IOWA PARK, WICHITA COUNTY, TEXAS 76367

Thursday, September 17, 1998

OFF TO THE RACES - Bryan Miller picks up big yardage against Hirschi's Huskies, during Friday night's home-opener.

The Hawks defeated the Huskies 21-17, and will travel this week to do battle with the Gainesville Leopards.

WATER

No rate increase for city residents

Iowa Park residents are not facing a rate increase for their water next year, but wholesale consumers are, according to Mike Price, city administrator.

The city council had earlier accepted Price's recommendation to not raise local customer rates, even though Wichita Falls is hiking its rate for water purchased from there by Iowa Park.

Aldermen, during Monday night's regular council meeting, instructed Price to develop a revision in water rates charged to two wholesale customers, Sereno Lago Adventures and Wichita Valley Water Supply Corporation, for the coming year.

Wichita Falls recently announced it was increasing the price of water purchased by Iowa Park by a whopping 261 percent, as of Oct. 1.

The city is currently paying \$0.9433 per thousand gallons, and the new rate will be \$2.4604, Price explained to the council.

However, media reports coming out of Wichita Falls have caused considerable confusion, and Price says he has received numerous calls from residents concerning what they would be charged for water next year.

"The city will attempt to absorb the increase in water rates for the water received from Wichita Falls," Price stated.

Water purchased from Wichita Falls normally amounts to only five percent of all the water used by Iowa Park customers. However, this year's drought has created an increase in that figure to 14 percent, Price said.

Price explained the confusion

caused by the reports which stated, "The increase was largely due to Iowa Park not having a backup system."

"Wichita Falls is our backup system," Price stated, adding that Iowa Park is the only community facing an increase, while all other Wichita Falls wholesale customers will actually experience a cost decrease next year.

Wichita Falls agreed to allow Iowa Park to purchase water whenever needed during the early 1970s, when all three of Iowa Park's lakes were dry.

Following that agreement, Iowa Park built a 16-inch transmission line from Wichita Falls, and purchases water through it only when the local treatment plant's capacity is exceeded.

Sereno Lago, which is the development at Horseshoe Lake, takes its water directly from that transmission line.

The Wichita Water District receives water from Iowa Park's surface holding tanks, which means that its water is the same as local residents receive.

OTHER CITY BUSINESS

The only other items discussed during Monday's council meeting included authorizing the administrator to advertise for bids to purchase a four-wheel drive loader/mowing tractor for the water treatment plant, and advertising for bids for the purchase of the pavilion at Lake Gordon.

The pavilion is to be removed in order for the city to extend Jackson Street, where a new home is to be built on land directly west of the pavilion.

AT GAINESVILLE

Hawks ready for another thriller

If you are running late and can't make it to the start of the Hawk football game in Gainesville this week, don't worry.

If it's anything like the last three, you can show up with a minute or two left in the game and see the best part.

For the third straight game, Iowa Park has made it interesting right down to the final gun for its fans, with the final decision being made just before the final gun.

Iowa Park, now 2-1 overall (both wins coming against 4A schools), will take to the road again, following last week's home opener against Hirschi. The Hawks will travel to Gainesville to take on the 2-0 Leopards tomorrow night at 7:30.

The Leopards own wins over Fort Worth Northside and Wichita Falls High School. Gainesville beat Northside 45-0 in week one, then escaped with a 6-0 win at Memorial Stadium against the Coyotes last week in a defensive battle. In the Coyote game, the Leopards managed only six total first downs. The Leopard defense, which hasn't been scored on this season, allowed only five first downs to the Coyotes.

At the start of the season, Gainesville was ranked as one of the top 15 3A teams in the state, which sets the tone for another exciting game this week for fans and coaches alike.

Directions, tickets for Friday's game

To find Gainesville's stadium, when entering the city on Hwy 82 Friday, turn south on I-35, exit on California, go under overpass, turn right on Weaver, pass Braums, turn right on Hird, turn left on Hird to stadium. Advanced tickets will be sold on Friday only: \$4 for adults, \$3 for students. Sales will end at 3:30 p.m. All tickets at the gate are \$5.

"I think it's more exciting for the fans than it is for the coaches," said head coach Weldon Nelms. "Those nail-biters are always tough on the coaches, but that's the way you want to win games. You like to see your team playing well in crucial situations like we did last week. It will help us prepare for the big games that will come later this season and in the playoffs."

"Hirschi had a couple of chances to get into the end zone late in the game and our defense stepped up and made the plays for us," said Nelms. "That's what you want when the game is on the line. You want your 11 players on defense to all do their job and that's what we did. In the second half we held Hirschi to only a field

goal and that's saying something against an explosive team like Hirschi."

Look for another big effort from the Hawk defense this week against Gainesville.

The Leopards are led by junior quarterback Nick Buker, senior tailback Zach Haverkamp and junior fullback Stanley Bigger.

And speaking of bigger, that's what the Leopard offensive line is. Gainesville will line up a pair of 260-lb. tackles, their guards are 240 and 250-lbs., with their center being the light weight at 210-lbs.

"They're real big up front," Nelms added. "They like to run the football and up to this point they haven't been able to move the football through the air. We're going to make them beat us by throwing the ball. They've got two real good backs in Haverkamp and Bigger. The Haverkamp kid made it to the State Finals in the 400 meter dash last year and ran a 10.6 100-meter earlier in the year, so he has excellent speed. Bigger is another one of those backs we have to contain or he can hurt you, too."

The Leopards have only one starter that plays both offense and defense, so they might be a bit fresher than most of the other teams they play.

Defensively the Leopards are led by their solid core of linebackers Corey Hollis, George Bond, Bart Beck

and Casey Hollis. Up front on defense, the Leopards are not as big as they are on offense, going 210, 240, 190, and 190-lbs.

Continued on page 14

School's needs are discussed

There are needs on each campus in the school district, but the lack of classroom space at the high school and the junior high band hall and science labs are the most pressing.

This was the consensus of the facility committee in a report given during the regular meeting of the school board Thursday night.

The committee, made up of board members Jeff Watts, Martha Dudley and Randy Alsup, had toured the schools during the day while classes were being held.

They said there is a definite need for extra classrooms at the high school. "Touring the schools while kids are in the classrooms is quite an eye opener," one committee member said.

In addition to building needs, it was pointed out that lack of air conditioning in some areas is a problem, especially with school starting in mid-August. Also, repairs and maintenance should be taken into consideration.

The committee was asked to prioritize the needs and compare them with recommendations from the Facility Task Force and Marr's Architects.

In addressing air conditioning needs at the high school, Russell Guyette recommended replacing the 28-year-old units in the auditorium and library. He told the trustees that replacement parts were difficult to find and very expensive. He said that new units would pay for themselves in energy efficiency.

In the open forum portion of the meeting, Susan Osmon, whose fifth grade son has a pierced ear, asked the board to consider changing the district's dress code policy to allow all students to wear earrings.

She cited examples of men in the 15th and 16th centuries wearing earrings while women didn't, and many of the sports figures kids look up to also wear earrings.

Board President Keith Fisher told Mrs. Osmon that the dress code committee could consider her request when it meets next spring.

The dress code committee, made up of teachers, students and parents,

make recommendations which are submitted to the school board for final approval.

Mrs. Osmon concluded by saying she had given her son permission to pierce his ear, and now she felt it was her duty to defend his right to wear an earring.

Following Mrs. Osmon, Lee Pelz told board members how Tom Burnett Memorial Library would soon get on the internet through the TIF grant, and the possibility of forming a community network with the schools and city.

Martha Dudley was appointed to serve as the board's Legislative Liaison to the TASB School Board Advocacy Network. The Network will include at least one school board member from every school district in Texas. The network is designed to enable the local school boards to become well-informed and effective advocates for public education through the legislative process.

