Faith City Mission

James Cook, superintendent of Faith City Mission, Wichita Falls, was in Iowa Park, Monday, in the interest of the Mission.

Located at 617 1/2 Ohio, Faith City Mission is dedicated to the rehabilitation of the needy. It is not supported by United Fund and depends on gifts from those who are interested in its work.

Started three years ago, Faith City Mission has an operating expense of \$850 monthly. All work is done by volunteers who are in need of help, spiritual, moral and physical.

Besides furnishing lodging and meals for transient men and others down on their luck, the Mission has religious services each night, conducted by workers from various churches of Wichita Falls.

The Mission always stands in need of gifts of clothing and food from the people. Anyone having contributions can contact Mr. Cook at the Mission or write to Box 804, Wichita Falls, and he will arrange to have them picked up.

Among the needs are: Canned fruits and vegetables. Baby and maternity clothes, diapers, baby food. Gift certificates for dental work, eye-glasses, vitamins, medical needs, gasoline and oil, tires. Meat of all kinds. Bedspreads and linens for single beds.

Caribbean Trip

Mr. and Mrs. Dwain Holmes left Wichita Falls, Wednesday by Braniff plane for Ft. Lauderdale, Fla., where they will board ship for an all expense paid week's trip to the Bahamas, Jamaica and Haiti.

Wednesdays to Be Iowa Park Big Days

Wednesday in Iowa Park is to be the smart thing, the fashionable thing, if Iowa Park businessmen have their wish.

People from all points of the compass will naturally think of Iowa Park when the sun comes peeping up each Wednesday if the program being launched soon takes hold as it should.

In a businessmen's meeting last Thursday night at Circle L Cafe, it was decided to make Wednesday of each week a Big Big Day. Stores and all types of service institutions are going to go all out to make Iowa Park an inviting place every Wednesday.

Each individual business will of course use its own idea as to how to accomplish this great result.

Some will offer bargains too compelling to be resisted. Others will offer service and quality items the whole shopping and buying

public has been looking for and waiting for.

When that is done, what can keep the men and women of this area out of town on the Big Day in Iowa Park.

So far this program has not been named, but the Herald offers this suggestion—let's make it the Big Day in Iowa Park each week. It can be done if we co-operate.

Some of our people are looking forward to every business day as a Big Day. And it can be if we work to develop Iowa Park as the shopping and business center it rightfully should be.

We encourage each business in Iowa Park to give thought to this program, and plan how it can encourage folk to come to Iowa Park for all their needs. All the time—beginning with the Big Day on Wednesday.

Indians 12 Hawks 6

Iowa Park Hawks opened District 5-AA play at Quannah last Friday night with a 6-12 loss to the Indians. They scored in the first quarter on a sustained drive, continued through the game to tear Quannah's defenses apart, but never again found paydirt.

Meanwhile, the Indians put together an 80-yard drive for TD and a 91-yard run, both in the second quarter, to tie the game.

Three times the Quannah squad held Iowa Park inside the Indian 15-yard line.

Hundreds of Hawk fans watched helplessly as their team pushed down the field at will, but the Indians were unwilling to have their goal line dented after the initial period.

The Hawks will try again this Friday night at 7:30, when the Olney Cubs come to town.

Junior High Hawks will play at Olney this Thursday at 6:30. Coach Frank Schatte urges fans to support the team.

Iowa Park junior high won its game last week with Quannah.

On the squad are Phil McDougal, Rocky French, Billy McDougal, Dan Farr, Barry Jackson, Joe McNeely, Mark Brubaker.

And Bruce Carter, Eddie Stevens, Robert Watson, Fred Campbell, Greg Webb, Jimmy Bradberry, Bing Miller, Rickey Cope, Ricki Dickerson, Raymond Entrop, Douglas Pennington, Robert Boone, Mike Overbey.

