Callaway-Barr

Miss Susan Joyce Callaway, daughter of Mr. and Mrs. Paul W. Callaway, became the bride of Charles Edwin Barr, son of Mr. and Mrs. C. D. Tallant of Wichita Falls, last Friday at 7:00 p.m. in a ceremony conducted in Faith Baptist church. Rev. John Klappenbach was officiant for the double-ring ceremony.

Vows were exchanged before an altar decorated with two-branched candelabra holding white tapers and sunburst arrangements of white gladiolas. Musical selections were provided by John Hail, organist, and Miss Ireta Peek, vocalist.

The bride was given in marriage by her father. She wore a formal gown of white chantilly lace over white satin. The tight bodice featured a scalloped neckline and long sleeves tapering at the wrists. The bouffant skirt was designed with tiers of lace trimmed with sequins and seed pearls. Her veil of illusion fell from a crown of seed pearls and rhinestones. She carried a bouquet of white carnations centered with blue rosebuds.

Maid of honor was Miss Dee Ann Nail. She was attired in a street-length dress of powder blue cotton crepe styled with a tight bodice, scalloped neckline and sleeves, and a full pleated skirt. She wore a matching circlet hat with a short veil and carried a bouquet of white carnations.

Mrs. Larry Womble and Miss Charolyn Tallant of Wichita Falls, sister of the groom, served as bridesmaids. They chose two-piece sheath dresses of powder blue cotton crepe designed with cami-sole tops and over-blouses. They wore white accessories, matching circlets on their heads, and carried white carnation bouquets.

Linda Perry served as flower girl and Sam Paul Calaway was ring bearer for his sister.

Best man for the groom was James Ferguson. Groomsman and ushers were Billy Callaway of Wichita Falls, brother of the bride, and Larry Womble of Iowa Park.

The bride's parents were hosts for the reception held in the edu-

cational building. The bride's table was covered with white net over blue taffeta and centered with her bouquet.

Wedding cake and punch were served by Miss Karen Duty, Miss Mary Kathryn Farr, and Mrs. Billy Callaway of Wichita Falls, sister-in-law of the bride. Miss Paula Walls presided at the brides-book.

The bride will be graduated from IPHS in May. She has been a member of the Spanish club four years and secretary three years. She has belonged to FHA three years and has been a UIL contestant for three years. She has been a cafeteria and office assistant.

Susan has been a member of National Honor Society two years and is serving as vice-president. She received the Betty Crocker Homemaker of Tomorrow award this year.

The groom attended WFSH and was a member of ROTC. He is employed with Walker-Neer Manufacturing Co.

Mr. and Mrs. Tallant were hosts for rehearsal dinner held Tuesday evening in the educational building of the church.

The couple will live at 405 S. Texowa here.

Couch, Mary C. Couch, Cal Rigby Monroe Norseworthy and Emelin Carruth, Defendants, Greeting:

You are hereby commanded to appear before the Honorable 78th District Court of Wichita County at the Courthouse thereof, in Wichita Falls, Texas, by filing a written answer at or before 10 o'clock a.m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 25th day of May A.D. 1964, to Plaintiff's Petition filed in said court, on the 2nd day of April A.D. 1964, in this cause, numbered 74,397-B on the docket of said court and styled Joy L. Harris, Independent Executor of the Estate of Emma Ellen Redin, Deceased, and Joy L. Harris, Individually, joined by her husband, L. E. Harris, vs. All those persons First Named in this Writ and to whom the same is directed, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: This is a trespass to try title suit wherein Plaintiff alleges that on the 16th day of May, 1952, Plaintiffs and those they hold title under were and still are the owners in fee simple of the following described premises situated in the County of Wichita, State of Texas, to-wit: The West One-Half (1/2) (being West 2 acres) of Block No. Thirty-four (34) of Texas Addition to Town of Iowa Park, Wichita County, Texas, according to recorded plat thereof.

Plaintiffs say that the Defendants should be divested of title and title entered in Plaintiffs' names by judgment of this Court under the ten year statute of limitations because the persons holding the apparent record titles to the land have not exercised dominion over said land any time during such period of ten years next preceding the filing of this suit, nor have they done so one or more years during such period; and that the Plaintiffs have openly exercised dominion over said land for said ten year period. Wherefore, the Plaintiffs say that titles to such land have passed to them.

