F. J. Maier, 75, Father of Mrs. H. M. Mahler, Dies Wednesday

Funeral services were conducted for F. J. Maier, Wednesday afternoon at the First Evangelical church in Wichita Falls with Rev. P. L. Davis, pastor, in charge. He was assisted by Rev. Guy Perdue, pastor of the Iowa Park Methodist church, and Rev. W. H. Mahler of Wichita Falls.

Death came to Mr. Maier, Monday afternoon in a Wichita Falls hospital following a short illness.

Born in Russia in 1874, Mr. Maier came to America when he was 13 years of age. He settled in North Dakota where he stayed until 1907, when he came to Texas.

He lived in the Bowman community for two years before moving to Wichita Falls. He lived there until a few months ago, at which time he came to Iowa Park to stay with his daughter Mrs. Herman Mahler, because of ill health. He was employed at Levine's department store for 14 years.

Mr. Maier was married to Miss Margaret Schulze in North Dakota in Feb. 1895. She preceded him in death April 19, 1939.

Burialbearers were Elbert Finkler, Herman Mahler, John Nitschke, Walter Ford, Ray Anderson and Bill Bigham, all of Wichita Falls. Burial was in the Bowman cemetery under direction of J. A. Tanner Funeral Home of Iowa Park.

Survivors include two sons John and Fred of Wichita Falls; three daughters Mrs. Anna Miller and Mrs. Joe Steele of Wichita Falls and Mrs. Herman Mahler of Iowa Park; a foster son Chief Petty Officer Walter Klein of Sheffield, Ala.; two brothers John Maier of Ashley, N.D., and Jacob Maier of Odessa, Wash.; 13 grandchildren and four great grandchildren.

Your C. of C.

Approximately 40 merchants of Iowa Park have entered the new Welcome to Newcomers program sponsored by the merchants committee of the Chamber of Commerce.

The program will get underway about Sept. 17, retroactive to September 1.

The merchants committee has tried to give each firm an opportunity to enter the program. If, however, a merchant was not contacted and wishes to participate, he may do so at any time by calling the C of C office, 2431.

The Chamber will use water meter and light meter depositors as the source for listing newcomers. Therefore, if any newcomer is not called on within three days after she arrives in Iowa Park to make her home, she is requested to contact the Chamber.

A hostess from the hostess committee will call on the newcomer, welcome her to Our Town and present her with an envelope containing a gift card from each of the participating merchants. These, when signed by the newcomer and presented to the merchant will entitle the newcomer to an outright gift from each firm.

Since the merchants know the success of the program will depend largely on the way the newcomer is received, the merchant is getting the full co-operation of his clerks and will do all he can to make the newcomer realize that the citizens are glad to have a new family here, and that Iowa Park is really the Town of Friendly Living.

Revival Starts Sunday At Assembly of God

Wind, Hail, Rain Visit Lovell Farm

A freak tornado, accompanied by hail and rain hit the Lee Lovell home seven miles north of Iowa Park at about 5:00 Friday afternoon, Sept. 7 and did a great deal of damage.

The house was blown off its foundation, windows were broken, even the wallpaper was ripped from the walls of the home. Several out-buildings were destroyed and some large tanks were demolished or blown away.

Mrs. Lovell first discovered the approaching storm and notified Lee and their daughter Lynn. The family stayed in the cellar three hours while the elements raged outside.

Little damage was done at places in the neighborhood. The Lovells came into town Friday night around 8:00 o'clock expecting to see great damage wrought. Their story of their own storm was at first disbelieved by friends they visited.

Mrs. Lovell says, "I guess we'll just have to camp out there until the house can be repaired."

Softball Team Had Successful Season

Iowa Park has been well represented all summer on the softball diamonds of Electra and Wichita Falls by a team made up entirely of Iowa Park young men. W. D. Vestal and Pete Guthrie were managers and played on the team.

The records are not complete, but Vestal estimates that the Iowa Park team played at least 30 games this summer, winning about 20. The local boys took five of their last six games.

Being night games all the contests were played on foreign fields, with Tuesdays and Thursdays as the evenings of play. The men are working on plans for securing a lighted field here before next season.

Pitchers were Jackie Hodge, Doyle Koonce and Harrel Cage; catchers, Malcolm Mills and Gene Parish.

