IOWA PARK, WICHITA COUNTY, TEXAS 76367

Thursday, October 24, 1996

PROVIDES IMPROVED LOOK - Vocational Agriculture students of Ray Dillard recently completed their work in refurbishing the Chamber of Commerce "Welcome" sign at the corner of Johnson and West Highway. The center portion had been destroyed by a wind storm, and lettering on organization signs dulled by time. The students undertook the project as part of their community service activities, and plan to work over the sign on the East end of the city in the near future.

Chamber president resigns

Chamber of Commerce president Derrell Monday submitted his resignation during this week's monthly board of directors meeting, explaining he was moving next week to Pampa.

He made the move known after naming a nomination committee to submit names for a new slate of officers who will serve in 1997.

Election of new officers will be held during the Chamber's All-Membership Luncheon, which will be held at noon on Nov. 18. That meeting will be held at the Recreational Activities Club.

Named to the nominating committee were Robert Palmer, Dale Cox and Glenna Via.

The new officers will be installed at the Chamber's annual banquet, which has been scheduled for Saturday, Jan. 11.

Harold Elliott, a member of the Arlington Police Dept., will be the guest speaker at the banquet, it was announced. He was the invited speaker a few years ago, and was asked to return.

Monday said he would deliver his final sermon at the First Baptist Church, where he has served as pastor the past several years, on Sunday.

Also during Monday's business meeting, directors voted to once again coordinate a promotion during which residents can register for free Thanksgiving turkeys, which will be given away by participating Chamber members.

Directors approved adoption of a policy which would prohibit any organization from sponsoring a booth

at the Whoop-T-Do which has not paid its entry fee from the previous year's event.

The turnout for Saturday's Texas

Gold show at the high school, that was sponsored by the Chamber, was estimated as being 200 or fewer, Joe Hughes reported.

DIVISION ONE

Hawk Band does it again

For the 15th consecutive year, the Iowa Park High School Hawk Band earned a first division in the University Interscholastic League marching contest, held Saturday in Wichita Falls.

The rating qualified the band to advance to Area "B" competition, which will be held Saturday at Pennington Field in Fort Worth.

Iowa Park will compete with 16 other AAA bands there, and is to take the field at 12:30 p.m., regardless of weather conditions.

The other bands will be representing Regions Two, Five and Seven. They will include Kennedale, Alcedo, Glen Rose, Sanger, Bridgeport, Jacksboro, Bowie, Breckenridge, Clyde, Coleman, Wylie, Merkle, Brady, Llano, Colorado City and Reagan County.

Judging that competition will be: Bill Brent, Northwestern Louisiana State Univ.; William Clark, New Mexico State Univ.; Wendell Evanson, Henderson State Univ.; Scott Coulson, Poteet High School, and Joe Frank Jr., of Sherman High School.

Admission to Saturday's event

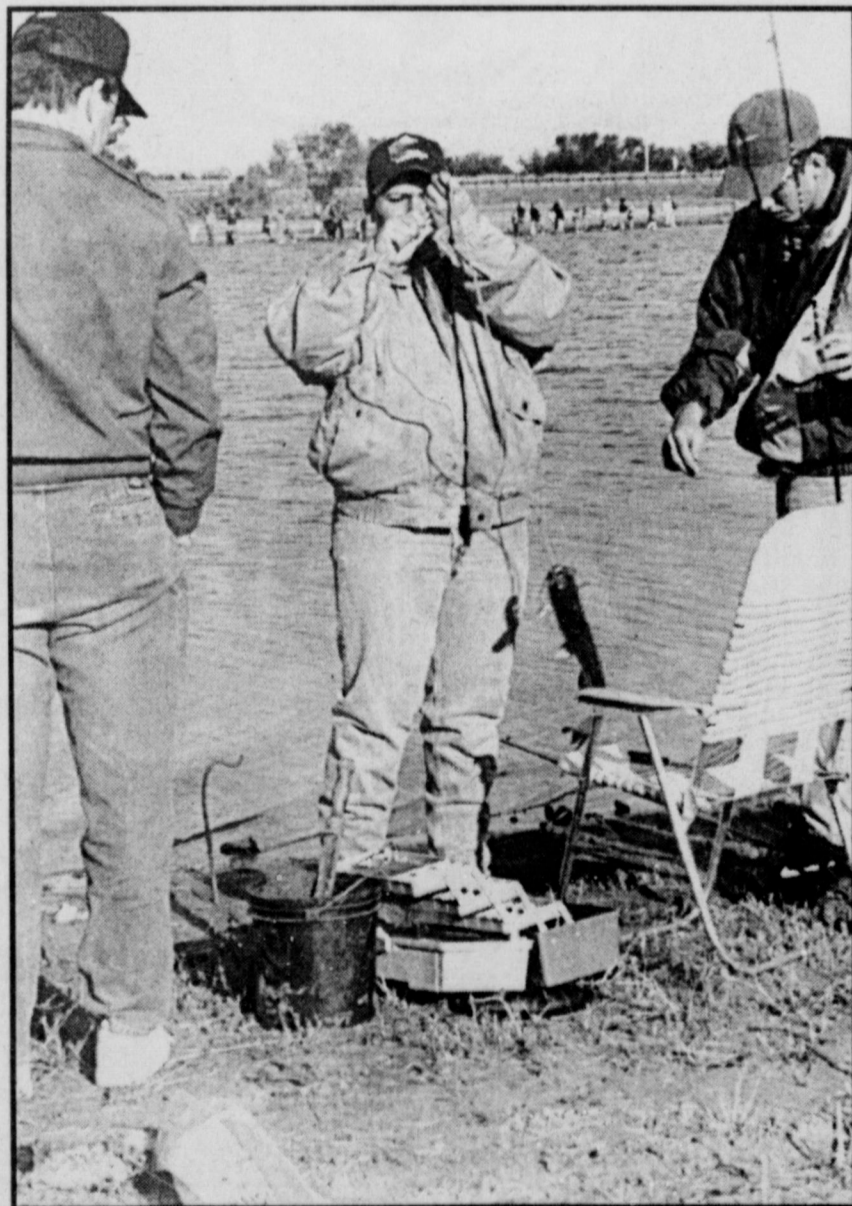

will be \$2 per person.

Judges comments following the competition in Wichita Falls included:

"Excellent Show. Congratulations to the band and directors." - Ken Turner, Kerrville;

"Very nice show. Great sound. I really enjoyed your performance today." - Dwight Hardin, Paradise;

"Very impressive work! Congratulations to the band. Fine flag work. I really enjoyed it!" - David Pennington, Temple.

EARLY CATCH - Heath Hodges puts his first catch of the day on his stringer, shortly after KIDFISH got underway Saturday morning at Lake Gordon. Several hundreds of local and area youths took part in the second-annual event, despite chilly temperatures and a high wind.

With backs to the wall, Hawks aim for three wins over balance of season

It's real simple. If Iowa Park wins its final three games against Jacksboro, Henrietta and Bowie, the Hawks will advance to the State Play-offs for the second straight year.

If they should happen to lose one of those games, things would not be that easy as the Hawks would be involved in a possible tie for the runner-up spot in District 3-3A.

Heading into Friday night's game against Jacksboro, the District standings look like this:

Top-ranked Vernon is unbeaten at 7-0, and 2-0 in district, Iowa Park is 5-2 and 1-1, Bowie is 3-4 and 2-0, Jacksboro is 3-3-1 and 1-1, while Henrietta is 0-7 and 0-2. Bowie's last three games are against Vernon, Jacksboro and Iowa Park. Jacksboro's final three include Iowa Park, Bowie and Childress.

"We've got to take them one at a time," said junior quarterback Todd Yeager. "We didn't play well last week against Vernon. We knew playing the No. 1 team would be tough, but still we should have played better than we did. I'm sure we'll bounce back this week and play a much better game."

Senior tailback Shawn Fulfer, who missed the Vernon game with an

ankle injury, echoed Yeager's comments on how he thought his team would respond this week against the Tigers.

"We'll definitely be ready to play this week," said Fulfer. "Having to miss the Vernon game killed me knowing I'm a senior and won't be coming back to play next year. We're ready to go out and get a big win after the disappointing loss last week."

The loss of Fulfer didn't help the Hawks any in the Vernon game. "We missed him," said head coach Weldon Nelms. "He's a two-way starter and plays a big part in our special teams. He's a team leader and a big plus to our football team. The kids that filled in for him last week did a good job, but when you play a team like Vernon, you always want to be as strong as possible."

With both Fulfer and junior

Brandon Brown in the backfield together, the Hawks have a one-two punch that can score from anywhere on the field at any time.

Jacksboro enters the game averaging right at 20 points per game while allowing opponents just over 18 per game. The Tigers are coming off a 16-7 win over winless Henrietta last week.

The Tigers' best player may be offensive and defensive tackle Will Mathis who weighs in at 295 lbs. and stands 6-5. Other players to watch for Jacksboro include quarterback Travis Johnson, tailback Blain Rummage, fullback Eddy Hobday and tight end Jason Tanner, who is listed as questionable after missing the Henrietta game.

Iowa Park is averaging right at

Youth says assaulted by others in Vernon

Authorities are still determining whether charges will be filed, following an assault which reportedly took place in the parking lot following Friday night's football game at Vernon.

Jason Langford was reportedly knocked unconscious by a Vernon youth, and was transported to that city's hospital for treatment.

