Football kickoff Wednesday

True Hawk fans can show their support for the '98 Mean Green by being at Hawk Stadium Wednesday morning -- at 12:01 a.m.

That's when the Hawks have their first workout at the earliest time allowed by the University Interscholastic League.

Now something new has been added, leading up to that time, right after a meeting of all player parents.

Preceding the workout, the Iowa Park Chamber of Commerce will sponsor a special "Hawk Kickoff."

The Chamber is sponsoring a Punt, Pass and Kick contest, with prizes awarded in 14 different age categories.

First place prizes will be an NFL football. Second and third placers also will receive prizes. Contestants are asked to pay a \$2 entry fee.

Robert Palmer, Chamber president, encourages everyone to attend and participate. "There will be winners, but the real fun will be to watch the arms and legs that haven't touched a football in many years attempt to show they can still do it," he said.

The concession stand will be open through the evening, manned by Chamber volunteers.

School enrollment to begin August 6

With Iowa Park students returning to classes on Aug. 17, activity is beginning to pick up on the different campuses.

Band students have already begun their practice sessions, and football practice begins at 12:01 a.m. next Wednesday.

At Iowa Park High School, Principal Alan Seay has scheduled student registration for the following days and times:

August 6 -
Seniors, 10 a.m. - 12 noon
Juniors, 2-4 p.m.

August 7
Sophomores, 10 a.m. - 12 noon
Freshmen, 2-4 p.m.

August 10 -
New student registration, 10 a.m. - 12 noon.

Students need to pick up their 1998-99 schedules and first of school registration materials. In addition, the students may be able to make necessary schedule changes.

The purpose of registration, according to Seay, is to minimize the number of schedule changes we have after the beginning of school. "We want to start school in class, not in the office getting schedules changed."

Seay also commented that students who do want to change their

WALKING TRACK UNDERWAY - Workers began early Monday afternoon, cutting away the path of the long-awaited walking track around Gordon Lake. The facility is expected to be completed by mid-winter or early spring.

It's best to pay the fare

If you hire a cab to take you shopping, don't refuse to pay the fare -- and be sure if you do, don't attempt to pay it with stolen merchandise.

That's what happened here Thursday afternoon.

Three individuals took a cab to Wal-Mart shortly after 12-noon. The driver called Iowa Park police, saying they were refusing to pay for the service.

Then, when officers responded, they learned that one had offered to pay, but with a fishing reel he had just carried out of the business, according to the police blotter.

Arrested on a charge of theft of service and transported to the county jail were Jason W. Stewart, 20, Yvonne Marie Burns, 27, and Terry W. Kier, 34.

Another uncommon event was recorded at 11:17 p.m. Saturday.

A man asked an officer to give

him a ride to the Country View Mobile Home Park on the east side of the city.

After leaving the man at the destination, the officer ran a computer check on the man, and it turned up that he had outstanding warrants issued here and also by the county sheriff's office.

Then, when informed the officer knew of the warrants, the subject attempted to run away, climbing over a chain link fence. But he was soon captured.

Besides the new charge of attempting to evade arrest, Duane Steven Hughes, 29, was transported to the county jail on the other warrants, which included the Iowa Park war-

Coach Beard dies in Houston

Larry Beard, head softball coach at Iowa Park High School, died of an apparent heart attack early Wednesday morning in Houston.

He was in that city with others of the Iowa Park coaching staff, attending the annual coaches clinic.

Beard, David May and Dusty Rafferty had returned to their room after watching the high school all-star football game, and went to bed about midnight.

The two coaches said Beard got out of bed about 1 a.m., complaining of being hot and sweaty, and said he was going to take a quick shower.

As he was re-entering the room, Beard reportedly collapsed to the floor. May immediately began performing CPR while Rafferty called 9-1-1 emergency.

Emergency medical personnel responded quickly after being summoned, and he was transported to a nearby hospital where he was declared dead about 5 a.m., according to reports.

He was 51 years of age.

Beard, a retired lieutenant colonial, did his practice teaching here during the 1993-94 year, and was a substitute teacher at Henrietta the following year.

He returned for the 1995-96 year and has served as the girls' softball coach at high school, while teaching social studies at the junior high. He also coached boys football and girls basketball at junior high, and worked with the high school varsity girls basketball players off-season.

Funeral arrangements were not available at press time.

PUBLISHER BOB HAMILTON WITH PLAQUE ... presented in Midland by Mrs. Barbara Kelly, secretary of the West Texas Press Association.

Leader, publisher recognized

The Iowa Park Leader and its publisher received recognitions during the annual convention of the West Texas Press Association last weekend in Midland.

The Leader received two awards in its better newspaper contest, and Bob Hamilton was named recipient of the Harold Hudson Memorial Award.

Competing with newspapers with circulations ranging from 1,800 and larger, the Leader placed second in advertising, and third in general excellence.

Taking first in both those categories was the Fredericksburg Standard Radio Post, which has a circulation of 9,490. Fort Stockton has 3,295 circulation, while Iowa Park has 2,700.

Kari Collins, advertising director of the Leader, also was elected second vice president of the organization.

Fredericksburg also was named the outstanding newspaper in that division.

The plaque presented to Hamilton was inscribed, "In recognition of his leadership, active support and dedication to the West Texas Press Association and his commitment and contribution to his community and the newspaper profession in West Texas."

Hamilton was the fifth recipient of the award, which was named for the late, long-time publisher of the Perryton Herald.

Hamilton served as president of the association 1974-75.

NEWS BRIEFS

City-wide garage sale Saturday

Shoppers are expected to converge on Iowa Park Saturday, to take advantage of the annual end-of-summer city-wide garage sale which is coordinated by the Iowa Park Chamber of Commerce.

The Chamber has prepared maps of all participating sale locations, which will be available at K&K Quick

Stop beginning at 7 a.m.

A special feature was added this year. Each sale listed on the map will have a special number, and each registered sale will have a drawn number.

When a map matches that number, the holder will receive a special prize.

and Aug. 24-28, Mrs. Robinson said.

Persons wishing to make their services available should contact Mrs. Robinson between 9 a.m. and 3 p.m. by calling 592-9311.

Friendly Door needs volunteers

Volunteers to deliver meals to shut-ins are needed next month, while regulars are on earned vacations, according to Myrna Robinson, director of the Friendly Door.

Delivers are needed Aug. 17-21

Evening Lions Club continues to be active

By SHERRIE WILLIAMS

Because a group of men had a desire to become involved with the Iowa Park Lions Club, but were unable to attend the noon meetings, the Evening Lions Club was begun. December 19, 1955, the Iowa Park Evening Lions Club was chartered.

There were 23 charter members, including: R.E. Waters, William P. Christian, James E. Todd, James W. Stewart, George E. Trammell, Virgil I. Woodfin, Joe M. Baxter, W.C. Brown, Floyd L. Browning, Elgin H. Cloe, D.H. Ford, Otis Gay, W.A. George, Earl S. Griffith, Wayne

House, Arch Hughes, William C. Lane, Cecil Marquart, John E. Sibley, Luther B. Skinner, Burt Van Horn, C. L. Vaughn, and Paul H. Zink. Of the 23 charter members, there are only three survivors: Woodfin, Skinner and House. Woodfin is the only one remaining active.

The members met at various locations through the years, the last before the purchase of the present location being the Presbyterian Church.

The present location is 102 West Cash. They purchased the building from Jesse McCullough. The building

was the home of "Tanner Hardware" owned by Buddy Tanner for many years. McCullough had purchased the building from Tanner. McCullough allowed the Lions Club to make payments on the building.

About the time the club members were thinking about how they would pay for the building, the Chamber of Commerce was organizing the Whoop-T-Do.

The members decided they would set up games at the Whoop-T-Do. The first years of the event they had dime throw, ring toss, bottle throw, doll throw and basket ball free throw.

They now do two booths, doll throw and basketball free throw.

The game booths at the Whoop-T-Do is their main fund raiser, according to Woodfin. He added that in the earlier years they had a few other fund raisers.

Auction sales was a great fund raiser for them for a few years. Remains of estate sales, garage sales and auction sales, and donations from the Lion Club members were often donated for auctions.

