R. B. Faulkner will serve as president of the Noon Lions club for 1957-58. He was recently installed at a joint meeting with the Evening club.

Last week Faulkner named the following committees:
Attendance: Keith Swim.
Finance: C. E. Birk.
Lions information: Sam Hill.
Publicity: George R. Huckaby.
Membership: Buck Voyles, Luther Shaw.
Convention: Rollins Woodall.
Program: Curtis Sewell, Lester Brooks.
Citizenship: Homer Thompson, Alvin Smith.
Boys and girls: Royce Brown, Dan Barnes.
Civic improvement: Morris V. Jacks, W. G. Steele.
Community betterment: Foster M. Wilson, Clyde Hutchinson.
Education: Harold Dykstra.
Health and welfare: Gordon G. Clark, Alan Berry.
Safety: Henry Jones.
Sight conservation and blind: Richard Hill.
United Nations: R. R. Brubaker.
Greeters: Archie Bryant, J. B. Smith.
Agricultural: Lester E. Brooks.
Constitution and by-laws: Alvin Tanner.

Faulkner was born in Burk Burnett and completed high school there. He has been employed with C. H. Parker stores for 24 years, starting as a package boy.

In 1948 he became manager of the Iowa Park store and has served in that capacity since.

R. B. is married to the former Margie Bills Varner of Burk Burnett. They have three daughters: Sharon, 12, Vicki, 7, and Janice, 5. The family attends the First Baptist church.

R. B. is a World War II veteran, serving in the European theatre with the army.

He has been a Lions club member since 1950 and has served as director, on various committees, and was 1st vice-president of the club the past year.

Mrs. Coleman, 40, To Be Buried Here Saturday

Services are to be held for Mrs. Ollie Lee Coleman, 40, of Longview, Wash., Saturday, July 27, at 4:00 p.m. in the Faith Baptist church, with Bro. S. Geo. Shropshire, pastor, officiating.

Burial will be in Highland cemetery under direction of Tanner Funeral Home. Pallbearers will be Walter and Joel Spruiell, R. B. and James Roy Wilkerson, Bud Patterson and Fuqua Boyd.

Mrs. Coleman died Wednesday evening in a Wichita Falls hospital after several months of illness. She returned to Iowa Park three weeks ago and has been in the home of her parents until she was taken to the hospital Monday evening.

She was born Nov. 4, 1916, in Baylor county, daughter of Mr. and Mrs. Tom Dillard, and was married to Paul R. Coleman in Seymour in 1933.

The family moved to California, and in 1941 came to Iowa Park. In 1946 they moved to Oregon, later going to Longview, where they have resided since 1951.

Survivors are Mr. Coleman; five sons: Jim of Santa Barbara, Calif.; Paul Jr., Tommy, Donny and Randy of Longview; a daughter Karen Sue of Longview; her parents; a brother C. B. Dillard of Ventura, Calif.; two sisters: Mrs. Violet Spruiell of Abilene and Mrs. Wanda Hair of Wichita Falls; and one grandchild Teresa Ann of Santa Barbara.

Revival Starts Sunday Evening

Rev. L. C. Pennington has announced that Rev. C. W. Collins, superintendent of Northwest Texas, will be evangelist for a revival to be held in the local church of God beginning Sunday evening, July 28. Services will begin at 8:00 each evening. Special quartets and group singing will be enjoyed at each meeting.

Mr. Collins served as state superintendent of Arizona for four years, and is originally from Roanoke, Va.
Mr. Pennington and members of the local church extend a cordial welcome to everyone to attend and worship with them.

Mr. and Mrs. J. W. Mullins and Bobby and Carla Jean left Monday morning for Memphis, Tenn., to make their home.

Fred Myers, 90 Is Heart Victim

Funeral services were conducted for Fred Myers, 90, Monday, July 22, in the Tanner Funeral Home, with Rev. Harold Dykstra of the Presbyterian church officiating.

Burial was in Highland cemetery. Pallbearers were F. E. Hill, Locke Lowrance, George Richter, C. E. Birk, Frank and Raymond Rauschuber.

Mr. Myers died Friday evening at the county farm from a heart attack, after several years of illness. He had been blind for the past five years.

He was born Jan. 4, 1867, in Troy, Ohio. He had managed several hotels in Dallas, including the Adolphus.

Mr. and Mrs. Myers purchased the Sunshine hotel here in 1922 and operated it for many years until ill health forced them to retire.

Besides his widow, Mr. Myers is survived by two nieces who reside in Florida.

MISSIONARY FILM TO BE SHOWN

For the conclusion of the study of southeast Asian islands, the Methodist Junior MYF is showing a filmstrip at 7:00 p.m. next Sunday.

