## High School Lists Honor Students

"A minus" is the price break on honor rolls in Iowa Park High School.

In order for any student's name to appear on either honor roll, he must have at least an A minus in citizenship.

Then if all his grades are A minus or better, he becomes eligible for the Double A list.

Finally, those students who have an average of A minus or better in all subjects combined, are listed in the Single A honor roll.

Results of the first six weeks' work were announced this week by James E. Elms, principal, as follows:

**Double A**  
Seventh grade: Patricia Clements, Carolyn Ellis, Peggy Miller, Kathleen Shropshire, Linda Kay Smith, Cynthia Tatom, Peggy Weiss.

Eighth grade: Patricia Blaylock, Carolyn Entreklin.

Ninth grade: Malcolm Berry, Jo Ann Brubaker, Nancy Gay Smith.

Tenth grade: Violet Brott, Josette Hensley.

Eleventh grade: Doylene Morgan, Mary Ralston, David Sewell.

**Single A**  
Seventh grade: Richard Laible, Virginia Patterson, Lynda Thompson, John Woodall.

Eighth grade: Judith Falatka, Allie Jack Ralston.

Ninth grade: Jim Pyle, Nancy Ann Smith, David Thigpen.

Tenth grade: Carolyn Whittenberg.

Eleventh grade: Harvey Klinkerman, Norman Marquart, Randal Pierce, Judy Pyle, Lillian Ann Self, Carol Thomas.

Twelfth grade: Joy Scott.

(Listings above are in alphabetical order.)

## Funeral Rites Set for Mrs. W. A. Litchfield

Funeral services will be held Saturday afternoon at 2:30 in the Methodist church for Mrs. Mary S. Litchfield, 69. Rev. Elden Cole, pastor, will officiate.

Interment will be in Highland cemetery under direction of Tanner Funeral Home. Pallbearers will be Paul Zink, C. W. Coppock, J. H. Hatten, Boyt Smith sr., W. M. Owens, C. J. Thurber.

Mrs. Litchfield died at her home Thursday after a lengthy illness. She was an active member of the Methodist church, the Susan Wesley Sunday School class and the Woman's Society of Christian Service until ill health caused her to retire.

Born October 21, 1886, in Crockett, daughter of Mr. and Mrs. Payton E. Tunstall, she was married Feb. 14, 1907, to W. A. Litchfield, then FW&D station agent in Oklahoma. Six months later they moved to Harrold, where they resided 19 1/2 years.

In 1926 Mr. Litchfield accepted the position as agent-telegrapher in Iowa Park. The Litchfields and their two daughters Helen and Gertrude moved here. Later they built a home at the corner of Wall and Magnolia streets.

Mr. Litchfield has retired from the railroad and is engaged in the real estate business here. Other survivors are the daughters: Mrs. Roy L. Shelby of Dallas and Mrs. Jess L. Haggard of Longview; a sister Mrs. Tirzah Corder of Iowa Park; and three grandsons: Bill and Roy L. Shelby of Dallas and Allen Haggard of Longview.

## METHODIST CALENDAR

World Fellowship study for children on Monday, 3:00 p.m.

WCS concludes study of Indian Americans at the church, Tuesday. Stewards meeting at the church, Tuesday, 7:30 p.m. Chill supper.

Wednesday evening, 8:05, Bible study with Rev. Elden Cole as leader.

Thursday, 7:30 p.m., Christian Workers class social at the parsonage.

Friday, Nov. 4, 10:00 a.m., United Church Women are having a World Community Day program at the Methodist church. Rev. Elden Cole will be speaker. The public is invited to attend.

## POULTRY SHOW WINNERS

Many county 4-H club members won honors at the State Fair poultry show at Dallas. Iowa Park 4-H members bringing home cash prizes were Harry Sargent, Jimmy Wolf, John Wolf, Jim Barbour, Jerry Whitaker, Charles Woodfin and Glynda Woodfin.

## SCHOOL ROYALTY NAMED FOR HALLOWEEN CONTEST

Class nominees have been selected in the annual PTA Halloween queen and king contest, as follows:

7th grade: Patricia Clements and Phillip Keeter.

8th grade: Judy New and Jerry Robertson.

Freshmen: Jan Woodruff and Malcolm Berry.

Sophomores: Marilyn Woods and James Low.

Juniors: Judy Pyle and Harvey Klinkerman.

Seniors: Barbra Walker and Eddie Whittenberg.

Revival services will continue for another week at United Pentecostal church with Rev. Hills Cole of Centralia, Ill., as evangelist.

Preaching services are being well attended and members and guests are enjoying Mr. Cole's ministry of the word and his singing.

The public is invited to attend all the meetings and enjoy these blessings.