Action taken by the trustees included approving school bus rules and regulations, and approval of

Continued on page 4

NEWS BRIEFS

Not much rain, but measurable

That .05 of an inch of rainfall Virgil Woodfin measured from Tuesday's brief shower wasn't much ... but it was more than he caught the

day before. Actually, two days earlier, on Sunday, a light mist fell over the city, and Woodfin termed it a "trace."

Commodities available next week

TEXCAP commodities will be distributed from 4-6 p.m., on Thursday, Aug. 27, at First United Methodist Church Fellowship Hall. Those who are registered may pick them up at that time.

Anyone who is a low income

family and may qualify for assistance, should call the church office, 592-4116, for more information.

The commodities are distributed the last Thursday of each month whether it is advertised or not.

Burning car's driver arrested

An Iowa Park officer was on patrol at 1:40 a.m. Friday in the area of Pacific and US 287 when he was flagged down by a man on the side of the road.

The man asked for help, because his car was afire.

While the firemen were extinguishing the vehicle blaze, the officer determined that the driver, Jeremy Wayne Case, 22, was intoxicated, and placed him under arrest.

Case was released at 9 a.m., after signing a promise to appear in municipal court, according to the police blotter.

Police served a warrant Saturday evening at a residence in the 1000 block of South Park, and took Shannon Marie Green, 24, into custody.

The warrant, *capias pro fine* family violence, carried a fine of \$310.

She was released after signing a promise to appear in municipal court, and then turned over to a county deputy to be transported to the county jail.

The county also had an outstanding warrant for Greene's arrest, for bond forfeiture following an arrest for driving while license was suspended. The bond was \$1,000.

Circus coming in two weeks

The Culpepper & Merriweather Great Combined Circus is returning to Iowa Park Monday, Sept. 28, under the sponsorship of the Iowa Park Lions Club.

Tickets for either of the two performances -- 5:30 and 7:30 p.m. -- are on sale at Parkway TrueValue, Hughes Pharmacy, Scobee's Mini-Mart, or any member of the civic organization.

Ticket prices are \$5 for children

2-12, and \$7, when purchased in advance. All are an additional \$1 at the gate.

The show will be held in the vacant block just north of Wal-Mart.

This year the circus has added a new event, a free showing to the public of the "Endangered Species." This is developed to teach the threat of extinction of certain animals on earth, and children can see and hear the intelligence of the show's two African elephants.

Garden Club plans activities for year

Iowa Park Garden Club members planned activities for the coming year during their regular meeting Friday.

Frances George brought a new bird sanctuary sign to replace the old one on East Highway. The installation will take place later in the month.

Members arranged flowers in bud vases and delivered them to the local nursing home later in the afternoon.

It was reported that George and Patricia Wyatt, 209 E. Alameda, have been recognized as having the Yard of the Month for September.

Refreshments were served by the hostesses, Freddy Skinner and Norma Fortner.

Arts & Crafts group has Tuesday meeting

Members of the Iowa Park Arts and Crafts Association made pumpkin baskets Tuesday evening during their first meeting of the club year.

Debbie Richards was the instructor, and showed members how to make the baskets out of coffee cans.

President Dorothy Johnson presided over the business meeting in which it was decided to appoint a nominating committee at the October Meeting. The new officers would be installed at the December Christmas party to be held in the home of Ann Harper.

Mrs. Johnson was asked to call the high school principal, Allen Seay, concerning U.L.L. rules in regard to awards to be presented to art students.

It was also announced that Mrs. Johnson will have the display at Tom Burnett Memorial Library this month.

Muriel Woody won the door prize, a Victorian fan, made by Shirley Hicks.

FRIENDLY DOOR MENU

Friday Sept. 18
Lima beans and ham, cabbage wedges, cornbread, cucumber / onion salad, pumpkin pudding.

Monday Sept. 21
Chicken spaghetti, sesame broccoli, carrots, garden cottage cheese salad, hot roll, chocolate pudding.

Tuesday Sept. 22
Sliced tomato salad and Italian dressing, roast beef au jus, whipped potatoes, copper pennies, whole wheat roll, pear halves.

Wednesday Sept. 23
Tossed salad, baked chicken in mushroom sauce, cornbread dressing, mixed vegetables, unsweetened applesauce.

Thursday Sept. 24
Fruited gelatin, veal parmesan, spaghetti sauce, yellow squash, garlic toast, oatmeal cookie.

Jamie Mischele Gholson and Jeffery Allen Shipp

Wedding plans revealed

Jamie Mischele Gholson and Jeffery Allen Shipp will marry Dec. 19 at Faith Baptist Church in Iowa Park.

Miss Gholson is the daughter of Jack and Shelia Gholson of Iowa Park, and the granddaughter of Calvin and Betty Lippard of Iowa Park, Ray and the late Billie Gholson of Kamay, and the late Hoyt Watson of Iowa Park. She is the great-granddaughter of J.T. Watson of Iowa Park.

Shipp is the son of Don and

Maxine Shipp of Wichita Falls, and grandson of Harmon Shipp of Pampa, and the late Less and Hope Hogeland of Bellevue.

Jamie is a 1998 graduate of Iowa Park high school and attends Midwestern State Univ. She is employed at the Card and Party Factory in Wichita Falls.

Shipp is a 1991 graduate of Rider High School and attends Midwestern State Univ. He is employed by Coca-Cola.

Amber Dawn Brown and Jeremy Wayne Tatom

Announce engagement

Terry Brown and Ramona Brown announce the engagement of their daughter, Amber Dawn Brown, to Jeremy Wayne Tatom, son of Mr. and Mrs. Terry Tatom.

The couple will exchange vows Sept. 26 at Tom Burnett Memorial Library.

The couple are graduates of Iowa Park High School.

Miss Brown is employed at Toys R Us, and Tatom is employed at Trahan Welding and Construction.

RAC

News

By JO LYNN COCKRUM

Bridge Results

With two tables in play, Virgil Woodfin had the high score of 4610. Faye Anderson reported the second high score of 4300.

Volunteers Needed

The RAC PAC KIDS are planning to enter a float in the homecoming parade next month, and could use some adult volunteers to assist with preparations. Anyone who would like to help should call Cindy or Kim at 592-4471.

Volunteers are also needed to visit with the children, present special projects, or assist with homework. If you would like to volunteer a few hours of your time each week or month, please contact the RAC.

New Board Members

Only one new board member was announced at the RAC's annual membership meeting held last Tuesday. Brad Costello was announced as a new member who will be completing a recently vacated term. No nominations were recommended at the meeting, and there are four to six places to be filled for the upcoming year. Therefore, the RAC is actively seeking nominations for members of its Board of Directors.

Anyone interested is encouraged to call the RAC at 592-4471 or contact one of the current board members: Leory Threet Jr., Carrie Turner, Jeff Nolen, Patty McLemore, Robert Quick, Jean Gilstrap, Jake Jacobi, Mary LaBrier, Debby Ford, Earl Bennett, Cheryl York, and Judy Munoz.

Limited space does not allow us to list all whom we are indebted to, but we would like to especially thank the Iowa Park Friendly Door for allowing us to use their building for our Volunteer Recognition Reception.

Also, I would like to personally express much thanks to my family; Jessica Cockrum, Joseph Cockrum, and J.D. Walker, for your dedication to all that goes on at the RAC and for your unfaltering support of me in my job!

No Taekwondo This Week

Due to a conflict in schedules, Master Phillips will not be available to teach the taekwondo class this week. Class will be held as normally scheduled next week, and a make-up class is tentatively scheduled for Saturday, Sept. 26, at 10 a.m.

COOK of the WEEK

Beth Merk

Beth Merk, our featured cook this week, is the new Assistant Food Service Director for the Iowa Park school district.

She, her husband Scott, and their children moved to Iowa Park last February. Scott is an instructor at Sheppard Air Force Base.

Beth grew up in Blissfield, Mich. where she graduated high school. She attended various colleges in Michigan before joining the Air Force in 1988, and serving three and a half years.

