OFFICER JIMMY EATON POSES WITH DRUG ITEMS TAKEN IN ARREST.

Recognized rating for school district

When accountability ratings for Texas public schools were released Tuesday morning by the Texas Education Agency, Kidwell Elementary, Bradford Elementary, and W.F. George Middle School campuses, as well as the Iowa Park School District, had each received a "Recognized" rating.

Iowa Park High School, which was a "Recognized" campus last year, fell just short this year and received an "Acceptable" rating.

This is the second year in a row for the Iowa Park CISD to be a "Recognized" district. A district cannot be rated "Exemplary" or "Recognized" if it has one or more low-performing campuses.

Superintendent Mike Caplinger said, "I am extremely pleased with the results. They show a tremendous amount of consistency throughout the district, with all campuses showing very high scores in all subject areas."

The accountability ratings are determined by attendance figures, dropout rates and the passing rates on the Texas Assessment of Academic Skills (TAAS) exam.

In the state's accountability ratings, "Recognized" is second only to "Exemplary," which requires at least 90 percent of the students passing each subject area, one percent dropout rate, and a 94 percent attendance rate.

To receive the "Recognized" rating, a campus must have at least 80 percent of the students passing each subject area, 3.5 percent dropout rate, and at least 94 percent attendance rate.

To be rated "Acceptable," a campus must have at least 40 percent of

the students passing each subject area, six percent or less dropout rate, and at least a 94 percent attendance rate.

The junior high and two elementary schools had all been "Acceptable" campuses last year, with the high school receiving the "Recognized" status.

The ratings received by Iowa Park schools this year were accomplished even though state standards were higher this year than in 1997.

For example, last year a school was required to have at least 75 percent passing in each subject area to receive a "Recognized" rating. This year, at least 80 percent were required to pass the tests.

To receive the "Acceptable" rating last year, a campus was required to have at least 35 percent passing each subject area. This year, 40 percent passing was required.

Changes anticipated for 1998-99 include:

- * The TAAS passing rate standard for the "Acceptable" ratings will be raised to 45 percent.

- * The results of students tested on Spanish TAAS in reading and mathematics at grades 3 and 4 will be incorporated into the TAAS passing rates, which are used to determine ratings.

- * TAAS results for tested special education students will be incorporated into campus and district ratings in the 1999 rating cycle.

Out of 6,497 schools statewide, the three "Recognized" campuses in Iowa Park were among 1,617 in the state to receive that rating. The high school was one of 3,679 schools to be rated "Acceptable."

Confused driver lands in jail

When a man exhibited confusion after being told he was driving the wrong way on a one-way road, he wound up being arrested here Wednesday morning.

He wasn't arrested for violating traffic laws, but for what he had in the truck he had leased.

Shortly before 8 a.m., Officer Jimmy Eaton stopped the truck after it had turned off Johnson Road, and was heading west on the east-bound access road.

Eaton said when the man drove away, he came to a halt, in the circle drive of the high school. So he began asking the man questions, and received even more confused responses.

That's when he called higher authorities, explaining he felt a need for a drug-sniffing dog.

Terry Johnson, a member of the Electra police force who lives here with a drug dog purchased by that city, was summoned and responded.

The dog first "hit" on the man's coffee, which was sitting in a holder. Continued searching produced one gram of methemine, and other lesser items of drug paraphernalia.

The driver had mixed methemine into his cup of coffee.

Possession of the items was enough for the man to be arrested. But it was enhanced, because when he parked in the high school driveway, he was informed he was in possession of a controlled substance in a drug-free zone.

The driver, Dennis William Lucas, 34, was later transported to the county jail.

A Vernon resident, Susan Kim Haire, 40, is in jail in that city, and when she is released will be facing charges here -- for the same offenses -- forgery.

Haire has apparently been cashing stolen personal checks in both

cities. And she supplemented that income by allegedly taking a VCR, 25-inch television set and some \$15 in change from a relative's home here in Iowa Park.

Police report having recovered the VCR in a Vernon hock shop, and returning it to its owner. The local thefts were reported July 29.

Iowa Park police and school officials have been experiencing trouble the past few years, with youngsters climbing atop the Bradford Elementary building.

Officer Donnie Cavender spotted three youths walking away from the building at 10:46 p.m. Sunday, and stopped to asked what they were doing out at that hour.

While talking with them, he heard a call for help, and saw a youth lying on the school's porch.

The youth, Cavender learned, had fallen through a skylight on the roof, and breaking a leg in two places when he landed on the floor, 14 feet down.

The youth was treated by local emergency medical personnel, and transported to a Wichita Falls hospital. The others were transported to the police station and turned over to their parents.

Five of the boys were 14 years of age, and the other was nine, according to the police blotter.

When an officer stopped a vehicle at 1:26 a.m. Wednesday in the 1400 block of Johnson Road for a traffic violation, it was determined by a computer check he was wanted by the Wichita County sheriff's department.

Ronald Marty Bond, 34, was wanted for a warrant, attorney off bond/theft by check, with a bond of \$2,000. He was turned over to a county deputy at 3:15 a.m. to be transported to jail.

Police picked up Myllyssa Joy Dumas, 33, Wednesday of last week on two outstanding warrants: failure to maintain financial responsibility, \$315 fine, and possession of drug paraphernalia, \$671.71 bond.

She was released later that day after signing a promise to appear in municipal court next Tuesday.

When police responded to a domestic disturbance in the 900 block

of East Cash at 11:43 p.m. last Wednesday, India Allen Troutman, 40, was arrested on a Class C assault charge. He was released on a promise to appear bond at 7:30 a.m. Thursday.

John Paul Houston, 25, was picked up on an outstanding warrant at 2:20 a.m. Friday, and later released after promising to appear in municipal court. The warrant was for possession of alcohol in a city park.

Water consumption slightly above 1997

Iowa Parkans consumed more water during July than during the same month a year ago, but not significantly more.

The average high temperature last month was 102, because of the 29 days the high exceeded the century mark. Last year's average high for the same month was 96.6 degrees.

Also, the lack of precipitation contributed to the demand for water. Virgil Woodfin reported measuring 2.65 inches from the only rain of the month, July 5.

There also was only one rain that produced a measurable amount in July of 1997. That one, which fell on the 23rd, was 0.86.

But, according to figures assembled by Mike Price, City Administrator, Iowa Park water customers purchased slightly less than 8-million gallons last month, as compared with the same month in 1997.

Total gallons of water purchased last month was 68,038,400, Price reported. The total gallonage purchased the same month last year was 60,217,200.

During June, the customers consumed 54,015,000 gallons, which was considerably more than the 45,492,000 purchased the same month the previous year, according

to Price's figures.

Demand for water during July of both years exceeded the capacity of the Iowa Park water treatment plant, which has the ability to produce 49,600,000 gallons during a 31-day period.

