Peeler Brothers Open Repair Shop Here

Lawrence and Charlie Peeler have leased the Carroll Duke building at 118 1/2 Cash street and are installing a complete garage service for all makes and models of cars. The business will be known as Peeler Brothers garage.

Earl P. Hall Asks Re-election to Civil Appeals Court Chief

Judge Earl P. Hall is a native of this county of civil appeals district, which is composed of the following counties: Archer, Clay, Cooke, Denton, Hood, Jack, Montague, Parker, Tarrant, Wichita, Wise and Young. Judge Hall was born and reared on a farm in Montague county, where he worked, except when he was away in school, until he received his law license at the age of 22. He is now 48 years of age.

Recreation Program Reaches Halfway Mark, Interest High

As this week draws to a close, one half of the summer recreation program will be completed. In spite of a wind with gale velocity and high temperatures this week, interest in the recreation activities has not waned. Seventy five young people participated in the play Monday afternoon and night.

Scouting in Iowa Park Has Steady Growth

The summer camporee at Perkins reservation is in its third and final week. Close to 200 scouts have registered at Camp Perkins each week since the beginning, June 9.

Flora Cobb Seeks District Court Clerk Job in First Campaign

Miss Flora Cobb, clerk of Wichita county's three district courts, formally announced this week her candidacy for her first elective term in office.

Navy Reserves Taking 30-Day Cruise to Foreign Ports

Two Iowa Park men are among 152 naval reservists who boarded the destroyer escorts USS Haas and Willett, June 17 for a month-long training cruise to ports in the Caribbean and South Atlantic.

O. T. Freeman, principal of Wichita Falls high school, will be speaker at the Starlight Worship Service on the lawn of the Methodist church Sunday evening.

More Tax Revenues Needed in Iowa Park Says Mayor Van Horn

As mentioned in an article a few weeks ago, the City is faced with financial problems that keep cropping up every day.

Iowa Park Naval Officer Gets Medal

Lt. Cmdr. George C. Hathaway Jr., son of Mrs. Velva C. Hathaway of Route Two, Iowa Park, has been awarded his third Navy air medal for meritorious achievement in aerial flight.

IOWA PARK HERALD
Published Thursday of each week at Iowa Park, Texas.

George R. Huckaby, Publisher
(Published in the Iowa Park Herald June 5, 12, 19, 26, 1952)

THE STATE OF TEXAS
To: Robert Hartwig, Defendant, Greeting: You are hereby commanded to appear before the Honorable 30th District Court of Wichita County

at the Court House thereof, in Wichita Falls, Texas, at or before 10 o'clock a.m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 30th day of June A.D. 1952 then and there to answer Plaintiff's Petition filed in said Court, on the 14th day of May A.D. 1952, in this cause, numbered 50,387-A on the docket of said court and styled Adelaide Hartwig, Plaintiff, vs. Robert Hartwig, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: After alleging jurisdiction, plaintiff further alleges that she and defendant were married on or about July 15, 1948 and continued to live together as husband and wife until

on or about November 15, 1951, when defendant left plaintiff. During the time plaintiff and defendant lived together the defendant displayed cruel, harsh and tyrannical treatment toward this plaintiff without cause or provocation up to the time defendant left without cause or provocation; that there was one child born of such marriage, a girl of about (4) years of age, Lorraine Hartwig; that this Court has no jurisdiction over said child because she is with plaintiff's mother in New Jersey; and that there is no community property.

Wherefore, plaintiff prays that defendant be cited to appear and answer herein, and that upon trial hereof, she have judgment for divorce and for such other and further relief, in law or in equity, to which she may show herself justly entitled.

If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas this 17th day of May A.D. 1952.

Attest: (SEAL) FLOREN COBB, Clerk, 30th District Court, Wichita County, Texas. By Carl Hightower, Deputy.

Clark's relatives in Hillsboro, Ind., and see many interesting places on their way to New Jersey. Mrs. Best and Thomas will return

here with her mother and visit until they can join Mr. Best in England. They expect a wait of three months.