While stationed in New York, she met her husband, who grew up in Tacoma Wash. They are now the parents of three children, Donovan, eight, Emily, six, and three-year-old Alex.

During the Persian Gulf War, Donovan, their only child at the time, stayed with his grandparents while Beth was stationed in Egypt and Scott was sent to England.

After leaving New York, the Merks spent three years in Mountain Home, Idaho. While there, Beth returned to college and majored in management. She received her Bachelor of Science degree in 1997.

Beth said in her spare time she enjoys cooking, but unfortunately there hasn't been too much extra time since school started.

Being first-time homeowners, Beth and Scott are spending a lot of time working around the house and yard.

They both like to help with kid's sports, and both coached T-ball teams

this summer. Donovan, a third grader at Bradford, is playing in Top of Texas football this fall, and Emily, a first grade student at Kidwell, is in her first year of Girl Scouts. The family is attending Faith Baptist Church.

"As you can tell from my recipes, I prefer baking," Beth said. Following are a few of her family's favorites that they have enjoyed over the years.

Banana Bread

- 1 3/4 cups all-purpose flour
- 2/3 cup sugar
- 2 tsp. baking powder
- 1/2 tsp. baking soda
- 1/4 tsp. salt
- 1 cup mashed ripe banana (2 to 3 medium bananas)
- 1/3 cup shortening, margarine, or butter
- 2 Tbsps. milk
- 2 eggs
- 1/4 cup chopped nuts

Preheat oven to 350 degrees. In a large mixer bowl combine 1 cup of the flour, the sugar, baking powder, baking soda, and salt. Add mashed banana; shortening, margarine or butter, and milk. Beat with an electric mixer on low speed till blended, then on high speed for 2 minutes. Add eggs and remaining flour; beat till blended. Stir in nuts.

Pour batter into a greased 8x4x2-inch loaf pan. Bake in a 350 degree oven 55 to 60 minutes or till a toothpick inserted near the center comes out clean. Cool 10 minutes on a wire

rack. Remove from the pan; cool thoroughly on a wire rack. Wrap and store overnight before slicing. Makes 1 loaf (16 servings).

Salt Dough Ornaments

(Will burn if oven is too hot!)

- 1/2 cup salt
- 2 cups flour
- 3/4 cup boiling water

Place salt in a bowl, pour boiling water over salt and stir; then let cool. Add flour (all at once) and mix well by forming a ball and kneading the dough until it is smooth, soft and workable. Roll out dough on a floured surface if necessary. Cut out whatever shapes desired. Then carefully insert a piece of wire into the top of the ornament, pushing the long end into the center of the ornament until loop rests on the top of the shape. Transfer completed ornaments with wire onto baking sheet covered with foil. Place in a 150-200 degree oven and bake until ornaments become completely hard. When cool, paint ornaments or personalize with markers. To prevent ornaments from bulging, use a toothpick to prick small holes into the shapes before baking. Makes many ornaments.

Gingersnaps

Grandpa's Favorite!

- 2 1/4 cups all-purpose flour
- 1 cup packed brown sugar
- 3/4 cup shortening or cooking oil
- 1/4 cup molasses
- 1 egg
- 1 tsp. baking soda
- 1 tsp. ground ginger
- 1 tsp. ground cinnamon
- 1/2 tsp. ground cloves
- 1/4 cup sugar

Preheat oven to 375 degrees. In mixing bowl combine about

SHOP
IOWA PARK
FIRST

half of the flour, the brown sugar, shortening, molasses, egg, baking soda, ginger, cinnamon, and cloves. Beat with an electric mixer on medium to high speed till thoroughly combined. Beat in remaining flour.

Shape dough into 1-inch balls. Roll in sugar. Place 2 inches apart on an ungreased cookie sheet. Bake 8 to 10 minutes or till set and tops are crackled. Cook cookies on a wire rack. Makes about 48 cookies.

Grandpa John's Chocolate Chip Cookies

Super Yummy!

- 1 1/2 cup packed light brown sugar
- 1 1/3 cup granulated sugar
- 1 1/2 tsp. salt
- 1 1/2 tsp. baking soda
- 1 cup butter
- 1 cup shortening
- 5 eggs
- 6 1/2 cups sifted cake flour
- 24 oz. semi-sweet chocolate morsels

Cream together sugars, salt, baking soda, butter and shortening; beat well. Add eggs, one at a time, beating well. Add flour, mixing well after each cup. Add chocolate morsels. Drop the dough using a small ice cream scoop into baking pans lined with baking papers. Bake at 360 degrees 10 to 12 minutes. Cool 5 minutes in pans before removing to a cooling rack. Makes approximately 7 dozen.

Special event planned for Iowa Park singles

First Baptist Church will host a special event at the RAC for all single adults in Iowa Park this Saturday.

Following a catered meal, entertainment will be provided by Randy Mac, a well-known musician, storyteller and humorist from the Metroplex.

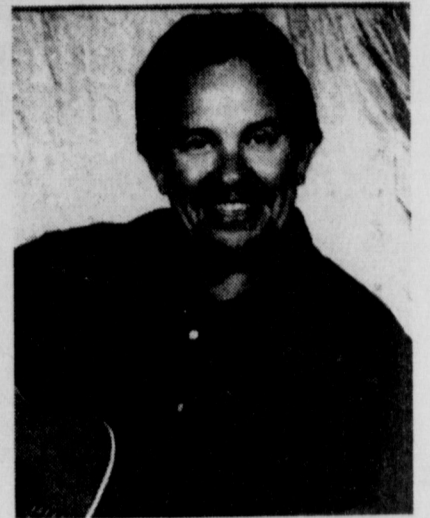

The purpose of the event is to give the singles of the community an opportunity to meet other single adults.

The evening will begin at 7 p.m., and free child care for infant through sixth grade will be provided at First Baptist Church. Reservations for child care must be made by today by calling First Baptist Church office, 592-2151.

Advance tickets for the evening will be \$7, and may be purchased at First Baptist Church, Hughes Pharmacy or Louis Jewelry. Tickets will be \$10 at the door.

On Sunday, all interested singles are invited to attend a kick-off for First Baptist's Singles Ministry at 9:30 a.m. in the church annex.

The Singles Ministry will be a special Sunday School department

RANDY MAC

designed to reach out to all single adults who are interested.

Randy Mac will present an encore, and donuts and coffee will be provided.

The stated goal of the Singles Ministry is to reach out to the single adults population of Iowa Park, which numbers over 1,000. The purpose is to encourage spiritual growth, to provide encouragement, and to help each person discover ways in which they can use their unique talents in reaching out to others.

Make it a perfect wedding beginning with your invitation!

As I See It... By Bob Hamilton

I don't know about you, but I'm sick and tired of all this situation going on in Washington, D.C.

I'm tired of Bill Clinton, I'm tired of Monica Lewinsky, of Kenneth Starr . . . of the whole matter.

No, I don't want to call Starr off the case. I just want the situation resolved, so we can go about our normal lives without all this stuff.

Let me first of all point out that I am a Republican, but a moderate one. I've held off commenting on all this, just because of that.

I didn't like Clinton when he was running for the office of president,

and I've seen absolutely nothing about him that has changed my mind.

Yes, I've read excerpts of the Starr report. Just a couple dozen paragraphs was enough to turn my stomach.

For that man to do what he did in my house -- yes, my house -- I own as much of it as he, you or anyone else, makes my stomach turn.

I was watching television when he pointed his finger at me and told me he had had no sexual relationship with that woman.

I was also watching, later, when he admitted his guilt.

The solution to the case? I have

nothing in mind. I'd rather it was a case of my being asleep, having a bad dream, and wake up to learn that's all it has been.

If he remains in office, his reputation will continue to embarrass my nation and me.

If he leaves the office, before his term expires, my distaste for his successor, Al Gore, is almost as bad.

