Study Club Will Honor Youth

In keeping with the theme for the year, "Accent on Youth," the Twenty-three Study club has adopted the High School Teenager of the Year project. One of the purposes of the project is to focus attention on the admirable characteristics and accomplish-ments of youth. Members feel these things too often go unnoticed as juvenile delinquency gets the headlines.

Members of 23 Study club ask the co-operation and suggestions of adults of the community in their project. After Jan. 1, nomination forms will be available to any adult who desires one.
