Stewarts Celebrate Fifty Years Together; Forty-Eight Spent in Texas; Openhouse Given

Mr. and Mrs. M. M. Stewart, who observed their Golden Wedding anniversary Friday, Aug. 10th, were honored at a surprise openhouse reception Sunday afternoon at the home of their son in law and daughter Mr. and Mrs. Floyd Busby.

The Busby home was especially cheerful and inspiring for the occasion with a distinctive note being achieved in the rich golden color which governed all decorations and appointments. In the living room where guests were received by the host and hostess, gold chrysanthemum daisies were used in the ornamental picture. A cluster of golden wedding bells was suspended above the archway leading into the dining room.

The dining table was an exquisite sight, the cover being an attractive combination of rich gold satin under an imported Chinese lace cloth. Each table appointment, beginning with miniature gold wedding bells which dotted the gold daisies in the central bouquet, was suggestive of the occasion. Marking one side of the table was a two-tiered cake decorated with wedding bells and roses and topped with an appropriately attired bride and groom. On the other extremity the gold punch further emphasized the 50th anniversary theme. The foreground of the refreshment table was designated with white tea napkins inscribed "Mr. and Mrs. M. M. Stewart, 1901-1951" in gold lettering.

During the reception Miss Patricia Craft, the honored couple's only great-grandchild, presided at the guest book. Assuming duties of serving were Mrs. Ole Lazenby of Wichita Falls and Mrs. Homer Blalock. Mr. and Mrs. James Cates assisted with entertaining the guests.

Mr. and Mrs. Stewart were born in Roanoke, Ala., he on Oct. 10,

1891, and she on Jan. 20, 1892. They were married Aug. 10, 1901, by Rev. Culppeper, pastor of the Roanoke Baptist church. After the wedding ceremony at the home of the bride's parents, the couple attended a baptismal service of the Christian church.

Mr. Stewart says it cost him \$2.50 to get married, \$1.50 for the license and the other dollar going to the minister. He has not forgotten how he had to work for five days at 50 cents a day to earn that money.

Mr. and Mrs. Stewart came to Texas in 1902, settling first in Hunt county. They have lived in Wichita county for the past 28 years and have been in Iowa Park 15 years.

He has been a farmer most of his life. However, he operated the Stewart Grocery store on the K-may road for 5 years.

The Stewarts have seven children. They are Mrs. Busby and Mrs. Minnie H. Cole of Iowa Park; Mrs. Minnie Lee Williams of Wichita Falls; Virgie Stewart of Caddo; Vernon Stewart of Jackboro; W. C. Stewart of Wichita Falls; and E. A. Stewart of Iowa Park. Another son Hoyt was killed on Saipan during World War Two.

They have 16 grandchildren and the one great grandchild.

Mrs. J. A. Capehart of Wichita Falls, a sister of Mr. Stewart, attended the reception Sunday afternoon. He has another sister in Alabama and a brother in Georgia.

One sister and two brothers of Mrs. Stewart helped to make Sunday afternoon a memorable event. They were Mrs. Lillian Travis, J. B. Jeter and W. J. Jeter, all of Wichita Falls. Another brother O. D. Jeter, also of Wichita Falls, was ill and unable to attend. Mrs. Stewart has a sister in Alabama, a brother in California and a brother in Greenville.

forts have been rewarded by high praise from music contest judges and other band directors in this region.

He has developed a well rounded band in Iowa Park. The concert, marching, twirling and individual performances of Iowa Park musicians have been a source of great pride to all the community and especially to the Band Boosters, who have worked hard to raise money for suits and instruments.

R. H. "Red" Skinner visited his mother Mrs. C. H. Skinner over the weekend. He suffered an injury in Korea last fall and while here had a severe attack which forced Tanner Funeral Home to take him in the ambulance to Fort Sill for treatment.

PTA Course Held At Sand Beach

Mrs. Archie Bryant, president of the Wichita County Council Parent-Teacher association, was hostess to members of the executive board of the local unit at Sand Beach in an all day meeting last Friday.