Christian Workers class of the Methodist Sunday School met last week in the home of Mr. and Mrs. Gene Lowrey to make plans for their annual public turkey dinner to be served at the Firemen's hall on West Park. Mrs. Elgin Denny is president and Mrs. M. J. McDonald is teacher.

Mrs. Urb Farmer fell this week at home and injured her hip.

## Hawks-Dragons Stage Tie in Important District Contest

Last Friday night in Hawk stadium Iowa Park High School's annual homecoming was observed, with Sandra Fenner crowned queen by Co-captains J. C. Bridges and Eddie Whittenberg.

Coronation ceremonies were a thing of beauty as representatives of each class attended the queen.

Then fireworks started as officials called kick-off time.

Paducah Dragons marched 67 yards in the first period to score 6 points. On the second play of the second quarter Harvey Klinkerman passed to Norman Marquart for the tying mark and Bridges scooted around end to put the Hawks out front 7 to 6.

After the ensuing kick-off, the Hawk line stiffened around Whittenberg, James Low and Griffith, and the greenshirts took over.

Eight plays later the Hawks were ahead 13 to 6. The kick-off by Bridges was fumbled and Klinkerman recovered inside the Dragon 40. Hawks flew that distance on the scurrying feet of Delos Whisenhunt and David Sewell. Again the Hawks scored and converted, the half ending with Iowa Park leading 20-6.

Halftime ceremonies were never so spirited as each member of the band tried to outdo the green clad warriors of Coach Bob Covington.

Starting the third quarter the Hawks couldn't go and kicked. Dragons took over on their own 32 and started downfield. On a play originated on the Hawk 40, No. 14, Travis Truelock was sprung thru the Hawk line and outraced the secondary to score the Dragons' second TD. On the conversion attempt came the play that many Hawk followers think was the winning play of the game for the Dragons. Quarterback Biddy tried to hand the ball to the fullback. It was fumbled and kicked off to the right side with Biddy and Klinkerman in hot pursuit. The ball finally crossed the Hawk goal line and Biddy managed to fall on it, making the score 20-14, Hawks.

Hawks then hustled deep in Paducah territory to the 8 on runs by Klinkerman and Sewell. On the next series of downs the lines clashed bitterly, and Paducah held to take over on down.

Dragons ran two plays to get kicking room, but Truelock broke over his own right tackle, cut back to the left and raced 91 yards for the tying touchdown with all four Hawk defensive backs desperately trying to overhaul him.

Paducah's crack at the line was stopped by Low, James and Daugherty.

Again the Hawks marched downfield as Klinkerman tore off two nice gains and Bridges sped thru wide holes, climaxing the drive with another 6 pointer.

Outweighed 19 pounds per man in the line, the Hawks gave ground, on almost every play until finally Thaxton, 205 lb. fullback lugged the leather over the middle for Paducah's fourth TD.

Hawk partisans screamed at the team to "Block that kick," but the Dragons sent Thaxton again into the center. It looked good, but an offside penalty put the Dragons back to the 7 for another conversion attempt.

This time No. 14 circled right end. He tried desperately but determined J. C. Bridges knocked him outside just two yards short of victory.

Hawks made their way back into Paducah territory in the dying moments of the contest, but a pass interception killed their chances of winning, and both teams had to be content with the tie.

If Hawks win all their remaining games the district banner will belong to them, as they will be credited with a win on penetrations.

Mr. and Mrs. Howard Carter and Mr. and Mrs. Ross Lewis, all of Albuquerque, N.M., stayed overnight Friday of last week with Mr. and Mrs. W. S. Willard. They were enroute to South Carolina. Mrs. Carter is sister of Mr. Willard and Mrs. Lewis is daughter of Mr. and Mrs. Carter.

Mr. Wayne Williams talked to her husband this week. He is stationed in Korea with the air force.

Mrs. Mary R. Hall, 87, Claimed by Death After 48 Years Here

Funeral rites were conducted for Mrs. Mary Roxanna Hall, 87, Tuesday afternoon at the Methodist church here with Rev. Elden Cole, pastor, officiating.

Burial was in Highland cemetery under direction of Tanner Funeral Home. Pallbearers were Charles Metz, Boyt Smith, Roy Smith, C. L. Reaves, Dan Sunday and Macr Sunday. Members of the Susanne Wesley Sunday School class served as honorary pallbearers.

Mrs. Hall died at her home Sunday night after a lengthy illness.

Born Mary Roxanna Scroggs in Franklin, N.C., Sept. 23, 1868, she was married to Robert M. Hall in Gainesville, Ga., Dec. 30, 1889.

They moved to Sherman in 1897 and to Iowa Park in 1907, settling on a farm near the railroad tank.

After Mr. Hall's death Mrs. Hall moved into town on West Ruby.