And Bill Clapp, Tommy Boren, Joe Keeter, Gary Mulkey, Gerald Frnks, Mickey Patterson, Wendall House, Johnny Reid, Johnny McDaniell, Ranny Voyles, Eugene Rushing, Robert Wilkerson, Steven Blakeney, Mike Payne, Davey Swanson, Daniel Sullivan, Bobby Patterson, Gene Adams, Thomas Obrien, Robert Fletcher, Tommy Cantrell.

Mrs. Lonnie Lee is seriously ill at her home on North Hawthorne. Relatives who have been here recently are the two sons Norman of Houston and Larry of Wichita Falls, and their wives; her mother Mrs. Ida Scarber of Bowie and her sisters Mrs. M. C. Covington of Bowie, Mrs. Ella Mae Miller of Aspermont and Mrs. Mamie Medley of Jacksboro.

Mr. Lee is not operating his Fish Bait business at the present time, and asks his customers to buy their fishing supplies from someone else until further notice.

Mrs. Tirzah Portis and Miss Hazel Crites returned recent after a six weeks vacation in California and Arizona, visiting relatives and points of interest. In Prescott, Ariz., they visited Mrs. Portis' son Jimmy.

Farm Bureau

Annual convention of Wichita county Farm Bureau will be held Oct. 22 at 7:30 p.m. in Iowa Park Youth Center, according to Carl Moeller, president. He said this will be the most important meeting of the year.

Resolutions incorporating the thinking of the membership on local, state and national issues will be passed. Those dealing with local matters become the policies of the county organization during the coming year.

Resolutions dealing with state and national issues will be recommended to the state convention in San Antonio, Nov. 11-14. There they will be acted upon. Those adopted become state FB policies and recommendations (on national issues) to the American Farm Bureau Federation convention to be held in December at Atlanta, N.J.

Only members of Farm Bureau may participate in the policy-making process. More than 1,600,000 farm families have voices in forming policies of the Farm Bureau. Three out of every four organized farmers belong to FB, Moeller said.

He urged all members to attend the county meeting and take part in discussion and voting.

Committee and financial reports will be given; officers and directors for 1963 will be elected.

A 410 gauge shotgun and two rifles and several skill saws were taken. Other merchandise was found just outside the back door, where the store was broken into.

Bradford store has been closed for several weeks because of the illness of B. L. Bradford, owner.

City police and the sheriff's department are working on the case.

Church Youth Plan Program

Young people of the Assembly of God will present a "Speed the Light" program Sunday night, Oct. 21. This is an annual appeal to secure equipment for the more than 800 foreign missionaries of Assemblies of God.

Some churches are buying cars, jeeps and boats. The local group is buying a bicycle to be used by a missionary in Africa or some other country.

The local White's Store is lending a bicycle for this service so all may see what they are buying.

Special songs and a message on the theme of "Speed the Light" is planned.

The service begins at 7:00 p.m. and the public is invited. H. E. Allen is pastor.

Little League

Officers of Little League are to meet Oct. 23. A slate of candidates will be presented to fill the existing vacancies: four directors and two umpires-in-chief and two player agents. Directors and officers are elected on a yearly basis.

The meeting will be held at Youth Center at 8:00 p.m. All managers, umpires and key personnel will have votes and will be contacted prior to the meeting.

Proposed budget, plans for field maintenance and the immediate league work projects will be discussed.

"Scene Changers," a new celanese color slide program on home ashions, shows how easily "Ready Mades" can be used to change the scene in your home.

For instance the above room setting with frosty pink rug, pink walls and pink table cloth features a handsome pink and red border print on a white fabric of celanese

acetate taffeta. Notice the perfect tailoring of the quilted bedspread with etched design bordering the skirt.

The custom made look of this ensemble makes it difficult to believe it came from the World of Ready Mades.

See this program and discover that decorating with ready mades can be fun, fashionable and easy

on the budget. "Scene Changers" will be seen Oct. 18 at the Youth Center by members of the ESA sorority.

Mrs. Luther Shaw will read the commentary on the 50 slides in the program.

Added feature of the program is a dress length given as a door prize.