SPOTLIGHT ON SPORTS

BASEBALL
Friday night the Iowa Park Independents went to Nocona where they suffered their first loss in four games. The final score was 9 to 8 as the Nocona Indians scored in the bottom of the 11th inning.

The Independents used three pitchers in trying to keep their victory string intact. It was to no avail when Bray of Nocona singled with two out and two on to score the winning run for himself. He had pitched the last five innings for Nocona.

Johnnie Deal was handed his first loss of the season, but the loss came in a relief role. Wayne House started for the Iowa Park team.

Saturday afternoon on the local diamond the Sheppard AFB Flight Wing handed the Independents another defeat. Final score was 12 to 10.

The Independents had plenty of chances to win the slugging contest as they frequently went down with runners in scoring position. The Flight Wingers got two runs in the eighth on a fluke homerun. On a towering fly ball to deep centerfield Howard Klinkerman was just getting back in position to make the catch when he collided with a guy wire attached to a telephone pole. The ball dropped into center and the batter and one runner scored on what would have been a sure catch for Klinkerman. That put the visitors ahead 12 to 7.

The Independents scored three times in the eighth and had the tying runs on in the 9th but could not score.

Sunday afternoon on the local diamond the Independents won their second straight league game. Final score was 7 to 3 as Johnnie Deal picked up his second league victory, his fourth win of the year. He has lost only once.

Grandfield scored two runs in the first inning before the Independents could get anybody out. Their only other score came in the eighth frame.

Friday night the Independents will play Grandfield in a non league contest at Grandfield.

SOFTBALL
Last Thursday night the Merchants and the Barbour Trunkers got together for their first meeting of the season and slugged each other's pitchers around quite a bit. The final score was in doubt and still is. According to the scorekeeper the final result was Merchants 9, Trunkers 7, but the Merchants complained and the Trunkers and no one knows the result.

The game was interesting to the fans and the score rocked back and forth, with the hits frequent. The game was played fast and everyone enjoyed it.

Monday night the Trunkers again played host to Young's Plumbers from Wichita Falls. The game was exciting and in what everyone believed was the final inning the score stood 5 to 4. Then the statistician decided they should play one more inning, and everyone agreed. The Plumbers made 6 runs in their half and the Trunkers got base runners on but could not score.

Friday night the Merchants will entertain Texas Electric Service company from Wichita Falls. Time has been set at 8:15.

Local Pantomimist Has Full Schedule

Beverly Barker is learning that the plans of entertainers and their sponsors do not always work out. She was scheduled to appear on the same program with Ike Eisenhower last Saturday afternoon at Denton.

Beverly was there with her act all carefully rehearsed, but Ike was too tired to put on his part and the whole deal was canceled.

The trip was not all wasted, for Beverly was called upon to put on three of her records that night at the American Legion Hall.

As Sweetheart of 13th District Legionnaires, Beverly went to Denton with District Commander R. B. Lunn of Wichita Falls and District Adjutant Birney Arnold of Wichita Falls.

Besides the expected Ike program there was a 4th District convention of Legionnaires at Denton that day, and Beverly was pressed into service to entertain for the convention.

Arrangements have been made for the young Iowa Park pantomime artist to appear on the convention program at Dallas in August.

This Thursday night Beverly is entertaining at the Farm and Ranch club banquet in Wichita Falls at the request of J. C. Porter, agricultural director of a bank there.

Mr. and Mrs. Carl Walsh visited in Altus, Sayre and Granite, Okla., and Shamrock, Texas, over the weekend.

A. M. (Tunk) Taylor and a shipmate Billy Jack Short of Glenwood, Ark., were in Iowa Park this week visiting friends and relatives of Tunk. Both young men are serving in the navy aboard the destroyer USS Tingey.

Jelly Making — Easy and Rewarding

—Photo courtesy Hall Bros. Co.

Spend a little time during the summer making jelly to be used on breakfast toast, hot biscuits, between-meal sandwiches for the children, and for a sizeable food expense item from your next winter's grocery bill!