WINNERS ARE NAMED IN COLOR PORTRAIT CONTEST

Ann Smith, daughter of Mrs. J. E. Smith, has been chosen winner of a color portrait contest recently conducted at the Parkway theater of Iowa Park. She will receive a \$25 bond and her picture will be entered in a national contest. The winner of that contest will receive a trip to Hollywood and a chance to be screen tested for the movies.

Second prize in the local competition goes to John Rollins Woodall, son of Mr. and Mrs. Rollins Woodall. Little Johnny Parish, son of Mr. and Mrs. John Parish, took third.

Church Women Are Working on Two Service Projects

The devotional for a meeting of the executive board of the Iowa Park Council of Church Women at the home of Mrs. Gordon G. Clark, Wednesday morning was brought by Mrs. Chester E. Gleason, World Day of Prayer chairman.

Featuring an analysis of the 23rd Psalm as interpreted by Dr. Julian Mark, senior rabbi, Congregational Emanuel, New York City, the separation of the familiar scripture embraced guidance, suppliancy, peace, harmony, health, honesty, resignation, confidence, protection, comfort, provision, consecration, abundance, joy and consciousness of divine love.

Mrs. C. E. Birk directed the period devoted to business. She read a letter from Mrs. John R. Hanna, state chairman of Christian world relations department, explaining the OWR program which will be carried through the next four months.

Two projects which command local attention at present were discussed by Mrs. H. W. Weaver, clothing drive chairman, and Mrs. Sam Hill, chairman of World community day committee.

Mrs. Weaver announced a clothing and shoes drive to begin immediately and terminate during United Nations Week, Oct. 21-26.

Still another project is the aid to homeless which is to be expressed through a collection of warm used blankets, cleaned and mended. They will be dedicated at World Community Day program, Friday, Nov. 2, and sent to the nearest Church World Service center for distribution among the homeless in critical areas of the world.

Also dedicated at the November meeting will be contributions toward Ecumenical Scholarships which will go toward specialized training for young people of many lands. These funds will be above the regular World Community Day offering. Mrs. Hill announced the theme for World Community Day is "Live Thy Faith."

During the morning, plans were made for a district council meeting at the Presbyterian church, Friday, Sept. 21. Mrs. Gordon G. Clark, district president, and Mrs. C. E. Wichita County FARM BUREAU Newsletter

WHO WILL SPEAK FOR FARMERS?

Farm people are faced with a choice which may have much to do with how they will live and work in years to come. There is a strong move to organize farm thinking from Washington to strengthen the hand of the ruling powers. On the surface this move seems all constructive and harmless, but it is loaded.

The Department of Agriculture will carry out a poll of farmers to get their grassroots thinking. First a great deal of educational material will be showered on the country through farm information sources. Farmers will then be asked to hold discussion groups and report their findings to local PMA committees and make them the means of bypassing farm organizations in getting farm opinion to the nation's capital.

Many of your neighbors will take part in this plan. They will do so in all sincerity, convinced they are doing a real service to their community.

Nevertheless, they are part of a semi-political system whereby the ideas of political appointees in Washington are siphoned down through to the community level. Here these ideas are juggled around until they get a local flavor, and are then sent back through the same organization to be laid before Congress as true farm opinion.

This process always works best when there is a war emergency to give it push. Many good things will be said, and by good and honest people but it is dangerous for us to forget what is going on. When grassroots thinking is harnessed by Washington, it isn't grassroots thinking at all. It's government thinking.

Do we really want to bypass our farm organizations for this kind of system?

Naturally, farm organizations are not perfect either. Sometimes they lose touch with the thinking of their own members.

But they can't be controlled by government officials trying to keep their jobs. And every organization has the chance to spank or change its own leaders when they get out of line.

In the Prairie Farmer States, Farm Bureau has the greatest strength. It is essentially conservative in policy, but it has made a great record fighting for legislation favorable to agriculture, even when such legislation was opposed by conservatives. The Farm Bureau has become a mature organization through the years, struggling hard to hold together the diverse interests of farm people in various parts of the country. It has had the courage to say No to political offerings.

