice as likely as non-smokers to suffer a heart attack. If you quit, the risk of heart disease rapidly declines even if you have smoked for many years.
- Control high blood pressure. High blood pressure usually has no symptoms, so get your blood pressure checked regularly.
- Reduce stress. People who often feel angry, hostile or anxious may be at risk. Try to take steps to manage stress both at home and at work.

As I See It...

By Bob Hamilton

At first, I just thought it was funny and a knee-jerk reaction when Wayne House came into the office last week and asked me to write an article about city council pay.

Wayne has a history of being terribly sensitive to criticisms aimed at our city government.

"Hamilton," he said urgently, "you gotta' tell the people that we don't get anything for serving on the city council."

"Heck, everyone knows that," was my response.

But he countered with the information that not once or twice, but three times in a couple of hours that morning, people had asked him how much a council member is paid.

His indication was that someone was passing the word around that council members were either paid, or received discounted charges for water.

Okay, I said, I'll tell them what they should all know, I told House.

While it is true that some cities, like our big neighbor to the east, pays a small amount to its council members, this is not the case in Iowa Park.

Nor, for that matter, are members of our school board.

There are rare times that our meals or registration fees are paid, when we are attending some governmental function, such as a luncheon meeting of the Texas Municipal League.

And, as far as discounted water prices, let me assure you: that is a violation of state law.

No one's water service can be reduced in price to anyone else's. That includes city employees and council members.

As I recall, the state attorney made such a ruling in the mid-1960s, in a case that developed in the South Plains community of Lockney.

And that situation didn't involve city council members, but rather members of Lockney's volunteer fire department.

The Lockney city government had approved a certain percentage discount for a fireman's monthly water bill at his home, in a gesture of appreciation for the fireman's devotion and effort to protect his community.

Similar situations have arisen in other areas of the state since then, and in every case I've read about, the ruling has been upheld.

But back to my original point: no, members of the Iowa Park city council are not paid for their time

donated as aldermen, or mayor, nor do we get a free drink -- of water -- either.

Finnell named to NORTEX Commission

State Rep. Charles Finnell of Holliday has been elected by fellow North Texas legislative colleagues to serve on the executive committee of North Texas Regional Planning Commission (NORTEX).

According to NORTEX by-laws, one member of the Texas Legislature from the entire region is chosen by

the area's state legislators as voting member of the committee which meets monthly with locally elected officials from each political subdivision contained within the boundary of the vast region.

During NORTEX 25th anniversary meeting in January at the Four

Points Sheraton in Wichita Falls, Rep. Finnell, a member of the House Ways & Means committee, was introduced by NORTEX chairman Billy Gilbert as the legislator so chosen.

The stated purpose is to plan for the unified, far-reaching development of the North Texas region.

Asset to community

They had the day off and decided to go the gym and work out. Then a bike ride was in order. Terry Walls Sr. and Jake Fujibright found themselves out on FM 369. An old cemetery provided the perfect rest stop. When they entered the cemetery they found that vandals had struck. Somebody had driven over about 30 graves, leaving all 30 headstones laying over. They could have called police and county workers would have been sent to right the wrong. But not these two. They got busy and worked together and righted every headstone. They didn't get paid, and they didn't want recognition. I hope they don't get onto me for writing this letter. These two are an asset to this community. If you know Jake or Terry then give them a pat on the back. They deserve it.

LEGAL NOTICE

COMBINED NOTICE OF PUBLIC OF NO SIGNIFICANT IMPACT ON THE ENVIRONMENT

and NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS

Date of Publication: February 8, 1996

City of Iowa Park
P.O. Box 190
Iowa Park, Texas 76367

TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:

Seventeen (17) days after this publication, the City of Iowa Park, Texas intends to request the Texas Department of Commerce/Texas Department of Housing & Community Affairs (TDOC/TDHCA) to release Federal funds under Title I of the Housing and Community Development Act of 1974 (P.L. 93-383) for Project No. 715052.

Project Title: Infrastructure Improvements

Purpose of Project: The purpose of the project is to extend existing road, water, and sewer improvements on behalf of Bell Processing, Inc.

