AN Invitation TO FAITH

"For I delivered unto you first of all that which I also received, that Christ died for our sins according to the Scriptures; and that He was buried, and that He rose again the third day according to the Scriptures..." (I Cor. 15: 3-4).

Let us note three things from this text. (1) Everything that Christ did was according to prophecy and promises in God's Word. The Old Testament is God's Word of the coming Redeemer. Jesus came not to destroy the law of the Father, but to fulfill it (Matt. 5:17). (2) Christ died for our sins. Nearly everyone agrees that Christ lived, and if He lived, then He died. But this was not an ordinary death. HE DIED FOR OUR SINS. The Sinless One died for sinners. Jesus came to seek and to save sinners. He did not die for you if you seek to justify yourself and call your sins anything but sin. You will find healing power in Jesus' death if you will call yourself a sinner. (3) Christ arose from the dead. Someone says, "Give me proof." An adulterous generation seeks for signs. But there are proofs enough to condemn an unbeliever in eternal hell. There is the Word of God; and there is the Holy Spirit; and there is the foolishness of preaching the crucified Lord as Savior whereby the Holy Spirit saves by the Word. Then there is history. Christ Jesus is in history. It is His story.

The conclusion: "... righteousness... shall be imputed, if we believe on Him that raised up Jesus our Lord from the dead; Who was delivered for our offenses, and was raised again for our justification." Rom. 4:20-25. You will feel welcome at the Faith Baptist Church of Iowa Park. Brother George Shropshire, pastor. adv

Iowa Park's Train Butches

Camp Fire girls and Blue Birds from Iowa Park took advantage of the effect of weather on the spirits of travelers recently, and combined business with pleasure, as they rode a southbound passenger train to Wichita Falls, selling Camp Fire candy on the way.

The girls included Janice Watts, Glendon Granger, Lynda Thompson, Thelma Kay Granger and Cecile Childers, Blue Birds; Ann Ward, Barbara Hadley and Carolyn Lowrey, Camp Fire girls.

They were accompanied by Mrs. Austin Granger and Mrs. Kenneth Watts and R. E. Waters.

The girls reported candy sales were "light" on the trip, but they did a brisk business at the Wichita Falls depot upon arrival.

Iowa Park Camp Fire girls have made quite a record this year! Although the number of girls in the program is less than last year, the Iowa Park girls sold more candy than any other town in the North Central Texas Area Camp Fire Council, with the exception of Wichita Falls.

Some 1,580 boxes of candy were sold between February 8 and 25, by the four Camp Fire and four Blue Bird groups here.

Other towns in the council are Archer City, Bowie, Electra, Henrietta, Nocona, Olney, Ryan, St. Jo and Seymour.
Leaders working in the program are Misses M. J. McDonald, Harry Hadley, Bill Ward, Gene Lowrey, Floyd Merriman, W. C. Johnson, Kenneth Watts, Roy Childers, and Austin Granger.

According to R. E. Waters district committee chairman, there is a need for more adult workers. He says many girls have expressed the desire to join the program, but there has been difficulty in securing leadership. He urges anyone interested in helping with Blue Bird or Camp Fire groups to contact him immediately.

A meeting of Camp Fire officers will be held at 7:30 Monday night at the Methodist church. A welcome is extended to all interested in the organization here. Refreshments will be served.

Celebrating the 48th birthday of Camp Fire and Blue Birds, the Iowa Park groups held a Dad and Daughter banquet with special guests: R. E. Waters, local chairman; Mr. and Mrs. Arch Hughes, Bill Sawyer, James Todd, T. E. Gilbreath, E. E. Wallis, committee members.

John Clapp Jr. served as master of ceremonies for the banquet held in the fellowship hall of the Methodist church Friday evening.

Miss Joann Ragland, field director from Wichita Falls, was guest speaker, using the theme "Bigger and Better Birthdays."

A poem was read by Janice Watts. Skits were presented by Blue Birds and Camp Fire girls. Approximately 200 attended.