Woman's Society of Christian Service held the second session of study on "Today's Children for Tomorrow's World."  
 Opening song "Savior Like a Shepherd Lead Us" was followed by a devotional and prayer by Mrs. Gordon G. Clark.  
 Mrs. S. B. Keeter introduced Carrol Crum, assistant county probation officer, who spoke on "Delinquency." He said it takes approximately 15 years to produce a delinquent child, but only

1 per cent of the juvenile population of the county are declared delinquent by the court.

Some causes of delinquency are broken homes, immorality on the part of one or both parents, lack of harmony in the home, lack of religious training and lack of proper supervision.

Crum said the best way to combat delinquency is to strengthen the family and with the churches and schools and agencies working together this problem can be lessened.

Each of the five study groups brought a part of the study and Mrs. Jay Farmer conducted group discussion on children's problems.

Mrs. W. M. Owens dismissed 30 members with prayer.

## Grandma's Rocking Chair

By Mrs. R. E. Van Horn

Well, finally I find myself able again to sit in the rocker and ponder on things men do that strike me either as pitiful, comical or ridiculous.

After several months of illness and after having subsidized the hospitals for the summer, Grandpa and I are back on our feet and happy to be so. Thanks to the many friends who remembered to call and send cards. It meant a lot to each of us.

With the coming of fall, our thoughts turn to the sports of the season and to the State Fair. Last weekend, with a busload of other folks of my age and ability, I attended the fair for the first time in about five years. I never would have entertained the thought of going on the day of the T & O game except for the fact that I had no driving or parking problems since the bus company took care of that.

We left early in the morning and after being regaled with stories of their recent trip to Europe by two ladies who joined the party in Henrietta, we found ourselves in downtown Big D at noon. My two friends and I dashed two blocks and caught a Fair bound city bus and became straphangers. They packed them in to the limit and we jounced and bounced to the fair grounds, feeling out of place since everyone else was talking football and extolling the virtues of either the Longhorns or the Sooners.

We arrived and made our way inside the gate. There a sea of folks had preceded us. I've seen large crowds, but never have I seen so many people eating so many friend chicken dinners. The weather was threatening and everyone had a raincoat. There were literally blocks of people sitting on the grass on their raincoats, having lunch. We bought a box and joined the throng.

The Women's building was our first stop, where we enjoyed the displays of crafts, needlework and antiques. Then we toured the World Exhibits building.

By that time the football crowd was in the Cotton Bowl and we could move around with greater ease. We viewed all the exhibits in which we were interested, and then just before the game was over, hied to a bench, sat and watched the crowd come from the stadium.

We had not heard who won. And what's more, we weren't about to ask! I've never seen so many worn out people in my life. They all had glum faces! And they were all in the same humor.

We found out later there had been fisticuffs and the heat had been intense and the game close and hard; so everyone looked as if he had actively participated.

Our sense of humor was thoroughly upset just by watching the people. They were of all kinds and sizes. They were fat and slim, old and young, on crutches and in wheel chairs, walking along blithely or dragging themselves along.

There were grandpas reliving their football days; grandmas who came for the ride and to show their new fall clothes; the young things in short skirts, high heels and bouffant hair-dos, who clung desperately to the arms of their escorts for they could hard-

ly bear to put their tired feet to the ground. One had solved the problem and walked in stocking feet.

One couple came prepared for anything. They wore shorts and carried fleece lined coats!

After this we viewed a fashion show and were amazed at the lovely garments made from Texas-made materials. From there we went to the garden near the auditorium for our evening meal, and to rest our tired feet—again!

In the garden we checked the menu . . . what was offered? You'd never guess. First of all, of course, all sorts of soft drinks and a slightly stronger beverage, and of course coffee . . . and champagne! The only other item on the bill of fare was hamburger! My poor stomach couldn't stand the thought of hamburger and champagne, so I settled for coffee.

Sure was glad I did, for I knew when I looked around and saw Anna Maria Albergatti sitting at the next table, sipping her champagne, that I actually DID see her. We enjoyed her performance a little later in Carniyal.

