IOWA PARK, TEXAS, THURSDAY, JULY 12, 1951

NUMBER 19

## Sisk Factory Saved From Total Loss by Volunteer Firemen

Fire damage to the Sisk Bullet Factory, 101 South Bond, last Saturday has been estimated at \$9,000 by R. B. Sisk, the owner.

The fire which broke out at 12:25 p.m., was caused from spontaneous combustion. It started in a large stack of corrugated boards which are used for making shipping boxes. Mr. Sisk stated that the boards were not stacked evenly and that allowed the blaze to spread more readily.

Mrs. Georgia Holloway was working in the room on the opposite side from where the fire started, when she noticed the flames. She ran into the adjoining room and reported it to Mr. Sisk and Mrs. Dean Fountain, another employee.

He tried to extinguish the blaze with a garden hose, but the fire gained headway so fast and the heat was so intense that his efforts were futile.

While Mr. Sisk was trying to put out the fire, Mrs. Holloway was summoning the local Volunteer Fire Department. When the boys reached the scene they found insufficient water pressure at the factory, which forced them to hook up their water hose at Scott's Garage, two and a-half block west of the burning building.

According to Mr. Sisk there was a small quantity of powder, about eight or ten pounds, in the room opposite where the fire started, but it did not contribute to the fire in any way. The powder was packed in one pound tin cans, and strangely enough, the labels on the cans were not even scorched.

Another thing of interest was that there was also 8 or 10 gallons of gasoline in the room where the fire started. Gasoline is used to clean the bullets. None of it ignited until about 40 minutes after the fire started when a stream of water overturned a can containing the liquid. This caused a terrific flareup momentarily, but the fireboys controlled it quickly.

At present the factory is shut down, but Mr. Sisk has already had estimates made by carpenters and electricians on repairing and re-wiring. Work on the building is scheduled to start this week.

## Youth Team to Fill Baptist Pulpit Here

A youth team composed of five young people from North Texas State college at Denton will supply the pulpit at the Baptist church for the morning and evening services July 15 during the absence of Rev. James N. Easterwood. He is conducting a revival meeting in Bowie.

The group will also have charge of devotion periods in the Intermediate and Young People's Sunday School departments. They have requested all officers and teachers to meet with them at 9:20 a.m. Sunday in the church parlor to formulate plans for the Youth Revival calendar for August 26 to September 2 in the local church.

Two local boys Jim Hooten and Bob Robinson are members of the team. Others are Miss Lou Holmes, Miss Doris Jones and Victor Killman. The young ladies will be guests of Mr. and Mrs. R. R. Brubaker while here.

Miss Ruby Wheat, missionary in China for the past five years, will be special speaker at the midweek service Wednesday evening, July 18 at 7:30.

### MONT BOWLES HURT WHEN TRACTOR OVERTURNS

Mont Bowles suffered a fractured pelvis, sprained right shoulder and bruises and abrasions when the tractor on which he was riding turned over in a pit. Bowles was moving gravel from a stockpile the Wichita Falls Sand and Gravel company when the accident occurred.

A J. A. Tanner Funeral Home ambulance was called to take Bowles to Wichita General hospital, where he was discovered to be painfully but not seriously injured.

Mrs. M. L. McKelvey is ill at her home this week.

Mrs. J. C. Roby received this week the following citation from her son, which has been put into his record as an Air Force jet pilot:

"By Direction of the President, Lieutenant Charles D. Roby, United States Air Force, has been awarded the Air Medal.

### "CITATION"

"Second Lieutenant Charles D. Roby distinguished himself by meritorious achievement while participating in aerial flight over enemy held territory from 16 April 1951 through 29 May 1951 during which hostile contact was probable and expected. Lieutenant Roby's operations included dangerous low level attacks against ground installations and armored equipment. His missions also included long range patrol and reconnaissance far into enemy territory. During these operations Lieutenant Roby was subjected to flak and small arms fire. Through his ability, skill and initiative, Lieutenant Roby has brought great credit upon himself, the Far East Air Force, and the United States Air Force."

Miss Cecilia Yeargan left Sunday for Mo-Ranch at Kerrville where she will be a counselor for intermediate age young people during the month of July. Mo-Ranch is the Presbyterian Assembly on the Guadalupe river high up in the hills and the former estate of a wealthy family. It was recently purchased by Presbyterians to take the place of Westminster encampment at Kerrville, which they outgrow.

## Advisory Council to Meet Tuesday at 8:30

The Youth advisory council composed of representative young people from different churches in town will meet Tuesday evening at 8:30 for the purpose of completing organization.

Making up the council are Joline Cooksey, Cecilia Yeargan, Ania Thompson, Paula Ralston, Naomi Baxter, Mary Gayle Park, Jeannine Scott, Artie Sue Mitchell, Franklin Farmer, Cecil Marquart, Mac Lucy, Don Owens, Sammy Shelton and Loyd Lewis.

According to Rev. Chester Gleason, adviser, the purpose of the council for the remaining weeks of the summer recreation program will be to evaluate the activities and plan for next summer's project, and to act as a governing body when the need arises.

At a meeting of the group last Tuesday, adults sitting in with the young people were Mrs. C. E. Birk, president of the Iowa Park Council of Church Women, Mrs. Taylor George and Miss Ethyle Kidwell, recreation directors, and Mr. Gleason.

The plan of having the various churches provide adult supervision each week has proved highly satisfactory. The Baptist church has been responsible for helping this week, with Mrs. Sam Hill serving as chairman of the workers committee.

Others assisting include: Messrs. and Mrs. Preston Pace, Joe Baxter, T. E. Gibreath, Donald Hill, F. E. Ruth, Wayne Williams; and Mesdames O. E. Lochridge, Dorothy Thompson, Joe Johnson, Lee Perry, Roy Smith, Bratton Reeves, George McCullen, Helen Kilpatrick, Joe Patton, Allen D. Guthrie, J. C. Roky, Carroll Duke, Silas Verbie, Earle Denny, Charles Metz; Miss Zada Lemon; and Messrs. Freddie Glover, Sam Hill and Malcolm Mills.

## MISS COPELAND, FORMER PARKAN, MARRIES ELECTRA

Mr. and Mrs. A. C. Tedford went to Electra Saturday night, July 7, to attend the wedding of their granddaughter Miss Connie Copeland of Jackboro, a former student in Iowa Park High School.

Miss Copeland, daughter of Mr. and Mrs. G. M. Copeland of Jackboro, became the bride of Charlie Peterson, son of Mr. and Mrs. Pete Peterson of Electra, in a ceremony performed by Rev. E. E. Taylor in the Baptist church there.

The young couple left immediately for Big Spring where he is employed.