Both he and his twin brother, Justin, are juniors at Iowa Park High School, and both reported for classes Monday morning, according to Richard Davis, principal.

Reports from both sides of the incident conflict, as to how the incident came about.

However, the Vernon Daily

Record reported in yesterday afternoon's issue that Vernon police had concluded their investigation of the incident, and it had been turned over to the Wilbarger county attorney's office.

"It will be filed with juvenile court," Tommy Hall, police department juvenile officer, was quoted as saying.

The incident took place prior to the end of the game, in the parking lot which adjoins the stadium.

Gary Rozzell, trooper with the Dept. of Public Safety, said he was summoned by the injured youth's brother, and found Jason on the

Continued on page 4

Three arrests reported

Three arrests were reported during the past week by the Iowa Park Police Dept.

An officer on patrol at 11:54 p.m. Saturday stopped a suspicious vehicle in the 200 block of South Victoria which resulted in a charge being filed.

Leroy Ford, 26, was charged with "failure to identify" and also for driving while intoxicated. When his name was checked on the computer, it was determined he also had a warrant issued by Wichita Falls police for public intoxication.

Ford was later transported to the county jail, according to the blotter entry.

Monday afternoon, officers were summoned to a residence in the 1300 block of Edgchill Trail, where a disturbance was reportedly underway.

The result was the arrest of Kimberly Kay Cormman, 38, on two charges, "interfering with the duties of a public servant," and "resisting arrest."

Cormman was later transported to the county jail.

Police arrested David Kevin Willeford, 34, Wednesday on a charge of "hindering secured creditor." A steam cleaner mounted on a trailer was recovered for the creditor, and Willeford was transported to jail under a \$5,000 bond.

Police issued a citation to Garry Prince, 17, after he has been found in possession of alcohol on the grounds of the high school Friday evening.

A vehicle occupied by two females reportedly drove away from 208 James Tuesday afternoon, without having paid for \$14.66 worth of gasoline, according to a blotter entry.

Early voting count grows

If the first five days of early voting here is an indication of interest in the general election, some local records could be broken.

Early voting was begun Wednesday of last week, and by 1:30 p.m. Tuesday, 266 ballots had already been cast at the local box, which is located in the county annex building at Wall and Bank.

Ballots are being cast for offices

ranging from local precinct positions, right on up to the president of the United States -- and numerous others in between.

The general election will be held Nov. 5.

Early votes can be cast here from 8 a.m. to 5 p.m. weekdays through Friday, Oct. 25; extended hours of 7-7 Oct. 26 and 28, and on Sunday, Oct. 27, from 12-noon to 5 p.m.

NEWS BRIEFS

It's time to change time pieces

Folks who don't change their clocks before going to bed Saturday night will likely be out of step with everyone else.

That's because the nation returns

to Standard Time.

It's "Fall-Back Time," which means clocks should be set back one hour (if you go to bed at 10, you should set your clock to 9).

City receives needed moisture

A weather system that ushered in cool temperatures also brought some needed moisture early this week.

Virgil Woodfin said he caught three-quarters of an inch precipitation

in his gauge, including .57 of an inch Sunday and .18 Monday; .75 total.

Though the temperature never reached freezing, the chilly temps and high winds had everyone putting on their jackets.

Couple wed in candlelight ceremony

Marriage vows were exchanged by Rebecca Jo Daymude and Gregory Wayne Lowe of Ft Hood in a setting of candlelight, Oct. 12, at Faith Baptist Church.

The bride is the daughter of Herman and Mary Daymude of Iowa Park. The groom's parents are Steve and Sonja Lowe of Electra, formerly of Iowa Park.

Dr. Greg Ammons, pastor of the church, officiated. An archway garlanded with greenery and sprinkled with white wedding bows formed the background for the recitation of vows.

Candlelighters were Michael Frazier, nephew of the bride, and Karen Burgoyne, the groom's cousin.

Linda Burgoyne, aunt of the groom, was pianist. "Everything I Do" was played as a special request by the bride. "The Wedding Song" was sung by the bride's brother, Randy Daymude.

Mike Daymude, brother of the bride, and Mark Harris, brother-in-law of the groom, served as ushers.

The bride's father presented her for marriage. She wore a formal gown of white satin styled with a scalloped V-neckline trimmed in pearls, and matching veil. Her chapel length train was enhanced with inset bows and pearls.

She carried a bouquet of white roses and wedding lace.

Vicki Cluley and Debra Frazier, both of Wichita Falls and both sisters of the bride, served as matrons of honor.

They were attired in identical tea-length dresses of hunter green, designed with V-necklines and gold and pearl button trim. Each carried white roses enhanced by hunter green satin ribbons and greenery.

All flowers for the wedding and reception were made by a life-long friend of the bride, Stephanie Woodman.

Specialist Matt Fast was best man and Specialist Chris Conner was groomsmen. Both are from Ft Hood.

As the bride approached the altar she presented her mother with a rose and as the couple left the altar she presented a rose to her mother-in-law.

The bride's mother wore a floral print dress with hunter green background. The groom's mother wore a tea length two piece suit of hunter green.

The reception was held in the church Fellowship Hall. Guests were registered by the bride's nieces, Missy and Amy Cluley, in the Precious Moments bride's book given to her by her father.

The bride's table was covered with a white lace cloth. Her four-tiered cake trimmed with white pearls, greenery and roses, was topped with a Precious Moments bridal couple. The bridal bouquet was used as the centerpiece.

The groom's table was covered

Mrs. Gregory Wayne Lowe
(Rebecca Jo Daymude)

with a white lace cloth over hunter green. His cake was iced with chocolate and miniature cars and tools were arranged on the table.

Rows of tables were covered with white cloths and held arrangements of ivy in crystal bowls.

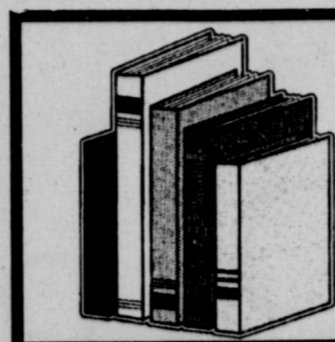

Missy and Amy Cluley also distributed wedding bubbles to guests.

Members of the house party were Mary Lou Alderman, Elizabeth McClure, Amie Schlaud, Karen Anaya, Doreen Gaston, and Stephanie Woodman.

For travel to their honeymoon destination at Harkerheights, the bride chose a navy and white two-piece suit. They are residing at Ft. Hood.

Out-of town guests for the wedding included Pauline Thompson, grandmother of the groom, Ida Allen, great-grandmother of the groom, Wanda Mayo, the bride's honorary grandmother, Randy Daymude, Becky Goodwain of Megargel, aunt of the bride, Ray and Janice Hanes of Seymour, aunt and uncle of the bride,

and the groom's special guests, 12 men from his platoon at Ft. Hood.

LIBRARY NEWS

MEMORIAL

A memorial was given to the library by Mr. and Mrs. Ray Landiak in memory of Glen Cipperley.

THANK YOU'S

A special "Thanks" to Dina Privitera and Christy Mitchell for filling in as Storytime leaders, while I was out of town.

It is always great to know that you can call on mothers to help fill in, when needed.

I reawfully appreciate your assistance. Thanks again, Ardis.

Pearson

A daughter, Haley Nicole, was born Oct. 17, at Wichita General Hospital, to Shannon and Betsy Pearson of Iowa Park. She weighed seven pounds, one ounce, and was 20 inches long. Mrs. Pearson is the former Betsy Gandy of Iowa Park.

Grandparents are Betty and Jim Downing, and Anna and Nick Nichols, all of Iowa Park.

Local vocalist to perform in Sunday concert

Teresa Oden-Peace, a member of ProMusica of Wichita Falls, will sing a solo, "Haydn's Benedictus," during a concert Sunday afternoon at Midwestern State University.

ProMusica of Wichita Falls is a choral ensemble specializing in the performance of chamber music. They perform a wide variety of music from classical to contemporary styles.

Mrs. Oden-Peace and her husband, Tom, who is pastor of First Christian Church, reside in Iowa Park.

The concert, scheduled to begin at 3 p.m. Sunday in Akin Auditorium will feature the Wichita Falls Chamber Orchestra and ProMusica under the direction of Dr. Dan White, Chairman of M.S.U.'s Music Department.

Works by Haydn, Pergolesi, Vivaldi and Boyce will be performed. Concert admission will be free and open to the public.

Brian Herrera named to Dean's Honor Roll

Brian Lee Herrera is listed on the Dean's Honor Roll for the summer quarter at Texas State Technical College in Waco.

A student in instrument technology program, he is the son of Mr. and Mrs. Javier Herrera of Iowa Park.

The Dean's Honor Roll recognizes the scholastic achievement of students with a grade point average of 3.5 to 3.99 for the quarter.

Blood drive here Tuesday

"Healthy Iowa Park residents are encouraged to give blood at the upcoming Red Cross blood drive set for Oct. 29, at the Friendly Door Senior Citizen's building from 2:30 to 7 p.m.," said Gayla Fowler, blood drive consultant.

"Those who give blood or volunteer their time to work at the drive know that when lives are at stake, help can't wait. Their gifts truly come from the heart," she added. Fowler encourages people who have never given blood before and those who have not given in a while to make an appointment to donate at the Friendly Door in Iowa Park.

