Hazel Surveys Life in I. P. and Finds it Mostly Good

Chief T. C. Scott and his fire-boys have been kept pretty busy this past week answering alarms for grass fires. One day they had five calls.

They are happy it wasn't any more serious than grass fires, but sometimes even they can be dangerous.

Scott asks that if you must burn trash, please do it early in the morning when there is less wind. And, too, stay with the fire until it burns completely out.

We owe the men all the cooperation we can give. After all, they are working, and each time the whistle blows they drop everything and report for duty. They run their clothes most of the time, for grass fires are quite messy.

Don't misunderstand this request of Chief Scott. The volunteer fire department is always ready and anxious to help, but let us help them in making it safer and easier. Remember, it is your property they are protecting.

The people of Iowa Park are extremely fortunate in the water situation. Water Supt. Cliff Roberts says "Unless unforeseen events happen we have plenty of water to use through September."

The daily average last month was 476,620 gallons of water.

As we look around Our Town, we can see the Good Lord has been particularly good to us. We have nine nice churches, good school with top quality teachers, a Chamber of Commerce, two Lions clubs, Boy Scouts, Camp Fire girls, several manufacturing plants, good retail and service establishments, a large number of new homes in all sections of town.

And most of all, our friends, old and new, live here.

We have two lakes to enjoy free. Lake Iowa Park also provides a place for water skiing. We understand several of our young citizens are quite skillful with the contraptions.

Of course there is room for much improvement and we must not get satisfied with ourselves and our town. That would be a tragedy. We must strive for something better.

Why do we live in Iowa Park? Most of us live here because we want to. Some came here because of their work. Whatever the reason, let us work together to make for happiness for all.

We have our ups and downs, our likes and our dislikes—but what family doesn't? Then when sorrow comes or an important issue is at hand, we all stick together to lighten the load or resolve the difficulty.

Let the populace praise the Park and its people, and thank God for what we have. Good fresh air (hot or cold—it's fresh), plenty of water. We can park downtown without a parking meter. We can walk down the street and speak to our friends, hoping they are happy to live in Iowa Park as we are!

Ray Marcum Begins Ministry With Church of Christ Here

Ray Marcum has assumed his duties as minister of the Iowa Park Church of Christ. He and his wife Cecelia and 12 year old son Myrlyn are now living in the church parsonage on East Bank.

Mr. Marcum and family came here from Duncan, Ariz.

Born in Cleburne, he completed high school there. He is a veteran of World War II, serving with General Patton's 90th division.

In 1943 he was married to Miss Cecelia Corley, daughter of J. O. Corley of Knox City.

Mr. Marcum has served churches of Christ at Kopperl and at Duncan.

He is son of Mrs. T. B. Simmons of Cleburne, and has a brother Ralph E. Marcum at El Dorado, Ark.

Iowa Park joins the Church of Christ in welcoming the Marcum family.

High Born Lions in Line-up

Officers of the two Lions clubs here were installed recently.

Deputy Woody Featherston of Wichita Falls installed Noon club officers, and District Governor Wilfred McDonald of Ft. Worth performed a like service for the Evening club.

Buck Voyles now leads the daytime group and Jimmy Stewart the night club.

Pictured above are: Lester E. Brooks, new district governor of 2-E; McDonald; R. E. Waters, retiring president of the Evening Lions; Voyles; Jimmy Stewart, Evening club president; Bill Sawyer, retiring president of the Noon club and new zone chairman; Pat Cohen, retiring zone chairman.

Mr. Featherston did not get in the picture, which was taken by Chauncey Weiler the evening of installation of Mr. Stewart and his fellow officers.

Mrs. Mary Putman Bishop, Area Pioneer, Dies after Long Illness

Funeral services were conducted for Mrs. Mary Putman Bishop, 86, Monday morning, July 2, at 9:00 in the First Methodist church with Rev. Elden Cole, pastor, in charge. Mrs. Bishop died Saturday morning after being in failing health for approximately 5½ years.

Burial was in Highland cemetery under direction of Tanner Funeral Home. Pallbearers were Bill Harris, John C. Murphree, F. E. Hill, Taylor George, Jim Hatten, R. R. Brubaker. Honorary pallbearers were members of Susana Wesley and Men's Bible classes of the Methodist Sunday school.

