Everyone is saying "Welcome back home, Charlie." Mr. and Mrs. Metz invite all of their friends to come in and visit with them when the coffee shop opens.

Co-op Has Free Insurance Plans For Chicks, Pullets

Now available is a chick and pullet program which provides for payments to poultry raisers for birds lost from disease, malnutrition, fire, wind, hail, cyclone, tornado or lightning.

This new program was announced this week by Farmers Union Co-op, Nutrena feed dealer for this area.

Payment schedule for the program takes into account the increased investment growers have in older birds. Payment for each bird lost includes the purchase price of the chick and the cost of Nutrena feed it used. Poultry raisers can collect up to \$1.50 per bird for any they lose. Protection can last until pullets are five months old.

Clark Holloway, manager of the Co-op, described it as a "livability insured chick and pullet program."

Poultry raisers can get the insured loss protection of the plan at no extra cost by following the Nutrena chick and pullet feeding program, Holloway emphasized.

All poultry raisers have to do to qualify is register at his office and agree to follow the Nutrena feeding program for the first 5 months.

In addition to the five-months program, an 8-week protection plan is also available. It qualifies the grower for insurance protection against loss from disease or malnutrition only, during the first eight weeks of the chick's life.

Growers can start on either program any time up until chicks are four weeks old.

Poultry raisers interested in the complete details of the "livability insured" program can get more information from Holloway.

Our Town Has a New Skyline

White's and Park Furniture Stores Open Saturday in New Buildings

All Iowa Park has been watching with interest the erection of Harrel Sullivan's two new buildings at the corner of Park avenue and Yosemite street. They are actually two buildings and will house two entirely separate businesses, both owned and managed by Sullivan.

Facing on Park is the White store, which formerly was two doors east of the Herald office. And facing on Yosemite is Park Furniture Store, which formerly was in the iron building across the street from White's.

Grand opening for both these stores in their new location will begin this Saturday, March 2, with the celebration scheduled to last eight days.

Mr. and Mrs. Sullivan and their staffs will be ready to greet all their friends and new customers in the new building Saturday and the following week.

White's is a complete home furnishings retail store, featuring a baby department, sewing machines, fishing department, furniture and service department and White's home appliances.

In the home appliances can be found Leonard refrigerators and electric ranges, ABC washers and dryers, Catalina, Gaffers and Sattler stoves, Olympic television sets, high fidelity radios, and all the smaller appliances.

In the auto supply department are tires, batteries, replacement parts of all kinds, and a full line of accessories.

The service department includes installation of accessories, tires, batteries, seat covers, and radios and repairs on many of such automobile extras.

Park Furniture Store is housed in a two story building. Downstairs will be living room and bed-

room furniture, tables, lamps and the like. Upstairs are dining room suites, dinettes, bedding and the main office.

Interior of the White's building is of speckled tone pegboard of green, pebble tan and toro red. The fixtures are of natural wood and the checking counter is built of Roman brick.

Sullivan opened the White's store here April 4, 1953 after receiving his discharge from the air force. In May 1954 he opened the Park Furniture Store as a separate establishment. These businesses have done so well, Sullivan decided to build larger and more modern accommodations for them.

Working with Harrel and his wife Peggy are his brother Kenneth Sullivan, assistant general manager; Mrs. Norma Beall, saleslady and bookkeeper; and Bill Brubaker, expert radio and television installation and maintenance man.

The public is invited to register Saturday and all next week for gifts to be given away Saturday, March 9, at 4:00 p.m. Free gifts will be given to all patrons this Saturday.

White's Store will give away a \$319 ABC automatic washer; an automatic steam and dry iron; and a White's bur-glass battery (with 5 year guarantee).

Park Furniture Store will give away an Englander foam rubber mattress unit; and \$20 worth of floor covering.

All Iowa Park join in congratulating Mr. and Mrs. Sullivan on the fine contribution they have made to the appearance of Our Town with these two buildings.

Construction of these buildings has been under the supervision of Carl Sullivan, local contractor, who is responsible for much of Iowa Park's latest and best buildings and some of its finest homes.