"Hospital patients depend on the Red Cross for lifesaving blood," she explained. "The Red cross can supply blood for those patients only if generous volunteer donors in our community give. There's no other source!"

Donors who have taken medications during the month prior to the blood drive must be able to tell the Red Cross nursing staff the following: the name, category or purpose of the medication. Fowler notes that medications themselves do not usually cause a donor to be deferred. Each health history is evaluated individually.

"Giving blood will take a little more than an hour from start to finish, including a mini-health check, and a few minutes in the refreshment center after the donation," Fowler said. "It's important to remember that every station in the donation process is needed to ensure a safe blood supply for hospital patients as well as a safe donation experience for the volunteer donor."

Donating blood is safe. Blood donors are in no danger of contracting HIV/AIDS or hepatitis. A new and sterile needle is used for each donor and the needle site is made aseptic before the blood is drawn.

Volunteer donors must be 17 or older, weigh at least 110 pounds, and be in general good health.

FRIENDLY DOOR NEWS

Services of Friendly Door

Below is a list of services we provide for any person 60 years or older. If you like to have fun, you are invited to attend and take part in anything we offer.

Our name, "Friendly Door," says it all. Always open and full of friendly people. Our center is open Monday thru Friday, 9 a.m. - 3 p.m.

Daily services include transportation to and from the center; meals delivered to homebound clients who are unable to cook for themselves; congregate meals served in our center every day at 12 noon to anyone 60 or over. Suggested donation is \$2 for seniors and \$3.75 for anyone under 60. Please call 592-9311 to make reservations the day before. We also have recreation, nutrition, education, and health screening.

Birthday Party

Ercel Vaughan won our birthday flower provided by Iowa Park Florist. Ercel is moving from Iowa Park, and we will miss her.

Dance

There is a Country and Western Dance the first Thursday of each month at the RAC. This month, the dance will be Nov. 7, from 7 to 10 p.m. Drinks will be provided, and those who plan to attend are asked to bring a snack to share. Cost is \$3.00 a person.

Help Wanted

Applications are now being taken for a part-time employee to help carry out the daily duties of providing services for our senior citizens.

Nail Trim

Every Thursday, Etoy Chapman volunteers to help with the care and trimming of nails for feet and hands. Call for appointment between the hours of 9 and 11 a.m.

Game Night

Friday, Oct. 25, at 5:30 p.m. we are going to Piccadilly's to eat and back to the center for fun and games.

Blood Drive

Please help us have a worthwhile blood drive Tuesday, Oct. 29, from 2-7 p.m. New rules say most people can give blood - young and old. You never know when some of your family might need blood.

MENU

MONDAY, Oct. 21

Texas history is focus of club meeting

Twenty-Three Study Club's theme for the meeting last Thursday was "Texas History--People, Places, and Things."

Members gathered at the home of President Wanda Singer for a club meeting before driving to Vernon, where they ate lunch at the Victorian Rose Tea Room. The meditation was given by Ina Brown on "Choices". She also offered the invocation.

After lunch the group toured Red River Valley Museum, located adjacent to the campus of Vernon Regional College.

Beginning with displays of fossilized remains of the great dinosaurs who roamed the area in prehistoric times, through a large display of Indian artifacts, ranging in time from the prehistoric area to the time of Chief Quanah Parker, settling of the area by the earliest settlers, and the beginnings of the huge Waggoner Ranch and its history depicted in a magnificent mural painted by artist Adrian Martinez.

The tour continued with members viewing the trophy room, containing one of the most impressive

wild game trophy displays in the world. More than 125 trophies line the walls of this room, dedicated to the treasures of Vernon rancher and world traveler, William Bond. An intriguing display of rocks and artifacts from all over Texas and New Mexico, are the collection of Taylor Dabney.

Representing more than 25 years of exploration in Wilbarger County, the Mr. and Mrs. J. Henry Ray Collection of Historical Artifacts is housed here.

The display contains more than 10,000 arrowheads, 700 Indian millstones, many other artifacts and fossils dating back to a prehistoric age when most of Texas was still under sea.

In reference to their display, the Rays said, "Archaeology is the science that seeks to uncover and interpret the history of human culture from its earliest beginnings to the present time. It deals with things man left behind him, things which have passed through the hands of man, and on which he has left his mark."

Of particular interest to the group in their study of the role of Texas women in history and culture is the display of the major works of the renowned sculptress Electra Waggoner Biggs. She has sculpted the likenesses of many of her family and friends, as well as likenesses of such famous persons as Presidents Eisenhower, Truman and Nixon, as well as Sam Rayburn, Mary Martin, Van Cliburn, Bob Hope, and others. Her most famous work, the full-sized figure of Will Rogers on his horse, Soapsuds, is recreated in miniature in bronze in the museum's entry.

To quote Anna Marie Pavlik, Texas artist, "People collect for three reasons--to remember, for inspiration, and is the raw material for future projects." Club members came away from the museum feeling that it truly fills this description.

As I See It...By Bob Hamilton

I'm really not superstitious, or anything like that, but I guess I'm to blame for the Hawks losing Friday night to Vernon.

I made the discovery after the game, while preparing to go to bed.

As I took off my socks, I realized I had not worn my green-colored pair, but had worn white.

And I recalled I had forgotten to put the green ones on once before this season -- for the Stamford game -- the only other contest our Mean Green has dropped in '96.

Sorry, fellows. I'll see it doesn't happen again.

There appears to be confusion among some voters, as I'm hearing.

A candidate told me that he had approached some folks, asking for their support, and they said they'd like to vote for him, but had voted in the primary of another party earlier.

Well, folks, it makes no difference in which party's primary you may have voted, when it comes to the party affiliation of your choice in the general election.

There is no distinction on the general election. All candidates are on the same ballot. You just can't mark two candidates who are seeking the same position, that's all.

WORTH QUOTING

Political scare tactics are getting so bad that the Republican National Committee Thursday issued a warning to TV stations that they could be "exposed to legal action... for airing a false, deceptive advertisement by the AFL-CIO."

The new ad accuses Republican members of Congress of voting to "cut" Medicare to pay for "tax cuts for the wealthy." The RNC claims the ad is libelous to certain members of Congress.

The letter to the stations explains that the GOP budget plan, for which the targeted members voted, increased Medicare spending significantly, and that 61% of the GOP tax cut would have gone to those earning between \$30,000 and \$75,000 per year.

"No one in either party has ever proposed 'cutting' Medicare spending says the letter. It adds a strong statement about the use of the word 'destroy' in the AFL-CIO ad. "It is unconscionable that you would air a false ad that is deliberately intended to prey on the fears of senior citizens."

The Democratic and Republican parties, as well as other organizations, should rise above petty practice of using deceptive ads as a tool to garner votes.
SPEEDY NIEMAN
Hereford Brand

I guess the confusion has developed as a result from a problem last year, when a party primary runoff election was held.

In that situation, a few voters had cast ballots at one party's primary, and wanted to vote for another candidate in another party, and had their votes rejected.

So, if you voted in the Republi-

Assault

Continued from page 1

ground "blue and not breathing." The trooper said he repositioned the youth's head, and he immediately began breathing on his own.

A charge of assault was filed against a Vernon youth, who was not named, and, ironically, that youth filed the same charge against the Iowa Park boy.

On Monday, three Vernon High students were suspended for three days by Bill Belew, assistant principal of the school.

A Vernon source told the Leader that one of the youths, apparently the one who struck Jason, had been in trouble at school before, and was suspended from athletics.

The incident is being considered by Dist. 3-3A officials, according to Iowa Park Superintendent of Schools Mike Caplinger.

He said he had been contacted by Ray Crass, Jacksboro superintendent and District UIL chairman, and told contact with the state UIL office concerning the situation had been made.

"It is a different situation, when an incident involves specators," rather than participants, Caplinger said.

Letters to Editor policy explained

The Leader receives numerous letters which cannot, for one reason or another, be published.

Letters will not be printed unless they are signed. A typed name will not do. And, for the sake of verification, the writer's telephone should be included.

Should the writer not wish his/her name printed, it will be omitted upon request. However, the letter will be kept on file to be read upon request.

Letters also must be free of libel. If not, they will not be published, because we will not edit the content of any letter.

In letters supporting political candidates or issues, the Leader reserves the right to limit their lengths.

We encourage your Letters to the Editor, and offer the paper space as your forum for discussions of ideas and observations.

can primary, you can vote for a Democrat, or an independent, or you can even leave all candidates for a position vacant on your ballot. And that's a fact.

City writes off bad debts

The Iowa Park city council recently approved charging off \$2,665.42 in bad debts that resulted when residents moved away during the 1995-96 fiscal year and did not pay their debts.

Names of the offenders will be kept on file, and should they ever return and seek services, a new, higher deposit will be assessed. But that will only be after they've paid the bill they left behind.

Names of those on the list, and their amounts, included:

Felix R. Esparza	\$40.42
Paula Stevenson	167.39
Janet Cox	34.01
Tonya Jeffery	20.86
Roger Burditt	18.68
Kathy Pace	139.39
Brandon Green	15.29
Lidia Saenz	17.84
Clay Williams	14.05
Jeff Radloff	49.52
Everet Bleivins	7.78
Charles Waggoner	15.26
Missey Wells	70.71
Jeremy Kingcade	30.18
Michael Munsch	16.63

LETTERS

TO THE EDITOR

Challenges credentials

Mr. Bob Hamilton, Editor:

The voting taxpayers of Wichita County Precinct 3 had better be very careful when they vote for County Commissioner Precinct 3.