Location of Project: The project will benefit Bell Processing, Inc. located in the City of Iowa Park.

Estimated Cost of Project: \$340,000.00 (TDOC/TDHCA) & \$808,500.00 (Business Commitment)

FINDING OF NO SIGNIFICANT IMPACT

It has been determined that such a request for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly the City of Iowa Park has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969 (P.L. 91-190). The reason for such a decision not to prepare such a Statement is based upon the fact that all environmental concerns could either be minimized or mitigated.

An *Environmental Review Record* for the proposed project has been made by the City of Iowa Park which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This *Envir-*

onmental Review Record is on file at the City Secretary's office, 103 N. Wall St., Iowa Park, Texas 76367, and is available for public examination and copying upon request during normal business hours.

Public Comments on Finding
All interested agencies, groups, and persons disagreeing with this decision are invited to submit written comments for consideration by the City to the address as set forth above. Such written comments must be received at the address specified within sixteen (16) days after this publication. All such comments so received will be considered and the City will not request the release of funds or take any administrative action on the project prior to the date specified in the preceding sentence.

RELEASE OF FUNDS
The City of Iowa Park will undertake the activities described above with Community Block Grant Funds under Title I from its Program Year 1995 under grant numbered 715052 from the Housing and Community Development Act of 1974. The City of Iowa Park is certifying to TDOC/TDHCA that Wayne House, in his official capacity as Mayor, consents to accept the jurisdiction of the Federal Courts if an action is brought to

enforce responsibilities in relation to environmental reviews, decision-making and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, the City of Iowa Park may use the Block Grant funds and it will have satisfied its responsibilities under the National Environmental Policy Act of 1969. TDOC/TDHCA will accept an objection to its approval only on one or more of the bases and the procedures described in 24 CFR Part 58.75. Objections are to be addressed to the Texas Department of Commerce, P.O. Box 12728, Austin, Texas 78711. Objections to the release of funds on bases other than those stated above will not be considered by the TDOC/TDHCA. No objections received later than thirty-three (33) days after this publication will be considered by TDOC/TDHCA.

NEWS FROM THE HALLS OF THE HAWKS

BRADFORD

PTA Program

Fifth grade physical education classes will give the program for the Bradford PTA meeting at 7 p.m. Tuesday at the high school auditorium.

Some 70 students will participate in the program, giving aerobics demonstrations, as well as demonstrating from the equipment they use in P.E. classes.

The executive board of the PTA will meet prior to the program at 6 p.m. at the high school.

Math-A-Thon due

Money pledged to students participating in the Math-A-Thon will be due Friday.

Students participating worked up to 200 math problems and collected pledges to raise money for St. Jude's Children's Hospital.

Fourth grade happenings

Fourth graders are working on graphs in their math classes.

Each homeroom class made birthday and name graphs, which are displayed outside the classroom.

Fourth graders will hear a program on dental health by Dr. Carter Pirkle next Thursday in the gymnasium.

Fifth grade studying American Revolution

Fifth graders are beginning their study of the American Revolution in social studies.

In math, students are beginning to learn about decimals.

Everyone say cheese!

Class pictures will be made Feb. 27.

KIDWELL

Carnival will be March 2

Kidwell's room mothers and representatives met Tuesday night to discuss plans for the second annual Kidwell Spring Carnival to be held March 2 at the school.

Each homeroom will sponsor a booth for the carnival, which will be held from 5 to 8 p.m.

Several game booths have been planned, as well as raffles, bingo, a silent auction and concessions. Most of the games will cost 25¢ per play and raffle chances will be sold at \$1 a piece.

All profits from the carnival, sponsored by the Kidwell PTA, will be used to purchase needed items at the school.

Studying the Rain Forest

Mrs. Cash's second grade class has been studying the rain forest the past two weeks.

Friday the class acted out a play, "The Great Kapok Tree," for the other second grade classes for the final activity of this study.

Trip to the clinic

Kindergarten classes will take a field trip to the Wichita Falls Clinic next week.

