The Rev. Mr. Boyd Schlenther of the Presbyterian church directed the wedding vows for the double-ring ceremony. Centering the nuptial area was an arrangement of white gladiolas flanked by cathedral candles in wroughtiron candelabra and identical arrangements of white gladiolas.

Mrs. Guillermo Garcia of Wichita Falls, organist, presented the wedding music.

Given in marriage by her father, the bride wore a floor-length gown of chantilly lace and French tulle over silk stin. The fitted bodice was designed with scalloped Sabrina neckline embroidered with sequins. Long sleeves tapered to points over the wrists. The Building

Parkway building is of red brick structure with large display windows on east and south. This 15,750 square foot store is airconditioned and arranged so customers can shop in comfort.

Sullivan, Bennett and Schroeder Construction, owned and op-erated by Carl Sullivan, Allen Bennett and Richard Schroeder of Iowa Park, built this spacious one-story building.

Parkway is a dream come true for the Sullivans and Krottingers. This is one of the most modern furniture stores in the area.

It has sales and show area of 125 feet by 87 feet with a warehouse and workroom, main office space, lounge, and private office for Mr. Sullivan.

On the west side of the new store are found five vignettes. Merger

Announcement was made this week of the merger of Jacks and Boley Insurance Agency of Iowa Park and J. B. Featherston Insurance Agency of Wichita Falls. The new agency will be known as Boley, Featherston and King Insurance Agency.

Offices will remain at the same locations: 307 North Wall in Iowa Park and in the Featherston building at 711 Travis in Wichita

The firm will not curtail service in Iowa Park. Rather, the additional experienced personnel and more efficient accounting methods will enable Boley, Featherston and King to give TOTAL protection service to all their clients.

Bud Mercer will be in charge of the company's office here, assisted by Patsy Tatom. Customers are invited to continue relying upon this firm for all insurance

Advantages will be electronic accounting, and the fact that the larger volume will give greater purchasing power with insurance companies. The firm will write larger lines and through diversification of talents will be able to give better service in life insurance, group hospitalization, and larger mortgage loan facility.

The J. B. Featherston Insurance Agency was owned by J. B. Featherston and Ray B. King, both of Wichita Falls. Mr. Featherston is also engaged in real estate appraising.

NEEDED

People who can be counted on to help in the Wichita County Free Library-9:30 to 11:30 and 2:00-5:00 each day except Sunday-or the Library will have to

Much time and effort have been given by many persons to start the library. Books have cost nothing, the library has a location which costs nothing. It seems there would be more help than needed to keep this project going.

Children, teenagers and adults average checking out about 40 books a day. If you could see the eagerness and happy anticipation

these children have in coming to the library, you would want to HELP keep the library open. Call Mrs. Dud Rowntree for hours you can work.

IMPROVEMENT

In talking to Buck Voyles, we found the Commissioners Court would maintain a road below the dam at Lake Iowa Park if proper drainage were put in, and keep the weeds and grass mowed for the benefit of those who use it. The C of C will do all in its power to help improve this much-needed

Visitor Honored

Mrs. Maurine Lancaster, former resident of Iowa Park now living in New London, was honored at a reception given by Mrs. Carroll Hester Tuesday afternoon. Invitation list included friends of the honoree. Mrs. Lancaster is houseguest of Mrs. M. J. McDon-

Bouquets of spring blossoms beautified the living room of the Hester home. The dining table was laid with white lace. One extremity was marked with a blue china epergne filled with artifi-cial fruit, the other held a crystal punch service.

Guests were Mmes. Lancaster, McDonld, Fenton Dale, Ida Chat-elain, Bert Smith, W. M. Owens, C. J. Thurber, Dave O. Harbour, Otis Gay, S. B. Reaves, Homer Blalock and Miss Ethyle Kidwell.

Guests of Mr. and Mrs. F. E. Hill for Father's Day were their daughter Mr. and Mrs. Dwight Harris and daughter Elizabeth Ann of Dallas; son Mr. and Mrs. Travis Hill and children Travy anne and Tommy of Brownfield; and Lt. and Mrs. Thomas J. Bowling of Sheppard AFB. Mr. Bowling is nephew of Mrs. Hill.