Gordon Griffith, incumbent, along with Weldon Nix, Commissioner Precinct 2, of Burk Burnett, are considered by other commissioners, Gipson, Gossom and White, to be old timers, who are passe, out of date, and should be replaced. Those three, who are echos of the Wichita Falls city council, mayor, and Board of Commerce and Industry should be voted out of office, as stooges for Wichita Falls. People of Electra, Iowa Park, and Burk Burnett, are going to end up with a Commissioners Court that is a rubber stamp for the Wichita Falls City Council, if Ward is elected.

Mary Ward, whose resume is filled with jobs closely related to that of a social worker, has few, if any qualifications, to qualify her for a job as county commissioner. How can a person without construction experience determine the qualification for construction workers much less supervise their work?

In the Times-Record News, October 13, 1996, page 12A in an interview with Le Templar, she said, and I quote, "Ward, 61, of rural Wichita Falls has lived in Precinct 3 all of her life" unquote. As a former military officer, I question that statement. Her husband is a retiree Air Force chaplain and I doubt seriously that he spent his entire career at Sheppard or that she remained in Wichita Falls throughout his career.

The Times-Record News of October 14, 1996, on page 4B, in the "Our Opinion" column under the headline, "Incumbent sometimes a known evil," states that Griffith is, and I quote, "the ideal foreman to oversee construction projects such as maintaining the precinct roads. There's where his talents lie - and stop."

The Editorial Board, who concur and write the "Our Opinion," are a bunch of newspaper reporters, probably journalism majors in college, who form their opinions from information provided by other sources and in all probability much of their information sources are other commissioners, along with City Council members, the mayor, the city manager, various city agency heads, and the Board of Commerce and Industry.

Voters in Precinct 3 and in Wichita County who don't want their taxes raised because the Commissioners Courts dissipation of the county and precinct reserve funds should vote for Gordon Griffith.

County reserve funds have been getting less and less for the past few years, thanks to the commissioners from Wichita Falls. Adding Ward to the court will make it worse. Again I quote Ward's words in the October 13 article and I quote, "If we have all these excess funds, let's put them to work," she said as she referred to the reserves for Precinct 3.

A vote for Ward will be a vote to add another spendthrift to the commissioners court. Recently while preparing the county's 1997 budget, the commissioners court decided they had to take action as the county's general fund balance reserve for 1997 budget was, to put it bluntly, broke.

They transferred funds from the precincts road and bridges reserve funds to establish a balance for the general fund. Because precincts 2 and 3 had larger reserves, they transferred approximately \$114,000 from precinct 2, \$136,000 from precinct 3, but only \$60,000 from precinct 1 and \$80,000 from precinct 4. That transfer of approximately \$400,000 of the precincts reserves to the general fund prevented the county from raising your 1997 tax rate.

Don't try to tell me that there are excess funds in precinct 3 or any of the other precincts in Wichita County.

Roy D. Thompson Jr.

Council to meet Monday

Two public appearances, appointments and an ordinance concerning new locations for traffic control signs will highlight Monday's regularly-scheduled meeting of the city council.

The meeting is to get underway at 7 p.m. in council chambers.

The first of the public appearances listed on the meeting agenda is to be by Ricky Nix, a representative of the Wichita Falls Times-Record News, seeking a waiver from the city's solicitation ordinance.

Secondly, a spokesperson for Saginaw Pipeline Company will ask permission to install a natural gas line along Johnson Road to supply gas to Cryovac.

Action is called for following both appearances.

Mayor Tim Hunter is to announce appointments to the city's Board of Adjustments, and also the re-appointment of Marc Newman to the Wichita County Appraisal District.

An ordinance will be considered to allow the installation of "stop" signs at specified locations on East Texas, Cheyenne Ave. and Cherokee Trail, according to the agenda.

Administrator Mike Price also will discuss awarding a contract for engineering services for the 1996 Texas Community Development Program project.

IN THE MILITARY

Tony Galliton

Galliton graduates

Tony Galliton, grandson of Charlie and Barbara Galliton of Iowa Park, graduated Oct. 18 from the Marine Corp Recruit Depot. Now home on leave, Galliton will leave Monday for Camp Pendleton at San Diego, Calif. for three months infantry training. He is a 1996 graduate of Iowa Park High School.

Jessica D. Boyd joins US Army

Jessica D. Boyd has entered basic military training at Fort Jackson, Columbia, S.C. She is the daughter of Rick Boyd of Iowa Park, and a 1996 graduate of Iowa Park High School.

NEWS FROM THE HALLS OF THE HAWKS

No school Monday

There will be no school Monday for Iowa Park students. The day is listed on the school calendar as a holiday.

BRADFORD

Pie Sales Begin

The Bradford PTA will kick off its annual pie sale fundraiser this week.

Students will be offering a variety of pies, including apple, cherry, pecan, French silk, stawberry-rhubarb, chocolate chip and others; as well as cherry and apple braids.

Students will sell pies through November 6, and will take no money at the time of the order.

Those who ordered will pick up and pay for pies at Bradford on Nov. 26, from 3:00 to 5:30 p.m.

For every three pies a person buys, they will receive \$1 off their order. Students will receive \$1 for every five pies they sell.

Drug Free Week activities

This week, Bradford students and faculty have celebrated Drug Free Week.

Wednesday, students were given red ribbons to wear the remainder of the week. Students also received posters to color and signed pledges to remain drug free.

Today is "Put A Cap On Drugs"

day. All students were allowed to wear caps to school and inside the building. A prize will be awarded to the student, in each grade, who is wearing the craziest cap or hat.

Friday has been designated "Iowa Park Hawks are Green and Clean" day. All students are asked to wear green. Each student will receive a bumper sticker.

Take it again, Sam

Picture retakes for Bradford students will be Tuesday.

Those students whose pictures didn't come out, or who were absent may have retakes.

Those who need retakes will need to bring their old packet.

Getting Spooky!

Some of the fourth grade reading classes will take the reading of spooky stories a step further.

The classes will bring flashlights and sleeping bags to reading class, and use them during a "lights out" session of reading stories.

KIDWELL

Trooper Bud to visit

Trooper Bud will visit Kidwell Elementary Friday at 8:30 and 9:15 a.m.

Kindergartners have spirit

Kidwell kindergarten students will attend the IPHS Hawk pep rally Friday morning.

Choir students advance to pre-area

Following competition, thirteen Iowa Park High School choir students earned places in the TMEA Region Choir.

The students and their placings are:

- Soprano I - Lisa Arredondo - 6th chair
- Stephanie Gideon - 11th chair
- Amber Wheeler - 3rd alternate
- Soprano II - Kim Taylor - 1st alternate
- Alto I - Meegan Adams - 4th alternate
- Alto II - Jennifer Sikes - 6th chair
- Cherrie Bradberry - 9th chair
- Erin Foster - 11th chair
- Brandi Nelson - 1st alternate
- Tenor II - Patrick Robertson - 2nd chair
- Lance Largent - 6th chair
- Bass I - Josh Parker - 2nd alternate

Bass II - Benn Bennett - 14th chair
This in the second round of auditions for these students. Each audition has new literature to be learned in the time span of one month.

These students will be competing for a spot at Pre-Area which in turn will qualify them to audition for state.

Helpful Hints

City ordinance prohibits the keeping of any wild animal as a pet.

Helpful Facts

Property owners working on their plumbing and needing the water cut off at the meter should contact city hall for assistance.

Mammography screening scheduled in Iowa Park

A mammography screening, sponsored by Norwest Bank of Iowa Park, will be Nov. 19.

The bank will be providing the service through Bethania's Mobile Mammography Van which will be in the parking lot in front of the bank located at 219 West Park.

Screening criteria include women, age 35 and older, who are without symptoms and have not had surgery or a mammogram within the last 12 months. Pre-registration is a requirement and can be done by contacting Jackie at (817) 592-4418.

JACKIE GEE was selected as Integrated Health Services' resident of the month for October. Jackie has lived in Iowa Park most of his life, and has been a resident of Iowa Park some 10 years.

The American Cancer Society recommends all women, age 35 and older have a screening mammogram. Breast cancer is the leading cause of death in women and statistics show that one in nine women will get breast cancer. The best protection for breast cancer is still early detection.

LOOK WHO'S NEW

Allen

James and Hope Allen of Iowa Park are parents of a daughter born Oct. 1, in Wichita General Hospital. She has been named Megan Nicole. She weighed seven pounds, seven ounces and was 21 inches long. She is the couple's first child. Grandparents are Don Allen of

Iowa Park, Mrs. Linda Drissel of Wichita Falls and Mr. and Mrs. Jim Drissel of Apex, N.C.

Great-grandparents are Mr. and Mrs. Roy Sawyer of Iowa Park and Mr. and Mrs. Kenneth Drissel of Clovis, N.M.

Mrs. Kenneth Dow of St. Louis, Mo., is the great-great-grandmother.

RECIPES FOR HALLOWEEN COOKING

As Halloween approaches, with spooks and goblins popping out of the woodwork, it is always wise to be prepared with a few extra goodies.

The following recipes are some that even these "special little friends" might want to help with.