Mrs. Bishop was born July 17, 1871, daughter of Mr. and Mrs. Jessie W. Goodlett, in Nashville, Ark. She was married to Joel Putman in her parents' home in Nashville, Feb. 10, 1886.

The young couple moved to Iowa Park in 1888, and in a short time located on a farm in the Valley View community, then known as the Denny community.

After Mr. Putman died Aug. 6, 1919, she moved back to town and has resided at 110 East Washington since that time.

On June 10, 1924 she was married to Dr. A. B. Bishop of Ashdown, Ark. He lived until Feb. 26, 1931.

Mrs. Bishop was a long time member of the Methodist church and active in its work. She was a past matron of Iowa Park chapter 42, Order of the Eastern Star.

Survivors are three sisters: Mrs. Jessie Cross of Foreman, Ark., who has made her home with Mrs. Bishop during her illness; Mrs. F. L. Reed of Mineral Springs, Ark.; Mrs. W. L. Hodges of Valley View and Wichita Falls; two brothers: S. M. Goodlett of Hale Center and S. W. Goodlett of Colorado City; several nephews and nieces.

CARD OF THANKS

We wish to express our sincere thanks to our many friends and relatives who gave their kindness, sympathy, food, assistance, and beautiful floral offerings during the illness and death of our beloved sister and aunt.

Mrs. Jessie Cross and family
Mrs. W. L. Hodges and family

Mr. and Mrs. L. B. Dennis and three children of Snyder, Tex., are visiting her father F. G. Campbell and sister Mrs. Fern Willhoit.

Mr. and Mrs. S. B. Keeter and daughter Karen and sons Philip and Stephen spent five days last week in Sulphur, Okla.

Close Games Kid Baseball

Some teams win, some lose, and some go along about half-and-half. And that's the way Kid baseball in Iowa Park now stands.

This week the Hawks played the Yankees. Both had two wins and no losses; and when the dust had settled, the records showed the Hawks had 3 wins and no losses. They won in the sixth inning by an 8 to 4 score.

Tuesday afternoon the Giants took the measure of the Panchos, 6 to 4 on Gary Pool's triple. Schelbal pitched the 6 innings for the Giants and gave up only six hits.

Thursday afternoon the Giants played the Redlegs. Friday it will be the Dodgers vs. the Panchos. There is a good game each Monday, Thursday and Friday afternoon, starting at 6:00. You are invited.

So far the Redlegs and Panchos haven't won, while each was losing two games.

The Dodgers and the Giants each have one victory and one loss.

Annual District Three 4-H club Boys Camp will be held at Perkins Reservation on July 2-27, it has been announced by B. T. Haws, county agent.

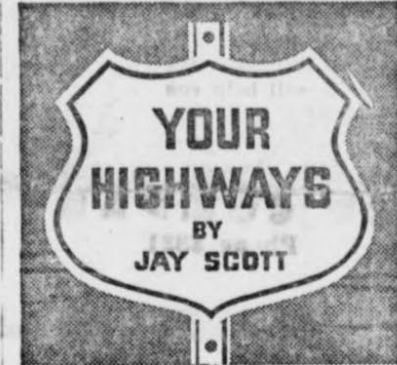

This is a camp that boys in the district look forward to each year. One hundred seventy-seven 4-H club boys from 22 Texas counties will attend.

The campers will be given special training in public speaking, farm safety, citizenship, soil conservation and recreation. They will be divided into three age groups: 15 and older, 12 to 14, and 11 and younger.

Thirteen from Wichita county will attend the camp. These boys are being selected now.

WILLARD RECOVERING

At the present time W. S. Willard is confined to his home because of illness, and wishes to take this means of thanking the people who have brought work to him in the past. He asks his customers and friends to watch for notice when he will be able to work again.

So you think things are messed up out there on your highways? Well, just wait another ten years!

By 1966, says The National Safety Council, an endless swarm of 82 million motor vehicles will jam your streets and highways. . . . 20 million more than now.

They will be piloted at various times by 90 million drivers.

They will travel approximately 825 billion miles a year.

The traffic toll in 1966 will be around 53,000 . . . unless some genius manages to pull down the prevailing death rate by getting to those 90 million drivers with a real safety sales talk.

Faced with this foreboding future, the Council has worked out a specific traffic safety program . . . designed not only to hold down the traffic toll but to expedite traffic.