- April 8, Tennis finals at Holiday.

Baptists Feed Firemen

Volunteer firemen made a hurry-up call on the First Baptist church last Saturday afternoon. The refrigerator in the church kitchen had caught on fire. When the discovery was made by Mrs. R. R. Brubaker and Mrs. Sam Hill, a call to the fire department was made immediately.

Quick response and thinking of the firemen kept the flames from spreading, and only smoke and water damages were inflicted on the kitchen.

In appreciation, the women of the church gave a fried chicken supper for members of the fire department Monday night before their regular meeting. The supper was well attended, and the men ate as if they appreciated it.

Again the people of Iowa Park are justly proud of our volunteer firefighters for the protection they give the community. Besides going to the fires, they spend many hours in training to learn about fire-fighting and first-aid.

Texas Lions clubs' Crippled Children's summer camp located near Kerrville, was emphasized at the meeting Tuesday of Noon Lions.

Lester Brooks served as program leader and was assisted by several members in the demonstration program. Taking part were Richard Hill, Keith Swim, Morris Jacks and Henry Jones.

Brooks told of activities at the camp and of how it helped to change the lives and outlook of boys and girls who attend for two weeks.

The camp now is open to the blind nine months of the year. They are given counseling and guidance in travel and mobility, communicative skills, homemaking, shop work, arts and crafts, and recreation.

During June, July and August physically handicapped children from all over Texas come to this picturesque camp to receive special help and encouragement.

Texas Lions consider it a privilege to maintain and operate this camp, located on a 504-acre tract in Hill county 3 miles south of Kerrville.

Visitors introduced Tuesday by Henry Jones were D. L. Ligon of the Wichita Falls club and Gene Lowrey of Iowa Park. Luther Wakefield was introduced as a new member.

Sweethearts Harriett Coppock and Thelma Gay provided luncheon music.

Paul Zink presided during the regular meeting of Evening Lions club Tuesday evening in the dining room of the Christian church.

E. L. Hartfield offered the invocation. James Todd introduced the guests: Walter Coleman, Bill Scarlet, Gose Waggener, Les Nizkel, Charles Cummings, all of Wichita Falls Downtown club; Marshall Purser, also of Wichita Falls; Drew Sawyer, local boy scout.

Jimmy Stewart, program chairman, presented Mrs. John Mixon, who spoke on "Educating the Public on the Dread Disease Muscular Dystrophy." Mrs. Mixon is a member of Epsilon Sigma Alpha which has muscular dystrophy as a sorority project.

Stewart also conducted an interesting program "Know Your Neighbor."

Al Reed announced 62 per cent of the members had been 100 per cent in attendance during the quarter.

Zink received the \$25-bond given by the club. R. E. Waters received a knife.

Sweethearts Lottie Lochridge and Mary Mixon furnished dinner music.

Mrs. Joe Montgomery and children Mike and Gregg of Graham visited here last week with her parents Mr. and Mrs. Otis Gay.

BEAUTIFICATION COMMITTEE

Mrs. Curtis Hill, chairman for April, and committee members made a tour of the residential area of Iowa Park, Friday to start determining which home would be winner for April. Also, in April the Plant Exchange will be emphasized. Since the ground is quite moist, it is not too late to transplant small shrubs.

After Easter, when probably there is no danger of a freeze, petunia, larkspur and other annual plants will be available for exchange. We have started a list of persons who will have plants available after Easter.

The city beautification committee would appreciate your checking your flower beds for spare plants and calling the Chamber of Commerce, 2431.

MENTAL HEALTH DRIVE

Rollins Woodall reports that for the first time Iowa Park will take part in the Wichita County Mental Health Drive, by participating. The fund campaign here will be the evening of May 5, operated in much the same way as the March of Dimes campaign.

Anyone interested in this youth project is welcome to come and help.

Several sponsoring groups for Little League teams are providing suits for the players.

