Hallowe'en Time Means Annual Street Carnival

Annual Hallowe'en Carnival of Iowa Park schools and PTA will be held Monday night, Oct. 31, in the usual place downtown, on Cash street. Booths will open at 7:00 with each grade represented.

The King and Queen contest will open Friday, Oct. 29, with nominees from each class. There will be only two divisions, with the junior and senior high schools combined for one and the elementary grades in the other.

Monday noon has been designated as the time when all but three royal couples from each division will be eliminated. Voting for each of these three will continue until 8:30 Monday night.

The budget and finance booth will be located in front of Sewell's Barber shop and receive votes up until that time.

The coronation, which is the highlight of the contest, will take place immediately after the votes are counted.

It has been agreed that the PTA and the school will share jointly in proceeds from all events of the carnival this year.

Following is the variety of food, fun and amusement offered:

Fish pond—1st grade.
Cake, coffee and balloons—1st and 2nd grade.
Shooting gallery—2nd grade.
Popcorn balls, candy—3rd grade.
Country store—4th grade.
Grab bag—5th grade.
Kiddie ride—6th grade.
Popcorn—7th grade.
Mystery bag—8th grade.
Pie and coffee—9th grade.
Soda water—10th grade.
Fortune telling, weight guessing—11th grade.
White elephant—12th grade.

The class of special education also expects to be represented.

Added to this will be the never ending parade of spooks, ghosts and goblins to round out an evening of entertainment in true Hallowe'en spirit. Don't miss it!

Congressman Frank Ikard was one of the speakers at a meeting of Farm Bureau officers in Wichita Falls, Monday. He thinks foreign policies of the government are a part of the cause for failure to move farm surpluses.

Loys Barbour of Iowa Park, explained legislative procedure of the state convention and discussed cotton allotments, international trade and farm income.

Mrs. Marye Eckelkamp, secretary of Wichita county Farm Bureau led group singing at the meeting.

Club Women Study Folk Music

Mrs. Paul Zink was leader for the second meeting of Modern Music Study club which met Thursday in the home of Mrs. Gayle Park. Miss Ethyle Kidwell and Mrs. Henry Jones were co-hostesses.

Current course of study is Folk Song, USA and this week's session was devoted to cowboy songs of folk vintage.

Mrs. Zink's description of growth of these songs pictured a colorful sometimes amusing, sometimes sad species of early Americana.

The club members sang a number of these songs, such as "Get Along, Little Dogies," "Bury Me Not on the Lone Prairie" and "Red River Valley."

A reading "Cowboy's Christmas Ball," was given by Mrs. Jones, and Mrs. Fred Wright concluded the program with a solo version of "The Cowboy's Dream."

Mrs. James Sewell, president, conducted the business session, and choral practice consisted of singing the current Hymn of the Month: "Where Cross the Crowded Ways of Life" and the September hymn: "The God of Abraham's Praise."

Refreshments were served to 12 members.

RAYMOND G. BOGARDUS

Assembly program next Tuesday will feature Raymond G. Bogardus. In presenting "Characters in Clay" he brings to pupils his many years of experience on the professional dramatic stage. He has made an exhaustive study in this field and has perfected a means of presenting his artistry to the public in such a manner that education and amusement are combined into an entertaining and educational demonstration.

Using over 90 pounds of clay, Mr. Bogardus creates a series of giant size heads of famous people

Death Takes Mrs. Bill Kelley, Former Parkan

Funeral services for Mrs. Jessye Maye Kelley, 28, of Lubbock and formerly Miss Maye Mitchell of Iowa Park, were held Monday afternoon in the First Methodist church of Lubbock with Dr. J. Chess Lovern, pastor, officiating.

Burial was in a Lubbock cemetery.

Mrs. Kelley died unexpectedly Friday night. Her husband Bill returned from a football game and found her unconscious. He called an ambulance which rushed her to a hospital, but she was declared dead on arrival.

Maye was born March 9, 1927, in Iowa Park, daughter of Mr. and Mrs. Herman Mitchell, now of Wichita Falls. She was graduated from high school here as an honor student. She then entered Texas Tech at Lubbock and received the bachelor of science degree.

