Mother Birk Crowned Pioneer Queen; Rhea Howard Recalls Olden Times

Tuesday, Pioneer Day of the Fair is always the highlight of Iowa Park's big week. On that day the men and women who pioneered the area within 100 miles are honored guests of the Fair.

On hand to welcome and register the guests always are Mrs. Mae Tanner and her committee. As you look on it makes you proud to know that people like these folks had much to do with making North Texas and southern Oklahoma a good place to live and raise our families.

More than 1000 pioneers registered, attended the proceedings and ate delicious free barbecue served by the Electra Chuck Waggon Gang.

Two Wichita county residents were paid high honors. Mrs. Lucy Birk of Iowa Park was crowned Pioneer Queen, Rhea Howard of Wichita Falls, president of the Times Publishing company, was awarded a grand champion banner by T. Leo Moore.

Mrs. Birk was unable to be in the crowded auditorium to receive her crown. She suffered a stroke several years ago. But she waited in her car just outside, while Oral Jones, master of ceremonies and pioneer chairman, paid her a high tribute for her services to her family, church and community. He later went to the car and placed a shiny crown upon Mrs. Birk's head and pronounced her the 1956 queen.

Mrs. Birk came to Iowa Park as the bride of Charles Birk in 1891 and has resided here the past 55 years. She was the first president of the Iowa Park Mothers club, the forerunner of the present PTA here.

She is now an honorary member of the 23 Study club. She was active in the Presbyterian church and the choir as long as her health permitted.

Born Lucy Kilbourn on July 19, 1862, Mrs. Birk lived on a farm in Dallas county, five miles southeast of Lancaster until her marriage.

Her recollections go back as far as remembering Civil War soldiers returning from battles.

Her children include Ralph Birk of Wichita Falls, Ernest Birk of Iowa Park, Mrs. J. D. Hall of Wichita Falls and Mrs. G. S. Weenth of Vernon. She has several grand and great-grandchildren.

Mrs. Birk is known to her many friends as "Mother Birk." Friends young and old rejoiced with Mrs. Birk in receiving this honor.

Mr. Howard was the main speaker of the Pioneer Day program. He recalled the early days and contrasted yesterday and today.

Rhea's father Ed Howard published the Weekly Times in 1897, and in 1907 established the Wichita Daily Times.

Mr. Jones, in presenting Mr. Howard, said: "He is one man who is absolutely unafraid of the future of America, and he sponsors everything that is good, high and holy, in our newspaper."

Mrs. Tom Watson, queen of the Clay county old settlers reunion, was an honored guest.

Recognized as the oldest man was Rev. C. C. Davis, 95, of Iowa Park. Oldest woman present was Mrs. McNeil, 95, of Altus, Okla., a former Pioneer Queen.

John Herrod of Riverside, Calif., was honored as the man traveling the farthest to attend the Fair.

Mrs. Herrod also of Riverside, shared honors with Mrs. Ena Fox of Palm Springs, Calif., as women traveling the farthest.

Married over 60 years, Mr. and Mrs. W. A. Lee and Mr. and Mrs. J. Lindsey, were honored as the couples married the longest.

These pioneers were former residents of Iowa Park or now make their homes here.

Rev. M. P. Hines of Vernon and formerly of Iowa Park, offered the invocation for the gala occasion.

T. Leo Moore, vice-president of the Fair association, welcomed the pioneers.

Miss Sallie Mae Arwood of Wichita Falls and Mr. and Mrs. Royce Brown of Iowa Park provided music for the program.

Parade is Crowd Pleaser

The 1956 Texas-Oklahoma Fair opened officially Monday evening at 6:00 p.m. with one of the best parades in history. This spectacle was directed by John Mixon and Alan Berry, assisted by Wilburn Bedford.

A large crowd watched the colorful parade of bands, floats, riding clubs, clowns, bicycles and other things that make a parade.

A color and standard bearer due Electra led the parade through the business section of town on to the Fair Grounds.

