## Hawks 29 'Cats 15

Last Friday night's game at Childress showed that boys can be men! Faced with a 7 to 15 loss to Childress, Iowa Park's Hawks bowed their backs and took the Bobcats in the last half with a 29-15 score.

Hard-charging Mike Reeves of Childress tore a 221 yard pass on 21 carries to chalk up 13 points for the Bobcats. Added to that was a safety scored in the first quarter.

Iowa Park scored first when Robert Dawson intercepted a pass and ran it 25 yards across the goal line and then kicked the extra point.

Childress got on the scoreboard by trapping Dennis Hill for the safety after he had caught a punt on his own 9.

In the second quarter Iowa Park was put behind for the first time this season when the Bobcats kicked off a 45-yard drive for a touchdown.

In the third period Childress added the final 7 points to its score on a 70-yard march.

From then on it was all Iowa Park. It required five plays to get the tying points with Dawson making the touchdown and Larry Thompson making the 2-point run for conversion.

Childress played a fine defensive game until late in the 4th stanza. Hawks mounted a 64-yard drive which ended across the magic marker and scored the extra point to go ahead 22-15 with 3:52 remaining.

The Hawks recovered the short kick-off and made still another TD with just 1:09 left in the game. Bill Jackson carried the final 4 yards and Dawson added the point after touchdown.

Childress concentrated on the running game and piled up 282 yards to outdistance the Hawks by 20. Childress caught 1 of 3 passes for a 1 yard gain.

Iowa Park completed 5 of 10 passes for 106 yards.

A rough, tough game, both sides made four major errors and the penalties kept the officials busy walking off yardage — 65 against Childress and 80 against Iowa Park.

Roger A. Darnell, storekeeper seaman, son of Mr. and Mrs. H. W. Darnell, 410 E. Ruby, is serving aboard the attack aircraft carrier USS *Saratoga*, operating out of Mayport, Fla. The ship provides a mobile airfield for more than 80 planes that include attack bombers and fighter attack aircraft.

## Thanksgiving Has Long History

Thanksgiving, it seems, has always been such an American custom that we are prone to think it has an American origin.

We take great pride in Governor Bradford's first Thanksgiving proclamation to the colony in Massachusetts just a year after the little band of Pilgrims landed in October 1621.

Their first winter had been hard and bitter. At one time, with the exception of a half dozen, every one of the colony was ill, and by spring over half their number had died.

But the spring and summer had been kind and in the fall they gathered a bountiful harvest. It was then they held their first Thanksgiving—a period of prayer and feasting, Chief Massasoit and other Indian friends joined in and helped the celebration by bringing deer and wild turkey.

The hardest winter was now behind. Remaining settlers had regained strength and they had proper shelter and ample food. Prospects look bright. Their rejoicing and prayers of gratitude made the first Thanksgiving on American soil. Yet Thanksgiving did not originate in America.

During the 11 years the Pilgrims remained in Leyden, Holland, after fleeing England, they observed the day of Thanksgiving celebrated by the Dutch on Oct. 3 in memory of their deliverance from the rule of Spain. This celebration was of great importance to the Dutch, and it was this expression of devout thanks that probably influenced our Pilgrim Fathers in having their first such period of thanks.

They had other traditions for celebrating harvest time, both in their native England, and on Biblical authority.

Thanksgiving is traced back to the Canaanites, from whom the Children of Israel were delivered. "And they went out into the fields and gathered their vineyards, and trod the grapes, and went into the house of their God, and did eat and drink," the Book of Judges tells us.

Greece also had its feast of Demeter, divine patroness of agriculture, which was celebrated in Athens in November. In Rome there was the feast of Ceres.

Undoubtedly what greatly influenced them was the memory of Harvest Home, dating back to the time of Egbert in the ninth century. Days of celebrating in England began with the Hock-Cart, which was the wagon which brought the last load of grain from the fields.

Feasting period featured roast beef, which was replaced here by turkey, which has become the American Thanksgiving bird.