## O.E.S. to Give Special Fellowship Program

The Iowa Park chapter of the Order of the Eastern Star met in regular session Tuesday evening, July 10.

During the business meeting the chapter voted to invite members of the chapters in this area to be honorees or guests at the next regular meeting, Tuesday, July 24 at 8:00 p.m.

A special feature of the meeting will be a Friendship program which promises to be interesting as well as entertaining. Invitations have been mailed to the neighboring chapters and a large number of guests are expected.

Members also decided to hold a family picnic in celebration of the birthday of Robert Morris, founder of the Order. This event will be held on the lawn of Mr. and Mrs. R. A. Tanner, but the date has not been set, other than it will be during the month of August.

Every member is urged to be present at 8:00 p.m., July 24.

Mr. and Mrs. George Jones returned home Wednesday afternoon from a vacation trip to Ruidoso, N. Mex.

## Parkans Welcome New Florist

The formal opening of the Iowa Park Florist last Saturday afternoon gave Iowa Parkans an opportunity to get acquainted with Mr. and Mrs. F. M. Wilson, owners of the new business, and to find out for what occasions they were prepared to furnish flowers and decorate.

To the delight of many, they revealed that the Iowa Park Florist can decorate for weddings, receptions, showers and parties. They can fill orders for funeral sprays, potted plants, cut flowers, corsages and novelty arrangements. They stock all kinds of cut flowers and pot plants. At present their semi-greenhouse carries a colorful display of caladium, and their ivy is especially pretty.

As guests called last Saturday, they registered for two lovely corsages that were given late in the evening. Mrs. Joe Baxter received an orchid and Mrs. T. T. Thigpen a carnation corsage.

Mr. and Mrs. Wilson moved here from Electra where they were employed in a floral shop. They have one daughter Janice, who will be a 7th grade student next term. She is also a member of the Camp Fire Girls.

The Wilsons are affiliated with the Methodist church. She belonged to Las Madras and BPW clubs in Electra. He is a member of Knights Templar.

Mr. and Mrs. Rex Lehman and son and Mrs. W. A. Stowe met Mr. and Mrs. H. A. Tucker and Sonja and Mrs. C. H. Lehman in Canyon City, Colo., for a days visit last week. Mrs. C. H. Lehman and Sonja Tucker returned to Iowa Park for a visit. While gone the group visited the Royal Gorge and points of interest at Pueblo.

## Tom Covington Takes Preston Dairy Agency To Make Deliveries

Tom Covington, well-known energetic young businessman in Iowa Park, who has been employed at a local grocery the past three years, will start a new business here Monday, July 16.

He became distributor for Preston Dairy Products in Iowa Park this week and for extra convenience to housewives, he will make retail deliveries to the home three times a week, beginning Monday.

The Preston line of dairy products: pasteurized, homogenized and buttermilk, will also be available at the local grocery stores in cartons and bottles. The catchy slogan "Fresher by a Day" on each container makes the products easily noticeable.

Mr. Covington, a native of Louisville, Miss., served in the army for 4½ years during World War II, spending four years at Sheppard Field, Wichita Falls. During that time he met Miss Margaret Cornforth, who later became his wife.

Upon being discharged from the army, Tom was employed as a welder at a body shop in Wichita Falls for 1½ years before taking a job in Iowa Park.

He is a deacon in the Presbyterian church and a member of the Masonic lodge.

Mr. and Mrs. Covington and little daughter Sue have recently purchased a new home on West Texas street.

The Preston Dairy at Burkburnett is owned and operated by Hugh Preston and his son Hugh Jr. Mr. Preston has been in the dairy business for 27 years.

About a year ago he built new barns, installed the most up to date equipment at his dairy, which is one mile west of Burkburnett.

The processing plant is in the heart of the downtown district. As late as this week additional machinery was installed at the processing plant to insure high quality milk and low bacterial count.

The dairy distributes approximately 450 gallons of milk daily. Guernsey and Jersey cows, every one of them tested, furnish milk for the dairy.

The milk is bottled at 35 degrees, and it will be hauled to Iowa Park in a refrigerated truck at the same temperature. Plans have been made by Tom Covington, local distributor, to keep the milk at 38 degree temperature until it reaches the consumer.

## Two-way Radio Installed on Trucks

Two-way radio communication equipment has been installed on the two service trucks of the Iowa Park area Texas Electric Service company, according to Pat Pastusek, local manager. He found it a mighty handy gadget Saturday at the Sisk bullet factory fire.

With the two trucks at opposite ends of the building, firemen could keep informed on progress of the fight against that stubborn fire.

Mr. Pastusek says that having this equipment will save many miles of driving to contact other service groups and enable the company to give more prompt repair service in emergencies.

## T-O Circle to Meet With Local I.O.O.F.

The Texas-Oklahoma circle of the IOOF lodge will meet in Iowa Park, Tuesday night at 8:00 o'clock at the lodge hall. About 75 are expected to be in attendance from Frederick, Grandfield, Electra, Elliott, Vernon, Burkburnett and Wichita Falls. Refreshments will be served by the host group.

## POLIO PATIENTS REPORTED RECOVERING NICELY

The condition of three Iowa Park boys in the polio ward of Wichita General hospital has been reported "good" by hospital authorities.

The boys are Eddie Whittenberg, 13 years old, son of Mr. and Mrs. L. E. Whittenberg, Wichita Valley Farms; Jimmy Gregory, 4, son of Mr. and Mrs. Irvon L. Gregory; and Danny Hair, son of Mr. and Mrs. D. L. Hair.

## Program Plans Announced by 23 Study Club Committee

One of the most progressive study clubs in the first district TWFC is the 23 Study club of Iowa Park.

Each year the programs of this club are planned to offer a varied discussion of pertinent international, national, state and community affairs, with the object of improvement of its members intellectually.

Throughout the year emphasis is carefully placed on the Bible, so as to give pre-eminence to spiritual things.

Mrs. Gayle Park will serve as president of the club for the 1951-52 season, and she will be assisted by members of the official staff, including Mrs. R. R. Brubaker, vice-president; Mrs. John B. Barbour, secretary-treasurer; Mrs. C. J. Simpson, corresponding secretary; Mrs. Charles Metz, parliamentary.

The program committee composed of Mrs. Barbour, Mrs. May Turner and Mrs. Fred Widmoyer has been assisted by Mrs. Park in formulating and compiling programs for the club year. These have been released to the printer and will be ready for distribution to members at the re-assembly meeting Thursday, October 4.

Committee members have had several all day meetings, read and studied materials from the GPWC headquarters and other sources. They have written many cards and letters in an effort to plan the best programs possible for the club year.

