ALL-STATE BAND MEMBERS KAREN SCHELL AND ZAC MILLER

## Two named to All-State Band

Iowa Park High School junior Karen Schell and sophomore Zac Miller earned positions in the All-State Band, in area auditions held Saturday at Abilene Wylie High School.

Karen, the daughter of Mary Helen and Leo Thames of Iowa Park, and the late Glenn Schell, finished first on timpani.

Miller, the son of Greg and Gail

Miller, took first in mallets in the audition process.

Both will participate in the All-State Band Clinic and Concert in San Antonio Feb. 3 - 6.

## Drug dog introduced to trustees

During their meeting this evening, school board members will have a chance to get acquainted with "Rika" a drug detection dog recently acquired jointly by the City of Iowa Park and the Iowa Park CISD.

Rika will be accompanied by Iowa Park Police Chief Lynn Collins and her handler, Officer Jimmy Eaton, who will answer questions and lead the canine through a demonstration of her skills.

The board meeting will begin at 7 p.m. in the W.F. George Middle School Library.

Trustees will take action on bids for new air conditioning units at the high school, a request to bid for the purchase of a new pickup for the transportation/maintenance department, and a request for permission to inquire about bids for a computer system for the tax office.

Other items calling for a vote include the shared services agreement with Wichita Falls Regional School for the Deaf, and the Iowa Park CISD Board Policies Update 59.

In addition to regular business items, trustees will hear a report from Superintendent Mike Caplinger on the textbook audit, reconsideration of financial support for personnel seeking advanced degrees, students being recognized for donations to the Food Bank, and a grant, donated by Wal-Mart, to W.F. George Middle School.

In the open forum portion of the meeting, a parent has requested to address the board on student admissions policies.

A portion of the meeting will be closed for board members to address personnel matters, and conduct the annual superintendent appraisal.

## Solicitor lands in jail

When police confronted a man soliciting here without a permit from city hall, they determined that he was wanted in Fort Worth -- for fraud.

Jeffrey David LaMel, 28, was approached in the 900 block of Van Horn Tuesday morning while he was distributing printed materials concerning reflective house numbers.

The solicitation sought fees of \$10 or \$15, and asked that checks be made out to him and left either at the home's door the next morning, or mailed to his address in an envelope attached to the note.

The address was to his name, 2005 Gilbert, in Wichita Falls.

No charge was filed against LaMel for violating the city's ordinance, because he was transported to the Wichita County jail to face the charge filed in Fort Worth, according to the police blotter.

City Administrator Mike Price pointed out that the city's ordinance concerning soliciting here is intended

to prevent people of this sort from taking advantage of local citizens.

### OTHER CASES

In other Iowa Park police activity this past week, nine arrests were reported, four of them on warrants issued by Wichita County sheriff's office.

Kelly Byrd McNew, 33, was wanted for driving while his license was suspended, according to a report filed Friday. He was transported to the county jail.

A warrant also was issued for the arrest of Gary Ray Cline, 21, for criminal mischief, with a bond forfeiture of \$6,000. He was picked up Saturday, and transported to jail.

The sheriff's department called police Sunday, requesting local police to pick up two women on county warrants.

Betty Allred Stucker, 68, was

Numerous door prizes will be given to Chamber members, including a camcorder donated by Cryovac.

An emphasis will be made at the banquet to recruit individual memberships into the Chamber, at \$25 per member.

Other highlights of the evening will include: special music entertainment by the high school choir; dinner music on the piano by Dave Bridgers; invocation by Rev. Steve Beckwith of the First Baptist Church, and benediction by Pastor Clifton McFadden of the Church of God.

Incoming officers of the Cham-

ber include: Kenneth Via, president; Mike Caplinger, first vice president; Mike Price, second vice president; and directors whose terms will expire in 2001, Lesa Bushfield, Joe Hughes, Tommy Key, Scott McIntire, Jack Stephenson, Caplinger, and Price.