Reflections from the Bible

By Ray Marcum, Minister Iowa Park Church of Christ

My friend, don't ever close your mind to the presentation of a new truth. When one comes to you in the interest of pure unadulterated New Testament Christianity, give heed to his words. Carefully examine every tenet of your belief in the light of New Testament Scriptures. When you have personally found that the New Testament scriptures differ from what you have believed or practiced through the years, for the sake of your soul, adopt the same attitude that characterized Saul, the Eunuch, Apollous the preacher, and the Ephesians, and exchange the ground that you now occupy for a position closer to the Lord and closer to the truth. It is certainly right to change when you change an error for the truth.

There is one significant fact about all the above mentioned men. They were already worshippers of the true God. They were sincere; they were conscientious. In so far as they then knew, they were saved and in good standing with the Lord. Yet, despite all this sincerity and despite this earnestness, they were not well pleasing to him. Each saw himself in his true light, a struggler toward the truth, but not as obtainer of it. When truth was pointed out to each, he did not quibble nor think it non-essential. He was ready to accept as when he originally became a believer. (adv)

John A. (Mac) McDonald, 56, died Tuesday morning, Feb. 19, in a Wichita Falls hospital after suffering a heart attack earlier that morning. He was rushed to the hospital in a Tanner ambulance.

Michael McDonald and the Victory Exposition Shows

Though the whole week is designated as Public Schools Week, the local school will not be opened for classes Friday, March 8. Faculty members are to attend a teachers meeting in Vernon, Friday and Saturday.

Religious Census

All workers in the religious census to take place next Sunday afternoon are reminded to be at the First Baptist church, ready to go, at 12:45. With enough census takers sharing in the job, the whole important task can be finished in an hour, says Royce Brown, general chairman.

All people in town and the outlying area are asked to help someone at home during that hour who can answer the questions needed for the religious census.

Patrons are invited to visit the schools to observe the system in action. Do you know, personally, your children's teachers? Do you know other school personnel with whom they come in contact daily? Go to the schools next week and make yourself acquainted with the environment which affects your children's development during a large part of their waking hours.

Both you and the teachers are interested in your Johnny or Mary. You are both responsible for their todays and tomorrows.

Supt. Keith D. Swim and the entire school personnel extend to each patron a cordial invitation to visit the school.

To Be Ordained

An ordination service will be held at the First Baptist church Friday evening, March 1, at which time one of Iowa Park's fine young men, Franklin Farmer, will be ordained as a full gospel minister.

A covered dish supper will be enjoyed, beginning at 6:00, when members of the church and their families will gather for a social prior to the ordination service, which will begin at 7:30.

Rev. James N. Easterwood, former pastor and now of Anson, will be here to bring the message. Rev. Sid Martin of Wichita Falls, district missions secretary; Rev. Bob Seck, pastor of the Jolly Baptist church; Rev. Jimmie Hooten, pastor of the Salesville Baptist church and Bro. S. George Shropshire of the local Faith Baptist church, will all have parts on the program.

Franklin has been called to pastor the Murray Baptist church, near Graham, and that congregation asked that his home church ordain him.

Thirty-four pastors of this district and several friends of the family have been invited.

The presbytery will be organized at 7:15 and the ordination service will follow. Rev. Homer W. Thompson, host pastor, representing the local congregation, will make the presentation of a nice Bible.

Mrs. Gertrude Bell of El Paso, Mr. and Mrs. Joe Bell and daughter Marilyn Jo of Houma, La., have been visitors in the Loyd Bell home the past week.

Patrons Invited to Visit Schools

Miss Ethyle Kidwell and James E. Elms, principals, will serve as co-chairmen for Iowa Park's observance of Public Schools Week, March 4-9.

All patrons are invited to visit the schools to observe the system in action. Do you know, personally, your children's teachers? Do you know other school personnel with whom they come in contact daily? Go to the schools next week and make yourself acquainted with the environment which affects your children's development during a large part of their waking hours.

Both you and the teachers are interested in your Johnny or Mary. You are both responsible for their todays and tomorrows.

Supt. Keith D. Swim and the entire school personnel extend to each patron a cordial invitation to visit the school.

Proclamation

Whereas, the first week in March is Public Schools Week in Texas, and citizens are asked to visit their public schools and learn more about their organization and operation and get better acquainted with school personnel, and

Whereas, the school boards and administrative officers are grateful for this interest, believing that that active support and encouragement of all people is essential to the maintenance of a sound public educational system,

J. R. E. Van Horn, mayor of the City of Iowa Park, do hereby proclaim and designate the week of March 4-9 as 1957 Public Schools Week in Iowa Park, and urge all citizens of the district to visit the schools during that week in order that they may get a first-hand impression of what and how the public schools are teaching their children.