So I guess we're just in a case of limbo for another two years, during which I'll have to grit my teeth and bear it.

To hear comments from those who support Clinton reminds me of an oft-times repeated comment from an earlier presidential election, which was, "It's the economy, stupid."

Good gosh, how deep in the sand do these people have their heads buried.

Had a school superintendent done what Clinton did, with a student teacher, he'd be terminated immediately.

Had a company boss done the same with a young secretary, he'd either be fired or gone directly to court.

Had he done it in the home of any responsible father, he'd be dead.

This is how bad our nation's situation is now:

A leader of a nation who knows of an impending atomic attack calls Clinton on the phone to alert him.

The leader says, "Ah, Mr. President, I have some serious news. Ah, do I have your undivided attention, or, ah, is there someone there with you?"

Yeah, bad joke. And, yeah, bad situation for all of America.

School's needs

Continued from page 1

fundraising activities and field trips that had been submitted from each campus.

Supt. Mike Caplinger presented his goals for the 1998-99 school year, and asked board members and campus heads for their input.

Caplinger's goals include:

1. Continue emphasis on campus and district-wide academic achievement measured by the TAAS. Attain at least one exemplary campus.

2. Actively seek avenues to support and encourage positive employee dialogue concerning school programs and interaction with other employees.

3. Continue efforts to bring about a bond issue addressing student facility needs district-wide.

4. Work with the district improvement committee to complete a comprehensive needs assessment as part of a new district plan.

5. Complete the new principal appraisal process utilizing new guidelines and TAAS data.

6. Address campus maintenance

issues including the following: HAVAC systems, water lines, and exit doors (chained).

7. Contact and lobby legislators concerning proposed school legislation during this lawmaking session. Stay abreast of critical issues affecting the school district.

9. Determine expectations for campus maintenance and align maintenance to meet campus and district needs.

10. Add or amend goals as determined by the Board of Trustees.

The trustees went into a closed session to discuss employment of personnel. When the meeting was reconvened, they voted to hire Christie L. McLroy to teach first grade at Kidwell Elementary.

Preceding the board meeting, a reception honoring new teachers in the district was held.

TOP OF TEXAS FOOTBALL

PEE WEE EAST

The Pee Wee East Hawks kicked off the 1998 season with a big win over Bowie Saturday night.

The Hawks shut out the Jackrabbits 42-0 to post their first win.

Iowa Park got a balanced scoring attack as six different players scored in the game.

Eric Young put the Hawks on the board with 7:43 left in the half on a 26-yard run. Andy Garcia added the two-point conversion to make it 8-0.

Troy Williams scored from 15 yards out later in the period to make it 14-0. On the two-point conversion, Steven McGwire caught a pass from Young to make it 16-0.

With only eight seconds left in the half, Garcia intercepted a pass and returned it 39 yards for a touchdown. Ryan McLaughlin added the conversion run to make it 24-0 at the half.

In the third quarter, Young scored on a 45-yard run to push the score to 30-0 with 5:21 left to play

in the period.

The Hawks' next touchdown was set up by Jeff Catlin's 11-yard run that moved the ball to the Bowie one. McLaughlin plowed over from there to make the score 36-0.

Catlin got into the end zone on the Hawks' next possession to end the scoring on a 15-yard run.

Offensive standouts included Jarred Lytle, Chris Wise, Terrance Oster, Josh Miller, Jamie Lucas and Chance York.

Young finished the game with 104 yards rushing on seven carries, Garcia finished with 87 yards on four carries, Catlin finished with 51 yards on seven tries, McLaughlin added 26 yards on five carries and Williams added 23 yards on five carries.

Defensive standouts included, McLaughlin, McGwire, Williams, Miller and Wise. Young and Lucas both recovered fumbles for the Hawks.

The Midget East Hawks also shut out Bowie, winning 38-0.

LETTERS

TO THE EDITOR

Speed Bumps

For the most part, our street department does a pretty fair job at keeping our streets and roads in good repair. In one area, however, they seem to excel: building obstacles across streets.

A few years ago, the railroad repaired the siding tracks across Victoria Street, and in the process they raised the tracks six or eight inches above street level. City crews were left to build the ramp leading up to the tracks and back down to the road. Instead of spreading the gradient across 10 or 15 feet on each side, the transition was made in about three feet, thus creating one of the larger speed bumps in town. It's still there;

experience it for yourself.

Just recently, most of Ruby Street was torn up and replaced, and the result is a fine-looking road -- but use extreme caution if you try to drive it. Not one, but THREE storm drains were built across the road, each one so deep and so abrupt that signs have had to be erected to warn unwary drivers. There are already scrape marks on the concrete where vehicles have hit the pavement. Why weren't the drains run under the street while it was torn up? If it was really necessary that they cross over the road, why wasn't the gradient spread out enough to avoid damaging vehicles moving at the speed limit?

Maybe the folks who plan these

things need to be reminded that STREETS EXIST FOR THE PURPOSE OF MOVING TRAFFIC! Obstacles defeat that purpose. Speed bumps are sometimes desirable for controlling speeds in parking lots, but on through streets they are unwanted and unnecessary obstacles. Any sign that reads "DIP - 15 MPH" is a sure indication of poor planning somewhere. Motorists should be able to move at the posted speed limit without having to worry about losing control or damaging their car because of obstacles built into the road.

We'll probably have to live with the obstacles we already have, but one can only hope there will be fewer of them in the future.

Ken Edwards

WORTH QUOTING

The local bar was so sure that its bartender was the strongest man around they offered a standing \$1,000 bet.

The bartender would squeeze a lemon until the juice ran into a glass, and hand the lemon to a patron. Anyone who could squeeze one more drop of juice out would win the money.

Many people, from weightlifters to steer wrestlers, had tried over time, but nobody could do it.

One day, a scrawny little man, wearing thick glasses and a polyester suit, came in and said in a tiny, squeaky voice, "I'd like to try the bet."

After the laughter died down, the bartender said OK, grabbed a lemon and squeezed away. Then he handed the wrinkled remains of the rind to the little man.

But the crowd stopped laughing when the little man clenched his fish around the lemon and six drops fell into the glass.

As the crowd cheered, the bartender paid the \$1,000 and asked, "What do you do for a living? Are you a lumberjack, a weightlifter or what?"

The little man replied, "I work for the IRS."

What do you remember most about attending school in Iowa Park?

How did you get to school each day?

What was your favorite subject and why?

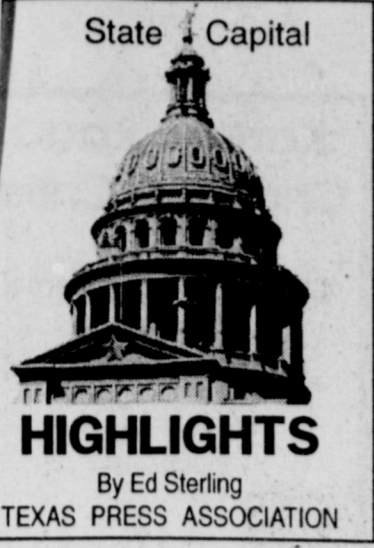

How do your fellow classmates from school probably remember you best?

What school activities and/or sports did you participate in?

Please list any special hang outs and memories you have of those special places.

What were the fads and fashions of your school days?

Please provide a summary about yourself since graduation. Please mention higher education, places you have lived, occupations, and any other events of interest to your classmates.

AUSTIN — "Increasingly minority" and "increasingly poor" are adjectives the Texas Education Agency used in its report released last week describing Texas' public school population.

Minority and poor students also are increasingly moving out of urban, inner-city schools and into predominantly white suburban school districts, the report showed.

"That really caught our eye," agency spokeswoman Debbie Graves Ratcliffe told the *Austin American-Statesman*.

"I think it may be that more minorities are entering the middle class and following the middle class to the suburbs."