Valentine parties

Kidwell homerooms will have Valentine's day parties next Wednesday at 1:45 p.m.

S.P.A.A.C.E. nominations being accepted at schools

Iowa Park's gifted and talented program S.P.A.A.C.E. (Students Provided Advanced Academic and Classical Education) will be accepting nominations beginning Feb. 15 for students who are presently enrolled in grades 2-11.

Nomination forms may be picked up in the office at each campus.

Nominations will also be accepted for the talent pool program H.A.W.K. (Higher Academic Works and Knowledge) for students pres-

ently enrolled in kindergarten and first grade. These forms may be picked up in the office at Kidwell Elementary.

Deadline for completion and return of the nomination forms will be 3:30 p.m., Friday, March 1.

Criteria for selection includes achievement and ability test scores, teacher checklists, student products, and creativity test scores, according to Keven Robertson, Gifted/Talented Coordinator.

Tips for dog owners

February has been designated "Responsible Pet Ownership Month," and the American Kennel Club is offering 10 important tips for the nation's 52.6-million dog owners.

When properly followed, the tips can be helpful to owners:

1. Take your dog to the vet for a checkup -- every year.
2. Remember your dog's nutritional needs -- and feed it treats that are good for it, such as carrots or white grapes (not fattening table scraps and never chocolate!)
3. Teach or review the five basic obedience commands with your dog; heel, sit, stay down and come. Go for obedience classes if you and he need to start from scratch.
4. Get your dog a form of permanent identification, either a tattoo or microchip, and then enroll it in an animal recovery program.
5. Buy a new grooming brush or mitt, and spend some extra time grooming your dog each week.
6. Get outside with your dog for longer and more energetic walks -- it needs exercise too.
7. Spend more quality time with your dog -- playing or just snuggling.

8. Never, ever leave your dog unattended in the car -- no matter what season, but especially not summer.

9. After the snow melts, give your dog a dog-proofing treatment -- removing sticks and debris that your dog could try to eat or chew.

10. Before traveling with your dog, take the necessary precautions for a safe trip, such as ensuring that your dog's crate is large enough to allow him to stand, turn and lie down.

Awards presented at TOPS meeting

Several awards were presented by the leader, Danny Hogue, at the weekly meeting of the Iowa Park TOPS group.

Carrolia F. Lunney received recognition for being the Best Loser in January. Loser of the Week award went to Nadine Johnson, and Cookie Sidlauskas received an award for reaching her goal.

Bertha M. Bradstreet

Services for Bertha M. Bradstreet, 95, were at 2 p.m. Monday at Sullivan Funeral Home in Vernon.

Robert Gregg, Church of Christ minister of Mustang, Okla., officiated. Burial was in Eastview Cemetery in Vernon.

Mrs. Bradstreet died Friday in the Iowa Park nursing home.

Born Aug. 23, 1900, in Cumby, one of 16 children of John and Josephine Bristo Waggoner, she was married to Charlie Rowland in 1924 in Vernon. He died in 1950. She was married in 1953 to Henry Bradstreet. He died in 1964. She was also preceded in death by her son, Charles Rowland in 1973, four brothers, Pat, Jack, Cliff and Cletus Waggoner, and two sisters, Gladys Mohler and Estelle Wilkinson.

Mrs. Bradstreet had been a longtime resident of Vernon, before moving to Iowa Park in 1975. She was a retired saleswoman for J.C. Penney Co., in Vernon. She also was employed by Model Cleaners. She was a member of Wilbarger Street Church of Christ when she lived in Vernon.

After moving to Iowa Park she became a charter member of Friendly Door Senior Citizens. She was a member of the Iowa Park Church of Christ.

Survivors include one daughter, Marjorie Ketchersid of Iowa Park; six sisters, Clara Ford of Livermore, Calif., Lillie Schell of Eugene, Ore., Nannie Lee Griffin of Lovington, N.M., Bonnie Sanford of Lamesa, Mattie Fae Zinser of Lubbock, and Sue Russell of Vernon; one brother, J.L. Waggoner, Jr., of Electra; 15 grandchildren; 20 great-grandchildren, and two great-great-grandchildren.