Excellent jelly is easily made from the juice of tart apples, grapes, currants, blackberries and several other fruits and berries. They contain enough pectin, the substance in fruits which makes jelly "set." But, some fruits are low in pectin, notably cherries, peaches, strawberries and sweet apples, and the amount of pectin in a fruit may vary from season to season. It is also influenced by the degree of ripeness.

You may mix fruit juices known to be low in pectin cup for cup with those known to contain a

great deal of pectin, but it is usually better to add pectin—the kind you buy in liquid or powdered form—when making jelly of low-pectin fruits. It is also faster. A one-minute boil is enough for jelly-making when you use either Certo or Sure-Jell, well known brands of natural fruit pectin.

You may even make jelly from canned or frozen juices and fruits by using pectin. This is one of the easiest ways of making jelly because it eliminates preparation of the fruit and permits you to make jelly any day of the year in about 15 minutes time.

Pectin may be bought at the food store in either liquid or powdered form. Be sure to follow the directions which come with the bottle or package when you make your jelly.

Your C. of C.

CAR INSPECTION
Have you had your car inspected? Three months of the five months extended time have passed, and according to the two inspection stations in Iowa Park, not more than 20 per cent of motor car owners have had inspections made.

The two public inspection stations in Iowa Park are the Hill Motor company and Elmer Singleton Garage. These stations, together with the 29 other stations in Wichita county are under \$1,000 bonds to guarantee correct inspection under the new state law.

Safety features of each vehicle to be checked are brakes, horn, lights, windshield wiper and steering gear.

Get your inspection certificate on your car and avoid the rush that is sure to occur just before Sept. 6, the deadline.

DIRECTORS MEETING
The board of directors of the Chamber of Commerce will meet Tuesday morning at 8:30 at the Alvin Smith Restaurant for their breakfast meeting. According to the plan for 1952, six members-guests will be invited to sit in on the meeting and enjoy the fellowship.

WILL ROGERS
On July 9, U. S. Highway 66 will be officially converted to the Will Rogers Highway. Gov. Johnston Murray of Oklahoma will unveil the marker.

On July 10, the Story of Will Rogers, played by his son Will Jr., will open in Tulsa and Oklahoma City.

On a recent trip, we visited the Will Rogers Memorial at Claremore, Okla., and as we looked over this handsome marble and glass building, complete in every detail, and surrounded by beautiful grounds we wondered what this humble cowboy had that called forth such a tribute from a hard-boiled old world full of its own headaches and pains.

We were deeply touched as we read letters and messages that were never intended for the public eye, and saw mementos, hundreds of photographs of his activities as rodeo entertainer, actor and writer. There was on display even the clothing and articles in his pocket that he had on when his plane crashed in Alaska, ending his colorful career.

We left his shrine feeling that we had had a personal visit with a friend.

We marvel at the amazing and far-reaching influence of this humble citizen that made a people build such a memorial, dedicate a national highway and keep alive in their hearts the warm glow of admiration and friendship.

We wonder what the wise humorist would say today about the complex national and international situations.

Local Airman Goes To England Soon

Maj. and Mrs. W. M. Best and son Thomas arrived Wednesday of last week from Montgomery, Ala., for a visit with her parents Mr. and Mrs. T. M. Clark.

Mr. Best has been stationed in Alabama and Mississippi the past four years as comptroller in an air school. He is being assigned to an air base in England.

The Bests will spend about two weeks in Sand Springs, Okla., visiting relatives. Then they will return and pick up Mrs. Clark to accompany them to New Jersey.

Enroute they will visit with Mrs.

Miss Mariam Teal, Robert Malacord Wed In Wichita Falls

In a quiet ceremony before only the immediate families and close friends, Miss Mariam Teal, daughter of Mr. and Mrs. L. A. Teal, became the bride of Robert F. Malacord, son of L. R. Malacord of Wichita Falls and Mrs. Charles Meroney of Dallas.

The double ring service was read in the First Methodist church chapel of Wichita Falls.