During the 1997-98 school year, the number of minority (African American, Hispanic and Asian) students made up 55 percent of the 3.9 million Texas public school students, the eighth consecutive year minorities comprised 50 percent or more of all public school students.

The number of minority school students also is growing at a rate eight times faster than that for white students, the report said.

But the growth rate that stands out the most in Texas is that of economically disadvantaged students, which at 65 percent is the most of any population group tracked in the report.

Economically disadvantaged students now account for 48 percent of all Texas public school students, compared to 35 percent in 1987-88.

Students are classified as economically disadvantaged if they are eligible for U.S. Department of Agriculture meal programs offered at schools, through which children from low-income families receive free or low-cost breakfasts and lunches.

Bomer OKs Code Changes

Texas Insurance Commissioner Elton Bomer has adopted, on an emergency basis, a citizen advisory committee's recommended changes in the state's new coastal building code for windstorm resistant construction.

Without Bomer's emergency action, changes in the code likely would take 60 to 90 days because of public notice and public hearing requirements.

Bomer said he planned to follow those requirements and consider permanent adoption of code changes that would:

- Increase eave-to-eave roof span of one and two-story buildings from 36 to 48 feet.

- Allow builders to connect building components, such as wall studs, top plates and sole plates with plywood sheathing, appropriately nailed to assure resistance to uplift from hurricane-force winds.

- Add new provisions giving builders guidance on the design of recessed front entryways.

New homes built to the new code will qualify for Texas Windstorm Insurance Association wind and hail insurance premium discounts to be set by Bomer.

Other Capital Highlights

- With the voluntary assistance of Texas newspaper publishers, Texas Secretary of State Alberto Gonzales is conducting an essay contest in which school children will write on the topic, "Why My Parents Should Vote." Winning entries will be published in newspapers and displayed at the state Capitol. On Sept. 8, Gonzales certified the ballot for the Nov. 3 general election.

GIRL SCOUT NEWS

It is that time again to sign up for Girl Scouts. Please check the times below to see when your troop will be meeting.

Daisy - Kindergarten - Parent meeting will be Sunday, Sept. 20, 4-5 p.m., Iowa Park RAC.

Brownies - 1st Grade - Parent meeting will be Monday, Sept. 21, at 6 p.m. at the Iowa Park RAC.

Brownies - 2nd Grade - Meet on Tuesday, 2:30 - 4:00 p.m. at Iowa Park RAC.

Brownies - 3rd Grade - Parent meeting will be Sunday, Sept. 20, 3-4 p.m., at Iowa Park RAC.

Juniors - 4th Grade - Meet on Monday, 3-4:30 p.m., Iowa Park RAC.

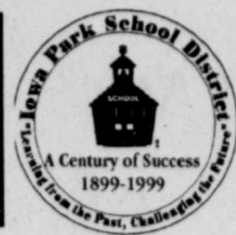

Juniors - 5th Grade - Parent meeting Sunday, Sept. 20, 3-5 p.m. Come and Go, Iowa Park RAC.

Juniors - 6th Grade - Meet Thursday, 3-5 p.m. at Iowa Park RAC.

Cadettes - 7th & 8th Grade - meet on 2nd and 4th Saturdays. For more information call Beckie Wirmel, 592-4572.

Helpful Facts

Regular meetings of the Iowa Park city council is at 7 p.m. on second and fourth Mondays, in council chambers at 103 N. Wall. All meetings are open to the public.

Where Are They Now?

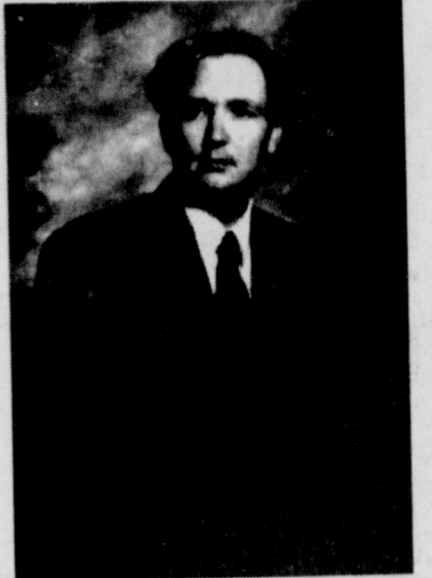

Jason Stevens
Class of '92

A 1992 IPHS graduate whose favorite subject was "math, because it was easy," went on to become an aerospace engineer for Raytheon Aircraft in Wichita, Ks.

Jason Stevens graduated Wichita State Univ. in Wichita, Ks., in 1998 with a degree in aerospace engineering.

While at school in Iowa Park, Stevens participated in tennis and National Honor Society. He said his fellow classmates will most likely remember him as "shy, tall and skinny."

What Stevens remembers most about attending school in Iowa Park is "(Iowa Park) being small enough to know all my classmates."

Where Are They Now?

Aretas Spruiell
Class of '51

What Aretas Spruiell, graduate of the IPHS Class of 1951, most remembers of her schooldays here is "how friendly my classmates were."

Having moved to Iowa Park as a junior in high school, Aretas said her favorite subject was literature, taught by Mrs. Owens.

She said she got to school each day in a car, and listed her favorite hangouts as Rexall and the Hawk's Nest.

Aretas said she had a part in the senior class play.

Aretas and her husband, the late Bill Spruiell, have four children, Judy Smith, Jan Clapp, Jeff Spruiell and Joe Spruiell.

Their grandchildren are Jamie and Steve Smith, Will and Lara Clapp, and Katie, Magan and Ben Spruiell.

Where Are They Now?

John Chapman
Class of '73

With a thriving career in Florida real estate and having traveled extensively is John R. Chapman, an IPHS Class of 1973 graduate.

John and his wife, Cindy, are owners of A1A Realty and Management Co. in St. Augustine, FL.

The couple has four children, Roger 16; Matt, 15; and Jeff and Jason, 13.

What Chapman remembers most about attending school in Iowa Park is "Friends and school spirit. A pride in your school that seems to be lacking in high schools here in the east."

Having travelled to school each day in his own car, Chapman's favorite subject was choir, which is the way he felt his classmates would most remember him. "I loved to sing and Mr. Dick was great! He is still a close friend," Chapman wrote.

While at IPHS, he participated in choir, band, speech and journalism.

His favorite hangouts were Harvey's Drive-In, where he held his first job, and said he also frequented Spanky's Pizza in Wichita Falls.

The fads and fashions from his school days were bright colors, bell bottoms and white shoes and belts. "They were hideous and they were cool!" he said.

Chapman wrote, "Upon graduation, I joined the U.S. Marines and served with them until October, 1979. During that time, I traveled extensively through the Med and the North Atlantic. I was officially stationed in Camp Lejeune, NC for most of my term but in reality belonged to the 2nd Marine Amphibious Brigade and was at sea.

In August of 1977, I married my wife of over 21 years, the former Cindy Ellen Saffelder of St. Augustine, FL. In 1979, I was honorably discharged from the Marine Corps and moved to St. Augustine.

I went to work for a small company known as Minnesota Mining and Manufacturing (more commonly known as 3M Company). I started out in their Business Products Sales Division and eventually became a Medical Imaging Specialist in the Medical Imaging Division.

My wife in the meantime, had continued to excel in real estate and had built a thriving business as well as presenting me with four sons. Roger was born in 1981, Matthew in 1983, and Jeffrey and Jason in 1985.

In 1996, my division was sold and I decided it was time to throw my hat into the real estate market. My wife had already established A1A Realty and the business was doing great. According to our executive officer at the St. Johns Board of Realtors, she has never seen a company explode the way this one has. We have gone from a single small office and three agents to a main sales office and four branches with over 20 people on the staff. I am hoping by the time the graduation festivities begin in October to make another major announcement.