On November 23, 1775, a day of Thanksgiving was proclaimed by the legislature of Massachusetts stating: "... that day to be observed with all the solemnity directed by the Legislative Pro-

## MAYOR'S PROCLAMATION

### Farm - City Week

Whereas the prosperity and well-being of this community are dependent upon co-operation between the two great elements of our society: farmers and urban people, and

Whereas the complexities of their individual problems and the divergence of their activities have led to a widening gulf of misunderstanding, and

Whereas this gulf of misunderstanding must be eliminated, and each group must understand the other if our American way of life is to endure, and

Whereas Farm-City Week provides an unparalleled opportunity for farm and city people to become re-aquainted,

I, therefore, C. L. Metz, mayor of the City of Iowa Park, Texas, do hereby proclaim the period of November 26 to Farm-City Week; and I do further call upon all citizens of this community to participate to the limit of their capability in the joint visits, the seminars, the pageants, fairs, civic, and social events attendant to a successful Farm-City Week in this area.

Done at the City of Iowa Park, Texas, this November 16, 1964.

## Service Set Thursday 9:00

Community Thanksgiving service will be held at 9:00 a.m. next Thursday in Iowa Park Christian church. Rev. Wayne Dunson of the Methodist church will deliver the Thanksgiving message.

Mrs. Jimmie Jeter, organist, and Charles Walker, high school band director, will be in charge of the music. Prelude and postlude music will be provided by the wind section of the band.

Rev. Homer Thompson of First Baptist church will preside and conduct the call to worship. Scripture will be read by Rev. W. M. Huston of Grace Baptist church. Rev. Harold Dykstra of Presbyterian church will offer the Thanksgiving prayer.

Special music will be furnished by Mrs. C. W. Coppock, vocalist. Rev. John Klappenbach will give the offertory prayer. Benediction will be pronounced by Rev. Claude McDonald of the host church.

Singers from all churches are invited to compose the choir.

## Harvest Festival Your C of C

The Reverend Ira Galloway of Walnut Hill Methodist church in Dallas is to be guest preacher next Monday and Tuesday nights at Iowa Park Methodist church during the Harvest Festival. Galloway is pastor of the fastest growing church in the Dallas area and is known for his ability as preacher and pastoral counselor.

The Harvest Festival was first projected into the program of the Iowa Park church last July, and intensive preparation has been made during the intervening months.

Purpose of this spiritual enterprise is to involve the total membership of the church in the four-day activities.

Harvest Festival is the first emphasis in a series of four major programs for the conference year which include the Christmas season, an All-Church revival in January, and Holy Week services at Easter time.

## Wreck Kills Dallas Couple

Double funeral services for Mr. and Mrs. Charlie Peeler were conducted Monday at Central Baptist church in Wichita Falls by Rev. C. T. Aly and Rev. Mack McDonald. Burial was in Crestview Memorial Park.

Mr. and Mrs. Peeler were killed at 5:30 Saturday afternoon in an accident five miles west of Grapevine. They were enroute to Wichita Falls to visit relatives when the small car in which they were riding was struck by a truck.

Mr. and Mrs. Peeler moved to Dallas from Wichita Falls about a year ago. They were former residents here. He was a mechanic.

Surviving Mr. Peeler are his mother Mrs. T. L. Peeler of Henrietta Road; four brothers: Lawrence of Iowa Park, Billy, Loyd and Waid of Wichita Falls; four sisters: Mrs. Bessie Light and Mrs. Inez McKinney, both of Wichita Falls, Mrs. Gerald Green and Mrs. Bob Davis, both of Olney.

Surviving Mrs. Peeler are her mother Mrs. Gay Walker of Wichita Falls and a son Donald Bomar of Bedford.

## Toy Bowl Tax Office

Iowa Park Hawks of American Conference are champions again and will play in the Toy Bowl at 2:30 Saturday. Opponents will be Wichita Falls Colts, champs of National Conference in the Boys Club League.

The game will be played in Coyote Stadium. Admission is a new toy or used one in good repair.

Hawks are coached by Dan Barnes and Harley Shaw. Players are Jimmy Lee, Dale Beall, Richard Cork, Dick McBay, Roy Adams, Lee Dawson, Steve Spruiell, Rusty Spruiell, Jeff Ayres, Steve Watson, Steve Catlin, Danny Cope, Mike Duerson, Jimmy Brown, Jackie Stubbs, Pat Coulter.

Last Saturday on Bobby Gilbreath Field the Little Hawks took a 40-14 lacing from a team of All Stars from Oklahoma City. It was a good game and the visitors had some real fine players.

Coaches Barnes and Shaw hope that game will convince their boys they need to work hard in preparation for the Toy Bowl, which concludes the season.

## SCHOOL MENUS

Monday: Ham and sweet potatoes, green beans, dill pickles, ice cream.