Weldon Phillips played 1st base; John Mixon, 2nd; Lawrence Gardner, 3rd; Sammy Shelton, shortstop; Andy Capehart, centerfield; Earl McKee, left; Pete Guthrie at right; with W. D. Vestal in a utility role.

Oil Progress Week To Be Observed Here

W. H. Wright, chairman of North Texas district of the Oil Industry Information committee, said this week that local chairmen in all towns of the 12-county district are making plans to publicize Oil Progress Week, Oct. 14-20.

He stated that oil companies and representatives of allied industries had offered encouragement to local newspapers in preparation of special sections publicizing the importance of the oil industry during Oil Progress Week this year.

"I hope that service station operators, bulk agents, producing companies and all firms and individuals associated with the oil industry will co-operate with A. L. Reed, local representative on the district committee, in making Oil Progress Week this year the most outstanding ever held," Wright said.

Most of the communities will stage a parade during the week of Oct. 14-20 to allow local citizens to see how much equipment is being used by retailers, wholesalers and producing companies in the distribution of oil products in the Iowa Park area.

Mr. Reed said that capable speakers would be available to address local civic clubs during Oil Progress Week.

Faculty Reception, Baseball Feature School's Opening

The first PTA meeting of the school year last Thursday evening broke all attendance records and was colored with super entertainment. Estimates of the number present ranged between 400 and 500.

Idea for the outdoor reception to honor the school staff was conceived by Mrs. Bratton Reeves, program chairman. Plans were carried into effect by Mrs. Geo. Lewis and Mrs. Lowell Short. They were assisted by Mmes. U. G. Barnhart, S. E. Watson, Andy Capehart and Royce Kimberlain.

The Hawk band under direction of C. L. Vaughn introduced activities with a 15 minute concert.

Mrs. J. T. New, PTA president, extended greetings to the group. Mrs. Short introduced faculty members. Each sat in the grandstand until being introduced, after which she found a place among the crowd.

Preceding the picnic supper Mrs. New conducted a business meeting at which members voted to buy a Rex-o-Graph machine for the use of the schools. The machine will be located in the office of the principal of the ward school.

A baseball game between the Long Sox managed by Pete Guthrie and the Short Sox managed by Andy Capehart provided hilarious entertainment following the meal. First ball Alan Berry was the sports announcer. And Rev. M. C. Yeagan umpired (?) the game.

Tom Ovington and Carl Walsh, clad in clown costumes, wearing masks, carrying balloons and the other unusual things clowns carry, crowded the entertainment to the margin of laughs and gaiety.

The battery for the Long Sox was C. E. Birk, pitcher, and D. O. James, catcher. Pitchers were O. D. Davenport, Scott Ralston, Bill Sawyer, Geo. Lewis, James Sewell, Arch Hughes and Jack Vestal.

Pitcher for the Short Sox was L. R. Trimm, with M. L. Smith catching. Players were Malcolm Mills, Walter Entekrin, R. B. Faulkner, Fred Parkey, Rollin Roberts, Avery Hooten, Royce Kimberlain.

The next PTA meeting will be Wednesday, Oct. 10 in the school auditorium.

Bank to Sponsor Beef Calf Program of Local School

F. E. Hill informed J. K. Bradshaw this week that the State National bank will sponsor a commercial beef calf program this year for the agriculture boys who have feed and facilities for calves.

Working principle of the sponsoring program involves first that the boy be recommended by his teacher as being worthy and possessing adequate facilities. The bank then lends the money to purchase a good quality weaned beef steer.

For grazing and feeding the boys should endeavor to have a winter pasture of oats, wheat or hay. In the spring the calves should be put on native grass pasture and sidan. Supplemental feeding should start by July 1952 and be continued for about 90 days.

Mr. Bradshaw, vocational agriculture teacher at Iowa Park High School, describes the plan as a common sense, practical program. The Wichita Falls chamber of commerce is pushing the program. They plan to have a commercial calf show in Wichita Falls next fall. The calves will be graded and awards will be made to boys who made the most profit and raised the most feed.

Several local vocational agriculture students are interested in the project which will be sponsored by the State National Bank.