Just behind was Rhea Howard, editor and publisher of the Wichita Falls Times and Record News, driving his 1907 Cadillac. Riding with him was Maj. Gen. Edward H. Wuite, commander of Sheppard AFB.

Following in order were: Mayor Bert Van Horn and guests in a convertible.

A marching squad from SAFB, Hill Motor company entry.

The 1957 high school seniors.

A yoke of oxen pulling a wagon owned by Bill Bristow, adding a touch of the Old West.

Cub Pack 37 with their mascot little Sandra Kay, daughter of Mr. and Mrs. Luther Skinner, dressed in a beautiful white Indian costume as princess of the tribe.

VFW float with the streamlined boat to be given away Saturday night.

ESA float "Who's That Knocking at My Door?"

Evening Lions with both their sponsored groups, Kid Baseball and the Camp Fire girls and Blue Birds.

Drum and bugle corps of SAFB, giving a good rendition of "When the Saints Go Marching In."

Army and navy entry.

Windthorst high school accordion band.

Midwestern freshmen from Iowa Park.

Midwestern ROTC drill team.

Noon Lions club float.

Ft. Sill precision drill team, one of the outstanding entries of the parade.

Mrs. Baird's bread entry.

Marines.

Three junior high bands (Zundy and Reagan of Wichita Falls and one from Electra) were competing in marching.

Riding clubs from Burkburnett, Vernon and Iowa Park gave much interest.

High school bands of Childress and Iowa Park.

Kids entries of floats, cars, bicycles, wagons, and tractors.

Clowns added a lot of gaiety and color.

Those receiving awards were: First: Riding club of Burkburnett.

Floats: Camp Fire Girls of Iowa Park; Windthorst accordion band; Noon Lions club, depicting its program of Sight Conservation and the Blind.

Kids: Awards were given for the five best: Larry and Karen George and Doug Burgoyne. Larry was driving a small tractor pulling a decorated trailer carrying Karen and Doug as bride and groom. "Just Married" was written on the sides, and tin cans and old shoes were dragging behind.

Tressa Watts and Debra Williams in a small covered wagon complete with cooking utensils, banjo and camping supplies, being pulled by Shetland ponies. The girls were dressed as trail blazers.

Dwight Cuthery in a homemade automobile.

Douglas Guthrie on the best decorated bicycle.

A cute and attractive pony cart riders have not been identified.

Alan Berry asks all kid award winners to come to the Rkyr Drug for their prizes.

Mother Dies at Burkburnett

Funeral services were conducted for Mrs. Id Reynolds of Burkburnett, mother of Mrs. O. H. Buzbee of Valley View, Saturday afternoon in the First Methodist church of Burkburnett. Rev. Felix Kindel, pastor, was in charge.

Burial was in the Burk cemetery. Grandsons served as pallbearers.

Mrs. Reynolds, a resident of Burkburnett for 30 years, died of a heart attack Thursday afternoon, Sept. 20, in a hospital in Seminole. She had left Burk on Saturday to visit a daughter Mr. and Mrs. Glen Sullivan in Seminole.

She became ill and was taken to the hospital on Wednesday and suffered the fatal attack Thursday about 4:30 p.m.

Mrs. Reynolds had been in ill health for several years.

Born Oct. 4, 1880 in Llano county she came to Burkburnett from Brown county in 1926. She was married to H. S. Reynolds at Burkburnett in 1896. He died in 1937.

Survivors include four daughters: Mrs. Sullivan, Mrs. Tom Key and Mrs. Tom Harms, both of Burkburnett, and Mrs. Buzbee; three brothers: Alfred and Raymond Bedford of Pittsburg, Calif., and Walter Bedford of Alice; a sister Mrs. D. H. Barker of Fort Worth; 13 grand- and 18 great-grandchildren.

Mrs. Orland Fitzsimmons and little daughter Kimberly Ann will leave Friday morning to join Mr. Fitzsimmons in Bowling Green, Mo., where he is teaching.

Kitchen Expert to Demonstrate Electric Cooking Methods

Mrs. Amy Walker, home service demonstrator for Wichita Falls district of the Texas Electric Service company, will be in Iowa Park on Oct. 9 to conduct a cooking school. Morning class is set for 9:40 and afternoon class at 1:40. Door prize will be an electric skillet.