The National Grange is another fine farm organization with roots deep in the traditions of our country.

There are scores of farm organizations interested in special lines, such as conservation, livestock, crops, fruit growing, and the like.

These provide plenty of chance to discuss farm programs and special problems, and to influence policy. On the educational side, farm people have the help of the extension service, which draws its support and direction from local people and the state agricultural college, but is under no obligation to promote the Washington line.

It seems to us that now is the time to build strength of our own farm organizations rather than bypass them for a tailor-made government substitute.—Prairie Farmer.

This report is from a survey of Department of Agriculture known as "family farm policy review" being carried on in every county in the United States.

SOCIAL WORKERS NEEDED

The State department of Public Welfare is looking for field workers and child welfare workers. The salary range normally is \$230 to \$360. Applicants for the field worker job must have completed 60 semester hours of college work, or 30 hours plus one year of full time paid social work in a recognized welfare agency. The child welfare position requires applicants to be graduates of an accredited four year college.

Modern Music Study Club Year Promises Varied Programs Here

The place of music in the life of an individual, the church and the community is exemplified with a profound appreciation in Iowa Park.

To a great degree the members of the Modern Music Study Club, which was organized in 1939, are fully aware of the power of music to inspire people to the high and holy things of life, to interpret the moods of humanity and to become the voice for depressing sorrow or ecstatic raptures. These things are reflected in the programs which are presented throughout each club year.

Mrs. O. E. Lochridge is serving the second consecutive year as program chairman. Other committee members are Mrs. O. R. Owens, Mrs. James A. Sewell and Mrs. C. W. Coppock.

Mrs. Paul Zink is president and Mrs. Lochridge is vice-president of the club. Others on the official slate are Mrs. Ida Chatelain, secretary-treasurer; Mrs. Otis Gay, historian; Miss Bihyle Kidwell, parliamentarian; Mrs. Sewell, choral director; Miss Mary Butcher, reporter; Mrs. Joe Chandler, chairman, picture show music; Mrs. Bess Smith, telephone committee; Mrs. Wayne House, Mrs. Lowell Short, tellers; Mrs. Sewell, Federation district chairman, music in the home and community; Mrs. Gayle Park, Federation district chairman, radio music.

The club meets on the second Thursday of each month at 7:30 p.m. from September through May. The club motto is "Press toward the mark" (Philippians 3:15); the colors are green and white; and the flower is petunia.

Each meeting is opened with the Federation hymn and Federation collect, the latter revealing the purpose of the Federation to bring the spiritualizing force of music to the inner life of our nation.

Among members of the Modern Music Study club are outstanding organists, pianists, vocalists, choral directors and singers, and dramatic readers. Twenty three active members and one associate member complete the club roster.

These include Mmes. W. C. Albright, T. M. Black, Joe Chandler, Ida Chatelain, C. W. Coppock, Otis Gay, Chester Gleason, Lester Hawkins, Wayne House, Arch Hughes, Cecil C. Jones, O. E. Lochridge, O. R. Owens, Preston Pace, Gayle Park, J. Louis Quick, James A. Sewell, Lowell D. Short, Bess Smith, W. G. Steele, Paul Zink, Ruby Monroe and Miss Ethyle Kidwell and Miss Mary Butcher.

Initial meeting will be a family picnic Sept. 13 at the Beaver Creek Home Demonstration park.

In October the theme will be "The Club Performs" with each member participating. Miss Kidwell is to lead the program when members are entertained by Mrs. Park and Mrs. Gay. Mrs. Hawkins will present a book review "The Life of Bach." Artists to appear on the program are Mrs. Sewell, Mrs. Gleason, Mrs. Lochridge and Mrs. Park. "Jesu, Joy of Man's Desiring," organ and piano number, will be rendered by Mrs. Lochridge and Mrs. Sewell. The hostess group for the November meeting will be composed of Mmes. Quick, Smith and Lochridge.