Caramel Apples

5 medium apples
1 - 14 oz. pkg. caramels
2 Tbsps. water
1 - 6 oz. pkg. almond bristle chips or
1 1/3 cups crushed English toffee-flavored candy bars

Wash and dry apples; insert wooden skewers into stem end of each apple and set aside.

Combine caramels and water in a 1 1/2 qt. bowl. Microwave at HIGH 2 1/2 to 3 1/2 minutes, stirring after each minute until sauce is smooth.

Dip apples into hot caramel sauce, turning until coated. Scrape excess sauce from bottom of apples; then roll them in bristle chips.

Place on greased wax paper and store in refrigerator. Let stand at room temperature 15 minutes before serving to allow caramel to soften.

Texas Scramble

1 - 12 oz. pkg. oyster crackers
4 cups pretzel sticks
1 cup dry roasted peanuts
1 - 1 oz. pkg. Hidden Valley Ranch Salad Dressing Mix
1/2 tsp. garlic salt
1 tsp. chili powder
1/2 cup oil

Mix dry ingredients together in large brown paper bag. Pour oil over top of dry ingredients and shake until well mixed.

Spread in large flat pan and bake 1 hour at 200 degrees.

Pumpkin Doughnut Drops

Oil for deep frying
1 1/2 cups all-purpose flour
1/3 cup sugar
2 tsps. baking powder
1/2 tsp. salt
1/4 tsp. each cinnamon, ginger, and nutmeg
1/2 cup canned pumpkin
1/4 cup milk
2 Tbsps. oil
1/2 tsp. vanilla
1 egg
1/2 cup sugar
1 tsp. cinnamon

In deep fat fryer or heavy saucepan, heat 1 quart oil to 375 degrees.

In large bowl, combine flour, sugar, baking powder, salt, cinnamon, ginger and nutmeg; blend well. Combine pumpkin, milk, oil, vanilla and egg. Stir into dry ingredients just until moistened. Drop by teaspoonfuls into hot oil, 5 or 6 at a time. Fry doughnut drops 1 to 1 1/2 minutes on each side until golden brown. Drain on paper towel.

Combine 1/2 cup sugar and 1 teaspoon cinnamon. Roll warm doughnuts in mixture. Makes 30 to 36 doughnut drops.

Mulled Apricot Nectar

1 - 46 oz. can apricot nectar
1 cup orange juice
4 cinnamon sticks
1/4 tsp. allspice
1/4 tsp. whole cloves
1 lemon, sliced, if desired

In large saucepan, combine apricot nectar and orange juice; mix well. Tie spices in a piece of cheesecloth; add to juices. Simmer covered 20 to 25 minutes. Remove spice bag. Serve hot in mugs with lemon slice in each.

Halloween Party Snacks

2 cups salted peanuts
1/2 cup chocolate chips
1/2 cup whole almonds
1/2 cup raisins
1/2 cup chopped dates
2 Tbsps. sunflower seeds

Combine all ingredients in a large bowl. Store in covered container.

Caramel Belles

1 cup margarine
2 cups brown sugar
1 tsp. salt
1/2 cup light corn syrup
1/2 tsp. baking soda
6 quarts popcorn (popped)
1 cup pecans (optional)

Melt first 4 ingredients. Boil 5 minutes and add baking soda. Pour syrup over popcorn and pecans. Spread on two 8x12 cookie sheets. Bake 1 hour at 250 degrees, stirring every 15 minutes.

CRAFT AND RESALE SHOP
Open Afternoons
302 S. Colorado

Pumpkin Cookies

1 cup butter or margarine, softened
1 1/4 cups sifted powdered sugar
1 egg
1 1/2 tsps. vanilla extract
1/2 tsp. almond extract
2 1/2 cups all-purpose flour
1/2 tsp. salt
Green and orange paste food coloring
Pecan pieces
Chocolate morsels

Cream butter in a large mixing bowl at medium speed of electric mixer. Gradually add powdered sugar, beating at medium speed until mixture is light and fluffy. Add egg, vanilla and almond extracts, beating until blended.

Combine flour and salt in a medium mixing bowl. Add flour mixture to creamed mixture, mixing well. Color 2/3 cup cookie dough with green food coloring. Color remaining dough with orange food coloring.

Spoon orange dough into a pastry bag fitted with metal tip No. 2110. Pipe mixture into pumpkin shapes on ungreased cookie sheets. Spoon green mixture into a pastry bag fitted with metal tip No. 10. Pipe green stems on each pumpkin.

Bake cookies 6 to 8 minutes at 400 degrees. Immediately arrange pecan pieces and chocolate morsels to make pumpkin faces. Remove decorated cookies to wire rack to cool. Yield 3 dozen.

Dorner

A son, Alexandar Todd, was born Oct. 19 to Edward and Shannon Dorner Jr. of Wichita Falls. He weighed eight pounds, 11 ounces, and was 21 inches long. He is the couple's first child.

Grandparents are Ed and Marge Dorner of Iowa Park, Cheryl and Tommy Johnson and Ralph Warren, all of Wichita Falls.

Great-grandparents are Mr. and Mrs. Hurshel Johnson of Wichita Falls and Ina Malone of Electra.

Robnett to retire after 36 years

David Robnett will retire Nov. 1 as county elective director of Farm Service Agency (formerly ASCS), a post he has held the past 26 years.

He explained the organization was "down-sizing" and offered a "buy-out" proposal, which he accepted.

The agency will continue to operate at its current location, 400 North Wall, and his replacement is expected to be named in the near future.

Such is not true in other counties than Wichita, however. Many smaller counties will no longer have FSA offices, Robnett said, and, in fact, the organization's activities likely will be phased out entirely in seven years.

Robnett began work with the SCS in 1960 at Pecos, and transferred to Tulia, where he worked six months before joining the U.S. Air Force. He remained in the military seven years, before accepting his discharge, and went back to work with the SCS.

He acknowledges and agrees with what many farmers and ranchers in the county have said about him: "He knows my place, what I grow and how many head of stock I have."

What's in the future for Robnett? "I'll never see another 100-degree day," he says, explaining that he and

his wife, Diane, have purchased a condo at Red River, New Mexico, where they plan to spend future summers, fishing.

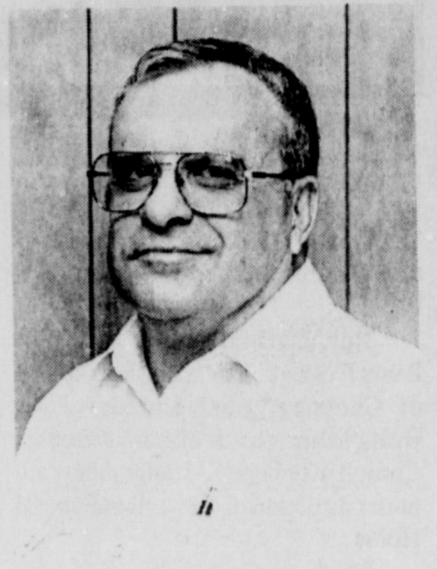

Mrs. Robnett also has retired from government work. She had to accept "delayed retirement" from the U.S. Postal Service earlier, because of a back ailment.

He describes his wife as a "trout fisherman deluxe."

The Robnetts will retain their home here, where they will spend their winters.

Otherwise, he said his retirement will allow him more time to get better acquainted with his grandson and do church work.

They've already begun another non-profit activity, that of delivering meals-on-wheels.

David Robnett

Four locals join Army

Four recent Iowa Park High graduates recently signed up to join the U.S. Army, causing the recruiting sergeant to comment about how unusual a situation it was.

S/Sgt. William M. Carter listed Arthur Barnes, Jennifer Davis, Tony Chacon and Melissa Muse as having enlisted and will soon be entering basic training.

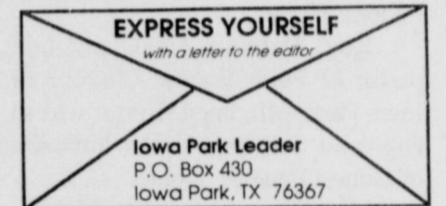

Barnes, a 1994 graduate, and Davis, who graduated in '95, both joined in September and will leave next month.

Barnes received a cash bonus to sign for three years of duty, and will be in the Airborne Infantry. Davis, who received \$15,000 in college scholarship when she signed up for six years, will enter training as a computer programmer and software

analyst, a full year of technical education.

Chacon, who was graduated in 1991, received a \$15,000 scholarship when he signed up for six years, and his year-long technical school will prepare him as a radiologist. He also will leave in November.

Muse, a '95 graduate, received a \$30,000 scholarship to sign up for six years. Following 36 weeks of technical training, she will be in satellite communications with the space command.

IN THE MILITARY

In NATO exercise

Chief Petty Officer Charles R. Conner of Iowa Park recently participated in one of NATO's largest exercises in Southern Europe while assigned to U.S. Sixth Fleet staff embarked aboard the flagship USS La Salle.

Connor is among more than 100 Sailors and Marines who serve on the staff of the admiral in charge of U.S. naval forces in the Mediterranean Sea.

A 1981 graduate of Iowa Park High School, he joined the Navy in November of 1982.

Obituaries

Jesse Satterfield

Graveside services for Jesse "Joe" Satterfield, 52, were at 10:30 a.m. Saturday in Crestview Memorial Park.