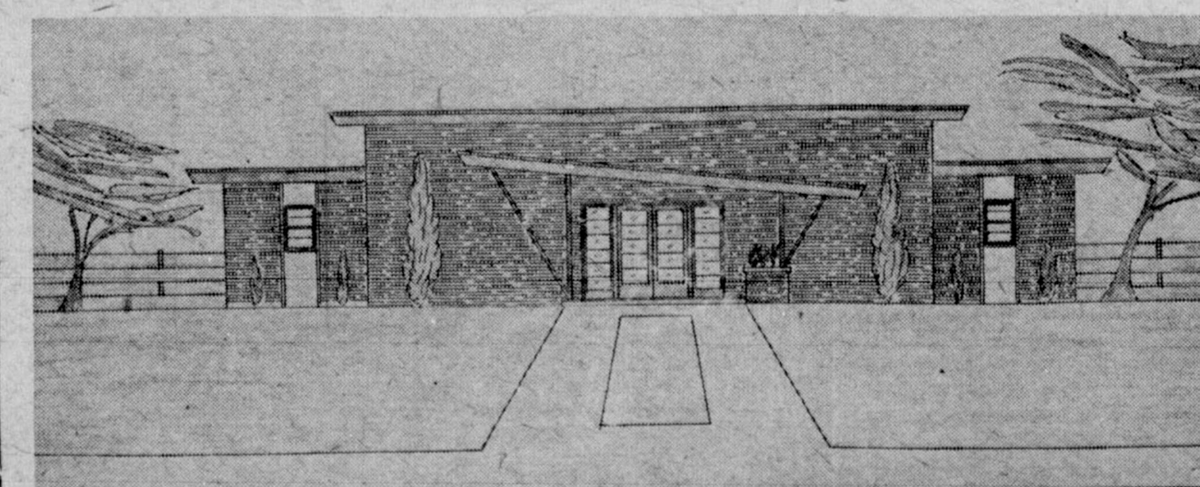

Titled "Three Happy Boys of Malaya," the film gives the experiences of these boys and shows how they are affected by the work of Methodist missionaries.

Parents are invited as special guests and others will be cordially welcomed by the young people.

KYLE WAYNE WILLIAMS

Iowa Park has a new citizen. He will reside with Mr. and Mrs. Wayne Williams at 510 North Yosemite, according to their announcement, which reads as follows:
"Just a short while ago
Into this big world I came.
God found me a lovely home;
I am to live with Philetius
and Wayne.

"They want you to know my birthday;
'Twas the twenty-fourth of July.
And the name of Kyle Wayne
Is what I'll be known by."

Pictured above is the proposed Jaycee community youth center, currently under construction in the new City Park.

The proposed building will be 60 feet square and will face the southeast. Inside will be offices for the Jaycees, the boy scouts, camp fire girls, VFW and other civic organizations of Iowa Park.

A 40 by 60 space in the center is designed for any civic activities of the town. Recreation facilities such as shuffleboard and ping pong are planned.

Jaycees under leadership of N. E. Guthrie Jr. have purchased an old building in Wichita Falls, and have torn it down and moved the lumber to the park. With the material from this purchase, the group

hopes to have enough timber for construction of the walls and ceiling joists.

Jaycees sold the sheet metal roof and money from that sale has been put into the building fund.

Many interested persons have been by to see just what the Jaycees are doing, and have promised full support of the project. Money, materials and labor have been offered by many friends and members of the community.

After the building is completed and dedicated, it will be turned over to the City for maintenance and care. Arrangements for use of the auditorium will be made with city authorities.
Many hours of planning have

gone into this proposed building, plus many hours of hard work. The architectural drawing was done by Guthrie and Charles Miller.

The building will have complete kitchen and rest-room facilities, besides offices for as many civic clubs as possible. Let's all join in and support the most worthwhile project ever undertaken by any group in behalf of our community.

Other members of the Jaycees in Iowa Park are Ronnie Deloy, Pete Koonce, Bill Fowler, Keith Swim, Morris Jacks, Buck Voyles, A. A. Bryant, Dr. L. A. Crawford, Peanuts Wilson, Jerry McLemore, Oscar Singleton, George Huckaby, Billy Dean James, Raymond Day, David Wayne Padgett, Fred Hays.

Sharon Reed and James Murfield Wed in Beautiful Church Setting

Vows were read Saturday, July 20, for Miss Sharon Patricia Reed, daughter of Mr. and Mrs. Albert L. Reed of Iowa Park, and James F. Murfield of Wichita Falls. He is the son of Mr. and Mrs. James W. Murfield of Fullerton, Calif.

Dr. LeRoy Carter, minister, performed the marriage ceremony at 7:30 p.m. in the Christian church. A program of traditional nuptial music was presented by Mrs. W. G. Steele, organist, and Mrs. C. L. Vaughn, vocalist.

Forming a background for the rites were two bouquets of white gladiolus flanked by vigil lights in candelabras and by potted palms. The young couple knelt on a white satin prie-dieu for the Lord's prayer.

Given in marriage by her father, Sharon was beautiful in a formal-length dress of white imported lace over satin, styled with a fitted bodice, low rounded neckline, with sleeves and hem edged by hand-clipped lace. Her fingertip veil of illusion fell from a pearl tiara, and she carried a white fan with gardenias surrounded by stephanotis.