After the show we met our bus at the south door of the auditorium and I crawled in bed at 3:30 a.m. I crawled in bed at 3:30 a.m. triumph and took off for home. Can't say when I have enjoyed a short trip any more.

The fair is everything they say, and being ours is more to a native Texan. It's an institution. I hope to be able to be in my rocker from now on, the Editor willing.

Tuesday, Oct. 23, Santa Rosa district of Texas Federated Women's clubs will have a workshop in Crowell and several members of '23 Study club here plan to attend: Mmes: T. M. Clark, W. G. Steele, Chauncey Weiler, Homer Blalock.

Cecil Marquart is home from Wichita General hospital after receiving treatment for several days.

Hallowe'en is fast approach with its goblins, pumpkins, witches and trick-or-treat. This year as in the past there will be in our town junior and senior high school students who will be trick-or-treating for CROP.

This program is being sponsored by the United Christian Youth and is under direction of Elaine Sawyer. Co-chairmen are: Finance, Van Dunson, Gene Todd; Publicity, Larry George, Danny Watson; Zoning, Elaine Sawyer.

Because Hallowe'en falls on Wednesday this year, the CROP drive will be conducted Tuesday night, Oct. 30.

Money donated to CROP is used to buy food for underfed people of the world. The CROP program is administered by and through the World Council of Churches.

With contributions of CROP and to other service programs of our churches we join with fellow Christians in other countries in a concerted attack on acute human need.

There will be a UCYM meeting for all junior and senior high students next Sunday at 2:30 in the parlor of the Presbyterian church. Youth and their sponsors and pastors are urged to attend, as we will be working on the CROP program.

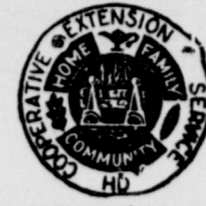

## Music Club

Boyd Schlenther, minister of the Presbyterian church, presented the program on church hymns for the open meeting of Modern Music Study club last Thursday in the church. He has made an intensive study of hymnody.

The speaker began with the statement "Christianity is a singing faith, and the real choir is the congregation, not just those who sit in the choir loft." He said the singing of hymns is in praise of God and it is His ear we try to please rather than those of the audience.

Mr. Schlenther said 400,000 hymns exist and the church is interested only in music which glorifies God. He said "musical reconstruction must begin with a theological reconstruction."

Mr. and Mrs. Bobby Walker have established residence in Oklahoma City. One of Bobby's legs was recently injured in a car accident. The wound healed on the outside but was infected next to the bone. He had another operation recently and his leg is reported healing properly.

Annual HDC Achievement Tour will be next Tuesday with stops at the homes of Mmes. Jim Roberts, D. D. Mendenhall, Lester E. Brooks, Floyd Rodgers, Elwood Haynes.

Featured will be home improvements, remodeling, upholstery work, yard improvements and better storage.

The general public is welcome to make the tour. Those taking part will provide their own transportation and sack lunches.

Mrs. Baxter Gibson directed the business. Plans were completed for the Friendship Tea at the Community House Oct. 16. Mrs. Lawton Medley was elected food lea for 1963 and Mrs. John Jones was elected clothing leader.

The program by Mrs. Ralph Briscoe featured slides of Washington, D.C., Old Mexico and Canada.

Others attending were Mmes. Alvis Sewall, John Staber, Harold Staber, Floyd Stermer, T. M. Thaxton, Jack Bickley, McDonald, Ky Hunter, Alton Hunter, Marjorie Broyles, Lloyd Ward.

## Garden Club

Iowa Park Garden club met Friday morning, Oct. 12, in the home of Mrs. Earl Watson. Hostesses were Mrs. Wilburn Bedford and Mrs. Homer Blalock.

Mrs. Erwin Soell, president, directed the business session. Mrs. David Dodge was appointed magazine chairman.

Invitation was read from Fort Worth Garden club to attend the Harvest of Homes Tour there on Nov. 16. Invitation was extended to members to join the Wichita Falls Forum pilgrimage to the state fair on Tuesday, Oct. 16, that being Garden Clubs Day at the fair.