Directors with terms expiring in 2000 are Cindy Clifton, Gene Jordan, Greig Moers, Jeff Nolen, Glenna Via, Tami Witherspoon and Mike Henderson.

Other directors whose terms will expire in 1999 are Larry Dutton, Bob Hamilton, Janice Newman, O.N. Newman, Robert Palmer, Joe Singer, Guy Traylor and Kenneth Via.

The banquet meal, prepared and served by the Iowa Park Mule-Skinners, will include steak, baked potato, green beans, salad, rolls, coffee and ice tea.

## Surprises sprung on council

One of two surprises to the city council caused aldermen to delay action on one of the issues they were to act on Monday night.

The council was about to vote on a proposal to advertise for bids to construct a sewer lift station on North Bell Road, but tabled it instead.

Kenneth Beall told the council he was among a group of investors who were negotiating the purchase of land known as the George Estate, and considerable development could lead to a larger sewer system need than was proposed.

The lift station, if developed, would serve seven residences in that area not now on the sewer system, and had enough room for about 30 more in the future.

However, the property to be developed includes most of the land north of Texas Street that lies between Bell and Victoria.

Mayor Tim Hunter suggested that engineers study the potential needs of extending sewer service into the area, and have it for council consideration, possibly at the Jan. 25 meeting.

Hunter also stated that no such sewer service would be made available until after that property had been annexed into the city limits.

If the upgrade in the original plan is made, it will add approximately \$12,000 to the projected cost being studied of \$110,000. Beall said the group would pay the additional share.

The other surprise had nothing to do with Monday's meeting agenda, but dealt with city business.

Lee Pelz, who works with the school's technical equipment, said he had a grant application for the mayor and administrator to sign which would benefit the city library.

The grant, if approved, would be for \$20,000 with which to purchase computers, related equipment, and be included in the school's internet system.

The other two items on Monday's agenda received council action. One was the purchase of a 10-wheel dump truck, and the other was the city's participation in development of the Regional Water Plan for Area B.

The dump truck for the street department is being purchased through the Houston-Galveston Area Council of Government's Cooperative Purchasing Program.

It will be manufactured by Volvo, equipped with a 14-yard dump bed,

and cost \$72,760, plus \$1,181 for the administrative fee.

Iowa Park's share in the water plan will be up to \$5,000.

IOWA PARK VOLUNTEER FIRE DEPT. LEADERS ... Danny, left, and Lewis Skinner.

## Volunteer firemen recognize members

Fire Chief Danny Skinner was named Fireman of the Year at the Iowa Park Volunteer Fire Department's annual banquet Saturday evening held at First Christian Church.

Skinner has been with the fire department 25 years, and has held the position of Fire Chief 20 years. He has received the Fireman of the Year award four times in his tenure with the department in 1979, 94, 96 and 98.

Firemen also presented Skinner with an ornamental fire ax for his twenty years of service as fire chief. They presented his wife, Frances, with 20 red roses, one for each year she has supported Danny as Fire Chief.

The Special Service Award was presented to Randy Fulbright.

The award goes to a fireman for outstanding fire service. Fulbright was

selected by fellow firemen to receive the award because he responded to the most emergency calls in 1998. Skinner said as a rule he answers the most calls but Fulbright topped him this year.

Four retired fire fighters were in attendance. They were Taylor George, who served the fire department 44 years, Loyd Bell, Arthur Williams and Miles Thompson.

The fire department responded to 566 calls in 1998, including 228 fires and 338 medical (EMT) calls.

Each fireman was issued a personal protective device at the banquet.

The device is to be worn by firefighters while fighting structure fires. If the fireman is immobile for 20 seconds the device starts beeping; if they have not moved in 30 seconds an alarm sounds that will alert and aid other firefighters in finding the downed fireman.