Because of that limitation, the city had to purchase 18,611,400 gallons of water from Wichita Falls last month, and 12,254,000 in June.

The city secured an agreement with Wichita Falls in the early 1970s which allows for purchases whenever demand exceeds the local plant's capability.

A \$600,000 bond issue was passed in order to finance a transmission line to carry the water.

Despite the lack of precipitation, Iowa Park's primary source of water, Lake Buffalo, continues to remain at a healthy level, Price reported.

Buffalo's water level in late July was a 1,042.0, down only one foot from June. The lake's level measured 1,043.75 in July of 1997.

Lake levels suffer from two causes: how much water is siphoned off for use, and a combination of heat and wind which causes evaporation.

Last month's heat and wind were significantly high, but still, no cause of concern, according to Price's report.

Four districts join forming AEP coop

The alternative education placement (AEP) coop, formed by the Iowa Park, Electra, Holliday, and City View school districts, will begin operations this fall.

The school, to be known as the Texoma Education Center, will be located in Iowa Park at the old C&S Service Center building, 105 N. Colorado St.

Rosie Flanigan, who has many years experience directing alternative education programs in the Wichita Falls school system, will be the director of the center.

She has held positions in the Wichita Falls ISD from math teacher to assistant principal, Hirschi High School Dean of Students, co-director of the district's summer school, director of the principals' assessment project, and director of secondary personnel.

She has degrees from Grambling State University and Midwestern State University. She also holds a mid-management certificate from MSU.

Flanigan's staff at the coop will consist of two other teachers, with one being special education certified, and four aides. The aides will come from each of the four member districts. Part of their responsibility will be to transport students to the center.

Through the coop, the school districts will have a more effective way of working with students who have difficulty adjusting to the regular educational setting.

The coop will serve as a means of meeting the state mandate that states students who are charged with or commit crimes classified as a felony or other serious breaches of

the Student Code of Conduct be placed in an AEP setting. By establishing the coop, the districts will have the means to continue the education of these students.

Electra school superintendent, Don Windham, who has been selected to serve as chairman of the program, said that the coop is not just a way to punish students, but has the task of working with students so that they can function properly in the regular education program at their home campus.

Windham said this will give the school districts a more effective way of working with students who have difficulty adjusting to the regular educational setting.

Individual and group counseling will be an integral part of the program. Officials from the juvenile probation department in Wichita Falls have agreed to provide training for staff members and to work at least one day a week with the students assigned to the program.

Mr. Windham said that with the coop, districts have one more tool for dealing with students. This will serve as an additional step before expulsion of students. He added that he felt this coop will be a model for other small districts to follow as it becomes operable.

Windham feels that the staff will be called upon to make presentations before their peers across the state concerning this concept, since very few districts this size have taken the initiative to fulfill the mandate of the law concerning alternative education placement of students. He praised the school boards of the four districts for

Mr. and Mrs. Joe Kevin Meinzer
(Jana Lee Suzette Varner)

Varner, Meinzer wed

Jana Lee Suzette Varner and Joe Kevin Meinzer exchanged wedding vows in a private double ring ceremony, June 16, in Las Vegas, Nevada.

The bride is the daughter of Mr. and Mrs. Jack N. Varner of Grandfield, Ok.

The groom is the son of Ann of Iowa Park and the late Wylie J. Meinzer.

The bride graduated Grandfield High School. She earned a bachelors degree from Cameron University and a masters degree from the University of Oklahoma. She is employed by the Texas Department of Protective and Regulatory Services.

The groom is a graduate of Iowa Park High School. He is employed by Moore Farms.

The couple honeymooned in Las Vegas and are now at home in Vernon.

Iowa Park Band Boosters

The Iowa Park Band Boosters will meet Tuesday, at 7:30 p.m. in the High School Band Hall.

All parents of band students grades 7 - 12 are urged to attend.

Fund raisers and football concession stand work schedules will be among the items discussed.

Receives Eagle Scout award

Kyle Chaney, son of Doug and Anita Chaney of Iowa Park, received Scouting's highest rank, his Eagle Scout Award, during his Court of Honor held Friday at the Recreational Activity Center.

Richard Hicks, Mozelle Sullivan, Bob Gray and Jim Hughes presided over the ceremony.

Kyle joins a select group of young men who are outstanding in all that Scouting represents. Kyle's vision of improving Foley Park by planting trees became a reality with the completion of his Eagle Scout project.

His efforts resulted in 14 trees being planted in the park which improved the quality of life for the surrounding area and also improved the environment.

The businesses, organizations, and individuals who donated trees, supplies or support for the project include: Mike Price, Sue Hatcher and other employees with the City of Iowa Park, Wichita County Extension Agent Mark Turning, Charles Norton, Wichita Soil and Water Conservation District, Shade Tree Nursery, Smith's Gardentown, Harris Nursery, and Iowa Park Wal-Mart.

Kyle Chaney

Kyle received congratulatory letters from many prior Eagle Scouts, national and state leaders as well as local school and government officials.

Please join us for the continuing saga of Howard and Lillith...

"As The Phone Rings"

Howard and Lillith's romance continued through the hot summer months in North Texas, when suddenly their love cooled - ironically the same day the temperatures did, when the area finally fell below 100 as a high.

The day began as most others with the couple...on the phone making plans for the evening events. They would be celebrating their 5 months-and-two day anniversary.

Howard carefully dressed for the evening and was headed for Lillith's when...suddenly...a commotion caught his eye. The lights were on at Hawk stadium. Cars were in the parking lot! He could hear Robert Wilcox' voice announcing! He could stand it no more. He just *had* to see what was going on. Howard was drawn to the stadium by the Iowa Park Chamber of Commerce's Pass, Punt and Kick Competition, which preceded the midnight-start of the Iowa Park Hawks' two-a-days. So engrossed with the impressive amateur football action was Howard, that he completely forgot about Lillith and the important date.

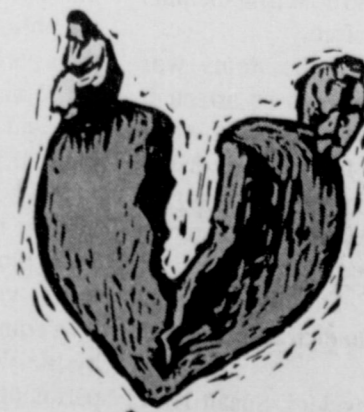

Meanwhile, Lillith sat at her house. Waiting. And Waiting. And Calling. And Calling. Howard did not answer the phone at his house. **And he did not own a cell phone.** Lillith got more and more furious by the minute that she could not reach him.

What will Lillith do? Will Howard finally remember the date? Stay tuned for the next episode of "As The Phone Rings."

Claire, Booth exchange vows

Miss Amy Rachel Claire and Louis Wayne Booth exchanged double-ring vows in an afternoon ceremony held June 13 at Edgewood Church of God in Edgewood.