Theme for the year will be "World Citizenship — Community Level." Program subjects include: Federation, United Nations, Bible and Youth Participation, Public Welfare, Fine Arts and Guest Day, Wit and Humor, American Home, Mental Health, Citizenship and Youth Participation, Visual Education, International Clubs Council, Brotherhood, Texas Day, Finance and Pan-American.

The caption above each program features a Bible verse or a quotation from a noble statesman. Also included on each program is a fine arts number arranged by Mrs. Herman Mitchell, Mrs. C. W. Coppock and Mrs. Charles Metz.

Activities for the new year will be inaugurated at a luncheon meeting at the home of the president, October 4. Highlights of the afternoon session will be the president's message and talks on "Federation at Community Level" by Mrs. L. E. Brooks, who will serve as program chairman, and "Club Institute" by Mrs. Metz.

A panel discussion on "Christianity's Influence for World Citizen-

ship," which will be led by Rev. Chester Gleason with a group of high school students participating, will provide interest for the Oct. 18 meeting, which has a combined title "United Nations, the Bible and Youth." Mrs. Richey Abernathy is to give a discussion of "United Nations at Community Level."

On Nov. 1, when the public welfare program is observed, Mrs. Lee Smith will give a talk on "Training the Handicapped." Club members will then visit the School of Listening Eyes and the school for the cerebral palsied in Wichita Falls.

Fine arts and guest day will characterize the Nov. 15 meeting at the Presbyterian church, when Mrs. China B. Smith will be featured book review artist. An organ prelude will be provided by Mrs. Tom Covington.

A third meeting in November will be a Civil Defense town meeting, when Mayor Fenton Dale will officiate. Speaker for the occasion will be a representative from the state civil defense office in Austin.

A sealed program describes the wit and humor meeting for Dec. 6. Program committee members seem confident this will be one of the most interesting meetings of the club year. Past presidents of the club will be honored.

The American home is the theme

for Dec. 20. Mrs. Chauncey Weiler, guest speaker, will talk on "Life Adjustment in Home and School." Mrs. James N. Easterwood will discuss "The American Home and Christmas." A fine arts number and the Christmas tree will be additional features.

On Jan. 3 the program will be rendered by Mrs. Homer Blalock and Mrs. John B. Barbour. The former will discuss "Gerontology" and the latter "Mental Health."

State Sen. George Moffett will speak at the Jan. 17 meeting at the Baptist church, when members of home demonstration clubs of this area will be special guests. The speaker is especially qualified to handle the constitution, bill of rights, human rights and women's obligations as voters, which he has been asked to discuss. Organ prelude music is to be offered by Mrs. Jimmy Medlinger.

On Feb. 7 the visual education program will be presented by Mrs. Lucille Brooks Huff of Wichita Falls through an illustrated travelog. Special music will be provided by Mrs. J. E. Hall of Wichita Falls, violinist.

The International Clubs Council observance which is set for Feb. 21 will be directed by Mrs. C. E. Birk, who plans to present international students in this area. Addresses will be given on "Indian Affairs" by Mrs. Sam Hill and "Industry" by

Mrs. R. R. Brubaker.

At the Texas Day observance on March 6, representatives of Blue Birds, Camp Fire Girls and Boy Scouts will depict youth training for citizenship. Mrs. Fred Widmoyer will serve as program chairman and discuss a subject of vital interest, "Tomorrow's Citizens."

Highlight of the March 20 meeting will be the panel "Women and Finance," in which Mesdames R. A. Tanner, Herman Mitchell and Harry Weaver will take part.

Mrs. Earle Denny will direct the Pan-American program April 3. It will also feature a panel discussion. Participants will be Mesdames Carroll Duke, C. E. Birk, Taylor George, J. A. Sewell, C. W. Coppock.

Concluding session of the year is to be held April 17 at the Methodist church. At that time Bible day will be observed. Mrs. S. L. Denny will give the principal talk on "Women Leaders of the Bible." Officers for the new year will be installed.

The club roster with assigned roll call subjects for the current year follows:

Mrs. King Abernathy, Thought for the Day.

Mrs. Richey Abernathy, United Nations.

Mrs. John B. Barbour, Legisla-

tion. Mrs. C. Birk, Household hints. Mrs. C. E. Birk, Things that in-

spire me to do my best.

Mrs. Homer Blalock, Scholarship and loans.

Mrs. L. E. Brooks, Federation news.

Mrs. R. R. Brubaker, Best sellers (books and records).

Mrs. C. W. Coppock, Current fashions.

Mrs. Earle Denny, Current events.

Mrs. S. L. Denny, Democracy's demand from education.

Mrs. Carroll Duke, Defense and economic security.

Mrs. James N. Easterwood, U.N. E.S.C.O.

Mrs. Taylor George, Careers for women.

Mrs. Sam Hill, Indian affairs.

Mrs. Herman Mitchell, Family living.

Mrs. Charles Metz, Parliamentary advice.

Mrs. Gayle Park, Garden lore.

Mrs. J. A. Sewell, Mothercraft.

Mrs. C. J. Simpson, safety.

Mrs. R. A. Tanner, Modern science.

Mrs. H. W. Weaver, Wit and humor.

Mrs. Fred Widmoyer, Approved family motion pictures.

Mrs. Florence Sherwood, Radio and Television.

Mrs. May H. Turner.

A matter of local interest to club members is that Mrs. Turner, a charter member and the first vice-president when the club was organized in 1933, is author of the club pledge, which she wrote soon after the club was organized. The pledge, which is in the yearbooks along with the Club Women's Creed, reads:

"I pledge allegiance to my club and to all for which it stands. I will perform to the best of my ability my club duties both willingly and cheerfully. I will not speak ill of my fellow club members nor discuss club affairs with one other than a club member.

"I will recognize the principle of fairness and will not permit personal prejudice to enter into my balloting to the exclusion of anyone from club membership. I will cooperate with the club officers and members and do all that is within my power to help my club in every undertaking."

Mrs. Barbour has been appointed by Miss Lillie V. Lillard of Stephenville, district president of TFWC, to serve on the board as a member of the resolutions committee. The president indicated that the duties of the committee might entail work toward a proposed redistricting.

Mrs. John B. Barbour, Fred Widmoyer, Gayle Park and May Turner have put many hours and much thought into program planning.

#### THE STATE OF TEXAS

To: Geo. E. Thorne, and his unknown heirs, devisees and legatees, Defendants, Greeting:

You are hereby commanded to appear before the Honorable 78th District Court of Wichita County at the Court House thereof in Wichita Falls, Texas at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 23rd day of July, A.D. 1951, then and there to answer Plaintiff's Petition filed in said Court, on the 8th day of June A.D. 1951, in this cause, numbered 48-904-B on the docket of said court and styled W. D. Vestal, Jr., Plaintiff, vs. Geo. E. Thorne, and his unknown heirs, devisees and legatees, Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

This is a trespass to try title suit wherein the plaintiff alleges that on or about May 1st, 1951, he was and still is the owner in fee simple of Lot Five (5) in Block Sixty-eight (68) of the Original Townsite of Iowa Park, Wichita County, Texas.