Former Parkan Is Buried Here

Funeral services were held for David Franklin Stevenson, 73, of Dublin, Tuesday afternoon in the First Baptist church here, with Rev. Sid Martin of Wichita Falls in charge.

Burial was in Highland cemetery under direction of Tanner Funeral home. Pallbearers were nephews.

Mr. Stevenson died in a Wichita Falls hospital after a long illness. Born March 2, 1883 in Williamson county, he was married to Miss Ollie Grumbles in 1906. They came to Iowa Park about 1915 and lived here seven years before returning to Dublin.

Survivors include the widow; 4 sisters: Mrs. Maud Buchanna of Belton; Mrs. Della Means of San Antonio, Mrs. Josie Bloomfield of Fort Worth; Mrs. Alvena Wallace of San Saba; five brothers: Horace and Floyd of Sweetwater, Walter of Ink, Ark., Clifton of San Saba, Harmon of Lamesa; and several nieces and nephews.

Irrigation Expert to Speak Here

Dr. John Schrunk, internationally known irrigation specialist, will confer with farmers, businessmen and others interested in irrigation in Wichita county next week.

A tour of irrigated farms will be made in the afternoon. Those interested will meet at the Valley Farms Community House at 2:00 p.m. Oct. 4. From there the group will go to the Jack Martin farm, then to the Jack Ellis farm and finally to the Iowa Park experiment station.

A night session will start at 7:30 at the community house. Dr. Schrunk will discuss "Use of Irrigation Water for Profit," in which he will draw on his years of practical experience with irrigation in this country as well as abroad.

A question and answer session will continue as long as there is need for exploration and discussion.

CHEERY BLUE BIRDS

Officers selected by the Cheery Blue Birds are:
Carolyn Lowrey, president
Glenda Bee Smith, vice-president
Judy Holmes, secretary
Mabel Clapp, song leader
Cuesta Faye Miller, reporter
Leaders of the unit are Mrs. Gene Lowrey and Mrs. Floyd Merriam.

At the Sept. 19 meeting the girls were shown how to decorate cookies. After games and a singsong, the cookies were served with lemonade.

Others present were Glenda Lovell, Janice Sue Combs, Pat Blackburn, Sandra Sue Reid, Judy Mixon and Donna Sue Merriman.

Reflections from the Bible

By Roy Marcum, Minister Iowa Park Church of Christ

Baptism is not a work of human merit. Baptism is a command of Christ. Obedience does not eliminate God's grace and love.

In an effort to bolster the faith only theory and to escape obedience to a divine command, men mis-apply Eph. 2:9 which reads: "Not of works, lest any man should boast." Does Paul mean "Not of obedience to Christ?" Does he mean not of baptism? Certainly not! Such a conclusion would contradict the rest of the New Testament. By reading on in the same chapter (Eph. 2:14-16) it is evident that Paul means the works of the law of Moses. By the works of the law no man is justified. (Gal. 2:16). Is baptism a work of the law of Moses? No. It is a command of Christ. (Matt. 28:19).

However, God does accept works of obedience. "Then Peter opened his mouth and said, 'Of a truth I perceive that God is no respecter of persons; but in every nation he that feareth him, and worketh righteousness, is accepted with him.'" (Acts 10:34,35). This is the way Peter began his sermon. He concludes it by commanding Cornelius and his household to be baptized. (Acts 10:48). Therefore, baptism is part of righteousness with which one must comply to be accepted of God. Have you complied with this command? (adv)

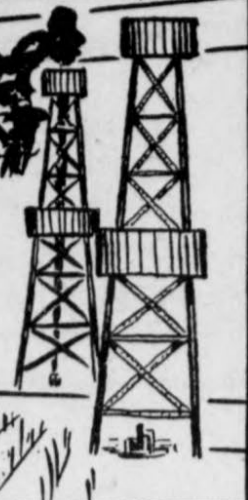

Elvis for the Fair

Elvis Presley, "rock and roll" idol of the nation's teen-agers, will star in his own show Thursday night, Oct. 11, in the Cotton Bowl during the 1956 State Fair of Texas. The appearance of the gymnastic young vocalist will be sponsored by Dallas Radio Station KLIF.