The bride was lovely in a white Swiss imported embroidered organdy frock, belted by a navy morri taffeta cummerbund. The fitted bodice with low square-cut neckline was bordered by a three inch stand up collar. Tiny sleeves and extremely full skirt over a white taffeta petticoat. Her headpiece was white starched lace petals forming a Juliet cap with flos colored brow length veil. The gloves were white nylon wrist length with cuffs sprinkled with tiny white flowers. Her shoes were white rolled strap sandals.

The bride wore a white purple-throated orchid, and a tiny seed pearl choker of two strands as something old, a white lace handkerchief was something borrowed, and something blue was a fancy lace garter.

Mrs. Billy Gordon Hale and Marvin McBride were the couple's only attendants. Mrs. Hale's frock was a beautiful "after five" creation of apple green organdy with full skirt and large collar. Her corsage was of cymbidium orchids. She wore black accessories.

The bride is a graduate of Iowa Park High School and attended the Methodist hospital school of nursing in Dallas. She is now employed at the Wichita Falls Clinic hospital. She is a member of Beta Sigma Phi sorority and is a past president of Alpha Tau chapter.

Mr. Malacord completed his high school studies in Wichita Falls and attended Hardin Junior college in Wichita Falls and Southern Methodist university in Dallas. He is now associated with his father in business.

After a trip to Wyoming and Colorado, the young couple will establish a home at 2208 Joine in Wichita Falls.

Attending the wedding from Iowa Park were Mrs. L. A. Teal, Miss Jackie Teal and Cathy Teal, sisters of the bride, Mrs. Orville Bell and daughter Susan, and Mrs. John Tidwell, aunt of the bride.

BAPTIST W.M.S.

Mary-Martha circle met at the home of Mrs. Perry Blaylock. After opening prayer by Mrs. Weldon Phillips, Mrs. Pete Guthrie taught the Bible lesson. Others attending were Mrs. Malcolm Mills and Mrs. Allie Gordon.
Sallee-Morgan members met with Mrs. Bud Britt, who led in prayer. Mrs. Ada Curry led the Bible study for Mmes. R. B. Chambers, George, Roberts, Mary Lee Shaw, Elsie Smith, J. A. Berg, Gertrude Bell, E. W. Sumrall and R. L. Redin.
Gleaners met at the church for a discussion of the Bible lesson. Present were Mrs. E. A. Jones, Mrs. Haskell Thompson and Mrs. Buddy McLemore.
Ruth circle met at the church. Mrs. Curtis Hill, Mrs. Earle Denny and Mrs. Lila Traylor joined in a discussion of the Bible lesson.

WSCS

Circle 1 met in the home of Mrs. Otis Gay for a continuation of the study "The Earth Is the Lord's." Theme of the meeting was "Choose ye this day."
Assisting in presenting the lesson were Mrs. W. E. Stockton, Mrs. Scott Morris and Mrs. Guy Perdue. The devotional "To Declare His Praise" was led by Mrs. Gay, with Mrs. Harbor assisting with responses and with group singing of hymns of praise. The devotional period was closed with "Prayer" sung by Mrs. James Sewell.
Mrs. Dave Harbour was elected president of the circle for the coming year, with Mrs. Scott Morris as secretary-treasurer. During the business session the circle adopted the Mission Home and Training school at San Antonio as their project.

Time of meetings has been set at 9:30 a.m. for Circle I.
A refreshment plate was served to 12 members, with Mrs. A. D. Butcher, Mrs. C. C. Robinson and Mrs. Herman Mahler as co-hostesses.

Circle 2 met in the home of Mrs. Will Spruiell, Monday afternoon at 2:30. Mrs. C. J. Simpson was program leader, assisted by Mmes. Walter Willard, Richey Abernathy, Miles Thompson and Fred Widmoyer.
Mrs. T. C. Scott was elected leader of the circle. Mrs. S. L. Denny dismissed the meeting with prayer.

Attending were Mmes. W. M. Owens, Ida Chatelain, Penton Dale, Miles Thompson, R. B. Taylor, J. N. George, Fred Widmoyer, R. N. Watson, T. C. Scott, Walter Willard, S. L. Denny, Richey Abernathy and C. J. Simpson.