Larry Barrett, pastor, officiated. Miss Claire is the daughter of James and Rachel Claire of Edgewood, and the groom is the son of Phillip and Paula Booth of Iowa Park.

For her wedding day, the bride chose a formal gown featuring a fitted bodice of white rose applique with a scalloped sweetheart neckline. The sleeves were puffed at the shoulders and were fitted to a point at the wrist.

The satin skirt flowed from a fitted waist to a cathedral-length train, with a hemline trimmed in scalloped edge lace.

To add the finishing touch, she carried a cascade bouquet of roses and carnations with lace streamers.

She was attended by Leslie Welch as maid of honor, and Katie Williams, Mickie Claire and Tiffany Martin, all of Edgewood, as bridesmaids.

The bridal attendants wore identical formal length buttercup gowns, sleeveless and styled with an empire waist.

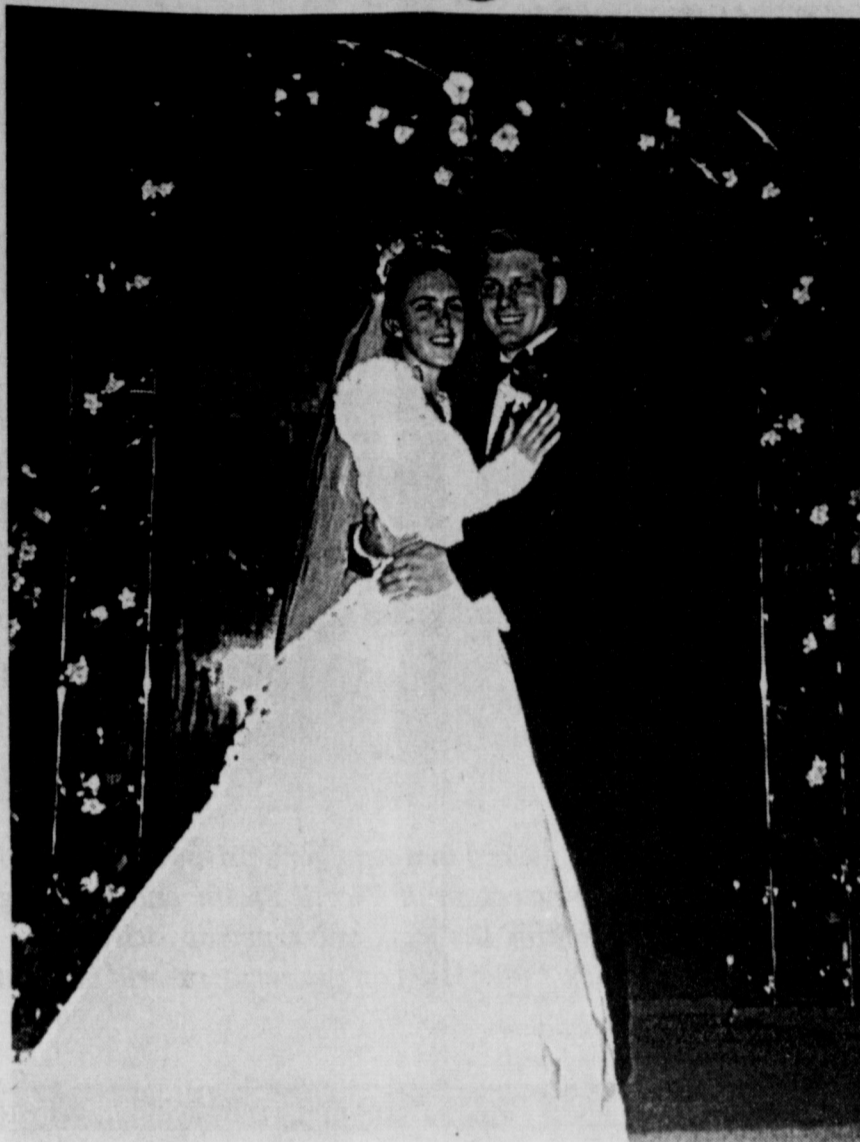

Kayla Jones of Edgewood was flower girl.

Phillip W. Booth served as best man for his son. Ushers and groomsmen were Jim Claire and Kevin Claire, brother of the bride; Kevin Mayberry, Duane Hooten, and Cain Kizzia, all of Edgewood.

The couple read their vows before an altar centered with a brass archway, wrapped in ivy and rose tulle, with white stephanotis accents.

Two heart-shaped candelabras flanked the altar, and arrangements of roses and buttercups in the bride's chosen colors of rose and hunter green completed the decorations.

"Butterfly Kisses" was played before the ceremony. During the ceremony the groom sang "I'll Be Here" to the bride.

Mr. and Mrs. Louis Wayne Booth
(Amy Rachel Claire)

"From This Moment On" and "Only God Could Love You More" were also offered during the ceremony.

Following the ceremony, a reception was held in the Fellowship Hall of the Church.

The bride's table featured a four-tiered cake arranged on a white wrought iron stand. Each tier was iced in white with white and red roses. The top tier was heart-shaped and held a bride and groom figurine.

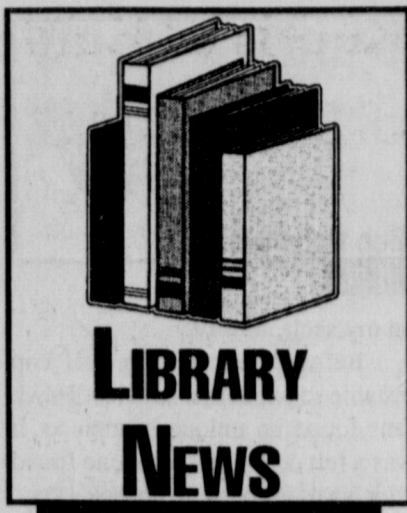

The groom's table held a chocolate cake adorned with chocolate-dipped strawberries.

Each table held white wrought iron table appointments.

The bride is a graduate of Edgewood High School, and the groom is graduate of Iowa Park High School.

Following a honeymoon trip to Dallas and Six Flags, the couple are at home in Iowa Park.

School registration continues

Registration at Iowa Park schools is continuing this week, with the first day of classes being Aug. 18.

At Iowa Park High School, seniors will register today from 10 a.m. until noon, and juniors from 2-4 p.m.

Tomorrow, sophomore registration is from 10 a.m. until noon, and freshmen students from 2-4 p.m.

Students who cannot come in for the scheduled registration may register on Aug. 10 and 11, from 10 a.m. until noon. Students who have not picked up their schedules can do so at that time.

Junior high school students can still register today from 8:30 a.m. until noon, and 1-3 p.m.