Here's the plan in brief:

1. Make sure everyone walks and drives sensibly.
2. Make traffic law enforcement rough and tough.
3. Build as many miles of safe, modern accident-resistant highways as possible . . . as fast as possible.
4. Cut legislative red tape to get uniform traffic laws.
5. Make driver education a required high school course.
6. Make it tough to get a driver's license.
7. Back your traffic courts to the limit.

Mrs. Arthur Beadle and children Jocile and Frances of Odessa visited her mother Mrs. S. L. Denny several days last week and were here for Mrs. Denny's birthday.

Electrans Are Critical of Expressway Plans; Name Committees

Abby Cooper, reporting in the Electra Star-News this week, had this to say:

Two definite plans were set up in the meeting of Electra citizens Monday night in the Community Center to discuss progress on the protest movement by which it is hoped to retain the present route of U.S. Highway 287 and to block plans for an expressway through the north edge of the city (Electra). It was announced that a delegation will be sent to Austin for a conference with the Texas Highway Committee composed of E. H. Thornton Jr. of Galveston, chairman; Herbert C. Petry Jr. of Carrizo Springs; and Marshall Formby of Hereford.

A motion was passed to authorize Chairman Leo Moore and members of the board of directors of the protest organization to take legal action by injunction, if necessary, to halt use of funds of Wichita County Precinct 4 in the purchase of right-of-way for the proposed expressway. This action, it was pointed out, will be taken only as a last resort, if or when other plans have failed. T. Leo Moore presided over the session and the assembly voted to give S. T. Low, treasurer, authority to issue checks for necessary expenditures from a fund raised by free will offerings at the initial mass meeting.

Mr. Moore outlined briefly the objectives of the protest movement and the progress made. He reported that he and D. L. McBroome attended a meeting of the city commission in which co-operation was pledged to a committee composed of D. M. Robb and others to improve traffic conditions along the Front Street portion of Highway 287. It was reported that some of the control lights have been eliminated on a trial basis, to see if the plan is feasible. Parking of vehicles along the south side of the highway will be forbidden.

L. B. Dean of Wichita Falls, engineer for the Texas Highway Department in Wichita Falls district, was introduced as visitor and principal speaker. C. F. McSpadden

T. LEO MOORE

was applauded for his talk in which he announced that he expects to join fellow citizens of Electra in seeking every legal means to halt the building of the proposed expressway, but in the event these efforts fail, he wants to know if "Electra can get a suspended sentence." He addressed his query to Mr. Dean, who said it is possible that Electra citizens could block the current project. But he predicted that they will be pleading for more and better highway outlets in the near future.

Mrs. Luke Hodges of Wichita Falls declared that citizens of that city are unhappy and confused over the current truck route, industrial route and expressways being built through that city.

Walter B. Chapman, Oklahoma cafe operator, said the people of that area want the present route of US Highway 287 retained and they oppose cutting up fields and pastures to build expressways.

F. V. Brasfield, W. C. Stewart, Ray E. Dickey, S. T. Low, Clem Barrett, Henry Edwards and others spoke briefly on various phases of the by-pass road project.

Chairman Moore asked to hear from any one who favored the "by-pass" project. There was no response from the audience.

Death Takes Mrs. Elsie Orr

Funeral services were conducted for Mrs. Elsie Rhea Orr, 66, of Wichita Falls, Thursday morning, July 5, at 10:00 o'clock in Tanner Funeral Home, Iowa Park. Rev. Elden Cole of the Methodist church was in charge.

Burial was in Highland cemetery under direction of Tanner Funeral Home. Pallbearers were Earl Thompson, M. B. Cain, F. E. Hill, J. W. Hallum, L. A. Teal, M. E. Banks.

Mrs. Orr died Tuesday in a Wichita Falls hospital. She was born July 11, 1889 in Statesville, Tenn., and came to Iowa Park about 1919.

She and her mother Mrs. Georgia A. Smith made their home in Iowa Park for many years before moving to Wichita Falls a few years ago. Mrs. Orr was in the insurance business while in Iowa Park.

Her survivors are two nieces: Mrs. Lavene Files and Mrs. Lorette Evans, both of Houston.

FRITZ-TODD

Betty June Fritz, daughter of Mr. and Mrs. C. V. Fritz of Armona, Calif., and Bob Todd, son of Mr. and Mrs. H. W. Todd of Iowa Park, were married Saturday, June 23, in the First Baptist church of Corsicana.

Rev. Bill Fritz, brother of the bride, officiated at the simple church ceremony.

