

IOWA PARK LEADER

50¢

Vol. 28 No. 5

IOWA PARK, WICHITA COUNTY, TEXAS 76367

Thursday, October 10, 1996

SHANNON GAFFORD was crowned 1996 Homecoming Queen of Iowa Park High School during a ceremony preceding Friday night's football game. She is a senior.

Hawks hosting Childress in first conference game

Last year at this point in the season, the Iowa Park Hawks were heading into district play with a 15-game losing streak hanging over their heads.

Not many people thought that a team with that kind of record could ever turn things around and get into the playoffs, but that is exactly what the Hawks did.

Iowa Park won four of its last five games, losing only to state-ranked Vernon along the way to finish as the runner up in District 3-3A.

And despite a 4-1 record to this point with a pair of wins over 4A schools under their belts, this year's squad is in the same position, needing to play well over the final five games to get back in the playoffs.

The road to the playoffs begins Friday night at 7:30 in what many consider to be the biggest game of the season when the Hawks play host to District 5-3A newcomer Childress.

With the Vernon Lions still holding firmly to the top spot in the 3A poll, Friday night's loser could be in trouble when it comes to the playoff picture.

Three of the teams in District 5-3A, Bowie, Henrietta and Jacksboro, are all under new head coaches and figure to battle it out for fourth, leaving Iowa Park, Vernon and Childress to fill two playoff spots.

The Bobcats and the Hawks are no stranger on the field as the two teams have played five times, dating back to 1969. Iowa Park won 41-14 in 1969 but lost the last four decisions in 1990-93 by a total of 96-36.

Childress, under long-time head coach Charlie Johnston, enters Friday night's game with a record of 2-2-1 and will be playing its first game in this district after playing in District 1-3A the past two seasons.

"This is definitely the biggest game of our season," said head coach Weldon Nelms. "It's real important for us to play well early. Childress is

definitely a good football team with a strong reputation as a playoff team. They've won their district the past two seasons and they will be ready to play when they take the field.

"Childress is extremely well coached," Nelms added. "They'll be as well a coached team as you'll ever play. You have to beat them, they won't beat themselves. This may be the smallest team they've had in a while. They look a lot like us on film, they're quick and aggressive, but overall I think we have more weapons than they do. I think the game will come down to a few plays and the team that executes the best on the big plays will come out on top."

According to coaches, the Childress quarterback is probably the second best runner on the team. He can also hurt you with his arm and has

made some big plays for them in their last two games. Their top running back is a sophomore with good speed that can break away at any time. The Bobcats are having injury problems at the fullback position. Their starting fullback at the start of the season went down with a leg injury. His replacement also went down last week. Their wing back is their go-to-guy in the passing game, they also like to try and get him the ball on reverses.

Defensively they're a swarming type team that is always around the ball. "They run to the ball really well," Nelms said. "We have to stay out of second and third-and-long situations. If we don't, they like to blitz a lot and will give you headaches all night long."

Friday night's contest is scheduled for a 7:30 kickoff

AFTER 45-YEAR SEPARATION

Siblings finally reunited

Forty-eight years of wondering what finally happened to his five siblings, Don Duerson's wondering is almost over, thanks to the Internet

and Duerson's nephew and sister-law, son and wife of his deceased half-brother. All but one sister had a family reunion September 21, in Tampa, Fla.

The tragic circumstances that separated his family began in 1948 when their young mother died of a brain tumor at the age of 36 in Berea, Va.

The mother left six children, ranging in age from eight months to 16 years, and a husband who evidently was unable to care for them. He died about two years later.

After the mother's death, the children were sent their separate ways, some with family members and some to strangers.

Duerson of Iowa Park was 14 years old at the time. He was sent to live with his grandparents, but this arrangement didn't work out and he went to live with other families, not related to him. Later Duerson decided to come to Wichita Falls to a half-brother who was stationed at SAFB.

Before leaving Virginia he went to say "good-bye" to the two youngest girls. At this time the "baby", Edna, was about a year and a half old. She now lives in Iowa, La. The other

sister, Juanita, was about three years old and is now living in Falls Church, Va. But that "goodbye" lasted 47 years.

Duerson remembers the girls were playing in the yard of the family who had taken them when their mother died and kept them together. They were raised as the Wilkins girls. But their foster parents died when the girls were 15 and 17 years old, leaving them alone once more.

The oldest of the family, Louise, and soon married and is still living in Fredericksburg, Va.

Their sister, Ruth, who was about 12 at the time of their mother's death, went to live with an aunt. She now is living in Tampa. Don saw Ruth briefly in 1953 and he saw Louise in 1963, however, each time he lost contact shortly afterward.

Since the nephew and sister-in-law in Jackson, Miss., who began locating family members through the Internet, the phones began ringing and haven't stopped, even since the reunion. The day they met for the reunion was Duerson's 63rd birthday and the day before was Ruth's 61st birthday. A happier birthday no one can imagine.

When Don and Pat Duerson stepped off the plane 21 people greeted them. Included in the crowd were four sisters and their husbands, and all the children and grandchildren who could make the trip, as well

as the nephew and sister-in-law, who got it all started, and a friend from Jackson, the sister-in-law's sister and her husband. Don Duerson, son and nephew as well as a brother-in-law's sister from the Tampa area.

Arriving at the motel in Treasure Island, the older ones brought what few photos they had held onto all those years.

Don's sister, Ruth, had brought a picture of their mother, and a reproduction of it as a very special gift for each of her siblings. The two youngest daughters did not remember their mother.

For four days and nights there was no end to the tears, laughter and stories.

There will definitely be more reunions, but none as special as the first one, since their mother's death, that they had all been together.

The wondering is almost over for Don, but the story will have no ending until they find the sixth member of the family, Peggy, who would be 56 years old and is possibly living in the Fredericksburg, Va., area.

Another surprise for the Duersons was that Don has a niece in Lawton which he possibly has delivered merchandise to in his work. And, he found out he has a nephew in Dallas. He plans to meet each of them in the very near future.

17 TOPICS

Council's agenda lengthy

Members of the city council may not go home as early Monday night as usual, because they face a 17-item agenda.

The tentative agenda calls for the meeting to get underway at 7 p.m. in council chambers.

Possible highlights of the meeting include a presentation by a firm's representative who will explain how the city might obtain and finance a golf course, rezoning of a business area for residences, and designating Lake Iowa Park as a park area.

Steve Willet, regional manager of National Links of America, has been asked to present his company's various alternatives which could lead to development of a golf course here.