Memorials may be made to the Friendly Door in Iowa Park or Wilbarger Church of Christ in Vernon.

M.M. "Buddy" Barker

Services for M.M. "Buddy" Barker, 64, of Electra, were at 11 a.m. Monday at First United Methodist Church in Electra.

Rev. Tom Medley, pastor, officiated. Burial was in Eastview Cemetery in Vernon under direction of Sullivan Funeral Home in Vernon.

Mr. Barker died Saturday in a Wichita Falls hospital.

Born July 8, 1932, in Harrold, he was married to Sarah Clopton March 28, 1953, in Vernon.

Barker was a longtime resident of the Electra area and was a retired oil production superintendent for F.T. Johnson Jr., Oil Production in Electra.

He is survived by his wife; three daughters, Angela Smith and Keli Compton, both of Electra and Stacia Blodgett of Wichita Falls; his mother, Janie Barker of Iowa Park; two sisters, Pauline Meier and Doris Reid, both of Iowa Park; and five grandchildren.

Beatrice Lewis Todd

Services for Beatrice Lewis Todd, 90, were Tuesday at 11 a.m. at First Assembly of God in Vernon.

Burial was in Wilbarger Memorial Park in Vernon under direction of Owens & Brumley Funeral Home.

Mrs. Todd died Saturday in a Wichita Falls hospital.

She was born June 8, 1905, in what is now Oklahoma. She was a homemaker and a member of First Assembly of God in Vernon. Her husband, James H. Todd, died May 1978.

Survivors include two sons, James L. of Vernon and Glenn R. of San Francisco; one daughter, Mary Thompson of Iowa Park; one brother, Ray Lewis of McAllen; two sisters, Ophelia Cole of Wichita, Kans., and LaRene Lewis of Albuquerque, N.M.; four grandchildren and 10 great-grandchildren.

Roy C. Cox

Graveside services for Roy C. Cox, 83, will be held at 2 p.m. today in Highland Cemetery with Rev. Scott Stripling officiating. Arrangements are under the direction of Dutton Funeral Home.

Mr. Cox, the father of Jerry Nell Thompson of Iowa Park, died Monday in his home at Jacksboro.

Mr. Cox was born Oct. 6, 1912, in Jack County, Texas. He and Kathleen Dillard were married Feb. 13, 1932, in Walters, Okla. He retired in 1968 after 15 years of service as a well perforator for Lane Wells Oil Well Service. He had lived in Iowa Park from 1918 until 1968, when he moved to Jacksboro. He had also worked for Carnation Company in Wichita Falls and was a bus driver for the city of Wichita Falls. He was a Methodist.

Survivors include his wife; two daughters, Anita Rae Shaw of Montgomery, Ala., and Jerry Nell Thompson of Iowa Park; a sister, Mataline Stripling of Azle; four granddaughters; and four great-grandchildren.

Bob "Reb" Neal

Wake services for Bob "Reb" Neal, 68, of Wichita Falls were Thursday from 7 p.m. until midnight at the National Guard Armory.

Services were at 10 a.m. Friday at First Baptist Church with Rev. Howard Chapman officiating. Burial was in Crestview Memorial Park under direction of Owens & Brumley Funeral Home.

Mr. Neal died Tuesday, Jan. 30, at his home in Wichita Falls.

He was born Jan. 18, 1928, in Wichita Falls. He was retired from the Marine Corps and Wichita Falls State Hospital.

Neal was a member of Red River Renegades, Living Legends, Texas State Muzzle Loaders Association, National Muzzle Loading Association, and the National Rifle Association.

He also was a member of American Mountain Men, Faith Masonic Lodge No. 1158 AF&AM and Fort Worth Scottish Rite. He was a hunters' safety education instructor and was a judo instructor at the YMCA 31 years. He had a black belt in Shoto Kan judo.

Survivors include his wife, Barbara; two daughters, Constance Hibbs and Rhonda Scobee, both of Iowa Park; three grandchildren, and two great-grandchildren.