The dates and times for junior high students to pick up their schedules are:

- 6th grade - Aug. 10
- 7th grade - Aug. 11
- 8th grade - Aug. 12

Schedules may be picked up from 8:30 - 11:30 a.m. and 1-3:30 p.m. Changes may be made at those times.

New students entering the third, fourth and fifth grades can still register today and tomorrow, from 9 a.m. - 3 p.m. at Bradford Elementary.

At Kidwell Elementary, Pre-K and kindergarten students who did not pre-register in May, and first and second grade students who are new to the district can register today and tomorrow, from 9 a.m. until noon, and 1-3 p.m.

Staff development set next week for teachers

Event though the first day of class for students in the Iowa Park school district isn't until Aug. 18, teachers will return Aug. 11-14 for staff development, and Aug. 17 is designated as a teacher's workday.

Next Thursday, Grant Teaff, former head coach at Baylor University, will be the guest speaker, and will speak from 9-10 a.m. at the high school auditorium.

Supt. Mike Caplinger said that teachers from City View, Electra and Holliday will be attending, but non-school personnel are welcome to come hear the speaker. He said there might be standing room only, but it shouldn't be too difficult for that short time period.

As I See It... By Bob Hamilton

It's that time of year again. You have undoubtedly already begun digging out everything you own that is green. I sure have.

Yep, it's football time once again in Iowa Park. I mention that, just in case you weren't in Hawk Stadium at midnight Tuesday.

For all you newcomers to our community, if you like high school football, and enjoy participating in community spirit, start accumulating clothing items of green and white.

They're Hawk colors.

It won't take long to observe that green is the most popular color in the spectrum around this town, especially on Fridays.

We learned early, when we

moved here in September of 1969. Everyone, and I do mean everyone, wears green on Fridays... at work and at the games.

Over the years, I've accumulated quite a wardrobe of green apparel. I've got green shirts, green pants, green socks, green jackets and coats, and lots and lots of green caps. (My station wagon is even green.)

Actually, my collection of Hawk caps abound on my closet's shelves. But I haven't the heart to do away with any of them. Each has a history of its year, and I can't bring myself to discard anything with meaning.

One item of Hawk football clothing that was very popular just before we moved here has never been

on my shelf, however.

Before the common ball cap became so popular, a bunch of Hawk fans found a unique headpiece. It was a felt derby that someone found which was used for St. Patrick's Day.

Those fans soon became known here and in area towns as the "derby bunch."

But it's a real kick to be down on the playing field and look up into the Iowa Park side of a stadium and see virtually nothing but green.

So, if you're new here, like good high school football, and be among staunch friends -- start accumulating everything of clothing that's green.

You'll be right at home.

July big building permit month

Bolstered primarily by roofing repairs, the total for building permits issued during July by city hall amounted to \$359,472.

That increased the year's total to \$1,801,660.

Supplementing the month's total also were permits for two new residences.

Permits issued during July included:

Trustees set meeting tonight

School board members will have a called meeting tonight to discuss the tax rate for the 1998-99 school year.

Trustees will determine if the proposed tax rate will raise more revenue than the preceding year's revenue; take a record vote and schedule a public hearing for Aug. 20.

The meeting will begin at 8 p.m. in the school administration building, 413 East Cash St.

The regular monthly meeting of the board will be held Aug. 13, beginning at 7:30 p.m. in the W.F. George Middle School Library.

Major items on the agenda include a committee report on building facilities and review the progress of the 1998-99 budget.

A closed session is scheduled to

accept resignations and employ new personnel.

To insure uniformity, principals from the four districts have been meeting to develop a common set of guidelines that all will follow for placing students at the center.

Windham said it is anticipated that assignments to the center will be for a minimum of 30 school days for students in grades 5-12. However, each district will maintain a program of in school suspension for lesser offenses in their local settings.

THIS JEEP ended up parked in a stranger's driveway shortly after 5 p.m. Wednesday, following a wreck at the intersection of North Pacific and Washington. The two-vehicle accident involved a female, driving the jeep, and a pickup, driven by a male. Minor injuries were reported by both parties. Full details on the accidents will be printed in next week's issue of The Leader.

Obituaries

Lawrence Beard

Last rites for Lawrence "Larry" Beard were held Monday morning at Lunn's Colonial Chapel in Wichita Falls, with Rev. Jeremy Bratcher, student pastor of Southside Baptist Church of Wichita Falls, officiating. Burial with full military honors were held later in the day at Sunset Memorial Gardens in Lawton, Okla. Mr. Beard died July 29 while attending the Texas High School Coaches Association clinic in Houston.

He was born April 30, 1947 at Portsmouth, Virginia. He was a member of the Baptist Church and had been a teacher/coach the past three years in the Iowa Park Consolidated School District.

He and Delores Thompson were married Aug. 20, 1966, in Lawton.

He served as a lieutenant colonel in the Army from 1972 to 1990. He was awarded the Legion of Merit First Oak Leaf Cluster, the Defense Meritorious Service Medal, the Meritorious Service Medal Second Oak Leaf Cluster, the Joint Service Commendation Medal First Oak Leaf Cluster, the Army Achievement medal First Oak Leaf Cluster, the national defense Service Medal with Bronze Star, the joint Meritorious Unit Award, the Army Service Ribbon, the Overseas Service Ribbon, the joint Service Achievement Medal, the Expert Infantryman Badge and the master Army Aviator Badge.

He was a member of the Texas High School Coaches Association and the Texas Girls Coaches Association.

He had lived in Wichita Falls since 1992, having moved there from Wiesbaden, Germany.

Survivors include his wife; his parents, Delmar and Patricia Beard of Austin and Mary Beard of Wichita Falls; two sons, David DeWitt of Wichita Falls and Dennis E. of Dallas; one daughter, Corrie Mae Bratcher of Wichita Falls; a brother, Gary of Wichita Falls; a sister, Darlene Price of Anderson, S.C., and one grandchild.

Memorials may be made to the Iowa Park CISD Girls Softball Program.

Mary Gertrude Williams

Mary Gertrude Williams, 96, died Tuesday in Wichita Falls.

Services will be held at 10 a.m. Friday at Dutton Funeral Home Chapel with Dr. Dennis Koger, Chaplain at San Marcus Baptist Academy, and Rev. Andy Krebs, pastor of First Baptist Church in Kamay, officiating. Burial will be in Crestview Memorial Park.

Mrs. Williams was born Sept. 16, 1901, in Donie. She and William Madison Williams were married Dec. 25, 1923, in Donie. He preceded her in death on June 10, 1982. She was a homemaker and a member of First Baptist Church in Kamay. She had been a resident of Iowa Park 68 years.

Survivors include two daughters, Zona Parnell of Abilene and Madrey Wall of Fort Worth; four sons, Felton Williams of Iowa Park, Glynn Williams of Rockdale, Hayes Williams of Arlington, and Roland Williams of Abilene; one sister, Peachie Baty of Teague; 15 grandchildren; and 28 great-grandchildren.