Willet will discuss equity fi-

ancing as opposed to more traditional means usually used by municipalities.

A request will be considered by the council to approve re-zoning of lots in the 500 block of West Washington, from convenience commercial to residential.

The lots are on the north side of an entire block, formerly owned by Thompson Tool, which were never developed.

If approved, an ordinance to be considered would add Lake Iowa Park to the list of designated parks of the city, and add a section to offer a reward for the arrest and conviction of any persons found guilty of committing the crime of theft, destruction or vandalism to park property and

equipment.

The action was requested following a recent series of vandalism cases at the lake, primarily in the area of Hammond Park.

If adopted, being designated as a park would also prohibit the consumption of any alcoholic beverage at the lake.

Other items on the agenda include:

- * hear a request by Jamie Fulton to approve a waiver which would permit Cub Scouts to place handbills at residences soliciting food donations for the Iowa Park Food Pantry;
- * consider approving the mayor's appointments to the Board of Ad-

Continued on Page 4

Young man lands in jail

A 17-year-old resident wound up in the county jail last week, after two run-ins with the law.

Police were informed Saturday afternoon by a citizen of a person driving wrecklessly in the Lake Gordon area, giving a description of the suspect.

An officer found the individual in the 800 block of North Yosemite, had a computer check on the driver, and it was determined he was driving while his license was suspended.

Cody Mac Podzemny was taken

to the police station and booked on the charge, and later transported to the jail.

The previous evening, officers issued a criminal trespass warning to Podzemny, who was on the grounds of the high school, from which he had been previously banned, according to the police blotter.

At 2:08 a.m. Sunday, officers were called to a residence in the 1000 block of Foley, where neighbors were complaining of young people in a yard, playing loud music and yelling.

Troy Don Radford, 19, was arrested on a charge of public intoxication, and a female juvenile was charged with violation of the city's curfew ordinance.

Radford was released at 9:45 a.m. after signing a promise to appear in municipal court. The juvenile was released to her mother at 3:36 a.m.

Two cases of hit and run and two reports of criminal mischief were investigated by police during the past week.

A chain link fence and natural gas meter were struck by a vehicle sometime Monday, in the 1000 block of West Highway.

There were no witnesses to the incident, but black paint was transferred onto damaged remains, apparently from the vehicle which had been involved.

A vehicle parked in the 1300 block of Blue Jay was either struck by another vehicle Sunday, or someone intentionally broke out a tail light lens, police were told.

A 16-year-old female was arrested on a charge of shoplifting Tuesday afternoon at Wal Mart. She was released after signing a promise to appear in municipal court for allegedly taking \$5.95 worth of merchandise without paying for it.

School trustees meet tonight

Following their annual reception for new faculty members, Iowa Park school trustees will meet at 7:30 this evening in the junior high school library.

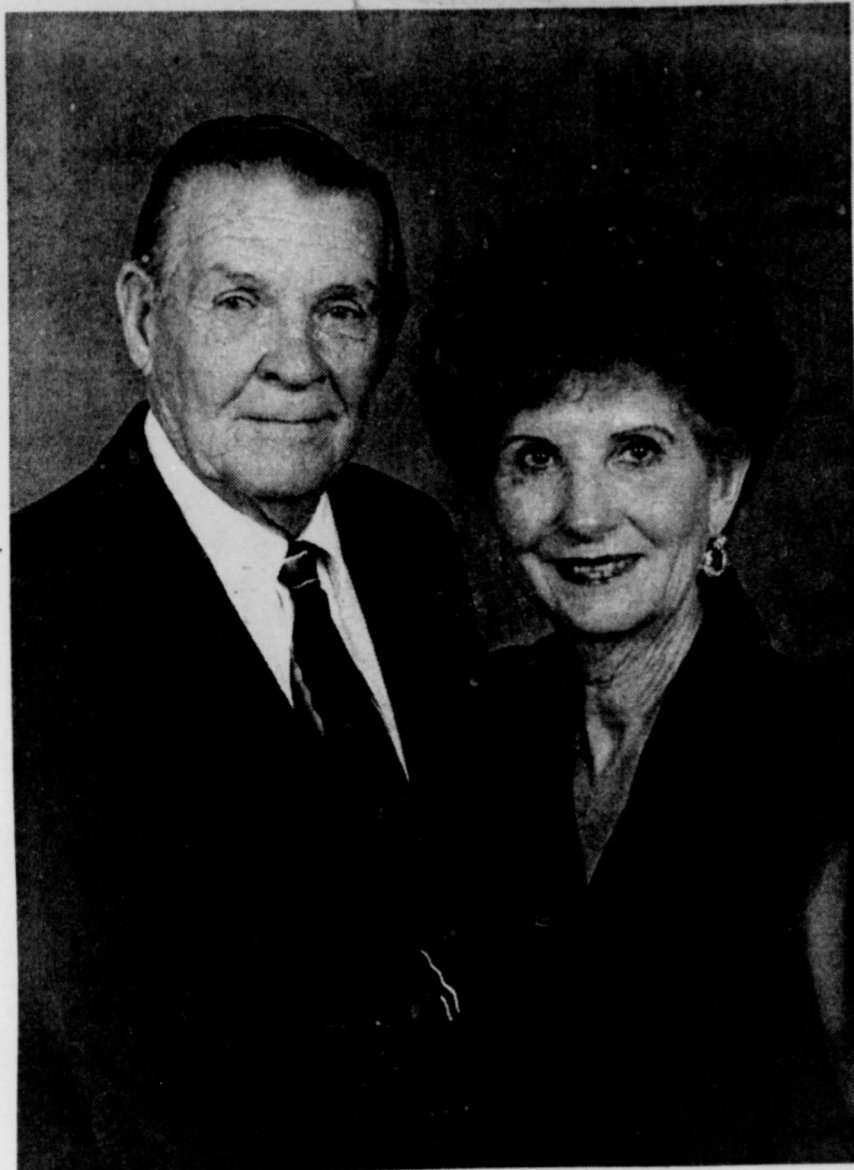

In addition to regular business items and reports, the board will discuss the CISD Board Policy Manual and TEA allocations.

Under action items, trustees will set dates to administer examinations for acceleration (TEC 28.023) referred to as credit by exam; appoint a member to the Wichita Appraisal District Board of Directors; and appoint district committees.

A closed meeting to discuss personnel matters is listed on the agenda. Sub-topics include: (a) accept resignations, and (b) employ new personnel.

