Iowa Park Herald

Published Thursday of each week at Iowa Park, Texas. Entered at the Post Office at Iowa Park, Texas, as second class matter under Act of Congress of March 3, 1879.

★ **Fifty-Oners**

Well, as some people would say, Iowa Park's own Louella Parsons is back at work again! Some of this is the real stuff and some of it was passed on to me, so now you know.

Garland is still employed at the dairy. But here's something new—he had a date with Rosie Reneau.

Harold Lewis is of course loafing away his life in the feed store. He juggles those 100 lb sacks around a little to keep himself awake. He has been going with Marjorie Fenner, who is now in California. She may stay so Harold is looking into the female situation in W.F.

Page is still working for the highway department, and of course he still travels the highway to Electra to see Joyce quite often.

Shuman is still going to school, but it won't be long till he's all through.

Lonnie Beavers is working as a stock boy in a dime store in Wichita Falls.

Want some real gossip? Who sent in the request the other day for a song "I Can't help it If I'm Still in Love with You," for Barbara and Ruth Mary from J. C. and Eldon? Sounds like somebody's dirty work doesn't it?

J. C. Happens to be happy with Jimmie Joy. And Eldon is trying to find out what time Mary Ella gets off work at the telephone office.

Elga Ann is getting ready for college. She and Anne are going to attend Texas Wesleyan at Fort Worth.

Patsy Jane is planning to attend North Texas at Denton. She is to room with one of Reat's old girl friends. She and Gera are doing fine. He has a birthday coming up and she sure got him a swell gift.

Poor Charlene. Doyle got back from Great Lakes all right, but he left the next day for Altus. He will be gone to Oklahoma from two to four weeks, returning only on the weekends.

Lucille is back from her visit in Lubbock and although she had a good time she is sorta glad to be back, especially when night time comes.

While in Lubbock, she saw our old classmate, Travis Hines. He has a true love but she is moving to Fort Worth. Bones will be in town around the last of August. He is going to school at Tech this summer.

Amon is still butchering at Reaves'. Lucille goes in to help him every once in a while. Can't you just see her cutting up meat? Amon and Roy don't trust her with a knife.

Kenneth is back from his cruise. Don't know how many girls he

caught while gone but at least he didn't bring any back with him.

Bobby Pace has been seen driving that blue Oldsmobile around but I haven't been able to find out where he has been or where he is going, who he is going with—or anything interesting like that.

Eugene has a new Bellaire Chevrolet and I hear he has been using it to transport him to Nocona to see an old classmate. Remember Patsy Horn? How are you two getting along, Gene?

Clifton is still working with his dad and going with Peggy.

Wanda is still in California. Send us an orange, Wanda.

Lou Ann has really been putting in the hours working for her dad. She and Charlene work harder than almost anyone around here, unless it's Lucille?

Caroline Sue is still working with the diamond rings and watches. Tommy is still running around all the time but I haven't seen him with a girl lately. You're slipping, Tom.

Melvin is still driving a delivery truck. Agnes is in Lubbock this week so Melvin should be home nights.

Wanda Ann just returned from a visit in Denton. I saw her with Charles just lately.

Sandra is really staying at home a lot. She doesn't have many visiting boy friends now. They are all writing boy friends.

Jackie and Paul have it made. They put their mothers to work and then spend the whole day together.

Some of the Fifty Oners have been asking me when we were going to have one of those parties that we talked about. How about it, room mothers?

You know—there sure are a lot of car wrecks happening nowadays. Let's all remember that the speed limit is 60 in the daytime and 55 at night. So, watch that—after all

if you drive too fast you may not get there at all.

Also—our speed limit in the town of friendly living is 30 miles per hour, day and night, so let's slow down around the corners and make this a safe place to live. After all—the life you save may be your own or that of someone you love—So do be careful.

Thanks.—Lucille Wesley.