Tuesday: Turkey and dressing, buttered peas, cranberry sauce, pumpkin pie.

Wednesday: Barbecue on bun, navy beans, sweet relish, sliced tomatoes, cherry collier.

Elmo Traylor entered Wichita General hospital Tuesday morning.

## Garden Club

Mrs. I. W. Corder presented the program for a meeting of Iowa Park Garden club Friday morning at the home of Mrs. A. K. Settle with Mrs. R. G. Warner as co-hostess.

Mrs. Corder discussed Preparation and Use of Dried Materials of Native Origin. She introduced the topic by stating the art of preserving flowers is not new, since it was practiced in India in the 14th century.

"Preserving flowers is challenging and requires absolute patience," she said. Methods of preserving flowers mentioned were: Hang and dry, the easiest and quickest method for weeds, grasses and flowers of the straw family; borax and meal or sand method; silica gel method; and glycerin method.

Mrs. Corder said each method involves the slow drying of freshly cut flowers. She attributed untimely cutting to failure in drying, observing that flowers should be cut at the height of their beauty.

Mrs. Arch Hughes and Mrs. R. E. Van Horn displayed Thanksgiving arrangements, their own creations.

Mrs. Herman Rains conducted the period devoted to business. It was voted to sponsor the Christmas Lighting Contest again this year. Purpose is to encourage folk to beautify and make their homes and lawns take on a Christmasy atmosphere. Rules will be published later, and everyone in town is invited to enter.

It was also voted to sponsor the annual Spring Flower Show. Mrs. Sam Hunter, chairman, announced committees:

Schedule: Mrs. O. N. Newman, Mrs. Wilburn Bedford; art design and staging, Mrs. Clyde Hutchinson, Mrs. W. L. Yost; entries, Mrs. Warner; classification, Mrs. E. F. Soell, Mrs. Wilburn Bedford; artistic arrangements, Mrs. Richard Carver, Mrs. Bart Grant; horticulture, Mrs. L. C. Hill; chairman of clerks, Mrs. Corder; promotion and tickets, Mrs. Arch Hughes; publicity, Mrs. Kenneth Garrett; awards, Mrs. Grant; photography, Mrs. O. R. Moore; special projects, Mrs. Soell; chair-

men of judges, Mrs. Rains, Mrs. Van Horn; hospitality, Mrs. Settle, Miss Hazel Crites.

Invitation was read from Electra Garden club to attend Christmas Ideas Show on Nov. 21.

Workshop will be held Monday, Nov. 30, to complete decorations for the Chamber of Commerce banquet Dec. 1.

Next regular meeting will be Dec. 11 at the home of Mrs. Bedford with Mrs. Newman as co-hostess. Mrs. F. M. Wilson will furnish the program on Christmas corsages.

Annual 4-H Achievement Banquet was served Monday evening at Midwestern university. Guest speaker was Wayne C. Smith, public relations and sales director of Service Printing company.

Awards were presented by Sandra Herrell, assistant home demonstration agent, and Robert Wurzbach, assistant county agent. Winners from Iowa Park include David Johnson and Cecelia Childers, achievement; James Foster and Ginger Foster, conservation of natural resources; Roy Childers jr., Gerald Franks, Billy Coleman, Becky Coleman, electricity; James Cantrell, leadership; Jay Allen Cantrell and Tommy Cantrell, tractor; Judy Golden, Jan Golden, Scott Lavender, Lana and Jerry Blakeney, horse; Donna Childers, foods and nutrition; Peggy Taylor, citizenship.

District Award winners included: Roy Childers jr., electricity; David Johnson, agriculture; Donna Childers, favorite foods; Mrs. Rex Lehman, alumni recognition. Roy Childers jr. and Diane Bentley of Burk Burnett were the 4-H Gold Star award winners. It is the highest honor a 4-H member can obtain on the county competition level.

Roy has carried projects in the field of electricity, beef cattle and poultry. In his electrical demonstrations he has won several district and state honors.

The Gold Star awards were presented by J. C. Porter of Wichita Falls.

## Library Workers

Nov. 9-14 Monday, Mrs. Johnnie Cole Tuesday, Mrs. Bert Caddell Wednesday, Mrs. Grover Cleveland Thursday, Mrs. May Turner Friday, Mrs. Bert Caddell Saturday, L. C. Perry

Facilities of the library were used one day by Mrs. Adams, who showed her kindergarten pupils how to use and enjoy books.