Mrs. Cecil of Wichita Falls, cousin of the bride, served as matron of honor, wearing a waltz-length dress of pale blue organza designed with fitted bodice, low scalloped neckline and short sleeves. She wore a blue velvet band headress.

Miss Marilyn Murfield of Fullerton, sister of the groom, was the bridesmaid. She wore a dress styled like that of the matron of honor.

They both carried white fans with sprays of blue Supreme Reeds. Carl Harvey of Monterey Park, Calif., brother-in-law of the groom, was best man. Wichtans Dale Beeson and Ralph Schaller were ushers and Jerome Clark was the groomsman.

A reception for relatives, the bridal party and their families was held in the Reed home immediately following the ceremony. The bride's table was covered with a white satin cloth and centered with a garland of smilax and lilies of the valley entwining silver candelabras holding tall white tapers.

Mrs. Forest Collins and Miss Connie Reed, both of Wichita Falls, presided at the cake and punch service. Mrs. Jack Jordan of Wichita Falls presided at the brides-book.

Sharon is a 1956 graduate of IPHS and has attended Midwestern university the past year. She will enroll this fall as a sophomore. This summer she has been employed with White's Store in Wichita Falls.

The groom is a 1952 graduate of Fullerton Union high school. He attended Fullerton Junior college and Midwestern. He is now an enlisted instructor at Sheppard AFB.

After a trip to points of interest in east Texas the couple will be at home at 1809 Fillmore.

Mr. and Mrs. John Reed, grandparents of the bride, were hosts for the rehearsal dinner at their home Friday evening.

TEXANS IN CALIFORNIA, GIVE HEED!

All of you—all are invited to the Original Texas Annual Picnic and Round-up at Bixby Park on Aug. 3. There will be speeches, music and dancing, and professional entertainers.

Bring your fried chicken, black-eyed peas, along with all your friends. Let's make this a wonderful Texas Day.

The above invitation is signed by Tex Monkes and A. L. Hicks, and was mailed from Long Beach, Calif.

Might be a good way for a Texan in California to meet some of his old friends and neighbors.

Charles Quick, son of Mr. and Mrs. Louis Quick, recently received his discharge in California from the navy. He and his parents are vacationing in Utah, Wyoming, New Mexico and other places of interest. They will reach home this weekend.

Mr. and Mrs. Don Stell had as guest last week her brother Carl Hogue of Bellevue.

POPULATION OF IOWA PARK

This week the Chamber of Commerce was asked for recent figures on the population of Iowa Park by the business research bureau of Texas Tech in Lubbock. Through the courtesy of the First Baptist church, who let us use the file on the All Church Census taken in February, we added up and found the population within the city limits to be between 2400 and 2500; rural area around Iowa Park about 800.

HOME OF THE MONTH

The city beautification committee wants us to keep mowing away at those weeds and grass, as they are going to make another tour the first of next week, to decide on the Home of the Month for July. Mayor Van Horn also reminds that the City will do all it can to mow vacant lots if you will call the City. There has been good response from quite a number of residents.

COUNTY 4-H CAMP SET FOR AUGUST 2
With a full day of fun scheduled, the annual Wichita County 4-H Camp will be held Aug. 2 at the county 4-H center. Registration begins at 9:30. After a short assembly a swimming party is planned for Westmoreland Pool. Following a sack lunch, the boys and girls will be divided into interest groups. Short courses will be conducted in safety, electricity, wildlife, youth problems and 4-H records. Remainder of the afternoon will be spent in recreation taught by E. O. Wilson of the West Texas Utilities company. Following a potluck supper, the evening assembly will be under leadership of Shirley Van Husen and Alden Smith, camp chairmen.

Lester Brooks, an International counselor and member of the program committee for the Noon Lions club, presented an interesting program at Tuesday's meeting. Speaking on Lions club programs he used the following outline to point out the many sources of fine programs for the local club:

Lions Club
What it is not:
Not a knife and fork club
Not a dine and dance club
Not a fellowship hour—only
Has some of all these

What it is: A service organization whose over-all objective is a better way of life—a better world. Through:
Better understanding
Generous consideration
Higher ethical standards in business and profession
Better government
Sympathy for the distressed
Substance to the needy
Aid to the weak
Membership implies faith in these principles and objectives and a pledge toward their achievement.