• **Presbyterian News**

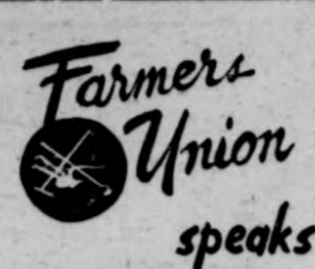

The Women of the Presbyterian church honored Mmes. Johnnie Clapp, Boyd Burgoyne and Gene Richter at a pink and blue party Friday afternoon. Mrs. Clapp and Mrs. Richter were presented handsome crib blankets and Mrs. Burgoyne was honored by a miscellaneous shower of gifts.

The refreshment table was laid and adorned with pink appointments, the only contrasting note being tiny blue decorations on the cake squares. The centerpiece of pink gladiolus, the pink punch and the pink table cover topped with lace formed a pleasingly consistent picture.

The three registers were ornamented with symbols appropriate to the occasion, and favors were doll coat hangers decorated with a silhouette of a baby crawling.

During the afternoon Mrs. Alan Berry and Mrs. King Abernathy assumed duties of serving the cake and punch. Presiding at the registers were Mrs. A. H. Estes, Mrs. C. E. Birk and Mrs. J. B. Rideour.

Others who called or sent gifts were Mmes C. Birk, Gayle Park, R. W. Cornforth, Gene Lowrance, Tom Covington, C. F. McManus, M. C. Yeargan, John Clapp, Gale Lowrance, Locke Lowrance, Wayland Jenkins, L. Shelton, L. Lovelace, T. A. Ulrich and Miss Clara Lowrance.

By Don Staber

Folks, this Friday night at 7:30, in the Wichita Valley Farms Community House, the Farmers Union is having a basket supper. So, Mr. Farmer, come in from the field a little early and help the Mrs. gather up the children and get the lunch packed, and come on over for an evening of relaxation and enjoyment. There will also be colored movies on farm management.

Away from the brighter side of life and to the facts. Finally the House has voted against any more rollbacks on farm prices. That is all well and good, but just what good does that do the farmer when everything he buys is just as high if not higher? The vote on rollbacks on what the farmer buys took care of that. However, we can at least thank Sen. Paul Douglas for trying to get his amendment passed that would have authorized rollbacks on things the farmer buys. Almost without exception, every amendment which would protect the consumer and the farmer have been rejected.

I would like to give some information on legislation that is of interest to Farmers Union.

The bill on the St. Lawrence Seaway, which authorizes construction of an \$800 million St. Lawrence power and water project, is now in the House public works committee.

The bill on aid to medical education, which provides emergency U.S. grants and scholarships for medical, dental and nursing education, was

approved by the Senate labor committee, and Senate action is due soon. No action yet in the House.

The bill on local public health units which provides federal aid to help states establish local public health agencies, has passed the Senate and is now before the House interstate and foreign commerce committee.

The Tidelands oil bill which would hand over U.S. oil to the states which rightfully belongs to the federal government, has been approved by the House committee. The bill is now in a Senate committee under consideration.

The Basing Point bill, which will destroy the Robinson-Patman act which protects small merchants and co-ops. This legislation was approved by a Senate committee without a hearing, and will be debated on August 2.

The measure that is being worked on in the Senate now is FHA loans, which would make possible larger loans to family farmers.

Let your Congressman hear from you.

John T. Clark of Morrison, Ill., and his son James T. Clark of SARB were guests in the home of Mr. and Mrs. C. F. Hill over the weekend.

Sgt. and Mrs. Charles Messersmith visited relatives in Kansas City last week.

Corp. and Mrs. Ronald Shumate visited in Oklahoma City over the weekend.

S-Sgt. and Mrs. W. H. Campbell and Riskey of Egin AFB, Fla., are visiting his parents Mr. and Mrs. Henry Campbell.

Mr. and Mrs. Joe Harris of Austin visited her parents Mr. and Mrs. M. L. Smith last weekend.