Maye formerly was employed by John C. Murphree, local attorney, and was a past president of Epsilon Sigma Alpha here.

She and Bill were married Dec. 27, 1949 here. The Kelleys had lived about five years in Lubbock.

She is survived by a son Craig Allison, 3½ years, and a daughter Jean Ann, 2½ months; her parents; four sisters: Mrs. Robert Horton of Abilene; Mrs. Glen Miller of Iowa Park; Mrs. Neal McNabb of Wichita Falls; and Artie Sue Mitchell of Wichita Falls; a brother Harry Lee Mitchell of Iowa Park; her grandmother Mrs. Sue Mitchell of Amarillo; and several aunts and uncles, including Mrs. Earle Denny and Mrs. R. L. Redin of Iowa Park.

A number of friends from here attended the services.

DERYL JAMES

BOB McMANUS

Saturday the Aggie boys of Iowa Park took their annual trip to the Dallas fair. There were 25 in the group including Morgan, Reed, Wesley, Moore, Jones, Lowrance, Schwabe, Wiggins, Hodges, Logan, Parris, James, Holloway, Clark, Catlin, Klinkerman, Richter, Robertson, Padgett. They left at 5:30 Saturday morning and reached home about 8:00 that night.

Sunday before last two Iowa Park FFA boys accompanied by John E. Sibley, instructor, attended the national FFA convention in Kansas City, Mo. They went to the national sessions and started home Thursday at about 12:00. They arrived home at 12:00 Friday, after spending the night in Ardmore. Bob McManus and Deryl James were the lucky boys.

Hawks Raise District Stock With 5th Win

Iowa Park football fans are being plagued by pennant fever for the first time in many years, as a natural result of the fine showing the Hawks have made in their first five games.

To win five games in a row is quite a novelty for us, and fans have a right to be proud of their team. And a team it really is, no one or two men dominate the play, offensively or defensively; and on occasions when substitutes enter the game, the substitute fits into the team and makes it work.

Having vanquished all their non-conference foes, the Hawks swung into 9-A play with a vengeance. And sweet revenge it has been, to conquer Crowley by a decisive score and drop the Archer City Wildcats by two touchdowns.

After piling up 25 points in the early part of last Friday's game with Archer City, Coaches Bob Covington and James Reese gave their reserves a chance to see action. And the Wildcats took advantage of their inexperience to push across two scoring plays. Possibly the prettiest play of the game for the spectators was a long pass gathered in by Maurice Strawn of Archer City. He was a step ahead of Iowa Park's defender when he plucked the ball out of the air—and about two steps ahead when he lunged into paydirt.

All the dopesticks pick Iowa Park to win over the Paducah Dragons here this Friday night, but the Coaches are warning their boys to expect trouble from last year's district champs.

Evening Lions Now Number 17

Iowa Park's Evening Lions club now has a membership of 17 and leaders hope to have 8 more join before applying for their charter.

This club meets each Tuesday in Al Smith's restaurant at 6:30. The meeting closes at 7:30 sharp.

R. E. Waters is president, and reports good meals and interesting programs. Guests who have furnished programs for the club are Mmes. Marye Eckelkamp, Sue Wright, Thelma Gay; a clarinet quartet from the high school band (Joan Archer, Margaret Schwabe, Peggy Koone, Kay Scott).

Three Lions officials of the district and zone have visited with the club: Woody Featherston, Pat Cohn and Frank Crippliver, all of Wichita Falls.

Next Tuesday there will be a surprise program, and the club invites all interested men to come and enjoy an hour's fellowship and entertainment with the present members: Earl Griffith, John Sibley, Virgil Woodfin, James Stewart, Arch Hughes, James E. Todd, Sgt. William C. Lane, George E. Trammell, William P. Christian, Wayne House, Otis Gay, Paul Zink, Rev. Elden Cole, C. L. Vaughn, W. C. Brown, D. H. Ford and Waters.

Keith Keeter, student at NTSC, was home over the weekend visiting his parents Mr. and Mrs. S. B. Keeter.