(Signed) R. E. Van Horn, Mayor City of Iowa Park Feb. 28, 1957

March 4-9 is Public Schools Week. Go see for yourself how the youth of Iowa Park is being educated and trained for citizenship. Make it a habit to take an interest in our schools. They are a solid investment in democracy.

Out of our public schools come the leaders of our nation. Pay tribute to the schools during the week March 4-9. That's Public Schools Week, and a fine time for all adults to go back to school for a day.

When you visit the public school you see democracy in action. Back the school through PTA, Quarter-back club and other means. Your responsibility to the educational system extends farther than just the pocketbook. Help pay tribute to the state educational set-up during next week.

Training place for democracy is in our public schools. Take a look at the techniques used by our teachers during the week March 4-9. Plan to visit, meet the teachers and coaches and principals. The doors are always open and you are certain to receive a hearty welcome.

BRUBAKER CONDUCTS FIRST JURY TRIAL; MAN ACQUITTED

Last Thursday afternoon Sheriff Henry Jones was on the prowl for six men to serve as a jury in the justice court of Robert R. Brubaker. He got his men, and the case was presented.

Not especially world shaking, but it was a novelty for Iowa Park. In all his years as a justice of the peace Mr. Brubaker had never before been called upon to conduct a jury trial.

It seems that last June 18, a man from Brownfield was driving on the highway here and pulled up at the spotlight south of City Hall. While waiting for the light to turn green, another car came from behind and smacked his car. The Brownfield man drew a ticket from the investigating officer representing the state highway patrol.

Convinced of his innocence, the accused insisted upon a jury trial. Frank Gibson, deputy county attorney, represented the state, and the accused man directed his own defense.

The state's only witness was the arresting officer, and he hadn't seen the collision. The defense had an eye witness, the accused, and his wife, who was in the car at the time.

After hearing the evidence and having the law read to them by Judge Brubaker, the jury returned a quick acquittal verdict. The man from Brownfield went away happy and the deputy county attorney went back to the county seat.

Judge Brubaker shelled out four-bit pieces to A. O. Holt, Sam Smith, R. E. Van Horn, Travis Partney, Billy Wayne Koonce and George R. Huckaby for serving on the jury.

The last we heard was the judge wondering if he'd ever get his \$3 back from the county or state, as the case may be!

S. B. Keeter has gone to Ardmore to get his mother Mrs. Mae Adams, who has been ill in a hospital there. He plans to bring her home with him for a convalescent period. Mrs. Adams' home is in Lawton, Okla.

Mr. and Mrs. J. W. McLemore and children Patty and James have returned to Iowa Park to live. J. W. has been in military service the past four years. He is now employed with Goble's Dairyland in Wichita Falls.

Mrs. J. M. Whitaker was admitted to the hospital last Saturday for treatment.

"It may rain, it may hail
But our dads never fail.
It may snow, it may sleet
But our daughters can't be beat."

To prove this point, the Camp Fire girls annual banquet was held Friday night, even with the rain, at the school cafeteria. Present were 73 girls and 70 guests.

Toastmaster for the evening was C. E. Birk. Rev. Elden Cole gave the invocation. After the meal, the girls introduced themselves and their dads. All the girls then sang "Our Dads Will Shine" to their fathers. This was followed by the poem "Dads, We Need You," recited by Elaine Sawyer.

Special guests introduced by Mr. Birk were:

- Miss Avalyn Maddox, Camp Fire field director
- James Stewart, president of CF's sponsor, the Evening Lions
- Bill Sawyer, past president, I.P. district committee, now delegate at large
- R. E. Waters, district committee chairman
- Wayne House, vice-chairman
- James Todd, secretary and treasurer
- Arch Hughes, community service
- Mrs. Arch Hughes, program chairman
- Elden Cole,

Mrs. Hughes introduced the girls who won prizes in the recent candy sale: Angie Scott, who sold 100 boxes and won a half week at Camp Letoli. The following sold at least 50 boxes and won free memberships in Camp Fire and Blue Birds: Dianne Gard, Dorris Gard, Bobby Hall, Doreen Roach, Beverly Hadley, Jo Cowden, Elaine Sawyer, Glenda Sawyer, Barbara Hadley, Judy Callaway, Donna Childers, Carolyn Lowrey, Linda Hall, Judy Holmes.