IT'S THE LAW in Texas

A public service feature of the State Bar of Texas

STOP FOR SCHOOL BUSES

Thousands of children are now trooping back to school. Many of them will be transported by school buses.

Most people are careful when approaching a school bus standing beside the road or school to pick up or discharge school children. However, we have already had a few bad accidents in Texas this year because a child or a motorist, or both, were careless at the wrong time.

Most Texans are aware of the law which requires a driver to come to a complete stop when overtaking from the rear a school bus which has stopped to receive or discharge school children. After stopping immediately behind the bus, he is then allowed by law to proceed past it at a speed "which is prudent, not exceeding ten miles an hour, and with due caution for the safety of such children."

What many persons do not realize is that the same rule applies when meeting a stopped school bus. While everyone is interested in protecting our children, unthinking violators of this simple safety rule greatly outnumber those who comply. Failure to follow the law can lead to fines up to \$200, even when no accident occurs. Following an accident in which some child is injured or killed, the penalties are more serious.

Although the above rule does not always apply when passing a stopped school bus in a business or residential district of a town, the necessity for caution in such locations is obvious.

When it comes to overtaking and passing moving vehicles, exercise of ordinary common sense will generally keep a driver within the law. For instance, when passing a car it is only common sense to proceed on past it a safe distance before cutting back to the right side of the highway. Also, any driver should realize the danger of increasing his speed while another is attempting to pass him.

In the same category is the prohibition against passing on the right under most ordinary conditions. Of course you may legally pass on the right in a few specific instances, such as when the vehicle overtaken is making or about to make a left turn, or upon a one-way street with two or more lanes, or upon a four-lane highway.

However, our traffic laws state that even when passing on the right is allowed, it shall be done only under conditions permitting such movement in safety. And, in no event should such passing be accomplished by driving off the pavement or main-traveled portion of the roadway.

Familiar to all are the no passing zones designated by dash lines on one side of the center stripe on our highways. Not so well known are the restrictions against crossing the center line when approaching within 100 feet of or when traversing any intersection or railroad grade crossing.

A driver should never cross the center line of a highway when the left side of the road is not clearly visible and free of oncoming traffic. Generally speaking, when not engaged in passing another vehicle, one should not drive to the left of the center of the roadway.

DO NOT SHOOT ANY LARGE WHITE BIRD

Once again a little band of great white birds—the last flock of wild whooping cranes—is preparing for the long hazardous journey south to winter quarters. At last report there were 25, and their great danger is that of being shot while making their trip south. All hunters are asked not to shoot at them.

Mrs. Aubrey Kelson and little daughter of Perryton and Mrs. Goble Lee Mitchell of Canadian were recent guests in the home of Mr. and Mrs. Earle Denny.

Mrs. Amy Walker, home service demonstrator for Wichita Falls district of the Texas Electric Service company, will be in Iowa Park on Oct. 9 to conduct a cooking school. Morning class is set for 9:40 and afternoon class at 1:40. Door prize will be an electric skillet.

Former Parkan Is Buried Here

Funeral services were held for David Franklin Stevenson, 73, of Dublin, Tuesday afternoon in the First Baptist church here, with Rev. Sid Martin of Wichita Falls in charge.

Burial was in Highland cemetery under direction of Tanner Funeral home. Pallbearers were nephews.

Mr. Stevenson died in a Wichita Falls hospital after a long illness. Born March 2, 1883 in Williamson county, he was married to Miss Ollie Grumbles in 1906. They came to Iowa Park about 1915 and lived there seven years before returning to Dublin.

Survivors include the widow; 4 sisters: Mrs. Maud Buchanna of Belton; Mrs. Della Means of San Antonio, Mrs. Josie Bloomfield of Fort Worth; Mrs. Alvina Wallace of San Saba; five brothers: Horace and Floyd of Sweetwater, Walter of Ink, Ark., Clifton of San Saba, Harmon of Lamesa; and several nieces and nephews.