Mr. and Mrs. N.E. Guthrie Jr., 1996

Mr. and Mrs. N.E. Guthrie Jr., 1946

Couple celebrates anniversary with cruise

Mr. and Mrs. N.E. Guthrie, Jr. celebrated their 50th anniversary on an Alaskan cruise with relatives and friends.

N.E. Guthrie, Jr., and Mary Blanche Padgett were married Sept. 22, 1946, at First Baptist Church in Iowa Park with Rev. James N. Easterwood officiating.

They are life-long residents of Iowa Park, and through the years have been active in community activities.

Guthrie is a World War II veteran, having served with the 1905 Aviation Engineers in China, Burma and India.

He is a member of DAV and Elks Lodge and served as the first president of the Iowa Park Jaycees.

Guthrie has served on the school board and with the Iowa Park Volunteer Fire Department. He is Past Worthy Patron of Eastern Star, a former member of Maskat Shrine

Motor Patrol, and served as president of the Iowa Park Alumni Association. He owned and operated Guthrie Construction Co., and is now retired.

Mary was a charter member of the Iowa Park Garden Club. She served as president of Epsilon Sigma Alpha Sorority and PTA. She has been active in various church activities.

Mrs. Guthrie worked in sales at

McClurkan's, and Velfree Shop, and Just Because in Iowa Park. She is presently employed part-time at Josie's Fashions in Burkburnett.

The Guthries are members of First Baptist Church.

They have three children, Rita Britt of Iowa Park, Doug Guthrie of McLean, and Karen Cutcher of Marysville, Tenn., and two grandsons.

Club makes centerpieces

Members of Iowa Park Arts and Crafts Association learned how to make candy cane candle centerpieces during their meeting Tuesday at the RAC.

Marge Dorner instructed the group, using colored candy canes, red or white 12-inch candles, and poinsettias or holly. The completed centerpieces will be given to Friendly Door Senior Citizens Center.

The door prize, a wooden country girl and her doll, painted in mauve

and country blue, was won by Debbie Richard.

During the business session, a nominating committee was selected, and they will present a new slate of officers at the next meeting on Nov. 19.

The November meeting will on the third Tuesday instead of the second Tuesday as it is normally. Highlights of that meeting will be a "Show & Tell" session, and secret pals will be revealed. Members are asked to bring their favorite snack food.

Free GED class to start Oct. 15

A free GED class sponsored by Region IX Education Service Center will begin Tuesday, Oct. 15, at Iowa Park High School.

Anyone at least 17 years of age who did not receive a high school diploma and is not attending high school is eligible. The course will be taught Tuesdays and Thursdays from 6-9 p.m. in the IPHS A-building on the east side of the main building.

Although registration can be done at any time, it is important that anyone interested in attending the class be present on Tuesday, Oct. 15.

Those with questions should call LaRae Collins, IPHS counselor, at 592-2144.

Look Who's New

Sosebee

A son, Lucas James, was born Sept. 10 in Wichita General Hospital to Mr. and Mrs. Junior Sosebee of Iowa Park. He weighed six pounds, eight ounces.

He has two sisters, July, 2, and Christie, 18, and a brother, Jeffrey, 14.

Grandparents are Mr. and Mrs. Charles Roberts of Iowa Park and Wanda Scherer of Wichita Falls. Mae Eaton of Iowa Park is his great-grandmother.

Cub Scouts kick off popcorn sale

Pack seven will kick off their annual popcorn sales Saturday.

Scouts will sell popcorn through Nov. 11.

Among types available are bucket, five-pack microwave, 15-pack butter light, small caramel, large caramel, large caramel - fat free, and chocolate caramel crunch.

Delivery of popcorn will be Dec. 7, with money to be collected at that time.

Anyone not contacted by a Scout who would like to purchase popcorn should contact popcorn chairman Ivan Wilson, 592-4989.

NEWS OF THE
IOWA PARK GENEALOGICAL & HISTORICAL SOCIETY

The meeting of Iowa Park Genealogical and Historical Society scheduled for Saturday has been moved from the Tom Bunnett Memorial Library to the Lawton Worley Center.

The reason for this change in meeting place is due to a conflict in scheduling with the Southwestern Oklahoma Genealogical Society Fall workshop.

Southwestern Oklahoma Genealogical Society will be hosting Leslie Smith Collier, current president of the Dallas Genealogical Society. Ms. Collier will be the keynote speaker for the conference and will be conducting several different conference sessions.

The first session Ms. Collier will be holding is entitled "Sherlock Holmes and the Write Way to Research". Genealogists often get stuck when they get too close to a problem to see it objectively.

She will be discussing a method of stepping back and reassessing the problems to clarify new approaches and records to research.

The second topic Ms. Collier will be presenting will be "Chicken-Scratch Census: Perils and Delights of Pre-1850 Census returns". Don't throw up your wings and let out a fowl cluck with chicken-scratch returns. This talk will emphasize what records were made pre-1850 and what methods are necessary for an attack on those early census.

Following a family, which was even missing on the 1850 census, the 142 potential households on the 1840 census, narrowed down by 1810 to exactly one potential father, in a specific town, in a specific country, with only one courthouse to search.

The final discussion will be entitled "Faded Pages: Families with Few Records". Researching certain ancestors can make genealogists tear

out what little hair is left on their heads.

Learn the strategy that produces results when you are faced with ancestors who appear hopelessly unremarkable. What other avenues of research records, time periods and places are most likely to shed light on your darkest corners.

Members will be meeting at the Tom Burnett Memorial Library at 6:30 a.m. Saturday to carpool to the conference.

The conference will be from 8 a.m. to 4 p.m. at the Worley Center, Great Plains Area Vo-Tech in Lawton. Price of the conference is \$22 which includes refreshments throughout the day as well as lunch, handouts, door prizes, and vendors' exhibits.

Various members of the Iowa Park Society attended the Lawton conference last year and found the conference to be quite helpful. Several members made valuable contacts in their family genealogy search. We hope to see you there.

Highland Cemetery Association to meet Sunday

Highland Cemetery Association will meet Sunday at 2:30 p.m. at the RAC, 896 N. Third. Everyone is welcome to attend.

Beginning Nov. 1, cemetery gates will be opened at 7 a.m. and close at 5 p.m. These hours will be in effect through March.

Work on George Memorial Gardens and Lehman Gardens is continuing. The board of directors has announced that Marten and Flick, who cleared the land, generously donated a portion of their services, which has helped greatly toward the overall expense in readying these plots of land.