Speaker of the evening was Miss Maddox, who told the girls and their fathers all about Camp Letoli.

The girls then put on a play "The Camp Fire Calendar" arranged by Mrs. Kenneth Watts. Taking part were Linda Warren, Trudy Cofer, Sherye Compton, Glenda Granger, Linda Jo Grace, Diane Watson, Mabel Clapp, Ysindra Smith, Betty Engledow, Bar-

bara Hadley, Diane Holmes, Janet Kimberlain, Linda Brubaker, Beverly Birk, Linda Mitchell.

The evening was closed with the Blue Birds' repeating the Blue Bird wish and the Camp Fire girls' saying the Camp Fire Law. Then all the girls and their dads made a large circle, and the girls sang "Green Trees," with the dads joining in on "Taps."

Gentle electric clothes drying shortens ironing time because electrically-dried clothes have fewer wrinkles and no clothespin "ears" to iron out. Many fabrics such as towels, corduroys and knit goods come from your Electric Dryer so wrinkle-free they require no ironing at all. And, of course, you free yourself from monotonous clothesline drudgery when you dry clothes electrically. Your time-saving, work-saving Electric Dryer is economical, too, because it *protects* clothes while it dries them.

Going to Newfoundland

Miss Gladys Fae Shelton, daughter of Mr. and Mrs. Luther Shelton of Iowa Park, became the bride of Lt. Joseph A. Tavano at 5:00 Sunday afternoon, Feb. 17. The couple exchanged vows before Father Fahey in St. Mary's church of Mount Vernon, N.Y.

Joseph's parents are Mr. and Mrs. Anthony J. Tavano of the Bronx, N.Y.

The nuptial space was flanked by two large arrangements of white gladioli and chrysanthemums, and the pews were marked by arrangements of the same blossoms and white satin ribbons.

The bride, given in marriage by a family friend, Robert Bruce Lowrance of New York City and formerly of Iowa Park, wore an ice-blue satin gown, semi-formal in length and fashioned along princess lines with extremely wide skirt. A halo bandeau encrusted with seed pearls held a fingertip veil of pale blue nylon net. She wore blue satin gauntlets and carried a cascade bouquet of white feather carnations and lilies-of-the-valley with long satin streamers.

Attending as maid of honor was Miss Rose Urbano of Albany, N.Y. She wore a short formal of shrimp colored chiffon over taffeta and net, and carried a cascade bouquet in varying shades of pink carnations.

Anthony J. Tavano Jr., served as his brother's best man, and the usher was Peter Avalon, both of the Bronx.

Graduated from Iowa Park High School in 1955, the bride has been employed at Sheppard AFB the past 18 months. She was a member

of the Future Nurses club in high school.

The groom is a graduate of Fordham university in New York City, where he was a member of the air force ROTC and after graduation entered the air force in 1956. He was stationed at Sheppard.

Last August he was transferred to Harmon AFB in Newfoundland, where he is now stationed.

The wedding reception was held at "The Racine Way." Guests were greeted by the bride and groom, the parents of the groom, the mother of the bride, and the attendants. Party rooms were decorated with the bride's chosen flowers, gladioli and mums interspersed with fern and other greenery.

For the wedding trip to Washington, D.C., the bride wore a navy blue two piece dress and brown accessories.

Young Mr. and Mrs. Tavano will leave the States, March 4 for Stephenville, Newfoundland, where they will establish a home.

Mrs. Shelton returned to Iowa Park last week after attending the wedding of her daughter.

Floyd Busby left last Thursday on a short business trip to Redondo Beach, Calif. While on the West Coast he will visit with his granddaughter Mr. and Mrs. Jerry Gelsert.

Mrs. J. D. Padgett is reported improved after being seriously ill last week in Wichita General hospital.

Mr. and Mrs. A. L. Bohanon were in a car wreck Saturday night in Wichita Falls but received only minor injuries.

Revival Continues

Evangelist Zoe Brown is in her second week of the revival at the Church of God on East Cash street. Rev. L. C. Pennington, pastor, reports large crowds are attending the services that begin at 7:30 each night.

The people are receiving great blessings from the messages the evangelist is delivering. Visitors from Wichita Falls, Burkburnett, Electra and other communities are enjoying the revival along with the local folk.

Young people of the church recently purchased an electric achronic organ for the church. Mrs. Kenneth Battle, Mrs. Leon Goforth and Mrs. Perkins will serve as organists and pianists.

