Paul Ahlstedt, administrator of Wichita General hospital, was special guest speaker at Lions club Tuesday, introduced by Dr. Gordon

Ahlstedt said the first hospital on record was built in Greece about 600 BC. In the first cenutry many hospitals were built in Europe and one of them is still in use in Paris.

First hospital in the States was erected in Philadelphia in 1751 with Ben Franklin helping found it and serving on the board of directors. Now, Paul said, 7000 registered hospitals are in the USA with some 1,300,000 employees serving 21 million patients and bringing 3,500,000 babies into the world last year. Hospitals have 185 job classifi-

cations in 26 departments and job opportunities are unlimited. the payroll, which was \$800,000. The ning. food bill was \$100,000, electricity cost \$30,000, gas \$6,000 and phones

served. The hospital accommodated over 11,000 patients and was the birthplace of 2500 babies.

Dan Barnes was voted into club membership and was immediately given responsibility for the pro-

gram next week. Guests were Gene Stewart, new junior high football coach; Doc Wilson, publicity man for the Fair carnival; Gene Bybee of Dallas. comed back from a vacation.

Evening Lions were hosts to their wives Tuesday night when Ladies Night was held in the First team; the Iowa Park band; various Chrustian dining room. Jimmy Stewart, president, was in charge and called on M. A. Clark for the

invocation Lion D. L. Ligon, vice-president of Midwestern university, was the afterdinner speaker, introduced by Doc Waters. In his humorous and informal talk Ligon said "Iowa Park is your town-live by itstand by it." He complimented the Evening Lions on the work it is been working hard to give to the doing for Camp Fire girls and Kid Baseball.

F. E. Hill reported on the Camp Fire work. The club is giving a picnic for Kid Baseball players and their families in the City Park at 6:30 p.m. Tuesday, Sept. 18. Each family is to bring a picnic basket. The club will furnish cold drinks. The trophy and plaque will be presented to the boys at that time. A zone meeting is scheduled for

Monday evening, Sept. 17 in Wichita Falls. Members of the club volunteered to assist in parking cars at the

Burglars

Charlie Metz reported to police Saturday that his lumber company office was burglarized sometime made from well out in the field, Friday night, with the resulting two on running plays, one on a loss of a clock radio, a portable radio, another radio, an electric mixer, two electric irons, two claw hammers, a box and a half of cigars and 12 tickets to Hawk football games.

At last report none of the items had been recovered.

Iowa Park played host to Electra last Friday night with a large a member of the Homemakers attendance from both towns to he stepped off into a deep hole. club. Mrs. A. M. Carter or Mrs. witness the first football game of Bob Chesher, who will assist in the season for both the Hawks

Players were as nervous as fans 7 point lead on the fifth play of responded. the game when Fullback Bill More curried 34 yards with a pitch-out. Iowa Park counted twice in the second period for a 13-7 halftime

Halfback Donnie Todd plunged two yards for the Hawks' first score of the year. Norman Marquart latched on to a deflected pass thrown by Harvey Klinkerman and stepped across into paydirt to put the Hawks in the lead. After the rest period, Electra took advantage of a Hawk fumble to tie up the game.

Just before the third quarter ended, the Hawks started on their 72-yard scoring march, Donald Daugherity and Marquart shared in catching Klinkerman's passes. Todd and Malcolm Berry combined in piling up short yardage to keep the move downfield alive.

Defensive honors were won by James Low, Douglas James, Randal Pierce, Gerald Clements, Klingerman and Daugherity.

These grades were overcrowded at the beginning of Mrs. LeRoy Carter is receiving school, and with the late enrolltreatment at Wichita General hos- ments offer a hardship on both week and will have surgery next the teachers and pupils.

School News

Regular monthly meeting of the Iowa Park board of education was held at 6:30 p.m. Tuesday in the superintendent's office.

J. W. Thomas Service Station was awarded the gasoline contract for the school buses. The board filed the rest of the bus service

report for further study. The first semester grocery bid went to Black's Market.