Presbyterian News

An all day meeting of the Women of the Presbyterian church Monday featured a general program and a Bible program. Time was devoted to making bandages for the White Cross project.

When the members assembled at 10:00, Mrs. J. B. Ridenour opened the meeting with prayer. Mrs. C. E. Birk led the general program entitled "Pine Turned Linn for the Sanctuary" taken from the book "Christian Patterns of Life." A prayer by Mrs. C. Birk introduced the program. Topical discussions dealt with the theme Is our church Christian? Where are we as a church? Where do we want to go? What will it take to get from where we are to where we want to go? How can we get what it takes to get from where we are to where we want to go? Those giving topics were Miss Clara Lowrance, Mrs. Locke Lowrance, Mrs. L. Shelton and Mrs. K. P. Abernathy.

The latter closed the program with a meditation by Charles Rann Kennedy, "The Servant in the House."

Miss Lowrance was in charge of the Bible lesson which was a study of the 6th commandment as outlined in the book "These Things Abide." Mrs. Ridenour supplemented the study with a devotional.

Mrs. M. C. Yeagan joined the group for lunch.

Mr. and Mrs. M. L. Smith visited his brother Rev. and Mrs. Frank Smith and family at Kerens last week. Their daughter Mrs. Joe Harris accompanied them to Hillsboro and took the bus to return to her home in Austin.

Hawks Seek Second Victory at Nocona; Archer City Falls 12-6

Iowa Park's three coaches have worked their football players hard this week trying to whip them into shape for their game with Nocona, Friday night. Although the game will have no bearing on conference championships, it will be a real test of each team's ability to go to the top in its respective conference.

Nocona is picked by the experts to win its conference title, while Iowa Park is rated at the bottom in 2A4 competition.

In the season opener last Friday night, Iowa Park served notice that the Hawks have been under-rated. Playing the team which beat the Hawks in the last game of 1950, the locals found a winning running attack that forced across two touchdowns. Archer City had scored first after a fumble gave them the ball on Iowa Park's 8.

Scoring for Archer City in the 1st quarter was Charles Crawford. The Hawks' first scoring play came in the 2nd quarter when Left Halfback Lee Roy Weiss raced over the double stripe following a perfect fake play by Quarterback Mickey Sewell and Fullback Ben Huckaby.

Alert defensive play by Hawks kept the home team out of danger and set up Iowa Park's second TD. Iowa Park recovered all three Archer City fumbles and both their own. Pass interceptions by the I.P. team also numbered three.

In the 3rd quarter, Huckaby took a pitchout from Sewell and raced around left and for 30 and Iowa Park's winning margin. There were no conversion points made.

The game was marred by two severe injuries to Archer City men. Pete Pettit, guard, was carried to the Wichita General hospital by Buddy Tanner, suffering a neck injury.

With 9 first downs to 8 and 5 penetrations to 2, Iowa Park was easily the statistical winner as well as the higher scoring team.

Pre-Fair Service Is Planned by Churches

Dr. W. Harrison Baker, district superintendent, Methodist churches in the Dallas district, has accepted an invitation to preach in Iowa Park, Sunday evening, Sept. 23, at 7:30 in the Fair Park Auditorium.

Most of the churches here are co-operating in a union religious service to precede opening the Fair on Monday. It is hoped some day that this service, annually, will be the official opening of Iowa Park's largest crowd attracting event, and thereby set the pattern for a high type Fair.

A program of good music is to be offered.

TB Association to Have Fair Booth

Miss Margaret Hall, executive secretary of the Wichita County Tuberculosis association, was in Iowa Park on business Tuesday. She reports seven definite and three suspicious cases of tuberculosis were revealed by the recent x-ray survey here.

The county association will have a booth in the exhibits building at the Texas-Oklahoma Fair. Exhibits of educational value will be displayed and each night a doctor will be present to explain the nature of tuberculosis to visitors.

Bands to Invade Fair Three Days

Class A bands of the area are coming in strongest to date for competition at the T-O Fair, according to Thomas B. Taylor of Wichita Falls, director in charge.

Between 25 and 30 bands are expected by deadline time. Trophies for winning bands will be on display at Max Kreutz's House of Music in Wichita Falls until opening day of the Fair.