Guests of Mr. and Mrs. H. Pierce Sunday were his parents Mr. and Mrs. Ralph Humble of Farwell and their children Mr. and Mrs. Randall Pierce, Lance and Richie of Carrollton and Mr. and Mrs. Tommy Pierce and family. Tommy is employed in Ft. Worth and spent the weekend here with his family. The Randall Pierces also visited her parents Mr. and Mrs. Roy B. Smith.

## Yard Manners

Even the friendliest of neighbors will be resentful and angry if the dog next door wanders unchecked all over their lawn, soils their yard, and tears up their lawn or flowers.

A dog isn't born with yard manners and probably has no idea the neighbors will object to his activities. Or if he knows from painful experience that they do, he doesn't understand why. The solution is up to you. Teach your dog to use only a certain portion of your own yard — behind or beside the garage, or out behind the shrubbery. You can do this by placing some of his droppings there, then taking him to that spot when you know it is necessary. When he relieves himself there, praise him.

Meanwhile, spray any other yard spot he has used previously with a good commercial deodorant. The smell will keep your dog away from those areas, and he will start using the area you have chosen for him.

Noon Lions were reminded this week it's not necessary to send out for programs. The club membership is talented enough to bring interesting, informative and inspirational programs.

Lion Homer Thompson proved this to the satisfaction of all who attended. His talk on the "Half-way House" was both informative and inspiring.

He pointed out that many of us start the hard climb to our objective, but stop halfway to rest and never climb another step.

Iowa Park Band Boosters met Monday night at the band hall with 32 present. President Luther Skinner called the meeting to order and the opening prayer was given by Harold Dykstra.

Proposal to amend the by-laws to extend membership to all persons interested in the band was adopted.

Beginning next September, the club will have dues of 50c a year and anyone desiring to become a Band Booster may do so.

Decals are now available to anyone desiring them. Proceeds from

these decal sales will be used to help pay expense of two chartered busses for the trip to Borger this Friday.

Hawk band will leave at 12:30 for Borger, where members will have things up during the game with Phillips.

Director Charles Walker reported on the band's recent rating of first in regional marching. This superior rating is the result of much hard work and many hours of practice over a period of years. Sound and color films were made of this performance and will be shown, possibly at the next meeting.

### WMS

Mrs. Carroll Duke was hostess for a meeting of Night WMS at First Baptist church Tuesday.

Mrs. V. I. Woodfin and Mrs. Homer Blalock presented the missions study from Frontiers of Advance. Their discussions stressed the complex social, political and economic and religious revolution the world is experiencing.

Others present were Miss Ela Simmons and Mmes. Emma Phillips, J. A. Berg, Omega Harris, Taylor George, Henry Jones, C. A. Hicks, Jessie Norton.

Ruby Wheat GA's of Faith Baptist church met Monday afternoon. Laura Catron led the program with Ginger Smith, Missy Gilliam and Judy Cowart taking part.

Others present were Nancy Hays, assistant leader; Mrs. Jerry Lane, leader; Rhonda Crabtree, Karen Brown, Beverly Boren, Redonda Stevenson, Linda Williams, Jill Moore.

### Gospel Singalong

Rev. Bill Williams of the Iowa Park Church of God announces a Gospel Sing-Along will be held at the church this Saturday night. Singing starts at 7:30 and everybody is invited.

Featured will be the Good family of Lawton, Okla., the Wood family of Holliday, the Battle family of Iowa Park, and the Revivalaires Quartet.

Dr. and Mrs. Donald O. Bedsole, 207 Karen, have returned from a week's vacation trip to points in South Texas and Mexico.

Mrs. Mary Boucher, 109 Rita Lane is visiting this week in Ennis with her sister Mrs. C. A. Nowlin.

Guests last Friday in the home of Mr. and Mrs. G. C. Blackerby, Route 2, were Rev. Mr. and Mrs. Woodrow Blackerby and Mrs. Cecil Clouch of Keller.

Mrs. Mary Lou Eastman and children Michael 4 and Teresa 7 moved to Iowa Park last week from Austin. She is a sister of Mrs. Emma Hogg and will be associated with her in operating Emma's Beauty Shop at 1310 N. Fourth. She attends First Baptist church.

### FFA

Three teams from Iowa Park FFA chapter won honors in the district contests at Henrietta last Saturday.