Jim J. White will attend the Grand Encampment of Odd Fellows in Big Spring this weekend. He is immediate past president of the Texas-Oklahoma circle. A large delegation from Wichita Falls will also attend.

by Marye Eckelkamp

All farmers and ranchers in the county are invited to attend a special resolutions meeting at the Farm Bureau office in Iowa Park, Monday, October 24, at 7:30 p.m. At this meeting, many of the problems now before the farmers will be thrown out for open discussion.

There will be research material available for statistics on surplus, price supports, foreign trade, marketing and other issues.

Ed Foster Jr., president of Wichita county FB, points out that farm income is down and what happens to farm economy in the next year depends on what farm families do now to stem the downward trend. He also adds that if the crowd is too large, the meeting will be moved to larger quarters.

Ed Foster Jr. and Mrs. Marye Eckelkamp, president and secretary of Wichita county FB, are to be special guests on "The Home" program on Oct. 24 next Tuesday.

This program will observe Farm City Week that has been proclaimed in the United States to promote better understanding between the people that make up the economy of this country, and make for better relationship among farm people and their city neighbors.

Special emphasis is being placed on farm-city relationships, problems and activities by many of the civic and farm organizations during the coming week.

Annual convention of the county Farm Bureau membership will be held at the Valley Farms Community House on Thursday, Oct. 27, at 7:30 p.m. Immediately following the supper, a special musical program will be presented preceding the business session.

Ed Foster Jr., county president, is well pleased with the 1955 record of the organization. Farm Bureau has worked faithfully on a county program to benefit every farm family in Wichita county. Foster points out that FB has been active in support of 4-H and FFA activities throughout the year.

The youth program carried on by FB is considered one of the most outstanding all around programs in the county. It is estimated that 200 boys and girls have participated in some FB sponsored activity.

The hay program, on the ground storage, defeat of ad-valorem tax in Austin, retaining of the now 5c per gallon refund on non-highway use of tractor gas, and many other benefits to farmers have been added to the list of FB accomplishments.

Business session will include the election of officers and voting delegates to the state convention in Fort Worth on Nov. 7. County resolutions will be submitted to members for their approval or disapproval as the case may be. Annual reports will be given to members.

Foster urges all members to attend and invites anyone who would like to attend to do so.

Warriors Win District Opener

Valley View Warriors hit a winning stride in their district 9-B opener against Windthorst last Friday. It was the first football game ever played at the Windthorst school and ended 21 to 6 in favor of the Warriors.

A hard charging line and alert defensive play coupled with hard running ball toters spelled out the victory.

Outmanned, the Trojans never gave up, and pushed across a scoring drive in the second quarter.

Valley View made 16 first downs, 168 yards rushing, and 60 yards on 7 completed passes. They also recovered 4 Trojan fumbles.

Mrs. Brooks Wins Many State Fair 1sts

Mrs. Paul Brooks of Valley Farms can well be proud of her needle work. She has been awarded 6 firsts, 4 seconds, 5 thirds and 1 honorable mention with her exhibits in the State Fair of Texas at Dallas.

Mrs. Brooks specializes in crochet and knit articles. Her exhibits include blouses, stoles, coats, beaded hat and bag, evening bag, felt spectacle case, beaded sweater, and baby set.

At the Texas-Oklahoma Fair, she was awarded the Smart Crochet Magazine's prize for original design, and took a blue ribbon on a baby set.

Field Director Aids Leaders

Miss Jordahn, field director for Camp Fire girls, was in Iowa Park last Tuesday afternoon to organize the second grade Blue Birds.

On Wednesday, Miss Jordahn was at the State National Bank from 9:30 to 12:00 to advise with any leader in town.

Women attending were Meses. Jim Cowden, W. J. Hall, R. D. Roach, Burk Scott, Reaves, S. E. Keeter, H. E. Hadley, Earl Bonner.

Miss Jordahn will be here the second Wednesday of each month for a leaders meeting.

Nuptial vows were solemnized Sunday afternoon for Miss Maxine Ramsey and James Williams in the Iowa Park Presbyterian church.

Rev. George Lawler, Baptist minister from Wichita Falls, officiated at the 4:00 o'clock double ring ceremony before a background of white mums, white candles and palms. The couple stood beneath a white arch covered with greenery and knelt for prayer on a white satin prie-dieu.

Maxine is daughter of Mr. and Mrs. J. L. Smith of Valley Farms, and James is son of Mr. and Mrs. Raymond Williams of Iowa Park.