The couple has established residence at Wichita Falls.

It's Your AMERICA

GREAT DISSENTER AGREES

OLIVER WENDELL HOLMES, KNOWN AS THE GREAT DISSENTER, DIED FOR 23 YEARS IN THE SUPREME COURT OF THE UNITED STATES. BUT HE AGREED WITH THE MAJORITY IN 10 OF 37 CASES. JUSTICE HOLMES DEVELOPED THE AMERICAN IDEAL OF JUSTICE TO ITS HIGHEST STANDARD, ALWAYS FIGHTING ON THE SIDE OF INDIVIDUAL FREEDOM OF THOUGHT AND EXPRESSION. HOLMES SAID — NOT FESE TRUTHS FOR THOSE WHO AGREE WITH US, BUT FREEDOM FOR THE THOUGHT WE HATE.

LIBERTY QUOTES

"I DO NOT AGREE WITH A WORD YOU SAY, BUT I WILL DEFEND TO THE DEATH YOUR RIGHT TO SAY IT" — Voltaire

ALMOST KILLED TWICE IN CIVIL WAR

REDDY KILOWATT SUGGESTS:

Timely Tips

to help you get the most efficient cooling from your

REFRIGERATED ROOM AIR CONDITIONER

COOL ONLY AN AREA WITHIN THE SIZE your unit is designed to cool. When cooling a larger area, the unit is over-worked and its efficiency is lowered.

KEEP AIR FILTERS CLEAN. Clogged filters lower efficiency of the unit and cause it to use more electricity.

INSULATE CEILING AREA above room being cooled. Insulation is comparatively inexpensive and keeps hot air out, cool air in.

LOCATE UNIT IN SHADE if possible. The north side of house is best, followed by east, south and west. Proper shading of unit increases its efficiency.

PROPERLY REGULATE intake of outside air. This is important to operating

efficiency of your unit. Follow manufacturer's instructions carefully.

KEEP OUT DIRECT SUNLIGHT. It brings in heat which your unit must work extra hard to remove. Awnings over your windows will help.

AN AUTOMATIC THERMOSTAT is recommended to hold room temperature to 78 to 80 degree level recommended for comfort. Each degree below 78 degrees increases power consumption unnecessarily.

REMEMBER, TOO, that operating cost is governed by hours of use. Turn off your unit when you expect to be away for several hours. You can quickly lower the temperature when you return.

An Electric Refrigerated Room Air Conditioner is a wonderful boon to comfort during hot summer weather. Follow Reddy's tips and make the most efficient use of your unit. It will help you LIVE BETTER ELECTRICALLY!

Bill Mack Show Due Here July 27

Bill Mack, radio, television and recording personality, is scheduled for an appearance here on July 27. He and his country music group will present an hour-long free show in the City Park beginning at 8:00 p.m.

Bill was born June 4, 1929, in Shamrock and has spent most of his life in the entertainment field. Shortly after reaching the walking and talking stage he and his selected troupe of "entertainers" were presenting stage shows in the garage of his home.

Bill entered the music field by writing songs and forming his own band before graduating from Shamrock High School. His first and second compositions have never been recorded. Bill composed these songs strictly for kicks to entertain his school friends.

He took his music seriously when he found it profitable with such compositions as: 'I'm Missin' Lots of Lovin', 'When the Sun Goes Down, Ain't It a Shame, A Fool You Are, Kitty Kat, Sweet Dreams Baby, and The Cat Just Got in Town. There are dozens of other Bill Mack compositions which are recorded by Bill and other artists on major record labels.

Bill records for Starday of Hollywood. He considers his biggest opportunity in the entertainment field came when Kenyon Brown trusted him to emcee country music shows on KWFT radio. He admits his association with radio has been fun—not work. He is also proud of his own television show on KSYD-TV Saturday nights. The Big Six Jamboree has been one of the top rated shows since Wichita Falls first received TV.

Bill's favorite moments are spent with his wife Jackie and their baby daughter Debbie.

Bill is forever grateful to those who have been so kind to him—his Maker, his family, his associates and his many fans.

Mrs. Bill Curry had as guests Thursday Mrs. Carl Shear and Ann of Henrietta, her mother and sister.

Mickey Sewell announced this week that if he gets enough applicants for tennis lessons, he will start a second two weeks course next Monday, July 9.

Class time tentatively set for 5:30 to 6:30 p.m. each day except Sunday.

