Polio Vaccine Type 2 to Be Given Oct. 28

Last Sunday only 3,090 took the Sabin Oral Polio Vaccine Type 2. In September when Type 1 was offered, 3,707 took advantage of the opportunity on the first Sunday and 1,065 appeared for the second chance.

Dr. Gordon G. Clark urges everyone, whether he took Type 1 or not, to take Type 2.

Next Sunday the opportunity will be offered again to take Type 2 at the high school cafeteria from noon until 6:00 p.m.

It only takes a few minutes, and will protect you and your family from crippling disease.

Cubs 26 Hawks 8

After a scoreless first quarter, the Olney Cubs took fire and piled up 14 points in the second period. First blood was spilled when Eddie Routon made a 6-yard dash around right end. Conversion attempt failed. Just over three minutes later Larry Peden pushed through center for a 1-yard TD. Rick Clarida made the 2-point bonus.

Coming back after the halftime rest, the Hawks got back in the game when Richard Rauscher recovered a fumble. The payoff came with a 4-yard rambled by Mike Davenport, followed by a 2-point run by Mike.

Two quickies by the Cubs salted the game away, 26-8.

Electra Tigers will be here this Friday for another conference tilt beginning at 7:30.

Iowa Park junior high Hawks beat Olney junior high last Thursday in Olney, 6-0. Lone touchdown of the game was scored late in the first quarter on a 25-yard run around left end.

Fine blocking by Phil McDonald, Greg Webb and Gary Mulkey cleared the way for Stevens.

Iowa Park moved the ball well several times but were unable to reach paydirt.

Iowa Park's strong defense held the Cubs well. Their deepest penetration was to the Hawk 37.

Hawks offense ran up 165 yards rushing and 11 passing.

This week the team will play at Electra. A good turnout of I.P. fans is hoped for. Junior high band and pep squad will make the trip.

Little All American Hawks won 24-8 over the Wichita Falls Rockets, Monday evening at Will Burnett Field.

The Pee Wee Hawks also won 14-0 over the Pee Wee Rockets.

Both teams will play next Monday night at Will Burnett Field against the Longhorns of Wichita Falls. There will be two more games for both teams.

Large crowds have been attending the Little League games.

Valley View Warriors will play the Boys Ranch Rough Riders at 2:00 p.m. Saturday, Oct. 27, on Valley View's field.

The Warriors have won two and lost three games this season. A large crowd is expected to see Valley View and Boys Ranch fight to the finish Saturday.

Coaches Baldwin and Poke are putting the squad through good workouts this week after a win last Friday.

Contact Louise Berry or Ruth Gard by next Monday if you want to ride the Football Bus to Childress. Leave Settle Drug at 4:30. Fare \$3.40 each. 1p

Let's demonstrate our faith in the Party of the People. Vote Democratic, Nov. 6.

Preston Smith, Democratic nominee for Lieutenant Governor, at left, is shown with Senator George Moffett of Chillicothe recently in Quanah, where they met to discuss legislation of importance to this area. Smith is from Lubbock. The two men served in the senate together during the past two sessions.

Dawson, Nipper, Spruiell Named to Little League Board Directors

Bob Dawson, Cleo Nipper and Bill Spruiell were elected new directors of Iowa Park Little League in a meeting held Oct. 23 in the Youth Center. They will join Buck Voyles, who was re-elected as hold-over director, and James W. Stewart, who was elected to the board in September.

Directors were given the following assignments: Dawson, in charge of player registration; Nipper, budget and finance; Spruiell, ball field maintenance; Stewart, league planning; Voyles, director at large.

Oscar Jackson was appointed player agent for Senior League. Vacancies exist for Umpires-in-chief in the Major and Senior leagues and Player Agent for the Major league. Also several new

Be Ready for CROP Collectors

Hallowe'en — the eve of All-Saints Day — has become a symbol of Christian sharing for thousands of young people. Instead of begging for food or candy for themselves, these youth go from house to house seeking contributions to feed the hungry in other parts of the world through CROP.

Christian Rural Overseas Program is the community food appeal of Church World Service. Farm commodities and cash are collected to provide food, fiber and self-help to overseas areas of need where distribution is under church supervision and in cooperation with local social welfare groups. The food and other help is given to people on the basis of need without question of religion, race or creed. In charge of the distribution is a local committee representing the Protestant churches of the country in need.