That on the day and year aforesaid defendants unlawfully entered upon and dispossessed plaintiff of such premises and withheld from him the possession thereof to plaintiff's damage of \$100.00. Plaintiff further pleads the five and ten years Statute of Limitation, alleging that plaintiff and those under whom he claims by mesne conveyances and those whose title he holds have had peaceable possession of the property above described, cultivating, using and enjoying the same, paying taxes thereon, for more than ten years preceding the filing of his petition herein, claiming under deed or deeds duly registered purporting to convey such lands and tenements, and that such lands have been actually enclosed for more than ten years by a substantial fence, and that plaintiff and his predecessors in title have claimed same openly, adversely and notoriously as owners during said period aforesaid.

Wherefore, plaintiff prays that citation issue and that on final hearing he have judgment for title and possession of said lands, for damages, for costs of suit, and for

such other and further relief as he may be entitled to, either in law or in equity.

If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas this 9th day of June A.D. 1951.

Attest: (SEAL)  
FLORA COBB, Clerk,  
78th District Court, Wichita County, Texas.

(Published in the Iowa Park Herald June 21, 28, July 5, 12, 1951)

#### THE STATE OF TEXAS

To: H. L. Haynes and his unknown heirs, devisees, and legatees, Defendants, Greeting:

You are hereby commanded to appear before the Honorable 78th District Court of Wichita County at the Court House thereof, in Wichita Falls, Texas at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 30th day of July A.D. 1951, then and there to answer Plaintiff's Petition filed in said Court, on the 15th day of June, 1951 in this cause, numbered 48932-B on the docket of said court and styled J. D. Spruiell, Plaintiff, vs. H. L. Haynes and his unknown heirs, devisees, and legatees, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: This is a trespass to try title suit wherein the plaintiff alleges that on or about June 1, 1951, he was and still is the owner in fee simple of Lots Eleven (11) and Twelve (12) in Block 159, of the Original Townsite of Iowa Park, Wichita County, Texas.

That on the day and year aforesaid defendants unlawfully entered upon and dispossessed plaintiff of such premises and withheld from him the possession thereof to plaintiff's damage of \$100.00. Plaintiff further pleads the three, five, ten and twenty-five year Statutes of Limitation, alleging that plaintiff and those under whom he claims by mesne conveyances and those whose title he holds have had peaceable possession of the property above described, cultivating, using and enjoying the same, paying the taxes thereon, for more than ten years preceding the filing of his petition herein, claiming under deed or deeds duly registered purporting to convey such lands and tenements, and that such lands have been actually enclosed for more than ten years by a substantial fence, and that plaintiff and his predecessors in title have claimed same openly, adversely and notoriously as owners during said period aforesaid, and that under the three year statute of Limitation, only one instrument in the chain of title does not show of record.

Wherefore, plaintiff prays that citation issue and that on final hearing he have judgment for title and possession of said lands, for damages, for costs of suit, and for such other and further relief as he may be entitled to, either in law or in equity.

If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas, this 15th day of June, A.D. 1951.

Attest: (SEAL)  
FLORA COBB, Clerk,  
78th District Court, Wichita County, Texas.

### ★ Park Clinic News

Mr. and Mrs. Jimmy Medlinger are announcing the birth on July 6 of a son.

Cletus Wright had an appendectomy on July 5.

Danny Hair was admitted to the Wichita General on July 6 for treatment.

Gayle Crane had tonsils removed July 6.

Jimmy Gregory was admitted to Wichita General on July 9 for treatment.

Mrs. Paul Griffin and Paula Ann returned to their home in Childress, Wednesday afternoon after visiting here since last Friday with her mother Mrs. A. H. Estes and other relatives. Two nieces Ruth and Sheryl Lynn Estes accompanied them to Childress and went on to Wellington to visit their grandmother Mrs. B. F. Evans.

### X-ray Machine to Be In Iowa Park 2 Days For Chest Exams

Tuberculosis kills at the rate of one American every 12 minutes. The Annual Health Clinic will be held in Iowa Park on Saturday and Monday, August 4 and 6. Hours will be from 8:30 a.m. to 5:30 p.m. The x-ray equipment will be set up at Metz Appliance Store.

Four shifts of four volunteer local workers each will be needed this year. Also four to six men to help unload and assemble the machine. An electrician will be needed to hook up the machine, and a sign painter will install signs at important corners in town. It is planned to use a cruising speaker system and a telephoning committee to notify Iowa Park people of the clinic on the days it is here.

Earle Denny, chairman of the civic activities committee of the Chamber of Commerce is general chairman of the Clinic. He will be assisted by Mrs. C. E. Birk, president of the Council of Church Women.

Two technicians will accompany the x-ray unit this year. The capacity of the machine is 2,000 pictures a day. The health clinic is sponsored by the state department of health, the Wichita County Tuberculosis association and the Wichita County Health Unit.

Here is a Q and A list to clear up questions that have been asked:

Q—Is this chest examination free? A—Yes, it is absolutely free.

Q—If I was x-rayed last year, do I need another picture this year? A—It is important to have an x-ray every year.

Q—Why do you not x-ray people under 15 years of age? A—Because tuberculosis does not usually show up before that age.

Q—If a person be found to have the disease, what about the other members of his family? A—All persons in the family will be given free chest x-rays at the Wichita Health Clinic.

Q—Should we insist on having baby sisters and domestic help x-rayed? A—For the protection of your family, all baby sisters and domestic help should be x-rayed.

Q—How long does it take to be examined? A—Less than a minute.

Q—What preparation need one make for the examination? A—None. No clothing is removed. Come as you are.

Q—Is information obtained by chest examination held in confidence? A—Yes, it is held in strictest confidence. Only the state department of health has this information. If the case is positive or suspicious, the department notifies your doctor, who contacts you immediately.

BE SAFE—BE X-RAYED!

### ★ Hawk Band News

Thomas B. Taylor, director, reminds all band members to assemble at the band building at 6:30 August 1 for rehearsal for a concert the following evening. The band will be a feature of the concluding program of the summer recreation program.

Regular summer band practice will be resumed August 6 and will continue without interruption during the school year.

Mr. Taylor is pleased with the response and accomplishments of band students during the first period of summer work. He stated there was an average of 53 students at the evening workouts and 39 at morning rehearsals, which were devoted to individual instruments.

During the summer the Hawk band marched and played in the Burk Burnett homecoming celebration and at the Archer City rodeo.