J. J. White of Tom Bean spent Father's Day here with his daughter Mr. and Mrs. Homer Blalock. Accompanying him were another daughter Mr. and Mrs. Wesley Davis of Howe. How much longer will your water heater last?

CICATOIA Replace it now with a modern flameless LLLU In U WATER HEATER

If your present water heater is operating on "borrowed time", why risk the inconvenience and possible added expense of a "breakdown"? Install a modern, quick recovery, electric water heater now and enjoy all these advantages that only flameless electric water heating can

FAST. New quick recovery electric water heaters with immersed heating elements give you hotter water faster and it stays hot longer. All the heat goes into the water-none is wasted up a flue. And the tank is completely insulated-even on the bottom-to keep heat inside where it belongs.

SAFE. No flames to blow out accidentally. No fuel to leak. No pilot light or flue to worry about. An electric water heater gives you peace of mind.

CLEAN. No by-products of combustion

to soil walls or ceiling. No unpleasant

fumes. No flue to accumulate soot. LONG LIFE. The tank bottom is not subjected to the corrosive action of flames. There are no valves to stick, no

burner to adjust. INSTALLS ANYWHERE. Because an electric water heater needs no flue, it can be installed anywhere in the house, close to the point of greatest use. This saves long heat-wasting pipe runs.

New Low Rate for ELECTRIC WATER HEATING Only 14c per kilowatt-hour for all electricity normally used for water heating by the average family. Call our office for full information.

Good for \$50 on the retail purchase and installation of a new electric 40-gallon (or larger) glass-lined quick recovery water heater in any home served by Texas Electric Service Company. Available now and for a limited time only from your appliance dealer, plumber or electrical contractor. Ask about it soon.

Now there is a new, faster way to make Long Distance calls. Simply give the Long Distance operator the Area Code for the city you are calling and the distant number. You need not tell her the name of the called city or state.

HOW AREA CODES SPEED CALLS

Area Codes are three-digit numbers that identify the more than 100 telephone dialing areas in the United States and Canada. The map above shows the dialing areas for several nearby states.

Long Distance operators here use these Area Codes to route your calls quickly to their destinations.

When you tell the operator the Area Code for the city you are calling, she can put your call through immediately. No waste of your time while she looks up the code number.

LOOK IN DIRECTORY

You'll find the Area Codes for many cities throughout the country listed in your telephone directory. The Long Distance operator will give you Area Codes for any cities not listed.

HOW TO CALL

Suppose you were calling KL 5-2368 in Memphis, Tennessee. Your telephone directory shows the Area Code for Memphis is 901. Here's the fast, easy way to make the call:

1. Dial "O" for Long Distance.

- 2. Tell the operator: "Area Code 901 KL 5-2368." (No need to mention Memphis.)
- 3. When the operator asks, tell her the number you are calling from.

Use Area Codes when you make Long Distance calls. You'll find it easy and you'll like the fast way calls go through.

Here's another tip. The Area Code here is 817. Include Area Code 817 when giving your number to people in distant cities. This will help them call you faster.

KEEP AREA CODES LISTED

For handy reference, include the Area Codes in your list of Long Distance telephone numbers. To help you start your list, Area Codes for several frequently called cities are shown at right. Many others are listed in your telephone directory. The Blue Book has a special column for writing Area Codes beside the numbers you call frequently. If you don't have a copy of this Blue Book, just call the telephone business office. No charge, of course.

The truck that's as good as your word

When you promise something will be there, a Chevrolet truck will help you keep your word almost to the point of monotony.

It will do its job over and over again, with seldom any trouble, at very low cost. What more can you ask from a truck? Because of their reliability, people have put more Chevrolet trucks to work every year since 1937. That's a strong vote of confidence. If good service is vital to your business, make your truck a Chevrolet and make your word more dependable than CHEVROLET ever. Call your neighborhood Chevrolet dealer soon.