Senior Farm Skill team composed of Jimmy Farr, Danny McCarthy, Jerry Hallum won first place in competition with 17 other schools.

Second place was won by the Junior Farm Skill team: Jimmy Via, Phil McClendon, Tommy McKinnon.

Junior Chapter Conducting team brought home a fourth place banner.

The boys were accompanied by their adviser Harold Cowley. He will take the Farm Skill teams to Area contest.

Mrs. D. O. James, high school service chairman of Texas Congress of Parents and Teachers; Mrs. Clint McBay, president of Bradford PTA; Mrs. Ray Watson, delegate of Iowa Park PTA and vice-president of Bi-County Council; and Mrs. Bill Guthrie, president of Kidwell PTA—attended Texas Congress of Parents and Teachers convention held Nov. 11-13 in Dallas.

Supt. Keith Swim and Prin. John Sibley attended the men's breakfast Friday.

Mr. and Mrs. Jack Spain and Jackie of Ft. Worth spent last weekend with Mr. and Mrs. O. R. Ackerman and Tommy, 204 Karen.

Mr. and Mrs. Herbert Hensley and Mr. and Mrs. Henry Brown spent last weekend in Amarillo with Mr. and Mrs. S. B. Geisert and family.

## Project Agriculture . . . ZIP Coded Mailings Move With Frost Line

### Farmers and Gardeners Benefit From New Service

The old saw that "Everyone talks about the weather, but nobody does anything about it," no longer applies to the Post Office Department.

#### It's ZIP Coding the Frost Line!

In doing something about the weather, the Department is offering a boon to farmers, nurserymen, truckers and businessmen whose margin of profit depends, to a great degree, on beating Jack Frost to the market.

Dubbed PROJECT A—for Agriculture—the new program consists of speeding delivery of mail order seeds, plants, and food products by ZIP Coding parcels according to the movement of the Frost Line.

Here's how Project A works: A farm or a nursery ships its perishable products—flowers, shruberies, trees, vegetables, seeds, etc.—by parcel post, ZIP Coded according to the frost lines announced annually by the Weather Bureau.

In filling orders from customers, the mailer breaks down these weather zones into ZIP Code sectional centers, to which delivery is made directly from his local post office.

The result? Plants are received days earlier.

Does it work? The Jackson and Perkins Nurseries, of Newark, N.J.—the world's largest nursery and the largest rose growers in the United States—are sold on the program.

They have found—in shipping nearly a million parcels of perishable plants—that an estimated three handlings are eliminated between the point of mailing and the point of receipt, when the parcels are ZIP Coded according to the Frost Line.

And the Jackson and Perkins parcels were received "in almost record time and in excellent condition."

#### Study Group

Developed by a Parcel Post Study group established by Postmaster General John A. Gronouski to revitalize parcel post services, Project A will also provide special Post Office Department labels, free of charge, which identify ZIP Coded parcels as agricultural or botanical products, subject to spoilage or damage.

#### Pool Cases

The Parcel Post Study Group has also devised a new program for extensive use of "pool cases"—large cardboard boxes in which smaller parcels destined for the same sectional center are pooled for mailing—to further reduce parcel post damage.

#### Scheduled Parcel Post

At Lansing, Mich., Mr. Fredrick Beien, Deputy Postmaster General, recently supervised the start of a new program for shipment of automotive parts using ZIP Code and pool cases.

In many areas of the country parcel post shipments are being scheduled so that mailers can be told when they can expect their packages to be delivered. In many instances next day delivery is being accomplished.

#### Christmas Stamps

More than 2 billion special Christmas stamps will be sold this year. Each sheet of 100 stamps will contain 25 each of four designs.

The nation's first self-service, round-the-clock post office was opened in suburban Washington, D.C. in late October, 1964. One of many innovations resulting from President Johnson's directive for the best possible mail service at lowest cost, this experimental unit offers stamps, post cards, and stamped envelopes at cost, plus limited parcel post services. The unit is located in a large shopping center.

## Postmaster General Only Ph. D. Ever In Cabinet

Postmaster General John Austin Gronouski, took office September 30, 1963. He is the only known member of a President's cabinet ever to hold an earned Ph. D.

The Nation's top postal executive has gained a reputation as a skilled administrator, educator, and economist. In conducting the farflung operations of the Post Office Department, he runs, in Navy parlance, a tight ship.