The Lions Club also leases 100 W. Cash, next door to their club, to Petticoat Junction. Before Petticoat

Junction, the Friendly Door senior citizen center was in the building for many years.

Due to the decline in membership they do not have the manpower to hold as many fund raisers as in years past, according to Woodfin.

Harvey Troutman, newly installed president, says his goal is to increase membership, so they can do more for the community and raise funds for their eyeglass fund.

He encourages citizens who might have some free time, enjoy good fellowship, covered dish meals, programs on a variety of subjects, and

would like to help the community, to contact an Evening Lion Club member and consider becoming a member.

They meet the second and fourth Tuesdays of each month. The cost of membership is \$25 at sign up. This includes a packet and Lions Club vest, and \$6 per-month membership fee. Ladies are welcome to join.

The club now has 10 active members. They are: Harvey Troutman, president; Virgil Woodfin, first vice president; Claud Johnson,

Frazier, Keep exchange vows

Nancy June Frazier and Christian Allen Keep exchanged double-ring vows in a private ceremony July 12 at First Christian Church.

Chaplain Bob Brown of United Regional Health Care Eighth Street Campus, directed the recitation of vows for the children of Mr. and Mrs. Geral Frazier of Iowa Park and Mr. and Mrs. Leonard Keep and Ann Keep, all of Wichita Falls.

The bride chose a white linen suit, trimmed with satin piping and pearls for her wedding day. She carried a cascade bouquet of white lilies, Lilies of the Valley, stephanotis and English ivy.

The groom was attired in black wranglers, a white western shirt and black cowboy hat.

Following the ceremony, a reception was held in the Fellowship Hall of the Church.

The bride's table was the focal point of the reception, holding a three-tiered bride's cake.

The bride's table was covered in white lace, and trimmed with fuschia bows and cow print bandanas.

It held a three-tiered white-on-white cake, separated by white Grecian posts and raised on a white wrought iron stand that held four burning votives. The top tier of the cake was heart-shaped and held a miniature cowboy and cowgirl kissing in front of a lace-covered heart.

A punch bowl, and white napkins engraved in fuschia with a cowboy hat and lasso and the bride and groom's names and wedding date, completed the table setting.

Presiding at the bride's table were Linda Frazier, sister-in-law of the bride, and Sarah Milner.

The groom's table held a horse-shoe-shaped chocolate cake with chocolate-dipped strawberries, and a punch bowl filled with iced tea and lemon slices.

Denim cactus in fuschia pots with Gerbera daisies and draped with cow-print bandanas, served as the centerpiece for the table.

Mr. and Mrs. Christian Allen Keep
(Nancy June Frazier)

Lorraine England and Karen Shearman presided at the groom's table.

In keeping with the western theme, guest tables were covered with fuschia cloths, and centered with a cow-print bandana beneath centerpieces of cactus, boots, cowboys and coyotes.

Miss Amanda Frazier, niece of the bride, directed guests' signatures at a registry table covered with a skirted cloth caught up in swags by fuschia bows.

It held a denim cactus centerpiece and the bride's registry book. A

black cowboy hat held net bags filled with birdseed.

When the couple left for a honeymoon trip to Las Vegas, Nev., the bride wore jeans and boots.

The couple reside in Iowa Park. The bride is a graduate of Iowa Park High School, and is employed by United Regional Health Care System Eighth Street Campus.

The groom is a graduate of Rider High School and is employed at B&C Printing in Wichita Falls.

LIBRARY NEWS

Books Donated

The Amity Study Club has purchased books in honor of the following persons; *The Flowering Arranging Expert* by Dr. D. G. Hessayon in honor of Marge Childers.

50 Essential Things to do When the Dr. Says It's Cancer by Greg Anderson in honor of Melodee Gaines.

Know it & Grow it III by Carl Whitcomb in honor of Mark Terning.

Furniture Restoration in honor of Linda Crumbliss.

Across the River & Into the Woods by Ernest Hemingway in honor of Michal Jakubove.

Time Change for Storytime

Starting August 4th, storytime will be on Tuesdays and Thursdays from 10 a.m. - 10:30 a.m.

We will start another storytime on Wednesday, August 12th tentatively from 10 a.m. - 10:30 a.m. If this time slot is inconvenient for parents or child care providers, please contact Gayle at the library.

Room Rental

To rent the library for weddings and wedding receptions, the cost is \$75 / \$100 deposit. For all other functions, the cost is \$25 / \$50 deposit.

Internet

The library offers internet usage at no charge. (except for printing at ten cents a copy) If you need help using the internet or know when you want to use it, please call the library for a reservation.

Adams' son wins crown

Robbie Adams, the one-year-old son of former Iowa Park residents, Robert and Marilyn Adams, was recently crowned "Baby Master of Lubbock 1998." This was accomplished by Robbie winning first place in a Lubbock beauty pageant.

Robbie Adams

His grandparents are Mr. and Mrs. Charles V. Adams Sr. of Iowa Park, and Mr. and Mrs. Charles E. Griffin of Burkburnett. Great-grandparents are Mrs. Loretta Kiser of Wichita Falls and Mrs. Zenaida Narvaez of San Antonio.

Please join us for the continuing saga of Howard and Lillith...

"As The Phone Rings"

It was a cold winter night in February of this year when Howard first saw Lillith. Howard glanced up and spotted Lillith across the salad bar during the rush of Tuesday Night Buffet at Ken's Pizza.

Her eye's shone, mirroring the color of the potato salad. He was instantly taken with her, and she with him. They ate that night together, rather than alone, which was their usual custom.

A romance was born.

They became practically inseparable. They could be seen around Iowa Park holding hands walking through Wal-Mart; she sitting by his side as they bought fountain cokes at the drive-thru at Scobee's Mini Mart; and sometimes at Gordon Lake, silently looking out over the water and waiting for the day the walking path would be completed.

When they weren't together, they were on the phone. Every time the phone rang, Lillith's heart skipped a beat, hoping that Howard would be on the other end.

Both big football fans, Howard and Lillith spent afternoons at the Cowboy Training Camp, and eagerly awaited the start of Hawk Football Season.

Will the romance last? Can Howard and Lillith's love survive football season? Do they own cell phones? Stay tuned for the next episode of "As The Phone Rings."

UNITED STATES CELLULAR AUTHORIZED AGENT

Farabee Center phone system now in place

Letters were mailed recently notifying clients and other stakeholders of the Helen Farabee Center that a new telephone system would be in operation on July 28.

The change will mean new direct-dial telephone numbers for all Farabee Center staff located at the 10th and Brook administrative office and the 5th and Broad Street building. Phone numbers at the eight other service sites in Wichita Falls, including the Child and Adolescent program, will not be affected by the change.

This is one of the changes that has been made during the year, following the consolidation of the Helen Farabee Center and Rolling Plains State Operated Community Services, both providers of community-based mental health and mental retardation services.

The new phone system is the first major step in improving tele-

communication links between key locations within the 20-county service region," stated Roddy Atkins, Executive Director of Both Rolling Plains and Helen Farabee Center. "The system will offer many advantages for persons calling into our center, including the ability to call directly to a specific staff person without having to go through what was often a very hectic switchboard," he continued.

The new system will incorporate a 24-hour toll free crisis hot line, a first for the center's Wichita County area. "Calls to the crisis hot-line will go directly to our crisis department, bypassing the operator," Atkins said. "That may sound like a small detail, but to someone in a mental health crisis it can be an important difference," Atkins said there would still be an operator who will answer a non-crisis telephone line and help direct calls.

Mr. and Mrs. W.D. Vestal

Vestals married 60 years

W.D. (Jack) and Bessie Vestal of Iowa Park recently observed their 60th wedding anniversary.

Jack and Bessie Chesher were married July 20, 1938, in the Southside Church of Christ parsonage in Electra, with Merle Bryant officiating.

Their attendants were Mr. and Mrs. W.D. McClure who still reside in Electra.

Mrs. Vestal is the daughter of the late Mr. and Mrs. L.L. Chesher. Mr. Vestal's parents were Mr. and Mrs. W.D. Vestal, Sr. of Petrolia.