Wherefore, Plaintiffs pray that the Defendants be cited to answer this petition, and that Plaintiffs have judgment for the titles and possession of the above described premises, and for such other and further relief as they may be entitled to either in law or in equity. As is more fully shown by Plaintiffs' Petition on file in this suit. If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs. Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas, this 7th day of April A.D. 1964. Attest: (Seal)

MEMO

To Our Friends and Neighbors

FROM:

Tarrant County Friends of Jim Langdon

We are working to keep Jim C. Langdon as Railroad Commissioner, for several reasons. These reasons include:

1. Jim Langdon has the ability, training and integrity necessary in this unusually important office. He is a distinguished lawyer who was serving as Chief Justice of the El Paso Court of Civil Appeals when Governor Connally appointed him as Railroad Commissioner.
2. Jim Langdon, in a year's time, has proved himself to be a really outstanding member of the state agency that regulates oil and gas production, truck and railroad rates, and other vital industries.
3. Jim Langdon is well known to us, either personally or as the brother of Jack Langdon of Fort Worth, Associate Justice of the Second Court of Civil Appeals which serves Cooke, Denton, Montague, Clay, Parker, Tarrant, Wichita, Wise, Archer, Jack, Young and Hood Counties. Jim himself was born in Erath County and has lived in Somervell and Johnson Counties.

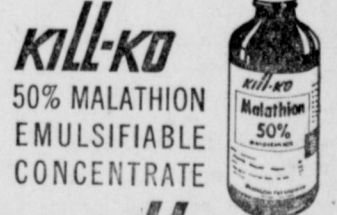

We urge you to join us in supporting Jim Langdon and voting for him in the Democratic Primary, May 2.

Weldon Bailey

SHERIFF

I humbly and sincerely ask for your vote on May 2nd. I feel with my 25 years experience and qualifications, we can have a sheriff's department that you can be proud of. The waste of your tax money will come to an end. I will conduct my personal and official life in such a manner that no reflection or embarrassment will fall on the people of Wichita County. I know that I have not been able to contact each of you, but it has not been intentional. Let me take this opportunity to thank everyone who has helped me in this campaign and to urge all of the people to vote for me and return your sheriff's department to all of the people of Wichita County.

When you prepare hot meals

your kitchen stays degrees cooler

with flameless electric cooking

Flameless electric cooking units fit snugly against pan bottoms. They put their heat into the pans where it is needed, not into the kitchen air. The electric oven, being flameless, requires no flow of air into and out of it to support combustion. The oven is insulated all around, including the bottom, to keep heat inside where it belongs. Result: your kitchen stays degrees cooler when you are cooking hot meals. See your electric range dealer soon. Cook the cool, clean, flameless way . . . and live better electrically!

U.S. SENATOR
RALPH YARBOROUGH

In the forthcoming state election, six men are candidates for the post of U.S. senator from Texas.

Of the six, only one truly stands out in our estimation. He is the present Senior Senator Ralph Yarborough, a Democrat. It is our belief that Texas would be poorer if Ralph Yarborough should fail to win, either in the primary or in the November general election.

It took a long time for Ralph Yarborough to get where he is today. He lost once in his candidacy for state attorney general, twice in efforts to be elected governor of Texas.

His efforts were not wasted, for in the process of vigorous campaigning he became one of the best informed men in Texas on problems of this state, and its relations with other states.

When Ralph won election to the Senate in 1957 he was able to bring with him to office a great breadth of knowledge. His years in the Senate have seasoned him even more. He is rated now as one of the better men in the US Senate, with a distinguished record based on hard work and an enlightened approach to the problems before him.

Yarborough has been active in the field of conservation and recreation. He authored the bill establishing the Padre Island recreation area and is working for creation of a Guadalupe Mountains national park.

He has pushed legislation for benefit of veterans and their families, has been active in promoting measures for the benefit of agriculture, has worked diligently for solutions to Texas water problems.

Ralph co-sponsored the Peace Corps act, and has been particularly effective in the field of Latin American relations. He is perhaps proudest of his work in the field of education, in which he has authored or co-authored many pieces of legislation promoting education and providing great educational opportunities both in our state and the nation as a whole.

Ralph has a record of which Texas can well be proud. We give him our heartiest endorsement in his campaign for re-election.

Statement of Truth

The letters that have been mailed out over my signature in regard to the Wichita Co. Sheriff have been investigated by the U.S. Postal authorities and no violation of the law was involved. My sole purpose for mailing these letters was to inform the people of Wichita county what was going on in their Sheriff's dept. I was also aware that if anything I said was untrue, I would be liable for a Law Suit For Slander. There were no untrue statements in this letter that was signed by me.

Notice--Just call Jim Lee. We buy anything of value.

I would like to take this occasion to say "Thank You" for having me serve as your Commissioner and for the support you have given me during my tenure in office and during this campaign.

I have attempted to see as many people as I possibly could without neglecting the duties of the office that I now have. A person in office must seek his re-election on the record that he has made for himself. I have been privileged to serve you during the most productive and progressive years in the history of our County.

Our Courthouse is something of which we can all be proud. Our Expressway was the first and only one so far to reach from one city to the other. Our County and State Road System is something which we can all appreciate.

I have worked in co-operation with our City, our Schools, Churches, Civic and Service Groups in an effort to make our Community a better place to live in. . . . But not to the extent of neglecting the individual.

I believe I was elected to serve the people in a pleasant and impartial way. Having no other business or interest, I have given all my time in that direction.

I hope that this type of Local Government is worthy of your consideration, and I humbly solicit your vote on May 2nd. Thank you.