Serving on the governing board are:

Jimmy Stewart, president
Bert Van Horn, vice-president
Wayne House, secretary
R. E. Waters, treasurer
Al Reed, publicity
Arch Hughes, sponsoring chairman
Alvin Scheibal, players agent

City Election Set for Tuesday

Iowa Park's city election will be held next Tuesday, April 1, in the City Hall, with three aldermen, the mayor and city secretary to be elected.

R. E. Van Horn, present mayor, and Miss Dossia S. Smith, present city secretary, are unopposed for re-election.

Six candidates have filed for the three alderman jobs, with L. L. Thompson and Frank Rauscher on the ballot for re-election. The other four candidates are Lonnie F. Edwards, T. C. Scott, Morris V. Tucker and Taylor Goad.

As I am unable to personally my many friends for beautiful cards, flowers, visits and other expressions of love shown me since my illness, I wish to take this means of saying "Your thoughtfulness and kindness are more deeply appreciated than any words can ever express."
Mrs. S. L. Denny

Reflections from the Bible

By Ray Marcum, Minister
Iowa Park Church of Christ

As we assemble around the Lord's table on the first day of the week to partake of the Lord's Supper, this ordinance of His brings back to our minds the death of Christ for us. How sweet and how tender are the lessons of sacrifice and love that makes the emblems of death so sweet. Jesus himself has ordained, "This do in remembrance of me."

Ordinances are not empty ceremonies. They are divinely appointing teachers and helpers of men. Jesus himself is the author of every one we are obliged to keep and no man dares to refer to one of them as non-essential, without running the risk of being a rebel against the Lord.

The ordinances of the Lord are a part of God's scheme of righteousness. Jesus himself was baptized to "fulfill all righteousness." At this very moment, religious leaders are saying "Non-essential" to the commands of the Lord, Jesus.

All branches of religion hold to some necessity of such ordinances but few hold to the importance placed upon each by God's word, the Bible. Each Christian is to examine himself and partake worthily of the Supper on the first day of the week (every week has a first day), discerning the Lord's body (I Cor. 11:28,29). Discern means to think of an object separate from all others.

Where you go to worship God, do you worship Him in Spirit and in Truth or do you worship according to the doctrines of men? adv

Good News For State's Grain Farmers

WILMINGTON, DELAWARE—Farmers who grow small grains are receiving good news as they prepare for their annual battle against insect pests. In a recent amendment to the regulation governing tolerances of pesticides on raw agricultural commodities, the Food and Drug Administration has established a tolerance of five parts per million of toxaphene on barley, oats, rice, rye, and wheat.

The label approval issued by the United States Department of Agriculture for both toxaphene dusts and sprays states that toxaphene formulations may be applied up to within one week from harvest on wheat, rye, and oats, and up to within two weeks from harvest on barley and rice. Toxaphene is the only chlorinated hydrocarbon insecticide recommended for armyworm control which can be used this close to harvest. The new regulations mean that farmers can now take full advantage of toxaphene insecticides in protecting their crops from such pests as armyworms, cutworms, grasshoppers, and chinch bugs. One of the most versatile of all insecticide ma-

effective against armyworms—pests which strike quickly and are capable of wiping out entire fields. Most state entomologists have recognized toxaphene as the leading control of armyworms and cutworms. The new regulations, liberalizing its use, give growers of small grains an extremely effective and economical weapon they can use from the time the crop germinates until late in the season with no danger of contamination. Growers should, of course, follow the directions on the label, and their own state recommendations.

World Problems Are Study Topic

"The whole purpose of democracy is that we may hold council with one another, so as not to depend upon the understanding of one man but to depend upon the counsel of all." This quotation from Woodrow Wilson introduced a program under the International Affairs department of the 23 Study club, meeting in the home of Mrs. W. G. Steele.

Guest speakers were Dr. Isabelle Hunt and Dr. Floyd Ewing of Midwestern university, who chose as their joint subject "Our Survival as a Nation."

Dr. Ewing introduced the subject, and stated that he would speak as a historian, and Dr. Hunt would conclude from the standpoint of political science.