It was voted to sponsor again the Christmas Tour of Homes here. Mrs. A. K. Settle was welcomed as a member.

Mrs. Watson presented the program, giving hints as to rooting, feeding, watering, grooming and

arranging of African violets. She has about 40 varieties in her home.

Rules given for the growing of African violets were: 12 hours of sunlight, high humidity, and warm temperature. She suggested bottom watering with warm water, keeping sun from wet foliage, and ventilation to allow outside air and moisture to reach the plants when possible.

Among the most beautiful varieties Mrs. Watson had on display were Crusader, Charm Song, White Madonna, Rose Dust, Racy Red, Coquette, and variegated violets.

Crescent arrangements, handi-

work of Mrs. R. G. Warner and Mrs. Arch Hughes, were part of the decorative setting. Mrs. Warner's arrangement contained bayberry leaves and chrysanthemum Mrs. Hughes used driftwood, Pinesian zinnias, Joseph's coat leaves and fern.

Next meeting will be a workshop at the Youth Center beginning at 9:30 a.m. Oct. 26.

Mrs. Lee Micks jr. of Cent Feed and Seed, Wichita Falls, will give a lecture and demonstration of Della Robbia wreaths.

Others present were Mmes. T. Crawford, Richard Carver W. Corder, L. C. Hill, O. N. N. man and Miss Hazel Crites.

# Christ and a Faith for Our Day

by Boyd Schlenker

Not too long ago there was the  
 newspaper story from London to  
 tell of a most novel performance.

It seems a Hungarian presented  
 a piano concert in London  
 without making a single sound!  
 The performer gave London "its  
 first major presentation of the  
 dolce piano, meaning a piano  
 which doesn't make a sound."

The idea was not to listen, for  
 there was nothing to hear. The  
 idea was to watch and feel. He  
 explained that he was playing  
 well-known classics; one piece  
 was even accompanied by oboe  
 and violoncello. But these instru-  
 ments were as silent as the piano!

Unfortunately for all those who  
 "felt" this performance, it turned  
 out the "pianist" was no musician  
 at all, but an antique dealer! The  
 whole thing was just a great big  
 practical, or unpractical joke.

There was not only nothing to  
 be heard; there was nothing to be  
 felt. Still something like 100 per-  
 sons had paid money to hear no-  
 thing at all. They rate pretty low  
 as listeners, but as gullible peo-  
 ple they are right at the top of  
 the heap!

They really brought the story  
 of the Emperor's Clothes (which  
 you recall weren't there) up to  
 date!

One could wish Christianity  
 were immune to the infection of  
 such appealing and glittering lies;  
 but not so. For every prophet in  
 old Israel there were many false  
 prophets. And the fearful and  
 frightening thing is that when we  
 read our Old Testament we learn  
 that the false prophets were by  
 far the more popular! Jesus spoke  
 of the broad road leading to de-  
 struction, and of the great multi-

tudes who go that way. Our faith,  
 far from being immune to faker-  
 ism, is especially open to it.

If you really want to rake in  
 money, all you need is some fan-  
 tastic "pitch" clothed with the re-  
 ligious mantle. Then if you have  
 no conscience or scruples at all,  
 you will gain great crowds of fol-  
 lowers. All this because people  
 will so often turn away from the  
 truth that is looking them directly  
 in the face and run after some  
 cockeyed invention. They stuff

themselves full of the breads of  
 this world looking for an answer  
 to the meaning of life, when all  
 the time the Bread of Life is fully  
 available to them.

Such folk are strongly affected  
 by people around them. They see  
 and hear what they are told to  
 see and hear (or not hear). They  
 are the stuff of which Mississippi  
 mobs are made. They are prey  
 to demagogues.

A little common-sense would  
 tell such people that much of what

they are allowing is just a big  
 spoof! They would see that they  
 are being used.