"What Is That in Thine Hand?" was the topic led by Mrs. Tommie Compton when Circle 3 met at the church Tuesday morning at 9:30.
Mrs. R. J. Irwin gave a talk on "Stronger than the Adams and not merely four square walls."
Mrs. Harry Hadley spoke on "Training our future leaders."
Mrs. John Mixon contributed "Toward a Christian Community."
Mrs. C. B. Smith and Mrs. James E. Todd were hostesses for Mmes. Joe Bell, John Mixon, Harry Hadley, Tommie Compton, R. J. Irwin, Miles Thompson and L. A. Wilcox.

Mrs. S. L. Denny had as visitors in her home over the weekend Mr. and Mrs. Albert Addington of Phoenix, Ariz., Mrs. T. P. Lynch of Uphur Springs, Mr. and Mrs. A. O. Beadle and children Don, Gary, Joyle and Francis of Bridgeport, Ala.

M-Sgt. and Mrs. Victor C. Hays returned to their home at 522 S. Yosemite on June 4. They have been in Denver, Colo., the past year. Mr. and Mrs. Hays have three children Victor II, 5 years, Carol, 3 years, and Charles, two months old.

QUICK, SLICED PICKLES

3 quarts sliced cucumbers
3 onions sliced
5 1/2 cups vinegar
3 cups brown sugar
1 pod hot red pepper
1 teaspoon cinnamon
1/2 teaspoon ginger
2 tablespoons mustard seed
1 teaspoon turmeric
1/2 teaspoon celery seed
1 piece horseradish
1/2 teaspoon alum

Soak cucumbers and onions (separately) 5 to 10 hours in brine made by dissolving 1/2 cup salt in 1/2 gallon cool water. Drain well. Add onions, 2 1/2 cups vinegar, and 2 1/2 cups of water to the cucumbers. Simmer about 10 minutes. Do not cook until soft. Drain. Discard liquid in which

scalded. Make sirup by boiling the sugar and spices with 3 cups of vinegar and 1 cup of water for 10 minutes. Then add alum. Pack well drained cucumbers and onions in hot Ball Mason Jars Cover with boiling sirup. Seal once with Ball Dome Cap.

Mrs. E. H. Noel was taken to Clinic hospital in Wichita Falls, Sunday in a Tanager ambulance.
Mr. and Mrs. Floyd White visited her mother Mrs. C. E. Gravely at Dallas last weekend. She returned home with them for a visit.

Last week Mr. and Mrs. L. C. Parker, Mrs. Rowena Parker and grandchildren Clover and Thomas Leonard visited in Clarendon with Mrs. Parker's daughter Mrs. Abbye Warren and family.

A meeting of the Highland Cemetery association has been called for Sunday, June 29, in the sanctuary of the Christian church, according to Pres. D. C. Bridgers. Time of the meeting is 3:00 and everyone is invited.

State Health Officer Gives Polio Hints

A long range battle plan against polio was outlined Wednesday by the state department of health.
State Health Officer George W. Cox recommended eight points of action in combating the disease which this year is striking harder at Texas than at any other part of the nation:
1. Spot spray insect breeding places after they have been cleaned up and destroyed. Spraying indiscriminately might kill a few insects on the wing, but it won't do the job. It might kill valuable plants and create a false sense of security.
2. Get rid of animal shelters in urban areas. They cannot be kept clean and consequently create a health hazard as fly breeders.
3. Get rid of dump piles, tin cans, old tires and accumulated debris which breed flies and mosquitos and provide harbor for rats.
4. Provide a properly operated sewerage system and get rid of all surface toilets. Dr. Cox believes surface toilets constitute one of the major health hazards facing Texas.
5. Provide a source of pure water.
6. Protect food supplies in wholesale business houses, retail shops and in private homes.
7. Make regular inspection of all premises to see that no possibility exists for fly breeding. If you have flies, somebody is maintaining a breeding spot.
8. Garbage should be placed in fly tight garbage cans until time of disposal. Tubs, boxes, lidless garbage cans and the like are of no value.
Dr. Cox urged each home owner to assume responsibility for keeping his property clean inside and out. This will help protect you and your neighbor. More people have been struck down by polio this year than ever before.