The Vestals, both natives of Electra, were graduated from Electra High School. Mr. Vestal is an independent oil producer and Mrs. Vestal is a homemaker. They are members of the Southside Church of Christ where Jack has taught the adult Bible class for the past three years.

Forest Hills. They also have eight grandchildren and seven great-grandchildren.

Applications available for free, reduced lunch

Applications are now available at each campus of the Iowa Park Consolidated Independent School District for free and reduced lunches this school year.

Regular prices for lunches this year will be \$1.25 at Kidwell, \$1.35 at Bradford, and \$1.50 at the junior and senior high schools. Breakfast at all schools is 75-cents.

Families now receiving food stamps or TANF qualify for free meals. If a total household income is the same or less than the amount specified on the income chart, a child can get free or reduced price meals. A foster child may get free or reduced meals regardless of family income.

The reduced price is 40-cents for lunch and 30-cents for breakfast.

Families can check for eligibility at any time during the school year.

School officials may ask that papers be sent showing that a child should get free or reduced-price meals.

Monthly incomes considered for free and reduced lunches range from \$1,242 (1 person), to \$4,263 (8 persons).

Families wishing applications should contact the campus where their children will be attending this year. Additional information can be obtained by telephoning: Kidwell, 592-4322; Bradford, 592-5841; junior high, 592-2196, or high school, 592-2144.

Does your subscription to the Leader expire this month? Check the list on page 4.

Mr. and Mrs. Jim Bradberry

Observes 30th anniversary

Jim and Sue Bradberry of Iowa Park celebrated their 30th wedding anniversary this past week.

They were married July 27, 1968, in Iowa Park.

Mrs. Bradberry is the former Karen Sue Vestal, daughter of Mr. and Mrs. W.D. Vestal Jr. of Iowa Park, and Jim is the son of Mr. and Mrs. S.M. Bradberry, also of Iowa Park. They are both 1967 graduates of W.F. George High School.

Jim works for W.D. Vestal Oil Company as production superintendent, and Sue is the company's bookkeeper.

The couple are members of the Tenth and Broad Street Church of Christ in Wichita Falls.

They have four children: Tim Bradberry of Frederick, Okla., Charlie Bradberry of Iowa Park, and Penny and Cherrie of the home. Their first child, Amy, died in 1974 at the age of three.

They also have one granddaughter, with another grandchild due in November.

They have three children, Ann Brandt and Sue Bradberry of Iowa Park, and David (Butch) Vestal of

As I See It... By Bob Hamilton

I complained that I had no shoes, until I met a man with no feet.

That old saying came to mind, reading and hearing all the comments and reports concerning how hot and dry it is here.

Folks, it's been worse. Sure we've had a number of 100-plus-degree days. It's tough, especially if you have to work outside, or have to worry about your air conditioning bill.

But most folks remember the heat wave we had in 1980s. Dolores and I remember it being hotter before that, however.

On Saturday, July 15, 1978 our oldest daughter, Kelli, and Mike Brady were married, the temperature right here in Iowa Park was 117.

Nope, I can handle 105 easily. (Especially since I don't have to put on a tuxedo.)

And concerning our recent lack of moisture, let me tell you it's worse elsewhere in Texas.

We were in Midland over the weekend. The official moisture count in that city -- for the year 1998 -- was 2.13 inches.

We got more than that here on July 5, if you haven't forgotten.

Those of us living in Iowa Park can remember a longer, dryer period

than we're experiencing now -- like the early 1970s.

In the summer of 1971, all three of the lakes from which Iowa Park takes its water were dry. I mean, I personally walked across the hearts of all three lake bottoms that year, and never picked up a clod of mud on my shoes.

That period of drouth finally ended on Aug. 15. And in a big way. The Wichita River valley received between 10 and 14 inches of rain -- with most of it falling in a five-hour period. The valley area flooded, obviously.

But it didn't help the lakes, believe it or not. A farmer just north of Lake Iowa Park measured only 1.8. The Experiment Station on South Bell measured 7.48.

And at the height of the rain-storm here in town, would you believe we had a major fire? The White's Auto store, which was on the corner of Park and Yosemite, was gutted during the downpour.

When the lakes got too low to pick up water for the city's treatment plant, we started taking water from the irrigation ditch. It was wet, but it also was very salty.

The taste was so bad that residents approved a \$600,000 bond to lay a water line here from Wichita Falls, which we still use during peak-

use times.

It helped, but the line wasn't completed until July of 1972.

The water supply was so low during that time, the city council put a ban on outside watering of yards and gardens, as well as washing cars.

Violate the ban, and you would have your water service cut off!

Nope, I'll not complain yet about the heat and lack of precipitation. I've been there and done that -- earlier.

Evening Lions

Continued from page 1

second vice president; John Besse, third vice president; Jerry Prucutt, secretary; Sam Hunter, Treasurer; Gordon Griffith, Lion Tamer, and Don Hall, Tailtwister.

Directors include Claud Johnson, Gordon Griffith, Milton McWhorter and Jerry Prucutt. Member, Pete T. Elliston, has been out due to illness for some time.

The Evening Lions Club contributes to our community by making donations to Little League Baseball, eye glasses for students whose family

might not be able to purchase them, citizens who might need help with household items after a fire, First Step, seeing eye dogs, Am Vets, and cripple children's camp.

They also hold an annual Easter

Egg Hunt, the Saturday before or on Easter.

They hide some three or four thousand candy eggs for children up to age 10. About 300 children show up each year.

The event has been held on the corner of Johnson Road and West Highway in recent years. The land is owned by Johnny Crawford, and he has allowed the Evening Lions Club to hold their hunt there.

Card of Thanks

I want to express my appreciation to all the parents and coaches who participated in the T-ball tournament last week. I feel like everyone gave their all despite scaring temperatures and double headers. The stars were the kids, but without our coaches, Ray Sefcik, Donald Everett and Allen Gould, and their patient, calm natures, we wouldn't have gone as far as we did. Also a special thanks to Sheila Posey for all the running she did. Last but not least, big thanks to Britt Mechanics for sponsoring us.

Irene Wright

Enrollment

Continued from page 1

are new to the district, can register Aug. 5, 6 and 7, at Kidwell Elementary School. Registration will be held from 9 a.m. - 12 noon and 1-3 p.m., according to Steve Moody, principal.

Teachers will begin their school year on Aug. 11, with several days of staff development.

Council to set budget Aug. 10

The city council is expected to adopt its 1998-99 budget, as well as setting the tax rate when it meets next on Monday, Aug. 10.

Last Monday's regularly-scheduled meeting was postponed, due to the late release of the certified tax roll furnished by the Wichita County Appraisal District.

The report, which was received by City Administrator Mike Price on Friday, indicated appraised property values are approximately \$3.5 million more than the earlier estimate.

Because of that increase, Price is preparing computations for council consideration which could possibly drop the current tax rate from 69-cents to as low as 67-cents.

Police

Continued from page 1

rant for capias pro fine, failure to maintain financial responsibility, and county warrant for capias pro fine, possession of marijuana.

Fines listed on the two outstanding warrants were \$218 and \$809, respectively.

Two men were arrested during the past week in separate instances for Class C assault to prevent family violence.

Officers were called at 4:20 a.m. Thursday to a residence in the 500 block of West Smith. Upon arrival, Jerry Don Allen Jr., 31, was arrested. He was released at 9:40 a.m., after signing a promise to appear in municipal court.

Officers went to the Woodbriar Apartments at 2:22 p.m. Thursday, after the police radio dispatcher had received two 9-1-1 calls, but the phone was immediately hung up.

Upon arrival, officers observed what they reported as a family disturbance, and arrested Paul Russell Chandler, 25. He was released at 7 p.m. after entering a plea of guilty, and paying a fine of \$250, according to the police blotter.

Police received a complaint at 10:24 p.m. Saturday from a resident in the 300 block of West Poc, who reported a white pickup had struck a fence at that location, and immediately left the area. A look out for the offending vehicle continues.