Surviving are seven sons: Nea of Burk Burnett, Clyde of Wickett Roy of Pampa, Gene of Saudi Arabia, Bob of Long Beach, Calif., Kyle of Pampa and Pete of Iowa Park; two daughters: Mrs. Ellen Young of Arlington and Mrs. Percie LaRue of Corpus Christi; two sisters: Mrs. Sally Singleton of Morganton, N.C., and Miss Ellen Scroggs of Hayesville, N.C.; 14 grand- and 13 great-grandchildren. Larry and Bobbie Carol Hall of Iowa Park are two of the grandchildren.

## SMALL GRAIN TEST PLOTS

Four small grain variety demonstration test plots were planted in Wichita county last week on farms of Wilbur Prechel of Clara, Sam Spencer of Friberg-Cooper, Mike Hartmangruber, irrigated valley, and Jack Martin, irrigated valley.

Wheat varieties were Triumph, Wichita, Crockett, Concho, Westar, Quannah and Comanche. Oats were Mustang New Nortex and Alamo. Barley were Harbine and Cordova.

These demonstrations were planted under supervision of B. T. Haws, county agent, and personnel of the Iowa Park experiment station.

## 4-H GIRLS

When the local 4-H girls met on October 13, at the school, Sharon Faulkner, president, was in charge. Three new members are Georgia Trammell, Kathie Skinner and Judy Pierce. Mrs. Nellie Cobb is leader for the group.

Miss Essie Caldwell, Miss Margaret Ford and Miss Betty Jo Tuley of Vernon were weekend visitors in San Antonio.

Mrs. T. A. Uhrich is visiting her brother Mr. and Mrs. R. R. Michael in San Angelo. Mrs. Uhrich's daughter and family Mr. and Mrs. C. J. Moore of Saudi Arabia visited here recently.

Mrs. Paul Griffin of Gainesville and Mrs. Bill Rasberry and son Paul Wesley of Wichita, Kans., visited Mrs. A. H. Estes and other relatives here last week.

The three county 4-H club boys named recently to be state award winners are pictured above. At left is Jim Barbour of Iowa Park, center, Bill Koller of Wichita Falls, achievement; and Bob Bates, gardening program.

## Evening Lions Plan Ladies Night for Charter Meeting

Evening Lions club held their weekly meeting Tuesday at 6:30 with R. E. Waters, president, in charge. Sixteen members were present.

The club now has a membership of 21. Next week's meeting will be the closing for charter memberships. Anyone interested in belonging should be present next Tuesday at 6:30 at Smith's Restaurant. Meetings last only one hour.

During the next 30 days the club will sell brooms for the benefit of the blind. Brooms will be distributed throughout Iowa Park by the members.

Frank Wolf of Wichita Falls furnished the program. He presented a vocal trio composed of Mmes. Francis Ramirez, Helen Henry and Betty Flake, accompanied by Miss Gail Palmer; and Master Forrest Jones, accordion, who has appeared at SAFE several times. All the entertainers are from Wichita Falls.

This same group will present the program on Ladies Night which will be announced soon. It is planned for the club to receive its charter at that meeting.

Elvy Sargent, SCS technician at the Iowa Park work unit, demonstrates working of the new pasture dream drill bought recently by the Wilbarger-Wichita Soil Conservation district.

This machine applies fertilizer and two different seeds at the same time.

Lester E. Brooks, superintendent of Wichita Valley Experiment Station, has found that coastal bermuda overseeded with alfalfa increases tonnage 84 per cent and protein 4 per cent.

Delos Whisenhunt, 20, pushes the pigskin toward Paducah's goal line in their 26-26 district contest. A later play scored through the air.

### AL-KU-LA-NA

Camp Fire group Al-Ku-La-Na met in the home of Mrs. Burk Scott, leader, Wednesday afternoon. Meeting was opened by President Tuggy Burch.

Each girl was blindfolded and handed five vegetables to identify. Then each one told of three interesting things she saw on the recent hike, then repeated the Camp Fire Law: "Worship God, seek beauty, give service, pursue knowledge, be trustworthy, hold on to health, glorify work, be happy."

Betty Engledow was refreshment hostess for this meeting. Elaine Sawyer accompanied the group at the piano as the Camp Fire Good Night song was sung.

### MASQUERADE PARTY

Valley Farms 4-H club girls were entertained last week with a Halloween masquerade party in the home of Patricia Clements.

Linda Burch, vice-president, introduced Mrs. Leo Cook, who gave a demonstration on preparing frozen foods.

Prize for the best Halloween costume went to Peggy Miller. Refreshments were served to 12 members.

## Park Area Club

Mrs. Ray Low was hostess in her home Wednesday of last week to the Park Area club. After business conducted by Mrs. Lester E. Brooks, president, Mrs. C. H. Bowman presented the devotional. Mrs. H. B. Jones, county council delegate, reported on a recent Council meeting.