Class will include beginners and those who have played a little tennis. It would be open to adults as well as young people.

Tuition for the course is \$8.00. If interested contact Mickey by phoning 2481. The lessons will be given on the high school courts.

Noon Lions had the privilege of hearing the first report given by Lester Brooks, new district governor, on the 39th annual Lions International convention held at Miami, Fla., June 27-30, with International Pres. Humberto Valenzuela of Chile, presiding.

The convention had the largest attendance and certified voting delegation of all its conventions.

Brooks said the two day school for governors-elect was most profitable and instructive. He felt the North Carolina Night program in honor of John L. Stickley, new president, was the highlight of the session.

In his report Lester said, "What Lions International means to me is exactly what we represent here in Iowa Park — Christian fellowship, good will and understanding. It is everyday friendliness and tolerance."

Lester and his wife Edith returned Tuesday morning from the convention.

The luncheon meeting opened with the invocation by Rollins Woodall, Lion Tamer Peanuts Wilson introduced Pop Work and Jim Lyle, both of Wichita Falls, and Mrs. Oscar Lockridge, who assisted with the music.

Buck Voyles, president, and his officers took over their duties on July one. They are: R. B. Faulkner, D. O. Smith, T. C. Berry, vice-presidents; Rollins Woodall, secretary, Bob Brubaker, treasurer; and Dick Reilly, tall twister.

Officers plus Morris Jacks, W. G. Steele, George R. Huckaby jr. and Curtis Sewell, with Bill Sawyer, immediate past president, compose the board of directors.

Announcement of committees will be made soon by Voyles.

D. O. SEZ:

Keep on going.
Don't complain;
We can't help it
'Cause it rains.
It's up to us
To do our best,
So we will have
A place to rest.

happy vacations begin in a Chevy

You'll love to travel in it, because it loves to travel! When you get this Chevrolet out on the road, you'll want to keep going—and so will the whole family.

Of course, even in a Chevrolet the happiest vacations may involve one or two minor problems. Like fidgety small fry who want gallons of water and keep asking if you're almost there. The big things, though, are beautifully taken care of by this roomy Chevrolet's smooth and easy way of going. That's for sure.

The fact is, few cars at any price hold the road with Chevy's grace, with its solid feeling of stability. And with horsepower up to 225, Chevrolet moves out like a whiplash, for safer passing. It's no wonder that so many people who used to buy higher priced cars are changing to Chevrolet! Stop by soon for a ride.

AIR CONDITIONING—TEMPERATURES MADE TO ORDER—AT NEW LOW COST. LET US DEMONSTRATE!

Camp Fire and Blue Birds Complete Interesting Day Camp at Wichita

Day camp for Iowa Park Camp Fire girls and Blue Birds was conducted all last week at Harrell Park in Wichita Falls.

Each morning the girls met at City Park at 8:30 to board a school bus driven by Watkins Walker. At 9:15 the girls were checked in, met in general assembly and were given instructions for the day. They then had a short sing song led by Miss Eva Miller, camp director.

The girls then divided into separate units, with Mrs. Gene Lowrey heading the Blue Bird unit and Mrs. R. D. Roach the Camp Fire unit. Each group then had its own activities: hikes, rope jumping, baseball and handicrafts.

At 11:45 the girls all came together and cleaned up for lunch. After lunch the girls all had another sing song and then divided again for quiet activities: games, stories and the like.

At 2:00 each afternoon the girls cleaned up the camp, changed into swim clothes, had their closing and climbed back into the bus to be taken to Sand Beach for their swim. After an hour of this, the group came back to Iowa Park, arriving between 4:00 and 4:30.

We had 35 girls registered as Blue Birds: Sharon Adams, Gail Atchley, Elaine Bean, Pat Blackburn, Sherry Capehart, Cynthia Chesser, Mabel Clapp, Jana Sue Combs, Beverley Jane Hadley, Linda Hanson, Rose Mary Haskins, Diane Holmes, Brenda Jennings, Linda Johnson, Kay Jones, Janet Kimberlain, Lorie Leatherman, Carolyn Lowrey, Julia Lynn, Donna Merriman, Linda Mitchell, Jennie Patterson, Darnell Roach, Linda Sawyer, Glenda Sawyer, Joan Schell, Mayre M. Skerritt, Glenda Smith, Linda Warren, Janice Watts, Mary Wilkerson, Joy Snyder, Linda Grace, Myra Smith.

