## Forest Lynn Lucy Wed in Dallas to Miss Alice Shirlene Andrews

Bride is daughter of Mr. and Mrs. Jesse Lewis Andrews of Irving, and Forest Lynn is son of Mrs. F. E. Lucy of Iowa Park and the late Mr. Lucy.

The bride's father was officiant for the 3:00 o'clock nuptials. Vows were repeated before two white baskets of white bridal flowers and seven-branched candelabra styled with soft full banks of polished jade.

Mrs. Winston Sewell, vocalist, Mrs. Joe A. White, pianist, and Miss Carolyn Jones, organist, provided traditional wedding music.

When given in marriage by her grandfather R. C. Limmroth of San Angelo, the bride wore a gown of imported Italian silk. The molded bodice featured a rounded neckline and fitted sleeves that extended to the elbows. The bell-shaped skirt was slimly fitted from an Empire waistband which was embellished with floral embroidery of seed pearls completely encircling the midriff, and dipping below the natural waistline at the back.

The skirt had single pleats at the side front, and a cluster of pleats unfolded from the low rounded back bodice to form a sweeping chapel train. Diagonal insets of the embroidered floral design of pearls formed two panels extending from the Empire line into the skirt front.

The bride's bouffant veil of imported silk French illusion fell in tiers from an open contour Alecon lace cap that was shaped to form a V over the forehead. A single teardrop crystal fell from the point and the entire cap was sprinkled with pearls and crystals. They wore identical street-length gowns of pale yellow pure silk organza over matching taffeta. A deep yoke of white embroidered ribbon lace formed a jewel neckline and cap sleeves. Silk organza draped the midriff terminating in an organza bow in the back. Wide box

pleats from the waist shaped a short bell skirt. On their heads were hats of yellow tulle and velvet ribbon sprinkled with white daisies with yellow centers. They carried cascade bouquets of white daisies and polished ivy.

R. F. Stout of Wichita Falls attended the bridegroom as best man. Groomsmen and ushers were Loyd Malcolm Bell of Grand Prairie and Joe A. Pearce of Garland.

## Sister Dies

Funeral service was conducted Tuesday morning for Mrs. C. C. Davis, sister of Mrs. A. A. Birdwell of Iowa Park, in First Baptist church of Wichita Falls with Dr. James H. Landes, pastor, officiating. Burial was in the cemetery at Charlie.

Mrs. Davis died at her home in Wichita Falls, Sunday following a lengthy illness.

She was born in Alabama on Aug. 3, 1871, and came to this area 70 years ago, two years after she was married to Charles C. Davis in Trustville, Ala.

Mrs. Davis had been a member of First Baptist church of Wichita Falls the past 43 years and was honored in May by the church for her long and faithful service.

Other survivors are two sons: Carl of Wichita Falls and Ralph of San Diego, Calif.; five daughters: Mrs. Leta Manning of Wichita Falls, Mrs. E. C. Kuykendall of Houston, Mrs. George Cullin of Matador, Mrs. L. B. Horr of Burkburnett, Mrs. John Matthews of Denver, Colo.; a brother Will Garner of Charlie; 17 grandchildren; 28 great-grandchildren; 1 great-great-grandchild.

Several friends from here attended the service.

## Herman Todd Heart Victim

Funeral service will be conducted for Mr. Herman Todd, 48, Friday, Aug. 3, at 10:00 a.m. in Faith Baptist church with Rev. Homer Thompson, pastor of First Baptist, and Rev. John Klappenbach, pastor of Faith church, officiating.

Burial will be in Highland cemetery under direction of Tanner Funeral Home. Pallbearers will be Joe Baxter, John Todd, L. Todd, Harry Fletcher, Fred Parkey, John Berry.

Mr. Todd suffered a heart attack at his home, 414 E. Bank, Tuesday night and was found dead by his sons.

Born in Collin county, April 15, 1914, he was married to the former Miss Carnella Holloway.

He had been a resident of Iowa Park for 23 years and has been a longtime employee of Wilson Manufacturing Co., Wichita Falls, as a machinist.

Mr. Todd was member of First Baptist church.

Surviving are the widow; four sons: Bob of Armona, Calif., Don and Gary and James of Iowa Park; two daughters: Mrs. Lillian Tatom of Cactus and Mrs. Linda Reis of Electra; his father Z. T. Todd of Armona; two sisters: Mrs. Geraldine Overstreet and Mrs. Ruby Null, both of Avenal, Calif.; three brothers: W. N. of Armona, Clifford and C. B. of Avenal; and six grandchildren.

Stevie Taylor, 9, son of Mr. and Mrs. Charles Taylor of Kamay, received lacerations and multiple fractures of his left foot and ankle last week in an accident at his home.

The youngster was working with older brothers Gary and Randy and a farm worker George Blankenship when his foot became entangled in a fertilizer spreader.

He was rushed to Wichita Falls where surgery was done and he apparently is recovering quite satisfactorily.

George Pybus is able to get about some after recent surgery.

Leon Rankin, son of H. C. Rankin of Iowa Park is enrolled for graduate study in a health education workshop for the second summer term at North Texas State university. He teaches sixth grade at Airport school of Big Spring.

Miss Jan Ueckert, IPHS senior, has just returned from a 30-day study tour of Mexico conducted by the Jefferson county public schools, Denver, Colo.

Among places visited and studied by the students was Mexico City, where many monuments are erected to pay tribute to many revolutions which have spurred the economic and social changes which have taken place in Mexico.

The students visited the University City, on the outskirts of Mexico City, to see the use of murals so typical of Mexican architecture. Murals, found on all university buildings, portray various events in Mexican history, indicating pride of the Mexicans for their country.

And the students seemed to enjoy the slow, unhurried mode of Mexican living. Miss Martha Gay Ueckert, tour director, commented. (Martha Gay and Jan are sisters.)

Mr. Bowman is stationed in Germany with the American armed forces. He is being returned home because of his wife's accident.

The four children are being cared for by neighbors while the mother is in the hospital.

# Vote Against the Issuance of Water Bonds on August 11

Do not be misled by a few. It is inevitable that taxes will be increased to meet the heavy indebtedness if this issue is passed.

In the future, Iowa Park must be able to meet other obligations than this issue alone. How will these issues be met financially?

In recent years Iowa Park has been the victim of two shallow, insufficient lakes. Let us not make the same mistake of paying for costly construction of another oblique lake.

The average depth of the proposed lake at capacity is approximately eleven feet. Six feet is our normal evaporation per season, which leaves little for water consumption alone, much less recreation.

This 1,810 surface area, acre lake site, which covers many acres in area, but insufficient in depth, will affect the total or partial income of some twelve families, including a homestead.

Some of these land owners have not been contacted in any way or been notified of the proposed lake, by any authority.

The estimated cost of this land, as prepared by the consulting engineer is \$99,550.00 including surveying and abstracting. Look about you, this surface LAND ALONE cannot be bought at this price today.

Under present day high costs of construction, the engineers estimate of the spillway, pipelines and dam construction is far below today's prices. These above estimated construction costs must be paid. THIS water bond WOULD NOT pay for this.

You are a qualified voter if you have lived in the city six months, are a Property Owner, and have a poll tax. Go to the City Hall and VOTE AGAINST the ISSUANCE of WATER BONDS on SATURDAY, AUGUST 11.