Plans were made for the annual chicken barbecue to be held at the home of Mr. and Mrs. C. H. Bowman on Friday. Guest list will include families of members and the county agent, assistant county agent, home demonstration agent and assistant home demonstration agent, Commissioner Buck Voyles and their families.

Mrs. Low gave a demonstration on roasting meats and Mrs. A. E. Bailey was in charge of recreation.

Next meeting will be with Mrs. H. B. Jones on Nov. 2 at 2:00 p.m. with Mrs. A. H. Estes as co-hostess. Roll call will be answered with individual gifts for the state hospital. There will also be an exchange of ideas on handmade Christmas gifts.

## Presbyterians

Women of the Presbyterian church met for the general program Tuesday morning at 9:00 in the church parlor. Mrs. C. E. Birk, president, called the meeting to order by reading the words of the hymn "Our God, Our Strength."

Program theme was "Presbyterian World Alliance and Our Church's Relation to It," with Mrs. Fischer, Mrs. Birk, Mrs. John Clapp Jr. and Mrs. Abernathy taking parts.

Mrs. Walker told in story form the lesson from the book "Released Power for Today."

Prayer dismissed Misses Clara Lowrance and Mina Troutman, and Meses. F. L. Emmanuel, Florence Sherwood, J. B. Ridenour, and the women previously mentioned.

Mr. and Mrs. M. O. Cheves went to Dallas, Sunday and visited the state fair.

## Favorite Cartoon Characters Back Kenny Polio Drive

Cartoon-style appeals on behalf of the 1955 annual polio fund appeal of the Sister Elizabeth Kenny Foundation have been created by some of the nation's most-popular and best-loved comic strip characters.

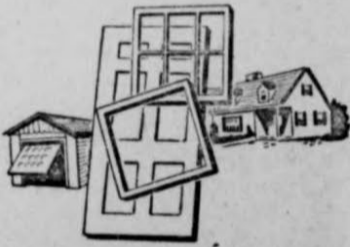

Dennis the Menace, by Hank Ketcham; Jane Arden, the girl reporter; Li'l Abner, by Al Capp, and Steve Canyon, by Milton Caniff.

Each of the comic strip creators contributed the specially-prepared character appeals to this year's nationwide fund campaign, according to Marvin L. Kline, national executive director. The cartoon appeals are appearing in daily and weekly newspapers across the country.

Kenny hospitals continue to provide treatment to victims of polio and to rehabilitate persons crippled by the disease in the past. Procedure for admission is through referral by a physician.

Mr. and Mrs. Ben DeSpain of Austin have been visiting in the homes of W. S. Willard and W. F. Dettles the past weekend. Mrs. DeSpain is a sister of Mrs. Dettles and Mr. Willard.

### CYCLOTHERAPY IN MUSCLE SPASMS

MUSCLE SPASMS ARE COMMON AMONG ATHLETES

MUSCLE SPASM IS ASSOCIATED WITH A VARIETY OF DISEASES

### by Science Features

We humans rely on a complex array of 500 muscles of various sizes for the physical power we have over our environment. Yet, we commonly become aware of this wonderful system of locomotion only when our muscles "act up"—when they remind us through pain or spasm that something has gone wrong.

A spasm is any sudden, involuntary contraction of a muscle. Twitching, cramps or other types of muscle spasm may be brought on by a variety of causes. Sudden chilling of the body after swimming may result in severe spasm of several of the body's muscles. Sharply diminished circulation of the blood to any part of the body brings about spasms in the blood-starved area. Chemical imbalance is also a common cause of spasm; for example, recent research indicates that the painful leg-cramps of pregnancy are due to abnormally low levels of calcium in the blood of expectant mothers. The so-called night cramps—sleep-disturbing spasms of leg muscles—are also believed to be related to calcium metabolism.

Bacterial toxins can send the body's musculature into violent contractions; the most notorious of these is the poison secreted by the germ of tetanus or lock-jaw. In addition, many ailments of the nervous and skeletal systems are accompanied by muscular spasms.

In many of these chronic conditions, including arthritis, bursitis, paraplegia and low back pain, a new treatment known as cyclotherapy is proving beneficial. Doctors have found that cyclotherapy, a unique form of electrically generated physical energy, has scored striking results in easing spasms and relieving the pain of patients suffering from a variety of ailments that affect the muscles, and helping them toward rehabilitation.

The physician also has a variety of other physical and chemical agents at his disposal to quiet disturbed muscles. Heat, in various forms, has been used since time immemorial to "iron out the kinks" in painful muscles, and it is still a valuable means of therapy. Many drugs, including anesthetics, barbiturates, counter-irritants and the recently developed "tranquilizing drugs" have their place in the spasm-fighting armamentarium.

In some cases, muscle spasm is not primarily the result of disease, but is related to over-use of a particular set of muscles. In these conditions, such as the so-called "occupational cramps" or "athlete's cramps," modern methods of treatment including cyclotherapy have proven effective in restoring free motion to the affected parts.