Latter part of the meeting was devoted to making selection of brick to be used on the new gymnasium and band building.

Officers of the board are C. E. Birk, president; Miles Thompson, vice-president; Albert May jr., secretary. Other members are Elvy Sargent, T. C. Berry, Alan Berry and Jim Miller.

The board meets each second Tuesday of the month at 6:30.

Soil Bank Money

Funds amounting to \$221,200 are allocated to Wichita county to fi- to the local fund our children and nance Soil Bank operations, for wheat under the acreage reserve Byers since 1918 and was employed phase, Bob Crocker, ASC office manager at Iowa Park, says.

This will take care of some 20,000 acres, about half the county allotday at the Byers Methodist church ment. This money will be used on a first come first served basis, he announces.

1957 wheat acreage reserve contracts are now available and can be signed until Sept. 21 but not later.

The program is strictly voluntary. To participate the farmer must have a 1957 wheat allotment and agree to underplant his 1957 allotment. Crocker cited the following ex-

ample: A farm may have an 80acre allotment with a rental rate of \$9.50 an acre. The operator agrees to enter 30 acres in the Soil Bank. He would then plant only 50 acres and would receive \$285 for the 30 acres he didn't plant. He must designate the 30 acres entered, not graze the acreage from Jan. 1, 1957 until Jan. 1, 1958, and not harvest a crop from that land Miss Ethyle Kidwell, principal during the same period. And he

week for a back injury.

United Fund Committees Are Named

The United Fund drive is on. Wayne House has announced the special advance gifts committee, the service clubs and churches chairmen and the out-of-town em-

ployed personnel chairman. Special advance gifts are being solicited by F. E. Hill, Luther Shaw, John B. Barbour, Dr. Gordon G. Clark, Jimmy Stewart, C. E. Birk, Arch Hughes, Alan Berry,

Morris V. Jacks, Richard Hill. Mrs. Jesse McCullough is serving as chairman of the service clubs and churches committee.

Tom Nolen is to serve as chairman of a committee to contact the Iowa Park people who work out of town, but reside here.

Mr. House points out that such people should give in Iowa Park ecause the fund includes Iowa Park's quota for Boy Scouts, Camp Fire girls, USO, Welfare and Kid Baseball. Our area has a quota of \$4600 and if these workers give other local causes benefit from it. Each contributor will be given a receipt which he can present where he works. The place of business will then be given credit toward 100 per cent in donations.

WASHINGTON, D.C. September 13, 1956 3:04 p.m.

Iowa Park Herald: Department of Agriculture has announced Wichita County designated for making emergency loans through Dec. 31, 1957. Related to

those farmers who have suffered losses as a result of drought. Full information and application forms may be obtained from county office of Farmers Home Administration. Also time of participat-

ing in grazing program has been extended to Dec. 31, FRANK IKARD Member of Congress

Dewey Steed.

The volunteer fire department has a new member. Rodney Lewis Gibbons Brubaker was admitted Singleton put in his appearance to Wichita General hospital last Sunday morning at Wichita General hospital (all 8 lbs.). His parents are Oscar and Pat Singleton, and he has a little sister Debbie.

Rodney Lewis' daddy is a mem-

ber of the fire department and

treated fellow smoke eaters to

fine cigars Monday night at their meeting. Grandparents are Mr. and Mrs. Elmer Singleton and Mr. and Mrs.

Reflections from the Bible

By Ray Marcum, Minister Iowa Park Church of Christ

Paul declared that 'There is one Paul declared that "There is one body" (Eph. 4:5), and that the church is his body (Eph. 1:22,23), therefore there is one church. He also said there is "but one body" (I Cor. 12:20). Can we be wrong in sticking with what the Bible says?