Why punish gas? This is a puzzle. The full energy cycle for a gas water heater already is more efficient than that of electric models. In addition, gas water heaters are the most economical choice -- over their lifetime, electric water heaters cost twice as much as gas water heaters to operate. And natural gas is the most environmentally friendly fuel.

By changing the standards for gas water heaters only, DOE could cause these heaters to be priced right out of the market, at the expense of both the consumer and the environment. It seems that the new standards won't reflect the most efficient energy technologies. There may be energy savings achieved -- by shoppers faced with few affordable choices in water heaters. Maybe they'll save their energy by just staying home.

DOE was supposed to take several factors into consideration before releasing its ruling. The "new" water heater was supposed to use less energy to heat water than in the past, be technologically feasible to produce and save money. This rulemaking fails on all counts.

Obituaries

Louise Yarbrough

Graveside services for Louise Yarbrough, 85, were held Wednesday morning at Highland Cemetery with Dr. Greg Ammons, pastor of Faith Baptist Church, officiating. Arrangements were under the direction of Dutton Funeral Home.

Mrs. Yarbrough died Sunday, July 26, in Iowa Park.

Mrs. Yarbrough was born April 3, 1913, in Texas. She and Roy Yarbrough were married May 22, 1928, in Red Spring. He died in August of 1964. She was a retired seamstress for Levi Strauss and was a member of Faith Baptist Church. She had lived in Iowa Park 62 years.

Survivors include a daughter, Billie Matthews of Iowa Park; a sister, Rena Loftin of California; three grandchildren; nine great-grandchildren; and three great-great-grandchildren.

Other survivors include his wife; a son, Larry of Wichita Falls; two daughters, Janice Hartmangruber of Denver and Sandra Ratcliff of Fort Worth; four sisters, Lorene Goforth of Wichita Falls, Agnes Hunter of Dallas, Virginia Hilley of Trinity, and Mary Ann Sokora of Wichita Falls; and six grandchildren.

Memorials may be made to the Sacred Heart Catholic Church Building Fund.

Gladys Julian Whisnand

Gladys Julian Hampton Whisnand, 88, of Iowa Park died Thursday, in Wichita Falls.

Services were Saturday at Iowa Park Church of Christ with Dwight Parker, minister of Church of Christ of Grandfield, Okla., officiating. Burial was in Highland Cemetery under the direction of Dutton Funeral Home.

Mrs. Whisnand was born May 30, 1910, in Round Timber. She and Homer Guy Whisnand were married Nov. 21, 1930, in Walters, Okla. He died Dec. 15, 1993. She was a beautician and was a member of Iowa Park Church of Christ. A daughter, Doris

Jean, died in 1932. A daughter, Sybil Ruth Leslie, died in 1982.

Survivors include a granddaughter, two grandsons; and five great-grandchildren.

Memorials may be made to Hospice of Wichita Falls, P.O. Box 4804, Wichita Falls.

Card of Thanks

We want to thank each one for the prayers, cards, flowers, memorials and food given during the loss of our loved one, Florene McDonald Scott. A special thank you to Bro. Lamoin Champ and Joe Coombes for your visits with Mother and for the beautiful service. Thank you Eastern Star Lodge No. 42 for your services and the memorial. Thank you First Baptist ladies for our lunch. We appreciate Larry and Norma Dutton for your care and concern. God bless each one of you.

Dan and Kay Schaffner and family

NEWS OF THE IOWA PARK GENEALOGICAL & HISTORICAL SOCIETY

A great many family genealogists hope to find Royal connections, Mayflower passengers, wealth or at the very least good and honest forebearers, not many want to find ancestors of dubious character.

However chances are if we research thoroughly we may find someone referred to as the family "black sheep", no one seems to want to offer any more history on the kinship.

For the family genealogist who want to add "spice" to their history, there is now the International Black Sheep Society of Genealogists. The only requirement to join is a desire to find infamous family members.

Beware you may find ancestors who were rather weird or engaged in some questionable activities, re-

member it's a part of your history and can make family genealogist interesting and realistic. Web address is homepages.rootsweb.com/~blksheep/index.html.

If your ancestors lived in New England, many strange events are recorded in history. Come to the IPGHS meeting Saturday, August 1 at our library. You will be greatly informed and entertained by Richard Simpson's program "The Turbulent Years, New England 1620 - 1700."

Don't forget our regular meeting Saturday at 2 p.m. Guests are always welcome to enjoy our programs, ask questions and get help with genealogical problems.

Immunization clinic August 8, at Kidwell

An immunization clinic for school children will be held Aug. 8, from 10 a.m. to 2 p.m., at Kidwell Elementary School. The clinic is sponsored by the Wichita County Health Department.

Children should be accompanied by a parent or guardian, and have a valid copy of their current shot records with them.

There is a sliding scale fee of no more than \$8 per child. However, no child will be denied shots due to the inability to pay.

Additional information can be obtained by calling Judy Stevens, at 592-4440.

In Memory of Roy L. Reid

We Love You and Miss You

It's Been 2 Years Ago Aug. 4, 1998, this is for you.

One day God look around his garden and found an empty space. He then looked down upon this earth and saw your tired face.

He put his arms around you and lifted you to rest. God's garden must be beautiful for he only takes the best. He knew that you would never get well upon this earth again. He saw the roads getting rough and the hills harder to climb. So he closed your weary eye lids and whispered in your ear "Peace Be Thine" but on this day God called you home, he took a part of us as well. But the sorrow that we now are left to deal with are in our everyday life. It makes our journey more difficult but with your guidance, we live on and the memories live for you. You are not forgotten. And for the love and values you showed us, we now give to our families, so your love lives on and on.

From your beloved wife, son and daughter-in-law, and daughter and son-in-law, and grandchildren.

State Capital

HIGHLIGHTS

By Ed Sterling
TEXAS PRESS ASSOCIATION

AUSTIN — Gov. George W. Bush and Attorney General Dan Morales have agreed to let arbitrators decide how much private lawyers will get in the state's \$15.3 billion settlement with tobacco companies.

After months of contentiousness, Bush and Morales settled with each other on July 16, enabling the state to collect the first \$350 million of the largest civil settlement in U.S. history.

Bush, who started the fight over lawyer fees in January, said he was happy with the agreement. "I have consistently asked that the attorney fee issue be separated from the rest of the settlement so the award to Texas can become final, and I am pleased that this has now happened," he was quoted by the *Austin American-Statesman*.

A federal arbitration panel, which will convene in November, will decide how much cigarette makers must pay attorneys hired by Morales to represent Texas in the lawsuit.

Morales hired six private lawyers and agreed to pay them 15 percent of any money won by the state in its lawsuit. Fifteen percent of the \$15.3 billion award totals about \$2.3 billion.

Bush and seven legislators complained that the lawyers were going to get too much.

Among the terms of the settlement are requirements that:

- Some of the money to reimburse the state be returned to Washington to cover tobacco-related health-care costs paid in Texas by the federal government.
- Tobacco companies remove billboards and reduce advertising aimed at children.

Scholarship Increases Proposed

The Texas Higher Education Coordinating Board members are telling lawmakers early they want the state Legislature to triple the budget for scholarships to about \$500 million.

Too many students and parents are being priced out of the market, they say.

"We're looking at a real crisis of access by everyone — not just minorities, but the middle class," said Board member Joe Krier of San Antonio.

"If [lawmakers] don't address this in a big, big way ... we believe they'll be looking at a dramatically declining number of people in public higher education," he said.

Annual tuition and fees at state colleges and universities have risen dramatically in the last five years, the *Austin American-Statesman* reported. At the University of Texas, those costs are up 78 percent and will average \$3,004 for undergraduates in the coming school year.

Sen. Bill Ratliff, R-Mount Pleasant, chairman of the Senate Finance Committee, said there is a lot of interest in boosting scholarship funds, as the days tick away to the January opening of the 1999 Legislature.

Other Capital Highlights
■ If stock markets don't crash

and tax revenues continue to grow at 10 percent, the state budget surplus for the next biennium will be nearly \$6.3 billion, Texas Comptroller John Sharp predicted recently. In 2000-01 budget period, state lawmakers should have that amount to spend or return to taxpayers, he said.