### TRUMAN MANES FAMILY MOVES TO COLORADO

Mr. and Mrs. Truman Manes and children Karen Sue and Gary were honored with a "going away" chicken barbecue supper last Thursday evening in the backyard of the George Lewis home. The Manes family went to Steamboat Springs, Colo., where Truman will be associated with the soil conservation district.

Enjoying the event were Mr. and Mrs. Edgar Manes and Eldon Manes, all of Wichita Falls; Mr. and Mrs. Elvy Sargeat and son Harry, Mr. and Mrs. Walter Scott, Mr. and Mrs. Glenn Scott and son Stevie.

### Cub Initiated in Candle Ceremony At Sponsors' Picnic

Iowa Park cubs, leaders and parents were guests of the 23 Study club, sponsoring organization, last Thursday evening in the City Park. Mrs. O. E. Lochridge, president, welcomed the guests and presented Mrs. Homer Blalock, leader of the program.

Pledge of allegiance was led by cubs and the meditation by China B. Smith, leader of Den 6.

A picnic supper was served by members of the 23 Study club to approximately 125 guests.

After the meal Cubmaster Morris V. Jacks presented 17 bobcat badges to parents, who in turn pinned them on their sons. Receiving bobcat badges were: Danny Cabean, Johnny Christian, Lowell Don Calvin, Johnny Hall, Donald Hallom Jr., David Lee Hill, Larry E. Holder, M. K. Johnston, Bobby N. Knecht, Michael J. Pastusek, Bill Scheibal, Jimmy C. Skinner, China B. Smith, Danny Tarbet, Gene Todd, Jerry Don Allen.

Tommy McMullen received his badge by transfer.

Mr. Jacks used an impressive candlelighting ceremony in presenting the badges. The first candle represented the cub promise; 2nd, the law of the pack; 3rd, the motto; 4th, the parents' responsibility as to loyalty and co-operation to their son and the pack; 5th, attendance of the parents at all pack meetings and other activities; 6th, the parents' motto: "We will help our son to do his best."

Four more candles represented the steps taken by the cub as he grows older: Wolf, Bear, Lion and Webelo—and then promotion into Boy Scout.

Den 1 under leadership of Mrs. A. W. Scheibal had charge of the opening, closing and displays. Den 4 led by Mrs. Gilbert Steele gave the cub yell.

Pat Pastusek, longtime scouting leader in this area and committee-man for the pack, gave an inspirational talk. He compared the minds of the boys to a city, and pointed out the growth they should accomplish each year.

Other committeemen are Buck Voyles, Dutch George and A. W. Scheibal. Several other men assisted in moving chairs to the Park for the picnic and program.

Those who missed the game Friday night really missed a good one. Iowa Park finally won by penetration, 6 to 4. The boys hope for a clean-cut victory at Henrietta this Friday.

It will help them play better if they know they have many fans backing them. Let's all go and yell real loud.

Homecoming Teen Town was a big success. We all enjoyed it and thank our sponsors and parents.

Annual staff members are now taking subscriptions for the 1956 Hawks Nest. Anyone wishing to subscribe, see any staff member, but preferably Joy, Sharon or Sandra (Srs).

Joy, did you enjoy the surprise you got Friday night during the game when the pick-up was moved away from the fence?

Norman got a little angry at 3 girls Saturday morning. Doylene, do you know why?

Mary R. has a new boyfriend. Good luck, Mary.

Joyce was quite happy over the weekend. Loyd was home to see her.

Lynn, where did you go Friday after the game, and who was that good looking girl?

Last Thursday some of the Srs got their rings. Those who didn't are quite disappointed. Am I ringt, Boyt?

Eddie would welcome some help in pulling his cotton. See you at Henrietta.—Sandra.

Mrs. Roy Wood of Titusville, Fla., is visiting her mother Mrs. Mary Etta Thompson, who is ill at home.

This Offer is Good Only in Texas and Oklahoma

by Marye Eckelkamp

There have been several efforts in the past few years to get the dairy producers to join the North Texas Milk Producers association and get a federal order in this milk shed. Each time it has failed. Main cause can be laid to the fact that these men did not know what was in a milking order contract. To get information about joining most went to their processors for answers. Processors were against the order and had a long impressive document to prove that federal milking order plants were not only against the dairymen, but was actually an evil thing. What happened? Producers became wary and voted down the order.

There are features of a federal milking order that are not liked by producers. Main one concerns the contract between producer and processor which prohibits a dairyman from ceasing sales to one processor and selling to another. Only way they can break a contract is to die or quit producing milk.