He said it takes months and years to clean up a city, and that it takes forever to keep it that way. The program must be continuous. "It will take from one to five years really to clean up our larger cities," Dr. Cox says.
"This is the same program we have followed and published for the past ten years. People have got to get over the notion that spraying alone will keep their city fly-free," Dr. Cox declared. "The only way to kill flies is to do it methodically, block by block, by eliminating their breeding places."
"They carry many diseases—diarrhea, typhoid fever, cholera, trachoma, just to mention a few. I firmly believe that if this program is invoked, we'll see a lessening of polio incidence in the future."

Truck Safety Men Form Organization

An organization of the North Texas and Oklahoma Safety Supervisors association was completed in a two day session held in Wichita Falls last Saturday and Sunday.
Purpose of the organization is the pooling of information on safety and improving of safety practices. While directors and engineers were taking a special course at the University of Oklahoma in March they discussed such an organization and set the Wichita Falls meeting.
John B. Barbour jr. was one of the two guest speakers stressing the contribution such an association can make to improvement of safety in the motor transportation industry.
Next meeting will be held in Norman, Okla., in January. The O.U. extension division will supply a co-ordinator for the sessions. The group will meet semi-annually.
John Mixon, safety man for the John B. Barbour Trucking company, attended the organization meeting.

From where I sit... by Joe Marsh
Whitey Sure "Rang the Bell"
Telephone woke me out of a sound sleep last Friday about eleven-thirty. "This is Whitey Fisher out on River Road," says a voice. "I just wanted to tell you how much I like this week's Clarion."
"Thanks, Whitey," I told him. "But why in blazes call to tell me at this time of night?" "Simple," he says, "your paper boy just delivered it a short while ago. Been waiting for it all evening."
Next day, Bussy Wilson tells me he delivered Whitey's paper late because he stayed for the school dance and thought it would be OK to drop it off on his way home.
From where I sit, I can't blame Whitey for his joke. He was just reminding me we owe other people the same respect we expect from them. Since I'm always talking about respecting the other fellow's rights—including his right to enjoy a glass of beer if he chooses, it was only fair that Whitey should "wake me up" to his right to get his copy of the Clarion on time. Thanks again, Whitey!
Joe Marsh

Mr. and Mrs. E. P. Davis and family of Dalton, Neb., are visiting in Albany last Sunday with his parents Mr. and Mrs. W. A. Davis this week.

Mr. and Mrs. Cecil Marquart visited in Albany last Sunday with Rev. and Mrs. Francis E. Barnes and daughter.

Pre-Nuptial Party Given Mary Hackman

Miss Mary Gladys Hackman, bride-elect of Bobby Eugene Hibbs, was honored at a lovely miscellaneous shower at the Wichita Valley Farms community house Thursday evening, June 19.

Guests were greeted by a receiving line consisting of the bride-elect, her mother Mrs. B. C. Williams and Mrs. Virgil Hibbs, mother of the groom-elect.

Miss Mary Gayle Park provided soft piano music throughout the evening. Miss Mary Fortner presided at the guest register. Miss Janice Kight and Miss Naomi Baxter shared the duties of displaying the gifts.

The party room emphasized the bride's chosen colors of blue and white. The refreshment table was covered with a lovely lace cloth over blue, centered with miniature bride and groom, candles and ribbons. A crystal cake and punch service were placed at opposite extremities of the table with Mrs. Sam Winston of Wichita Falls and Mrs. T. E. Nolen serving.

Dainty refreshments were served to approximately 75 guests.

The Hackman-Gibbs wedding is to be an event of Sunday, June 29, at the South Side Baptist church in Wichita Falls.