# COOK of the WEEK

Frances Skinner

The Iowa Park Volunteer Fire Department has earned the reputation of being one of the finest in the area. The backbone of this organization is Danny Skinner, who has been Fire Chief for the last 20 of the 24 years he has been with the department, and his wife, Frances, his staunchest supporter.

Frances, this week's featured cook, has been a supporter of firefighters all of her life. She was born in Electra, where her father, Bob Gibbs, was on the volunteer fire department 20 years.

She is a charter member of the Ladies Auxiliary of the Iowa Park Volunteer Fire Department and president of the West Texas Firemen and Fire Marshal's Auxiliary.

Members of the local auxiliary take part in many support activities such as furnishing drinking water for the firemen and helping to clean up after fires.

Even surgery last February, when she had a kidney removed, and heart surgery in August in which she had six by-passes, has not slowed Frances down. Two weeks after the heart surgery, she was one of the spectators at the fire department's annual street dance. "They wouldn't let me do anything," she said.

Frances and Danny's son, Lewis, is assistant fire chief of the department and a paramedic. His wife, the former Christy Adams, is a member of the ladies auxiliary.

The Skinners have three grandchildren, Alex, five, Bryce, two, and Kai, who is one year old.

Frances moved to Iowa Park when she was 10 years old and is a graduate of Iowa Park High School and Bethania Hospital School of Vocational Nursing. She has been employed as an LVN at Sheppard Air Force Base Hospital the last eight years.

Danny grew up in Iowa Park and is also a graduate of Iowa Park schools. He served two years in the U.S. Army, and has worked at Sheppard AFB 21 years.

Although Frances likes to crochet and do cross stitch, most of her energy is directed toward activities of the fire department's auxiliary.

Frances said that even though she cooks a lot, she doesn't write down or use a recipe often. The recipes she is sharing are from a cookbook put out by the Ladies Auxiliary in 1979. They include a 1929 recipe for a "Fire Extinguisher," her husband's recipe for hot sauce, one of

her recipes, and two of her grandmother's recipes.

## Fire Extinguisher (1929)

Every household should be equipped to combat a chance blaze at its inception. There are many patented extinguishers for this purpose on the market, but their cost has prevented them from coming to universal use.

To fill this gap, a homemade grenade is recommended and while of utmost simplicity, the following described equipment ranks with the high priced:

Fill ordinary 1 pt. thin, flat whiskey flask with a strong brine of salt water, using all the salt the water will take up. Cork tightly and bind flasks together in pairs to insure their being broken when thrown into a blaze; place about the house in convenient places for instant use in an emergency.

To extinguish a fire in the chimney, quickly close all the doors and windows in the room to decrease the draft; throw a few handfuls of common salt on the fire in the range or grate, and the chimney fire will be at once extinguished by the gas evolved from the burning salt.

Percy and Winnie Travis, 1999

## Couple feted on 50th anniversary

Hosts for the event were the couple's children, Phillip and Cynthia Travis of North Richland Hills, Janet and Don Smith, and Patricia Lyles, all of Iowa Park, and Bruce and Cherrie Travis of Claremore, OK.

Percy and Winnie Travis were married Jan. 12, 1949 in Henrietta.

Mr. Travis retired from the U.S. Air Force in 1967, and retired as a Baptist Minister in 1985. He has pastored in several Baptist Churches in Wichita Falls.

Mrs. Travis retired from the Wichita Falls Independent School Food Service in 1985, where she was cafeteria manager at Rider High School.

The couple have lived in Iowa Park three years, moving from Lake Arrowhead to be closer to their children.

Since retirement they have become members of several RV travel

groups and spend much of their time traveling. They are members of the Lakeside Baptist Church.

Finger foods were served at the reception.

The library archway was decorated with greenery and gold and white bows. The head table was draped with a gold skirt, and the others with white lace. Centered on the head table was a three-tiered wedding cake with white cream icing, accented with white and pink roses and gold leaves and bells. Topping the cake was a bride and groom with the bride's dress being gold. The cake was made by their daughter, Janet Smith.