Unfortunately, some churches  
 are constantly pulling elaborate  
 "jokes" on their people. It is not  
 the rarity that should be, to find,  
 in what pass for Christian church-  
 es, men who claim to be playing  
 the true music of heaven, who in  
 reality, are in the presence of the  
 unanswering silence of a very  
 skeptical God!

**ESA**

Home of Mary Guthrie, better known as "The Pink Garter," was setting for a Flapper Party for members of Iowa Park chapter of Epsilon Sigma Alpha International on Oct. 16. Pledges honored at the party were Marvel Towns, Eddie Stubbs, Biddie Jackson, Betty Dyer and Charlene Rusk.

Members entered the living-room through "swinging doors." A bar was placed across the far end of the living-room, and bartenders Joyce Spruiell and Sue Taylor served Pink Lizzies and Flappers Special (root beer and cokes), sandwiches, cake and coffee.

Games were led by Doris Perry and Helen Dale Roberts including a Charleston contest won by Estha Rutherford. Marvel Towns won a prize for being the best dressed flapper.

Bobbie Shaw presented a film in which some of the members had previously participated in a flapper style show. Those present besides the ones named were Mauryne Overby, Louise Clapp, Jo Ann Sargent, June McCarthy, Louise Berry, Jo Terrell, Betty Cole, Bernice Compton, Ann Sullivan, Wilma Spruiell, and sponsor Harriett Coppock.

An old-fashioned dinner will be given to honor the pledges Thursday at the home of Mrs. Glen Miller.

**McClish Moving to Alabama**

H. W. (Dub) McClish, minister of Iowa Park Church of Christ resigned last week to accept the same position with the Alberta Church of Christ in Tuscaloosa, Ala.

The Alberta church is only four years old and is composed of 170 members, the great majority of whom are in the 25-45 year age group. A building completed in 1961 will accommodate 500. Located in the heart of a new residential and suburban shopping area, Alberta church is one of five congregations of the Church of Christ in Tuscaloosa.

University of Alabama is at Tuscaloosa and Dub plans to begin work toward a master's degree soon. He will begin work there on Nov. 4.

Dub's father is minister of the church at Midvale, Idaho. Mrs. McClish's father B. B. James, is a minister in Paris, Tenn. They have a daughter Bronwen Ellen, 4 years old, and a son H. W. III (Hal), 15 months old.

Dub attended Freed-Hardeman college, Henderson, Tenn., where he received the AA degree; and Abilene Christian college, BA degree with Bible major and music minor.

The family moved to Iowa Park in January 1960 from Wichita Falls where he had served one year as associate minister at 10th and Broad church.

During nearly three years here there has been a gross increase in membership of 160 (61 by obedience and 99 by membership placement). In addition 33 have been restored to faithfulness.

Contributions have increased from \$450 per week at the end of 1959 to \$591 per week now.

Substantial gains in membership and attendance demanded an enlargement of facilities. In July of this year a \$44,000 addition was made that provided 7 new classrooms, new and enlarged nursery, new office space, and total seating for 550 persons.

Also during this time a new preacher's residence was completed valued at \$15,000.

**First Baptist**

Mrs. Homer Blalock was hostess for the Night WMS of First Baptist church Monday at 7:30. During the business the Training Clinic which will be held Oct. 30 at the church was announced. Reports by chairmen were given.

Last Sunday, the First Baptist church held its annual Laymen's Sunday observance. Laymen of the church had charge of all services, beginning with the opening of Sunday School.

Special pews were reserved for the deacons and their wives for the worship hour. The choir was composed of men only with C. D. Rogers, church music director, leading. Allen Slack sang a solo.

Richard Hill played the organ prelude and special music for the offertory. Leroy Smith, Lee Perry and Allen Slack served on the arrangements committee.

Mr. and Mrs. H. L. Snow were weekend guests of Mr. and Mrs. I. W. Corder. The Snows were enroute from South Dakota to Florida.

During 1961 there were 197,100 accidents in Texas homes with 1,314 resulting in death.