The annual Christmas party will take place Dec. 13. Those sharing hostess duties will be Mmes. Coppock, Albright, Pace and Black. Program plans will be announced later by Mrs. Chandler, chairman for that meeting.

A program which is being anticipated with a great deal of pleasure is the guest program set for an 8, which will feature Dr. Nita Akin, organist, and Cecil Lapo, minister of music at the First Methodist church of Wichita Falls. Due to illness last winter, Dr. Akin was unable to appear in an organ recital so she has been asked to fill the engagement this year. Composing the hostess list will be Mmes. Hawkins, Short, Owens and Miss Butcher.

"American Folk Music" will be the subject of a review given Feb. 7 by Miss Butcher. Club artists appearing will be the Madrigal Singers, Treble Clef Trio, Mrs. Gay, Mrs. House and Mrs. Chandler. The business meeting will be highlighted by election of officers. Mrs. Jones and Mrs. Hughes will be hostesses.

The meeting of March 13 at the Christian church will observe Federation Day and Texas music. A Federation talk will be contributed

Mrs. O. E. Lochridge

by Mrs. Chatelain. Mrs. Short will present a group of Modern Music Study club composers and their compositions. This group includes Mmes. Smith, Steele, Sewell and Owens. Sharing doctess duties will be Mrs. Gleason, Mrs. House and Miss Kidwell.

On the evening of April 10 Mrs. Quick will give a book review "From the Masters." Musical selections will be offered by Mmes. Coppock, Sewell and Steele. Hostesses will be Mmes. Steele, Chatelain and Chandler.

The annual Easter program is set for Palm Sunday at 4:00 p.m. in the Baptist church. Mrs. Lochridge, the leader, will present two junior musicians, Barbara Butts, pianist, and Lou Ann Duke, vocalist. Also to be given is a musical drama written by Rev. Francis E. Barnes, former minister of the Christian church here. An ensemble featuring the organ, piano and violin will conclude the program.

Final program of the club year will be observed during National Music Week in May and will be planned by the president, Mrs. Paul Zink. As in years past this program promises to be a brilliant finale to the year's activities.

Mrs. Lucy Resigns To Take Wichita Falls P. E. Position

Mrs. Ruth Lucy, Iowa Park High School's physical education teacher and coach of girls' athletics, resigned this week, to accept the job as head of the physical education department at Wichita Falls high school.

In her eight years here as a coach and teacher, Mrs. Lucy has built a fine record of championships and near champions in both volleyball and tennis. Her volleyball teams have been district champions the past two years, and her tennis players have won high honors in both district and regional competition.

When Mrs. Lucy began her teaching career in Iowa Park she had only one year of college credit, but she has used her summers to work for a degree at North Texas State college at Denton, which she received in 1950.

Mrs. Lucy has a son, Mac, in his senior year this fall at Iowa Park High School. Mac has been manager of Hawk teams for several years, besides playing football, basketball and tennis.

Fellow instructors have paid Mrs. Lucy many compliments on her work, both in the classroom and on the athletic field. Mr. Thomas B. Taylor, band director, said Thursday evening, "I have seen in the school business many years, and I have never seen anybody who could work as well with students as does Mrs. Lucy. She has earned her new position by her efficiency and personality."

SEEKS RATE EXAMINERS

The federal government is seeking persons who can qualify for the position of electric power Rate Examiner. Appointees will receive salaries from \$4800 to \$6400 a year. The employing agency is the Southwest Power Administration. Positions are in Texas and several nearby states. Further information regarding these opportunities may be obtained at any first- or second-class post office or from the Director, Ninth U.S. Civil Service Region, St. Louis, Mo.

Your C. of C.

There was a time when people thought all industry meant "business with a smoke stack." Now we hear that anything that brings money into a community is considered industry.

Some wag has said that a tourist is worth two bales of cotton and easier to pick; and a tourist is anyone going from one place to another who stops in your town. It is estimated that the dollar he spends will change hands eight times in your town.

This tourist business is getting to be a big thing right here in Texas. Any place large enough to have a group of merchants can find some way to route people through their town.