Young Farmers place second at state convention

The Wichita County Chapter of Young Farmers received second place in the Outstanding Chapter competition at the 42nd annual convention of Young Farmers of Texas, held in San Angelo.

Chapter Advisor George Martin accepted a cash award on behalf of the chapter. The award was based on member participation and chapter activities throughout the past year.

The chapter consists of 35 members, whose community service involves working with the fire department, sponsoring livestock shows and working at the annual North Texas Rehabilitation Auction.

The Young Farmer competition was sponsored by the Production Credit Associations of Texas.

Motorcyclists organize here

One of the newest organizations to form in Iowa Park is a branch of the Christian Motorcycle Association (C.M.A.).

Formed in June of 1995, members meet the third Tuesday of each month, at 7 p.m. in the Recreational Activities Center.

"Our purpose is to spread the gospel of Jesus Christ," says Tom Fitzgerald, president. "We attend motorcycle rallies, have games and fellowship, as well as fund-raisers for several organizations who need assistance."

Continuing, Fitzgerald says, "We take road trips to join in with other CMAs to prisons and reformatories, which is a large part of our ministry."

Pickup giveaway tickets available

It's time once again for the annual Wichita County 4-H Adult Leaders/Young Farmers Pickup Giveaway. Profits from this fundraiser support 4-H Youth development programs throughout Wichita County.

First prize is a 1996 GMC pickup. Second prize is 200 gallons of gasoline.

The drawing will be held during the Wichita County Junior Livestock Premium Sale on Saturday, March 9.

Tickets are \$50, and can be purchased from 4-H volunteer leaders, Young Farmers or the Feed & Garden Store. You can also get tickets from the Wichita County Office of the Texas Agricultural Extension Service located at 4309 Jacksboro Hwy., Suite B. Due to the upcoming relocation of the Extension office to the MPEC Exhibit Hall, it is best to call them at 766-0131 first.

GRAHAM, BRIDGEPORT OUT - HENRIETTA, CHILDRESS IN

The much awaited and anticipated UIL district realignments were released Thursday that will effect the athletics in Iowa Park for the next two years.

Iowa Park played in District 3-3A last season but will play in District 5-3A this season.

Gone are Graham and Bridgeport while Henrietta returns after a two year absence and is joined by Childress.

"I definitely didn't think we'd get Childress," said head football coach and athletic director Weldon Nelms. "We thought Bridgeport and Graham would be gone but we thought we might get Breckenridge and Henrietta to fill those two slots. So it was a shock that they put Childress in with

us. "I think it will make for a tougher district in all sports," Nelms added. "Childress brings a team that is in the playoffs year after year in football and they are very competitive in baseball, basketball, golf and track in both girls and boys."

The UIL numbers for a 3A school for the 1994-96 seasons were from an enrollment of 295 students to 714, while the numbers for the 1996-98 seasons are 303-699. Iowa Park turned in a total of 642 while Vernon just missed by 15 students from having to move up to the 4A classification.

District 5-3A will include Iowa Park, Bowie, Jacksboro, Henrietta, Vernon, and Childress.

Graham moved up to 4A and will play in District 5-4A with Stephenville, Weatherford, Mineral Wells, Granbury, and Brownwood, while Bridgeport moved to District 7-3A and will play against Aledo, Boyd, Lake Worth, F.W. Riverside and Diamond-Hill Jarvis.

Also released by coach Nelms were the non-district opponents for the next two seasons which include the season opener against Burk Burnett which continues the rivalry started years ago. The Hawks will play Wichita Falls High School in week two, Decatur in week three, Stamford in week four and finish the non-district part of their schedule against Seymour in week five.

After playing a very tough non-district schedule for the past two seasons that included Southlake Carroll and Springtown, Nelms is pleased with the schedule he's come up with for the next two seasons.

"We didn't change anything in week one but Burk will be a much improved team since last year," Nelms said. "Adding the Coyotes in place of Electra is definitely a step up while Decatur and Hamlin are pretty close. We replaced Southlake with Stamford and Springtown with Seymour in weeks four and five which will cut down considerably on our travel."