We had 17 girls registered with the Camp Fire: Beverly Birk, Linda Brubaker, Donna Childers, Sherye Compton, Lynda Diamond, Sally Garrison, Diane Gard, Dorris Gard, Barbara Hadley, Bobbie Hall, Linda Robertson, Doreene Roach, Angela Scott, Elaine Sawyer, Diane Watson, Brenda Capehart, Joyce Holloway.

We had nine staff aides helping at camp: Lenora Brown, Jo Ann Brubaker, Norma Kay Bell, Linda Smith, Paula Smith, Joan Toler, Peggy Toler, Oleta Williams, Peggy Underwood.

We had 18 adults registered, and extra adults came out on Thursday. The names we have are: Mesdames L. P. Adams, Earl Chesser, Harry Hadley, Andy Capehart, Pete Hall, Haskins, Gene Lowrey,

Lois Reaves, R. D. Roach, Harry Skerritt, Clare Warren, Kenneth Watts, Bean, Blackburn, Johnny Combs, Roy Kimberlain, Burk Scott, Johnson, and Miss Miller.

A council fire was held Thursday night, after the girls had prepared their supper outdoors. Parents were all invited. The Blue Birds came home, but the Camp Fire, staff aides and some of the adults remained overnight and cooked breakfast.

At the council fire the Camp Fire girls were awarded honor beads they had earned during the camp. The 17 girls earned 165 honor beads.

Red Cross free swimming lessons are to be offered Blue Birds and Camp Fire girls at Sand Beach July 10, 11, 12, 13, 17, 18, 19, 20 from 10 to 11 a.m. The eight swims will be \$2.00 to be paid by Tuesday morning July 10, before classes start. All must have health certificates. However, those who attended Day Camp will already have turned in health certificates and need not get another.

LENORE LEVINSON WINS TRIP TO HOLLYWOOD

This item appeared in the Dallas News recently:

"Miss Lenore Levinson, winner of the Academy Awards Sweepstakes sponsored by the Dallas News and Interstate Circuit, Inc., left for the film capital Monday morning via American Airlines. She was accompanied by her mother Mrs. Florence Levinson, 4512 Abbott. The pair will take the Grade A tour of filmland, visiting sets and meeting stars. They will spend July 4 in Las Vegas and return to Los Angeles before the flight back to Dallas. Miss Levinson, a secretary at the Fidelity Union building, had the best correct entry among 18,000 submitted."

Mr. and Mrs. Ben Levinson and Lenore resided in Iowa Park for several years. They owned and operated the Famous Department Store. Lenore attended school here before moving to Wichita Falls and later to Dallas.

BETROTHAL ANNOUNCED

Mr. and Mrs. C. M. Self are announcing the engagement and approaching marriage of their daughter Ann to Ralph Brown, son of Mr. and Mrs. Henry Brown.

The Self-Brown wedding ceremony is to be Saturday evening, July 7.

- ✓ Best schools in the Nation
- ✓ Higher teacher pay and old age pensions
- ✓ Statewide water conservation

Crime-busting Attorney General of Texas, 1946-52; led fight to win back Texas Tidelands; U.S. Senator since 1952; authored toughest anti-narcotics law in history; World War II veteran; married, 4 children; farmer and member of REA; dedicated public servant nationally known for his fairness, honesty and integrity.

Softball Claims Interest of Two Iowa Park Men

Two men who live in Iowa Park are playing again this year for Holt's Sporting Goods in the City Softball League, and are planning to take part in the district tournament sometime this month. The team is composed of outstanding players of this surrounding area. Two are from Holliday, one is from Burk Burnett, and the rest of the team live in Wichita Falls.

Holt's recently competed in the Anadarko invitational tournament, won three games and lost two. The Anadarko tourney is an annual event, and Holt's teams have won it four times during the last seven years, and finished out of the money only twice.

Thurman Fox, Iowa Park's ace pitcher, is a well known figure in district and state softball circles. Thurman's nickname Fokie perfectly describes his uncanny ability to remember what a batter cannot hit safely, and time and again throw up that certain pitch.

Fokie has been in the state tournament for the past 10 years and has won far more games than he has lost.

Only those teams that win or take second in their districts can compete in the state tournament. Fokie has pitched several shut-outs in the state, and has credit for two no-hitters in state tourney play.