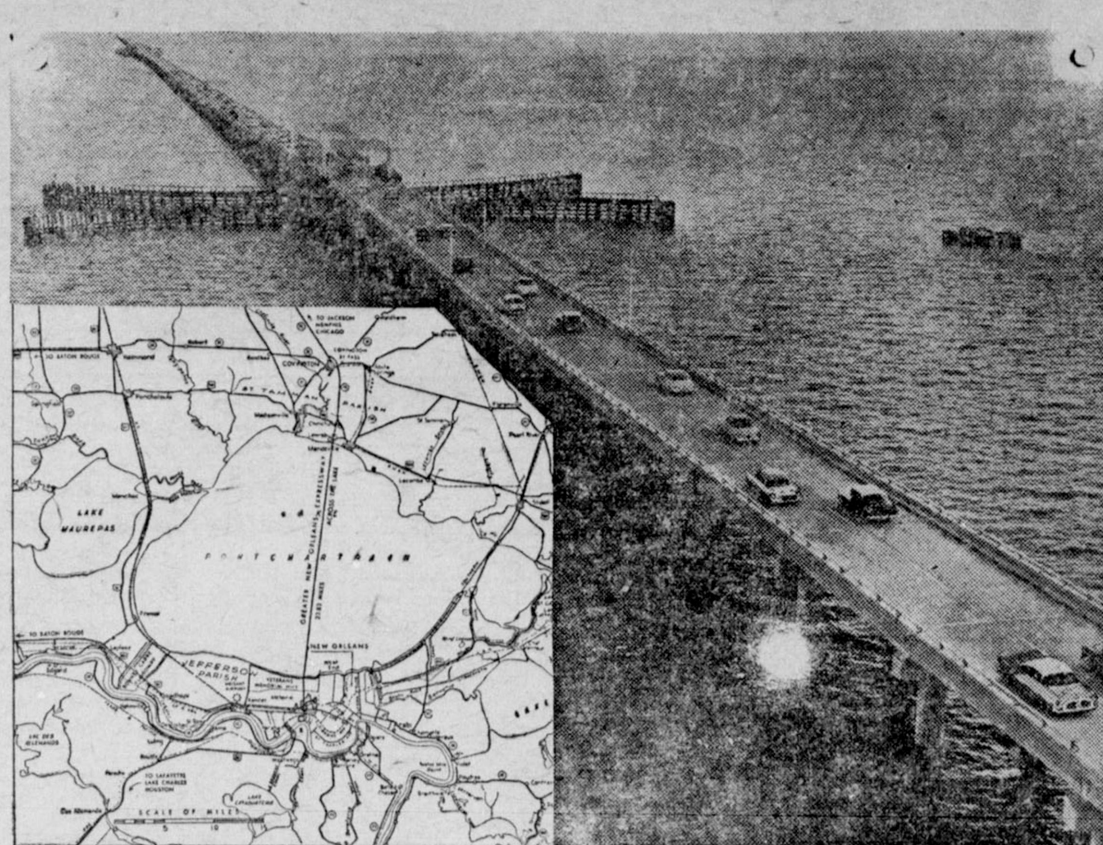

The first good is to oneself
Will to serve is a step forward
To affirm good is a blessing to one's own heart
To foster friendship is to have a friendly attitude. Smile and the world smiles back
To desire better understanding among peoples it is to try to understand yourself better.
To desire more generous consideration is to be more tolerant in your own heart.
To feel sympathy for the distressed is to have a more compassionate heart
To share your substance with the needy is to increase the abundance that is yours
Aid to the weak is added strength to the giver

(Note: Taken wholly, accepted fully, the true spirit of Lionism could bring happiness and health to many.)

Program Subjects
1. Classification talks: merchant, manufacturer, professional, skilled artisan.
2. Youth: Kid baseball, Scouts and Camp Fire, Church youth, Rock and roll, Schools.
3. Civic: Chamber of commerce, firemen, home beautification, city government, county government, Ministerial Alliance, PTA, local welfare, publicity—press, radio, TV. Agriculture: Farmers Union Co-op, Farm Bureau, 4-H and FFA work, Extension Service, Soil Conservation Service, Experiment Station, legislation affecting agriculture.
Industry: manufacturers, transportation—rail, bus, motor, oil production.
World Affairs: foreign policy, national defense, trade.
Social: sororities, musicians, study clubs, home demonstration clubs.
Further to emphasize the value of local and classification talks, Brooks gave a few minutes to the work of the local Experiment Station on Guar, a dual purpose summer legume. He also distributed a reprint on the subject.
Guests introduced Tuesday were H. N. Berry and Thomas C. Morgan of Wichita Falls and Rev. M. C. Yeagan, a former local member now located at Sulphur, Okla. Rollins Woodall gave a report on Troop 37 and its activities. The 18 scouts who attended camp at Perkins Reservation earned 48 merit badges. With the 14 previously earned, that made 62 merit badges awarded recently.
He also reported five of the local scouts were tapped for the Order of the Arrow, and displayed the Pioneer Award given Troop 37 for its clean camp.

Mr. and Mrs. D. O. James and Deryl visited with Pvt. Douglas James at Ft. Chaffee, Ark., recently.

WORLD'S LONGEST BRIDGE, the 24-mile Lake Pontchartrain Causeway north of New Orleans, is a spectacular example of new highway construction which could be used to help empty target cities ahead of attacking planes. Map shows how civil defense forces, frustrated in New Orleans by water obstacles to traffic on almost every side, could send thousands of cars straight across the huge lake barrier to the north. The bridge was opened to traffic in August 1956.