Surveyors are in the process of marking all blocks, walkways and roads in Lehman Gardens.

The next project will be putting the steel marker rods in concrete. After the markers are secured, the road work and water lines will be completed. Volunteer work on any of these projects would be appreciated.

Anyone wishing to volunteer their services are asked to call the cemetery office, or contact any member of the board of directors.

At this time the fence around George Memorial Gardens is being erected.

Those who have lots covered with chat, or those who know a family whose lots are covered with chat, are asked to contact the cemetery office so they will know who to contact when graves sink and weeds begin to grow through the chat.

Some of these lots are unsightly and detract from the overall appearance of the cemetery.

If the owner wants the chat removed, the caretaker will remove it during the winter months when the workload is lighter. The lot owner will need to sign a request for the chat to be removed.

Remember that Highland is not a perpetual care cemetery and that cemetery maintenance must depend upon donations.

One appropriate time to send a donation to the cemetery is at the time of death. A card is sent to the family acknowledging the donation in memory of their loved one.

Also, landscape bricks are available for \$25 with the name of an individual, family, or organization and will be used in the landscaping surrounding the new black gazebo.

A memorial plaque may be purchased in memory of a loved one for a donation of \$100. The plaques are placed on a memorial board in the pavilion.

The board of directors are anxious to make Highland Cemetery as convenient and beautiful as possible with available funds. Those who plan

to donate to this cause are asked to consider doing so now while the groundwork is underway. Much expense could be avoided with volunteer labor.

As I See It... By Bob Hamilton

I don't know of any way you could prescribe a better homecoming weekend than we had last week.

Mother Nature favored us with perfect weather, attendance at all events - the bonfire, parade, football game, Whoop-T-Do and Ex-Students Association banquet - were all near

capacity.

Everyone who attended seemed to enjoy themselves. So to those who couldn't make it because of scheduling or whatever, you really missed out on an outstanding weekend.

As we have often done in the past, we put up old pictures we've

used in past issues of the *Leader* on our office windows Saturday, and offered them free to anyone who found one of themselves.

I overheard one woman make a comment that seeing those old photographs is one of the annual weekend's highlights that she always looks forward to viewing.

We put out so many pictures that we used up both rolls of tape we had in the office. And when Charlene Parks heard about our predicament, she brought us her's, and it saved the day for us.

Next year, we may repeat a photo showing we did a few years ago -- and that is to display personal pictures folks bring in to be used, and never reclaim them. They include engagements, weddings and birthday shots that I'm sure everyone would like to have back.

Watch for it in '97.

Again, as I said in this space last week, these big annual weekends don't just happen by themselves. There are dozens and dozens of people who work their tails off to make it the success it is.

These folks believe in helping make Iowa Park the outstanding family community everyone enjoys and appreciates.

BIG HIT among the many games of skill at Saturday's annual Whoop-T-Do were appealing to the youngsters who attended. The many food booths also were major attractions to the youth as well as adults.

4-H Clubs offer more than meets the eye

Members of the Valley View 4-H Club recently delivered plates of cookies to area businesses and individuals who support 4-H, to show their appreciation.

Those who support 4-H are supporting more opportunities than many are aware of.

Among the learning opportunities available to 4-H members are food and nutrition; sewing and fashion, consumer decision making, gun safety and trap shooting; craft projects; and photography.

Seminars, schools and competitions are available for each of these projects.

Raising and showing animals for a project is an obvious activity in 4-H. This activity not only takes a lot of hard work and responsibility, students can also take much pride in a job well done. Showing animals also offers older 4-Her's a leadership role in training the younger members, as well as setting a good example and being a positive role model.

4-H clubs also stress community service. Last year the Valley View 4-H Club took part in several community service projects including Adopt-A-Highway; food drives for the area food bank and churches; and offering 9-1-1 address signs to residents to shorten rescue time by ambulance or the fire department.

Youth today get so busy with activities, it is important to instill in

them a responsibility to their community," said Donna Myers, adult leader of the Valley View 4-H Club, "4-H can do that!

Council

Cook of the Week

Valley View 4-H Food Show Participants

In recognition of National 4-H Week, this week's cooks of the week are Valley View 4-H members participating in the County 4-H food show next week.

For the Oct. 19 food show, which will be held at the Iowa Park RAC, each of the girls are required to select a recipe, and prepare it for judging.

Julianne Swedberg is a fourth grade honor student at Bradford Elementary. She is a member of First Baptist Church in Kamay, where she is active in G.A.'s and the youth choir.

She is also a three-year member of the Rockin' Hawkettes Drill Team.

Julianne loves to read and likes to write stories and plans to be a teacher when she grows up.

She helps her Nana and mother prepare the "Cheese Strada" as a breakfast tradition each Christmas morning.

Lindy Tyler is a third grade student at Bradford. She is a member of First Baptist Church of Kamay, where she is involved in Sunday School, G.A.'s and children's choir.

Lindy says she enjoys school and is planning to play basketball this year.

She says she is excited about being a member of 4-H. She plans on learning to sew through the club, and will show broilers at the county show in the spring.

She also enjoys singing, jumping on the trampoline, Barbies and riding her bicycle.

Jessica McElhannon is also a third grader at Bradford.

She is a member of the Mankins Baptist Church. She also is a member of the Rockin' Hawkettes Drill team, and is in her third year of playing the piano.

Jessica enjoys helping her mother in the kitchen, and will show a goat in the county show.

The "Tunnel of Fudge" recipe Jessica submitted for the article has always been a favorite of hers. Her grandmother, she says, bakes it each year for Christmas.

Kaylee Meadows, a third grader at Bradford, says her favorite activities are showing pigs, 4-H and school.

She is a member of Faith Baptist Church, and the Valley View 4-H.

The recipe she submitted, "Key Lime Cake," she said she chose because she likes it and so does her dad, who usually doesn't care for cakes.

Allison Wall, a third grade Bradford student, is a first year 4-Her.

Allison attends Faith Baptist Church and is a member of the children's choir. She is also a three year member of Camp Fire, and is active in baseball and basketball.

She will show rabbits in 4-H this year at the project show.

Allison has been cooking since she was old enough to sit up on the cabinet. She enjoys cooking with her mother, sister and friends, and says she especially enjoys sharing the finished product.

Her other hobbies include gardening, animals, swimming, fishing and riding her bike.

While snacks and desserts are Allison's favorite food groups, she also enjoys making Bar-Be-Cups, which are quick and easy to prepare.

Karilea Collins, a fifth grader, is a second year member of Valley View 4-H, and plans to show turkeys in the spring.