We believe the utmost in town advertising was discovered in a small desert town. The sky was preheated to furnace temperature, the sky was a merciless blaze, the sun like an acetylene torch beating down on one's brain. Entering a cafe, our heat seared eyes searched the menu for something cooling and this is what we read:

"You will like the continuous blue sky, the golden sunshine and the cooling breeze of the scenic Mojave Empire."

"There are so many places to see, and so many things to do on this wonderful Mojave desert."

Compared to it—Iowa Park is a paradise.

Very soon we will have more than 150,000 visitors attending the Texas-Oklahoma Fair. Many towns would give their right arms to get that many people to call.

It's an opportunity for the merchants, too.

A program of work for 1952 is now being considered by directors of the Iowa Park Chamber of Commerce.

Realizing that the combined judgment of many forward-looking citizens is needed, questionnaires have been mailed this week to all members and many other businessmen in every branch of business seeking the answer to the needs of the town on which the Chamber of Commerce may co-operate.

Two simple questions were asked: What would you like to see done in your town? Would you be willing to help?

Officers of the C of C will welcome suggestions from anyone. Mail your card to the chamber office at your earliest convenience.

There are three methods for planning a program of work: by committee, by referendum, or by group meetings. On recommendation of the directors, the referendum form is being used this year.

Following receipt of suggestions from the citizenry, a committee will tabulate suggestions and a program of work will be built from the ideas.

President Alan W. Berry says the Chamber of Commerce is not a magician who can take a rabbit from a hat. A program of work means WORK, and there is no substitute for work to build success.

Newcomers to Get More Attention from Iowa Park Merchants

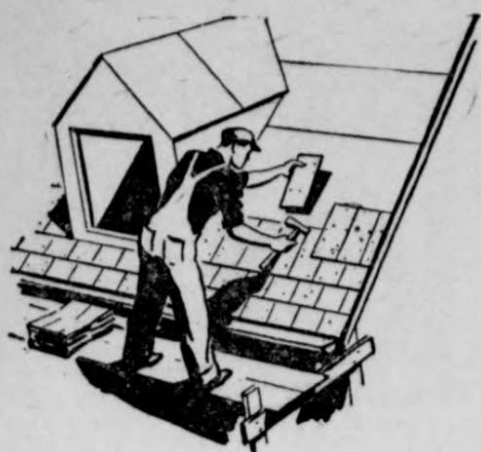

On endorsement of the Directors of the Iowa Park Chamber of Commerce, the merchants committee has adopted a Welcome to Newcomers program retroactive to January 1 and continuing indefinitely.

A letter of welcome accompanied by a merchants' discount booklet was mailed to all these newcomers whose names were listed on water meter deposits.

There are many others, says Mrs. Ruth Hill Yeagan, manager of the C of C, who live in apartments and are not on utilities listings. The manager invites all such new residents of Our Town to drop in and get acquainted while they pick up a complimentary discount booklet as a token of welcome.

Cliff Bookout and family of Hobbs, N. M., and Cecil Bookout and family of El Paso visited with their sister Mrs. W. B. Maggart, Mr. Maggart and family last week.

Mr. and Mrs. W. H. Huckabee and son Bobby and friend Jimmy Butts from Pecos, ate dinner one day this week at the Park In Drive Inn.

It won't be long now until it will be time for us to go to school. Of course some of us may have the attitude that Tommy has "Oh, they can't teach me anything!" Maybe not but I bet you could have a lot of fun while they are trying, and chances are you will learn something worthwhile in spite of yourself.

IT'S SURE BEEN HOT!

"This summer, I have put in a great many extra hours of work for my customers every day.

"Air conditioners, attic fans, evaporative coolers, and portable fans have been going full blast around the clock — 24 hours a day practically every day. High temperatures, lack of rainfall and many nights without our usual cooling breeze have combined to make it an exceptionally hot summer. Electric refrigerators have had to call on their reserve power to keep food fresh and wholesome at constant temperatures under 40 degrees and to maintain ready supplies of ice cubes and cooling beverages.