Funds collected through the CROP Hallowe'en Project will be used to take care of distributing, handling, and transportation costs of surplus farm commodities given to Church World Service by the U. S. Government. In 1961, 333,893,961 pounds of powdered milk, wheat and wheat flour and other products, corn and corn-

meal, beans, rice, edible oils and shortening were given to CWS for overseas distribution. The \$57,162.15 collected by the young people of Texas in 1961 was used to distribute a large portion of these products.

Help the children overseas by giving a generous donation to the CROP collectors who come to your house next Tuesday night. Your help is needed!

Mr. Glover suffered a heart attack Sunday and died Tuesday in a Wichita Falls hospital.

Born in Weatherford, Aug. 19, 1886, Mr. Glover was a retired employee of the City of Wichita Falls.

Surviving are the widow Lula and four sons Floyd, Doyle, J. D. and Freddie, all of Wichita Falls; five daughters: Mrs. Bill Murray of Norman, Okla., Mrs. Charles Beardsley of Corpus Christi, Mrs. Jack Barron of Wichita Falls; Mrs. John Cook of Burkburnett; Mrs. Johnny Atchley of Fort Worth; one stepson Floyd Jones of Wichita Falls; one step-daughter Mrs. Stubblefield of Muskogee, Okla.; and nine grandchildren.

Mrs. Curtis Hill and son Richard visited last week in Arkansas.

Honored

Ted Alexander jr. was elected president of the freshman class at Texas Christian university in Ft. Worth, recently. There are 1700 in the class.

Ted is a 1962 graduate of Iowa Park High School. He has pledged Phi Kappa Sigma fraternity and has joined the Rodeo club.

He is son of Dr. and Mrs. Ted Alexander of 25 Wichita Valley Farms.

Bill Snider Dies of Heart Attack

Funeral service was conducted for Mr. William Calvin Snider, 64, Wednesday afternoon in First Christian church. Rev. Claude McDonald, pastor, and Rev. Homer Thompson of First Baptist church officiated.

Burial was in Highland cemetery under direction of Tanner Funeral Home. Pallbearers were Rex Lehman, R. F. Pruett, Dewey Spruiell, R. B. Faulkner, Eldon Thompson, Charlie Holloway.

Mr. Snider died in a Wichita Falls hospital Tuesday morning following a heart attack last Friday.

Born Feb. 6, 1898, in Collin county, he was married to Miss Henrietta Conway, April 29, 1917. They moved in 1920 to Iowa Park from Jack county.

He had been a cowboy and a farmer most of his life and was engaged in farming at the time of death. He formerly was employed with Nutrena Mills in Wichita Falls.

Surviving are the widow; two daughters Mrs. C. Y. Wilson of Amarillo and Mrs. Doyle Koonce of Iowa Park; two sisters Mrs. Hattie Williams of Jacksboro and Mrs. Annie Owen of Hereford; a brother Sam of Jacksboro; two grandchildren William Carl Wilson of Ft. Carson, Colo., and Mrs. Gerald Combs of Abilene; and great-grandchild Shannon Combs of Abilene.

Wife and Son Die of Fumes

Bob White, son of Mrs. J. L. Broch of East Jefferson, received word Tuesday his wife Rosie and son Louis Anthony, age 2, were found dead Monday in a motel room in Douglas, Ariz. Cause of death was gas fumes.

Funeral services were to be conducted in Douglas, Thursday.

Mrs. White was born in Central, Ariz., and was married to White Oct. 17, 1958, in Wichita Falls. The child was born Oct. 25, 1960, in Arizona.

Surviving are the widower of Iowa Park and Wichita Falls; Mrs. White's mother Mrs. Rosa De La Cruz of Douglas; nine sisters, one brother. The child's grandparents are Mr. and Mrs. Broch of Iowa Park.

Mr. White left Tuesday for Douglas.

Engaged

Mr. and Mrs. J. D. Rowntree are announcing the engagement and approaching marriage of their daughter Kay Sheila to Tommy Cloy, son of Mr. and Mrs. Ray Cloy of Abilene.