Brothers on Same Ship

Charles T. Gregory, SN, and Robert B. Gregory, GMSN, sons of Mr. and Mrs. Thomas M. Gregory of King City, Calif., are both serving aboard the USS Moore, a destroyer escort. They were born in Iowa Park and lived here until eight years ago, when the parents moved to California.

Both are graduates of King City high school. Charles is the official barber on the Moore.

Mr. and Mrs. Gregory live at 408 South Vanderhurst, King City.

Don Paul Lemons, son of Mr. and Mrs. Elbert Lemons, Wichita Valley Farms, recently left Long Beach aboard the USS Erben, bound for Hawaii and Japan. From where I sit... by Joe Marsh
Easy Makes His "Cat" Tread Lightly

Driving home on Three Ponds Road yesterday, I was flagged down by Easy Roberts' boy Skeeter. "Take it slow," he advised. "Dad's crossing this road with our tractor, just beyond the bend." Around the curve I saw why Skeeter stopped me. Easy had laid two rows of old truck tires across the road, and was driving his "Cat" tractor over them!

roads belong to all of us—and I guess I'd get mad if someone else chewed them up. From where I sit, Easy is my kind of citizen. He doesn't just give democracy lip service. He honestly believes it's his duty to consider the other fellow's interests. Whether it's the right to use the public highways or the right to enjoy an occasional glass of beer, Easy's out to protect his neighbors' "right of way."

Farmers Union speaks

By DON STABER

The Farmers Union national convention will be the greatest of all Farmers Union conventions — a Golden Jubilee celebration near the site of the Farmers Union founding. This convention will get underway on Monday, March 10, 1952 at Dallas.

The Farmers Union national executive committee meeting in Denver in July approved the time and date and also gave approval to Pres. Jim Patton's plan to make the meeting outstanding in Farmers Union history to celebrate our 50th birthday.

It just happens that Dallas is about 40 miles from Point, Texas, where the Farmers Union was born. One of the features of the convention will be a pilgrimage to the FU birthplace.

President Truman has been invited to speak to the convention on March 10. The president did not say whether he would, but it is hoped he will accept. Pres. Patton of the Farmers Union told Truman that Dallas would be "a good place to speak in 1952."

Headquarters for the convention will be the Baker hotel in Dallas. As of now there is an abundance of rooms, but as convention time nears, there will undoubtedly be a scarcity. Plans should be made now. It is hoped that as Fair time rolls around, all farmers and town people will take all types and kinds of exhibits to help make the Texas-Oklahoma Fair the biggest and best ever.

Fred Widmoyer Jr. is visiting his parents here. He plans to continue his work at Iowa State college, Ames, this year.

The FAMOUS
Low Prices—Now and Always

Valley View

By Mrs. Roy Lakey

Home at last! After a summer filled with pleasure and a little work thrown in, I'm glad to be home.

However, after the cool climate, to come into over a 100 degree weather certainly doesn't make one feel peppy. Most of the time in our group there were people up in the twenties. They were your friends and mine. Mrs. Buena Coleman and her brother Dr. Melvin Comak of Wichita Falls; for a time her daughter and granddaughter Shirley Smith and Ricky. Her son Jack and family of Iowa Park. The Chenaults (Rilla and Lester) of Grand Prairie. Sarah and Haywood O'Bryant of Dallas. Sue and Noel McKinney of Abilene. C. T. Moores of Wichita Falls. McQuiddies of Monahans. Jo and Mike Locascio and the Kelly Chisms of Wichita Falls. Also Paul and Kathleen Coppock.

Charlie and Harriett Coppock of Iowa Park. The Tallants of LaFores. Jean Chenault and her husband Bill Wells of Fort Worth. We all had guests during the summer, some you will know. The Oran Freemans of Wichita Falls, Vaughn and Flossie Jones and son of Valley View, Joe Chandlers, Rev. and Mrs. James H. Westbrook and Lucy Jim of Wichita Falls, Ernest and Bernice Schultz of Channing, Sid McKinney and family of Abilene. The Homer Boohers and Rev. and Mrs. Greenhaw and family of Wichita Falls. Miles and Cleo Hines of Lubbock.

There were several families to come and go all summer in the Cox Drilling company cabin, whom none of us knew until their first visit. The last week Mr. and Mrs. Dick Parker and family of Wichita Falls were in the Cox cabin. A nice couple. He is Phillips geologist and was quite interested in the old mine.