Traditional music was provided by Mrs. Jimmy Jeter of Wichita Falls, organist, and a vocal trio: Meses Cynthia Thornberry, Caroline Sewell and Ruth Mary Dale.

Given in marriage by Mr. Smith, the bride wore a gown of lace and tulle over slipper satin, with a bouffant skirt terminating in a chapel length train. Her fingertip veil of tulle and lace was held in place by a crown embroidered with seed pearls. She carried a cascade bouquet of white gardenias with show-ers of star stephanotis on a white Bible.

Mrs. Clay Moore, Wichita Falls, was matron of honor for her sister. Bridesmaids were Miss Jo Laycock of Houston and Mary Gayle Park of Iowa Park.

Vessels of Wichita Falls and Mrs. Jo Childres of Iowa Park. Linda Moore, niece of the bride, was the flower girl and her brother Eddie Moore was ringbearer.

James Ozee of Wichita Falls was best man, Groomsmen were Cla-burne Lindley and Jimmy Martin

of Iowa Park. James Hair of Wichita Falls and Don Childress of Iowa Park were ushers.

Following the ceremony Mr. and Mrs. Smith were hosts for a reception honoring the young couple. A white lace cloth covered the refreshment board which was centered with an heirloom sterling silver candelabra entwined with a garland of greenery and white gardenias.

For traveling the bride wore a brown tweed suit and vicuna accessories. Following the wedding trip the couple will reside here.

Graduated from Iowa Park High School in 1953, the bride attended Midwestern university and is now employed at Sheppard AFB. She was a member of the band, a majorette and was voted most popular girl and football queen in her senior year.

James, a pre-dental student at Midwestern, is also a graduate of IPHS where he was a star football, basketball and track man.

H. E. Lashlee of Gila Bend, Ariz. and Mrs. Ernest Grundy of Iowa Park returned Wednesday after a two weeks visit in Memphis, Tenn., with their sister Mrs. H. J. Riddell.

Jim Barbour Rates High In 4-H Work

Jim Barbour of Iowa Park has been chosen for the state 4-H award in co-operative result demonstration and will get a medal showing that he is a winner, plus a \$50 U.S. savings bond as district winner; and an all-expense trip for himself and a chaperon to the annual meeting of the Texas Federation of Co-operatives in Austin in early February.

Jim is the son of Mr. and Mrs. Loys Barbour. He is a 9th grade student in Iowa Park High but is completing his sixth year of 4-H club work.

His demonstrations have included beef cattle, poultry, swine, electricity, farm safety, tractor maintenance.

Working on his co-operative demonstration Jim visited the different types of business organizations and talked with those in charge. From what he learned he prepared stories covering the part each plays in American private enterprise. He found that people working together plus resources equals a great nation. Also that all types of business organizations are needed to provide each community with services for the family. He found that farmer co-operatives are an important part of American life.

Young Barbour has won many awards and has exhibited livestock and poultry at shows and fairs. Last spring he showed the third place steer at the Fort Worth Fat Stock show.

Jim has served Valley Farms 4-H club as president, vice-president and secretary and is a director on the county council. He is a dependable reserve on the Hawk football team.

Mr. and Mrs. Joe Laird of Sem-nole, Okla., and Mr. and Mrs. Ernest Rogers of Abilene visited in the Harrel Sullivan home last week.

SWEATER NEWS

A smartly-styled pullover to dress up or down, as the occasion demands, this adaptable sweater of "Orlon" acrylic fiber comes in a wide range of light and dark colors. Luxuriously in the hand, it is lightweight, warm and comfortable to wear, and keeps its soft touch, even after washing, thanks to use of the Du Pont fiber. Cuffs and convertible collar of this Darlene sweater are lightly stitched for a scalloped effect.

Blue Birds

Happy Blue Birds took their first field trip this week, Wednesday. Mrs. S. B. Keeter and Mrs. Harry Hadley took the girls to Burk-burnett to the cotton gin.

After going through the gin and seeing the cotton coming in, in the burs and finishing up in bales, the girls were shown through the Burkburnett frozen food locker.