Mrs. Herman Kight, Mrs. I. L. Alvey of Iowa Park and Mrs. Terrell Fillner and son Mike of Wichita Falls went to Hobbs, N.M. last week to visit with Mr. and Mrs. David Shumaker and family. The Shumakers have a new son Jimmy Lynn, born Sat., Sept. 15; and two other children David Lee and Pat-sy. Mrs. Shumaker is the former Miss Neva Alvey of Iowa Park.

It rained Tuesday morning—after some thunder about 11:00 p.m. Monday. The rain actually arrived about 1:30 a.m.

Baptists Plan Busy Week

By Homer W. Thompson

Monday, Oct. 1, which is the regular monthly meeting day of the WMU of the First Baptist church, all elected and appointed officers of the organization are urgently requested to meet at the church at 9:30.

Mrs. R. R. Brubaker, retiring president, will conduct the business session. Highlight will be installation of officers, conducted by Mrs. Homer W. Thompson.

This will be only a morning session, and a good group is expected to be present.

Every worker and anyone interested in young people's work is invited to attend the Young People's Clinic to be held here at the First Baptist church in an all day meeting here Tuesday, Oct. 2.

Outstanding speakers will assist with conferences in the various phases of the work. The clinic is sponsored by the Wichita-Archer Baptist association.

Paper sack lunches will be brought by conferees, the local church will furnish drinks and dessert.

The architect, Mr. Andrews, tells us that the bids on the cost of the new educational building will be ready for the building committee to open and consider on Oct. 2 at 7:30 p.m. at the church.

A conference of the church is being called for Wednesday, Oct. 3 at 8:00 p.m. for the purpose of hearing the recommendations of the building committee, and accepting, changing or rejection of the suggestions made about the construction of the building. This is necessary since the governing

congregation has final authority to authorize construction.

If the plans are approved by the church, construction is expected to begin immediately, perhaps by the middle of October. Tentative construction time is estimated at about 90 days. If this is true, the church would occupy the building about the first of February 1957.

The proposed building is of solid brick construction. Fireproof throughout. Year round air conditioning and heating. It is to house five Nursery departments, two Primary departments and one Beginner department.

The space now being occupied by those departments is to be redecorated and revamped to accommodate one new Adult department and one new Married Young People's department, both with assembly room and class rooms.

If the construction is approved by the church, it is anticipated a Ground Breaking Ceremony will be held on Sunday afternoon, October 6.

Brotherhood of the First Baptist church has set the date for the annual "103 Roundup" for Monday night, Oct. 1, and a real barbecue dinner will be served with all the trimmings.

Program committee will offer an interesting program and some good oldtime singing will pep up those attending. Highlight will be an after-dinner speech by Dr. Thomas H. Taylor who for many years was president of Howard Payne college at Brownwood. Acquaintances of Dr. Taylor say "Nuff said, I'll be there." Every man of the church will want to attend this meeting, or they'll miss something.

Buck Voyles, Clyde Patterson, Leslie Clapp, Perry Blaylock, Gene Johnson, Sam Hill, Walter Scott, Randall Pierce, Lester Brooks, Homer Blalock, Everett Sewell and Avery Hooten will see that plenty food is available and every man is well served.

Sunday, Sept. 30, has been set for annual Promotion Day services in the Sunday School departments of First Baptist church.

Many will be promoted from one class to another; there'll be new faces in various classes and departments; some new officers and teachers here and there.

Diplomas of promotion are ready for the pupils due to progress another step. New literature will be distributed for another quarter.

Every boy and girl, man and woman of the church will want to be present for this service; a record attendance is expected.

Visiting Mr. and Mrs. Roy Lakey this week were a brother-in-law Hubert P. Davis of Los Angeles, Calif., and cousins Mr. and Mrs. Charles Phillips of Swink, Colo. The Phillipses lived in and near Iowa Park in 1906, so Pioneer Day at the Fair they renewed many old acquaintances.