Some consider us narrow because some consider us narrow because we will not fellowship error. Listen to the word of the Lord, "Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ he hath both the Father and the Son. If they the Father and the Son. If they come any unto you and bring not this doctrine, receive him not into your house, neither bid him God speed. For he that biddeth God speed is partaker of his evil deeds" (2 John 9-11). Did he know what he was talking about? Certainly he did recause he wrote by divine

guidance.
The followers of Christ were called "Christians" (Acts 11:26; I called "Christians" (Acts 11:26; I Pet. 4:16). Do you wear this name? If not, why not? All who love the truth of God will admit this name is scriptural and right. (Except the Jews and heathens.) All can and will accept this name; but all will not accept human names. Hence, to be just a Christian and a Christian only and refuse all human to be just a Christian and a Christian only and refuse all human names, is a much broader position than to adda human name of some sect that other religious people will not accept. Is that right?

take membership dues at the Get Farm Leaders to Methodist News Be Chosen

Election of community committeemen for the Wichita County Agricultural Stabilization and Conservation Service has been set for Wednesday, Sept. 19, Bob Crocker, office manager, has announced.

Ballots will be cast by mail. Official forms have been mailed to each eligible farmer and his wife. On each ballot are names of 10 nity election committee. Farmers den Cole, will vote for five, though write-ins will be accepted.

The five receiving the most votes will make up the 1957 Community ASC Committee, with the top man as chairman. The chairman and vice-chairman will serve as delegate and alternate to the county convention held for the purpose of naming a county committee.

Nominees for Iowa Park community are George Bishop, Cecil Longley, Elgin Denny, Hoyt Watson, Frank Foster, Richard C. Fritsche, Oscar J. Goetze, Henry T. Wolf, H. B. Klinkerman and Walter Kaspar,

X-rays Due Soon

Mrs. Gibbons Brubaker has been appointed chairman of the Chest X-ray program in Iowa Park, Oral Jones is general chairman for the

She will have charge of working out schedules and clerical duties by volunteers from various clubs and organizations.

Boy Scouts will assist by distributing posters in the area. Members of ESA, 23 Study club, VFW Auxiliary and the local PTA will serve as helpers.

Sponsored by the county tuberculosis association, the free service is for everyone 15 years of age and older. Machines are furnished by the state department of health.

X-rays will be made in Iowa Park on Tuesday, Oct. 16 from 1:00 to 5:30 p.m. and on Wednesday, Oct. 17 from 8:30 a.m. to 5:30 p.m. The location is to be named later.

Mrs. Brubaker, Supt. Keith D. Swim and Dr. William Huddleston will represent Iowa Park at a luncheon in Wichita Falls this Friday in the interest of the X-ray

"How to Accomplish the Seven Quadrennial Goals" and "To Commit Myself" were the subjects presented in circle meetings of Methodist women Tuesday morning.

Circle I met in the home of Mrs W. C. Albright with Mrs. Jay Laible as program leader. Assisting were Mrs. Richey Abernathy and Mrs. W. M. Owens. Others attending were Mmes. S. B. Keeter, Glenn Miller, Fenton Dale, Gene Lowrey, nominees, selected by the commu- Scott Morris, Fred Widmoyer, El-

Circle II met in the home of Mrs. F. E. Hill. Mrs. W. E. Stockton was program leader with the help of Mrs. C. J. Thurber and Mrs. Miles Thompson. Others present were Mmes. T. R. Horine, B. D. Shook, D. O. Smith, S. L. Denny, W. F. George, Carl Sullivan, Travis Hill, Herman Mahler.

Circle III met in the church with Mrs. Betty Griffin and Mrs. Julia Berry as hostesses. Mrs. Mary Clark was program leader. Also present were Mmes. Carlene Bennett, Mary Mixon, Edith Willcutts, Ada Christian, Ione Roberts.

Mrs. Roberts, who is moving to Oklahoma, was presented a farewell gift.

Pioneers Study Personality

Topic for the Pioneer Fellowship Sunday evening was "Character vs. Personality." Guest speaker was Mrs. Mary Zion, teacher in the elementary school. Her talk was informative and inspirational in telling the group their duties as Christians not only in school and its activities, but in life as a whole.

Mrs. Lowrance directed a quiz "Character vs. Personality," each one scoring his own card.