"Some electric bills may be higher during such extreme hot weather because of this extra work but now — when you're able to stay cool and comfortable in spite of the heat — is when your electric service really proves to be the biggest bargain in your home."

Publicity Man Dies

Funeral services were held in Fort Worth Monday for James M. Floyd of Dallas, advertising director for the Lone Star Gas company, widely known attorney and leader in community affairs dedicated to human welfare. Mr. Floyd was 50 years of age on April 29.

Men's Brotherhood of the Presbyterian church recently had their August meeting when Chaplain Brooks of Sheppard AFB was the main speaker.

Home made ice cream was the featured refreshment of the evening. This proved to be a novelty to some of the airmen, who had never before eaten the home made variety. Charles M. Hutson is president of the Men of the Church.

Candidate Deplores Trends in Washington

Walter Jenkins of Wichita Falls, candidate for Congress in the special election to be held Sept. 8, is hitting hard in talks all over the 13th district at the alarming decline in morality in government. "On the one hand, we have the influence boys and five percenters with their mink coats and free deep freeze units and payoffs under the guise of professional fees," Jenkins has pointed out. "On the other, we have character assassination based on unproved accusations. The whole picture is black."

Movies Taken at Birthday Party

Bobby's mother Mrs. Jean Weaver and grandmother Mrs. A. E. Bailey gave a birthday party in his honor and invited a group of his friends to share in the amusement. The birthday cake at once caught the eyes of the youngsters because of the four cowboy-shaped candles which topped it. Movies of the youngster as he opened his gifts and of the children at play were taken during the party.

Thinking Out Loud

By LYNN LANDRUM

JOE JACKSON

Eight men are running for Congress to succeed Ed Gossett in the Thirteenth Congressional District (Wichita County, Denton County, Cooke, Wilbarger, Montague, Hardeman, etc.). So far as the column knows, all eight of them are respectable citizens with clean records.

But it will not be overlooked that the Thirteenth District has in this election a very real opportunity to do a signal service to the State of Texas. The Democratic administration at Washington has taken from the school children of Texas the tidelands. It deserves a rebuke of the only kind which the present administration can understand. It deserves to be told that Texas is utterly angry and utterly disgusted with the treatment it has received. The Thirteenth District has the opportunity to send that word to Washington.

ALL-TEXAN

The Thirteenth District is all-Texan and all-American. And it has an honorable record in defense of the tidelands title of Texas. Ed Gossett put up a magnificent fight, recently climaxed with a magnificent victory on the floor of the House at Washington.

Now, there should be no unfairness to the candidates in this election. It is understood that all eight of them are in favor of the return of the Tidelands to Texas.

But if the Thirteenth District really wants to make the cold chills run up and down the backs of the Queer Deal politicians in Washington, it will turn out a whacking big vote for Joe Jackson. No-

thing else will do so much to make Harry Truman chew the staff of his pen before he signs a veto on the tidelands return. Nothing else in this race would have a greater effect upon the forthcoming Democratic National Convention, when it gets ready to decide whether it is going to let Harry Truman renominate himself.

QUITE A MAN

Mr. Jackson is quite a man. He talks the language of the straight shooter — and he shoots with both barrels when he has the target clearly in view:

"If Mr. Truman were running your business, the way he is running the country's business, you would be bankrupt right now. If he were your employer, and you were working for him, you would be out of a job at this very moment. . . . The whole platform of the Fair Deal party is against our fundamental principles. We believe in States' rights. We know the tidelands belong to the State. We don't believe in socialized medicine. We believe in economy in government spending. We believe in free enterprise. We believe in clean, decent, moral government. . . .

"Six years ago the United States was the most powerful nation on the face of the globe. We had the strongest army, the strongest navy, the strongest air force in the world. We had a monopoly on the atom bomb. Six years have passed; six years of conferences, of little wars like the one in Korea, of lack of leadership in Washington."

If the Thirteenth District doesn't like the situation, it has in Joe Jackson a wonderful messenger of its wrath.

