Reflections from the Bible

By Ray Marcum, Minister Iowa Park Church of Christ

Realizing that no man or wo-man has ever held the distinction of achieving to much knowledge of God's almighty word, we are of-fering to the general public a Free Bible Correspondence Course. This course consists of 30 lessons which are non-sectarian and is simply designed to help the student gain a better understanding of the greatest Book on earth, the Bible. There is no charge or obliga-tion for this course in the Bible because we feel that this is one way we may serve both you and God. It is the command of Jehovah that all who would go to heaven must study His word (2 Tim 2.15) (2 Tim, 2:15).

We hope you will invite your friends and neighbors to take the course also. Please tell them they will be permitted to ask any Bible question they might have and we assure them if we are able to answer the question it will be answered by the Scriptures. Please fill in the enrollment blank and mail to Box 988, Iowa Park, Texas.

Soil Conservation

Wilbarger-Wichita Soil Conser vation District officials recommend seeding of winter legumes from September 15 to November 1 when moisture is available.

Technical guides contain the following reasons for seeding winter cover crops: They protect the land against wind and water erosion; maintain and improve the fertility level of the soil; and improve the physical condition of the soil. Austrian winter peas have done

the best job of furnishing winter cover, according to Elvy Sargent, work unit conservtionist for SCS at Iowa Park. When seeded alone, 35 pounds per acre of Austrian winter peas are recommended.

Austrian winter peas are adapted to all well drained soils in this Other seeding standards suggest-

ed are to inoculate all seed, fertilize according to soil analysis or if none is available, 200 pounds per acre of 0-20-0 or its equivalent has given satisfactory results.

Nervous? Try Chiropractic

In this office the common denominator of all symptoms is nervousness. More than fifty percent of all sick people who seek our helr complain of being nervous to some degree. And this is one of the reasons why chiropractic science en joys success in coping with most health problems, Chiropractic concerns itself solely with the disturbance to the nervous system and PROVES this disturbance to be the CAUSE of dis-ease.

Case No. 1040, female, age 50, entered this office seeking relief from nervousness after other therapies had failed her. Also, she com plained of hurting the entire length of her SPINE, poor sleep, little appetite and recent sick headaches. Spinal analysis, which includes the use of x-ray, revealed the primary CAUSE of her dis-ease, and chiropractic methods were used to accomplish a correction of the CAUSE.

Today, this lady is a different person, enjoying life and able to resume her duties as a practical nurse, Chiropractic opened the door to HEALTH for this lady—it can do the same for YOU.

Beat The Heat With A Punch

When the temperature soars, relax in the shade with a tall pitcher of tangy, ice-cold punch. Fortunately, to make a truly luscious punch requires no real effort on your part when you use soft drink powder and apple juice.

These soft drink powders have an extra "plus" since they cost only five cents a package, each of which makes two full quarts of thirst-quenching beverage. Comes in eight summer-sunny flavors, too: a choice of lemon, lemon-lime, orange, grape, strawberry, rasp-berry, cherry and fruit punch. So when the temperature soars make up a generous supply of this delicious, cooling punch... and relax!

APPLE-CHERRY PUNCH 1 package cherry Kool-Aid
1/2 to 1/4 cup sugar
2 cups apple juice
Water and ice cubes to make 2 quarts

Combine all ingredients. Stir until cherry soft drink powder and sugar are dissolved. Makes about 2½ quarts, or about 20 servings.

Well Done . .

WELDON!

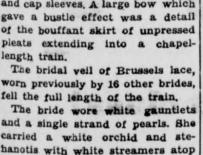

- * WELDON BAILEY has made Wichita County a fair and impartial Sheriff. He has been the servant of all the people.
- * WELDON BAILEY has given our county an efficient and business-like administration. Despite rising costs of operation, he has saved US, THE TAX-PAYERS, more than \$30,000 in comparison with the previous administration.
- * WELDON BAILEY has recovered more than \$25,000 in hot checks for Wichita County merchants, and has never charged one copper cent for doing so.
- * WELDON BAILEY has conducted his private life, and discharged his duties as a public servant in such exemplary manner as to reflect credit upon the entire citizenship of Wichita County.
- * WELDON BAILEY has worked in harmony with the Commissioners' Court, and all other Public Officials.
- * WELDON BAILEY is qualified by long years of experience and training -having more than 20 years experience as a peace officer.
- * WELDON BAILEY is vitally interested in the welfare of the youths of this county, both as a Father and as a Public Official. He has conducted his public and private life in such manner as to set before them a worthy example.

For these, and many other reasons we ask you to re-elect WELDON BAILEY Sheriff of Wichita County. WELL DONE, WELDON! You have done a good job and we believe one good term deserves another.

> Sue Ann Pace (Mrs. Thomas jr.) received the master of arts degree last Friday from the University of Denver. She majored in speech and hearing correction.

Mrs. Pace has completed 400 clinical practice hours which along with her degree will enable her to be affiliated with the American Speech and Hearing Association and will grant her certification as a speech and hearing therapist in all of the 48 states.

Sue is a member of the Graduate Student Council at the university, and has served as chairman this summer. Also she is a member of Sigma Alpha Eta, honorary speech and hearing correction society, and will serve as secretary of that group during the coming year

Mrs. Pace taught second grade for two years in Iowa Park. She will teach full time in the Children's Speech Clinic of the University of Denver this year as well as take advanced courses to enable her to receive advanced certification in the American Speech and Hearing Association.

She was a graduate assistant at the children's speech clinic the past year, administering speech and hearing therapy.