Wade Watson, Former Local Student, Becomes Principal of Elementary School in Fort Worth

Wade B. Watson took 14 years to make up his mind to be a teacher. Once decided, he did not let even cancer delay him. His decision and determination brought him recently an appointment as principal of Washington Heights elementary school in Fort Worth, where he has gained all his seven years of teaching experience. Before entering, he took a routine physical examination. The doctors found Watson had abdominal cancer. That was May 19, the day the flood began. Watson's operation was put off until May 22. On June 4, he borrowed a walking cane, went to TCU and registered for a biology laboratory class and an education course.

Watson, who grew up in Gainesville and Iowa Park, completing his high school work in IPHS and attending Gainesville junior college, worked in restaurant management in California for 10 years. He returned to Texas in 1945 and worked four years as manager of the fountain and lunch counter in the Medical Arts building, Ft. Worth. During that time he became sure he wanted to be a teacher. He decided in May 1949 to enroll in TCU for the year he needed to earn his credentials.

"I made up my mind that only one thing would stop me," said Watson. "That would be the grave." Wade didn't miss a class all summer, though he had to take treatments six times a week. He has received bachelor's and master's degrees in education from TCU. His five-year check-up showed Watson was free of cancer. Watson's wife, Edna, has taught first grade at Diamond Hill for years. His sister Mrs. Willie Mae Stowe, will teach first grade this fall at East Handley. Wade has been teaching sixth grade at Washington Heights.

Iowa Park Christian church will have its annual Vacation Bible School, Aug. 5 to 9—Monday thru Friday from 8:30 to 11:00. Theme of the school will be "Jesus Calls." There will be Bible stories, songs, games and hand-crafts for everyone between the ages of 4 to 15. The public is invited.

At Camp Letoli

By Barbara Hadley

We got there Sunday. We fixed our bedrolls and got to know everybody.

That night we had church under the stars.

Monday we got up at 6:00, ate breakfast, and went to the main cabin to find out what time we would go swimming and work at crafts.

There were two younger Camp Fire groups. One group went to crafts at 9:00 and went swimming from 9:30 to 10:30. The other group went to crafts at 10:00 and swimming from 10:30 to 11:30.

About 11:30 we had sing song. At 12:00 we ate dinner. From 1:00 to 3:00 we had rest period.

At 4:15 we went horseback riding. Each group for 45 minutes for horseback riding.

In the morning we went to flag at 6:10. We ate dinner at 6:00. We went to our cabins and got ready for bed.

Tuesday we got up at 5:30 and went on a walk. Got back in time for breakfast. Then everybody went to her cabin.

The first group went to crafts. There they made baskets out of popicle sticks. After what seemed to be a very short day, we played baseball and went for a real short swim.

Wednesday morning we got up at 5:00 so we could get ready to go to Lost Cabin or the Creek Bed. It was a two-mile walk to both

places. There were 10 who went to Lost Cabin. The others went to the Creek Bed. The ones who went to Lost Cabin ate rolls, jelly sandwiches and a peach. The head of the younger Camp Fire girls came and gave us milk.

She took all of us back to camp. We got back at 8:00. We had a two-hour rest period. Did not go riding because they thought it would be too much. That night we went to bed early.

Thursday morning we had a come as you are P.J. party. You could not comb your hair. You could just put on your shoes. The younger Camp Fire girls went around waking everybody up.

That afternoon we went horseback riding. That night we had folk dances.

Friday morning we went on a morning swim. Everybody came along. Everybody had a good time. That night was when we got our beads. Most everybody got around 47 beads.

Saturday morning everybody was getting ready to go home. The horse show was really nice. Then we went to the swimming pool, which is shaped like a fan. It is a nice pool. Some of the girls' families brought picnic lunches.

I really enjoyed my stay at Camp Letoli. I hope I can come back.

Girls in younger CF from Iowa Park were Sherye Davis, Carolyn Lowrey, Judy Holmes, Jana Sue Combs, Mabel Clapp, Linda Hail, Diane Fowler, Glenda Levell and myself.

REPORT ON LETOLI

by Linda Johnson, scribe
I spent my first week at Camp Letoli, July 14-20, with two girls from my group, the Singing Blue Birds. They were Diane Holmes and Lucretia Johnson.

We didn't play all of the time; we worked too. We took turns at kitchen police, grounds, cabin and other chores.

We went swimming, hiking and horseback riding. We did handcraft every day.

We all decided we would come back next year for 1.70 weeks.

REPORT ON CAMP LETOLI

by Angie Scott
I left to go to camp Sunday morning early. I was registered later that morning. Then I met my counselor in the tent unit. That night we had a church service at the Counsel Ring.

The next morning I met all the instructors, which were water, horseback and the head of Camp Fire.

Each morning I got up early and went riding on the trail. After we got back we went to flag raising.

At crafts, we made many interesting things. We made splatter paintings of leaves. We made leather purses. Then we made corn husk dolls.