On the other side of the ledger are really good features. A federal order places price of milk on grades at 4 per cent butterfat content in comparison with by-product prices such as for cheese, butter, etc. At present the price is \$5.75 in Fort Worth shed and \$5.90 in Abilene. The order also prohibits importing of surplus milk from other areas unless an actual milk shortage appears here. This would help prevent the surplus price being given local dairies while Wisconsin, Michigan and Iowa surplus milk is brought in. In the order, a provision is made for marketing surplus milk from Wichita county in other areas and keeping the price stable at the same time.

It's hard to buck processors that are nationwide. But it can be done.

It happened in Oregon when Elmer Deetz, a 40 gallon a day producer, went against the whole state board and won. It cost him a heavy mortgage, some friends, and a two year fight, but Oregon consumers now have better milk, cheaper, because of him. Deetz's story is in the current issue of Readers Digest.

It can be a long hard fight for a better milk program both for the producer and the consumer. Dairymen can win. To do it is going to take a lot more faith and fortitude than we have shown in the past.

One of the recommendations to the county Farm Bureau convention was the setting up of a dairy committee to investigate ways and means of improving the dairy industry in this county. An all out program that includes organization, education and good management will be key factor. Most of all, it will take faith and determination of consumers and producers to improve the situation.

Big processors are against any federal milking order or anything else that interferes with their profits. A milk war two years ago wiped out many small retail routes made by local dairymen every day. They didn't think a second time about local competition other than to eliminate it.

We have seen what the producers need to do. But the consumers can help too. They can buy from local dairies. Support the dairymen in any effort to help themselves. In the long run, consumers will benefit too.

This applies to all phases of business. Your local merchant lives in your community and is a part of your community. You can help him stay in business and build a strong community.

Last Tuesday night at a regular meeting of Future Farmers of America, Coleta Williams was selected FFA sweetheart by members present. She will represent Iowa Park in the district sweetheart contest at the district FFA banquet.

**Mclroys Buy 4-Way Cafe and Station**

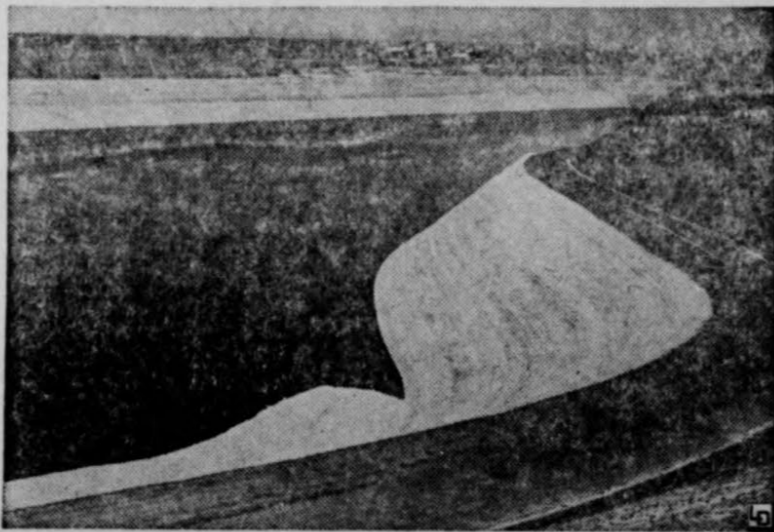

Mr. and Mrs. Claude Mclroy of Kamay and Rocky Point have bought the 4-Way Cafe at Mankins. They are also operating the filling station in connection with the cafe and feature Texas company products and all standard brands of oil.

**International Trade a Two-way Street**

U. S. Senator Glenn Beall (R., Md.), visiting in Switzerland, discusses internal trade with P. Blank, left, director of the Swiss Federation of Watch Manufacturers, who explains that the Swiss would like to buy more U. S.-produced farm products, such as tobacco grown in Maryland. But their ability to do this, he points out, is being sharply curtailed by high tariffs and other restrictions aimed at Swiss watches, with the American farmer being the ultimate victim.