To sum it all up, the good Lord has blessed me many times over. I have traveled a good portion of the globe and had a chance to meet many interesting people both here and abroad. I have a beautiful and intelligent wife who is also my best friend. I have four good kids and a great relationship with them, even if they are teenagers. My parents are still

well and my sister and her family are all healthy and happy. My business is booming and there doesn't appear to be any sign of the market slowing up.

Finally, to top it all off, I graduated from the best high school in the entire world. GO HAWKS!"

Hunter Education course Oct. 17-18 at the RAC

A Hunter Education Training Course will be taught Oct. 17-18 at the Recreational Activities Center, 806 N. 3rd St.

Instructors will be Louis Papaalias and Robert Dean. To take the course, you must call and preregister with one of the instructors. Their phone numbers are: Papaalias, 692-7310, and Dean, 696-5619.

Every hunter (including out of state hunters) born on or after Sept. 2, 1971, must successfully complete a Hunter Education Training Course.

Card of Thanks

Thanks to the Iowa Park EMT's for coming to my aid Sept. 5. I truly appreciate everything you all do.

AG AGENT'S REPORT

By JOE RAFF, Wichita County Agriculture Agent

Validation Updates

As fall approaches there are several events that are getting underway. Football season is in full swing, school is back in session, and one of these days it will get cooler.

And, as we are getting cooler, we start thinking about putting wheat into the ground, and other fall crops.

We are also getting closer to fall fairs and starting a new show season with the livestock animals. As in years past, these animals that are being shown in major stock shows, and they need to be validated with the county validation committees.

We have already validated the steers for the 1999 show season, and have ordered tags for the lambs. So next on the agenda is the hogs.

If you are in FFA, you will need to tell your Ag teacher how many hog

tags you will need. If you are in 4-H, you will need to turn in your order to me at the Extension office. The cost of the tags is \$2.50 each, and each order must be turned in with payment. These orders are due on Sept. 15.

For those of you that are not familiar with the validation process, or why we validate 4-H and FFA livestock projects, here is a quick explanation.

Several years ago the county Extension agents, Agriculture Science Teachers, and major stock shows got together and decided to validate the steers in the state of Texas. The validation process included taking a nose print, putting in an ear tag and taking a photo of the steer.

These three things were checked at major stock shows to verify the 4-

H or FFA exhibitor showed the same calf he or she started with in the spring. From there we have modified the steer validation process to include a blood test. The new blood test is being tested this year on steers and will be implemented for lambs and hogs next year.

After several years of the steer validation program, similar programs were started with the lambs and now the hogs. The lamb validation program is very similar to the steer program whereby, the lambs are nose printed, an ear tag is put into the ear, and a tattoo is also placed in the ear for identification. In contrast, the hog validation process only includes an ear tag and tattoo. Ear notches are also recorded on the official validation form.

We do have some confusion each year as to what hogs need to be validated. The hogs that will need to be validated are those that will be shown at a major stock show in Texas. These shows include Fort Worth, San Antonio, El Paso, Houston and San

Angelo.

So, if you are not planning to show at these shows, your hog does not have to be validated. You can only show barrows or male castrated hogs at these shows, so don't buy tags for a gilt.

Also, if you are showing a barrow at the county show, and have no intention of showing the barrow at a major stock show, you do not have to buy a validation tag.

My advice to all 4-H and FFA exhibitors is to validate each one of your barrows if you are planning to show at a major stock show in 1999. I have seen several cases in years past where a person only validated one barrow, and that barrow got sick, died, or did not turn out like the exhibitor thought he would, and wanted to show one of the other barrows in the pen. Well, if they're not validated, they don't show.

Hawks hustle past Huskies, 21-17

Forget the idea of beating the crowd out of the parking lot on Friday nights following the Hawk football games.

There's no leaving mid-way through the fourth quarter so you can get home early.

In fact, in all three games so far, you've had to wait until the final seconds ticked off the clock just to see who won the game.

That's been the case in all three games the Hawks have played so far this season. The Hawks fell to Holliday in double overtime, then beat Burk Burnett by seven with the Bulldogs having the ball with less than a minute to play and a chance to tie the game.

Last week, the Hawks played their home opener, and it was another case of keeping the fans on the edge of their seats until the very end.

Iowa Park beat Hirschi 21-17, but not before a goal-line stand in the game's final 57 seconds by the Hawks. Hirschi saw it's final chance at a win knocked away in the end zone on a fourth-and-goal pass play that was broken up by Scotty Mitchell.

The Huskies broke on top early on a seven-yard touchdown run by Jared Estus just 1:53 into the first quarter. Hirschi's score capped a five-play, 71-yard drive, all coming on the ground. Brandon Booker did most of the damage with runs of 14 and 54 yards in the drive.

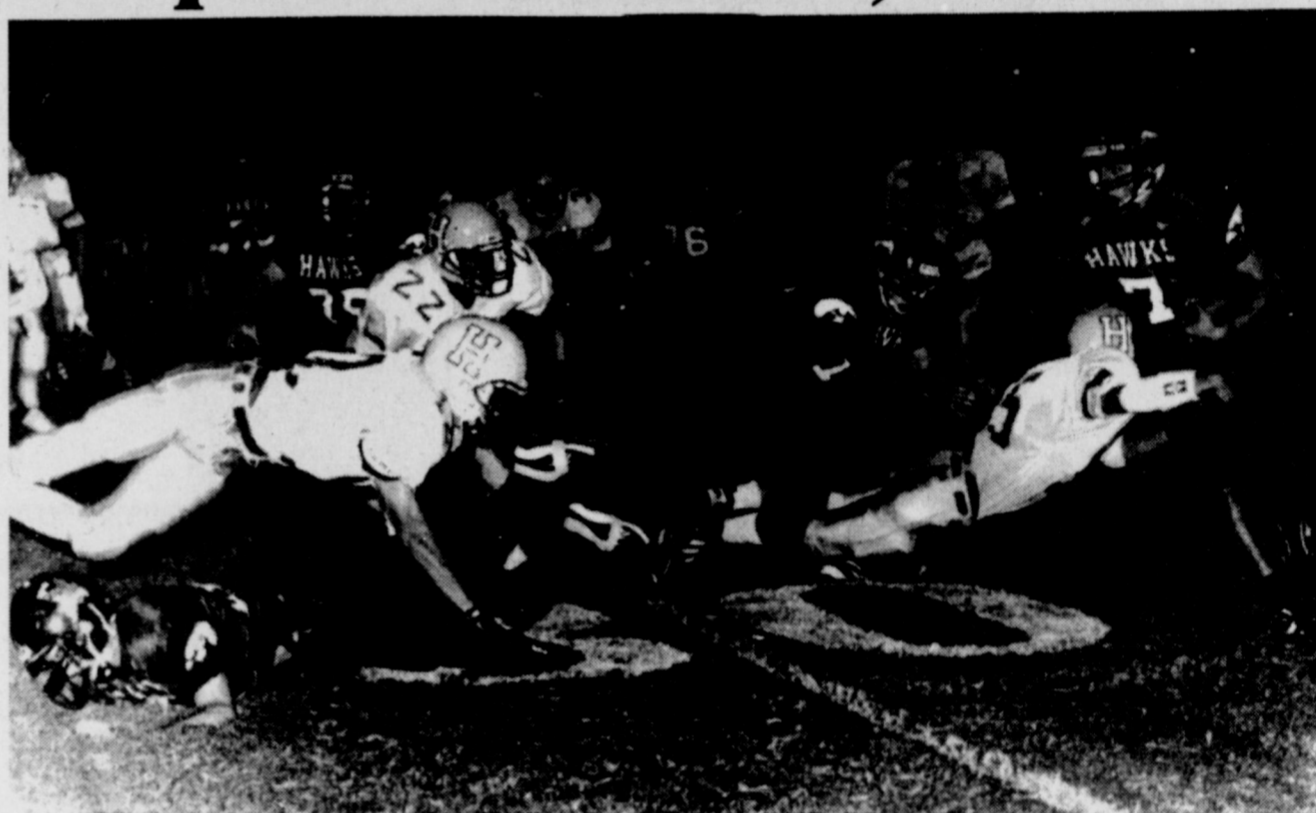

Iowa Park took the ensuing kickoff and quickly answered the Huskies' touchdown with on of it's own with 7:11 left in the opening period on a two-yard run by Bryan Miller. Ross Dillard was again perfect on his extra points for the night to tie the game at 7-7.