THIS IS WHERE TOMORROW STARTS

"A new 'inner car' gives you a NEW KIND of FORD for 1957! Coming October 3rd.

On Wednesday, October 3rd, Ford Dealers throughout the United States will unveil a new kind of automobile!

Cars are involved in every American's life. News of a new kind of car is the biggest kind of news to millions of Americans.

The Big New Kind of Ford is that kind of news... a car totally new in design from crest to trunk lock.

This completely new automotive package will sell at the traditionally low Ford prices.

This makes possible a new high standard of such honest-to-goodness value that it actually increases the purchasing power of your automobile dollar.

When you see it, other cars will look out of date, because...

This is Where Tomorrow Starts... with a Big New Kind of Ford!

The New Kind of Ford is the fullest, most eloquent expression of Ford's special personality—the youthful grace, the whiplash action—and the reputation for durability known wherever there's a road.

To all this we have added true elegance—a kind of elegance never before seen in the low-price field. To make a car truly elegant, you must start deep-down inside.

The New Inner Ford

The Inner Ford—the car you cannot see—is a very remarkable structure. Its frame is actually a cradle. Side members extend almost the full body width; they serve not only as supporting members but as concealed side bumpers of immense strength.

The New Ford Body

The new Ford body is a triumph of engineering in steel. The doors close with the solid finality of a bank vault. Even the door-lock button has been moved up front—easier for you to reach, but out of the children's reach.

All these features were engineered to give you a solid new kind of comfort.

The New Ford Ride

The New Kind of Ford sits six people as no other low-priced car has ever sat them

—six elbows wide in each seat, with deep space around each one of six knees. And above all that space, there's hat room to spare for all six passengers.

The 1957 Ford rides low, solid, with a firm, deep road-holding feel. Yet it's a light-hearted, flight-hearted ride—this car is responsive, nimble, agile, with a proud easy movement.

The New Ford Choice

Ford offers not only one, but two sizes of cars... each on its own extended wheelbase... each with its own body shell... each with its own styling.

First, the two Fairlane Series on a 118-inch wheelbase. The Fairlane 500's come in 3 body types, a four-door sedan, a two-door sedan, a two- and four-door Victoria with no center pillars, and a convertible coupe. The same body types (except for the convertible) are available in the Fairlane Series.

Second, two Custom Series mounted on the 116-inch wheelbase chassis. In the Custom 300 Series, a four-door and a two-door sedan are distinguished from the Custom models by more luxurious inte-

riors and elaborate trim. The Custom Series also includes a Business Sedan.

Beyond all these, you also have your choice of five Station Wagons—the famous glamour cruisers that are the champions in their field!

The New Ford Look

That low, low cradle-span frame means a low, low car. The Fairlane 500 is only four feet eight inches from road to roof! The Custom is just over four feet nine inches!

The new Ford is not only low—but long. Ford gives you more than 17 feet of elegant length in the Fairlane Series, a shade less in the Custom. It's a nice kind of fun just to look at it. It's high-priced in every way except price.

The New Ford Performance

You can have up to 245 wonderful Thunderbird horsepower in any Ford model. There's a moderate—and really moderate—extra charge for this engine of 312 cubic inches with its 4-barrel carburetor.

For "Six" lovers, we've got the 144-hp Mileage Maker Six. Whether you choose Six or V-8, the going is great!

Here is where your own tomorrow starts

It starts at your Ford Dealer's showroom!

The cars will be there on Wednesday, October 3.

These are the best Fords of our lives.

They are the first symbols out of Detroit of the new automotive age that is beginning for you.

This is where tomorrow starts—at your Ford Dealer's.

This is when your tomorrow starts—October 3rd.

Come in and see us for the Big New Kind of Ford!

From where I sit... by Joe Marsh

Changed Her Whole "Point of View"

Some local high school teachers spent the summer taking courses at the State University. They learned a lot, but one of them—Miss Williams—got homesick.

"To save expenses," she reports, "we chose a hotel that was clean but grim. When I found my window looked out on a coal yard—my heart just sank!"

