Dear Santa,

I'm a ten-year-old boy who lives in Wichita Falls, Tx. I would really like a gun that I can shoot or atleast the money for one. I have three good reasons to send me one. If I had a gund I could go hunting with my dad, I could go to hunting safety and get a license, and I could get good at shooting a gun.

If I had a gun I could go hunting with my dad and really shoot something because everytime I go hunting I just sit and watch. It would be fun to do something with my dad.

If I had a gun I could go hinting safety school, and I could get a licence. I think it would be fun, and I want to be a safe hunter.

My last reason is that I could maybe get good enough so that maybe I could go and compete and win a trophy. I will be willing to practice hard.

I have told you 3 good reasons to get me a gun. I hope you agree me.