The young couple will exchange vows at 2:00 p.m. Saturday, Nov. 3, in the home of her grandmother Mrs. E. E. Rowntree in Abilene.

Dr. J. H. Hicks of McMurry college will officiate.

Kay is a 1962 graduate of Iowa Park High School and Tommy is a 1960 graduate of McComb (Miss.) high school.

Grandma's Rocking Chair

I had hoped I would not have to get up on my soapbox for some time, but an incident last Sunday got my dander up and so here goes.

Why isn't something done about enforcing traffic regulation in our city limits? Drivers are consistently violating the speed limits. They have no regard for them or for the STOP signs.

Drag races are conducted on city streets in the wee small hours. This has become rare sport and most any city street that you may check will bear the marks of the drag races of the night before.

People are awakened in the middle of the night by screech of tires as brakes are applied or as cars "dig in" for the take-off. It is most annoying at 3:30 a.m. to be awakened by such goings on.

Some of these drivers are teenagers, a good portion are not. I wonder how parents can sleep at 3:30 a.m. when the kids are out in Dad's car and have not yet been to bed? The parents and the city police should not allow such practices to continue.

Now for the second stanza of this song. All of the traffic violations do not happen at night. Any numbers of drivers race down residential streets in broad daylight and endanger lives of the elderly and children who cannot possibly get out of the way in time to avoid being run down.

For several years we on North Jackson street have enjoyed having several squirrels as fellow residents. They nest in Mrs. L. L. Thompson's yard and play up and down the street in all the trees and secure winter stores from the pecan trees in various yards. Last summer two of them were run over.

Now anyone driving fast enough to run over a fast moving squirrel is driving too fast! I'm afraid they were struck deliberately—all signs point to that.

Sunday morning we picked my Siamese cat (Smokey) up, after he had been hit by a car driving 65 miles an hour. It's time something drastic be done to call attention to this hazard that is growing worse.

Children play up and down the streets and many elderly folk walk along the street. We have been lucky so far that only animals have been injured or killed. It could be your child, your mother or father, or you. I'm for taking some numbers and reporting them to the proper officials, and then see that our officials do something about it.

Perhaps I'm stepping on some toes. If that's true, think it over. We are paying for protection—we are not getting it. It is human

nature for those in authority to be lax if the citizens let it happen. If you get a ticket, pay it—do not expect the mayor or the police to laugh it off and tear up the ticket. Slow down, observe the laws and it won't be necessary to give a ticket or tear it up, and some child may live to be an adult who otherwise may be picked up on our city streets a mangled mass of flesh—and like the squirrels and the cats and dogs that hit him. He could be your child!

No Nixies, Please

Postmaster T. E. Gilbreath is asking co-operation of the people in getting proper addresses on mail for city delivery.

If mail is addressed just Iowa Park, it will have to be returned to the sender for further address, Gilbreath says.

Iowa Park has grown the past year with three city carriers, besides boxholders, until mail is sorted by addresses instead of by names. There are so many newcomers that the post office staff cannot know all residents of Our Town.

Gilbreath also asks patrons to mail Christmas packages early. All overseas packages should be mailed between Nov. 1 and Nov. 20, and air parcels should be in the mail not later than Dec. 10. Let us co-operate with the post office department, and before mailing a card or letter to someone in Iowa Park, find out how the addressee receives his mail. This is important.

Mrs. Mac Best of O'Fallon, Ill., is visiting her parents Mr. and Mrs. T. M. Clark and other relatives while Col. Best is in Spain for a few weeks with the US armed forces. Mrs. Best is the former Miss Lenora Clark, better known as Sis.

the office of the Texas Water Commission. Applicant seeks a permit to appropriate public waters of the State of Texas from North Fork of Buffalo Creek, a tributary of the Wichita River, Red River basin, in Wichita County, Texas, a total of 1,120 acre feet annually for municipal use; and to construct an on-channel reservoir with a storage capacity of 20,200 acre feet, all being more fully set out in said application.

Station 41/12.4 on the centerline of dam is located at a point which bears north 2,170 feet from the southeast corner of (H. & G. N. RR Survey), J. G. Eustis Sur. No. 26, A-438, Wichita County, Texas, and is distant in a northwesterly direction from Iowa Park, Texas, approximately five (5) miles.