But, when Miss Williams noticed a pot of geraniums on the window sill—and a note saying "Look at these instead. (signed) Last Occupant"—she decided to take it out. She kept those flowers

watered and tended to make things that much easier on the next occupant.

From where I sit, it's often hard to adapt to new surroundings—just as new customs often seem strange to us at first. For instance, if you've always had tea with your meals you might find it odd that I prefer a glass of beer. It's OK to prefer what's familiar to you . . . but also keep an open mind on what's not.

Srs.

Some of the Srs, sponsors and room mothers really worked cleaning the Sr stand and getting ready for the Fair. Carol and Janice were the only girls to show up, but practically all the boys were there and worked hard, I hear. The rest of us Sr girls better get on the ball.

We missed Mrs. Owens and hope she is better. I knew we were giving her quite a time, but I didn't realize we would make her sick.

Has everyone noticed the ring on Ann V.'s finger (I'm not talking about an engagement ring)? Ann, have you been holding out on the rest of the Sr girls?

Darlene, who's the lucky fellow that got the good picture of you? Don't tell us it belong to your father!

Everyone certainly enjoyed the party after the Burk game. About 150 students were at Mrs. McDonald's to eat, talk and rest. We all want to express our appreciation to all the mothers and Mrs. Mc for the fine party.

Enjoy the Fair and eat at the Sr stand. We'll see you.

Presbyterian

Young people of the Presbyterian church met recently and chose officers for the remainder of the year. Chosen were Malcolm Berry, president; Peggy Weiss, vice-president; Portia McManus, treasurer; Mary Shook, reporter.

The young people gave the vesper service. Participating were Portia McManus, Peggy Weiss, Donald Richter, Malcolm Berry, Lawrence Shook, Junior Jenkins, Francine Faulkner, Sue Bedford, Linton Lowrance, Jerry Robinson and Mrs. Gale Lowrance. Three juniors helped with the program and joined the group for refreshments. They were Beverly Birk, Margana Whitaker, Mable Clapp.

Since the church lost its pastor, the young people have been led by Mrs. Lowrance. We wish to express appreciation for her work and for making it so interesting.

Next week we plan to install our officers. All are invited to come and join us.

Importance of Chest X-rays

Stressing importance of yearly chest X-rays for all adults, Dr. William L. Powers, president of the county medical society, points out that at least 800,000 Americans are living today with tuberculosis that has been converted from an active to an inactive status.

Dr. Powers warned that "none of the new drugs kills all the tuberculosis germs in a patient's body although they do slow up multiplication of germs. Unless the utmost precaution is taken, there is always danger that tuberculosis will flare up and the individual will become infectious again."

There are more than 150,000 Americans suffering from tuberculosis whose disease has never been reported and who are not under medical care.

Tremendous progress has been made in saving lives of patients, but progress in preventing the disease has been relatively slight because the people do not realize the importance of an annual examination.

Dr. Powers cautioned that an X-ray every year—for every adult—is the best way to find tuberculosis in its early curable stages and also to prevent new cycles of infection.

Free X-rays will be made in Iowa Park on Oct. 16 and 17. All persons 15 years of age and older are urged to take part in the chest survey.

Jrs.

I heard a member of the Lucky Seven is trying to blackmail a Sr boy. Red is sort of in on it too. Do you think it can be done, Potts? We do!

Our Jr cheerleader Linda Holmes has been going to Electra quite a bit lately. Are those sock-hops fun? Jrs sure do like the Srs' picture in the paper. We think our class would make good copy too.

Everyone really enjoys those 5th period geometry classes of which Mr. Fuicher is teacher. For instance, the drawing class Mr. Fuicher and Monroe had at Monroe's desk seemed funny to all the boys.

Tiny and Tommy come into class looking happy every morning. I wonder what happens while they're griving around.

This year we have five Jrs in the band including Kay and Maggie as majorettes. Good going, gals. Monday we selected red and white as class colors.

Well, guess I'd better buzz off.