For three weeks Caroline, David and Mickey Sewell, Ira Joe Payne and Donald Pearce have assisted the Wichita Falls Coyote band in the presentation of weekly concerts.

During the weeks ahead every person interested in band should be on the lookout for new school students in the community. If any are found who are interested in band work, they should be told to report to Mr. Taylor by August 1, because he will pick his high school band during the month of August. Many newcomers have not subscribed for the Herald and they will have no way of knowing about band requirements except by word of mouth.

Recent visitors in the home of Mr. and Mrs. Homer Mulkey were Mr. and Mrs. Tom Hartfel and daughter Gayle and Mrs. Opal Gay of McKinney, and Misses Mattie and Della Beeler of Rogers, Ark.

Mr. and Mrs. Calvin Lakey and baby Linda of Austin are here visiting his sister Miss Mary Lakey. Calvin has returned to Austin and Mrs. Lakey and daughter stayed for a longer visit here and for a trip to Vernon where there are other relatives.

By Don Staber

I was reading an article in the July issue of the Southern Farmer, and thought my readers might like to know about "Better Health the Co-op Way." This program came about through a fellow with a big heart, plus the courage to follow a dream.

The farmers and all the other people of Elk City, Okla., are grateful for Michael Shaddid, the man who made better health possible for hundreds of people.

However, back in the 1930's when the plans were made for the hospital, there was a depression going on that made the dream look almost hopeless. Then the Farmers Union stepped into the picture and helped complete the picture.

The hospital now has facilities to care for its 2,500 members and families, and also for that many more non-member families.

Annual dues for a family of two is \$30, for a family of four or more \$40. Life membership is only \$100. This is about the cheapest kind of medical insurance that could be obtained.

"A member," Dr. Shaddid said, "pays no doctor fees whatever. When he gets sick, he doesn't have to pay the doctor a cent. This encourages preventive medicine and enables the people to stay well, as well as cure them when they do get sick."

Unbelievable as it may seem, an organization of American doctors fought this good, humane and positive project. In fact Dr. Shaddid said, "The greatest opposition came from the American Medical Association."

Despite the AMA, the Elk City Community Hospital is stronger now than ever. It stands as a symbol of greater health for all people, rich and poor. It stands as a challenge to every doctor who has the health and welfare of his nation at heart to question himself and to look carefully and critically at the policies being followed by his organization, the American Medical Association. And it stands as an inspiration to other communities of common folk who would like to build similar institutions of their own.

### Park Area Club Studies Wardrobes

The Park Area Home Demonstration club learned from discussions given by Mrs. C. C. Burrows and Mrs. Harry Moore at the regular meeting, that the top-ranking good grooming honor goes to the girl or woman who plans a wardrobe that is smart and becoming for all occasions. A decision of colors should be made first, since they are most important. Select the color that becomes you most, and adapt themselves to the most occasions.

Summer colors fall into three groups: darks and semi-darks, medium brights and lively pastels. These colors will be suitable for town, country, vacation and travel wear.

Mrs. Moore named seven points of casualties to good grooming and how to avoid them.

1. You can overcome untidy effect of limp veils by rolling detachable veils on twists of tissue paper.
2. By fastening non-skid tips over clip and screws, you can prevent the slipping of earrings.
3. To prevent slipping of lingerie straps you can devise a loop in your dresses and blouses.
4. Tuck in the top selvage of long-length gloves to prevent disarrangement on your arms.
5. To prevent blouses from riding out of your skirt, wear a waistband between the two.
6. By wearing heel guards while driving, you can prevent the shoddy scuff.
7. For "show" tuck a scented handkerchief in the side compartment of your handbag.

Mrs. Gale Lowrance stated in a demonstration of making beds the easy way, that a bed can be made to look neat and be comfortable and at the same stroke save time. For comfort fold a pleat to make room for the feet. For neatness with less effort use a sheet 108 inches long, allowing five inches to tuck in at the head and foot of the bed. The top sheet should be put on right side down and folded back 18 inches. For added neatness, make mitered corners. Fold comfort back and forth to pull up with one pull.

Announcements were made concerning the fair exhibit and the ice cream supper.

Mrs. Gale Lowrance, hostess, served crispy refreshments to Mesdames R. F. Pruitt, Neil Johnson, C. C. Burrows, Jim Barbour, Harry and Rex Lehman and a guest Mrs. S. M. Bocoock of Wichita Falls.

Miss Margie Lemond of Seymour visited here over the weekend with her parents Mr. and Mrs. Charlie Lemond.

Mr. and Mrs. Billy D. James and Mrs. R. E. White visited Sunday in Gore.

### You and your Congress

When Congress translated the Marshall Plan into legislation in 1948, the result was not named the Economic Co-operation Act by chance.

Congress intended that in return for the financial assistance rendered by the U.S., the countries of Europe should co-operate with each other and the U.S. in efforts to regain economic stability.

Thus far, Congress has authorized \$11 billion for the European Recovery program. That program has been administered by the ECA and the Organization for European Economic Co-operation (OECE).

Consistently, from the viewpoint of the United States, the emphasis has been on co-operation.

Through assistance from Marshall Plan funds, Europe since 1948 has attained a large and amazing degree of economic recovery. Generally speaking, Europe was nearly back to prewar levels by last summer.

That recovery, however, was attained more on the basis of co-operation by individual countries with the U.S. than with each other—and more than by co-operation of European countries as a group with the U.S.

The notable exception to this was establishment of the European Payments Union (EPU). But the EPU, set up as a temporary device to stimulate trade between European countries by co-operative handling of individual country trade deficits, was not launched officially until last July 1.

That date found the North Koreans marching south past the now-famous 38th parallel. And this provided the signal for a swift shift in emphasis from economic recovery to military preparedness where U.S. aid to Europe was concerned.

Truman has emphasized military assistance in his recommendation for an additional \$8.5 billion foreign aid for the fiscal year that began this month.

Of that amount \$6,250 million would be for military aid—with an additional \$5,283 million of it going to Europe and the rest to other parts of the free world.

This military aid would be administered through the North Atlantic Treaty organization (NATO), which is composed of 12 European countries and has Gen. Dwight D. Eisenhower as commander of its combined armed forces.

As Congress begins consideration of the \$8,500 million recommendation, there is nothing to suggest that Congress is less desirous today of seeing increased co-operation in Europe.

Thus, a speech which Eisenhower made in London at a dinner in his honor appears likely to carry great weight with Congress in its consideration of additional aid to Europe.

He clearly was not satisfied with the amount of co-operation obtainable under the present set-up for administering the mutual security program in Europe. He spoke of the "laborious NATO machinery" and decried a Europe "hobbled by a web of customs barriers interlaced with bilateral agreements, multilateral cartels, local shortages and economic monstrosities."