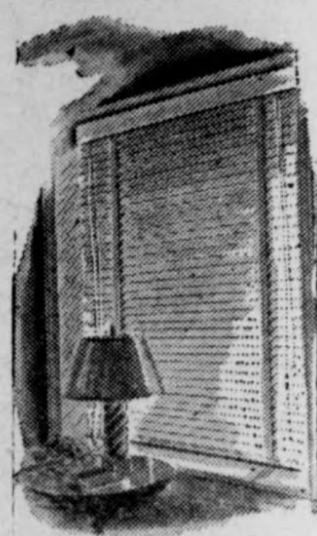

Mr. and Mrs. Aubry Kelso of Dallas spent the weekend with Mrs. Kelso's parents Mr. and Mrs. Earle Denny.

Mr. and Mrs. V. A. Wilson and granddaughter Judy returned on Thursday from a short trip into New Mexico. While gone they visited Mrs. M. B. Cooper of Pampa, Mrs. Joe Scott at Clayton and Mr. and Mrs. Gordon Jones. They also went to Cimarron Canyon and Eagle Nest dam.

Gerald and Shirley Williams of Wichita Falls spent the weekend with their grandparents Mr. and Mrs. M. M. Stewart.

Staff Sgt. Emmitt E. Vreeland is taking a special training course at Caldwell, N.J., this summer. Mrs. Vreeland and son Edward remained here while he is gone. The family live in an apartment of Mrs. C. M. Miller.

Mr. and Mrs. W. E. Stockton, Hugh Stockton and children Butch and Donna have returned from a vacation trip to Kansas and Missouri. In Garnett, Kans., they visited the Stocktons' son Sam and daughter Mrs. Stanley Cramer and families.

Mr. and Mrs. Jack Maxwell and son Eddie Bar and daughter Kay of Duncan and Miss Vura Maxwell of Marlow, Okla., visited a while in Iowa Park last Saturday. Mr. Maxwell is a member of the 45th Infantry Division and was enroute to Camp Stoneman, Calif.

Ben Huckaby, Bobby Pace and Bill Weiler spent the weekend in Fort Worth visiting Jimmie Don Bates who is a student at TCU. They attended the Parisian Follies, Saturday afternoon.

Mrs. A. H. Estes attended the 63rd anniversary of the Childress County Old Timers which was held at Childress, Wednesday. Mrs. Estes moved to Childress in 1901 and lived there for a number of years.

Mrs. H. W. Ketchum and Mrs. Kit Coats visited in Petrolia over the weekend.

Wagonseller

(Continued from page 1)

became the model for the Taft-Hartley law passed by the Congress. Elected to the State Senate in 1950, Wagonseller served as chairman of the Military and Veterans Affairs committee; chairman of the committee on Stock and Stock Raising; member of the powerful State Affairs committee, which passes on all tax bills; member of the Public Health committee; member of the Labor committee; and the committee which passes on all of the governor's nominations.

As a member of the State Senate, Wagonseller offered the amendment which brought the Korean War veterans under the Veteran Land program.

Senator Wagonseller stated, "The recent session of the Legislature just adjourned will long be remembered as a courageous one. In order to provide sufficient funds for our rural road program, our school system, our eleemosynary institutions, I voted to levy a gas gathering tax upon those pipelines which are transporting natural gas out of Texas. This was part of my platform for my campaign for the Senate, and we succeeded in carrying it out in spite of opposition from the powerful Transmission Line Lobby."

Senator Wagonseller stated, "Never in the history of all the world has there been a greater need for experienced leadership, clearer call for Divine guidance, a clearer call for an instructed verdict—that verdict—an adherence to the principles of our constitution and a belief in our American democracy."

"It is without hesitation that I ask to be your Congressman, for I feel that my experience in political circles and parliamentary procedures is ample and sound enough to merit your consideration.

"If I am chosen as your Congressman, I shall constantly devote my best efforts toward the complete destruction of the Communist movement in this country. I shall fight other enemies of the American Democratic Ideal.