She has played soccer several years for the Shamrocks, and plans to play basketball this fall.

An animal lover, Karilea's pets include two coddogs, Roscoe and Max; two cats, Cass and Tybo; and a hamster, Binky.

Karilea also enjoys riding her bicycle, going to Hawk football games and collecting snow globes.

She said she likes cooking all kinds of food, and submitted "Just My Size Pizzas" for the article because pizza is one of her favorite foods.

Helpful Hints

City ordinance prohibits the keeping of any wild animal as a pet.

Cheese Strada Julianne Swedberg

8-10 slices of bread (remove crust)
8 oz. grated Cheddar cheese
1 lb. bacon (fried and drained)
1 dozen eggs
2 cups milk
Salt and pepper

Spray 9X13 pan with non-stick spray. Butter both sides of bread and place in bottom of pan. Sprinkle with cheese and bacon.

Beat milk and eggs together and pour over bread, cheese and bacon. Salt and pepper to taste.

Cover with foil and refrigerate overnight.

Remove the foil and bake at 350° 30 to 45 minutes until eggs are set.

(Note: diced, cooked ham, or sausage may be used in place of bacon. Can also add onions or bell peppers.)

Milk Chocolate Bubble Bread Lindy Tyler

Shortening
20 milk chocolate kisses
1/4 cup margarine or butter

2 pkg. (10 each) refrigerated biscuits
1/2 cup sugar
1/2 tsp. ground cinnamon

Turn oven to 375°. Grease the inside of 6 1/2 cup ring mold (oven safe) with shortening.

Put margarine or butter in saucepan and heat until it melts. Remove the pan from burner and set aside.

Separate the biscuits, and flatten each into a three-inch circle. Place a chocolate kiss in the center of each biscuit. Wrap the biscuit around the chocolate, forming a ball. Pinch the edges firmly to seal.

When all are wrapped and sealed, mix sugar and cinnamon in a bowl. Dip each ball in the melted margarine and roll in cinnamon and sugar mixture.

To arrange the balls in the greased mold: form two layers, placing the balls of dough in the second layer between the balls of dough in the first layer.

Bake 20 minutes or until the bubble ring is golden. Remove from oven and place the ring on a cooling rack. Cool about one minute, then turn mold upside down on a plate. Cool another 10 minutes and serve warm. Serves 10.

Bar-Be-Cups Allison Wall

3/4 lb. ground beef
1/2 cup barbecue sauce
Garlic Powder
Salt and Pepper
Grated Cheddar Cheese
1 can biscuit dough

Brown beef and drain well. Add barbecue sauce, garlic powder, salt and pepper to taste. Form biscuit dough into muffin tin and pour mixture into each shell of dough. Top each with cheese and bake 10 minutes at 400 degrees.

Tunnel of Fudge Jessica McElhannon

1 1/2 cups butter
6 eggs
1 1/2 cups sugar
2 cups flour
1 pkg. double Dutch fudge butter cream frosting
2 cups pecans

Beat butter real creamy. One at a time beat eggs, keeping it creamy. Gradually add sugar at high speed until light and fluffy.

By hand: stir in flour. Then add frosting mix, mixing well as you go with both. Add pecans, stir in good.

Pour into 10" bundt pan, buttered and floured. Bake at 350° one hour, but check after 45 minutes.

Sit out on pot holder 2 hours to cool. Remove from pan. Completely cool before serving.

Key Lime Cake Kaley Meadows

1 pkg. lemon supreme cake mix
1 pkg. (4 serving size) lemon instant pudding
4 eggs
1 cup Crisco oil
3/4 cup water
1/4 cup key lime juice

Glaze:
2 cups confectioners sugar
1/3 cup lime juice
2 Tbsp. water

2 Tbsp. butter or margarine, melted
For cake, combine cake mix, pudding mix, eggs, oil, water, 1/4 cup key lime juice in large bowl.

Beat at medium speed with electric mixer two minutes. Pour into 10" bundt pan and bake at 350° one hour. When done, poke holes in the top

of cake with toothpick or ice pick and pour glaze over top of cake.

Cool completely and dust with confectioners sugar.

Just My Size Pizzas Karilea Collins

Shortening
1-10 oz. pkg. refrigerated pizza dough
8 oz. pizza sauce
2 oz. sliced pepperoni
1/4 cup sliced black olives
1/4 cup chopped green pepper
1 cup Mozzarella cheese

Heat oven to 425° Grease baking sheet.

Unroll pizza dough onto the baking sheet, and using kitchen scissors or a pizza cutter, cut the dough in half. Cut each half into six rectangles. Separate the rectangles on the baking sheet, leaving some space between them.

Spoon pizza sauce over each rectangle, using the back of the spoon to spread the sauce over the dough. Top with pepperoni, olives and green pepper. Sprinkle with cheese.

Bake 10 to 12 minutes or until the crust is brown. Remove and let cool. Serves 12.

CAMP FIRE NEWS

Camp Fire would like to extend a big thank you to the leaders and to George Cook for the time they contributed to our float for the homecoming parade. We appreciate all the baked goods the parents donated for our Whoop-Do booth, and thank you to everyone who stopped by.

Case
Terry and Michelle Case of Amarillo are the parents of a son, Michael Dane, born Oct. 2. He weighed six pounds, eight ounces, and was 19 1/2 inches long. The baby's mother is the former Michelle Sellers of Iowa Park.

Grandparents are Michael and Brenda Sellers of Iowa Park and David and Sandra Case of Grandfield, Okla.

Great-grandparents are Frederick and Dee Sellers and Jean Anderson, all of Wichita Falls, Jim and Nola Brummitt of Chatanooga, Tenn., Kathy Basting of San Marcus, and Audrey Case of Waynoka, Okla.

Revival to begin Sunday morning

A revival will begin Sunday morning at First Assembly of God, 200 S. Yosemite, and continue through Wednesday, Oct. 16.

Freda Bryant and Holly Ensey of New Generation Ministries will be conducting the revival.

Service times will be 11 a.m. Sunday morning and 6 p.m. Sunday evening. Week nights preaching will begin at 7 p.m.

Rev. Charles Hensley, pastor, invites everyone who likes old-fashioned preaching in a camp meeting atmosphere to attend this special time of Spiritual refreshing.

NEWS FROM THE HALLS OF THE HAWKS

HIGH SCHOOL

Earning credits by examination

Earning credits by examination is possible for Iowa Park High School students. These examinations will be available for all required subjects, and for some electives.