Speaking on July 3, Eisenhower strongly urged a federation of Europe—on the pattern of the U.S.A.

And he struck a companion note that seems likely to appeal to Congress as it considers foreign aid while watching U.S. spending rise:

European federation "would mean early independence of aid from America and other Atlantic countries. The coffers, mines and factories of that continent are not inexhaustible. Dependence upon them must be minimized by the maximum co-operation effort."

Mrs. Blanche Jelpi left for New Orleans, Monday after spending several days in the home of Mr. and Mrs. Sam Ferguson.

Mrs. Mae Kemp and Mrs. A. Lightsey of Chillicothe visited in the Crites-Portis home Sunday.

Mr. and Mrs. J. G. Sims of Lubbock spent two days in Iowa Park last week visiting Mr. and Mrs. Sam Ferguson. The ladies are sisters.

Mr. and Mrs. Jim Bradford of Denton visited over the weekend with his parents Mr. and Mrs. B. L. Bradford.

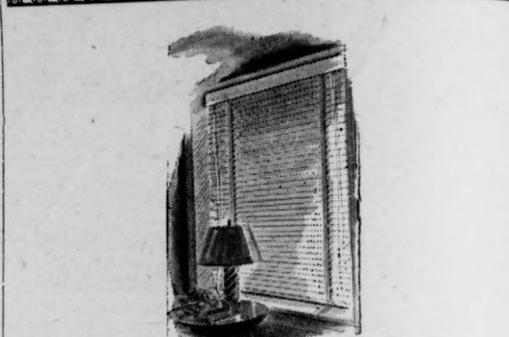

Mr. and Mrs. Rodney Weaver visited in Austin over the weekend with Mr. and Mrs. Jean Weaver.

Mrs. H. B. Lowrey of Tahlequah is visiting in the home of Mr. and Mrs. Gene Lowrey.

Mr. and Mrs. Morris Boyd and Judy arrived Sunday afternoon from El Paso for a vacation visit with their parents E. P. Boyd and Mr. and Mrs. O. M. Jones.

Mrs. May Palm has returned from a vacation trip to Paris, Clarksville and other east Texas points, her childhood home, and to points in Oklahoma. She accompanied her sister, Mrs. Nicholson and husband of Nocona.

### Might Say The Birds Got "Nettled"

Had dinner with Tik Bradley the other day, and over a frosty bottle of beer I found out about his job with the U. S. Fish and Wildlife Service.

"Now just exactly what do you do?" I asked him. "Shoot birds with a cannon" he calmly replies.

Seems they actually do use a cannon—to shoot out a net over a flock of birds feeding on the ground. The birds start to take off at the sound of the shot, but the settling net brings them back to earth. Then they're banded around the leg so more can be

learned about their migratory habits. Afterwards, they're let loose—and everyone's happy.

From where I sit, it was a good example of how when you learn the real facts they're often not as bad as they may sound at first. Like with people. Get to really know your neighbor and chances are you'll be more tolerant of his preferences—even though they're not your own. Take a good look, before you jump to conclusions.

## Presbyterian News

Young people of the Presbyterian church are meeting each Wednesday evening at 7:30 at the church for recreation this summer.

The young people, assisted by adult members of the congregation, have purchased several pieces of club equipment, including a large dartboard, a do-do board and a bean bag board, which can also be used outdoors, and two sets of croquet equipment.

A summer loan library is also a feature of the Presbyterian recreation program. The librarian is Ella Lou Van Horn.

Sammy Shelton is president of the Youth Fellowship and Marvin Richter is vice-president.

Young people who are not interested in any particular church are cordially invited to come over and play.

Recently the youth met at the church and made 13 dozen cookies for the SAFB hospital, and later contributed some 20 dozen more cookies to the hospital.

These cookies were delivered to the hospital by Mrs. Clarence Hill, who is Iowa Park's Gray Lady.

The young people are now completing eight bed books of jokes, cartoons and things to remember, for gifts to the hospital.

## Local Girl's Essay Wins First Prize

Miss Loveta Green has been notified by the Progressive Farmer that she won first prize in an essay contest sponsored during the month of June by the magazine. The winning essay drew a \$15 cash prize.

It was written on the question "Should We Draft 18-Year-Olds?" and Miss Green took the negative side. Below is a reprint of her essay taken from the July issue of the Progressive Farmer.

"Most 18 year old boys are in high school or college. They are there for an education. If they were taken out now, the majority of them would probably never go back if they had the chance. They would be too old, too far behind, or possibly would have to support a family. Wouldn't this cripple our nation from an educational standpoint?"

"Would an 18 year old boy be as efficient on the battlefield as an older man who had been in the service before? I certainly do not believe he would. Someone remarked that an 18 year old boy would make a better soldier than an older man because he was bolder. I do not believe this is true, although it may be. But boldness, it seems to me, would mean greater chances to get injured or killed. Besides, is boldness necessary? Good common sense would serve much better.

Mr. and Mrs. J. A. Berg and Kenneth visited Mr. and Mrs. Thomas L. McKinney in Dallas over the weekend. Kenneth remained in Dallas for a week's visit.

Mrs. W. E. England of Seymour is visiting this week with her daughter Mrs. Carroll Duke and Mr. Duke.

Mrs. Odis Martin and daughters Barbara, Patricia and Marilyn Jo arrived Thursday afternoon from Lake Charles, La., for a visit with her parents Mr. and Mrs. R. R. Brubaker.

Mr. and Mrs. Carl Griffith of Houston are spending a week here visiting relatives and friends.

Mr. and Mrs. Roy Maddox and family have been visiting her parents Mr. and Mrs. T. M. Black. They returned to California on Tuesday of this week.

Mr. and Mrs. Miles Hines of Lubbock visited relatives here Saturday and Sunday.

## Wichita County FARM BUREAU Newsletter

O. K. Hoyle, former county agent in Baylor county, met with directors of Wichita County Farm Bureau in the Farm Bureau office in Iowa Park, Monday afternoon, with the president Wymore B. Downing presiding. Mr. Hoyle is connected with the state organization force and discussed with the directors plans for the fall membership drive and the Farm Bureau Institute which will be held at College Station, July 29 through August 2.

Present were Solon Downing, County Agent Shahan, Assistant County Agent Tommy Duffy, and Wymore Downing of Wichita Falls; T. H. Eekelkamp of Electra; Gale Lowrance and Mr. and Mrs. John Wesley of Iowa Park.

The Wichita County Farm Bureau directors will meet again in the office Monday, July 16 at 8:00 p.m.