Out-of-town guest were sisters and brothers-in-law of Mrs. Travis, Claude and Lillian Cheatham and George and Rosie Crown all of Bedford.

## Orchids are program topic for Garden Club meeting

Members of the Iowa Park Garden were presented with a program by Joan Jetter, past president of the Wichita Falls Orchid Society.

She showed color slides of the many varieties of orchids and spoke on the culture of orchids.

The major orchid conservatory in England has developed hundreds of hybrid orchids. Orchid culture has become a popular hobby throughout the world and the interest in hybridizing has increased the many varieties available.

She said orchid shows give everyone the opportunity to see many unusual varieties in bloom and learn more of the culture.

She told members that the seed of an orchid is very tiny and takes seven years from seed to bloom but the orchidist is rewarded by several weeks of floral display.

Mrs. Jetter has created an atmosphere in her home greenhouse that is required to grow orchids successfully, with controlled light, moisture and temperature, she has been successful in creating hybrid orchids as well as growing many varieties.

Garden Club officers for 1999-2000 were elected on Jan. 8 and will be installed May 29. They are president, Freddy Skinner; vice president, Evelyn Skinner; secretary, Evelyn Thompson; treasurer, Aretus Spruiell; corresponding secretary,

Joyce Short; and historian, Nina Robinson.

Thought of the day was given by Evelyn Thompson, "Laughter is a great tranquilizer, it has no side affects."

Horticulture display by Margie Faulkner was an unusual fern, delicate in appearance, but said to do well as a house plant.

Refreshments were served by hostesses Reba Snow and Margie Faulkner.

**IOWA PARK**  
**GENEALOGICAL & HISTORICAL SOCIETY**

Shirley Banks, although remaining active in the IPGHS, due to health reasons, stepped down from the presidency and Roxanna Wood, vice president became president.

Patsy Todd was elected vice-president.

Charlene Parks reported there are only a few "Happy Birthday Iowa Park" books remaining to be sold. She also presented information regarding the purchase of a book binding machine to be used by the library. With permission from Sue Maness, members will decide on the grade of machine, binding cone sizes and placement in the library.

Several CD's have been ordered for use in the library, a census bundle with listings from 1600-1880 will be helpful in finding ancestors, another is a Passenger and Immigration List Index. Everton's updated "The Handbook for Genealogist" and Census-Texas 1850 - Entire State will soon be added to the Genealogy and Historical Section of the Tom Burnett Memorial Library.

The next meeting will be February 6, at 2 p.m. The topic will be how to create "vertical files," a research tool.

# A Funny Thing Happens When People Put Down A Newspaper.

# They Start Spending Money.

Nothing puts people in the mood to buy like newspaper. In fact, most people consider it almost a prerequisite to any spending spree. Because that's where they make their decisions on where to shop and what to buy. Not on tv. And not jammed in little envelopes that come uninvited in the mail.

71% say newspaper is the place they turn for shopping advice. The place where they actually look forward to seeing the ads. And set aside the time to read them. That message comes through in study after study. More importantly, it also comes through in sales. Of course, if you want further proof of newspaper's effectiveness, run an ad and you can see it firsthand.

# Hawks win two games in a row

Maybe the Hawks are getting hot at just the right time.

Starting Saturday, Iowa Park defeated Boyd 50-46 in the Hawks, final non-district game in come-from-behind fashion, then followed that up with a huge district-opening win over Henrietta on Tuesday night.

The Hawks blistered the Bearcats 68-43, and grabbed a share of the District 5-3A lead after only one game.

Iowa Park will look to run it's winning streak to 3-0 Friday when they travel to Childress, then return home on Tuesday.

In the Boyd game, Iowa Park started off slowly, scoring only four points in the first quarter and trailed 9-4 after the first eight minutes of play. But a 17-10 second quarter gave the Hawks a slim two-point advantage going into the locker room. Iowa Park won the third quarter 16-11 to push the lead to seven, then held off the Yellowjackets to post the 50-46 win.