PTA

"Palate Tickling Aids" is the name that has been chosen from more than 80 entries for the Parent-Teacher association cook book. The title was submitted by Mrs. Keith Blalock, who said she submitted the name because it would serve to keep the name of the association which compiled the book before those who use its recipes to add in tickling the palates. Judges were Mrs. John B. Bannour jr., Oral Jones, Bailey Meissner, Maurice Whitehill and Fred Kidwell of Wichita Falls. All entries were typed and numbered and given to the judges with no names attached.

According to the judges, many clever and significant names were submitted and they devoted much time to the selection of a name. Mrs. Blalock will receive prizes from 26 local merchants for submitting the winning title.

The PTA cook book committee will meet Tuesday night, Oct. 2 at 7:30 in the home of Mrs. Stanley Williamson. Other members of the committee are Miss Ethyle Kidwell, Mrs. Cecil Marquart, Mrs. D. O. James, Mrs. Ed Patterson, Mrs. R. E. Waters, Mrs. DeLois Lee and Mrs. Chauncey Weiler.

Recipes will be accepted through Oct. 1. Mail them to any member of the cook book committee or place them in the box at the Iowa Park Cleaners.

Rev. and Mrs. Jim Hooten of Mineral Wells announce the birth of a daughter Dee Ann on Monday, Sept. 24, weight 7 1/2 lbs. Hooten is pastor of the Baptist church of Salesville. A former Iowa Park boy, he is the son of Mr. and Mrs. Avery Hooten of Route One.

Tuberculosis of the Lungs

In the current campaign for chest X-rays many people will be examined and then receive a letter advising them of the findings and

outlining further steps to take. Not one of these people will be advised to have their spine examined and corrected, so consider the following case history:

Case No. 878, female, age 29, was diagnosed tuberculosis of the lungs after a chest X-ray and follow-up laboratory tests. The case was well advanced when diagnosed and the symptoms were well defined. Confinement in a state TB sanatorium for more than a year convinced the family of this lady that no progress was being made in her case. Upon advice of friends she was taken from the sanatorium and placed under chiropractic care. Soon after, her husband and children moved with her to this city so that her parents could care for the children during her recovery and it was thus that this case came to the attention of this office. Today, this lady is reunited with her family and performing her duties as wife and mother. All symptoms have been resolved and she enjoys complete health and freedom from fear. She and her family are grateful and thankful that they turned to Chiropractic in TIME and had spinal X-ray made to reveal the true CAUSE of her tuberculosis of the lungs.

Beaver Creek Reunion

Rev. C. C. Davis, Mmes. Otis Gay, James Stewart, M. R. Felty of Iowa Park were among those present Monday for the annual Beaver Creek Reunion.

Descendants of the founders of Beaver Creek cemetery, the Marvin Hamilton chapel and Beaver Creek school gather each year for the homecoming and memorial service. This event is sponsored by the Beaver Creek Cemetery association, which was organized in 1948. George B. Ansell jr., son of early settlers, is president. Miss Lida Wilkinson, who was the last teacher of Beaver Creek school before it was consolidated with Electra, serves as secretary.

Rev. William Hamilton, son of the late Mr. and Mrs. J. T. Hamilton, preached the memorial sermon. Rev. Foy Thomas of Electra offered the invocation.

Two well known and loved former Methodist ministers of the Beaver Creek community, Davis of Iowa Park and Rev. E. H. Coburn of Electra, spoke briefly of their early day ministries at Beaver Creek. Mrs. R. J. Bradley jr. of Beaver Creek had charge of the memorial service. The picnic dinner was followed by a fellowship hour.

Roy Lakey was injured last Friday when he became entangled in an engine on one of his leases. Luckily the engine stopped and the injuries were not too serious.

6th GRADE 4-H CLUB

Girls of the 6th grade met recently and organized a 4-H club. Officers are: Patsy Henderson, president; Janet Temple, vice-president; Elaine Sawyer, secretary; Betty Engledow, reporter; Faye Via, Council delegate. The girls also discussed their work in the 4-H booth at the T-O Fair.