■ The Texas Department of Criminal Justice has approved more than \$13.5 million in grants to local probation departments covering 109 counties with drug abuse treatment programs as an alternative to sending nonviolent offenders to prison.

■ Texas is intervening in a Virginia lawsuit filed to prevent undercounting in the 2000 census. In 1990, Texas was undercounted by 482,783 people, resulting in a 2.8 percent shortfall in federal funding, the Texas attorney general's office said.

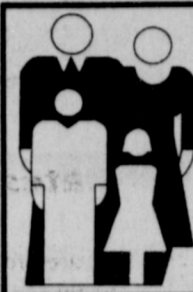

■ The Texas Department of Transportation reported last week it resolved 1,316 "lemon law" complaints last year. The agency's Motor Vehicle Board ordered repurchase or replacement of 56 defective vehicles in 1997.

■ Attorney General Morales, who is finishing his second term, said last week he plans to begin a career in investment banking after he leaves office in January.

■ About 185,000 unclaimed items with an appraised value of

approximately \$525,000 will be auctioned on Aug. 15 in Austin. A catalog listing all of the items for sale is now available from the State Comptroller's office. Pictures of many items in the auction can be viewed by computer at <http://www.window.state.tx.us>.

■ The Texas Civil Justice League has formed a coalition to solve the so-called "year 2000 computer bug" and to address anticipated lawsuits related to the problem. Ralph Wayne, president of the business-backed group, said the problem, if uncorrected, will end up costing businesses, consumers and taxpayers millions of dollars in court costs and attorneys' fees.

Parenting Tip:

Encourage your child when genuine compliments can be made. Avoid ridicule and sarcasm. Bring out the best in your child by praising him frequently for what he does best. Help your child with his best activities by staying in close touch with his school and neighborhood life.

1998 Property Tax Rates in CITY IOWA PARK

This notice concerns 1998 property tax rates for CITY IOWA PARK. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:

Last year's operating taxes	\$ 749,415
Last year's debt taxes	\$ 95,432
Last year's total taxes	\$ 844,847
Last year's tax base	\$ 122,443,345
Last year's total tax rate	\$.68999 /\$100

This year's effective tax rate:

Last year's adjusted taxes (after subtracting taxes on lost property)	\$ 839,801
+ This year's adjusted tax base (after subtracting value of new property)	\$ 127,316,105
- This year's effective tax rate	\$.65962 /\$100

In the first year a hospital district or city collects the additional sales tax to reduce property taxes, it must insert the following lines unless its first adjustment was made last year:

- Sales tax adjustment rate	\$ -0- /\$100
- Effective tax rate	\$ -0- /\$100

This year's rollback tax rate:

Last year's adjusted operating taxes (after subtracting taxes on lost property and adjusting for transferred function)	\$ 744,939
+ This year's adjusted tax base	\$ 127,316,105
- This year's effective operating rate	\$ 0.58511 /\$100
x 1.08 = this year's maximum operating rate	\$ 0.63192 /\$100
+ This year's debt rate	\$.07103 /\$100
- This year's rollback rate	\$.70295 /\$100

A hospital district or city that collects the additional sales tax to reduce property taxes, including one that collects the tax for the first time this year, must insert the following lines:

- Sales tax adjustment rate	\$ -0- /\$100
- Rollback tax rate	\$ -0- /\$100

For a taxing unit with additional rollback rate for pollution control, insert the following lines:

+ Additional rate for pollution control	\$ -0- /\$100
- Rollback tax rate	\$ -0- /\$100

50-240-R (Rev. 4-98/7)

1998 Property Tax Rates in IOWA PARK CISD

This notice concerns 1998 property tax rates for IOWA PARK CISD. It presents information about three tax rates. Last year's tax rate is the actual rate the school district used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the school district can set before it must hold a rollback election. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

Last year's tax rate:

Last year's operating taxes	\$ 3,502,908
Last year's debt taxes	\$ 252,354
Last year's total taxes	\$ 3,755,262
Last year's tax base	\$ 305,270,908
Last year's total tax rate	\$ 1.25 /\$100

This year's effective tax rate:

Last year's adjusted taxes (after subtracting taxes on lost property)	\$ 3,614,869
+ This year's adjusted tax base (after subtracting value of new property)	\$ 288,362,632
- This year's effective tax rate	\$ 1.25358 /\$100

This year's rollback tax rate:

Amount of local taxes needed based on state funding formulas and 1998-99 student enrollment	\$ 3,762,675
+ This year's adjusted tax base	\$ 324,197,953
- This year's local maintenance and operation rate OR adopted 1996 maintenance and operation rate	\$ 1,160,610 /\$100
- This year's maintenance and operation rate (use greater of 2 rates above)	\$ 1,166,000 /\$100
+ \$0.08	\$ 1,240,610 /\$100
+ Rate increase adopted for 1997-98 school year	\$.03096 /\$100
+ This year's debt rate	\$.07685 /\$100
+ Rate to recoup loss certified by commissioner of education	\$ -0- /\$100
- This year's rollback rate	\$ 1.34842 /\$100

For a school district with additional rollback rate for pollution control, insert the following lines:

+ Additional rate for pollution control	\$ -0- /\$100
- Rollback tax rate	\$ -0- /\$100

50-178 (Rev. 4-98/7)

Schedule A Unencumbered Fund Balances CITY OF IOWA PARK 1998

The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
G&D	72,000
T&S	9,000

Schedule B 1998 Debt Service

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid from Property Taxes	Interest to be Paid from Property Taxes	Other Amounts to be Paid	Total Payment
	\$ 80,000	\$ 12,424	\$ -0-	\$ 92,424
<i>(expand as needed)</i>				
Total required for 1998 debt service		\$ 92,424		\$ 92,424
- Amount (if any) paid from funds listed in Schedule A		\$ -0-		\$ -0-
- Excess collections last year		\$ -0-		\$ -0-
- State aid for facilities		\$ 92,424		\$ 92,424
- Total to be paid from taxes in 1998		\$ -0-		\$ -0-
+ Amount added in anticipation that the unit will collect only _____ % of its taxes in 1998		\$ -0-		\$ -0-
- Total Debt Levy		\$ 92,424		\$ 92,424

Schedule C Expected Revenue from Additional Sales Tax

(For hospital districts, cities, and counties with additional sales tax to reduce property taxes) In calculating its effective and rollback tax rates, the unit estimated that it will receive \$ _____ in additional sales and use tax revenues. For County: The county has excluded any amount that is or will be distributed for economic development grants from this amount of expected sales tax revenue.

Schedule D State Criminal Justice Mandate (For Counties) N/A

The _____ County Auditor certifies that _____ County has spent \$ _____ in the previous 12 months beginning _____, 19____, for the maintenance and operations cost of keeping inmates sentenced to the Texas Department of Criminal Justice. _____ County Sheriff has provided information on these costs, minus the state revenues received for reimbursement of such costs.

Schedule E Transfer of Department, Function, or Activity N/A

The _____ spent \$ _____ from _____ to _____ on the _____. The _____ operates this function in all or a majority of the _____. (Second Year of Transfer: Modify schedule to show comparison of amount this year and preceding year by unit receiving the function.)

This notice contains a summary of actual effective and rollback tax rates' calculations. You can inspect a copy of the full calculations at IOWA PARK CISD & CITY TAX OFFICE, 1304 N. 4th St., IOWA PARK, TEXAS. Name of person preparing this notice ALLEN T. SHEPHERD, RTA. Title TAX ASSESSOR/COLLECTOR. Date prepared July 28, 1998.

50-178 (Rev. 4-98/7)

Schedule A Unencumbered Fund Balances IOWA PARK CISD 1998

The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
G&D	957,889
I&S	51,850

Schedule B 1998 Debt Service

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues (or additional sales tax revenues, if applicable).