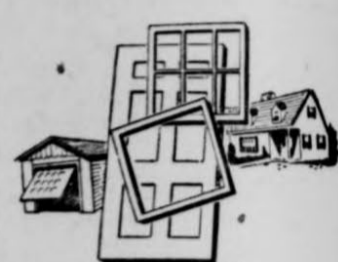

Sally Garrison furnished refreshments to Beverly Birk, Carolyn Fox, Barbara and Beverley Hadley, Karen and Steve Keeter, Barbara Thompson, Diane Watson, Mary Helen Wallis, Brenda Capehart, Donna Childress, Donna Stockton.

Mrs. Lella Grace Livingston is busy collecting state and county, school and water district taxes this month. She reminds taxpayers they can save 3 per cent on their tax payment by making them in October. Books are also open for payment of poll taxes.

FIX YOUR CAR

Millions of people are saving more money and getting more enjoyment out of motoring through do-it-yourself. Ever growing in popularity, do-it-yourself plans range from making your own furniture to building an entire house. Now it is possible to fix your own car with conventional wrenches and tools—no specialized equipment is needed.

Bill Toboldt, editor, Motor Service magazine, has written two books, Fix Your Ford and Fix Your Chevrolet, which describe step-by-step repair procedures, special shortcuts and labor-saving kinks used by top-flight mechanics. Special instructions are given for increasing gasoline and tire mileage. The Chevrolet manual covers models from 1940 through 1955 and the Ford book covers models from 1932 through 1955. The books may be secured for just under three dollars from the publisher, Goodheart-Willcox Co., 1321 S. Michigan Ave., Chicago.

Senior News

Tuesday was a busy day for the annual staff. Students' pictures were made in senior and junior high schools. Everyone seemed excited.

Srs are patiently awaiting their rings. We have a suspicion they are here, so all the kids are asking their parents for money to pay for them.

Last week was time for six weeks tests. Someone flied the government test and everyone was given a much harder set of questions. We think lots of people are sorry now. (Well?)

The lovebug finally has caught up with Delos Whisenant.

Some of the football players were bashful about giving their colors to a girl. Norman finally let loose and gave his to Doylene. How about that, Doylene?

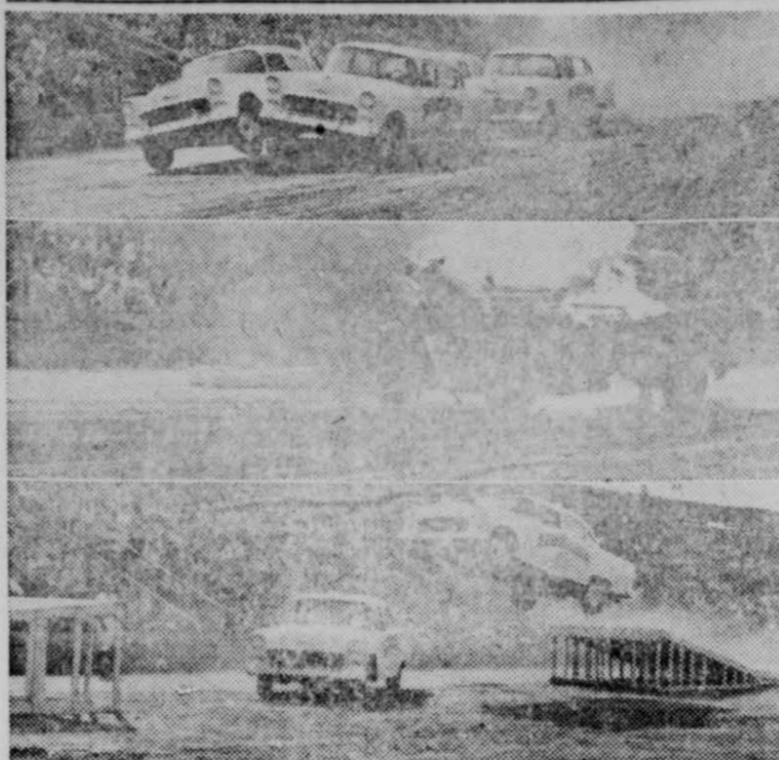

Four Sr girls rode the Ag bus to the state fair Saturday. They had lots of fun, I know! Norman and Bruce also went to the fair that day. Bruce went to sleep while riding on a cart drawn by a tractor. Later the two flaked out under a nice shade tree near the lake and went to sleep. The four fens were about 20 yards from them and no one knew it until Teen Town Saturday night. Ain't that a shame! Sue and Jerry also went to the fair.