"Cash-basis thinking and cash-basis action are sorely need in the Congress today.

"An alarming tendency has developed in this country to by-pass the State as an arm of government. This is tied in with the tendency to make our government one of men rather than of laws.

"Government of the people, as we have traditionally known it in the United States, can survive. It will survive as long as our people jealously observe the safeguards of our Federal and State Constitutions.

"This is my fourth political campaign. The people have never turned me down. They have always sustained me at the polls. As always, my campaign will be conducted with all of the people of this district.

"I want to be your personal Congressman. I know that my experience in the House and Senate of Texas and my knowledge of Parliamentary Procedure, will assure you of diligent and faithful service."

United Defense Fund To Finance New USO

Attorney General Price Daniel was named chairman of the Texas United Defense Fund committee this week. Daniel accepted the appointment at the request of the Community Chest leaders of the state who are sponsoring the organization to raise funds for the USO in Texas.

"Thousands and thousands of our Texas young men and women are in uniform defending our freedom around the globe," Daniel said in accepting the assignment. "The job lies in our hands to give them the reassuring certainty that—at home or overseas—people of their hometowns are vitally concerned with their well-being."

The USO and its familiar services have been called back into action to provide a home-tie with the American armed forces which now are on duty in every hemisphere. Secretary of Defense George C. Marshall has called the USO an integral part of the defense effort. The program of civilian aid to the men and women in uniform has the firm backing of top government leaders, and its efforts will be closely coordinated with the national defense program.

The national goal this year is \$18,634,824. Texans will be called on to subscribe their proportionate share of the national goal.

Radio School Held In Electra by HDA's

Mrs. Rex Lehman, Reporter

Wire radio conscious. That was the general agreement of Home Demonstration club members of Wichita and Archer counties after attending a radio school Wednesday of last week in Electra.

Miss Frances Arnold, extension service reporter, made an introductory recording from which the students learned who was who, when and where each listened to radio and why—also the kind of program each liked. By listening to the recording, it was observed that personality shows through the voice. And the radio speaker usually talks to one person, as the ladies listen while working and are usually alone.

The morning classes were devoted to the preparation of subjects and types of radio programs.

In the afternoon, members prepared and recorded programs of the following types: interview, quiz, panel and news. Then the students had the privilege of hearing their program by transcription and of criticizing their work.

Miss Arnold climaxed the school by telling how to get a program and gave an outline to use in preparing for a radio program.

Twenty club members and Mrs. Cecil Peacock, county home demonstration agent of Seymour, Miss Thelma Wirgess, Mrs. W. G. May and Miss Raymon Astin, home demonstration agents of Haskell, Miss Catherine Sands and Miss Marva, home demonstration agents of Wichita county, enjoyed the lessons.

PTA Board Plans For Next Season

The executive board of the Iowa Park Parent-Teacher association met at the home of the president Mrs. J. T. New, Friday evening. Special committees were appointed by the president to include Mrs. D. S. Smith, chairman of yearbook committee; Mrs. D. O. James, Mrs. Lloyd Lowe, Mrs. John Wesley, auditing committee. Through the years Mrs. Elmo Traylor has audited the PTA accounts gratis and members of the association deem that she deserves public recognition and thanks for her services.

Mrs. Bratton Reeves, program chairman, was assisted by Mrs. New and Miss Ethyle Kidwell in presenting an outline of the program for 1951-52.

It was voted to entertain the school staff at a picnic in September, the outing to take the place of the customary tea and reception at which they have been honored for a number of years.

Announcement was made that a study course featuring the teaching of the PTA manual by Mrs. Loretta Hunt, county study course chairman, will be held at Sand Beach, July 31.

During the evening a printing company representative demonstrated a duplicating machine.