Eligible students must have had no prior instruction in the course for which they are testing. For example, a student currently enrolled in English III could not take a test for that course, but would be eligible to take the exam for English IV. Students who did not pass a course and want to take a credit by exam to earn back credit are not eligible.

Credit will be awarded if a student makes a minimum score of 90 on the exams. The student will receive credit for that course and the test grade will be posted on the student's permanent transcript. This will allow greater flexibility in students' schedules and allow for possible early graduation.

Although they are available to any student, the exams are difficult and will likely be beneficial to only highly motivated students.

There will be no charge for the first attempt at an exam; one re-test from another source is allowed and must be paid for by the student.

Exams will be administered at

Iowa Park High School on Saturday, Nov. 9, Saturday, Nov. 16, and Saturday, Nov. 23. Three testing days will also be offered in June.

Deadline for registering for the exams is Friday, Oct. 18.

Anyone with questions should call LaRae Collins, IPHS counselor, at 592-2144.

JUNIOR HIGH

Politics heat up at junior high

Next week the eighth grade Challenge History class of Sheila Gholson will be presenting programs at Bradford Elementary and the junior high school to educate students on election procedures.

On Tuesday morning, they will put on their program for third, fourth, and fifth graders at Bradford, and then again for junior high students during the afternoon.

Members of the class will explain voting rights, then the Eighth Grade Girls Choir will sing patriotic songs.

Two students, one dressed as an elephant and the other as a donkey, will relate the history of the Republican and Democrat party symbols.

Others will be dressed as Chelsea Clinton, and Secret Service agents

Three class members will act out the part of the presidential candidates and give their views on the issues in

five major areas.

The next day, junior high students will be able to vote on their choice for president.

The history class is working with a group through CNN, a national cable television network, and will send in the local school's voting results. Later in the month, the results of this nation-wide mock election will be announced on CNN.

BRADFORD

Testing is offered

According to Senate Bill 1, TEC 28.023, school districts must offer credit by examination for acceleration in grades K-5.

Dates for these tests are November 22, 25 and 26.

Eligible students must have had no prior instruction in the grades for which they are testing. For example, a student currently enrolled in third grade could not take a test for that grade, but would be eligible to take the exam for fourth grade. If the student passes the exam for fourth grade, he/she would enroll in the fifth grade the following school year.

Provisions for credit by examination in kindergarten through grade five requires that:

A student in any of grades 1 through 5 must be accelerated one grade if he/she meets the following requirements:

A) The student scores 90% on a criterion-referenced test for the grade level he/she wants to skip in each of the following areas: language arts, mathematics science, and social studies;

B) A school district representa-

tive recommends that the student be accelerated;

C) The student's parent or guardian gives written approval for the acceleration.

Although they are available to any student, the exams are difficult and will likely be beneficial to only highly motivated students.

Deadline for registering for the exams is Friday, November 1, 1996.

Call school counselors Diane Granbery at Bradford, 592-5841; or Vickie Adams at Kidwell, 592-4322, for more information.

Thanks to the parents

Thanks to all the parents who came for conferences last Monday. You are a key ingredient in your child's education, and we appreciate your taking that role seriously. Teachers were very pleased by the response.

Pat Cravens

Getting personal

Bradford fourth grade writing students will be working on a personal narrative this week.

The students are bringing photographs from home to use in a writing project about the events in the picture.

Learning the presidents

Fifth graders are learning the presidents for memory work this six weeks.

Students have made flash cards to practice with.

The timing for this project is very appropriate because of the upcoming presidential election.

KIDWELL

Yearbook money due

Those wishing to order Kidwell Yearbooks have until Tuesday.

The yearbooks are selling for \$6 a piece, and will be delivered in the Spring.

Smile!

Individual class pictures will be made at Kidwell Oct. 18

PTA meeting set

The Kidwell PTA will hold a general meeting Tuesday at 7 p.m. at Kidwell cafeteria.

The executive board of the PTA will meet at 6 p.m.

Patty Cakes takes the cake

....to you!

GO HAWKS!

Hawks smother Seymour

It only took one week to get back on track following the loss to Stamford, as Iowa Park ran its record to a 4-1 in non-district play with a 50-14 thumping of the Seymour Panthers.

There's no better way to celebrate a homecoming than with a big win and that's exactly what the Hawks did as this one was never really in question.

Iowa Park, behind the running of senior tailback Shawn Fulfer, who rushed for 204 yards in the game and scored three touchdowns, dominated the game from the start.

Fulfer put the Hawks on the board with a 62-yard touchdown run on the second play of the game, while many of the fans were still talking about who was named the homecoming queen. Keith Trammell tacked on the first of his six extra points to make the score 7-0 only 42 seconds into the game.

Seymour took the ensuing kickoff and five plays later the score was tied at 7-7 with 8:52 still left of the clock in the opening quarter. The big play in the Seymour scoring drive came on a half-back pass from Joe Rodgers to Aaron McNeil that covered 57 yards for the touchdown.

With the game tied 7-7, Iowa Park scored the next 35 points, 14 more in the first quarter to slam the door on the Panthers.

Brandon Brown scored on a 15-yard run that capped a 4-play, 48-yard drive that was set up by Chad Graham's interception to make the score 14-7 with 2:29 remaining.

The Panthers were unable to move the ball on their next possession and had to punt the ball back to the Hawks. Fulfer fielded the punt at his own 31-yard line, cut to his right, and scampered 69 yards for the touchdown that gave his team a 21-7 lead with 46 seconds left to play in the first quarter.

The score remained 21-7 until Seymour had to punt again with only 12 seconds left in the half. Iowa Park took over at the Panther 43 and quarterback Todd Yeager improvised and scrambled 43 yards for a score as the first half buzzer sounded giving his team a 28-7 lead.

CHAD GRAHAM MAKES FIRST-QUARTER INTERCEPTION

Iowa Park didn't let up as the Hawks scored the first time they touched the ball in the third quarter, going 63 yards in 10 plays capped with an 8-yard touchdown strike to Brown from Yeager with 3:23 left in the third quarter to make the score 35-7.

The Hawks next score was again set up by a nice defensive play. Linebacker Brandon Holley stepped in front of a Panther pass for an interception giving the ball back to Iowa Park at the Seymour 49 with 1:34 left in the period. Eleven plays later, all on the ground, Iowa Park made it 42-7 when Toby Catlin scored from 1-yard out with 8:20 left in the game.