Said application was accepted for filing by the Texas Water Commission on the 19th day of September, 1962, as Application No. 2239, and a hearing thereon will be held by the Texas Water Commission, in the office of the Commission at Austin, Texas, on Wednesday, November 14, 1962,

beginning at ten o'clock a.m., at which time and place all parties interested may appear and be heard. Those opposing the granting of said application should file written protests with the Commission and the applicant at least five days prior to hearing date, giving their reasons therefor and such other information as is required by Commission Rule 305.2. Such hearing will be continued from time to time, and from place to place, if necessary, until such determination has been made relative to said application as the said Texas Water Commission may deem right, equitable and proper.

Given under and by virtue of an order of the Texas Water Commission, at the office of the said Commission at Austin, Texas, this the 19th day of September, 1962.

Christ and a Faith for Our Day

by Boyd Schlenker

With President Kennedy's announcement Monday, we are jolted out of our slumber to realize things are not really as right as we had hoped them to be.

But, then, we always shut our eyes and hope the bad will go away; it doesn't! When we open our eyes it is still there to haunt us and challenge us. So, with all the evidence in, our country has taken a bold stand.

This next Sunday we remember, in one way or another, another bold stand, one taken nearly 450 years ago. It was at that time a Roman Catholic monk named Martin Luther struck the blow that hammered out the beginning of the Reformation. This Sunday will be the day when we look back at those turbulent years of the Reformation with a respectful and nostalgic eye!

Those of us who are Protestants can find deep meaning in this day, because it will force us to take a long hard look at ourselves, the Church. If the Reformation of the 16th Century is to mean anything to us, then we must be encouraged to participate in the reformation of the 20th Century.

One of the best signs of this kind of reformation will be that as Protestants we will stop taking advantage of Reformation Sunday to grind our Roman Catholic axe! If we would use the day simply to get hot under our non-Roman collars and take smug, self-satisfied potshots at the Roman Catholic church, the Reformers of the 16th Century—Luther, Calvin, Knox and the rest—would most certainly strike hammer blows against us! And most fearful of

all, we would receive a solid NO from our Master!

Even if we were to grant that the Roman Catholic church runs her train a bit farther off the track of the Christian gospel than do other communions, Reformation Sunday is no time to turn our guns on her. Reformation Sunday is a day to turn our guns on ourselves, not to commit suicide, but to shoot full of holes some of the inconsistencies and faithlessness in our own ap-

proach to the gospel. Most certainly, it is the day when Protestant Pride must be crucified on the Cross of Jesus Christ.

The word "protestant" doesn't simply mean to be against something. Coming from the Latin, it means to be for something, to "protest your faith." So it was with the Reformers, so it always is with Protestantism at its best.

It protests its faith not in a pope or a Book, certainly not in itself. It protests its faith in a

Saviour God, in the Person of Jesus Christ, Who is our Gospel. The Church is never "restored," because it lives by the living and active Word of God, which comes afresh to each new generation.

Therefore it always must be "reformed," reformed after the image of that Man in whom all the fullness of God was pleased to dwell.

Plenty of things begin at home. Reformation is one of them.

AT HOME

What with a generation of astronauts growing up in the backyard and TV entertainment from France bouncing off the living-room set, life at home is going to be different—in inner or outer space.

Homemakers are finding themselves in somewhat the same position as the pioneer woman of a century ago who left the security and comfort of their well-established homes to set up housekeeping in the untamed West: familiar materials are disappearing, tried and true concepts are giving way to new ideas. A whole new vocabulary of chemical and scientific terms are taking the place of well-known household words.

Food, for example, is no longer cooked in simple pots and pans. It is sauteed with the help of tetrafluorethylene (in case you've wondered about the new material that makes greaseless skillets possible). Flower arrangements, which used to be held in place with a simple wire frog, are now supported by blocks of expanded polystyrene plastic.

What wonders the immediate future promises! New materials — tougher and more glamorous plastics for instance — have assumed ever increasing roles in the production plans of the nation's manufacturers of appliances and goods for home consumption. Less than two decades ago, melamine dinnerware was durable but relatively unknown. Today it is available in hundreds of decorative patterns. Also assuming a new appearance that is more in keeping with the trend to colorful kitchen accessories is the simple iron appliances or pot handle. Historically some black, iron handles are now pink, yellow, even Robin's egg blue. Melamine has made the progress possible.