The Charles Ray Phillips of Colorado were our guests the last week. Many of you have met them.

There was never a dull moment. I warrant you. When Sunday comes we gather for church under the pines with a portable organ to sing by, with Buena Coleman playing. There are a number of preachers who have cabins and others visit. Mrs. Coleman's brother was there the last Sunday we stayed, August 23, and did the preaching.

The Amarillo Maverick Boys club has a camp just below us. The boys every summer do acrobatics and tumbling for the church people, so that was the Sunday for them to perform. They are good. The smallest looked to be about eight years old, and others ranged up to 15 or 16 years.

The Iowa Park Herald is read far and wide, I'm beginning to think. Everywhere I've been and everyone I've seen say they miss my article. That was a surprise to me, for it's been such a joke at our house.

Folks never think to call any news so I've acquired the habit of listening from all sides when I'm among people. I've noticed my ears look larger lately, too! Sometimes I have to resort to my own family to have something to put in.

Hope you don't get bored.

Mr. and Mrs. Odie Evans have moved into the house formerly occupied by the C. L. Hacker family. Mr. and Mrs. Hacker bought the

Neal place and remodeled the house into an attractive place.

Mr. and Mrs. C. L. Adams have been visiting in Kansas, also in the home of their son and wife at Ponca City, Okla.

Miss Etta Kay Budd was honored with a bridal shower at the home of Miss Wilton Wilson in Wichita Falls recently. Miss Budd became the bride of John O. Riley Stringer of Houston, Sunday, Sept. 2 at 5:00 p.m. in the Methodist church at Petty. Etta Kay taught in our school system the past two years. We all wish her happiness. Miss Wilson will be married in October. She also is a former Valley View teacher.

Mr. and Mrs. Marvin Pine of Wichita Falls were visitors in our home Sunday afternoon.

Rev. House, Roy and I attended the meeting at First Methodist church last Thursday evening in Wichita Falls. A large crowd and it's good to see so many young people taking part. Among them was our own Betty Jo Hatten of Iowa Park.

Monday afternoon the WSCS met at the church in business session. Plans for the year already discussed were started. Luncheons will start this month, and we invite everyone to come get all you want for \$1. The date is Sept. 18, which is the third Tuesday. Let's all the women take an active part in our WSCS, starting now with all vacations over. We are to start visiting everyone soon. Everyone visiting someone else. We had a good year—last year, let's make it even better this year.

We want to welcome the teachers back with us this year, also extend to the new ones our welcome and best wishes for a good year in our schools. We hope they like us and our community and will want to come back next year.

Mr. Watner was principal at Sanderson high. Mrs. Kate Robertson is staying in the teacherage. She has taught in Grayson county and lives at Sherman.

Mrs. Amy Lewis has charge of the cafeteria this year. I'm sure there will be some good meals. Hope they let us teachers eat with them now and then.

BAPTIST W.M.S.

"Parallel Progress in Stewardship" was the subject of the mission program presented Monday at 9:00 a.m. by the Blanche Groves circle after the devotional on "She Hath Done What She Could" by Mrs. Carl McKinnon. Mrs. T. M. Thaxton told some interesting facts of our progress assisted by Rev. Easterwood.

Selfishness and Faith were subjects discussed by Mmes. L. E. Brooks and Avery Hooten.

Following this program the Sallee Morgan circle lead Mrs. E. W. Sumrall opened the week's Program for State Missions. The subject announced for the week was "That They Might Be Saved," and each program through the three days discussed some means by which they may be saved. Mrs. Ada Curry brought the opening devotional on "Jesus, the Cornerstone."

Mrs. J. A. Berg discussed "What Are We Doing for Inter-racial Groups in Texas." Mrs. Sam Hill had the topic "City Missions." This was followed by a talk on the needs of our local field by Mrs. Marietta Thompson.

Mrs. Curtis Hill conducted a business session during which Mrs. McKinnon announced chairmen for the new year and community mission assignments were made.

Those present were Mmes. L. E. Brooks, Doris Brubaker, Ada Curry, Nannie Easterwood, James Easterwood, E. W. Sumrall, Everett Sewell, Marietta Thompson, Roy Smith, T. M. Thaxton, Carl McKinnon, Earle Denny, J. A. Berg, Sam Hill, Avery Hooten, Curtis Hill, R. R. Brubaker.