Present for the meeting were Mmes. Lloyd Lowe, Rollins Woodall, George Lewis, Bratton Reeves, Lowell Short, Orville Bell, Taylor George, D. O. James, Miles Thompson, John Wesley, O. A. Schwalbe, J. T. New and Miss Ethyle Kidwell.

Stork Shower Given For Mrs. Kagy

A trio of hostesses planned the stork shower for Mrs. Deloss Kagy given Wednesday afternoon at the home of her mother Mrs. P. D. O'Brien, 209 West Washington.

Hostesses were Mrs. O. T. Apple, Mrs. D. Hodges and Mrs. B. C. Walker of Wichita Falls.

Dwarf pink and white zinnias were featured in novelty arrangements in the living room. Containers for the flowers were a china shoe, elephant and duck. Pots of trailing ivy were used in the decorative pattern.

The lace-covered dining table from which guests were served was centered with large size pink and white zinnias.

Those who called signed their names in a register shaped and designed to resemble a baby dress.

The honoree received gifts from Mmes. Burton Reagan of Wichita Falls, George Lewis, J. T. New, James N. Easterwood, Earle Denny, Roy Smith, R. R. Brubaker, Fred Parkey, Homer Bialock, P. D. O'Brien and the hostesses.

Mr. and Mrs. L. A. Wilcox, 320 East Bank, announce the arrival Sunday of a son Charles Michael.

Birthday Is Honored

Glenda Bee Smith was given a party to celebrate her fourth birthday last Wednesday. The hosts were her parents Mr. and Mrs. Boyt Smith. Ice cream and cake were served to Sue Covington, Linda Mitchell, Mary Helen Wallis, Mickey Gene Smith, Danny Voyles, David Steele, Denis Mitchell, Drew Sawyer, Mary Elizabeth Smith, Boyt Smith Jr. and Glenda Bee.

Mrs. Hughes Tells Of Camp Waldemar

Mrs. Arch Hughes returned Tuesday from Camp Waldemar on the Guadalupe river, 18 miles from Kerrville, where she was swimming instructor for the first half of the 12 weeks camp.

Mrs. Hughes came home filled with enthusiasm over the place, which is an exclusive camp for girls. She said the location and scenery are ideal. Huge cypress trees in the river, white swans and ducks swimming in the clear water, and the deer roaming through the camp grounds enhance the charm of the place.

Miss Doris Johnson is owner of the camp, which was founded by her aunt in 1923. After the summer months, the furniture is moved out and the place is converted into a dude ranch for the rest of the year.

Three hundred ten girls were attending camp while Mrs. Hughes was there. There were 70 counselors, 33 persons on the kitchen force and a 12-piece orchestra furnished music during meals and for dancing. The group were privileged to enjoy shows twice each week in an amphitheater.

Mrs. Hughes said the "doll house" where the 6 and 7 year girls live far exceeded the most vivid imagination in beauty.

Courses offered at the camp are academics, horsemanship, rope twirling, swimming, diving, canoeing, life saving, aquaplaning, pottery, metalcraft, leather work, music, sketching, voice, corrective, dramatics, archery, badminton, golf, baseball, tennis and fencing.

Uncle Sam Says

The purchase of U. S. Defense Bonds is a method whereby you can make your dollars work for America, just as they work for you. Our country must be strong economically. It should be apparent to everyone that defense is everybody's job. Your part is to buy Defense Bonds. Every employee in a plant or business establishment should be enrolled for the Payroll Savings Plan or the Bond-a-Month Plan at his bank. A few dollars here or there will accomplish little, but with everyone doing his or her job, America will be economically secure.

U. S. Treasury Department.

Family Unites in Floyd Busby Home

The home of Mr. and Mrs. Floyd Busby was the scene of the annual Busby reunion recently. The one day get-together was highlighted with a bountiful dinner served buffet style.

Bouquets of summer flowers in the home and on the quartet tables where relatives enjoyed the meal added color and beauty to the setting.