The dash to color is not confined to the kitchen. One of the nation's largest window shades manufacturers, Chicago's Joanna Western Mills, has announced plans for a whole new line of multi-colored window shades. They'll be startling, company officials promise, and quite unlike the conventional heavy green shades.

The Home Living Council seeks the counsel of distinguished architects, designers, home economists, table stylists and decorators so that professionals interested in subjects of interest to the home, can pool their thoughts and ideas in an exchange of information that will keep the busy homemaker abreast of progress being made for her domain.

This column will attempt to report on some of their ideas and pass them on to our readers on a regular basis. When research chemists produce a new substance with a practical home application, when plastics manufacturers create a new material, when nutritionists solve another problem, you'll read it here.

Quarterbacks

By Linton Lowrance For the past two weeks the Hawks have been upset by Quannah and Olney. We needed both games to take the District.

It looks like the Hawks will finish in 3rd or 4th place if they can win the next three games.

For those who want to know what is our trouble—this is it: It started when Iowa Park was at Jacksboro. Jimmy Gillispie and Terry May got hurt. The Tigers tore up the whole line of our team. Some of the Jacksboro people have told me Iowa Park has a good team but they said Iowa Park was not ready for that game and Jacksboro was.

They said Coach Chuck Curtis worked the boys one week for 4 1/2 hours a day—hard. At the end of that time the boys were so sick they didn't know if they were coming or going. Then the week before the first game he had workouts from 6:00 to 9:00 a.m. The squad would stay at the school and rest and lift weights. Then they would workout from 5:00 to 8:00 p.m.

Electra has 11 lettermen and one of the finest centers anywhere—Don Jarvis, 5-10, 195 lbs. He is a superlative blocker and tackler with great speed. All-district last year, he has started 30 straight games.

Other key linemen are guards Steve Propet and Tommy Bettes. In the backfield are Amson, McAlister and Tommy Barker.

Quarterback club will charter busses to go to Childress Friday night of next week. If you want to go on the bus, see Mrs. Ruth Gard by next Monday.

S. B. Keeter attended the Women's Market in Dallas for the spring showing over the weekend. He returned home Sunday night.

Mr. and Mrs. Claud Gregg of Jacksboro visited here over the weekend with his sister Mrs. M. O. Cheves and Mr. Cheves.

Keep Dogs Home from School

John Sibley, principal of Iowa Park elementary school, urges all dog owners to keep their dogs away from the school grounds. A child was bitten this week while playing on the school grounds. Fortunately the dog had received rabies shot.

Sibley said if dog owners do not take heed, the police will be called and the dogs will be taken into custody.

Maj. Gen. Daniel Edwin Hooks visited Buddy Tanner this week. He has been in the air force since 1932 and has many decorations and awards. He and his family were enroute to New Mexico to make their home following his recent retirement from service.

Mrs. Forest Lucy of Irving visited here with Mr. and Mrs. Homer Mulkey over the weekend.

Are You

Out-Of-Town?

They are missed sadly when you spend them away from home. A dollar that leaves town will never support our schools and churches or provide jobs and opportunities for our young people. All benefits are gone for good.

Your dollars are the very life blood of our community. You can help keep it a good place in which to live and do business when you buy and bank ... at home.

'23 Study Club

Mrs. Thomas J. Pace jr. of Wichita Falls was speaker for a meeting of '23 Study club last Thursday afternoon in the home of Mrs. Fred Widmoyer.

Mrs. Pace addressed the club on 'Speech Therapy for Children' and demonstrated the techniques on slides.

Mrs. Carroll Duke was program leader and presented the speaker. She told that Mrs. Pace did undergraduate study at Southwestern university, Georgetown and received the BA degree from Midwestern university. She was a member of the Iowa Park school faculty two years. She received the MA degree from the University of Denver. There she was clinical assistant of the Children's Speech Clinic. She also has the basic certification in the American Speech and Hearing association. During the past two summers she attended workshops at the Catholic University of America in Washington, D.C., and at Columbia university, New York City.