The family will be at Dutton Funeral Home for visitation between 6 and 8 o'clock this evening.

Barbara Ashton

Barbara Ann Hamilton Ashton, 63, died Saturday in her Ennis residence.

Services were Monday at the Owens & Brumley Funeral Home of Burkburnett with Rev. Anthony West, pastor of Abundant Life Church of God in Burkburnett, officiating. Burial was in Burkburnett Cemetery.

Ms. Ashton was born July 10, 1935, in Wichita Falls. She was the manager of a beauty shop. She lived in Burkburnett before moving to Ennis two years ago. She was a Methodist.

Survivors include a daughter, Sherry Braddy of Ennis; a son, Randall of Burkburnett; her mother, Estelle Hamilton of Blue Ridge; two brothers, Joe Hamilton of Iowa Park and Pete Hamilton of Burkburnett; and a sister, Carolyn Sue Tucker of Blue Ridge.

Pacific Avenue Baptist Church to celebrate 20 years of service

Sunday, The Iowa Park Pacific Avenue Baptist Church will celebrate 20 years of service.

Services will begin with Sunday School at 9:45 a.m., preaching at 11 a.m., and lunch will be served at 12:30.

There will be a 2 p.m. service. A brief history of the church will be given. John P. Jones, pastor of the Unity Baptist Church in Wichita Falls, will bring the afternoon message, and there will be special music.

The congregation began meet-

ing in a store front building in Park West Center under the leadership of pastor, Larry Washburn.

Property was purchased from the Presbyterian Church and the present building was constructed in the early 1980's, with an educational building being added a few years later.

The church is affiliated with the American Baptist Association and the Texas Missionary Baptist Association.

The public is invited to share in this special day with the church.

City tax rate to be considered

The city council could possibly set the tax rate for the 1998-99 year, when it meets at 7 p.m. Monday in council chambers.

The council's last regularly-scheduled meeting, July 27, was cancelled, partly because the final tax appraisal report was not received until the 24th, and because those final figures allowed further revisions by city staff which works on the proposed budget.

Aldermen will consider authorizing the city administrator to enter into an agreement for the installation of a new sewer main between the 400 blocks of Clara and Texas.

An ordinance will be considered which proposes to replat two lots in the Park Place Addition into one lot.

For the second time in recent weeks, the council will consider approval of the Wichita Appraisal District's budget for 1999.

4-H CLUB NEWS

Valley View 4-H Club

Valley View 4-H Club held an officer's meeting to discuss plans and ideas for the coming year.

Officers attending were Kaycie Myers, Jake Ermis, Tara Godwin, Allison Wall, Kaylee Meadows, and Garred and Crystal Vernon.

The club's first meeting will be at 6 p.m., Wednesday, Sept. 2, at the Kamay Volunteer Fire Dept. There will be a get-acquainted hamburger supper for members and their families.

Afterward, members worked on project record forms. Those members were Sheyna Stewart, Kaycie

Myers, Lindy Tyler, Katherine Brown, Ryan Tyler, Kaylee Meadows and Allison Wall.

Several members of Valley View 4-H attended an outing to Turner Falls for 4-H youth 13 and older. Those making the trip were Jake, Pete and Luke Ermis, Crystal and Garred Vernon, Kelly Williamson, and Cody and Kaycie Myers.

It was a good trip and everyone had a great time. Good luck to members taking part in the food show coming up.

Anyone interested in joining Valley View 4-H should contact Donna Myers, 438-2212, or Pam Tyler, 438-2483.

NEWS OF THE IOWA PARK GENEALOGICAL & HISTORICAL SOCIETY

After a brief business meeting Saturday, Richard Simpson, M.S.U. Professor, presented his program; "Turbulent Years, New England, 1620 - 1700."

Eventhough we have studied the history of the early settlers, much of the story remains untold.

Mr. Simpson reminded us of the diversity of religious beliefs of these New England people. The Puritans and Pilgrims along with Strangers had all endured years of hardship and dislocation because of their desire to have freedom of choice.

Two ships, Speedwell and Mayflower were chartered to carry some of these people to America.

The Speedwell proved to be unseaworthy and after some time at sea they turned back to port, losing precious time. Finally the voyage continued with many of the Speedwell passengers crowded on the Mayflower.

After months at sea plagued by sickness, death and dwindling food supplies, the Mayflower, although Virginia was their destination, landed on Cape Cod in November 1620.

Realizing the need of an instrument for governing and assurance of religious freedom, the Mayflower Compact was created and signed before leaving the ship. The remaining supplies from the ship were used to help sustain the people until the Mayflower returned to England and brought more supplies.

Mr. Simpson told of the various Indian Tribes, some friendly and others wary of the white man.

There was hunger, disease and inadequate shelter. Some Indians were helpful, but others were hostile and many Indians wars took place.

It was during these unsettling times some peculiar actions of some of the people led to the rumors of witches and witchcraft. These were very turbulent times in Salem and

trials were held with suspected witches promised freedom if they confessed. Those who refused were hanged or beheaded.

Can you trace your ancestors back to this era?

Vera Cantwell told of her connection to a so called witch and with her documentation Mr. Simpson can trace back to an ancestor in common. One never knows in genealogy where they will find a distant cousin.

A special thank you to Mr. Simpson for a very interesting program.

National Night Out slated for Aug. 15

The Iowa Park Police Department will host a local "National Night Out Against Crime" August 15.

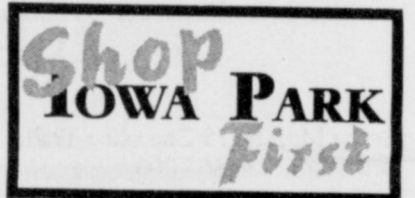

The event will take place from 8 p.m. to midnight behind the Recreation Activities Center, located on North Third St.

A live band from Wichita Falls, "Heartbreak," is being billed as the top act for the evening, and some local talent will also be featured. In addition, area businesses are donating food, entertainment and door prizes to the cause.

On hand will be a Moon Bounce for the kids, free hot dogs, soft drinks, cotton candy and popcorn and several door prizes. A magician is also scheduled to appear.

The top door prize, according to DeDe Alderman, coordinator, will be a television set, donated by Cryovac.

The event is for all ages.

Faith Baptist Church offers weight management program

Faith Baptist Church has begun offering a Christ-centered health and weight management program, "First Place," for men and women of all ages.

The program uses a support system incorporating Bible study, prayer and exercise to change lives. The food plan that is followed is based on the USDA food pyramid, and is what medical professionals suggest for healthy living. The goal in First Place is never to "diet," but to develop a healthy lifestyle consisting of proper food choices and exercise.

The 13-week program costs \$65 for persons enrolling for the first time. The group will meet weekly at Faith Baptist Church each Sunday at 6 p.m.