Henrietta played in District 9-2A last season with Holliday, Archer City, Electra, Quanah, Seymour and Petrolia and will return to the same

district as Iowa Park for the second time, the first being in 1970.

The last time Iowa Park and Childress were members of the same district, 2-AA, was in 1969. They have played non-conference in football several times since.

In their final meeting as district football opponents, the game was played on Oct. 31 in Childress. The Bobcats and Hawks were undefeated when the contest began.

But the Hawks prevailed, 41-14, and went on to win the state championship with a perfect, 15-0, record.

Hawk JV

The JV Hawks continued their winning ways Tuesday night with a 49-45 win over the Vernon Lions to improve to 15-3 overall and a perfect 7-0 in district play.

Iowa Park won the first quarter 9-7 and led 22-18 at the half before blowing the game open in the third quarter with a 11-4 period to take a 33-22 lead into the final quarter. The Lions outscored the Hawks 23-16 in the final period but it wasn't enough as Iowa Park hung on for the 49-45 win.

Leading scorers for Iowa Park were Jonathan Horton with 14, Chad Graham with 8 and Steven Trahan and Chad Wright with 7 points each.

Lady Hawks drop game to Vernon

The Lady Hawks were outscored 38-19 in the second and third periods Tuesday night as the Vernon Lady Lions beat Iowa Park 58-46. The Lady Hawks won the previous meeting between the two teams 79-77.

Vernon played its final game of the season Tuesday night, finishing the year with an 12-17 record overall and a 3-7 mark in league play.

Iowa Park, 14-13 overall and 3-6 in district competition, will wrap up its season with a make-up game against Bridgeport on the road tonight.

The Lady Hawks opened the game Tuesday night starting all seniors in what would be their final home game and that starting unit came out on top winning the first quarter 12-11.

Iowa Park started the second quarter with a quick four-point run to go up 16-11 but were outscored 18-5 the rest of the quarter as Vernon took a 29-21 halftime lead.

Dusti Welch led Iowa Park in the first half with 6 of her 10 points while Wendy Bridwell finished the first half with 5 of her 8 points.

The third quarter saw the Lady Lions outscore Iowa Park 9-3 to start the period to increase their lead to 38-24. A pair of baskets by Julea Ricks cut the Vernon lead to 10 at 38-28 with 4:02 remaining in the quarter before Vernon went on an 11-0 run to go up 49-28. The quarter ended with

Lady Hawk JV

The Lady Hawk JV played the Vernon Lady Lions even through three quarters Tuesday night but a 18-10 fourth quarter by the Lady Lions proved to be the difference in a 53-45 loss.

Iowa Park trailed 13-8 after the first quarter but outscored Vernon 15-8 in the second period to take a 23-21 halftime lead. The Lady Lions won the third quarter 14-12 to knot the game at 35-35 heading into the final quarter.

Amanda Roberts led the Lady Hawks in scoring with 14 points followed by Summer Sternadel who finished with 6.

Lady Hawk Frosh

The freshman Lady Hawks fell behind early Tuesday night against Vernon and never recovered as Iowa Park fell 66-55 to the Lady Lions.

Vernon opened the game with a 22-10 first quarter before Iowa Park rallied to get back in the game with a 24-17 second period to cut the Vernon lead to 5 at 39-34 at the half.

Iowa Park fell behind by 10 at 57-47 after the third quarter and lost the final period 9-8.

Alisha Clements led Iowa Park in scoring with 14 points, followed by Carrie Evans who finished with 10 points.

WENDY BRIDWELL GOES UP FOR A TWO-POINTER

Vernon leading 49-31.

Iowa Park fought back to win the fourth quarter 15-9 with Randy Tigrett scoring 7 straight points on a pair of three point bombs and a free throw while Lee Ann Jordan added four points on back-to-back buckets for Iowa Park.

The Lady Hawks will look to close out the season with a win when they travel to Bridgeport to take on the No. 7 ranked Sissies tonight with the game scheduled to get underway at 6 p.m..

Softball team sees first action

Iowa Park got its first look at the newest girls sport to hit the field Tuesday afternoon as the Lady Hawks softball team saw its first action ever in a scrimmage against Hirschi.