Rev. David Bryant of Arlington Bible College, Rev. Charles Bartlett of Cheyney, Kan. and Dr. Finis Beauchamp, pastor of Lamar Baptist Church officiated. Arrangements are under direction of Crestview Funeral Home.

Mr. Satterfield, father of Gidgett Bates of Iowa Park, died Wednesday in Stephenville.

Born Feb. 5, 1944, in Parkersburg, W. Va., he was married to Margie Vasquez Feb. 15, 1964. He served four years in the Air Force and had been an insurance agent since 1966.

Other survivors include his wife; two other daughters, Lorie McQuerry and Amy Livingston, both of Wichita Falls; one brother, Tommy Satterfield of West Virginia, and eight grandchildren.

Memorials may be made to Star Project at Wichita General Hospital.

Reeda M. Capps

Services for Reeda M. Capps, 69, were Monday at 2 p.m. at Dutton Funeral Home.

Rev. Dennis Neal, assistant pastor of Faith Baptist Church of Iowa Park, officiated. Burial was in Highland Cemetery under direction of Dutton Funeral Home.

Mrs. Capps, daughter of Wavie Coleman of Iowa Park, died Saturday in a Wichita Falls Hospital.

Born Feb. 24, 1927, in Littlefield, she was married to Phillip E. Capps Sept. 23, 1943, in Walters, Okla.

She was a homemaker and a member of Highland Heights Baptist Church in Wichita Falls, where she had been a resident 50 years.

Other survivors include her husband; two sons, Phillip of Wichita Falls and Donnie of Lake Kickapoo; one daughter, Cindy Davis of Wichita Falls; one brother, Eugene Voyles of Benbrook; nine grandchildren, and two great-grandchildren.

Joe Owen

Graveside services for Joe Owen, 59, will be held at 10 a.m. today at Highland Cemetery, with L. Keith Parker, minister, officiating.

He died Monday in a Wichita Falls hospital.

Mr. Owen was born Dec. 10, 1936, in Vernon. He was trucking supervisor 20 years with E.W. Moran Co., and was later a self-employed truck owner and operator.

Survivors include his wife Linda of Iowa Park; his mother Eva Williams of Pampa; three sons, Joe W. of Middleton, Calif, Clint Allen and Donald Scott, both of Iowa Park; and six grandchildren.

The family requests memorials be made to Hospice of Wichita Falls.

Wayne Lehman

Services for Wayne Lehman, a life-time resident of Iowa Park, were at 2 p.m. Wednesday at Highland Cemetery under direction of Dutton Funeral Home.

Larry Suttle, minister of 10th and Broad Church of Christ in Wichita Falls, officiated. Burial was in Highland Cemetery under direction of Dutton Funeral Home.

Mr. Lehman was born May 13, 1919, in Wichita Falls. He was married to B. Farris Sept. 19, 1948, in Wichita Falls. She preceded him in death in 1987.

Lehman was a member of 10th and Broad Church of Christ, Wichita County Farm Bureau, and International Alliance of Theatrical and Stage Employees Local No. 378 of Wichita Falls.

Survivors include a daughter, Virginia Lehman Engelke of Plano, Tx. and Lebanon, Ore.; two sons, Richard and Wayne Lehman Jr., both of Iowa Park; seven grandchildren, and three great-grandchildren.

Memorials may be made to the American Heart Association, 1705 Dayton, Wichita Falls, Tx. 76301.

Christmas in Spring kicks off season

Christmas in April Wichita County is kicking off its 14th season of volunteer home repair, but there is some question if any home in Iowa Park will be benefited.

Hank Grieb, executive director, said, "There is no guarantee right now that we will work on any homes in Iowa Park, simply because of funding."

Christmas in April is a volunteer organization that, in partnership with the community, rehabilitates houses

of low-income homeowners, particularly the elderly and disabled, so they may continue to live in warmth, safety and independence.

The organization relies on monetary donations from the community to repair homes, as well as both skilled and unskilled volunteers to make the repairs.

To request an application by mail or to send a tax-deductible contribution, Christmas in April can be contacted at P.O. Box 8464, Wichita Falls, 76307.

State Capital

HIGHLIGHTS
By Lyndell Williams & Ed Sterling
TEXAS PRESS ASSOCIATION

participate in the plan if he determines the voluntary approach is not finding insurance for enough eligible applicants.

Lottery Funded Scholarships

The state Board of Education has endorsed a plan to tie the Texas Lottery to education by using lottery revenue to fund a new college scholarship program.

Supporters of the plan said about 80,000 high school students could initially qualify for the \$1,000-a-year scholarships if they graduate with at least a B average in recommended courses and attend a public college or university.

The proposal, which must be approved by the Legislature, would cost about \$80 million in its first year and \$160 million in the second year. The lottery generates about \$1.1 billion a year for the state treasury.

Board member Jose Garcia De Lara of San Antonio drafted the proposal, emphasizing that it would address the demands of many Texans that some lottery money be earmarked for education.

"The perception is that the lottery was intended to go to education," De Lara told the *Dallas Morning News*. "Quite frankly, the people are angry in my district."

Before approving the plan on a 9-5 vote, board members debated the use of lottery money for education and whether they should be considering programs not aimed at public school children.

Workers Comp Layoff

The Texas Workers' Compensation Insurance Fund will lay off as many as 221 employees this week because of a decline in business.

"We find that our premium volumes are going down as competition heats up in the workers' compensation market," said Terry Frakes, a senior vice president of the fund.

The fund's premium volume has dropped from \$623 million at the end of 1994 to about \$400 million now, Frakes said, and it is expected to drop again next year.

AUSTIN — It's going to be easier for Texans who have had problems buying home insurance to find companies that will offer them coverage, under the state's new Market Assistance Program.

The MAP includes a computerized system to link residential property owners in underserved areas with insurance companies that might insure their homes.

Last week, Texas Insurance Commissioner Elton Bomer announced that insurance companies representing about 80 percent of the state's residential property insurance market have agreed to participate in the program.

"I am pleased with the reaction so far and hope even more companies will sign up as the program becomes better known," Bomer said.

The MAP will be phased in over the next six months. Phase one began last week for residential property owners in Harris, Dallas, Bexar and Tarrant — Texas' most populous counties — and all or part of 11 South Texas counties.

Phase two opens Jan. 15 with the addition of almost all of Galveston and Nueces counties, plus parts of Travis, El Paso, Jefferson, Lubbock and Wichita counties and all or part of several other West Texas counties. Beginning April 15, the last phase will add part of McLennan County and a number of rural counties.

The MAP is mandated by House Bill 1367, an antidiscrimination measure sponsored in 1995 by state Rep. Harold Dutton and state Sen. Rodney Ellis, both Houston Democrats.

Under the MAP, Bomer can require all property insurers to

RAC News

By JO LYNN COCKRUM

Bridge Results

There were two tables in play last Wednesday, and Amy Conley had the high score of 4240. Second high of 3290 was reported by Mary Dennison.

Monday's club also had two tables, with Paula King reporting the high score of 5010. Marilyn Hale had a score of 4610 for second high. There are seven players registered for next Monday.

Chaperones Needed

The RAC will host a Halloween costume dance for junior high students on Halloween night from 7-10 p.m. Admission for the dance will be \$3 per person. Prizes will be awarded for best costumes in several categories. Parents are urged to contact the RAC at 592-4471 to assist as chaperones. At this point we only have five, which will not be sufficient to hold the dance.

Halloween Specials

There will be a preschool Halloween party at the RAC on Monday, Oct. 28, from 10-11 a.m. Cost for the

party will be \$1 each. Also on Monday we will host t-shirt painting for school-age students beginning at 1 p.m. Each student should bring their own shirt and \$2 to cover the cost of paints and supplies. Reservations are necessary for these events by Friday, Oct. 25, at 4 p.m. Please call 592-4471 to make your reservation.

Thank You

The RAC would like to express our sincere thanks to the members of the Harley Owners Group who participated in the RAC Run in September. Proceeds of \$500 were presented to the RAC and is greatly appreciated!

Lost and Found

There are several articles of clothing, purses, shoes, and jewelry in the lost and found at the RAC. If you have misplaced anything in the past few weeks, please stop by the office to see if any of these might be yours. Office hours are 8-8, Monday through Thursday, and 8-4 on Friday.

NEWS OF THE
IOWA PARK
GENEALOGICAL & HISTORICAL SOCIETY

We last discussed the availability of records which contain valuable information to us as we seek our ancestry. Another of the sources of information that may be overlooked, is the Bureau of Refugees, Freedmen, and Abandoned Lands.

In an effort to protect the new freedoms enjoyed by former slaves, Congress established the Bureau of Refugees, Freedom, and Abandoned Lands in 1865. The Bureau was designed to control all subjects relating to refugees or freedmen in the South, and other areas still under military control after the Civil War.

Before its abolition in 1872, its activities included aiding in legalizing marriages consummated during slavery, witnessing labor contracts, issuing rations and clothing to destitute freedmen and refugees.

Leasing land, operating hospitals and freedmen's camps, as well as providing transportation to refugees and freedmen returning to their homes were also responsibilities of this agency.

As time went on, the Bureau became involved in helping former Union soldiers and sailors with their bounty claims, back pay, and pensions. After the Bureau was abolished, its unfinished business was assigned to the Freedmen's Branch of the Office of the Adjutant General.