"I like the way we came out and played against Boyd," said head coach Tim Clark. "We played excellent post defense against their big men and that will help us down the stretch. We had four real good days of practice leading up to the game and it showed in our defensive intensity."

Ryan Huff led the Hawks in scoring with 17 points followed by Bryan Lyons with 11. Chase Wright and Justin Penn each scored eight points followed by Aaron Duran with six.

If Clark liked what he saw against Boyd, he loved what he saw on Tuesday night against Henrietta in the District 5-3A opener.

The Hawks shot a season-high 64% from the field, hitting on 31-of-48 shots as they easily put away the Bearcats.

With Henrietta leading 10-9 with less than 30 seconds left in the first quarter, Iowa Park got the boost it needed from Penn, who got a pair of

putbacks and a fast break on an assist from Chris Simmons totaling seven points in a span of only 26 seconds, gave Iowa Park a 15-10 lead heading into the second quarter.

Iowa Park scored the first seven points of the second quarter to make the score 22-10. The Hawks finished the period hitting 5-of-8 shots from the floor.

The Hawks continued to have the hot hand from the floor to start the second half, as Lyons and Simmons both drained three-pointers to start the third period, extending Iowa Park's lead to 33-17. Then a 7-2 run by the Hawks pushed the lead to 21 with 4:47 left in the quarter. Iowa Park

finished the period with a 19-point cushion by outscoring the Bearcats 22-14 in the period.

Iowa Park didn't let up in the fourth quarter, as the Hawks hit on 7-of-11 shots and outscored Henrietta 19-13. Lyons led Iowa Park in scoring with 15 points followed by Wright with 12 and Penn with 10. Huff finished with eight and Simmons with seven.

"I feel like some of the momentum we gained from the Boyd game carried over into tonight's game," Clark added. "We really got after them defensively and when you turn it up on defense, you always seem to make more of your shots because your level of play is higher. It's good to see us playing better right now, but the biggest thing I see is that we are getting closer as a team. The guys are not worried about who is scoring the most points, they just want to get the job done and that's what wins games. Tonight's game was a perfect example of that. We got a great team effort and we won our game. That's the kind of effort we're going to need to make the playoffs."

## JV

The JV Hawks started the district portion of their schedule off on the right foot by beating Henrietta 32-21 here Tuesday night in the opener for both schools.

Iowa Park pitched a shutout in the first quarter, holding the Bearcats scoreless and took a slim 3-0 lead. In the second quarter, Iowa Park outscored Henrietta 13-10 to push the lead to 16-10.

Henrietta pulled to within one at the end of three quarters with a 7-5 third quarter, before the Hawks put the game away in the fourth quarter winning it 11-4.

Michael Weeks led Iowa Park in scoring with nine points followed by Ryan Bess, Rowdy Hebel and Tim Denney, all with four points.

Iowa Park will take to the road to take on Childress Friday, then return home on Tuesday.

## Frosh

The freshman Hawks are on a two-game winning streak following a pair of big wins this week.

Iowa Park opened the week with a 42-26 win over Boyd on Saturday, then took the opening game of the district schedule by beating Henrietta 38-32 on Tuesday night.

In the Boyd game, Iowa Park jumped on top 14-2 after the first quarter and never looked back, winning the second quarter 13-10 and the third 13-4 before easing up in the fourth.