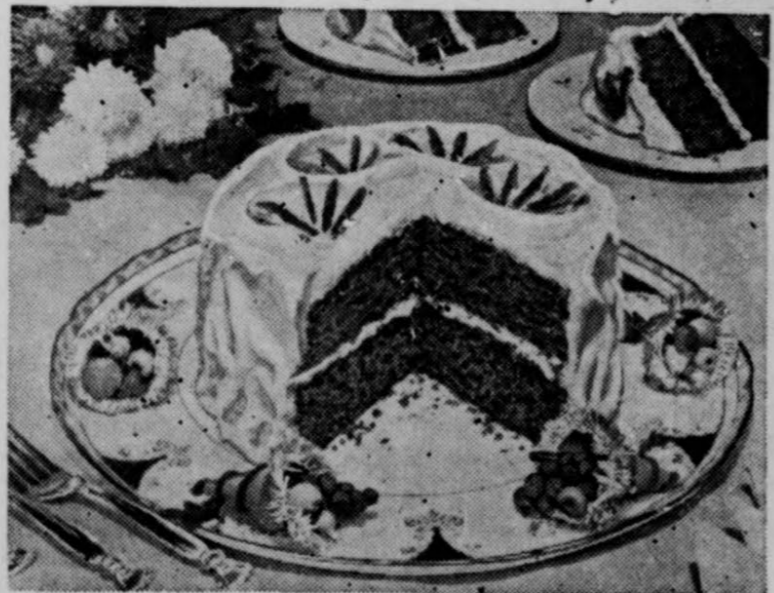

**Cut Costs By Storing Oil In Earthen Pit**

A major oil company has discovered a simple method of slashing storage costs. Instead of using the traditional steel tanks, the Creole Petroleum Corporation has scooped out a great earthen pit. The pit, costing more than a million dollars holds 3,500,000 barrels of oil. Covering nearly thirty acres, the basin provides the first outdoor storage facilities in Venezuela. It is five feet deep and is encircled by a 30-foot dike. Construction took three months of around-the-clock excavation. According to company officials, oil can be stored in the big pit at a cost of about 30 cents a barrel compared with \$1.65 to \$2.00 for storage in tanks.

Before going ahead with the new project, experts were called in from the Massachusetts Institute of Technology. They discovered that the clay of Amuay, Venezuela, was of sufficient consistency to keep oil from seeping through. Outdoor storage has another advantage: It will enable the company to maintain normal refinery operations during the slack summer months. Creole is the Venezuelan affiliate of the Standard Oil Company (N.J.).

**Tempting Finale for a Turkey Dinner**

**THANKSGIVING SPICE CAKE** is a luscious dessert for your holiday dinner. Made with superfine cake flour, the tenderness of the cake is further assured by the use of buttermilk. Deep chocolate layers set off the tawny light tan of the Sea Foam Frosting—on top, a delightful garnish of dainty "fans," made with strips of dates. A fitting finale for Thanksgiving feasts.

- THANKSGIVING SPICE CAKE**
- 2 cups Swans Down Cake Flour
  - 1 1/2 cups shortening
  - 1 1/2 cups sugar
  - 3/4 teaspoon soda
  - 3 eggs, unbeaten
  - 1 teaspoon salt
  - 3 squares unsweetened chocolate, melted
  - 3/4 teaspoon cloves
  - Buttermilk\*
  - 1/2 teaspoon allspice
  - 1 teaspoon vanilla
  - 1 teaspoon cinnamon
- Sea Foam Frosting

\*With vegetable shortening, use 1 1/4 cups buttermilk. With butter or margarine, use 1 cup buttermilk.

Sift flour once, measure, add soda, salt, and spices, and sift together three times. Cream shortening, add sugar gradually, and cream together until light and fluffy. Add eggs, one at a time, beating well after each. Add melted chocolate and blend. Then add flour, alternately with buttermilk, a small amount at a time, beating after each addition until smooth. Add vanilla; blend.

Turn batter into two round 9-inch layer pans, which have been lined on bottoms with paper. Bake in moderate oven (375° F.) 30 minutes, or until done. Remove cakes from oven and cool on wire racks. Then spread Sea Foam Frosting between layers and on top and sides of cake. Garnish top of cake with clusters of silvered dates, if desired.

Sea Foam Frosting. Combine 2 unbeaten egg whites, 1 1/4 cups firmly packed brown sugar, dash of salt, and 1/2 cup of water in top of double boiler. Beat 1 minute, or until thoroughly mixed. Cook over rapidly boiling water, beating constantly with rotary egg beater (or at high speed of electric beater) 7 minutes or until frosting will stand in stiff peaks. Remove from boiling water. Add 1 teaspoon vanilla and beat 1 minute, or until thick enough to spread. (ANS)

**Swim Explains Cafeteria Policy**

Supt. Keith Swim announced this week the Iowa Park school cafeteria operates under the federal school lunch program and must operate at no profit.

The federal school lunch program reimburses the school 5 cents for a Class A meal with milk, and 3 cents for a Class A meal without milk. These are the only types of meals they will co-operate with us on.

A Type A meal must consist of at least the following:

- 2 oz. meat or meat substitute of like value (example: enough cheese to counteract the values of meat)
- 2 generous servings of vegetables
- 1 spatula of butter
- Half pint of milk
- piece of bread

Type A without milk, same as above, without the milk.

The school must charge all the same price, even though a child does not take all the items offered. It is required by the government.

Approximately \$3600 a year is received here in federal aid, and at least that amount in commodities, such as cheese, butter, dry milk, peaches, peanut butter, rice, pinto beans, honey, green beans, peas, figs, grapefruit sections, olive oil, canned beef, shortening.

Menu for next week will be: Monday: Sausage, buttered corn.

**Citizenship Workshop Attracts 45 Women To Iowa Park**

Approximately 45 PTA members from this area registered for a Citizenship Workshop held in Iowa Park, Oct. 25.