Description of Debt	Principal or Contract Payment to be Paid from Property Taxes	Interest to be Paid from Property Taxes	Other Amounts to be Paid	Total Payment
	\$ 150,000	\$ 98,460	\$ 700	\$ 249,160
<i>(expand as needed)</i>				
Total required for 1998 debt service		\$ 249,160		\$ 249,160
- Amount (if any) paid from funds listed in Schedule A		\$ -0-		\$ -0-
- Excess collections last year		\$ -0-		\$ -0-
- State aid for facilities		\$ 249,160		\$ 249,160
- Total to be paid from taxes in 1998		\$ -0-		\$ -0-
+ Amount added in anticipation that the unit will collect only _____ % of its taxes in 1998		\$ -0-		\$ -0-
- Total Debt Levy		\$ 249,160		\$ 249,160

Schedule C Expected Revenue from Additional Sales Tax

(For hospital districts, cities, and counties with additional sales tax to reduce property taxes) In calculating its effective and rollback tax rates, the unit estimated that it will receive \$ -0- in additional sales and use tax revenues. For County: The county has excluded any amount that is or will be distributed for economic development grants from this amount of expected sales tax revenue.

Schedule D State Criminal Justice Mandate (For Counties) N/A

The _____ County Auditor certifies that _____ County has spent \$ _____ in the previous 12 months beginning _____, 19____, for the maintenance and operations cost of keeping inmates sentenced to the Texas Department of Criminal Justice. _____ County Sheriff has provided information on these costs, minus the state revenues received for reimbursement of such costs.

Schedule E Transfer of Department, Function, or Activity N/A

The _____ spent \$ _____ from _____ to _____ on the _____. The _____ operates this function in all or a majority of the _____. (Second Year of Transfer: Modify schedule to show comparison of amount this year and preceding year by unit receiving the function.)

This notice contains a summary of actual effective and rollback tax rates' calculations. You can inspect a copy of the full calculations at IOWA PARK CISD & CITY TAX OFFICE, 1304 N. 4th St., IOWA PARK, TEXAS. Name of person preparing this notice ALLEN T. SHEPHERD, RTA. Title TAX ASSESSOR/COLLECTOR. Date prepared July 28, 1998.

10 reasons why you should maintain and increase your newspaper advertising when business is slow.

- 1.** Whether business is good or slow, you have to get your share of whatever business is around. Cutting back your advertising puts you at a disadvantage at the very moment when you need an edge. Increasing your advertising gives you the edge.
- 2.** In times of uncertainty, consumers are careful and a little reluctant to spend. They want to be sure before they buy; they want information about products, services, prices and values from newspapers. Yours-or somebody else's.
- 3.** Maybe you figure other retailers in your line are going to cut back their advertising, so it's safe for you, too. Right? Wrong. You're in competition for the customer's dollar with every other retailer in town, no matter what he or she sells. People have only so many dollards to spend and if they don't spend them for what you sell they'll spend them for something else.
- 4.** There are more people working now than ever before. More women working too, adding to the family income. People still need and want goods and services and will spend for them. There is plenty of business out there. Your competitors will be bidding for their share - and yours.
- 5.** You can't do much about most factors in the marketplace rent, labor costs, price of merchandise, what the competition will. But one thing you do control is your own promotion. Remember that newspaper advertising is not just a cost of doing business. It's a proven sales tool that returns many times your investment in store traffic and sales.
- 6.** Remember how long it took you to get started? Once you build up a business you can keep it going with a moderate, consistent advertising program. But if you cut your advertising and lose your hold on the public's awareness you'll find it's much harder to build it up again. It's sort of like starting all over.
- 7.** Your advertising is a part of your sales force. Newspaper ads help to pre-sell customers and help you close the sale faster. What saves you time saves your money.
- 8.** You say your customers know you and for a while, at least, they'll keep coming in even if you don't promote? That's partly true, but shortsighted. Remember, one out of five Americans moves every year. So there's a steady flow of your customers out of your market, and a corresponding influx of new folks who don't know you at all. Tell them about yourself.
- 9.** Here's hard fact to chew on. Over any given period, a business that advertises below the industry average has sales that are below the industry average.
- 10.** Advertising is "news" - about products and services. Your customers look for this kind of news in the pages of this newspaper. In plush times, retailers often experiment with other media, but when the going gets tough, they concentrate their efforts in the weekly newspaper because it provides and immediate payoff at the cash register.

Give us a call. We can help you plan a professional advertising program that will increase store traffic while helping increase sales.

Cook of the Week

Martha Dudley

Martha Dudley, our featured cook this week, is so active in community and school affairs that she needs no introduction for most of our readers.

With the exception of a three-year break, Martha has been a member of the Iowa Park CISD school board since 1977, when she was appointed to serve out the term vacated by the late Hoyt Watson.

She is an ardent Hawk fan, whether it be in sports, music, or literary events, and is a frequent spectator at ball games, band concerts, one-act play performances, as well as many others.

Martha is a member of the Iowa Park Church of Christ, Iowa Park Arts & Crafts Association, Lions Club, Academic Booster Club, Monday Night Bridge Club, and a former member of Epsilon Sigma Alpha. She also serves on the committee that is planning events for the school district's 100th anniversary celebration.

Martha grew up in Sweetwater, where her father was in the restaurant business. She used to go with him to the slaughterhouse to buy beef. "At one time," she said, "I knew every cut of beef there was."

Martha said her parents often had her and her two sisters work the night shift at the restaurant so they would be with them and not at home alone.

Toward the end of World War II, troop trains carrying Italian, German and Japanese POW's would stop in Sweetwater, and the prisoners would be brought to her father's restaurant to eat. Martha said she was fascinated by the guards standing around with their machine guns.

Martha and her late husband, Charles, were married in Sweetwater. A native of Floydada, Charles worked for a telephone company, and later went to work for the Texas Liquor Control Board. Because of his work,

they moved quite a bit. Martha worked at banks in Fort Worth, San Antonio, Abilene and Seymour.

When they moved to Iowa Park in 1969, Martha went to work as secretary for the superintendent of schools, where she remained for seven years. She worked at Washex one year and Mowry Gun Works one year before going to work in the accounting department at Cryovac. When she retired in 1994, after 15 years with Cryovac, Martha was a buyer for raw materials and production supplies.

Martha and Charles had been married 47 years when he passed away in January, 1995.

The Dudley's son, Charlie, lives in Iowa Park with his wife Pam. They have two sons, Jason and Justin. Jason is a graduate of Iowa Park High School. He is employed at Cryovac, and is a junior student at Midwestern State University. Justin will be a sophomore at IPHS, and is a drummer in the high school band.

Their daughter, Marty, and her husband, Mike Maxwell, live in Wichita Falls with their two children, Monica and Mitch. Monica will be a senior at Rider High School, and Mitch will enter the third grade at West Foundation Elementary School.

Martha's recipes are some that many of our readers will want to try. She said "Fruited Chicken Salad" is one that she likes to prepare for covered dish luncheons. But the most interesting recipe is one she got from Charles called, "Dud's Baked Beans." She said that she watched Charles make this recipe many times, and it is delicious, but emphasized that the baking instructions are different, but correct.

Dud's Baked Beans

- 2 large cans pork & beans
- 1 cup finely chopped onions
- 1/3 cup finely chopped celery
- 1 clove garlic, minced
- 3 tsps. mustard
- 1 tsp. salt
- 1/2 tsp. pepper
- 1/4 cup brown sugar
- 1/4 cup molasses

Saute onions, celery and garlic in large roasting pan. Add beans, mustard, salt, pepper, brown sugar and molasses and mix well.

Lay slices of bacon across top and cover with catsup. Bake 30 minutes at 375 degrees. Turn on broiler and cook until "catsup turns black."

Fruited Chicken Salad

- 4 cups chicken, cooked & cut up
- 2 cups finely chopped celery
- 2 Tbsps. lemon juice
- Salt & pepper to taste
- 1 cup mayonnaise or salad dressing
- 2 cups seedless grapes, halved
- 2 hard-boiled eggs
- 1 cup chopped pecans

Toss chicken, celery, lemon juice, salt, pepper and eggs. Add mayonnaise. Carefully fold in grapes; cover and chill. Just before serving, spoon mixture into canteloupe halves and sprinkle with nuts. Serves approx. 12.