Mr. Pennington and members of the church extend an invitation to the public to come and hear the messages, the fine choir singing and the music.

Prebyterians

Women of the Church met at the Presbyterian church Tuesday at 10:30 a.m., with the president in charge. Mrs. Gale Lowrance was leader for the general program.

Meeting was opened with chain prayers followed by singing of the hymn "Joyful, Joyful, We Adore Thee."

Subject of the program was "Community Barriers." Mrs. Noel Troutman talked on that subject; Mrs. A. H. Estes on "Building a Better Community" and Mrs. J. B. Ridenour on "Your Church and Your Community." This portion was closed with the hymn "Onward Christian Soldiers."

Mrs. Harold Dykstra taught the Bible lesson on the book of Hosea from the study book "Thus Saith the Lord."

A covered dish luncheon was served at noon, after which Mrs. Bob Wyatt of Sherman gave a talk on Japan and showed slides made during the time she and her husband and children were in Japan with the air force.

Others present were Mmes. Jessie Norton, Locke Lowrance, L. F. Miller, J. Shtolin, L. Lovelace, K. P. Abernathy, Kate Emanuel, A. C. Weiss, C. E. Birk, Miss Mina Troutman and Mr. Dykstra.

Present for Mrs. Wyatt's talk were also Mrs. Ray Low, Mrs. John Clapp, Carl Troutman and Locke Lowrance.

An offering was taken for world missions.

Mr. and Mrs. Edward C. Holder are announcing the birth of a daughter Norma Gay, on Sunday, Feb. 17. She weighed 8 lb. 5 oz.

PARK AREA CLUB

Park Area Home Demonstration club met Wed., Feb. 20 at the home of Mrs. H. B. Jones with Mrs. James Todd as hostess.

Topic was "Our Responsibility to 4-H Club Girls. Mrs. Lowrance directed a parliamentary drill.

The club was honored recently by having one of its members Mrs. L. E. Brooks elected as county chairman of THDA.

Park Area club will conduct a cake sale on Friday, March 1, in the Wichita Falls A & P store. All will be home baked cakes, pies and cookies, as only Home Demonstration Women can make them.

Mrs. Ray Low will be hostess to members of the club next Wednesday at 2:00. Thelma Wirges, county agent, will present the program.

Mrs. Todd served cherry pie and coffee to Mmes. Stark, Gale Lowrance, L. E. Brooks, Ray Low, N. E. Seay, A. H. Estes, W. Karstetter and H. B. Jones.

Farmers Union speaks

Members of Farmers Union met Monday night in the Community House for a business session.

Hereafter there will be a \$5 prize to some member each regular meeting night, which is the first Monday of the month. If that member isn't present, \$5 more will be added for the next time.

It was suggested that members should watch legislation that will affect all farmers in this session of Congress, and get letters to the congressmen and senators, to let them know how their constituents want them to vote on each issue. Congressmen and senators are always glad to hear from the folk back home in regard to these important issues.

It is well to keep in mind that the men who make our laws are working for all of us, and represent us at the capitol at all times. If they know what is wanted and needed, they will work for our best interests, and therefore for the best interests of the nation and of the world in general.

All farmers are reminded that the Farmers Union Co-op is ready and able to care for most of your needs, and if wanted items are not on hand they can be had.

Mr. and Mrs. Len Troutman and Mr. and Mrs. Herman Troutman and daughter Patsy, all of Dumas, recently visited relatives here.

Mrs. Lula Willard has returned home after several months stay in Miami, Okla., with her mother Mrs. D. K. Harbour and other relatives.

Good Luck, Charlie, in your coffee shop

Congratulations, Harrel on your new buildings

Your Lawn Has Its Own Individuality and There's a . . .

Jacobsen

. . . Mower To Make It Look Its Best!

To be truly beautiful and inviting—the rich, green carpet that everyone admires—your lawn requires the crisp clean grooming that only JACOBSEN provides. Whether your lawn is large or small . . . hilly or level . . . landscaped or open, there's a JACOBSEN power lawn tool to bring it to its ultimate beauty.

The exclusive Jacobsen Suction Life Rotor, with four cutter blades instead of two, gives twice the cutting frequency of bar-type mowers. All four blades are pitched to provide maximum lifting action so that bent or trampled grass is "set up" and cut cleanly and evenly. Long grass is drawn in from the sides to assure neater, closer trimming.