Head coach Larry Beard was pleased with what he saw in his first live action. "Overall I thought we played pretty well," Beard said. "We played pretty good defense, we hit the ball real well and we committed only one error the entire scrimmage. We still need some work on our base running, but overall I was pleased with the effort I saw on the field."

Iowa Park will travel to Petrolia to take on the Lady Pirates Tuesday afternoon at 3:30 with the JV game to follow the varsity game at around 5 p.m..

Before the Lady Hawks travel to Petrolia they will scrimmage against Vernon Regional Junior College tomorrow at 4 p.m. "I want the girls to see what a good team looks like before we start playing," Beard said. "All their girls are scholarship players and it will do us good to play with them."

Hawks too much for Lions

The Iowa Park Hawks are taking it one game at a time as the regular season winds down and the first step was to beat Vernon Tuesday night at home.

And that's exactly what they did, winning easily, 82-51.

The next two steps are the ones the Hawks must take very carefully as they must play back-to-back road games against Bridgeport tonight, then travel back up the same highway to take on Bowie Friday night.

The Bridgeport game was scheduled for Friday night but had to be re-scheduled due to the bad weather. The Bulls beat Iowa Park 102-82 in a game that was much closer than the score indicated in the first half of district to finish second to Graham.

The Hawks didn't waste any time in disposing of the Lions Tuesday night as they jumped on top 28-8 after the first eight minutes of play. Iowa Park hit its first four shots of the game with three of those coming from behind the three point stripe to take a 13-2 lead with 5:05 left in the period.

Michael Fallon opened the game with a three-pointer, and David Waterbury hit a pair of bombs and converted a pair of free throws in a span of 52 seconds for the Hawks, who improve to 18-8 overall and 4-3 in district (1-1 in the second half).

Iowa Park continued to score at will outscoring Vernon 10-2 to start the second to go on top 38-10 with 4:59 left in the first half. The Hawks finished the quarter winning 21-15 and enjoyed a 49-23 halftime lead.

Vernon trimmed the lead to 24 at 55-31 with 2:40 left in the third before Iowa Park turned the pressure back up. The Hawks went on a 10-4 run to go on top by 30 at the end of the third at 65-35.

Iowa Park's biggest lead came early in the fourth quarter when the Hawks went on top 73-37 with 5:07 left in the game as the Hawks cruised to the 82-51 win.

The Hawks will play their final three regular season games in a five-day span, with two of those games on the road.

Leading scorers for Iowa Park against Vernon were Waterbury with 19 followed by Rylan McNeil with 18 and Fallon with 14.

"This is where our pre-season schedule should help us," said head coach Tim Clark. "We've played 16 road games this year and we've proven we can win big games on the road. As far as playing back-to-back road games against Bridgeport and Bowie, we're approaching it like we did in the

JAKE DILLARD AND CORKY PETTY ON DEFENSE

Fantasy Of Lights Tournament. We played two games against similar teams in the same day, beating Bowie in the finals. So we're looking at this as just another tournament."

Hawk Frosh

The freshman Hawks fell behind early Tuesday night against Vernon and never really got on track as the Lions posted their first win against two losses to the Hawks by the score of 66-31.

Vernon led 16-6 after the first, 36-16 at the half and 54-21 at the end of the third quarter.

Josh Arrington led Iowa Park in scoring with 7 points followed by Tommy Duerson and Bobby Joe Rowland who each finished with 4 points.

The loss drops the Hawks to 4-15 overall and 2-5 in district play.

State Capital HIGHLIGHTS
By Lyndell Williams & Ed Sterling
TEXAS PRESS ASSOCIATION

AUSTIN — Doubling the state sales tax to replace the \$9 billion Texas generates in local school property taxes is not an option, Gov. George Bush said last week.

That unsavory idea was one of three studied by a special committee whose job it was to study ways to reduce the tax burden on property owners. Committee members were designees of Lt. Gov. Bob Bullock, state Comptroller John Sharp and House Speaker Pete Laney and members of Bush's budget staff.