Avocado Tossed Salad

- 1 small head lettuce, washed and chilled
- 1 ripe avocado
- 1/2 bottle creamy Italian salad dressing

Tear lettuce into bite-size pieces (4 cups). Cut avocado in half lengthwise. Remove pit and seed. Slice crosswise into bowl. Pour salad dressing over and toss. Serves 5.

Shrimp Victoria

- 1 lb. raw Gulf shrimp, peeled and cleaned
- 1 cup sour cream
- 1 small onion, finely chopped
- 1/4 cup butter or margarine
- 1 - 6 oz. can mushrooms
- 1 Tbsp. flour
- 1/4 tsp. salt
- Dash cayenne pepper
- 1 1/2 cups cooked rice

Saute shrimp and onion in butter or margarine for 10 minutes or until shrimp are tender. Add mushrooms and cook 5 minutes more. Sprinkle in

flour, salt, and pepper. Stir in sour cream and cook gently 10 minutes, not allowing mixture to boil. Serve over rice. Makes 4-6 servings.

Squash and Apple Bake

- 2 lb. butternut or buttercup squash
- 1/2 cup brown sugar, packed
- 1/4 cup butter or margarine, melted
- 1 Tbsp. flour
- 1 tsp. salt
- 1/2 tsp. mace
- 2 baking apples, cored & cut into 1/2-inch slices

Heat oven to 350 degrees. Cut each squash in half. Remove seeds and fibers; pare squash. Cut into 1/2-inch slices. Stir together remaining ingredients except apple slices. Arrange squash in ungreased baking dish, 11 1/2x7 1/2x1 1/2 inches; top with apple slices. Sprinkle sugar mixture on top; cover with foil. Bake 50 to 60 minutes or until squash is tender. 6 servings.

Cherry Berries on a Cloud

- 3 egg whites (1/3 to 1/2 cup)
- 1/4 tsp. cream of tartar
- 3/4 cup sugar
- 1 - 3 oz. pkg. cream cheese, softened
- 1/2 cup sugar
- 1/2 tsp. vanilla
- 1 cup chilled whipping cream
- 1 cup miniature marshmallows
- Cherry-Berry Topping (below)

Heat oven to 275 degrees. Cover baking sheet with heavy brown paper; draw outline of heart, 9 inches across greatest width, on paper. Beat egg whites and cream of tartar until foamy. Beat in 3/4 cup sugar, 1 tablespoon at a time; continue beating until stiff and glossy. Do not underbeat! Spoon meringue into outline on paper, building up side.

Bake 1 1/2 hours. Turn off oven; leave meringue in oven with door closed 1 hour. Remove from oven; finish cooling away from draft.

Blend cream cheese, 1/2 cup sugar and the vanilla. In chilled bowl, beat cream until stiff. Gently fold whipped cream and marshmallows into cream cheese mixture. Pile into meringue shell. Cover; chill at least

12 hours. Just before serving, top with Cherry-Berry Topping; cut into wedges. 6 to 8 servings.

Cherry-Berry Topping:

Stir together: 1 - 12 oz. can cherry pie filling, 1 tsp. lemon juice and, if desired, 2 cups sliced strawberries or 1 - 16 oz. pkg. frozen strawberries, thawed.

Apple Pandowdy

- Pastry for 8-inch, 2-crust pie
- 1 - 20 oz. can apple slices, drained
- 1/2 cup brown sugar, packed
- 3 Tbsps. butter or margarine, melted
- 6 Tbsps. maple-flavored syrup

Heat oven to 425 degrees. Prepare pastry for 8-inch two-crust pie. Stir together apple slices and brown sugar; turn into pastry-lined pie pan. Top with butter and 3 tablespoons of the syrup. Cover with top crust which has slits cut in it; seal and flute.

Bake 15 minutes; remove from oven. Make crisscross cuts about 1 inch apart through top crust and filling. Drizzle remaining syrup on top. Cover edge with 2 to 3-inch strip of aluminum foil to prevent excess browning; bake 25 minutes longer. Serve warm and, if you wish, pour on additional syrup.

Look Who's New

Roberts

A son, Benjamin Knight, was born July 15 to Kent and Lori Roberts of Lubbock. He weighed eight pounds, 10 ounces, and was 22 inches long. The new baby has a five-year-old sister, Molly.

Grandparents are Mr. and Mrs. Ross Roberts of Iowa Park and Mr. and Mrs. Howard Cassada of Amarillo.

Great-grandparents are Nora Roberts of Wichita Falls and Lita Nowell of Valliant, Okla.

Going to State

Kaycie Myers and Bryan Taylor are travelling to State 4-H Competition in record books division.

District Home Designers

Valley View 4-H sent two members to District Home Designer's Event held in Graham last Thursday.

Lindy Tyler earned third place in the beginner division with her bedroom design.

Kaley Meadows won second place in the beginner division with a kitchen design. She also won the energy efficiency award for the division.

Officers meeting

The Valley View 4-H Club will hold an officer's meeting at 3 p.m. Sunday at the Kamay Volunteer Fire Dept.

Anyone needing help filling out a project form may come at 4 p.m., following the meeting.

Sealed Air announcing restructuring; little effect expected at Cryovac plant

A restructuring program was announced this week by Sealed Air Corp., following its merger with Cryovac, which is expected to reduce annual operating costs by \$45 million by the end of 1999.

While several of the changes includes personnel, little, if any personnel at Cryovac's Iowa Park plant are expected to be affected, according to Greig Moers, local spokesman.

Changes to be implemented include:

- * Combining or eliminating certain small facilities and administrative support functions;
- * Reorganizing sales and marketing to add sales people in the field and increase customer access;
- * Leveraging Cryovac's infrastructure in Latin America and Asia to accelerate growth of the protective packaging business;
- * Eliminating layers of management;
- * Centralizing Cryovac's U.S. research facilities to capitalize more efficiently on research and development strengths;
- * Streamlining the Cryovac manufacturing organization; and
- * Providing for asset impairments that have been identified in connection with the combined operating plan.

Locally, Moers said there is no anticipation of reduction of production personnel and support functions. "In fact, we will be in the process of hiring," he added.

"We operate pretty lean out here. There likely will be some redefining, with some jobs. Locally, management anticipated the changes. As a result, some (personnel) may see some restructuring of jobs. Internally, we don't see any impact at all," said Moers.

Commenting on the restructuring, T.J. Dermot Dunphy, chairman and chief executive officer, stated: "In keeping with our plan for merging Sealed Air and Cryovac, we have re-examined how we operate, and we are making changes to support our long-term growth strategy and to help take advantage of our global leadership position in protective and specialty packaging.

"We must emphasize activities and programs that support our customers, we must simplify our organizational structure so that decisions can be made more rapidly, and we must reduce overhead.

"We have already begun to realize post-merger synergies that should enhance our long term operating results. The operating cost savings from the restructuring are anticipated to be \$45 million. We expect that approximately 60% of these savings will be realized from reduced operating expenses and that the remainder will be realized from reduced manufacturing costs and other operating efficiencies. We expect that we will begin to benefit from these savings during the fourth quarter of 1998 and that, on an annual run-rate basis, the full benefit of these savings will be achieved by the end of 1999."

The restructuring program, including asset impairments, will require a charge to third-quarter earnings of \$112 million to \$122 million. Approximately 30% of this charge will represent actual cash costs, primarily severance and personnel-related costs, costs of terminating leases and facilities disposition costs.

As part of the restructuring, approximately 750 positions will be eliminated from the company's total workforce of 14,500. These positions will be eliminated as a result of the closing of certain facilities as well as the combining or elimination of certain administrative and other functions as a result of the merger and the adoption of the company's combined operating plan.

The company also anticipates recording a special income tax charge of approximately \$23 million for the assumed repatriation to the U.S. of that portion of accumulated earnings of its subsidiaries that are not considered to be permanently invested in their businesses.

AG AGENT'S REPORT

By JOE RAFF, Wichita County Agriculture Agent

Stocker Cattle Conference Series 1998

Man it's hot. I guess it's like this all over the state and most of the south and midwest. The other day I saw on the news that Denver, Colorado was 100 degrees. It's never 100 in Colorado.