Hostesses for the party were Mesdames T. E. Nolen, J. W. Haskins, Sam Winston, Herman Kight, Gale Ritchie, Roy Fortner, O. B. Nolen, O. B. Nolen Jr., Miss Naomi Baxter, Miss Mary Fortner, Miss Mary Gayle Park and Miss Janice Kight.

Slumber Party Is Farewell Courtesy

Artie Sue Mitchell, who is moving to Wichita Falls with her parents Mr. and Mrs. Herman Mitchell, was honored at a going away slumber party last Monday night in the Wilcox home. Lots of fun was enjoyed and a midnight snack was served to the group.

Hostesses for the party were Beverly Croft, Sandra Sue Banks and Susan Wilcox.

Artie Sue received a gold identification bracelet as a gift from the hostesses.

Enjoying the party were Roberta Butts, Joy Scott, Sharon Reed, Carolyn Welch of Texarkana, Carol McLenore of Seymour, the honoree and hostesses.

Your Congress

One question overshadows all others on Capitol Hill. Can Congress finish its business in time to adjourn rather than merely recess before the July conventions?

Most members hope so. None profess to know for sure.

Lurking in the background is the possibility of a special session after July.

If Congress does not perform to Truman's satisfaction before quitting for the year, he may call them back—as he did from the rostrum of the Democratic national convention on the night of July 14, 1948, in Philadelphia when he accepted the nomination for re-election.

That was just 24 days after Congress had adjourned at 7:14 on the morning of Sunday, June 20, when yawning Republican members took trains for their Philadelphia convention without having had a wink of sleep. The Senate had had to sit continuously for 44 hours and 14 minutes before being able to clear its docket to the satisfaction of a majority. Adjournment was with the provision that the Republican leadership of that 80th Congress, as well as Truman could recall the Congress.

The question of whether Congress can adjourn in time for the conventions arises now for the same reason it did in 1948—the backlog of unfinished business.

The steel strike also has been a factor.

The big snag is the appropriations bill—money to run the government during the fiscal year which begins next July 1. The two houses are arguing over the best method of reducing the federal payroll. The Senate favors a flat 10 per cent cut in agency payroll funds. The House prefers enforcement of a requirement that most agencies refill no more than one of each four job vacancies after July 1 until a total reduction of 10 per cent in employment has been achieved.

This argument is delaying the conferences of members of the House and Senate appropriations committees who are trying to iron out differences between House and Senate versions of the money bills.

The same argument arose last year and an obstinate House kept sending appropriations bills back to conference with demands that the reduction formula be applied. A compromise was not reached until October and, meanwhile, Congress had to grant government agencies several temporary spending authorizations—because regular authority stops automatically at the end of the fiscal year, June 30.

It is expected that this year's stubbornness will be tempered by desire for adjournment.

Most members would rather go home from Chicago and work at campaigning rather than return to Washington after the conventions. More than 20 states will not hold primary elections until after July. And most of those members of Congress who have passed the primary hurdle want to campaign for the November elections.

Should Congress recess and return after the conventions, it would be difficult to keep enough members on hand to get any work done, because of the desire or necessity

of many to be home campaigning. It has been difficult for the leadership of Congress to do this in the past few months chiefly because of primary elections in various states. And that has contributed to the situation that now makes adjournment by July 4 questionable.

There are optimists and pessimists in Congress where pre-convention adjournment is concerned. House Democratic whip Percy Priest of Tennessee, whose job it is to keep things moving, is among the latter. "I'd like to be optimistic, but I can't," he says. "There's just too much work left."

Soil Conservation

After trying "wild flooding" down the slope with the resulting poor water distribution, extra work and poor crops, Leo Knezek and Pat Pastusek applied to the Wilbarger-Wichita Soil Conservation district for assistance on irrigation problems. The assistance was given and they have recently completed 15 acres of conservation irrigation on their farm three miles east of Iowa Park.

They had never been able to do a satisfactory job of watering this field before. While they were doing a poor job of watering, it was also taking longer and was a lot harder. Knezek has irrigated since the system was applied and remarked that he saved about one third of the labor and it was a lot easier work. However, he says the important thing is the better job of irrigating that he can now accomplish.