Holt's has 17 victories in the City league, and Thurman Fox has pitched 11 of those wins.

The other Parkan with Holt's is George Huckaby, who catches and

plays the outfield. He is noted for his fine defensive catching ability and his knack for encouraging his pitcher to great performance.

George's chief claim to batting fame is in the 1954 state tournament, when Holt's was defeated in the semi-finals by Bostick in Mineral Wells. His two hits were the only Holt safeties in the game.

Both men are veterans of district and state tournaments and are looking forward to going again this year. If you would like to see these two local men in action in bigtime softball, you can watch them play in Scotland Park in Wichita Falls.

Mr. and Mrs. Rollins Woodall and son John have returned from a two weeks vacation.

Mr. and Mrs. Fred Wright of Abilene were here Thursday visiting with their many friends. The Wrights formerly owned and operated the Wright Jewelry store in Iowa Park. They are now employed at the Hendrick Children's Home in Abilene.

A LIFELONG DEMOCRAT

NOW HUMBLE RESEARCH

presents to the motorists of Texas
the world's finest automotive gasoline . . .

This new gasoline is designed for the growing number of automobile engines with very high compression ratios, and for cars that tend to knock on "premium" gasolines. In many cars, it is the only gasoline that will give you knock-free performance.

It has the highest octane rating of any automotive gasoline in town—the highest by far.

But octane rating is only one performance quality. Other improvements match Golden Esso Extra's increase in octane rating: this new gasoline also sets new quality standards for quick starting and fast warm-up, for protection against vapor-lock, for

minimizing engine deposits, for maximum acceleration, for protection against gum formation, for long mileage and maximum power.

It is the finest gasoline Humble has ever made—its performance rates it "premium over premium."

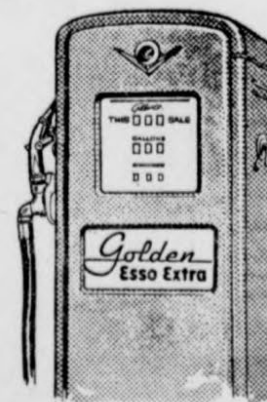

If yours is a car with a very high compression ratio—if your high compression engine tends to knock on "premium" gasoline—fill up with Golden Esso Extra at the golden pump under the Humble sign. You'll save the extra cost through performance, operating economy, and added gasoline mileage.

Golden Esso Extra is One of Three Great Humble Gasolines

Golden Esso Extra is for cars with very high compression ratios. But there are hundreds of thousands of automobiles in Texas that give perfect performance on Humble's famous Esso Extra gasoline, and there are others that perform well on regular grade Humble Motor Fuel.

Humble provides all three grades: Golden Esso Extra—premium over premium; Famous Esso Extra—premium; Humble Motor Fuel—regular.

Thus: you pay only for the quality your car requires.

Those whose cars require Golden Esso Extra quality will find it profitable to pay more for this new gasoline.

But for many, Famous Esso Extra is the best gasoline they can use, No. 1 in Texas, first in sales among the "Premiums" because it's the only regular gasoline in Texas that contains a patented solvent oil to keep your engine clean.

For others, Humble Motor Fuel sets the pace for performance and mileage among the "Regulars." It is the only regular gasoline in Texas that contains a patented solvent oil to keep your engine clean.

Use and pay only for the gasoline your car requires . . .
You'll find it under the Humble sign.

Independents Fighting for Spot in League Finals

Last Sunday on the local diamond, Randlett stopped the Iowa Park Independents, 7 to 4. It was an Oilbelt League contest. Iowa Park stands 6 and 4 in the league and is scrambling for a first division finish so we can participate in the Shaughnessey playoffs.

Tex Boyd pitched for IP and Jones hurled for the Oklahomans. Lloyd Klinkerman set the batting pace for IP with three hits, two being for extra bases.

Next Sunday afternoon the Independents go to Bowie for another league tilt.

Manager Bubs Fenner says he can use some more help. If any baseball players desire to come and work out with the boys they will be welcomed. There is no pressure, just good clean baseball and lots of fun. Play in the league teaches sportsmanship and reflex action, and how to get along with other members of the team as well as fellows from other sections of the country.

Kay Quick, daughter of Mr. and Mrs. Louis Quick, will be presented in a voice recital in the First Baptist church at 8:00 p.m. next Tuesday. Kay is a student of Joan Hall Garrison of Wichita Falls, former choir director of the church. The public is invited.