We all had Kapers to do each morning, such as washhouse, the grounds, cabin and K.P.

The last night we were there we had a beautiful Council Fire.

The next day we had an interesting horse and water show, which most of the parents attended.

FFA

Tony Waters, John Williamson Jr. and John E. Sibley attended the state FFA convention in Ft. Worth last week.

Over 3,000 FFA members and friends attended, including National President John Haid and the state presidents from Florida and Tennessee.

A tour was made of Fort Worth packing plants and other places of interest. A free supper and fun night was one of the highlights of the convention.

A state public speaker, a talent team and the FFA sweetheart were selected from finalists competing in those contests.

Iowa Park chapter was awarded the Gold Chapter rating, the highest given by the state association. Iowa Park was also recognized for building the first FFA monument in this district.

Warren to Teach Commercial Courses, Coach

Joe Warren comes to Iowa Park from Ryan, Okla., as one of the assistant coaches in football, coach of the basketball "B" squad and of various other sports.

Graduate of Claypool Consolidated near Waurika, Warren received the BSE degree from Central State college at Edmond, Okla., last spring. His teaching fields are business and physical education.

Warren lettered four years in basketball and two years in track. In February of this year he was married to Miss Sue Enos of Ryan.

Iowa Park gained in total attendance last year enough to secure an extra teacher, and Mr. Warren is to fill that place. Gene Stewart will be back for junior high football and other sports.

AN EASTERN SHEPHERD

Isaiah 40:1
(Submitted by Mrs. Tom Bray)

An eastern shepherd led his sheep
Toward a river bank,
But when they saw the stream was broad,
Their hearts with fear did shrink.
And though the shepherd went across
In view of all the sheep
They did not dare to follow him
And ford the waters deep.

And so he took a little lamb
Right from its mother's side;
He clasped it in his sheltering arms
And with it crossed the tide.

The mother, missing what she loved,
Was eager now to gain
The distant shore that she might find
Her precious lamb again.

She quickly made her way across
And soon the stream she passed.
And other sheep soon followed her
Till all had crossed at last.

She found the lamb that she had lost
Within the shepherd's care.
And he had used her little one
In leading many there.

O mother, has your little lamb
Been carried on before?
The shepherd wants to have you, too
Upon the farther shore.

And he clasped your treasured one
Unto his sheltering breast

That you might come and seek it there
And find in him your rest.

Popular High School Couple Wed in Home Ceremony at Kamay

The marriage of Miss Kay Lynn Johnson, daughter of Mr. and Mrs. J. D. Johnson of Holliday, and Hardy Lee Gage Jr., son of Mr. and Mrs. Hardy L. Gage of Kamay, was an event of July 3 in the home of his grandparents Mr. and Mrs. H. H. Simmons at Kamay.

Directed by Loyd Mitchell, minister of the Church of Christ, the ceremony took place before a mirrored platform setting enhanced by tall baskets of white gladiolas and chrysanthemums.

Given in marriage by her father, the bride was gowned in imported white chiffon veil featuring a soft pleated skirt and sleeveless bodice styled with a shirred midriff clipped with a rhinestone buckle. Her headdress was a white feathered profile coil. Her corsage was a white orchid and she carried a prayer book.

Maid of honor was Miss Nancy Stevenson of Pampa, cousin of the bride, who wore a pure silk white chiffon over taffeta. She wore a wristlet of carnations.

Best man was Foster Merritt, a cousin of the groom.

The young couple will be seniors at Valley View high school next fall.

Kay Lynn attended Wichita Falls high school the past two years, where she was a Coyote majorette, member of the Girls club, Y-teens

and played in both Coyote bands. An accomplished dancer, she has been featured in the Lucile Doran productions for the past nine years. She has performed on many civic occasions and was a winner this year in the Sertoma teen talent show.

Hardy has attended Valley View where he has won three letters in football. He received district honorable mention last year and will be captain of the Warriors this fall. He was president of the junior class and is active in 4-H, Boy Scouts and basketball. He is also an amateur rodeo performer.

The newlyweds are now at home in a beautiful new trailer house located at Kamay.

NEWLYWEDS HONORED

A tea-shower was given Monday afternoon in the home of Mrs. Ray Rockwell on Seymour highway, to honor Mrs. Hardy Lee Gage Jr., formerly Miss Kay Lynn Johnson, daughter of Mr. and Mrs. J. D. Johnson of Holliday.

Co-hostesses with Mrs. Rockwell were Meses. O. R. Moore, J. M. Pursley and W. B. Pratt. In the houseparty were the bride's mother and grandmothers Mrs. L. O. Johnson and Mrs. Frank Cowden, and the groom's mother and grandmothers Mrs. Gage and Mrs. Simmons.

An elaborate array of silver, china, crystal, linens, pottery, cookware, electric appliances and miscellaneous items for the home were displayed.