Those present for the celebration were Mr. and Mrs. R. H. Busby, Mr. and Mrs. Bill Gray and Janice, Mr. and Mrs. Pete Lyles, April and Josh of Megargel; Rev. and Mrs. I. W. Fulgham of Abilene; Mrs. Florence Graham of Graham; F. L. Sorrell of Mineral Wells; Jim Busby of Amarillo; Travis Graham, Mr. and Mrs. Bill Athington, Miss Gloria Jean Fulgham of Ft. Worth; Mr. and Mrs. James Cates and Patricia Craft of Iowa Park.

Mr. and Mrs. Malcolm Mills and Monty, Mr. and Mrs. T. E. Gilbreath and Bobby spent the weekend in Rogers, Ark., with Malcolm's parents Mr. and Mrs. Herman Mills. Returning home with them was the older son Mack, who had spent six weeks with his grandparents.

Mrs. C. C. Miller of Marks, Miss., is a guest this week of Miss Clara Lowrance. The ladies formerly taught together in North Carolina.

Mr. and Mrs. Uriah Blum, Miss Doris Blum and Mr. and Mrs. Gerald Walsh attended the Blum family reunion which was held at Platt National Park in Sulphur, Okla., Saturday and Sunday. All except one of the ten Blum children were present for the annual event. Fifty-four relatives came from points in several states to mingle with loved ones for two days. A niece of Mr. Blum traveled from Baltimore, Md., coming the greatest distance for the reunion.

Mrs. Chester Baird and children of Lubbock spent last week in the home of her parents Mr. and Mrs. Uriah Blum.

Mrs. Clapp Completes 3700 Mile Trip

Mrs. John Clapp returned Tuesday night from a vacation trip through several states which added up to 3700 miles of traveling.

Leaving here July 6 she first went to Dallas where she was joined by Mr. Clapp's aunt Mrs. Josephine Trester. They went to Kansas City for a visit with Mrs. Clapp's niece Mrs. John Jinkensen.

They went to Columbus, Ohio, where Mrs. Irene McNeerney, another aunt of Mr. Clapp, joined the party. They went to Niagara Falls and through West Virginia, Tennessee and Kentucky before returning home.

Mrs. Clapp stated that they saw lots of high water and had to alter their route many times during the trip.

Mrs. Boyd Taylor was honoree at an informal social last Thursday evening at the home of Mrs. A. O. Beall on the occasion of her birthday. Refreshments were served to a group of friends who presented Mrs. Taylor many lovely gifts.

Joe Jackson

(Continued from page 1)

worked for the firm of Akin and Dimoch.

A year later I formed a partnership with Fowler Gilchrist of Wichita Falls, and we went into business as drilling contractors. This was during the days of the Battle of Britain. I felt that a little man called Adolf Hitler was getting ready to take over the world, including the United States, so I made up my mind to do my share in this struggle for survival. I traveled to Canada and enlisted in the Royal Canadian Air Force. Soon I was flying in Great Britain helping to kick Hermann Goering in the pants.

In 1943 I transferred to the United States Air Corps and flew 42 combat missions over Italy, France and Yugoslavia. The British and French people were very kind to reward me for the little I did. The distinguished flying cross and the Croix de guerre are still today two of my most precious possessions.

In January, 1945, I was transferred to the Pacific Area a few months before V-J day. I was honorably discharged as a Captain in 1946. Like millions of other young men I had lost five years of my life, but I thought it had been worth it. We had won the war and I felt certain that our leaders would never let anything like this ever happen again. I came home and entered the oil business again as a lease broker.

In 1948, together with Ben Shultz, Jr., the firm of Shultz and Jackson was formed, and God has been good to me. We have become small successful independent oil producers.