This field was contour bordered with the side fall removed. Design of the system, location of ditches, turnouts, width and length of borders are based on the local capability of the individual soil unit.

Cane is now sowed on the field from which they will bale hay and leave the second cutting for a cover to seed alfalfa in this fall. By sowing an annual crop such as this the first year, they will be able to do the necessary maintenance and touch up leveling this fall. It will then be ready to sow to a perennial crop such as alfalfa. When field grading involves fills, the filled area will settle during the first year of irrigation. This requires some additional grading or floating after the first season.

The field has been and will continue to be plowed with chisel type plows and sweeps that do not throw the soil. Knezek said he wouldn't think of plowing an irrigated farm with any other type of tool, otherwise high and low spots will be developed and his system will become inefficient. They also plan to "strip" it and level each time after plowing.

Knezek stated that a crop rotation with deep rooted crops such as alfalfa, clover or grasses is a must in farming, especially so with conservation irrigation farming. This is sound land use and treating the soil in accordance with its

needs. The deep rooted legumes break up the hardpan and enable the soil to take and hold more moisture. They act as a sponge in the soil.

Watering must be done on schedule when needed, according to Pastusek. In order to make this need determination, the soil should be examined along with the plant. After the critical moisture point is reached in the root zone of the soil, it is usually a week or more before the plant shows it. Therefore, if watering is delayed until this time when the plant shows the need, shock may occur to the plant and response is slow. Soil Conservation Service technicians are rendering assistance to district co-operators in making these soil moisture determinations.

Knezek said he likes borders because of the good control he has of the water and because he can regulate the amount of water he needs to apply. Only the minimum requirements of water should be applied, yet it should be applied when needed. Over irrigation leaches plant food from the soil and may cause drainage problems. With this system they will also be able to hold all the rainfall, thus permitting it to leach out harmful salts and sweeten the soil.

Bride-Elect Honored With Shower Party

Miss Mariam Teal, bride-elect of Robert F. Malacord of Wichita Falls, was honored with a miscellaneous shower last Thursday evening June 19, in the Methodist church parlor.

Mrs. Tom Pace and Mrs. Charles Metz greeted guests while Miss Billie Lunch Harris presided at the bride's book. Miss Raydean Brown and Miss Alice Ann Copeland were on duty at the refreshment table.

Musical entertainment was provided by Miss Frances Bell, vocalist, and Mrs. Otis Gay, pianist.

The refreshment table was covered with a white embroidered linen cloth with a centerpiece of shasta daisies in a flat crystal bowl encircled by lilies of the valley entwined in blue net ruffie. A miniature bride stood in front of the centerpiece between two small aisle posts. Crystal candelabras holding white tapers were placed on each side of the arrangement.

The bride-elect and her mother Mrs. L. A. Teal wore yellow and blue colonial carnation corsages.

Hostesses for the party were: Mesdames E. H. Copeland, Carl Sullivan, Gertrude Bell Della Craft, L. L. Thompson, L. Lovelace, Hugh Thompson, Dave Gay M. O. Cheves, Bill Harris, Richard Abernethy, T. M. Black, Charles Metz, T. J. Pace, E. B. Taylor, and Misses Billie Lynch Harris, Raydean Brown and Roberta Hill.

Mr. and Mrs. Arch Dawson of Wichita Falls visited in the J. L. Belote home last Sunday.

Leonard F. (Jug) Davis, airman apprentice, USN, son of Mr. and Mrs. L. P. Davis of Iowa Park, is serving aboard the aircraft carrier USS Boxer with Task Force 77 in Korean waters. The Boxer is on her third tour of duty in the Far East. Her pilots have raided Communist supply lines throughout North Korea.

Mr. and Mrs. Davie Carter and daughters Loretta and Ilene Tulsa, Okla., spent the weekend visiting Mr. and Mrs. Swan Reaver and Glen of Valley View.

Little David Bruce Herrington, son of Mr. and Mrs. Billie Herrington, underwent an eye operation in Wichita Falls last week.