Everyone is invited to Teen Town Friday night after the Paducah game.

Some of the basketball girls attended a clinic in Denton, Saturday. It was hard for them to get up at 5:30 when they had gone to bed at 2:00 a.m. They had the opportunity to see Bowie girls work out and learned some of their plays.

Thrill-A-Second at State Fair Show

Split-second timing and death-defying stunts are the ingredients of the exciting Joie Chitwood Thrill Show, to be presented in 25 performances in front of the Grandstand during the 1955 State Fair of Texas, Oct. 7-23. Top, a precision driving exhibition at speeds up to 60 miles an hour; center, a hard-headed daredevil, strapped to the hood of a speeding car, crashes head-first through a flaming barrier; bottom, the thrilling and dangerous ramp-to-ramp jump by one speeding auto while another car zooms underneath.

1955 UNICEF Greeting Cards

The last classroom hour before the dawn of the Moslem Eid-ul-fitr holy day finds pigtail-crowned Algerian boys learning their lesson on the Sahara sands. The scene is one of the colorful new series of greeting cards for the coming holiday season, now on sale for the benefit of the U.N. Children's Fund. The designs have been donated by the noted French illustrator, Edy Legrand.

Chesher Reunion

About 75 relatives of the late Mr. and Mrs. G. W. Chesher met for their annual reunion recently at Henrietta. Four children of the pioneer couple were present: L. L. Chesher of Iowa Park, G. W. Jr. and Mrs. Ruth Edwards of Post-oak.

Mrs. R. H. Chesher of Holliday was elected president and Mrs. W. D. Vestal Jr. of Iowa Park, secretary-treasurer of the group.

The next reunion was set for the first Sunday in October, 1956.

'56 Chevrolet sets new Pikes Peak record in top-secret test!

Not long ago a hush-hush, camouflaged '56 Chevrolet scorched the nerve-breaking road up Colorado's Pikes Peak for a new NASCAR® certified record—the first time that old King of the Mountains has seen a new official stock car record in years! And what a road! 170 chilling turns and no guardrail! It's the first and only time a new model ever proved itself such a great road car before its introduction! The '56 Chevrolet showed the kind of performance that makes driving safer and more fun. So wait for the car that beat the King of the Mountains!

From where I sit... by Joe Marsh

Tie This One
For Consideration—

Closed the office early last Saturday to go after pheasants with Pops Foster. I used fewer shells than the old gentleman and took home more birds—but not because I did better shooting. I'd borrowed a dog for the occasion. Pops took along Blue, his ancient pointer. Several times I noticed Pops walk up to a clump of bushes Blue had pointed at and fire into the air—though he hadn't flushed a single bird. Naturally, I wanted to know why. "Well," he said sheepishly, "I've been hunting with that dog for 11 seasons. His nose isn't much help any more—but I'd rather waste a shell than let him know." From where I sit, Pops always shows consideration for people, too. For instance, this is a small thing, but he puts a bottle of beer on ice for me when I visit him—though he never takes anything but coffee himself. Even if he doesn't agree with me on a matter of personal choice (which is his right) he'd rather not make a "point" of letting me know.

Jr. High Team To Crown Queen

Junior high school football boys will play Archer City next Monday night at 7:30. This will be the last home game.

At halftime the queen of the junior high team will be crowned. Linda Goewert has been chosen for this honor. Her attendants will be Peggy Underwood, Jo Ann Toler, Kathy Teal and Cynthia Tatom.

Co-captains Tony Waters and Jimmy Banks will crown the queen. Cheerleaders participating in the event will be Portia McManus, Phyllis Truett, Carolann Bates and Karen Thrush.

Everyone is urged to attend this game. Admission is 50c for adults and 25c for students.

Camp Fire Hike

Al-ku-la-na Camp Fire girls met for roll call in the home of their guardian Mrs. Burk Scott. From there they took a hike to the Experiment Station where Mr. Evans guided them on a tour.