CATTLE MARKET

Wichita Falls auction sales handled 950 head of cattle Wednesday of this week. The prices: Bulls: 14 to 16 Fat cows: 13 to 15 Canners and cutters: 9 to 13 Good fat calves: 20 to 23 Medium and plain: 16 to 20 Good stocker steers: 21 to 24 Medium and plain: 14 to 21 Good stocker heifers: 18 to 21 Medium and plain: 14 to 18

Careful!

A fall on the farm or ranch can cost a rural family more money than a fall in prices on the agricultural commodities markets, according to the Texas Safety association.

TSA points out that falls are the leading source of all injuries to farmers and ranchers in Texas.

However, injuries from all mishaps are expensive. In fact, a recent study shows that the average medical costs of such injuries runs \$105 per accident. Piled on top of this is, in many cases, the necessity of hiring extra labor or suiter a serious loss of production, besides the pain and discomfort.

Commonsense and good house-keeping can substantially reduce hazards, according to TSA.

Around the yards and corrals, pick up loose wires, boards and scrap metal. Don't allow nails or hangers to protrude unnecessarily. Keep hand tools in safe racks, in the home, keep stairways clear of objects and well lighted. Have a stepladder or kitchen stool handy for reaching high places. And, don't carry a "lazy man's load" that will block your walking view.

At Sand Beach

Free water ballet or synchronized swimming, diving and life saving instructions are to be given at Sand Beach, starting next Monday.

Water ballet classes will be given from 10:00 to 11:00 a.m. Mondays and Fridays. A swimmer's or life saving certificate is required.

Diving instructions will be given Tuesdays and Thursdays. Beginners will practice from 2:30 to 3:00 p.m. Advanced and fancy diving will be studied from 3:00 to 3:30.

Junior and senior life saving classes will be from 7:00 to 10:00 p.m. Tuesdays and Thursdays.

Boy Scouts Report on Trip to Jamboree

By Charles Finnell

We left July 5 by train from Wichita Falls. We went through Denison and on up to St. Louis, where we crossed the Mississippi river and headed toward Washington, D.C.

We spent a full day seeing the capital city. Taking a sightseeing bus, we saw the Washington memorial, Jefferson memorial, Lincoln memorial, the Pentagon, Tomb of the Unknown Soldier, Mt. Vernon with a tour of the Capitol.

That night we went to sleep on the train and woke up in New York City. There we took a boat trip around Manhattan island, went up in the Empire State building, rode the subway, ate at the Automat, took a bus tour of the city and saw the Mayflower II.

We went to Atlantic City and had a swim at the famous steel pier.

The next day we went to Philadelphia and saw the Liberty Bell, the Betsy Ross home and the Constitution.

The Jamboree officially opened July 12 with a huge fireworks display and an address by the vice-president.

There were 58,000 scouts and scouters at the jamboree, and 30,000 tents. On the grounds were rifle range, archery range, 22 caliber trap range, physical fitness or conservation area, compass area, and a bait casting field. All of these were free.

The trading tent was always full of boys from across the nation; horned toads sold for \$1 each. The food was wonderful; we cooked on charcoal stoves.

Sunday, July 14, we had a huge church service. There were 45,000 Protestants at the jamboree.

July 16 the air force saluted scouting with a jet aerial show by ten F104's.

The most impressive part of the jamboree to me was the closing ceremony, when every scout lit a candle and one boy from each of the 67 nations that have boy scouts carried his flag out and set it on the stage.

We left Valley Forge on July 19 in the morning and got to Niagara Falls that night. We had a lot of fun there. We traveled all that night in Canada and woke up that night in Detroit. We went through the Ford Retunda, and saw the Cadillac assembly line also. We went to Greenfield village and Thomas Edison laboratory and saw Henry Ford's first assembly line and first car.

The next morning we were in St. Louis again and arrived in Wichita Falls at 8:00 p.m. July 21. It was good to see Holliday again and sure am thankful I could go.

By Dan H. Marshall II

I wish every one of you could have been to the Jamboree with Charles and me. You know we left Wichita Falls July 5.

There was lots of excitement as we waited for the train to leave. Our families and friends to see us off, the taking of pictures, stowing our duffel-bags, finally the whistle of the air-conditioned train, and we were rolling across the country to Denison, St. Louis, Columbus and on to Harrisburg, Pa.

We had fun playing tricks on one-another, sharing comic books and just watching the countryside roll by. At night we made our seats into beds by reversing the cushions. Two boys had to sleep on the floor. We shared our cushions with them. I believe those boys slept more comfortably than we did.

At Harrisburg we swam in the Susquehanna river, saw a good movie, ate good food, delaying in order for us to see more of Washington, D.C., since we reached there Monday morning.

At Washington, I think I enjoyed seeing the Capitol most of all because it made me realize more about our country and the progress it has made. At Arlington was evidence of men who gave their lives for freedom—our freedom. Of course Mount Vernon was more cheerful.

