Smith - Harris Wedding Event of June 8

A formal wedding of impressive beauty and dignity was solemnized Tuesday evening, July 8, at 8:00 to unite Miss Betty June Smith, daughter of Mr. and Mrs. M. L. Smith, and Joel Allen Harris, son of Mr. and Mrs. L. A. Harris, in marriage.

In a nuptial space illuminated by the soft glow of many cathedral candles the bride and groom stood for the recitation of their marriage vows. In the choir left the candles burned in three groupings of branched candelabra which were looped with satin cords and tied in the center with large white satin bows.

As guests assembled a stirring pre-nuptial concert was given by Mrs. O. E. Lochridge, organist, and Mrs. Warren McDonald, vocalist. The latter sang "Because" and "Till the End of Time" preceding the ceremony and the Lord's Prayer to close the service impressively.

The bride's father gave her in marriage. She was an exquisite picture in a formal Will Steilman creation of imported white lace over net and taffeta. The gown was styled with a high rounded neckline, a deep yoke of bridal illusion bordered at the shoulder line by a wide scalloped bertha ruffle, a fitted bodice ornamented with self-covered buttons on the back of the yoke and accentuated at the back of the midriff by an imposing bustle bow.

SMITH - HARRIS WEDDING

(Continued from page 1) The feminine attendants in the wedding alternated with duties of serving at the punch bowl and elsewhere, while Mrs. Frank Smith of Gorman presided at the cake. Other members of the house party were Mmes. Fred Thompson, Herman Mahler and H. W. Weaver.

The reception preceded the departure of the bride and groom for a honeymoon to Carlsbad, N.M., and points of interest in Mexico. For travel the bride chose a navy blue alpaca crepe dress with which she

wore a navy hat, shoes and bag. Her gloves were white nylon with eyelet embroidered cuffs, and she wore a white orchid corsage. The honeymoon trip will terminate at Odessa where the couple will reside during the summer while the groom is employed with the Halliburton Oil company. They will move to Austin in the fall for Mr. Harris to resume his studies at Texas university. He will be a junior in petroleum engineering.

The wedding united two well known young people. The bride was an honor graduate of Iowa Park

High School in 1943. She attended TWC at Fort Worth for 1 1/2 years, then Texas university where she was graduated with a B.S. degree in physical education. Her club affiliations at TU included PEM, Cap and Gown, WICA, Campus League of Women Voters and the Wesley Foundation. For the past two years she has been a member of the high school faculty at Valley View.

Mr. Harris was graduated from the local high school in 1942. He attended NTSTC at Denton before entering the marine corps. During his three years in service he spent 23 months in the South Pacific at Guam and Guadalcanal, during which time he was awarded the Purple Heart.

Following Monday evening's rehearsal for the wedding, members of the bridal party were honored at dinner at Smith's Restaurant. The bride's parents were host and hostesses for the affair.

A centerpiece of shasta daisies was used on the long table where guests were served. Covers for the ladies were marked with white cards ornamented with bridal symbols. The men's places were designated with matches on the front cover of which was written "It's a match — Betty and Joe."

Highlighting the occasion was the exchange of gifts by the bride-elect and groom-elect and the presentation of remembrances to their attendants.

The guest list included Rev. and

Mrs. Frank Smith of Gorman, Mr. and Mrs. Royce Kimberlain, Mr. and Mrs. Bob Tedford, Mr. and Mrs. Ted Zeck, Mr. and Mrs. John Mixon, Mr. and Mrs. H. W. Weaver, Mrs. W. D. Richard Hill Enjoyed Trip North

During the six weeks he spent in Michigan as a student of Chevrolet dealership management, Richard W. Hill found time to see a major league ball game, take a trip to Canada and visit Henry Ford's museum at Dearborn.

Of course his studies were interesting to him and will be of benefit to the Hill Motor company and its customers, but the side trips are of special interest to his friends in and around Iowa Park.

The day he went to see the Detroit Tigers they had drawn the New York Yankees as opposition. Richard said that Trout must really have DiMaggio's number because all that Leo could do that day was strike out once and fly out to centerfield twice.

The trip to Greenfield Village at Dearborn was extremely interesting. There Henry Ford has had moved intact the entire village where he started his first business. Greenfield Village is not only the birthplace of Henry Ford, but also of Thomas A. Edison and the display include's Edison's laboratory which once was at Greenfield Village.

Mr. Hill went to Windsor, Canada, over the Ambassador Bridge, a long tall structure beneath which the very largest of boats can be run. He said the bridge was probably two miles long, a marvel of engineering under construction. The return

six-week training on all phases of the automobile business. He is pictured above with E. S. Welock, assistant manufacturing manager in charge of Chevrolet's 11 assembly plants (left), and Clarence Stevens, mechanic, who is making a valve adjustment on a newly-built motor.

trip was made through a tunnel under the river. This tunnel accommodates automobile traffic.

The natural lakes of Michigan were beautiful, Richard says, and offer a strange contrast with our own prairie lands.

Mrs. Carl Walsh is vacationing at home this week and next with her grandchildren Francis and Danny Clark of Dallas.

Mrs. James Estes and children Ruth and Sheryl Lynn of Childress visited Mrs. A. H. Estes last week.

Mr. and Mrs. Herman Mitchell returned Tuesday from Lubbock, where they attended the graduation exercises of their daughter Miss Maye Mitchell. Miss Mitchell plans to be at home this summer.

Paul Brown of Sherman, roommate of Jean Weaver at Texas university, is visiting Jean this week and attended the Smith-Harris wedding. Jean Weaver plans to be at home this summer, he has announced.

From where I sit . . . by Joe Marsh

Who is this Man?

Now and then, in the pages of the *Clarion*, I run a biographical quiz, under the heading of "Who Is This Man?" For instance . . .

"He was one of the earliest lovers in American history . . ."

"And yet he was too shy to court a woman outright . . ."

"He came to the New World on the Mayflower . . ."

"A cooper to repair the beer barrels accompanying the Pilgrims . . ."

"Who is this man?"

I thought that everybody was stumped. But not Ma Hoskins, who returned the clipping to me with "John Alden" on it. She recognized all the clues—including that reference to "beer" and "cooper."

For Ma—who's read her history, knows that beer as the beverage of moderation, is as old in this land of ours as the never-ending American search for tolerance which brought the Pilgrims over to this country in the first place.