They enjoyed the hay barn, sheep and cotton patch. Thanks to Mr. Evans.

On the return trail they had lunch on Mr. Burrows' creek.

Enjoying the trip were Linda Robertson, Sherye Compton, Tuggy Burch, Jo Ellen Cowden, Paula Gilliland, Elaine Sawyer, Angela Scott, Betty Engledow, Mrs. Earl Burch, assistant guardian, and Mrs. Scott.

J. C. Stegall is at home seriously ill following surgery last week.

Religious Freedom—A Great American First

The town crier of Williamsburg, Virginia, rings out the news of the American concept of religious freedom, to be celebrated as the theme of the Prelude to Independence Period. With the adoption of the United States Federal Bill of Rights, religious freedom was written into a national Constitution for the first time in history. At Williamsburg's Colonial Capitol, in the background, Thomas Jefferson's religious freedom bill was introduced and George Mason saw passed his famous Declaration of Rights, parent of the Federal Bill of Rights. George Washington was commissioned to fight the French and Indians, and Patrick Henry made his famous "If-thi-be-treason" speech here. The Prelude to Independence is celebrated annually in the restored 18th century city to commemorate the six weeks leading up to the Declaration of Independence, May 15th to July 4th.

The fund being raised for the Clare Warren family has grown past the \$4,000 mark and was increased by the Farmers Union this week as result of a chili and pie supper held in the Valley Farms Community House.

About 150 persons gathered for the event.

School Poets Are Honored

In observance of Poetry Day which was October 15, a contest was conducted for high school students here. Each year a similar contest will be held and those interested in poetry will be given an opportunity to enter.

So much interest was shown by students in the lower grades that all students of the school will be invited to participate next year.

Winning poem was "Dreamer" by Mary Ralston, Teddy Lynn Overbey's "Fall" and Shirley Morgan's "He Is Our God" received honorable mention.

Students interested in poetry are encouraged to begin now to look forward to next year's contest.

"DREAMER"

I often wish that I were free To roam this world by land and sea But now there is no journeying for me For no other place can I be But here in deepest misery.

I set my sights on higher things On jeweled crowns of olden kings On soars to heights with golden wings

With these happy thoughts my heart now sings But these things come true only in my dreams.

Once I have discovered the key To what was once a mystery That life is only a fantasy Then I'll surely be content to be What I am in reality.

"FALL"

Autumn leaves are falling, School bells are once more calling Though the wind is sharp, Its music is that of an Angel's harp.

Now comes the time for sweaters and coats, Gone are the days of swimming and boats. Behind is the time of Robins and Jays,

Now we must change from our barefoot ways.

But ahead of us are many great days, Days of assemblies, lessons and plays.

Back to the school rooms go the large and the small, All looking forward to a wonderful fall.

"HE IS OUR GOD"

Who made the sky, the sky so blue? God, the one for me and for you. Who made the thunder? Who made the rain? But most of all who made living man? God, the one with the helping hand.

Charles Quick of the navy arrived here this week for a 24-day visit with his parents Mr. and Mrs. J. Louis Quick and other relatives. Charles has recently returned from the Philippine Islands.

ESA Initiates Three Pledges

Mmes. Burk Scott and Bryan Farris were co-hostesses to members of Epsilon Eta chapter of Epsilon Sigma Alpha at a regular meeting Tuesday night.

Mrs. Rollin Roberts, president, conducted the initiation ceremony for new pledges, assisted by Mrs. Jack Coleman and Mrs. John Mixon, vice-presidents. The pledges are Mrs. Buck Voyles, Mrs. Raymond Cope and Miss Essie Caldwell. A ceremony of affiliation was also conducted for Mrs. Bill Reeves, who moved here recently.

During the business, members accepted the ways and means committee's suggestion for making felt Christmas tree skirts. They will be made of red or white felt colorfully decorated with bells, stars, reindeer, holly and other Christmas trimmings. Contact any member to place your order.

Plans were made for members to attend the District VI meeting on Sunday. The local chapter has furnished three district officers: Mrs. Alan Berry, vice-president; Mrs. Farris, treasurer; and Mrs. John Clapp jr., reporter.

Committees were named for planning the annual Thanksgiving dinner on Nov. 13.