Seymour scored its second touchdown of the night with 6:42 left in the game on a 59-yard run by Rodgers.

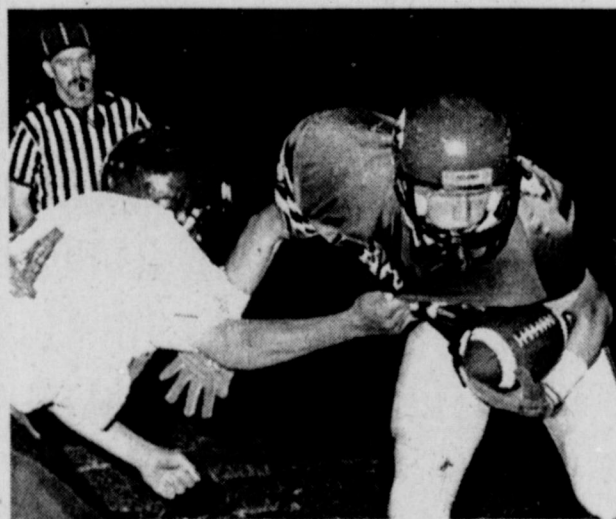

The Hawks made the final score 50-14 with 3:06 left in the game, following the second interception by Graham which gave the Hawks the ball at the Seymour 25. Fulfer scored his final touchdown on a 43-yard run to put him over the 200-yard mark. Brown

ran in for the two-point conversion.

Fulfer wasn't the only Hawk to have a good game running the ball as Iowa Park picked up a total of 388 yards rushing on the night. Fulfer's 204 yards came on only 18 carries while Brown picked up 79 on 11 carries. Yeager added 77 yards on 9 tries.

The Hawk defense played exceptionally well in the first half, holding the Panthers to only 33 yards rushing on 22 carries while the Iowa Park ground game averaged over 10 yards per carry in the first half picking up 188 yards on only 18 tries.

Junior High Roundup

7TH GRADE B

The 7th grade B team rallied from an early 6-0 deficit to post it's first win of the season Thursday with an 8-6 victory over Seymour.

Brad Duggins' 8-yard touchdown and point-after run was all the Hawks needed as their defense took over after the early Seymour touchdown and pitched a shutout for the rest of the game.

Defensively for Iowa Park, Jessie Trevino, Bobby Lloyd, Tommy Johnson and Duggins all had good games while offensively, quarterback Jeremy Wilson, Brad Reynolds and Duggins were the top performers.

The 7th grade B team will have this week off as they prepare for their next game on the road against Vernon next Thursday at 4 p.m. The 7th grade A team will play today at home against the Childress Bobcats at 5 p.m. and will play Vernon the following week right after the B team game.

8TH GRADE B

The 8th grade B team found the going tough Thursday when they traveled to Seymour and squared off against the Panthers 8th grade A team, as the Hawks fell 36-0.

Offensive players of the game for Iowa Park included James Brown, J.L. Howard, Robert McCann and Jamie Eaton.

On the defensive side of the ball for Iowa Park, Aaron

McDaniel, Josh Parker and Jerry Kirkhart all had good games.

The 8th grade A team will be in action tonight at home as they play host to the Childress Bobcats at 6:30 and will travel to Vernon to take on the Lions next Thursday following the 7th grade A game.

JV beats Rider, 30-10

The JV Hawks ran their record to 4-1 Thursday night with an impressive 30-10 win over the Rider Gold team.

The Hawks had to play from behind as Rider jumped out to an early 3-0 lead before Iowa Park got on the board with a 24-yard touchdown run by Justin Denton to give the Hawks a 6-3 lead.

Justin Terry's 48-yard punt return set up the Hawks' next touchdown, a 14-yarder from Brian Miller. The two-point conversion pass from Terry to Tommy Duerson made the score 14-3.

Iowa Park made it 22-3 just before the half when Terry found the end zone from 22 yards out. Duerson added the points after to give his team the 19-point halftime lead.

The Hawks final touchdown came on a 6-yard run by Andrew LaBrier, with the two-point conversion pass from Terry to Travis Cline

to make the score 30-3. Rider added a late touchdown to make the final 30-10.

Other offensive standouts for Iowa Park included Thomas Brake, Jeremy Dorzab, Kevin Park, Cline and K.C. Green.

Defensive standouts included Jason Willingham and Miller, who each finished with an interception, Josh Parker, Aaron McGuinn, Simeon Hendrix, Cline, Clint Thompson and Toby Williams.

Iowa Park will open District play tonight as the Hawks travel to Childress to take on the Bobcats at 7.

TOP OF TEXAS FOOTBALL**PEE WEE EAST**

The Pee Wee East Hawks saw their one-game winning streak come to an end Saturday night as they fell 22-0 to the Nocona Indians.

The Hawks were led offensively by running backs Chris McCasland, Matt Bosley, Tyler Duggins and Matt Glasagow. The offensive line consisting of Brandon Hopper, Teddy Lytle, Ryan McGlaughlin, Aaron Ellis, John Standridge, David Quick and Mikey Glasgow also did a good job.

Defensively for the Hawks, standouts included Chris Catlin, McCasland, Hopper, Lytle, Duggins and Quick.

Iowa Park will be looking to get back on the winning track this Saturday when they play host to the Archer City Wildcats at noon.

PEE WEE WEST

The Pee Wee West Hawks also had their hands full Saturday night when they traveled to Vernon to take on the Lions.

After a scoreless first quarter, the Lions got on the board on some big plays and went on to win the game 38-14.

Iowa Park's touchdowns were scored by Mathew Gaitin on a 52-yard quarterback keeper and by Michael Sargent on a 10-yard run in the third quarter. Sargent and Gaitin were named as offensive players of the game.

Defensively, players of the game were Sargent and Josh Fields.

Iowa Park will take on Quannah this Saturday at 6 p.m.

MIDGET EAST

The Midget East Hawks continued their winning ways Saturday night by pounding the Nocona Indians 20-0.

The Hawks used a combination of six different backs to ground out 220 yards rushing with Cody Penn,

Corey Bosley, Dakota Patterson, Jeremy Fulfer, Ryan Shierry and Brian Love all picking up some big yards.

The Iowa Park touchdowns were scored by Fulfer and a pair by Penn, one on the ground and the other on a nice pass from Bosley. Shierry also scored a two-point conversion.

A team can't rush for 220 yards and pass for another 53 yards if not for a good offensive line and the offensive line for the Hawks consisting of Grant Miller, Darrell Landers, Paul McCaruell, Dwight Gibbs, Luke Ermis and Jon Moss all had excellent games for Iowa Park.