The fall session of First Place will begin with orientation at 5:30 p.m. this Sunday in the Fellowship Hall of Faith Baptist Church.

Those wishing to participate do not have to be a member of Faith Baptist Church.

The First Place program began in 1981 and has delivered health and weight management instruction and support to thousands of persons. It is currently an international program that is used in more than 12,000 churches in many different denominations. Faith Baptist Church is offering this

successful program to the public for the third consecutive year.

Charlene Parks

If you want to know something about genealogy, Charlene Parks would be an excellent source for information.

Charlene, who has a deep interest in history and genealogy, holds memberships in the Iowa Park Genealogical and Historical Society, North Texas Genealogy Association, Genealogy Society of Southern Illinois, and the Iowa Park CISD Centennial Committee.

She and several other members of the Centennial Committee are busy compiling the history of Iowa Park schools. Their work will go into a book that will be sold during the anniversary celebration to help fund a historical marker.

Charlene was born in King County, but grew up in Palo Pinto County in the town of Mingus. When she started to school, all 12 grades were housed in one building. She said it was quite a change when the family moved to Fort Worth and she entered the fourth grade in a school that offered Spanish, choir, and other subjects not available in the smaller school.

When Charlene was in the ninth grade, her family moved to Breckenridge, where she graduated from high school. This is also where she met and married her husband, Doyle Parks.

Doyle, who was in the Air Force when they met, was born in Holliday. He came to Iowa Park when he was in the fifth grade and graduated high school here.

Charlene has lived in Iowa Park 35 years. She worked for a year in the City of Iowa Park's tax department, and twice, in 1957 and 1977, she worked for North Texas Federal Savings & Loan as a teller.

Doyle retired from the Air Force after 34 and a half years, including four years active duty and 30 years as a civilian employee, with a GM 13 ranking.

He is a member of the Iowa Park Masonic Lodge where he has twice been Lodge Master. During his second term, a historical marker was obtained for the lodge which had been in existence 106 years.

The Parks are members of First Baptist Church.

They have two children, Debra, a 1977 graduate of Iowa Park High School, and Charles, who graduated IPHS in 1979. They also have four grandchildren.

Charlene likes to cook and bake, and this week she is making homemade goodies to serve during the blood drive.

Referring to her recipes, Charlene said her grandchildren were especially fond of the "Fisherman's Wharf Jambalaya," Doyle's favorite is "Pepper Steak" and "Pink Lemonade Pie," and for covered dish luncheons she likes to prepare the "Sweet Potato Supreme" and "Neiman Marcus Cake" recipes.

Pink Lemonade Pie

1 small can frozen pink lemonade.
2 graham cracker pie crusts

1 large carton Cool Whip
1 can Eagle Brand milk
Stir ingredients until creamy. Fill 2 purchased graham cracker crusts. Cover, chill; then enjoy.

Fisherman's Wharf Jambalaya

In 2 tablespoons butter lightly brown 1 package chicken Rice A Roni. Stir in 2 3/4 cups hot water, contents of chicken-flavor packet, 1/4 teaspoon each black pepper and Tabasco sauce, 1 tablespoon instant minced onion, 1/4 cup each diced celery and green bell pepper. Add 2 cups diced cooked ham or 12 oz. can Span and 1 can tuna or shrimp. Cover and simmer 15 minutes.

Serve with green salad. Makes a full meal for at least 6 people.

Sweet Potato Supreme

3 cups cooked sweet potatoes (2 lb., 8 oz. can, drained)
3/4 cup granulated sugar
1/2 tsp. salt
2 eggs
1/2 stick margarine
1/2 cup milk
Whip well. Pour into 1 1/2 quart baking dish.

Crumb Topping

1/3 stick margarine, melted
3/4 cup brown sugar
1/3 cup flour
1/2 cup chopped pecans
1 cup coconut flakes

Combine above ingredients and sprinkle on potatoes. Bake 45 minutes at 350 degrees, and enjoy.

Delight Pecan Pie

Pecan halves
1/3 cup oleo, cut in pieces
3 eggs
1 cup white sugar
1 cup Karo
Pinch of salt
1 tsp. vanilla
Preheat oven to 425 degrees.

Line a 9-inch pie shell with pecan halves and 1/3 cup oleo, cut in pieces. With a fork, beat together the eggs, sugar, Karo, salt and vanilla. Pour mixture over the pecans and butter. Bake 10 minutes at 425 degrees; reduce heat to 350 degrees and

bake 35 minutes longer. Center may look slushy when it comes out of oven, but will harden as it cools.

Neiman Marcus Cake

1 box yellow cake mix
1 - 16 oz. can cream of coconut
1 can Eagle Brand sweetened condensed milk
1 Ctn. LaCreme topping
1/3 to 1/2 cup slivered almonds

Mix and bake cake as directed on package in a 9x13x2-inch pan. Remove from oven and while still hot poke holes* in it and slowly pour cream of coconut over (shake can well before opening). Then slowly pour condensed milk over cake. Chill, then spread LaCreme topping over all. Sprinkle with almonds.

* Meat fork works well for poking holes in hot cake.

Pepper Steak

2 Tbsps. flour
1/4 tsp. salt
Dash pepper
1 1/2 lbs. round steak (3/4 inch thick)
2 Tbsps. shortening
1 can onion soup
1/2 cup ketchup
1 med. green pepper, cut into 8 strips