Mrs. Roberts led the group in a memorial service in honor of Maye Mitchell Kelley. Maye was a charter member and served as the chapter's first president.

Refreshment plates and favors of Halloween mask with silver letters "ESA" were served to Mmes. I. W. Corder, Ted Overbey, Johnny Crawford, Louie McCarthy, Malcolm Mills, W. A. George, Lee Perry, Ray Rutherford, Ray Watson, Lavere Thompson, Misses Rayden Brown, Ela Simmons, those previously mentioned, and Mrs. Elmo Traylor, a guest.

J. F. Hall of Heavener, Okla., visited last week here in the home of his sister Mrs. J. A. Churehman. Mrs. Hall's daughter from Shawnee, Okla., visited here Saturday and Sunday, and Mr. Hall returned to Shawnee with her for a visit.

Mrs. Marye Eckelkamp Explains Milk Prices

Has your milk bill gone up recently? In most cases it has, and some three cents a quart. For the benefit of milk consumers, I want you to know the producer milking the cows didn't get that increase.

Milk in bulk is sold by the hundredweight on a 4 per cent butterfat content basis. Processors are now paying about \$5.25 per hundred pounds with a 4 per cent butter fat content. In your lingo that means cream. In contrast the consumer is paying about \$11 per hundred based on the state law of 3.2 per cent butterfat.

Figure it yourself: it takes 48 quarts of milk per hundred at 23c a quart. It might surprise you to find out that much milk sold won't even test 3 per cent cream content. Or, if you want it another way, the producer is selling for 11 cents richer milk to the processor than the consumer gets for 23 cents.

When the milk price went up, the processor got an increase of \$1.44 per hundred, the dairyman got an increase of 25c. Besides that, you can find big milk trucks from Wisconsin at one of the larger plants almost anytime. I have seen them myself.

Most of our city folk don't realize the full situation concerning production of milk in this area. Although your milk price has stayed about the same the past 10 years, the price paid the farmer has dropped as much as \$1.50 a hundredweight. Consumers have never been given the decreased price in proportion.

To further stress what is happening in the milk industry in this county, dairy after dairy has sold out the past few months. For instance, from Iowa Park the Parish Dairy, Stanley and Carl Williams, Carroll Anderson, Ray Williams, Lehman and Lehman, J. D. Chastain, Elgin Denny have either sold out or are selling; from Electra, H. J. Flusche estate and John Lee have sold out; from Burkburnett, Morgan and Gragg sold out two months ago. Why? Production at low prices, minus high costs of operation means a losing battle. Besides that, for no

Yarbrough-Petit Rites Are Set

Miss Jo Frances Yarbrough, daughter of Mr. and Mrs. R. L. Yarbrough, longtime Hollidans now in Wichita Falls, will become the bride of Richard Petit, son of Mr. and Mrs. J. H. Petit of Archer City, on Nov. 1 in a home wedding at the Yarbroughs'.

The bride-elect is a 1954 graduate of HHS. She played forward on the basketball team and was a district winner in tennis. She received the state degree in Future Homemakers of America and was FHA sweetheart during her senior year.

Jo Frances is now employed with the City National Bank.

The groom-elect is a 1952 graduate of Archer City where he was on the football and basketball teams three years. He is now employed in Archer City for W. A. Rodrick.

WHEN YOU BUILD OR REMODEL...

INSIST ON Modern Wiring FOR MODERN ELECTRICAL LIVING

The comfort and livability of your home depend to a large extent upon your wiring.

If your home has sufficient outlets and switches, properly placed, and an ample number of circuits, you will be able to make full use of the many conveniences of modern electrical living, now and in the future.

By planning wisely when building or remodeling, you will keep your home electrically modern and avoid troublesome wiring changes later. Your electrical contractor, architect or builder will help you plan modern wiring for your home.

Free Booklet

Tells you how to plan your home wiring for maximum convenience, now and in the future. Phone, write or come by for your free copy soon!

MODERN WIRING MEANS:

- 1 Enough electric outlets and switches, properly located, to assure maximum convenience and flexibility in the use of your electric service.
- 2 Enough circuits of large enough wire to carry electricity at full power to all of your lights and appliances.