Mr. and Mrs. L. N. Chesshire spent the weekend here with their daughter Mrs. W. D. Vestal and family. They live in Electra.

Mr. and Mrs. Pete Noel spent Wednesday in Archer City on business.

Mr. and Mrs. John Floyd were here from Electra, Wednesday on business.

Mr. and Mrs. Carl Davis and daughter are spending a vacation in Colorado this week.

Rev. and Mrs. E. V. Jones and sons Darrell and Ervin of Ringling, Okla., visited Mr. and Mrs. Tom Reed and Mrs. Helen Kilpatrick, Tuesday afternoon and evening.

J. C. Searl has been ordered to stay in bed at his home for several days. His doctor does not wish Mr. Searl to have visitors. He became ill early Wednesday morning.

Mr. and Mrs. Fred Lewis and sons Jimmy and Dale of Hamilton, Ohio, spent July 4 in the home of Mr. and Mrs. Dan Spruiell.

Mr. and Mrs. Carl Conard and daughter of Fort Worth visited the Lehman families Monday and Tuesday.

Mr. and Mrs. Jim Sikes of Lubbock spent the weekend in the home of Mr. and Mrs. John Wesley. They were accompanied home by Lucille Wesley for a week's visit.

Ikard Opens Race For U.S. Congress

District Judge Frank Ikard of Wichita Falls has authorized the Iowa Park Herald to announce his candidacy for U. S. Representative from the 13th Congressional District of Texas subject to the special election Saturday, September 8.

Governor Allan Shivers has called this election for selection of a successor to Rep. Ed Gossett, who has resigned effective July 31.

A native of Clay County, where his parents, Mr. and Mrs. Lewis Ikard, reside, Judge Ikard is of pioneer stock. His grandfather, the late W. S. Ikard, laid out the city of Henrietta and later introduced Hereford cattle in this north Texas area.

Judge Ikard attended the public schools of Clay County and was graduated from the University of Texas. As a youth, he worked on the farm and in the wheat harvests. He also made several trips as a "herder" with carloads of cattle which were shipped to markets in Fort Worth, and worked summers as an ambulance driver on night call in Henrietta.

While attending the state university Judge Ikard served as deputy sergeant at arms for the Texas State Legislature in Austin for three years to help pay his way through school. "This also was a labor of love, because I enjoyed the parliamentary processes of law making. I resolved then to take part in this work, but realized that a man should have some practical experience with local problems and should know the people he represents," the Judge recalls.

He has been a practicing lawyer in Wichita county since his graduation from law school in 1937, with the exception of his military service.

A combat infantry private with Company M, 110th Infantry of the 28th Division, Ikard was sent overseas to France, Belgium and Germany after 17 weeks of basic training. He won two battle stars before he was captured following a delaying action in the Battle of the Bulge. He was held prisoner of war for seven months, during which time he learned of the horrors of Nazi prison camps. His normal weight of over 200 pounds on his six-foot-four-inch frame was down to 150 pounds when he was liberated in central Germany.

"My experience as a combat infantryman has given me a strong desire to keep my country out of war if possible, and my experience as a prisoner of war has given me an everlasting desire to preserve the American way of living," the Judge declares.

"I believe our standard of living must be protected from further inroads of inflation. Measures must be taken to insure a stable economy without undue tax burden," Judge Ikard said, adding, "Because people who work for a living cannot continue to meet the ever-increasing cost of living and businessmen see yesterday's profits eaten up by today's costs of operation."

Frank Ikard was elected by the Democrats of Wichita County as Chairman of the Wichita County Democratic Committee in 1948 and 1948, and headed the Texas State Veterans Affairs Commission in 1947 and 1948. He resigned these posts when he was named judge of the 30th District Court by the late Governor Beauford Jester.

As a district judge he has established an outstanding record, disposing of cases before his court at the rate of 750 a year. This is ap-

Frank Ikard

proximately three times the rate of the average district court in the state. He was elected judge of the 30th district court for a second term in 1950 without opposition.

He is known as a tireless worker. Litigants before his court have always found they can obtain a hearing, and the public outside his court have found him ready to serve in any capacity—from committee work with groups to actual flood rescue work such as last summer when he worked around the clock taking people from their flooded homes.

Judge Ikard has always occupied a prominent place in the civic and religious activities of north Texas. Because of the life saving packages he received from the Red Cross in German prison camps he has been active in Red Cross Work and is the first and only north Texan to ever serve on the national board of governors of that organization. He serves with many distinguished Americans.

He also is active as a member of the board of the Young Men's Christian Association and has served as Chairman of the Wichita County Juvenile Board.

Ikard is 37 years old and is married to the former Miss Jean Hunter of Wichita Falls. They have two sons, Frank Jr., 9, and Bill 5, and live at 2410 Dartmouth.

(A political announcement.) El Sullivan is recovering nicely from a recent operation. He is at the home of Mr. and Mrs. George Hoge. Visiting during the past week were his mother Mrs. G. W. Sullivan and Mrs. Dewitt Morris, both of Rhomb; Mrs. Katherine Jones, Mr. and Mrs. David Michael, all of Fort Worth.

Mrs. Harold Roby and children are here to spend six weeks in the homes of Mr. and Mrs. Sam Ferguson and Mrs. J. C. Roby while her husband Capt. Roby is at Camp Craig, Ala., taking a jet instructors course. At the end of the special training they will return to Williams Field, Ariz.

Mr. and Mrs. Monroe Ferguson and son arrived last weekend from Sacramento, Calif., for a visit with his parents Mr. and Mrs. Sam Ferguson. After their vacation they will establish residence in Dallas where Mr. Ferguson will work for the Pitney-Bose company.

Mr. and Mrs. W. C. Whitaker and children Terry and Tony of Denver, Colo., have been visiting his parents Mr. and Mrs. D. H. Whitaker. Terry and Tony had been with their grandparents a month. They returned Sunday to Denver.

Club Reporters Get Publicity Hints

The home demonstration clubs featured Miss Frances Arnold at a reporters school for the clubs in Wichita and Archer counties, July 5. Miss Arnold stressed the following points as important to reporters:

- 1. Let others know about the work. 2. Radio reports. 3. Announcements. 4. List members present. 5. Report on demonstrations given, club events. 6. Home demonstrations. 7. Human interest. 8. Keep in contact with reporters, editors and radio. 9. THDA Messenger.

Reporters should endeavor to keep before the public the better way of life and events of the community by reporting the club's activities, since this is what the club stands for.