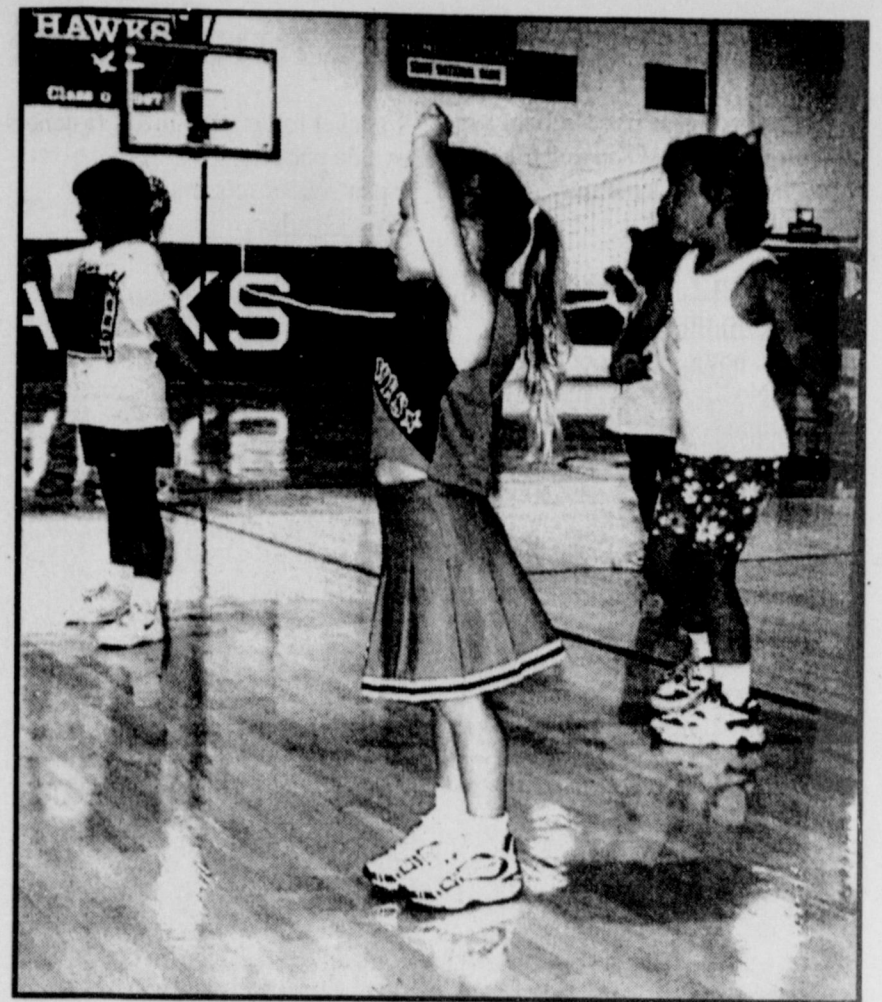

Combine flour and seasonings; pound into meat with meat hammer or edge of heavy saucer. In skillet, brown meat in shortening; pour off fat. Add soup and ketchup. Cover; cook over low heat 1 hour. Add green pepper; cook 20 minutes more or until tender. Stir now and then. Serve with mashed potatoes. Serves 4.

Wiggins on Honor Roll

Lori Wiggins of Iowa Park was named to the Dean's Honor Roll for the spring semester at Abilene Christian Univ.

Wiggins is the daughter of Mr. and Mrs. Ellington Wiggins and a 1977 graduate of Iowa Park High School. She is a freshman nursing major at ACU.

To make the Honor Roll, a student must complete at least 12 semester hours for grades and earn a 3.45 or higher grade point average.

BIG SPIRIT COMES IN SMALL PACKAGES - Bethany Hale and several other young ladies participated in the Hawk Cheerleading Camp this week, learning cheers, chants and dances. The camp was sponsored by the Iowa Park High School cheerleaders.

Hawks launch '98 season at midnight

The 1998 football season is officially underway as of 12:01 a.m. Wednesday.

Midnight Madness went off without a hitch Tuesday evening and into the morning, as the Hawks prepare to start the new season.

Iowa Park will be looking to make it back into the playoffs for the fourth straight season under head coach Weldon Nelms. In Nelms' fifth season as the Head Hawk, he has directed his team to the Class 3A State Playoffs in each of the past three seasons.

This year the University Interscholastic League has extended the number of teams that qualify for the playoffs from two to three.

The coaching staff will be taking a slightly different approach to the '98 season. After graduating 23 seniors from last year's squad, the Hawks will be a much younger team, as only nine lettermen will be returning. Despite being so young and inexperienced, Nelms feels his team will definitely be a factor in the District race and in the playoffs.

"This is going to be one of those years that we as coaches look forward to," Nelms said. "We had a real good spring and we are excited about the start of the season. We're going in with a lot of question marks after losing so many players last year. We have only eight players with varsity experience, but on the same hand we can see the potential of so many of our young players. We had a lot of juniors that could have started for a lot of teams last year and we expect them to step in and be our leaders. Like I said, we're going to be young, but we as coaches can see a lot of potential in this group of kids."

If it wasn't enough to have to figure out who will be your best eleven players in only a short period of time, the Hawks will have even less time than they had last year to prepare for the regular season.

This year, Iowa Park will have only one scrimmage to evaluate its players, with the season starting a week earlier this year.

"The early season does put a little more pressure on us to get ready quicker," said Nelms. "We're looking forward to the early start. You know the kids are always looking forward to the first scrimmage, but in the second scrimmage, they start looking ahead to the first regular season game and most of the time we look a little flat."

"This year we will have only the one scrimmage, then we open the regular season against Holliday the following week," Nelms added. "That extra pressure on the coaches and players will help us prepare. We know what we have to do and how long we have to do it, which should help us focus a bit more."

Offensively the Hawks will have a lot of holes to fill, the biggest being at the quarterback position.

Todd Yeager, a three-year starter, graduated last year, leaving the job up

for grabs. The most likely candidate was Justin Terry, a senior who backed up Yeager last season. But Terry's family moved to Jacksboro in the off season.

That leaves Tyler Pulley, Toby Williams and Chris Simmons to battle for the starting job as signal caller.

According to Nelms, his backfield will be one of his team's strongest suits, with several players who can carry the load. His offensive line will be another strong point, with a real strong first unit. Nelms said one of his concerns would be depth along the offensive line.

One of the new wrinkles the Hawks will be using this season was unveiled during Midnight Madness.

Iowa Park has installed the shotgun formation this year, to add a new dimension which will force teams to prepare for every week.

With a younger team, Nelms said his offense might be reduced some from last year, but he looked on that as a positive in that it would make his team more sound. He said his team would have enough to keep teams guessing with the different formations and sets he will be using this year.

Just like the Cowboys, who are holding their training camp at Midwestern State University, Nelms is

concerned about the afternoon heat and its effect on his players.

"The heat is going to be a factor," Nelms added. "And with the season starting so early, you have to try and keep your players as fresh as possible and still get in your conditioning work. What we may do is go to a longer workout in the morning, maybe start around 7 a.m. and go until 10:30 or so, then come back in the afternoon with a shorter workout."

With the three teams making it to the playoffs, Nelms said he feels the Hawks will be one of the three heading into the playoffs. It should be a battle between Iowa Park, Vernon Childress and Graham for the three spots.

"We feel good about our District from top to bottom," said Nelms. "I would be disappointed if we were not one of the top three teams, but there's four other teams that are saying that same thing right now. I think our non-district schedule will help us get ready for district play. There are no paties on our schedule this year."

The Hawks returned to the practice field at 10 Wednesday morning, then back again at 5:30 that afternoon.

Practice resumes this morning from 8-10:30, with an afternoon workout scheduled for 5:30-8.