Circles meet Monday for mission study; Blanche Groves at 10 a.m. with Mrs. Thaxton. Sallee-Morgan with Mrs. Curry at 2:30. Ruth in the church parlor at 2:30. Mary-Martha in the nursery at 3:00.

Those who attended the annual meeting of the Wichita-Archer Baptist association at Burkburnett on Monday were Rev. and Mrs. James N. Easterwood, Mr. and Mrs. L. E. Brooks, Mmes. Avery Hooten, Jim Miller, L. C. Hill, Carl McKinnon, Lila Traylor, R. R. Brubaker, O. M. Jones, Deloss Kagy and a group of R.A.'s.

Returning Trippers Bring Cool Weather

Mr. and Mrs. E. E. Wallis and Mary Helen returned last Friday from a 10 day vacation spent in Colorado. They reached here just a couple hours before the dust storm and rain which broke Iowa Park's heat wave and drouth.

They left Aug. 25 for Denver and met Mr. and Mrs. Carol Hester and Carolyn of Lueders at the home of Mr. and Mrs. Glen Apple. All went to Evergreen and stayed in a cabin. The Hesters went on an extended tour while the Wallises and Apple families returned to Denver for a few days' visit before the Wallises returned home.

Tufares Seeking Information Here

State Rep. Deno Tufares of Wichita Falls was in Iowa Park this week surveying the needs of the county. He would especially like to hear from any old age assistance receiver, his family or friends, who have any complaints or suggestions for the betterment of the program.

Another topic Deno is interested in is the traffic in narcotics, especially as it affects juveniles. He is to make a report soon before the crime investigating committee and would like any information bearing on the subject as it affects this part of the state.

Stronger measures to halt the traffic in narcotics are in the making and Tufares is anxious to obtain information and opinions on the subject.

Miss Zada Lemond Weds Fred Glover In Church Parlor

Two arrangements of white asters which topped wrought iron standards entwined with plumose fern provided floral decorations in the nuptial space of the parlor of the Baptist church Saturday evening for Miss Zada Fayne Lemond and Freddie Eugene Glover of Wichita Falls to exchange marital vows.

The flowers flanked a greenery bedecked table which was centered with white candles in five-branched candelabrum. The setting was reflected in a large mirror framed with garlands of jade and centered with a cluster of wedding bells which hung on the wall immediately behind the improvised altar.

The ceremony was performed at 7:30 by Rev. James N. Easterwood to unite the daughter of Mr. and Mrs. Charlie Lemond of Iowa Park and the son of Mr. and Mrs. F. F. Glover of Wichita Falls.

Miss Barbara Butts, pianist, furnished wedding music.

September was selected by the bride and groom for their wedding for sentimental reasons, being the month in which the brides parents and two sisters Mrs. H. L. Kingcade and Mrs. Raymond Williams were married.

When given in marriage by her father, the bride was attired in a white linen frock patterned with a low rounded neckline topped with a narrow collar. Interest on the skirt was created by a side box pleat trimmed with buttons. The bride wore a smart of the face navy velvet hat and other navy accessories. The bridal bouquet of white gardenias was carried atop the groom's Bible. The something old and something blue was a blue silk handkerchief made from the material in the bride's mother's wedding dress. Her something borrowed was a strand of pearls belonging to Mrs. Joe Dorsey.

Miss Margie Lemond served her sister as maid of honor. She chose a blue linen dress styled along "dental lines" of the bridal costume. She wore black accessories and a gardenia corsage.

Lee Perry acted as best man for the groom.

Following the ceremony the newlyweds departed on a trip for New Orleans and other points in Louisiana. Upon return they will be at home at 304 East Bank street.

The bride was graduated from Iowa Park High School in 1947. She attended Hardin college and was employed in the office of G. C. Gambill in Wichita Falls before accepting a position with the State National bank and attorney Jno. C. Murphree, which position she now holds.

The groom attended Wichita Falls high school. For the past six years he has been employed at General Mills there.

Mr. and Mrs. Roy Lancaster of Vernon were visitors in Iowa Park, Thursday morning.