The Hawks covered the 56 yards in seven plays, the biggest coming on a 24-yard pass completion to Ryan Huff from Tyler Pulley that moved the ball to the two.

Just when the game looked like it was going to turn into a track meet with each team marching down the field every time it got the ball, the Iowa Park defense stiffened.

On the first play after the ensuing kickoff, Hirschi's quarterback Marvin Thompson ran for 36 yards, moving the ball to the Iowa Park 21. Four plays later, the Huskies had a first-and-goal from the Iowa Park nine. Three short runs by the Huskies left them with a fourth-and-goal from the two, and on fourth down, the Hawk defense rose to the occasion and stopped Hirschi at the one.

The Hawks took over from that point

CHASE WRIGHT ADVANCES BALL, SETTING UP FIRST-HALF TOUCHDOWN

and were moving the ball until Thomas Brake, who had caught a 13-yard pass from Toby Williams, fumbled while trying to pick up extra yardage, giving the ball back to the Huskies at the Iowa Park 22 with 1:07 left in the first quarter.

Six plays later, Darrel Davis dove over from the two to make it 14-7 with 10:31 left in the second quarter.

After both teams traded punts twice, Iowa Park took over at mid-field with 1:26 left in the half.

After a controversy on a call made by an official which allowed the Hawks an extra down, Iowa Park kept a drive alive that culminated in an 11-yard touchdown pass from Pulley to Chase Wright on the final play of the first half to tie the game at 14-14.

In the third quarter, both teams again traded punts to start the second half. Following a Hirschi punt that gave the Hawks the ball at their own 43 with 4:55 left in the third, head coach Weldon Nelms went into his bag of tricks on a fourth-and-three play from mid-field.

The Hawks lined up in punt formation, but snapped the ball to one of the up men, Chris Simmons, who threw a perfect pass to Mitchell who was wide open, for a 27-yard gain. Three plays later, Miller scored his second touchdown of the game, this one on a four-yard run to put the Hawks on top 21-14 with 1:31 left in the third quarter.

In that third quarter, the Hawk defense led by K.C. Green, Brake, Wright and Dillard, held the Huskies to only 12 total yards and only one first down.

On the Huskies, first drive of the fourth quarter, Hirschi moved the ball to the Iowa Park 21 before the drive stalled, leaving a fourth-and six. Courtney Smith came on to kick a 37-yard field goal to cut the Iowa Park lead to 21-17 with 6:46 left in the game.

With 3:04 left in the game, a Hirschi defender broke through the line and blocked a punt by Brake, giving the Huskies the ball at the Iowa Park 30.

A holding penalty on first down moved the ball back to the 40. Four plays later, the Huskies were left with a fourth-and-eight from the 28. Thompson found his split end, Jermaine Rankin, for an 11-yard completion, moving the ball to the Iowa Park 17. Two plays later the Huskies had a first-and-goal from the seven, with 1:16 left in the game.

On first down, Thompson lost three yards, then threw three straight incomplete passes, the last being knocked away in the end zone by Mitchell to preserve the win for the Hawks.

Wright led the Hawks in rushing with 85 yards on seven carries. Pulley completed four-of-ten passes for 59 yards to lead the Hawks in the air.

Obituaries

Hubert Mitchell

Hubert Mitchell, 98, of Breckenridge, died September 9, at Stephens Memorial Hospital.

Services were Saturday at First Baptist Church in Breckenridge with Rev. Cecil W. Harper and Rev. Kevin Mitchell, officiating. Burial was in Evergreen Cemetery in Ranger.

He was the father of Glen Mitchell.

Mr. Mitchell was born November 13, 1899 near Fox Mountain in Palo Pinto County. He and Lila Edith O'Neal were married December 26, 1920, in Strawn. She died May 28, 1988. He attended school near Gordon and then worked as a district superintendent for the Texas Pacific Coal and Oil Company in Eliasville from 1940-1954. He was a former school board member in Eliasville before moving to Breckenridge in 1954. He was a member of First Baptist Church in Breckenridge and the Roughneck Bible Class.

Other survivors include a daughter, Huberta Ross of Brownwood; four grandchildren; 12 great-grandchildren; and one great-great-grandchild.

Lois Frances Hamner

Mrs. Lois Frances Hamner, 94, of Duncan, Okla., died Saturday, in Dallas.

Services were Tuesday at Dutton Funeral Home with Rev. Steve Beckwith, pastor of First Baptist Church of Iowa Park, officiating. Burial was in Highland Cemetery under the direction of Dutton Funeral Home.

Mrs. Hamner was born Oct. 23, 1903, in Hood. She and Paul Hamner were married April 16, 1922, in Vernon. He died September 19, 1974. She moved to Wichita County in 1906 with her family and lived on a ranch near Iowa Park. In 1946 she and her husband moved to Stephens County, Okla. She was a homemaker. She was also preceded in death by four sisters and a brother.

Survivors include a brother, Gober L. Mitchell of Canadian Tx.

Juan Rangel

Juan Rangel, 78, of Wichita Falls died Friday, in Dallas.

Services were Tuesday at Our Lady of Guadalupe Catholic Church

with Deacon Anastasio Perez officiating. Burial was in Sacred Heart Cemetery.

He was the brother of Lilia Alambar of Iowa Park.

Mr. Rangel was born May 2, 1920, in Oklahoma City. He served in the Army during World War II and was a member of Our Lady of Guadalupe Catholic Church. He worked at Webb Landscaping for 30 years.

Survivors include two daughters, Frances Dominquez of Chicago and Anita Beccera of Dallas; a stepdaughter, Juanita Ayala of Wichita Falls; another sister, Mary Felix of Wichita Falls; a brother, Natividad Rangel of Wichita Falls; eight grandchildren; and five great-grandchildren.

Doris Good Johnson

Services for Doris Good Johnson, 77, will be at 10 a.m. today at the Church of Christ with Jeff Ratliff, minister, officiating. Burial will be in Highland Cemetery under the direction of Dutton Funeral Home.

She died Monday, Sept. 14, in Wichita Falls.

Mrs. Johnson was born Jan. 12, 1921, in Wichita Falls. She and Albert Johnson, Jr. were married Aug. 6, 1938, in Frederick, Okla. He preceded her in death on Dec. 23, 1989. She was a lifelong resident of Iowa Park, where she was a homemaker and an active member of the Church of Christ.

Survivors include her father, Raymond Good of Iowa Park; two daughters, Sue Dockman of Wichita Falls and Kate Wright of Iowa Park; two sisters, Martha Dennis and Edna Good, both of Wichita Falls; four granddaughters; and two great-grandchildren.

NEW TEACHERS in Iowa Park School District were recognized Thursday evening with a reception at the W.F. George Middle School Library. The reception was held just prior to a school board meeting.

NEWS FROM THE HALLS OF THE HAWKS

JUNIOR HIGH

Credit by Exams applications available

Applications for Credit by Exams are available at W.F. George Middle School.

Credit by Exams are tests that students may take to be exempt from a course for which they have had no prior instruction. A score of 90% on both semester tests is required for exemption.

The schedule of test dates and application deadlines is as follows:

Registration Deadline:

September 25, 1998

Test dates:

November 7, 1998

March 6, 1999

April 10, 1999

Registration Deadline:

March 11, 1999

Test dates:

June 5, 1999

June 12, 1999

July 10, 1999

July 12, 1999

August 2, 1999

October 2, 1999

If you have any questions, call Janet Bowling at 592-2196.