Mrs. Pace said there are from 7 to 10 million speech defective children in America and 20,000 speech therapists are urgently needed. "Speech is defective when it calls attention to itself," she asserted.

Mrs. Sam Hill presented the meditation, using "Faith" for a subject. Fine arts contribution was a group of poems about children, read by Mrs. Homer Blacklock.

Twenty-two members were present. Next meeting will be Nov. 1 in the home of Mrs. Blacklock.

ESA

Pledges of Epsilon Eta chapter of ESA were entertained with an old-fashioned dinner in the home of Mrs. Glen Miller last Thursday night. They are Mes. Ray Stubbs, Oscar Jackson, Jim Dyer, Murray Towns, G. R. Rusk.

Bygone days were re-created by use of life-sized mannequins clad in vintage costumes. Kerosene lamps illuminated the scene, and checked cloths were used on the tables.

A color slide program on home decoration was presented by Mrs. Luther Shaw. Mrs. Alan Berry received the door prize.

Members will attend a district meeting Nov. 4 in Wichita Falls. Mrs. Louie McCarthy of Iowa Park is district president.

Those present were Wynell Cathy, Bernice Watson, Leta Watson, Betsy Pickle, Doris Perry, Sue Taylor, Ann Sullivan, Bernice Compton, Betty Cole, Joan Sargent, Jo Terrell, Joyce Spruiell, Helen Dale Roberts, Esta Rutherford, Bernice Compton, Theta Voyles, Essie Johnson, Wilma Spruiell, Mary Guthrie, Harriett Coppock, sponsor; and those previously mentioned.

FOREST GRANT MURFIELD
Mr. and Mrs. Jim Murfield of California are parents of a son Forest Grant born Oct. 6. Weight 6 lb. Grandparents are Mr. and Mrs. A. L. Reed of Iowa Park.

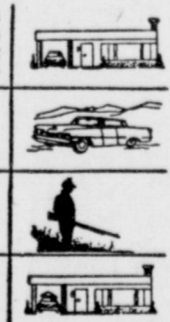

Registered as recent visitors at the State Fair of Dallas have been Mrs. James Cates, Sharon Craig, Diana Owens, Robert Watson, Sue Covington.

Mrs. George Brown, who received a foot injury at her home Monday, is walking with the aid of crutches.

YOUR JUNIOR FIRE MARSHAL SAYS: MAKE EVERY WEEK SAFETY WEEK

FALLS IN THE HOME WILL KILL APPROXIMATELY 12,000 PERSONS THIS YEAR. YOUR JUNIOR FIRE MARSHAL SUGGESTS THESE SAFETY PRECAUTIONS TO HELP PREVENT PAINFUL INJURIES.

- KEEP RUGS FASTENED TO THE FLOOR IF THEY DON'T HAVE A NON-SLIP BACKING.
- ALL STAIRS SHOULD HAVE A HANDRAIL ON BOTH SIDES. CHECK FOR STRENGTH AND SECURITY.
- KEEP STAIRS WELL LIGHTED AND FREE OF TOYS AND OTHER OBJECTS.
- DON'T USE A CHAIR FOR A MAKESHIFT STEPLADDER.
- AVOID EXCESSIVE WAXING OF UNCOVERED FLOORS.

Demonstrating new '63 Chevrolet truck features the hard way!

When we came to a river we got wet. This river bed was paved with rocks the size of melons. What a test for new light- and heavy-duty suspension systems this was!

Conventional light-duty units have coil-spring independent front suspension —easier on truck, load and driver.

New engines, suspensions, frames and narrower front ends show their stuff on Mexico's tough Baja Run!

Users of new conventional medium- and heavy-duty units who have to operate in close quarters are going to like the narrower front ends (up to 7 inches).

With months of proving-ground tests under their belts, why did new Chevrolet trucks take on the rugged Baja (bah'hah) Peninsula? This is the toughest line of trucks Chevrolet has ever built. Sending them over the most punishing terrain in North America (a road totally unlike the fine highways on the Mexican mainland) was double proof of this fact. Frames, engines, suspension systems were subjected to stresses far greater than trucks normally encounter. You can be sure that trucks that can handle this kind of beating can handle any kind of work.