Jereme Wilson led Iowa Park in scoring with 12 points followed by

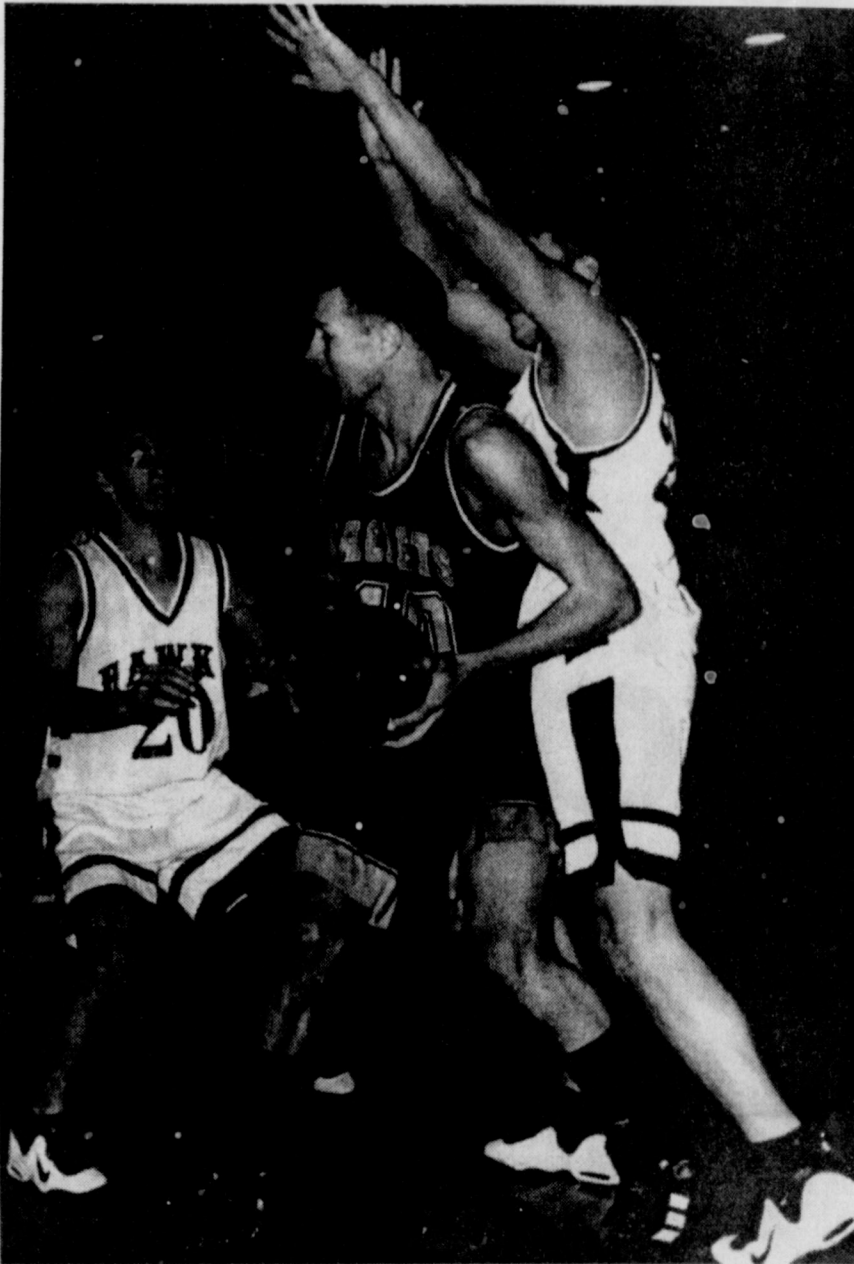

Kyle Chaney with nine, Andy Simpson with eight, Kyle Young with six and Brandon Gentry with five.

In Tuesday's game against Henrietta in the district opener for both teams, Iowa Park fell behind 15-10 after the first quarter, but rebounded with an 11-2 second quarter to lead 21-17 at the half.

Henrietta cut the lead to 30-27 heading into the final period, only to see Iowa Park win the fourth quarter 8-5 to take the win.

Simpson and Young both scored in double figures for the Hawks with Simpson finishing with 11 and Young with 10. Adam Arrington was just a basket away finishing with eight.

The Hawks will travel to Childress Friday, then return home on Tuesday.