Defensively, the team was led by Fulfer, Bosley, Penn, Shierry, Hunter Davis and Dakota Patterson. Bosley and Patterson each had interceptions for the Hawks with Bosley returning his 40 yards and Patterson returning his 9 yards.

The Hawks' next game will be this Saturday at 2 p.m. when they will play host to the Archer City Wildcats.

MIDGET WEST

The Iowa Park Midget West Hawks showed that they could come from behind Saturday night as they spotted the Vernon Lions 14 points and then roared back to take a 26-14 win.

Jarred Horsky helped narrow the lead to 14-6 near the end of the first half with his touchdown run, then Michael Fulkerson and Kyle Hayley teamed up for the two-point conversion to bring the score to 14-8 at the half.

Kyle Hayley went back to the air and found his brother Brett for a pair of touchdowns that gave Iowa Park a 20-14 lead. Zac Marston put the icing on the cake when he fell on a Vernon fumble in the end zone for the Hawks' fourth touchdown to make the final score 26-14.

Iowa Park's ground game was in high gear as the Hawks picked

up 191 yards rushing with Horsky and James Rowland doing most of the damage.

Defensively, following the two early Vernon touchdowns, the Hawk defense settled down and played solid football.

Iowa Park will play host to Quannah this Saturday night at 8.

By JO LYNN COCKRUM

RAC News**Bridge Clubs**

Helen Casey reported the high score of 5030 at bridge last Wednesday. Mary Denison had the second high of 3830. There were two tables in play.

On Monday, there were also two tables, and Louise Helms had the high score of 4240. John Clapp had a close second with a score of 4010. There are only five players registered for next Monday.

Halloween Specials

The RAC will be offering several special events for Halloween this year. On Halloween night, there will be a costume dance for junior high students (Iowa Park Junior High only). On Monday, Oct. 28, we will host a Halloween party for preschool age students and t-shirt painting for older students. Reservations will be required for the events on Oct. 28, and can be made by calling 592-4471. Watch this column for further details in the coming weeks.

RAC Memberships

Now is the time to purchase or renew your membership to the RAC. Annual dues are \$6 (single) and \$15 (family/day care). These funds are used for continu-

STORYTIME

During the month of October our themes will be about fall and Halloween. If you have about 30 small pumpkins that you would like to donate, or call Ardis at the library and she will pick them up. During the week of Oct. 22, we will be painting faces on them, so let us know as soon as possible. Thanks!

Classes are held each Tuesday,

9:30-10 and Friday 9-9:30 for 2-4 years. If you have a child interested, come join us.

JACK-O-LANTERN CONTEST (no special theme)

This year our contest will be held Oct. 22-25. Entries should be brought in Oct. 18 and Oct. 19. We will have three age categories, Pre-K-first; second through fourth grade; fifth grade and up. Prizes will be given for the first, second and third place.

Judging will be done by our patrons, with winners announced Oct. 25. We would prefer that they not be carved, as they spoil too fast.

COUNT THE CANDY CONTEST

Once again we will have a container on the circulation desk. Guess the number of pieces of candy in the container during the week of Oct. 22 through Oct. 26, with the winner announced Oct. 29. Prizes will be given for first, second and third place, closest to the correct number.

FAJITAS!
Served Thursday Nights

Beef and Chicken Fajitas on flour tortillas, potato wedges, guacamole, pico de gallo, chips and hot sauce.

NOTICE

REQUEST FOR ENGINEERING SERVICES

The City of Iowa Park has recently received a contract award from the Texas Department of Housing and Community Affairs for water system improvements. The city is seeking to contract with a qualified engineer to prepare all design plans and specifications, and to conduct inspections.

Please submit your proposal and statement of qualifications for these proposed services to Timothy W. Hunter, Mayor, City of Iowa Park, P.O. Box 190, Iowa Park, Texas 76367. Proposals must be received by the city no later than 3:00 p.m. on October 28, 1996 to be considered. The City reserves the right to negotiate with any and all engineers or firms that submit proposals, per the Texas Professional Services Procurement Act and Office of Management and Budget Circular No. A-102.

The City of Iowa Park is an Affirmative Action/Equal Opportunity Employer. 10-10-1tc

OBITUARIES

Ernest Ray Jackson

Services for Earnest Ray Jackson, 67, were at 2 p.m. Monday at Highland Pavilion.

Rev. Vernon Lewis, Baptist minister, officiated. Burial was in Highland Cemetery under direction of Dutton Funeral Home.

Mr. Jackson died Friday in an Oklahoma City hospital.

He was born Dec. 31, 1928, in Centerville, Ark. He was a retired heavy equipment operator and a member of Loop 11 Church of Christ in Wichita Falls. He moved to Iowa Park five years ago from Wichita Falls, where he had lived since 1951.

Survivors include his mother, Velma Jackson of Wichita Falls; three sons, James of Dardanelle, Ark., Kenneth of Belleville, Ark., and William of Russellville, Ark.; one sister, Aline Sides of Tulsa, Okla.; two brothers, Leon Jackson of Wichita Falls and Alvin Jackson of Madras, Ore., and four grandchildren.

Valley View 4-Her's met recently for their October meeting.

This year's 4-H theme is safety. Thomas Powell gave the program on being safe using electricity.

This week is National 4-H Week, and to celebrate, the Valley View 4-H delivered "appreciation cookies" to many area individuals and business who support 4-H youth.

Card of Thanks

The family of Irene Woody would like to express their appreciation for all of the cards, calls, flowers, food, and all of your prayers and kind words. A special thanks to Home Health Care for everything you did for her. A very special thank you to Dr. Greg Ammons and members of Faith Baptist Church for all you did for the family. God bless you all.

Happy Birthday

Mother and Daddy

Clarence "Jim" Wagner

Graveside services for Clarence "Jim" Wagner, 76, were held at 10 a.m. Tuesday at Hope Cemetery in Henrietta.

Rev. Larry Washburn, pastor of Pacific Avenue Baptist Church, officiated. Arrangements were under direction of Dutton Funeral Home.

Mr. Wagner died Saturday in a Wichita Falls hospital.

Wagner was born Feb. 10, 1920, in Emory. He was a retired farmer and had lived in Iowa Park four years, moving from Wichita Falls.

Survivors include two sisters, Bobbie Luna of Iowa Park and Johnnie Brown of Farmersville, La.; and two brothers, Ray and Jack of Wichita Falls.