NOVENA TO ST. JUDE

May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the World now and forever.
Sacred Heart of Jesus, pray for us, St. Jude worker of Miracles, pray for us. St. Jude, helper of the hopeless, pray for us.
Say this prayer 9 times a day, by the 8th day your prayer will be answered. This Novena has never been known to fail. Publication must be promised.
Thank you, Sacred Heart of Jesus and St. Jude. GVL

PRAYER TO THE BLESSED VIRGIN

(Never known to fail)
O most beautiful flower on Mount Carmel, fruitful vine, splendor of Heaven, Blessed Mother of the son of God, Immaculate Virgin assist me in my necessity O Star of the Sea, help me and show me here you are my mother, O Holy Mary Mother of God Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to secure me in my necessity (make request). There are none that can withstand your power. O Mary conceived without sin pray for us who have resoured to thee (3 times). Holy Mary, I place this cause in your hands (3 times). Say this prayer for 3 consecutive days and then you must publish and it will be granted to you. GVL

LEGAL NOTICE

SHERIFF'S SALE
THE STATE OF TEXAS
County of Wichita

NOTICE IS HEREBY GIVEN That by virtue of a certain Order of Sale issued out of the Honorable 30th District Court of Wichita County, on the 1st day of July 1998 by Dorsey Trapp, Clerk of said District Court for the sum of Five hundred forty one and 15/100 DOLLARS and costs of suit, under a certain judgment, in favor of Iowa Park Independent School District, Et Al in a certain cause in said Court, No. 40,017-A and styled City of Iowa Park, Iowa Park Independent School District, County of Wichita vs. Michael A. Culberson and placed in my hands for service, I THOMAS J. CALLAHAN as Sheriff of Wichita County, Texas, did, on the 9th day of July 1998 levy on certain Real Estate, situated in Wichita County, Texas, described as follows, to-wit:

TRACT 1: West one-half of Lot 4, all of Lot 5, and adjacent street, Block 93, Original Townsite Iowa Park, Wichita County, Texas, as more particularly described in a deed recorded in Volume 1682 at Page 392 of the Official Public Records of Wichita County, Texas; known as 1001 Pasadena, in said city. The above property shall be sold subject to the owner's right of redemption. The redemption period is two years for homestead and agricultural use property and six months for all other property. Purchasers shall receive a Sheriff's Deed that is without warranty. Bidders should satisfy themselves concerning title and location of the property and improvements on the property prior to sale.

and levied upon as the property of Michael A. Culberson and that on the first Tuesday in September 1998, the same being the 1st day of said month, at the Court House door, of Wichita County, in the City of Wichita Falls, Texas, at 10 A.M. by virtue of said levy and said Order of Sale I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said Michael A. Culberson

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Iowa Park Leader a newspaper published in Wichita County.
Witness my hand, this 9th day of July 1998

NOTICE OF APPLICATION FOR WASTE DISCHARGE PERMIT RENEWAL
City of Iowa Park, 103 North Wall, Iowa Park, Texas 76367-0190, has applied to the Texas Natural Resource Conservation Commission for a renewal of Permit No. 10691-002, which authorizes a discharge of treated domestic wastewater at a daily average flow not to exceed 1,000,000 gallons per day. The draft permit authorizes the discharge of treated domestic wastewater at an annual average flow not to exceed 1,000,000 gallons per day.

The plant site is located southwest of the City of Iowa Park, approximately 0.25 mile west of Farm-to-Market Road 368 and 1 mile north of Farm-to-Market Road 367 in Wichita County, Texas. The treated effluent is discharged to an unnamed tributary; thence to Buffalo Creek; thence to the Wichita River Below Diversion Lake in Segment No. 0214 of the Red River Basin. The unclassified receiving water uses are no significant aquatic life uses for the unnamed tributary and Buffalo Creek. The designated uses for Segment No. 0214 are contact recreation and high aquatic life uses.

The Executive Director of the TNRCC has prepared a draft permit which, if approved, would establish the parameters and limitations within which the facility must operate. The Executive Director will issue the permit unless a written hearing request is filed within 30 days after newspaper publication of this notice. To request a hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) the name of the applicant and the permit number; (3) the statement "I/we request a public hearing;" (4) a brief description of how you would be adversely affected by the granting of the application in a way not common to the general public; (5) the location of your property relative to the applicant's operations; and (6) your proposed adjustments to the application/permit which would satisfy your concerns and cause you to withdraw your request for hearing.

If a hearing request is filed, the Executive Director will not issue the permit and will forward the application and hearing request to the TNRCC Commissioners for their consideration at a scheduled Commission meeting. If a hearing is held, it will be a legal proceeding similar to civil trials in state district court. Requests for hearing on this application must be submitted in writing during the 30-day notice period to the Chief Clerk's Office, Mail Code 105, TNRCC, P.O. Box 13087, Austin, TX 78711-3087. Written public comments may also be submitted to the Chief Clerk's Office during the notice period. For information concerning technical aspects of the permit, contact Zdenek Matl at (512) 239-4545, Wastewater Permits Section, Mail Code 148, the same address. For information concerning hearing procedures or citizen participation, contact Blas Coy, Public Interest Counsel, Mail Code 103, the same address. Individual members of the public who wish to inquire about the information contained in this notice, or to inquire about other agency permit applications or permitting processes, should call the TNRCC Office of Public Assistance, Toll Free, at 1-800-687-4040.

On July 27, John Clapp had the high score of 4700 and Lorene Mahler had the second high of 4360. On August 3, Paula King had the high score of 4730 and John Clapp was second high with 4470. There were two tables in play both weeks.

After School Program
The RAC will offer an after school care program this year at Kidwell and Bradford. Registration forms for the program are available at the RAC. The program will be open to students in kindergarten through fifth grade. To register or for more information, stop by the RAC office at 806 N. Third.

Teddy Bear Picnic
The annual Teddy Bear Picnic will be held tomorrow at the RAC from 10:30 a.m. to noon. Cost for the event will be \$2 per child, and students should bring their lunch. Don't forget to bring your teddy bear as well... there will be contests for the largest, smallest, best-dressed, and owner look-a-like bears. Hope to see you there!

Fall Schedule
It's time again to prepare for the fall meetings at the RAC. If your non-profit group would like to reserve a room, please call the RAC at 592-4471 so we can put you on the mailing list for forms to fill out. No reservations will be considered confirmed

without these forms. Non-profits are required to pay a membership fee of \$20 and a security deposit of \$50.

Free Classes
The RAC will offer free classes in dance, tumbling, and tawkwondo during the last two weeks of August! This will give students an opportunity to "try before they buy." To enroll your child, please call the RAC office, 592-4471, before Aug. 17.

Kidnapped for Kash
Now's your chance to legally have someone kidnapped for an hour or two for a good cause!! The 3rd Kidnapped for Kash event will be held at the RAC on Aug. 27. Proceeds from the event will be used for future funding of programs. Watch this column for further details.

Youth Symphony auditions slated
Auditions for area high school instrumentalists for the Wichita Falls Youth Symphony will be held at 2 p.m. Sunday, Aug. 23, at the Mid-western State Univ. band hall.

There are openings for all symphonic instruments. Music for auditions will include one prepared solo and major and minor scales. Rehearsals are held from 2-4 p.m. Sundays. During the year the orchestra will perform approximately five major concerts.