Mr. and Mrs. Calvin Hansen of Laredo have announced the birth on Tuesday, July 3, of a son whom they have given the name David Charles. He is a grandson of Mr. and Mrs. C. E. Birk and great-grandson of Mrs. Lucy Birk. There are two sisters: Marian, five, and Sharyl, three. Mrs. Hansen is the former Miss Bettye Birk.

Mac Lucy, a former Park boy now attending NTSC, visited in Iowa Park, Tuesday.

BWC to Camp

Business Women's circle of the Baptist WMS plans to go to the camp at Vernon on Monday, July 16, for a picnic and outing. BWC has extended an invitation to the members of other circles of the church to join them.

Some plan to stay all night in the church's cabin. Others will go only for the evening and return home that night.

This will be the second year for this group to enjoy a visit at the camp.

Mrs. Homer Blalock is chairman of BWC. On the planning committee are Mmes. Taylor George, Henry Jones, Homer Thompson, and Miss Ella Simmons.

Reflections from the Bible

By Ray Marcum, Minister
Iowa Park Church of Christ

Each week, if Jehovah God be willing, we will bring reflections from His word. It matters not what your religious affiliation might be, we desire that you read these short articles. If you find them not to be according to God's word, please correct me for my greatest desire is to spend eternity in heaven and I realize I will not have this privilege should I teach you error. Error just isn't as good as truth.

I am indeed happy to be located in Iowa Park as my family and I have found your motto is well fitting. Only having been here a short time we realize there are many of you we have not met. We invite you to our home and to the worship service of our Lord. My Brethren will see that you are made welcome. I want to be your friend but I also want to please God and at times it is impossible to please both man and Jehovah. With these things in mind cannot we still be friends even should we differ on the word of God?

The Church of Christ, strictly speaking, is neither Protestant nor Catholic since neither of these divisions existed in the first century, but simply attempts to set up again on earth the Church established on the day of Pentecost.

Our whole appeal is to "speak where the Bible speaks, and be silent where the Bible is silent," to have a "thus saith the Lord," either in expressed terms or by approved precedent.

We have no book but the Bible. No creed but the Christ. No name but the Divine and no plea but the Gospel of Christ. (adv.)

Is Your Spine Out of Line?

Every diseased person is seeking TWO things when applying for Chiropractic health advice. 1. Relief from symptoms AND 2. CORRECTION OF A MISALIGNED SPINE! It is a fact that strains, sprains and falls will cause spinal faults and, in time, disabling symptoms. It follows that these spinal faults must be corrected before permanent relief from symptoms can be secured.

Case No. 951, male, age 33, sought relief in this office from constant headache which was extremely severe after attending a movie or driving a car. Also, this man was very nervous and was bothered with constipation.

Chiropractic spinal analysis proved a spinal misalignment—the CAUSE of his disease.

Today, this man is completely free from headache, is more at ease with himself and enjoys normal elimination. If you have a health problem, profit from this man's experience and ask yourself—**"IS MY SPINE OUT OF LINE?"**

Rural Neighbors To Picnic July 11

Annual county picnic for members of the Rural Neighborhood organizations of Wichita county will be held Wednesday, July 11, says B. T. Haws, county agent. It will start at 7:30 p.m. at the Valley Farms Community House.

The three communities in the Rural Neighborhood organizations are Friberg-Cooper, City View and Clara-Fairview.

At the meeting cash awards for last year's work will be presented by Sam Whitlow, representative of Farmers-Stockman magazine, sponsor of the contest. Wichita is the only county in the state to win three awards.

E. C. Martin, rural sociologist, W. I. Glass, state agent, and Fred Walker, range specialist, all of A & M college, will be present.

Every family that belongs to this organization is urged to attend. Each family is to bring a basket lunch, including drinks. A program of entertainment has been planned.

FARRISES WIN AT STAMFORD
Mrs. John Farris of Iowa Park won first place in the barrel race at the Texas Cowboy Reunion in Stamford this week. Her winning time was 19.9 in the finals. Prize was a handsome saddle.

John Farris was ranked third in bareback bronc riding.

Mr. and Mrs. Elgin Denny and daughter Elga Ann; Mr. and Mrs. John Mixon, Judy and Jerry; Mr. and Mrs. Miles Hines of Lubbock, all are vacationing at the Charlie Coppock cabin in New Mexico.