Perhaps the most extensive records kept by the Bureau were the ones concerning marriages by former slaves, including monthly reports, licenses, and other proofs of marriages.

Other records kept by the Bureau included indentures and other labor contracts, hospital records, some censuses, transportation records, complaints by freedmen about abuses suffered at the hands of whites, and records relating to the administration of relief funds. Most of these records were filed by state.

Also available are records of the Freedmen's Savings and Trust Company, which operated between 1865 and 1874. As with other record types noted, the information from the branches of this financial institution vary, but many included the age of the depositor with his birthplace, residence, the name of his former master, his occupation, and the names of his parents and other members of his family.

Other Bureau records include those relating to abandoned or confiscated lands, and applications for and appointments of civilian employees of the Bureau.

Being a federal agency, the records of the Bureau of Refugees, Freedmen, and Abandoned Lands are deposited in the National Archives in Washington, D.C. and many are available on microfilm through the National Archives.

A great deal of information on the Bureau can be found in the *Guide to Genealogical Research in the National Archives*, and in the *Guide to Federal Archives Relating to the Civil War*, by Munden and Beers.

— Fil Spangler

It's A Fact . . .

Residents of Iowa Park are eligible to purchase a dumping permit for \$5, to get rid of trash, appliances and brush at no additional cost by delivering it to the city's convenience center, located south of the intersection of Smith and Johnson roads. The permit is good for 12 full months. Days and hours the center is open include: 12-6 p.m. Fridays; 9 a.m.-5 p.m. Saturdays; 1-5 p.m. Sundays, and 12-6 p.m. Mondays. The center is closed Tuesdays, Wednesdays and Thursdays.

GO HAWKS!

Lions swamp Hawks

For the first 12 minutes of Friday night's game against Vernon, Iowa Park looked like they would give the Lions all they could handle in a showdown between what many consider as the top two teams in District 3-3A.

After a scoreless first quarter in which the Hawk defense recorded a pair of sacks by Brandon Brown and a fumble recovery by Jeremiah Love, the second quarter started even better for Iowa Park when Brandon Holley intercepted Si Schur's pass on the first play of the quarter. But just as soon as Holley had tucked the ball away, a Vernon defender jarred it loose and Vernon recovered at its own 38-yard line.

Two plays later the Lions were on the board and never looked back as Vernon roared to a 42-7 win over Iowa Park to remain unbeaten at 7-0 and 2-0 in district play. The Hawks fell to 5-2 overall and 1-1 in league play.

Vernon tailback Chad McBride put the Lions on the board with 11:13 left in the first half on a 23-yard touchdown run following a 39-yard gain on the previous play.

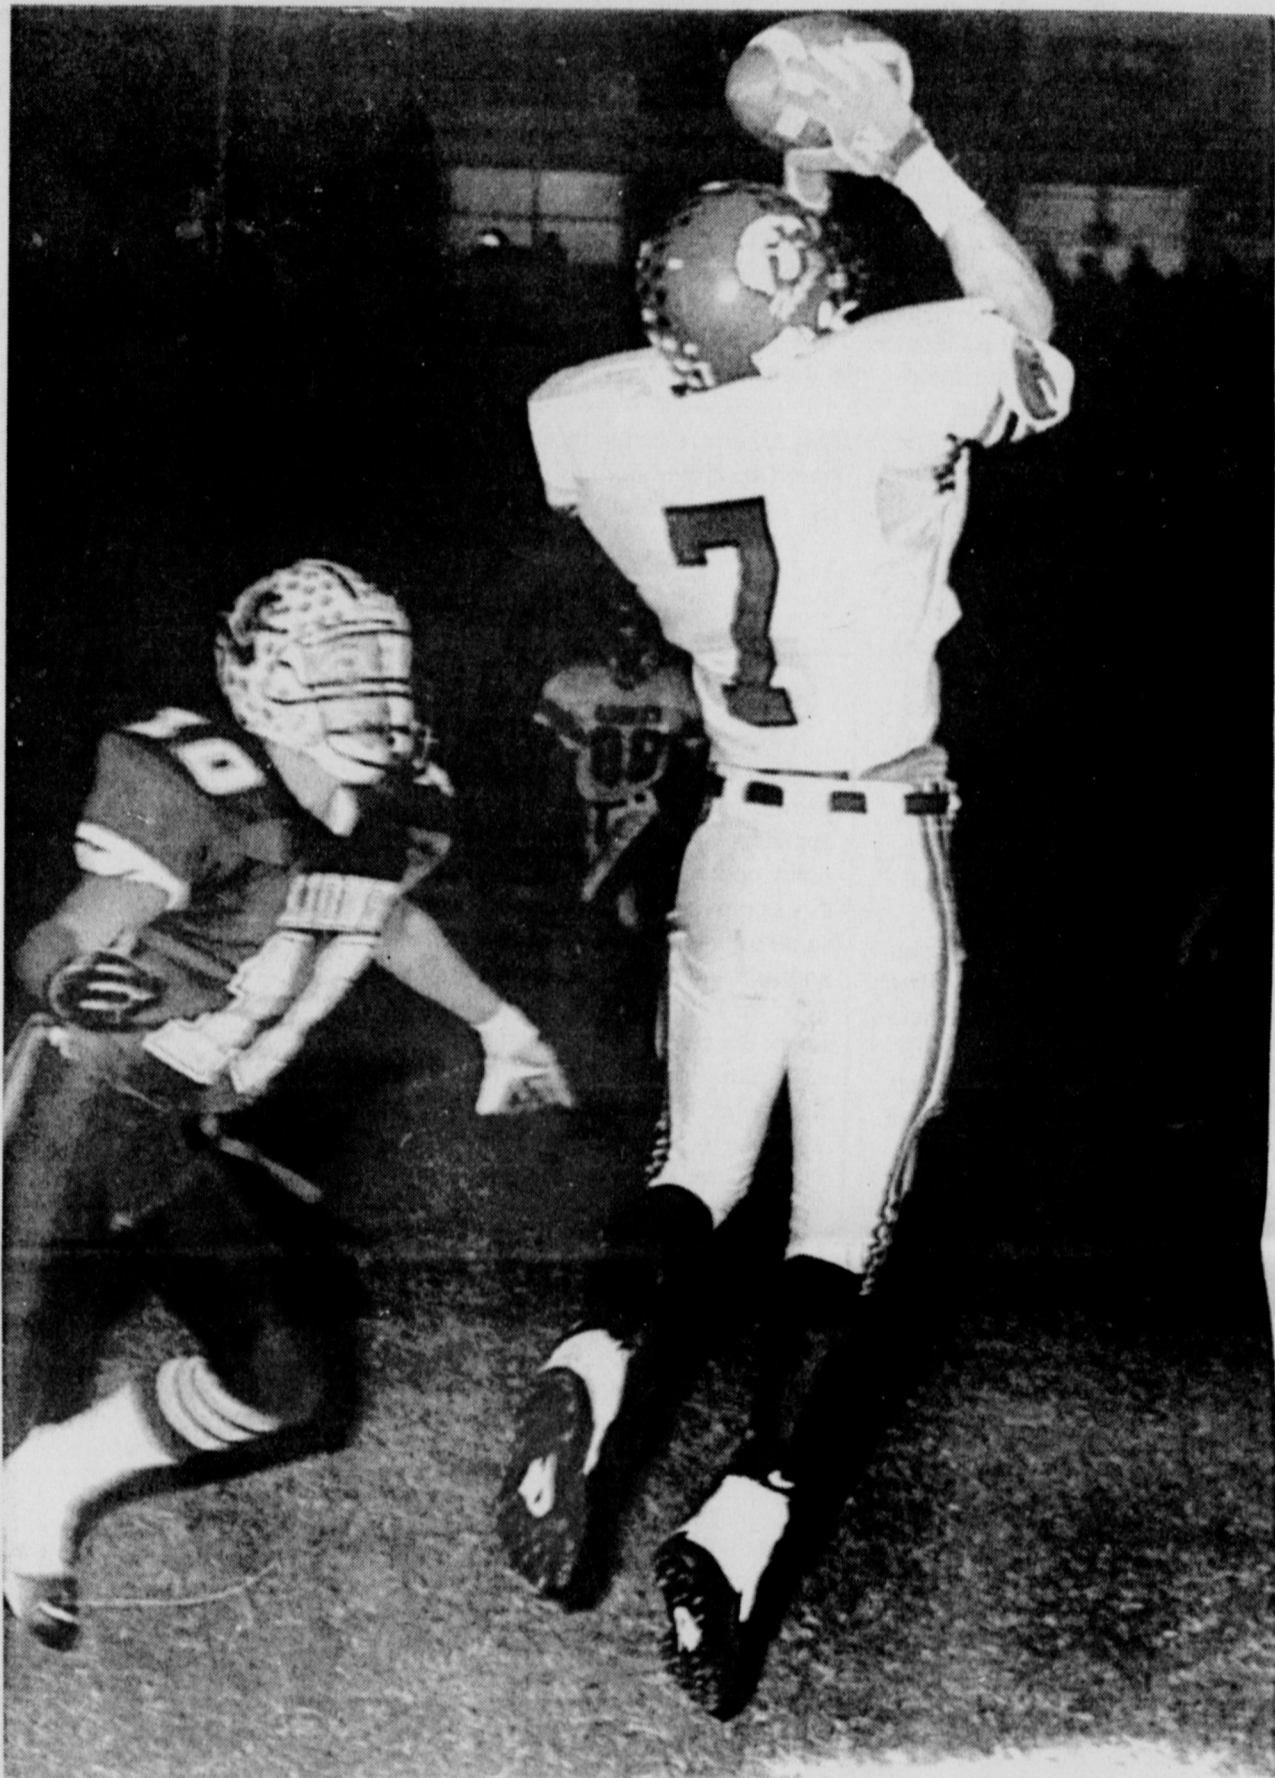

Iowa Park took the ensuing kickoff and went four and out. The Lions took over at the Hawk 29-yard line after Nick Black's punt was partially blocked. Chedrick Ricks scored to make it 12-0 on the first play from scrimmage on a 29-yard run. Brenton Gabbert ran in for the two-point conversion to boost the lead to 14-0.