5,256 accidents were costly and crippling and disfiguring, and 191,344 did not result in any prolonged incapacity. But every one of these accidents had the potentials of seriousness.

A two-year-old child, for instance, jammed the prongs of a hobby pin into an electric outlet. Child and parents suffered some shock and fright, but nothing serious. But if the child's hands or body or the floor around the outlet had been wet, that child could have suffered serious injury.

In another instance a rock propelled by a power mower hit a man on his leg. Result—pain and a sore leg. But suppose the rock had hit an eye?

An elderly woman fell when she stepped on a throw rug. She suffered pain for several days and could have broken a hip, leg or arm.

A child pulled a pot of soup off the front of a kitchen range and burned a hand. The boiling liquid could have spilled on her face, blinding her permanently.

There are no non-serious home accidents. All reveal hazards or hazardous practices which may if left uncorrected result in serious injury. No home accident should be ignored. Rather, it should be a warning that a home hazard exists and must be eliminated.

**Spiritual Life**

First Christian church is announcing Rev. Walter Fiscus and Mrs. Frank Hughes will hold a Spiritual Life school here again Thursday, Oct. 25, beginning at 10:00 a.m. A paper sack lunch will be served.

Mr. Fiscus and Mrs. Hughes will speak again at 7:30 p.m.

This Spiritual Life team will hold Prayer School at the church one day each month.

These workers conducted a week of Spiritual Life school in Iowa Park last July which was well attended by members of local churches. Everyone is invited to attend these lessons each month.

Mr. and Mrs. James Murfield of Fullerton, Calif., are parents of a son born there recently. The grandparents are Mr. and Mrs. A. L. Reed of Iowa Park. Mrs. Reed is in California to be with her daughter Sharon and family.

Noon Lions and guests heard an inspiring talk of Americanism at their Tuesday meeting.

Lester Brooks offered the invocation. Homer Thompson introduced as guests Paul Keys, C. A. Nipper, Bob Gibbs and Mrs. W. R. Pastusek.

Brooks, Crippled Children's Camp chairman, spoke briefly on the camp and distributed literature about it.

President Rollins Woodall presented former local Lion W. R. (Pat) Pastusek as guest speaker. He said "The U.S. must be revived. A large per cent of our people do not take time to go to the polls and vote. We are in a period of careless living and depend on others to think for us."

Pat continued, "Will God bless a nation that is so irresponsible?"

Sweethearts Harriett Coppock and Esther Thornberry furnished luncheon music.

Meetings will be on the second and fourth Monday of each month during the club year.

Iowa Park '23 Study club and Burk Burnett Modern Study club will sponsor the new club.

Mrs. Nichols says membership is still open for women desiring to study with the club.

Next meeting will be Oct. 22 in the home of Mrs. Ken Anderson.

Mrs. Nichols plans to attend the district workshop in Crowell next Tuesday.

**EXCITING! GO '63 CHEVY II**  
Nova 4-Door Station Wagon  
**SPUNKY NEW WAGONS THAT LEAD LONGER, HAPPIER LIVES**  
What a new kick you'll get out of going places in this one! And what a solvent feeling you'll get as the savings on upkeep mount! There's a full line of models, including three wagons. Basically, we've kept Chevy II's liveliness and roominess and easy loading ways. Kept its crisp looks, too (with a bit of freshening here and there). The changes we've made weren't for change's sake, you see—but for yours. Just for a sample: the brakes are self-adjusting. The new Delcotron generator gives you more electrical reserve power and helps your battery reach a vigorous old age. The Body by Fisher beauty lasts longer, too; air pushes rain and wash water down through the rocker panels (where most rust begins!) in a clever new flush-and-dry system. The ride is smoother and quieter because of a large number of small improvements we've made. And things are a lot plusher inside. Now you've read this far, haven't you? Isn't that good evidence that Chevy II is made for you? The clincher will come when you take the wheel at your Chevrolet dealer's.  
See four entirely different kinds of cars at your Chevrolet dealer's... Chevrolet, Chevy II, Corvair & Corvette.