Participants were divided into five groups, and discussion sessions were conducted. Theme for the day was a booklet distributed by the state office of PTA, "Making Democracy Live in Your Community."

Each group took a chapter from the book and discussed different aspects of being a good citizen, and what individuals can do to become better citizens and to influence others in the same direction.

Leaders were Mrs. G. M. Brubaker of Iowa Park, Mrs. Fred Hunt of Burkburnett, Joe B. McNeil of Wichita Falls, Dr. John McFarland of Vernon and C. E. Anderson of Austin.

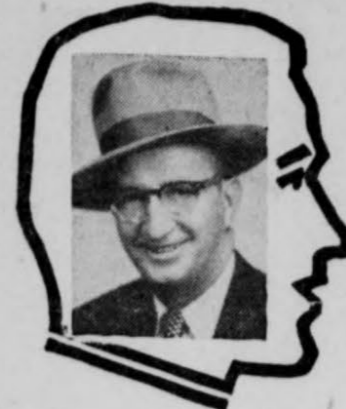

Sanderson, in addressing the general assembly, said, "We have to work harder at citizenship than did our forefathers. Their conception of a good citizen was to be a good neighbor to the family living nearest them. Today one must be a good neighbor, a good citizen of the community, state, nation, and most of all a citizen of the world itself.

Luncheon was served by Women of the Presbyterian church. In the afternoon general assem-

bly Dr. McFarland summed up the day's ideas, and closed with a prayer used by George Washington, as appropriate for today as it was in the days of the young democracy.

## Caravan of Autos Will Take Hawk Fans To Henrietta Game

If Billy the Kid, Pancho Villa or Kaiser Bill could hear about conditions in Iowa Park expected Friday night, they would raise straight up in their graves and organize a raid on the defenseless town!

Every able-bodied man, woman and child in Our Town will probably be in Henrietta, some 29 miles away, watching the Hawks and Bearcats tangle in an important 9-A district football game.

Quarterback club president Alan W. Berry states that a caravan of automobiles will leave the school at 6:30 Friday evening with Sheriff Jones leading the way. The trip through Wichita Falls will also be escorted by Wichita police cars.

Everyone is asked to decorate his car and come to the school in time for the convoyed trip. A string of 70 to 80 cars is being counted on.

All Hawk fans who need rides to the game are invited to come early to the trysting place, where some kind of transportation will probably be on hand to carry them.

Henrietta, long the doormat for district teams, has been showing signs of life in recent games. The Bearcats scatched Lockett last Friday for a 6-0 victory, and the week before held Paducah Dragons to a lone touchdown.

The Hawks are soaring high with five victories and a tie in the 1955 record books.

Mr. and Mrs. Louis Quick, Kay and Charles will attend homecoming of Baylor university this weekend at Waco. They will be accompanied by Franklin Farmer of Ft. Worth.

## Wichita Pioneer Is Buried Here

Funeral services were conducted Wednesday afternoon for Mrs. Augusta Elizabeth McCormick, 81, of Wichita Falls, at the Tanner Funeral Home in Iowa Park. Rev. Theodore McElroy of the Highland Heights Christian church was in charge. Burial was in Highland cemetery here.

Mrs. McCormick died Tuesday morning in the home of her daughter Mr. and Mrs. C. R. (Ramey) Yauger in Wichita Falls.

Mrs. McCormick was born May 21, 1874, in Osage county, Mo., and had lived in Wichita Falls the past 36 years. Her husband died several years ago.

Other survivors are a son J. C. McCormick of Tulsa, Okla.; two sisters: Mrs. Lucille Johnson of Childress and Mrs. C. B. Hughes of Cleburne; a brother Glenn Smith of Dimmitt; two grandsons and five great-grandchildren.

## Cub Pack to Sponsor Bake Sale Soon

Iowa Park Cub scouts, their leaders, den mothers and parents held a Pack meeting at the Fair auditorium Monday night.

Mrs. China B. Smith led in prayer and Den 1 under leadership of Mrs. A. W. Scheibal, gave the opening ceremony.

Project for November will be to take small gifts to various hospitals. A bake sale will also be held in November to raise money for the Pack.

A membership drive is being conducted, and each cub who brings in a new member will receive a bronze Liberty Bell handkerchief clip.

Charter of the Pack expires Nov. 30. New members, present members and leaders should be registered by Nov. 15.

Larry George and Roy Miller, who were unable to attend the recent meeting in City Park, received their bobcat badges.

Cubmaster Morris V. Jacks presided. He announced Wolf, Bear and Webelos books have arrived, and cubs can secure them from him.

Games were under direction of Dens 3, 4, 5 and 6. Den 2 closed the meeting.

The auditorium was decorated with Hallowe'en symbols made by cubs. Refreshments of cookies and punch were served.