# Lady Hawks lose 3rd district game

Iowa Park saw its district mark fall to 0-3 this week following a pair of losses. The Lady Hawks opened the week with a 46-28 loss to Graham on the road, then returned home on Tuesday night and fell 53-40 to Henrietta.

In the Graham game, Iowa Park fell behind 11-7 after the first quarter and 20-14 at the half, but was still very much in the game.

"We played a pretty good first half," said head coach Kim Huff. "Then we played a not-so-good half. They were a team we could have beaten. We did a good job on their big scorer and held her to only four points, which was 16 points under her average, but the rest of her team stepped up their game and played better."

"We shot the ball fairly well from the floor," Huff said. "I think we were at 43% overall. Randi Nelms was 7-of-11, but we turned the ball over 33 times and that's what killed us."

In the second half, Graham outscored Iowa Park 15-4 in the third quarter and 11-10 in the final period to post the 46-28 victory. Nelms led Iowa Park in scoring with 15 points followed by Alisha Clements with

six.

In Tuesday night's game against Henrietta, you'd have thought the game was being played at the North Pole the way the Lady Hawks were shooting as they were ice cold from the field, hitting on only 9-of-49 shots from the field for 18% for the game.

Iowa Park started the game going 1-for-8 in the first quarter as Henrietta jumped on top 14-4. In the second quarter Iowa Park hit on 3-of-14 shots from the field, but did convert on 10-of-13 shots from the foul line and trailed the Lady Bearcats 32-20 at the intermission.

The Lady Hawks came out ice cold to start the second half as well, missing on their first seven shots in the third period.

Midway through the third quarter, Iowa Park showed signs of thawing out from the field by going on an 8-0 run to cut the lead to 36-32 with 57 seconds left.

Iowa Park finished the period down by only five points, at 37-32.

But that would be the last surge the Lady Hawks could muster, as their hot hand left them just as suddenly as it had appeared. The Lady Hawks made only 2-of-14 shots from

the field in the final period, scoring eight points while Henrietta scored 16 to post the 53-40 win.

"We just couldn't get the ball to go down for us," Huff added. "We cut the lead to four when Danielle was out in the third quarter, but when she came back in we seemed afraid of her. We wouldn't take the ball to her and when we did, we expected her to block it. We didn't come out mentally prepared to play and that shows in our four-point first quarter."

Clements led Iowa Park in scoring with 10 points followed by Erin Foster with eight, Nelms with seven and Lacy Wells with six. Danielle Seward led all scorers with 22 points for Henrietta.

The Lady Hawks will be looking for their first district win on the road Friday night when they travel to Childress, then return home on Tuesday night.

## JV

The JV Lady Hawks finished the week with a 1-1 mark in district play after splitting their two games.

Iowa Park lost 52-23 at Graham on Friday, then rebounded to defeat

Henrietta 19-13 on Tuesday night.

In the Graham game, Iowa Park fell behind 18-6 after the first quarter and trailed 29-9 at the half. The Lady Blues outscored Iowa Park 23-14 in the second half to take the 52-23 win. Callie Beckwith led Iowa Park in scoring with eight followed by Christine Dillard with seven and Lindsay House with six.

In the Henrietta game, Iowa Park won the first quarter 7-4 and tied at 6-6 in the second to take a 13-10 lead at intermission. In the second half, Iowa Park won the third quarter 2-0 and lost the fourth 3-2, but held on for the win. Dillard led Iowa Park in scoring with seven points followed by Beckwith and Smith with four points each.

Iowa Park will travel to Childress on Friday then return home on Tuesday.

## Frosh

The freshman girls split their two district games this week, falling to Graham 41-32 on the road on Friday, then returning home to defeat Henrietta 29-17 on Tuesday.

## Banquet recognizes players

The Iowa Park Hawks celebrated their most successful season in over a decade Saturday night when the Athletic Booster Club held its annual Football Banquet in the high school cafeteria.

The highlight of the evening had to be the video highlighting every game the Hawks had played in the 1998 season, including their two playoff victories.