LEGAL NOTICE

NOTICE OF PLAN AVAILABILITY NORTH TEXAS LOCAL WORKFORCE DEVELOPMENT BOARD

Strategic and operational plans for the North Texas workforce development area are available for review. Chief elected officials, who are county judges of the 11 counties of Archer, Baylor, Clay, Cottle, Foard, Hardeman, Jack, Montague, Wichita, Wilbarger, and Young, and the mayor of the City of Wichita Falls, have received a copy of the plans. The plans describe the North Texas Local Workforce Development Board's consolidation of employment and training programs, through contract with the Texas Workforce Commission, into a locally-controlled workforce development system that is accountable to citizens of North Texas. Requests to review the plan should be directed to the county judge's office. Additional comments or questions may be directed to Mona Williams Statter, executive director, North Texas Local Workforce Development Board, 4309 Jacksboro Highway, Suite 106, Wichita Falls, 76302; or call (940) 322-5281; or fax (940) 322-2683. 9-17-1tc

Tough week for Frosh, JV

It was a tough week for both the JV and freshman Hawks as both came up short this week against the Hirschi Huskies.

The JV Hawks evened their record at 1-1 after falling to Hirschi 24-8 Thursday night at Memorial Stadium.

The Huskies jumped on top 6-0 with 5:06 left in the opening quarter on a 35-yard run up the middle that capped an eight-play, 69-yard drive.

Iowa Park came right back with a 74-yard drive of its own to take an 8-6 lead with 7:11 left in the half.

Cody Thompson had a big 26-yard run in the drive that was capped by Jimmy Wilson's five-yard TD run. Wilson also had another big run in the drive, covering 15 yards. Trey Goodwin also added a 10-yard run in the scoring drive. Thompson ran in the two-point conversion to give the Hawks an 8-6 lead.

Just when it looked like the

Hawks were going to take their 8-6 lead into the locker room at the half, Hirschi came up with the biggest play of the game. On fourth down, the Huskies came up with a 35-yard touchdown pass with six seconds left on the clock to take a 12-8 lead.

From that point on it was all Hirschi as the Huskies scored twice in the second half to make the final 24-8.

Wilson led the Hawks in rushing with 76 yards on 10 carries, followed by Goodwin with 36 and Thompson with 33 yards.

Defensive standouts included, Brandon Lane, Landon Lane, Jimmy Miller and Wilson.

The freshman Hawks dropped to 0-2 following Thursday night's 27-0 loss to the Huskies.

Just like in the JV game, the Huskies got a big play just before the half to grab the lead and the momentum.

Hirschi scored on a nine-yard run with eight seconds left in the half to take a 6-0 lead. The score capped a five-play, 65-yard drive that followed a fumble recovery.

From that point on it was all Hirschi as the Huskies scored on runs of two and 23 yards and on a 63-yard pass completion to make the final 27-0.

Leading rushers for Iowa Park included Andy Simpson with 45 yards on 11 carries, Bryan Swenson with 22 yards and Matt Kelly with 20 yards. Simpson also led the Hawks in receiving yardage with two completions for 14 yards. Matt Ohm caught one pass for 10 yards.

Offensive standouts for the Hawks included, Adam Arrington along with Swenson, Simpson and Kelly.

Defensive standouts included, Swenson, Simpson, Kyle Young and Jeremy Wilson and Michael Hopper.

Hawks vs. Leopards

Continued from page 1

"Defensively they like to gamble a lot," Nelms said. "They will stunt one of their linebackers on every play and try to force you into some breakdowns on offense. We feel if we can make the proper adjustments and execute properly we can come up with some big plays against them. Our multiple sets and formations should give them some problems as well."

With the Hawks playing in three close games already, Iowa Park knows what it takes to get the job done down the stretch.

"We could very easily be 3-0 right now," said Nelms. "But we could also be 0-3. So we're tickled to be where we are right now."

"This will be a good challenge for us," Nelms added. "It will be a

long road trip with a playoff-type atmosphere. Playing a good team on their field will be a good test for us. We've had three huge crowds the last three weeks and would love to see another big following this week."

In the last eight meetings between the two schools, Iowa Park and Gainesville have split the series, winning four games each. The Leopards won the last two meetings in 1988 and '89.

The Hawks will come into the contest fairly healthy as they get back a couple of players that missed the game last week. Kevin Park and Anthony St. James are both back, while Malcome Wise and Toby Williams are still listed as day-to-day. Wise is nursing a sprained ankle, while Williams is getting over a concussion he suffered in the Hirschi game.

8th graders win meet consolation

The Junior High Lady Hawks' 8th grade volleyball team won the consolation division of the Vernon tournament last week and are now 3-4 for the season.

Iowa Park opened the season by beating Petrolia, with the green team winning 15-2, 15-2. Standouts included Misty Naylor, Joni Goin, Brittany Love and Stormi Rains. The

black team also defeated Petrolia 15-5, 15-6. Standouts included Joni Love and Jessica Conklin.

In the Vernon Tournament, Iowa Park lost to Northside 13-15, 15-5, 15-13, then went on to beat Notre Dame 15-9, 6-15, 15-13. In the finals of the consolation bracket, Iowa Park defeated Chillicothe 15-1, 15-6. Standouts for the tournament included

Stormi Christmas, Conklin and Love.

Iowa Park green lost to Windthorst on Monday 16-14, 17-15. Standouts included Goin and Candace Smock. Iowa Park black lost 15-11, 15-9, with Love listed as a standout.

Iowa Park white defeated City View 2-15, 15-4, 15-10. Standouts included Jennifer Merrell and Jennifer Loucks.

The 7th grade Lady Hawks opened the season on a winning note as well.

Team 3 defeated Petrolia 10-15, 15-3, 15-6, while Team 1 downed Petrolia 11-15, 15-12, 15-9.

In the Vernon Tournament, Team 1 lost to Northside 7-15, 15-8, 12-15, then came back to beat Notre Dame 15-10, 15-11 and in the consolation finals defeated Chillicothe 16-14, 15-2 to win the Consolation Trophy.

On Monday, Team 3 lost to Windthorst 4-15, 3-15, Team 1 lost 11-15, 15-4, 4-15, and Team 2 defeated City View 15-4, 15-9.

Locals enter NASCAR meet

For the first time, the names of NASCAR racing and Iowa Park are to be associated with one another.

That's because Iowa Parkan Charley Strickland has purchased a racer, and it will be driven by another local, Greg Deatheridge.

Strickland said their first event will be Saturday at Tuscon, in the NASCAR Southwest Tournament.

With three races remaining this year on that circuit, Strickland commented he wants to "see where we're at" and if they are competitive, return for the full season next year.

Strickland added, "Hopefully, if we do well, go to the Winston Cup the following year."

Strickland's vehicle also has a corporate sponsor, All American Car Wash in Wichita Falls.

Lady Hawks post sweep

It was a clean sweep by the Lady Hawks on Tuesday night, as Iowa Park swept Petrolia in volleyball action, winning all three matches.

The varsity improved to 8-7 on the year with a straight set victory, winning 15-11, 15-12.

Standouts included Robyn Dillard, Alisha Clements and Carrie Evans.

"We started off great in the first game," said head coach Brenda Hodges. "We played the first 10 points better than we've played all year long. We jumped on top 10-1, then it kind of got ugly and we had to come on in the end to win. In the second game,

we were back and forth a lot and we just played better than they did down the stretch."

The JV Lady Hawks also defeated Petrolia winning 12-15, 15-10, 15-1.

Standouts included Lacy Wells and Kacie Howard.

The freshman Lady Hawks defeated the Lady Pirates 3-15, 15-13, 15-1.

Standouts included Domonique Clynch and Mary Kight.

All three teams will be in action again this Saturday morning as they play host to Chillicothe at 10 a.m., then Notre Dame at noon.