The Hawks next possession ended when Vernon's Brad White intercepted Todd Yeager's third-down pass from the Vernon 26. The Lions once again cashed in on the first play from scrimmage when McBride scampered 50 yards for the touchdown. Justin Marsh tacked on the first of his four extra points to make the score 21-0 with 7:05 left in the half.

Iowa Park turned the ball over again with 1:47 left in the second quarter when Yeager's fumble was covered by Cameron Cage at the Hawk 32-yard line. Four plays later, Vernon made it 28-0 when Gabbert scored from 26 yards out on a fourth-down play.

The Lions added another touchdown late in the third quarter on a 1-yard plunge by Sidney Gains with 2:42 left in the quarter. The run capped a nine-play drive, the longest of the night by the Lions.

Vernon made the score 42-0 on it's first drive of the fourth quarter when Schur hooked up with Mark Graf on an 18-yard

CHAD WRIGHT HAULS DOWN A PASS FROM TODD YEAGER

touchdown pass with 9:44 left in the game.

Keith Trammell covered a Vernon fumble at the Iowa Park 37 with just over five minutes left in the game. The Hawks prevented a shutout when fullback Calvin Galliton dove over from 1 yard out with just 41 seconds remaining in the game. Big plays in the drive included a 10-yard run by Galliton and a roughing-the-passer penalty called against Vernon. Trammell remained perfect on his point after attempts splitting the uprights to make the final score 42-7.

Yeager led the Hawks ground attack picking up 51 yards on 13 carries with Brown close behind with 47 yards on 18 carries. Galliton finished with 19 yards on only five tries.

McBride led the Lions with 133 yards on nine carries while Ricks also cracked the century mark with 111 yards on 12 tries.

"That early turnover where we intercepted the ball, then fumbled it back to them was the turning point in the game," head coach Weldon Nelms said. "We'd

played them close up until then. Then they get the ball back after it looks like we'd just come up with a big turnover and two plays later it's 6-0 and they're on a roll from that point on."

TOP OF TEXAS FOOTBALL

PEE WEE EAST

The old saying that "defense win's games" was proved out once again Saturday night as the Pee Wee East Hawks won a hard-fought battle against once-beaten Holliday 8-6 to keep their playoff hopes alive.

The Hawks, 3-4 overall and 3-2 in conference play, will qualify for the playoffs if they beat Henrietta this Saturday. Iowa Park could tie for the top spot in the Eastern division with a win over the Bearcats.

In the Holliday game, the offense gave Iowa Park an 8-0 lead with 10 seconds left in the first half when Matt Bosley dove over from two yards out, then added what turned out to be the winning two-point conversion. The key play in the drive was a fake reverse by Bosley that covered over 70 yards.

On the ensuing kickoff, Holliday picked up the ball at their own 35 and went 65 yards for the touchdown with no time left on the clock.

But that was where the defense got started as the Hawks denied Holliday the two-point conversion that would have tied the game.

The Hawk defensive unit of Brandon Hopper, John Standridge, Wesley Boren, Ryan McGlaughlin, David Quick, Tyler Duggins, Matt Glasgow, Mikey Glasgow, Chris McCasland, Teddy Lytle and Bosley held the Eagles scoreless for the entire game, including 12 plays from inside the 10-yard line when the game was in question. The game ended with Holliday being stopped at the one foot-line as the final buzzer sounded.

Iowa Park will travel to Henrietta Saturday to conclude the regular season.

PEE WEE WEST

The Pee Wee West Hawks won a tough one this week, downing

Burk West 6-0 to improve to 4-3 overall and 3-3 in conference play. Iowa Park will play its final non-conference game Saturday night when they host Nocona.

It looks like the Hawks will need some help to reach the playoffs though. For Iowa Park to get in, Electra must beat Quanah this Saturday.

In the Burk game it was the Hawk defense that set the tone for the game, holding the Bulldogs to only two first downs the entire game. Cody Hicks, J.T. Menasco, Ryan Anderson, Michael Sargent, Drew Skeeler, Josh fields, Matthew Gaitan, Ryan Beard, Toby Brown, Tyler McKnight and Clay Billingsly all turned in stellar defensive performances.

Sargent scored the only touchdown of the game in the third quarter for Iowa Park. Fields and Gaitan also added to the offensive rushing attack for the Hawks.

Iowa Park will wrap up the regular season Saturday night when they play host to Nocona at 6.

MIDGET WEST

The Midget West Hawks lost to Burkburnett, which remained undefeated, 14-0 Saturday night, but left the game knowing that they gave the Bulldogs their toughest competition of the year.

The first half ended in a 0-0 tie and not until late in the third quarter did the Bulldogs get on the board. Burkburnett led 6-0 until only 12 seconds remained in the game when they added their final touchdown to make the final 14-0.

Offensive leaders for Iowa Park were Jason Stevens and Kyle Hayley.

Defensively, Stevens and Michael Fulkerson both had good games for the Hawks.

Iowa Park plays host to Nocona in a non-conference game Saturday night at 8.

Hawks

Continued from page 1

25 points per game and allowing opponents only 17.

"I think the key to the game for us will be how we control the ball," Nelms said. "They like to move a lot of people around on defense and they like to use an 8-man front at times. We will have a big advantage with our speed and we are going to force them to cover the whole field against us. I feel like we need to be able to pass the ball against them to get them out of the 8-man front."

"Jacksboro's a veer-type team," Nelms added. "They're a 4-yards-in-a-cloud-of-dust-team. We need to keep them in long yardage situations. Their offensive line is big and strong. We'll have to use our quickness to beat them to the mesh point to stop the veer. They like to throw the ball to their tight end and will use a lot of different formations to try and confuse you on defense."

The Hawks' offense will be back at full force with the return of Fulfer at tailback. Iowa Park is averaging 304 yards per game, 231 on the ground and 73 through the air.

"I think our kids will rise to the occasion," Nelms said. "We know at times you are going to fall, it's how quick you can get back to where you were that we are concerned with. We realize we must win out to get into the playoffs and that we still control our own destiny. We'll be in good shape as long as we come out ready to play every week and continue to improve each time out."

"We haven't lost on our home field all year long," Nelms added. "Our kids realize that each game from this point on will have a playoff atmosphere."

Friday night's game is scheduled for a 7:30 kickoff. Iowa Park will remain at home to take on Henrietta next week at 7:30 before taking to the road for the final district game against Bowie.

Helpful Hints

The owner of any deceased animal shall be responsible for the removal of the animal from public rights-of-way, recreation areas or private property.

Opportunity to dispose of pesticides

Rural residents will be able to dispose recyclables, empty plastic pesticide containers, and old, obsolete, canceled, banned, suspended, or otherwise unwanted pesticides free of charge next week at Vernon.

The event is being sponsored by the Texas Natural Resource Conservation Commission.

Texas Country Clean Up and Agricultural Waste Pesticide Col-

lection will be held from 8 a.m. until 3 p.m. at Hardcastle Ag Services, 11674 on Highway 70.

Among the items which can be disposed of are used motor oil and oil filters, used tires and lead-acid batteries, and properly-rinsed empty plastic pesticide containers.

Empty plastic pesticide containers must be clean, triple-rinsed or high-pressure rinsed to be accepted.

Used tires must have a rim diameter of 25 inches or less.

In addition, pesticide applicators are encouraged to take any unwanted pesticides they may possess. There will not be a fee charged and no questions will be asked.

Disposal costs for one 55-gallon drum of pesticide could cost a farmer \$1,500 to \$2,000 at a commercial facility.

All chemical formulations will be accepted, excluding pesticides or herbicides containing 2,4,5-T - Silvex; fertilizers or nutrient materials that are neither hazardous nor contain pesticide admixtures; or pesticides or wood preservatives containing Pentachlorophenol.

Explosives and compressed gas cylinders will not be accepted. Also, chemicals from chemical manufacturers or dealers or from outside Texas will not be accepted.

Photo ID cards available

Many airlines now require ticket holders to present government-issued photo identification cards prior to boarding planes--and the Department of Public Safety's photo identification card can meet that requirement.

"Any Texan, any age, can get a photo ID card at any DPS Driver License Office," said Frank Elder, deputy administrator of the DPS Driver Licensing and Control. "People who don't have a driver license often find themselves in need of an official photo ID, whether for cashing checks, proof of age, air travel or other purpose."

An applicant for a card must present a birth certificate, passport or military identification card and pay a \$10 fee. The card is valid for four years. Parents applying for a card for their children must bring one of the required documents for each child.

Security features on the identification cards are the same ones used to prevent forgeries of the driver licenses.