"Washington (the government) is not going to solve the problems (of our getting along with our neighbors). These problems will be solved by us as we go about our daily tasks. . . . As we solve our problems (including foreign oil), let us not create other problems. Security is going to cost money. Money is the cheapest thing we can spend."

Dr. Ewing reminded his listeners that our first real concern over world affairs began in 1945-46; that in 1946 Admiral Leahy and Secretary of State Forrestal warned that Russia was not to be trusted.

At this time, Winston Churchill first used the expression "Iron Curtain" and Averill Harriman, ambassador to Russia, joined in the warnings. Late in 1946 we listened at last, when an 8000-word telegram was received making the flat statement that Russia was not an ally—not a friend. This was signed Mr. X, since the sender was still serving in Russia.

He was later identified as Geo. F. Kinnin, history professor at Princeton, now on leave to Oxford university. Kinnin is known as a Realist.

The year 1946 found the Greek people fighting Communist guerrillas, Turkey pressured by Moscow, central Europe taken over, Italy's vote amounting to 50-50, and in China, the Reds on the move—Communists taking over.

In 1947, Truman listened to talks by Secretary of State Marshall at Harvard and by Dean Acheson, and said we would help any nation that wanted help. In this manner we moved into the Marshall Plan, seeking to fight Communism by helping these people. Many coun-

tries are now Democratic as a result.

The next phase was NATO, and by our military program saying Russia might advance only so far. This policy was tenable for long, for Russia got her bomb in 1949. The first test was Korea. Our thinking was not good—we fought among ourselves, as Republican vs. Democrat.

In the years 1953-54 the Russian leaders convinced us they meant us no harm and we relaxed our efforts. The years between 1954 and 1957-58 were years of semi-complacency—we did not "keep up." Our final shock—Sputnik!

(The implication was that Russia was on the verge of having the ultimate weapon—war head.)

Dr. Ewing concluded by saying that we do not have overpowering ability and weapons. We will survive because we will not give Russia a chance.

Dr. Hunt said that in 1950 we changed our position. The first difference between the parties was on the subject of aid to underdeveloped countries. Isolationism in the Middle West and in some of the Southern states showed up.

In the meantime Russia was making long-time loans with low interest—2½% for a period of 40 years.

Since Dec. 10, Russia has insisted on a summit conference. At first, she suggested that only the USA and Russia attend. Pres. Eisenhower did not like that. Russia insists on parity (balance). This means that Russia expects a fight.

Thus far Eisenhower's letter has not been published in Russia.

We would like to discuss the question of Veto Power. We would like for the Great Powers to give up this veto power. Russia refuses to discuss this.

Russia says also that she will not discuss the question of control of outer space.

Russia says "We will ban the bomb if you will retreat from your bases."

Miss Hunt says we might agree to a non-aggression pact.

Dulles says he would like for the foreign ministers to meet. Russia is willing, but wants them to discuss only procedural questions.

Russia suggested that we not make nor install nuclear weapons against Poland and Czechoslovakia.

Dr. Hunt's closing remark was that in non nuclear weapons, Russia's power frightens us.

Mrs. Sam Hill was program leader, and in addition to the two guest speakers, presented Mrs. Earle Denny for the meditation, and Mrs. O. E. Lochridge, who played an organ number, "Clouds." The meeting was concluded with a social hour.

Personal Shower

Another courtesy in a series of pre-nuptial events honoring Miss June James, bride-elect of Donnie McManus, was the personal shower given by Mrs. Donald Hill, Tuesday evening.

The invitation list included members of Miss James's Sunday School class and close relatives of the bride-elect and her fiancé.

Decorations in the party rooms followed shades of pink, colors chosen for the wedding.

The buffet featured a miniature bridal couple and feminine members of a wedding party leaving a lighted church. In the living room, the table where gifts were displayed was centered with a bride doll framed in a pink satin heart outlined with a wide pink net ruffle.

Unique favors symbolizing a part of the bridal costume topped the refreshment table covered with lace over pink.