Besides raising the sales tax from 6.25 percent — possibly expanding it to cover goods and services presently exempted — the other two ideas considered by the panel were:

- A 1 percent tax on gross receipts, levied on revenue generated in-state by businesses; and
- A 2.5 percent value-added tax, applied to the value at each step as a product advances from raw material to finished product.

The committee's draft report said, "None of the alternatives presented by the staff work group are without warts of one kind or another."

Bullock, who has been hospitalized with pneumonia, said each of the three property tax-relief alter-

natives would hit a large section of the Texas economy, and that it would be a tough fight for Bush to win approval of any such major tax change.

Bush has ruled nothing out at this point. "Obviously, we need to look at a combination. I've got an idea where I'm headed on it," Bush told the *Austin American-Statesman*.

Moses Defends TAAS
Texas Education Commissioner Mike Moses rebutted a formal complaint lodged by the Texas NAACP last fall that a disproportionate number of black students who failed the state's high school graduation test were denied diplomas.

Texas NAACP President Gary Bledsoe said the "unconstitutional" nature and application of the TAAS test "violates the civil rights of many Texans as a result of their race, ethnicity, wealth and national origin," *The Dallas Morning News* reported.

Dr. Moses commented two days after the U.S. Department of Education confirmed that it was investigating the test because of the complaint. "The figures show...that a vast majority of our high school seniors, including our minority students, are able to pass the exit-level test before their senior year is complete," Moses said.

Figures from the 1995 Texas Assessment of Academic Skills test showed 9.6 percent of African-American seniors and 9.1 percent of Hispanic seniors failed the exam, while white students failed at the rate of 1.4 percent.

Bledsoe said many minority students who failed the test "are not exposed to all the material covered by the exam nor are they provided access to the necessary preparatory courses to prepare them to take the exam."

Navy to Stay in Corpus Christi
Lawmakers on Capitol Hill hailed the announcement last week that the Navy will retain its Naval Air Training Command and pilot training at Corpus Christi Naval Air Station instead of moving the missions to Florida.

Sen. Kay Bailey Hutchison, R-Texas, said, "This is a great victory for the city of Corpus Christi."

"Not only did the Dallas Cowboys win the Super Bowl, but Corpus Christi won the Super Bowl," said U.S. Rep. Solomon Ortiz, D-Corpus Christi.

The Navy had been contemplating stripping Corpus Christi of its primary and maritime pilot training, moving the complement of 700

personnel and 128 planes to Pensacola, Fla. The Navy also considered moving the 106-person Naval Air Training Command from Texas to Florida.

Ortiz said the Navy's decision reflects the fact that South Texas has much more uncluttered air space than Pensacola, and provides more flying days because of better visibility.

Other Capital Highlights
■ Austin police have begun enforcing a city ordinance passed Jan. 4 banning camping on sidewalks, city rights of way, parks and other public spaces. The penalty is a Class C misdemeanor carrying a maximum fine of \$500. It costs \$70 a day to jail violators.

■ A memorial service for Barbara Jordan was held Jan. 28 at the University of Texas. More than 1,500 people flocked to the Frank Erwin Center to pay final respects to the former congresswoman, state legislator, UT faculty member

A large turnout was seen for the Valley View 4-H project night recently.

The project was led by Thomas Powell, who instructed 4-Hers in constructing bird houses, bird house lamps and jar lamps.

Those making jar lamps were Kayla Brixey, Kyler Godwin, Cari Hogan, Tara Godwin, Misty Dipprey, Corrie Catlin, Kacie Stewart, Jamie Gholson and Karilea Collins.

4-Her's making birdhouse lamps were Blake and Grant Powell, Pete

and Jake Ermis, Boon and Ben Bowling and Justin Martin.

Members who made bird houses were Jeff and Chris Catlin, Christy Norton, Jared and Melissa Mitchell, Cody and Kaycie Myers, Rusty Brixey, Chance Whitaker, Tom Collins, Kyle Stewart, Jessica McElhannon, Juke Ermis and Heath Gholson.

We would like to say thank you to Thomas Powell for leading this project. All of the 4-Her's had a great time and learned a lot too.