My platform in this special election is going to be as follows:

1. America first—Politics last.
2. Fight communism, socialism and nationalization of any industry.
3. Protect YOUR freedom, dignity and rights as an individual.
4. Fight the unnecessary high cost of living.
5. Protect the independent small business man.
6. Fight the Truman "fair-deal" socialized democratic corrupt pen-dergast machine.
7. The preservation of states' rights.
8. A firm constructive foreign policy.
9. Give the farmers and ranchers an honest price for their products in comparison with the price they must pay for goods.
10. Balance our national budget through economy in governmental operation.
11. Reduce the number of federal bureaus, agencies and employees.
12. The law of supply and demand through free enterprise.
13. Represent YOU on a full-time basis NOT as a professional politician but as a guy named Joe.

You know as well as I do that after having won World War Two, we have lost World Peace Two. Fascism was a small danger compared to Communism. Adolf Hitler was a small dictator compared to Josef Stalin. Hitler was elected in 1933 and after six short years he was prepared to conquer the world.

Soviet Russia has had not only six years but over 39 years to prepare herself to take over the free people of this universe and while Hitler conquered with arms, Russia today is conquering with poison. Poison that destroys people's minds. Communism is a disease that no Atom Bomb can stop. Only we, the free people of this world, can stop this disease by not letting it affect us in the first place.

If you believe in this great country, if you believe in this economic system that has made us the most progressive nation in the World, it is your duty and your heritage to fight Communism and Socialism with all the force you can muster.

It is my sincere belief that certain members of our Administration have already been infected with this disease. Now is the time to show them that no real American will ever accept Communism, Socialism, or any other "ism." I am willing to fight for my freedom, dignity, and rights as an individual till I die. "United we stand, divided we fall." How very true that saying is. Let us put America first and politics last.

No nation on earth, regardless of its form of government, ever gave to human beings so much liberty and material prosperity as our own Constitutional form of Freedom. We started out as thirteen little States, ridden by poverty and threatened by savages. We were, however, blessed by God. We now represent the utmost in individual freedom and individual prosperity but our great form of government is on trial for its life.

Now is the time to run up every warning flag and sound every alarm. It will depend on you and me whether this country will continue to progress for the next 100 years. Our only hope of survival is in our devotion to the principles and ideals that have built this country and have made us a nation of peaceful and friendly people.

I beg you to pray as never before. Unless you do, our form of government of, for, and by the people will most surely perish from this earth. I know your principles are the same as mine.

I am confident that with your help we can re-establish sound and constructive government again.

Newlyweds to Make Home in Dallas

In a double ring ceremony performed at 6:30 p.m., Saturday, July 7, in the Mungler Place Methodist church at Dallas, Miss Patsy Boren became the bride of Wayne Swindall. Rev. Ray Neil Johnson directed the young couple in recitation of their vows.

The bride is a daughter of Mr. and Mrs. L. T. Boren, Wichita Valley Farms; and the groom is son of Mr. and Mrs. Fred Swindall of Quanah.

Miss Boren chose a white costume with navy accessories for her wedding. She was accompanied by

Members of Epsilon Sigma Alpha sorority and their families enjoyed their July picnic in the Beaver Creek community Tuesday evening. During the summer months the sorority dispenses with its regular meetings but sets aside one evening in each month for family night.

Attending the outing were the families of Donald Hill, Allen D. Guthrie, Wayne House, W. A. George, I. W. Corder, Harry Lee Mitchell, Malcolm Mills and John Parish. Also present were Mrs. Orville Bell and daughter, Miss Helen Mitchell, Miss Rosita Rneau and Glen Miller.

Wichita Club Meets In Uhrich Home

The May-Not club of Wichita Falls met with Mrs. P. A. Uhrich, Tuesday for a covered dish luncheon from 12:00 until 3:00. Members of the club meet every two weeks at the homes. Mrs. Uhrich was hostess to Mrs. Jimmy Gray, Mrs. Cora Lewis and granddaughter Katy, Mrs. Janet Wilson, Willie Cecilia Garner, Mrs. Thelma Norris, Mrs. Ruby Thompson, all of Wichita Falls; and Sude Lovelace of Iowa Park.