This heat is bad news for people, animals and crops alike. I believe I heard that there were 81 deaths associated with the extreme heat. I have not heard much about animal death loss around the area (other than some isolated cases of prussic acid poisoning in cattle due to Johnsongrass), but I'm sure it's higher than you would expect.

I know it's playing havoc with the crops around the state. I made a circle around Lubbock and down toward San Angelo a few weeks ago, and we are in the "Garden of Eden" compared to those poor folks.

And when you couple the extreme heat with falling markets, you have the makings of a bad situation.

In an effort to combat the bad weather, and unfavorable markets, Cargill, Roche and the Wichita County Extension are sponsoring a stocker cattle clinic in Wichita Falls at the MPEC on Aug. 11. The conference will begin at 6:30 p.m., and there will be a meal provided to all participants.

Strategies for profitable stocker calf management will be the main focus of the conference.

Dr. Bryan McMurry, of Cargill Inc., will be discussing supplements and how to make these supplements pay. I know this will be a hot topic for most of the ranchers, because much of our native and introduced warm season grasses are getting dryer and dryer as we move through July.

I have looked at some introduced grasses in the county and was happily surprised with their performance so

far. However, if we continue to graze these same pastures with the same pressure, and stay dry, we could be looking at another bad situation.

Barry Smith, of Roche Vitamins, Inc., will be discussing latest developments in medicated receiving programs. I have received a number of calls on supplementation and bloat problems on some of our wheat pasture last year. I'm sure that these and other problems will be addressed by Mr. Smith.

David Harvard of Cargill, Inc., will also be on hand to talk about the cattle market and what's next. Boy, that will be the million-dollar question this year. We have had a number of informal discussions at our marketing meetings about the markets and it will be interesting to hear Mr. Harvard's opinion of the market.

If you can't make the Wichita Falls meeting, Cargill and Roche will be sponsoring other meetings across the area. On August 3rd there will be a conference in College Station at the Hilton Hotel. On August 6 there will be two meetings, one at 7 a.m. in Marlin, and one in Palestine at 6:30 p.m.

On August 7th there will be a conference in Paris at 7 a.m., and on August 10th there will be one in Breckenridge starting at 6:30 p.m. at Brenda's Floral and Catering.

Also, on August 11th there will be a conference in Seymour at 7 a.m. at Cliff Styles Activity Center. On August 12th there will be two meet-

1998 9-109 YEAR OLD GIRLS SOFTBALL ALL STARS - Members of the team are (front row) Skyler Holliday, Erin Higgenbotham, Crystal Burne, Sydney Lawson, Amanda Hambricht, Jenny Drury and Stephanie Cervany; (middle row) Ashley Zachary, Haley Harris, Breanna Brown, Ali Dreher, Amanda Bidy and Britney Wilson. Coaches are Jeff Lawson, James Dudley and Kevin Bidy.

Midnight Madness is 12:01 a.m. Wednesday

In a little less than a week, the Iowa Park Hawks will take the field in preparation for the upcoming 1998 football season.

The Hawks will take part in Midnight Madness for the third straight season, where the team will take the field at 12:01 a.m. on Wednesday, Aug. 5. The University Interscholastic League will not allow any team to take part in scheduled practices before that date.

Iowa Park will remain in District 5-3A, but will have a few changes when it comes to the 1998 schedule.

The Hawks will have only one scrimmage this season, that coming on Aug. 20 in Cisco, against Brady. A short, eight days later, Iowa Park will open the season against an old opponent, the Holliday Eagles, on Friday, the 28th.

Iowa Park will have to push back

its game against Burkburnett until Sept. 4. The Bulldogs have been the opening opponent for the Hawks for many years.

Following Burk, the Hawks will play the Hirschi Huskies, a team Iowa Park's scrimmaged against for the past two years. Gainesville, the second "new" opponent will follow the Hirschi game, leaving the Wichita Falls High School Coyotes as the final non-district outing on the schedule.

In years past, Burkburnett, Hirschi and Gainesville were members of the same district as Iowa Park.

The week of Oct. 2, the Hawks will have an open date, as the team prepares to start its district games.

The Hawks will open district play against Childress, followed by Bowie, Henrietta, Vernon and finally Graham.

The Steers were in Class 4A for the past two seasons, after being in Iowa Park's district before moving up in classification.

Tuesday night's activities will kickoff with a meeting for all high school football players' parents in the High School Auditorium at 8 p.m.

The Iowa Park Chamber of Commerce will also be holding its First Annual Punt, Pass and Kick Contest, also starting at 8 p.m.

The competition is open to everyone, including males and females, with age divisions ranging from 9 and under to over 50. Awards will be given out to the top three in each division, starting at 11:15 p.m.

Helpful Facts

Any dog or cat in the city is required to have a current rabies shot.

Season tickets to go on sale

Season tickets for this year's home football games will be available between 8 and 10 p.m. Tuesday, at the Midnight Madness celebration in Hawk Stadium.

Both reserved seat tickets and general admission season tickets will be available.

The reserved seat tickets for all four home games will cost \$20 and general admission will be \$16.

Tickets will be good for games against Wichita Falls Hirschi, Sept. 11; Wichita Falls High, Sept. 25; Henrietta, Oct. 23, and Graham, Nov. 6

Shorts

When Chad and Chase Wright were named to the Texas Sports Writers All-State Baseball Team, a record was apparently set locally. According to all available records, no Iowa Park siblings have ever been so honored during the same year.

ss ss ss ss ss

A new baseball coach will have to be named at Bowie High. Kerry Clement, who has guided the Jackrabbits the past seven years, submitted his resignation July 3, according to the *Bowie News*.

Soccer signup to end Aug. 4

Sign-up for the fall season of the Greater Wichita Falls Soccer Assoc. has begun.

Returning players should contact their coach to obtain sign-up forms. The last day for returning players to turn in sign-up forms and fees will be August 4.

Those who have not played soccer before should pick up a sign-up form at Homestead Ceramics, 116 W. Cash, beginning Aug. 6. Deadline for new players will be Aug. 14.

Sign-up fee will be \$30 per player, or those who wish may sell

candy in lieu of paying soccer fees. Regular season will begin Sept. 12 and last through Oct. 31.

Tournaments and playdays are scheduled for the weekends of Nov. 7 and 13.

Athletic Boosters to meet

The Athletic Booster Club will meet at 7 this evening at the Faith Baptist Church Fellowship Hall.

GARDENING HINTS

By MARK TERNING, COUNTY AGENT - HORTICULTURE

Q. We live in Burkburnett and are having problems with these ferocious looking insects in our landscape. They look like a wasp with yellow markings. What are they and should we spray anything to control the pests?

A. You are probably dealing with Cicada Killers which have been very prevalent over the past few weeks in North Texas and into Southern Oklahoma.

They are wasps which reach about two inches in length with a red head and a black or rusty colored body with the characteristic yellow bands on the abdomen area.

They are one of the largest wasps you will encounter. The females can

sting, but rarely if ever attack people. The males are not capable of stinging, but tend to be even more aggressive. These insects nest in sandy areas which you have in Burkburnett.

They live in underground burrows. These wasps attack, sting, and paralyze cicadas. The cicadas are then used as a food source for immature Cicada Killers.

Overall, this insect is wicked looking, but of very little harm to people or pets.

Q. I live in Wichita Falls. We were gone on a summer vacation for a period and when we returned home our Marigold planting had a huge dead area in the center of the bed. Upon closer inspection I found some

very fine webbing on the plants. What do you think damaged our Marigolds?

A. The number one enemy of Marigolds is spider mites. These very tiny insects can suck fluid out of plant tissue very quickly. They thrive in the hot and dry parts of the year primarily target marigolds, juniper species, and tomato plants among a few other plants.

The fine webbing is a dead giveaway that spider mites caused the damage in your flower bed.

Use the miticide called Kelthane for control of mites. Local nurseries and do-it-yourself pest control outlets carry miticide products.

When going out of town for a period of time it is always advisable to have someone check your lawn and landscape regularly for any pest problems which might occur.