School Opening Dates, Plans Announced, Faculty Listed

Iowa Park public schools will open for the 1951-52 session on Tuesday, September 4. Lunch will be served, all classes will be met, and the program will be carried out as near on schedule as can be for any first day of school, according to W. R. Bradford, superintendent.

All mothers having children entering school for the first time, six years of age, are requested to bring smallpox, whooping cough and diphtheria inoculation papers so as to avoid delay in starting the children.

Lunches will be served in much the same order as has been used in previous years. Pupils from the first through the eighth grades will pay 25 cents for lunch, teachers and high school pupils will pay 35 cents and all adults outside the school personnel will have to pay 40 cents for lunches in the school cafeteria.

This year for the first time, pasteurized or homogenized milk will be served instead of raw milk.

The school band is to appear in its first program on the night of September 6, when the PTA will entertain teachers of the school. This program and entertainment will take place on the local football field. All interested citizens and patrons are invited to attend.

On Friday night, Sept. 7, the Iowa Park Hawks will meet the Archer City Wildcats on the local gridiron. The Hawks have a 10 game schedule, five games at home. The band director, coaches, school board and faculty are asking for 100 per cent co-operation in all the band and athletic programs, as well as other activities of the school.

Classification of pupils will take place at the school and will start Wednesday morning, Aug. 29 from 9:00 until noon. Seniors will be given books and enrolled Wednesday morning. Juniors will be classified and get books Wednesday afternoon. Thursday morning, Aug. 30, sophomores will get books and schedules and the afternoon is reserved for enrolling freshmen.

Friday morning, August 31, eighth grade pupils will get books. Friday afternoon, seventh grade pupils will enroll, get books and assignments.

Miss Ethyle Kidwell will have an announcement soon regarding the enrolling and classifying of pupils in her department, from first grade through the sixth.

It will help the teachers greatly if pupils will and can comply with the above schedule; however, if they cannot be present for those dates, Mr. Bradford says, the school will take care of them when they can come.

Mr. Bradford requests that those who are planning to be gone during the last days of August, please report to the school when they can.

Agriculture Exhibit Space to be Re-done

The south wing of the Texas-Oklahoma Fair auditorium which will house exhibits of the District Agriculture Workers Council, will be completely redone this year before Fair time, according to Jack Austin, assistant manager of the Wichita Falls chamber of commerce, who will be in charge of exhibits.

According to Austin, Wichita Falls lumber dealers have donated materials to cell and wall the wing with sheetrock, the C & A Paint company will paint the wing and a new lighting system will be installed to add attractiveness to the wing and exhibits.

Austin said work is expected to begin on these quarters in three weeks, or as soon as the new agriculture wing now under construction is completed.

In a meeting of Council members Wednesday in Wichita Falls, representatives from the 14 agriculture agencies in Wichita, Baylor and Clay counties met in groups to discuss and plan their respective exhibits at the Fair, which will portray their work.

Arrangements have been made by Texas-Oklahoma Fair officials for a 40 by 80 foot tent to be erected immediately back of the Industrial building in order to facilitate the showing of farm machinery, commercial and automotive exhibits.

Unexpected interest among dealers of these exhibits this year necessitated added space and erection of the tent, according to R. E. Lewis, industrial committee chairman.

Machinery will also be on display on the hard surfaced area behind the building.

Officials also plan to have oil drilling and production equipment on display during Fair Week.

Mrs. Homer Quinn visited last week in Little Rock, Ark. Her daughter Miss Sue Jordan returned home with her.

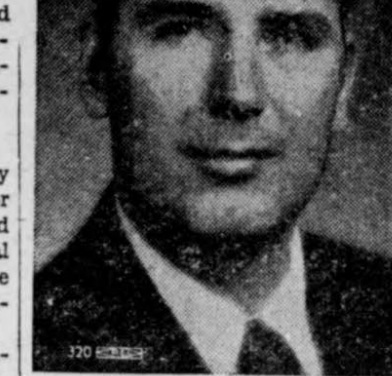

Mr. and Mrs. M. O. Cheves are on vacation this week visiting in Cisco and Midland.