Present for refreshments were Peggy Weiss, Lawrence Shook, Donald Richter, Junior Jenkins. Malcolm Berry, Linton Gale Lowrance, Mary Shook and four visitors: Sue Bedford, Lenora Brown, Joan Archer, Jerry Robertson; and two juniors: Beverly Birk and Sue

The young people had charge of resper services at 7:45, which featured a panel discussion "Past -Present - Future."

Within the next ten years alone, the United States will need a minimum of 8,000 physicists in the highly specialized and boom-ing fields of chemical and solid state physics alone, declares Dr. Robert G. Breckenridge, director of the new Parma, O., research laboratories of the National Carbon Company, a division of Un-ion Carbide and Carbon Corpora-

Solid state physics, an important area of research at the laboratories, is one of the new fron-tiers of modern science, Dr. Breckenridge explains, and is concerned with the study of sol-ids by modern physical methods and represents a new order of finesse in the development of ma-terials for the metal, electronic, power, chemical and electrochem-ical industries.

specializing in the broad and increasingly important area that includes chemical and solid state physics. During the 1930's, by sharp contrast, it is conservative-ly estimated that there were only about 100 physicists in this field." "We shall need 4,000 additional

solid state physicists to develop new chemical processes, increase appreciably the efficiency of present processes, and extend new discoveries in electronics. Above all, we shall need them to obtain the basic physical knowledge without which these advances and the progress of science itself

-would be impossible. "Today, more than ever before, ndustry recognizes that technological achievement depends on basic research. National Carbon's new laboratories at Parma have been designed to provide the at-mosphere and facilities for basic "At present, there are about 16,500 physicists in the United States," Dr. Breckenridge says. "Of the total, about 4,000 are been designed to provide the atmosphere and facilities for basic research, and to decrease the time lag between laboratory discovery and practical application."

Does Your Child Suffer with Asthma

If so, read about this child and what happened to him under Chiropractic and then ask yourself: Have I done all that is possible to solve my child's problem?

case No. 1237, a boy, age 10, was brought to this office and this simple case history was given: "ASTHMA SINCE BIRTH." But behind these three words was a history of suffering and anxiety by the child and his mother. Repeated efforts to find a solution to this child's problem was to no avail.

Spinal analysis, including X-ray pictures, proved that a spinal fault existed which was disturbing the nerves and preventing normal function. A correction of this spinal fault was started and, today, this lad is enjoying a life free from asthma and the years of suffering and anxiety are an unpleasant memory.

So if your child is sufferig from asthma do not fall to include Chiropractic in your efforts to obtain a solution for your child's difficulty.

Experts Tell How To Reduce Cost Of Water Heater

To keep the operating cost of a water heater down, the Cole-man Company, a heater manu-facturer, makes these sugges-tions to householders:

1. Set the operating tempera-ture no higher than 140 degrees Fahrenheit. Excessive water temperature is a principal cause of scale formation inside the tank, and this reduces the efficiency of the water heater. The rate of scale formation at 160 degrees is 31/2 times as great as

at 140 degrees.
2. Every two weeks, draw water through the heater drain cock until the water runs clean. This removes sediment. Whenever sediment accumulates at the bottom of the tank, it builds up a layer of insulation. For the heat of the burner flame to penetrate this layer, the burner must operate longer. Coleman engineers point out that this in-

creases gas consumption.
3. Insulate long runs of pipe. After hot water is drawn from a faucet, some remains in the pipe. In a non-insulated pipe, this cools rapidly. Insulating the pipes reduces the loss.

Scientific Nibble, Anyone?

There's probably no group of people who are greater weight-watchers than actors and actresses, whether they are in Hollywood, Milan, Tokyo or on Broadway. Here movie and TV star—and one of Hollywood's leading citizens—Ronald Reagan is about to enjoy a mid-morning cup of coffee. Like most of his fellow thespians, he has found that eating between meals gives added energy and actually helps to curb the appetite. Today, nutritionists are calling this type of snack a scientific nibble.