Dr. George Seibold gave his PTA listeners a few thoughts to ponder at the recent general meeting. Such questions as the following were asked and answered interestingly by Dr. Seibold:

1. What is allergy?
 2. What are allergic diseases?
 3. Is it important to get an early diagnosis of allergy?
 4. What is treatment? Is there a cure?
 5. Can allergic diseases be prevented?
 6. Can allergic diseases be fatal?
- The doctor disclosed many substances to be detrimental to humans: cotton spraying, penicillin for diseases of cattle, whereby the public gets it through milk, aureomycin in hog feed, and house dust. Also there is pollen to be combated 11 months in the year.

Service Guild

Wesleyan Service Guild met in the home of Mrs. Paul Zink, Monday night, with Mrs. Bertha McDonald as co-hostess.

The program "March of Missions in Healing" was directed by Mrs. T. C. Scott. Mrs. Travis Smith and Mrs. Otis Gay told of work being done in Brewster hospital for Negro patients in Jacksonville, Fla. Information concerning medical work in Nepal, India, and Korea was presented by Mrs. Kathleen Hatten. Mrs. McDonald gave an interesting discussion on two new mission fields in Sarawak, Borneo and Okinawa.

In the business meeting plans were discussed for entertaining the district meeting to be held here April 13.

Also attending were Miss Alma Laakey and Mmes. C. B. Smith, T. J. Pace, Riley Bomar, George Trammell, C. J. Thurber.

The Iowa Park one-act play "Good-bye to the Clown" earned fourth place at Paducah last Friday. Kay Scott received honorable mention as outstanding actress. She is the daughter of Mr. and Mrs. Virgil Scott. Ben Nash was faculty director of the play.

"We the People Speak"
Gaining Advocates

Mrs. William J. Holcomb, 4077
Ida, Detroit, Mich., has started a
"We the People Speak" campaign
for lower taxes.
Everybody likes the sound of
such a campaign, and Holliday
folk are specially interested be-
cause William J. Holcomb is a
product of Our Town. His mother
Mrs. W. E. White, is a resident
and business woman here, owning
and operating the Holliday Beauty
Shop.
Mrs. Holcomb has drafted a let-
ter which she is sending to her
Congressman. She wants people all
over the country to copy this let-
ter and send to their Congressmen.
"We want action now, not talk,"
says Mrs. Holcomb, a charming
28-year-old mother of three fine
children.
As a means of spreading the
drive, Mrs. Holcomb sent us the
following request:
To the Newspaper in Holliday:
Please get this moving in Texas.
I am for no party, no movement,
just for lower taxes. The people
here are starting moving on this.
I wish you could see the people's
action on it. And it's just starting.
We ALL have a part in our
government. History proves this.
Let the newspaper print this and
let the people decide if they want
it and want to keep it moving.
Sincerely,
Mrs. William J. Holcomb

Is the Same

... until you have to use it!
One property insurance policy is pretty much like another—
at the time you buy it.
When you have to use it, however, the differences become
apparent. That's when you find out how comforting it is to
have the counsel and services of an independent local agent
and the peace-of-mind protection of reputable Capital Stock
insurance companies.
So be sure when you insure. Select an established, independent
local agent to whom you're a neighbor, not a number. And
make sure that he represents only Capital Stock "Standard
Protection" companies. There's a big difference!

SUMMER BAND SCHOOL

This summer the Iowa Park
school plans to offer an eight-week
band school. It will run from
June 2 through July 31, and there
will be no tuition charge for the
course. It will be open to students
in grades 5 through 10.
Any student desiring to take
band work for the first time is
urged to take advantage of the
summer session, as this will give
him a chance to "catch up" with
his class. Rehearsal time is Mon-
day through Friday, 8:00-10:00 a.m.
It is possible for an 8th, 9th or
10th grade beginner to become
proficient enough on any instru-
ment (except drums) to play in
the high school marching band
next fall.
Director C. L. Vaughn says the
band is especially in need of trom-
bone and bass horn players for
the marching band.