Mrs. John Wesley, Ruth and Agnes, Melvin Mitchell and Amon White visited Sunday in Lubbock. Lucille Wesley returned with them after a week's visit and Agnes remained for a short stay.

Mrs. Leslie Clapp left Wednesday morning for San Diego where she will visit her husband MMR2 Leslie Clapp. He expects to leave in about two weeks for navy duty overseas.

Sgt. and Mrs. George Pennington and daughters returned Monday from a two weeks vacation spent with relatives at Jackson and Decatur, Miss.

Uncle Sam Says

Defense is everybody's job. You can play an important part in this national emergency by keeping yourself and your country economically strong. Buy U. S. Defense Bonds NOW and REGULARLY. Those who don't save regularly, generally don't save at all. Sign up today for the Payroll Savings Plan where you work, or the Bond-a-Month Plan at your bank. Series E Bonds are now a better buy than ever. They go on earning interest every year for 20 years from the date of purchase. Hold your maturing E Bonds and let them continue to work for you.

Cleamon Denny Jr. Completes Boot Camp

Marine Pfc. Cleamon Denny Jr., son of Mr. and Mrs. C. C. Denny, recently completed recruit training at the Marine Corps recruit depot, San Diego, Calif.

The young Leatherneck has been thoroughly trained in basic weapons of the Marine corps, first aid, field sanitation, map reading, military courtesy, infantry drill and many other military subjects. Almost one-third of this training was at the rifle range where he quickly became an efficient marksman with the M-1 rifle.

Cleamon will now be transferred to one of the duty stations where Marines are serving throughout the world, or be assigned to a specialist school for further technical training.

BAPTIST W.M.S.

"Speed the Word" was the program theme for a quarterly meeting of the Women's Missionary Union of the Wichita-Archer association which was held at the Baptist church in Iowa Park, Tuesday.

For special music Miss Katy Merle Sumrall sang "Now I Belong to Jesus." Accompaniment was furnished by her mother Mrs. E. W. Sumrall.

Mrs. I. L. Whetsell of the South Side church in Wichita Falls presented the devotional.

"Speed the Word—through Our Societies" featured reports of local presidents. Other discussions during the morning showed how to speed the word through stewardship, community missions, programs and literature, mission study and Bible study, benevolence and offerings.

During the afternoon Mrs. J. R. Naylor of Archer City, Association young people's director, was in charge of the program which described the work of the young people's organizations.

"Speed the Word—through Love Gifts," a short playlet, was given by Sara Johnson, Kay Quick and Nancy Smith, all of Iowa Park. The program was concluded with a pantomime "Urgency of Speeding the Word," by a group of Jr. G.A.'s from Archer City.

Mrs. C. E. Harris is visiting her cousin in Lubbock this week.

IT'S FAST FREEZING... IT'S EXTRA COLD...

(In Hottest Texas Weather)

...it's ELECTRIC, of course!

And, it's the refrigerator for you... if you want PLENTY OF ICE, PLENTY OF FROZEN FOOD STORAGE and plenty of everything modern living demands of a refrigerator. When summer turns on its blistering heat in Texas, you'll appreciate more than ever the dependable reserve power in your ELECTRIC refrigerator to fast-freeze large quantities of ice cubes and take care of all your refrigeration needs... safely and economically.

Visit your electric refrigerator dealer this week and select the ELECTRIC refrigerator that suits your needs and your budget. There's a model and price for you.

TEXAS ELECTRIC SERVICE COMPANY

W. R. PASTUSEK, Manager

THIS IS A GUY NAMED JOE JACKSON

He is a candidate in the special election which will determine who is to be YOUR new Congressman.

Joe is looking forward to meeting YOU, in person, very soon.

In the meantime we invite you to dial 620 on your radio tonight — (Thursday) at 9:45 p.m. (Radio Station KWFT).

At that time, Joe would like to tell you a little about his background, his principles, and his future plans. We hope you will listen and then