I like to think of George Washington having lived there and having enjoyed the beautiful flower gardens enclosed in white picket fences. I liked the blue room but the family kitchen appealed to me most. Of interest also were the storerooms where the meat was kept. Even the meat hooks still hang from the rafters.

While at Washington we saw Cinerama and rode on a streetcar.

The most interesting place I visited on the whole trip was the Smithsonian Institute. I would like to have unlimited time to spend there.

At New York City I enjoyed the Empire State building and Rockefeller Plaza most of all. The underground stores were interesting.

We rode on a subway, an unusual experience for me. We also took the 36 mile trip around Manhattan Island. We saw large factories, docks and boats. The Queen Mary was coming into port.

The Statue of Liberty was standing on guard as a symbol of France's gratitude to us.

Our first sight of Valley Forge was acres of tents that had already been set up. We were soon at work on ours. After we had eaten we started on our trip to Atlantic City where he had a cold swim in the Atlantic. We visited the Boardwalk stores and I bought some salt water taffy to send home.

The next day we went to Philadelphia, where we saw such sights as the home of Betsy Ross, the grave of Benjamin Franklin and Independence Hall, where I carefully examined the Liberty Bell because it cracked when it was rung at the funeral services of Chief Justice John Marshall, my ancestor.

At the Jamboree it was a privilege and great fun to be one of the 58,000 boys to join in the fun of trading and making new friends from all over the world.

One of the most impressive sights was the religious services, where each went to his own group. There were Protestants, Catholics, Jews, Hindus, Buddhists and various other religious groups. On the last night of our wonderful venture each boy was handed a candle and at a certain time each candle was lighted. I will always remember 58,000 boys holding a lighted candle. Maybe this is a symbol of all

the good that can be brought about by boys learning to work, play and live together in one group, sharing and helping each other. I am glad I am a boy scout.

Mr. and Mrs. Lonnie Edwards and family have had as guests his parents and brothers: Mr. and Mrs. L. T. Edwards and Kenneth Ray and Teddy Jack of Abilene. Martha returned to Abilene for a visit with her grandparents.

Mrs. Evah Price recently attended the Price family reunion held in Nocona. She reports a good time was enjoyed.

Mr. and Mrs. Bill Christian and family are moving to Ft. Rucker, Ala., where he will be administrative assistant to the director of maintenance for Hayes Aircraft corporation.

Mr. and Mrs. Carl Leggett and children Garland, Carol and Richard of Memphis, Tenn., are visiting her parents Mr. and Mrs. Locke Lowrance and other relatives this week.

Mr. and Mrs. W. E. Beck had as visitors the past week her daughter and family Mr. and Mrs. E. B. Kinley and children of Dallas; and the Beck's granddaughter Miss Patsy Walls of San Antonio.

Mrs. Pete Runco of Wichita Falls is visiting her father and family Mr. and Mrs. Joe Baxter for two weeks.

Malcolm Bell of Dallas visited over the weekend with his parents Mr. and Mrs. Loyd Bell.

Sgt. and Mrs. Bill Lane and children spent their vacation in North and South Carolina and Tennessee. Mrs. Lane and the children remained in the East for an extended visit with relatives.

Mrs. E. C. Graveley of Dallas is recuperating at the home of her daughter Mrs. Floyd White and Mr. White here in Iowa Park. Mrs. Graveley was injured in a fall. She was brought here in a Tanner ambulance.

Mr. and Mrs. Floyd Merriman and family have as guests Mr. and Mrs. J. E. Littleton and children Jimmy and Linda of Tyler.

Forester Robertson, son of Mr. and Mrs. A. O. Robertson, is receiving basic navy training at San Diego, Calif.

Keith Swim is teaching two graduate courses at Midwestern university this semester: "Public School Finance" and a seminar in secondary and elementary education.

Mr. and Mrs. Keith Swim and children Sharon and Keith jr. visited with his parents Mr. and Mrs. S. A. Swim in Quannah last Sunday.

Recent guests of Mr. and Mrs. James Todd were her parents Mr. and Mrs. A. F. Williams of Lake Creek.

Biggest Sellers...because they're Biggest Savers!

You can tell from the way they're put together that Chevrolet trucks stay on the job... save on the job!

A truck with built-in stamina—that's Chevy. Whether highballing down highways or roughing it across rugged terrain, or doing delivery duty in town, dependable "can-take-it" Chevrolets are cutting

downtime to the barest minimum. A truck with a choice of ready-to-go power—that's Chevy. From an advanced lineup of eight engines—140 to 210 hp—you can save by choosing the power precisely matched to your job. Thanks to compact weight-saving design, Chevrolet's V8's deliver high power per pound of engine weight—power that works harder for you. Chevy truck 6's are famous for their stay-

ing power. Whichever engine you choose, you know it's got the power to back up every inch of brawn in every Chevrolet Task-Force truck. A truck for your job—that's Chevrolet, too. From pickups to middleweights to high-tonnage tandems, there's one just right for your job. See your Chevrolet dealer. He'll show you a model that's practically made to order for your kind of hauling.