The Wichita Valley Farms Community House was the scene for this reporters school. A paper-sack lunch was enjoyed by the reporters. They were Mrs. T. M. Thaxton of Wichita Valley Farms, Mrs. Lee Haston and Mrs. Edd Maag of route 5, Wichita Falls, Mrs. Ben Grenminger and Mrs. Frank Wachsmann of Windthorst, Mrs. Jud Isby, Mrs. James Robb, Mrs. F. H. Adkins, Mrs. Charlie Barton, Mrs. George E. Roger, Mrs. C. A. Grishman of Electra, Mrs. Rex Lehman of Iowa Park and Mrs. P. L. Gammon of Wichita Falls.

Special guests were Miss Pearl Coffman, county home demonstration agent, Archer City; Miss Fern Hodge, district HDA, Miss Marva Thompson, county HDA, Miss Cathryn Sands, county HDA, Wichita Falls, and Miss Frances Arnold, extension service reporter.

Car Wreck Puts Dickey in Hospital

Roy Dickey of Wichita Falls, son in law of Mr. and Mrs. R. R. Brubaker, is in the Wichita Falls Clinic hospital suffering from a back injury received in a car accident Tuesday afternoon on the highway between Dickens and Benjamin.

He was returning from a business trip to Lubbock when a tire blew out and caused the pickup he was driving to overturn.

Dr. Grady H. Kennedy and family of Wichita Falls were returning home from vacation and their car was immediately behind Roy's machine. The doctor administered first aid and brought him to the hospital.

Mrs. Dickey is the former Miss Mary Jean Brubaker.

EASY ON THE COOK EASY ON THE POCKETBOOK EASY ON THE EYES

the MODERN Automatic GAS Ranges

Yes... a new automatic gas range looks good... cooks better... costs less. Its gleaming beauty will be as modern in the future as it is today. A gas range is easy to keep clean... no need to worry about losing its new and spotless appearance. A modern gas range is dependable... durable... and completely economical in operation and upkeep. The flexible gas flame gives you any heat you want... any speed you want... and automatic controls let you oven take complete charge of all roasting and baking. And, of course, instant flame means cooler cooking, too... with no waiting for warm-up... no lingering heat when flame is off. Make it easy on yourself... make sure you get an automatic gas range.

UNITED GAS THE BIGGEST BARGAIN IN YOUR HOME TODAY

Your C. of C.

(Quoted from the Vanguard, mailed out by the Chamber of Commerce of the United States)

SLOW MOTION The average family in Asia can get 7 miles away from home as the ultimate in travel. That's the limit of a day's trip by oxcart.

The average Asiatic gets on his knees with a sickle to harvest his crop... and his plow is a crude wooden tool such as our ancestors used centuries ago. Fine raw material for the Reds.

And then look at us... We can travel 3,000 miles across the nation in 10 hours... We have fine machinery to do our work... We have comfort, luxury and security.

SECURITY WITH FREEDOM The country with the hammer and sickle is pounding away at the people who should be our friends... making us spend billions for defense... and clamp on controls that could destroy all freedom.

We can have security with freedom if we earn it by performance: We must make our system work... especially transportation... with a minimum of federal directives and controls.

We must make up for defense expenditures by drastic reductions in peace-time projects and payrolls. We should share our know-how... our technical help... so that the Far East becomes self-sustaining. That, rather than large grants of money, is one antidote for the promises of Communism.

And above all, we must see that every citizen takes seriously his sacred obligation to vote... and that he keeps well informed so that he votes intelligently.

Girls from the Baptist church attending Intermediate G.A. and Y.W.A. camp at Vernon this week are Ann Ligon, Sheri Brooks, June James, Doris Herrington, Lavonia Hanaway and Sally Easterwood. Mrs. Guy Britt accompanied the group as counselor.

Fifty-Oners

Some lucky people are taking vacations. I suppose Wanda is still in California. She must like it in the sunny state.

Melvin has already returned from his east Texas trip and has acquired a job in Wichita Falls driving a delivery pickup for Joe Adair Electric company.

Kenneth is vacationing at a naval base in the Great Lakes. He isn't so lonesome because there are several other Iowa Park boys there. Also Doyle Tate. And poor Charlene really missed him on July 4 and her birthday.

Lucille left Sunday for a visit in Lubbock. Amon is supposed to be staying home writing letters to her, so if you see him running around you better let her know. Especially if you see him around Berry's Drug. Jackie is glad that Paul finally finished his traveling. Jackie may be another Esther Williams—she is teaching swimming.

Loni has been seen with Betty Schwalbe quite a lot.

Eva Nell is just staying around home.

I heard Eldon was going steady with a girl in Wichita. Imagine him going steady!

Caroline Sue and Jimmie went to visit her sister at a Camp Fire girls' camp on the 4th, and had a picnic. She is still working at Zales.

Harold had quite a party on the 4th. Pat and Jeral were there, of course. I never did find out who Garland and Harold went with.

Tommy has been driving around in a pretty new Chevrolet. You ought to catch the girls with that, Tom.

J. C. Jimmie Joy, Amon and Lucille had a picnic the 4th, firecrackers and all.

I hear Dessie is working in a grocery store here.

Sandra has just about finished chopping cotton. She has been getting lots of mail.

Bye for now, Lucille.

Mr. and Mrs. Bob Barbour of Norman, Okla., and Mr. and Mrs. John B. Barbour have gone to Corpus Christi for a week of fishing. They expect to spend some time in Weslaco with Dr. and Mrs. W. G. Kitchell and family.

Mrs. O. C. Wiggins and children of Breckenridge have been spending the past two weeks here with her parents Mr. and Mrs. W. A. Davis. They were taken back to Breckenridge, Thursday by her parents.

Mrs. Arch Hughes and son Bruce will return home next week from camps near Kerrville. She has been an instructor at Camp Waldemar, at Hunt, and Bruce has been in a camp for boys near by.

Famed in Texas for fine performance-Texas' Own HUMBLES

Esso Extra GASOLINE HUMBLES OIL & REFINING COMPANY

The extra qualities of Humble Esso Extra gasoline gladden the heart of any motorist. From the time he starts out in the morning until he puts his car away for the night, he enjoys the extra performance that Esso Extra gives his car: extra starting, extra anti-knock performance; and extra power for quick get-away and hard pulls. What's more, he'll value Esso Extra's patented solvent oil—it keeps engines extra clean of soot and carbon.

In Iowa Park Barbour's Humble Station WE GIVE GREEN STAMPS PHONE 4121

Do you want the Best? Change to Humble Esso Extra Motor Oil! It is an extra quality motor oil that keeps your engine exceptionally clean and well lubricated. Most important of all, Esso Extra has an extra high viscosity index; it flows instantly in cold weather, stays tough and full bodied for extra protection on the hottest summer's day. Humble Esso Extra is an "HD" oil that meets every specification for cars with valves operated by hydraulic lifters. Do you want the best? Stop at the Humble sign in your neighborhood and change to Esso Extra!