The postal budget he submitted to Congress in January of 1964 for fiscal 1965 was \$150 million under the estimate made 4 months earlier. This reduction was achieved without eliminating essential services, and within the framework of safeguarding the livelihood of career employees.

As major projects of his postal administration, Mr. Gronouski has taken action to speed up parcel post deliveries and to cut down delay and damage to the mails.

Under his leadership, strides have been made in implementing President Johnson's program barring discrimination and assuring equal job opportunities for the Department's 590,000 employees.

The productivity of clerical help was boosted 4.3 percent in fiscal 1964 over 1960, producing savings of \$69 million over that period.

The Postmaster General's human touch was characterized in a news story in the Schenectady (New York) Gazette during a visit to that city in May of 1964. The story described him as "the warmest man since Wallace Beery."

#### Wisconsin Born

Mr. Gronouski was born October 26, 1919, in Dunbar, Wis. He holds three degrees from the University of Wisconsin in the field of econom-

ics, with a major in public finance. He was awarded his Bachelor's Degree in 1942; his Master's Degree in 1947 and his Doctorate in 1955.

He entered the Army Air Corps in April of 1942 as a private and later served as a navigator with the rank of First Lieutenant. After 24 combat missions in the European Theater of Operations, he was discharged in October of 1945.

Mr. Gronouski taught public finance, money and banking and related subjects at the University of Maine at Orono, Maine, and at Wayne State University, Detroit, Mich., and statistics at Roosevelt College, Chicago, Ill.

In February 1959 he became research Director for the Wisconsin Department of Taxation and in the following year was appointed State Commissioner of Taxation by then Governor Gaylord Nelson.

He is a Catholic and is the first American of Polish descent in history to achieve Cabinet ranking.

## Garden Club

Mrs. I. W. Corder presented the program for a meeting of Iowa Park Garden club Friday morning at the home of Mrs. A. K. Settle with Mrs. R. G. Warner as co-hostess.

Mrs. Corder discussed Preparation and Use of Dried Materials of Native Origin. She introduced the topic by stating the art of preserving flowers is not new, since it was practiced in India in the 14th century.

"Preserving flowers is challenging and requires absolute patience," she said. Methods of preserving flowers mentioned were: Hang and dry, the easiest and quickest method for weeds, grasses and flowers of the straw family; borax and meal or sand method; silica gel method; and glycerin method.

Mrs. Corder said each method involves the slow drying of freshly cut flowers. She attributed untimely cutting to failure in drying, observing that flowers should be cut at the height of their beauty.

Mrs. Arch Hughes and Mrs. R. E. Van Horn displayed Thanksgiving arrangements, their own creations.

Mrs. Herman Rains conducted the period devoted to business. It was voted to sponsor the Christmas Lighting Contests again this year. Purpose is to encourage folk to beautify and make their homes and lawns take on a Christmas atmosphere. Rules will be published later, and everyone in town is invited to enter.

It was also voted to sponsor the annual Spring Flower Show. Mrs. Sam Hunter, chairman, announced committees:

Schedule: Mrs. O. N. Newman, Mrs. Wilburn Bedford; art design and staging, Mrs. Clyde Hutchinson, Mrs. W. L. Yost; entries, Mrs. Warner; classification, Mrs. E. F. Soell, Mrs. Wilburn Bedford; artistic arrangements, Mrs. Richard Carver, Mrs. Bart Grant; horticulture, Mrs. L. C. Hill; chairman of clerks, Mrs. Corder; promotion and tickets, Mrs. Arch Hughes; publicity, Mrs. Kenneth Garrett; awards, Mrs. Grant; photography, Mrs. O. R. Moore; special projects, Mrs. Soell; chair-

men of judges, Mrs. Rains, Mrs. Van Horn; hospitality, Mrs. Settle, Miss Hazel Crites.

Invitation was read from Electric Garden club to attend Christmas Ideas Show on Nov. 21.

Workshop will be held Monday, Nov. 30, to complete decorations for the Chamber of Commerce banquet Dec. 1.

Next regular meeting will be Dec. 11 at the home of Mrs. Bedford with Mrs. Newman as co-hostess, Mrs. F. M. Wilson will furnish the program on Christmas corsages.

Annual 4-H Achievement Banquet was served Monday evening at Midwestern university. Guest speaker was Wayne C. Smith, public relations and sales director of Service Printing company.

Awards were presented by Sandra Herrell, assistant home demonstrator agent, and Robert Wurzbach, assistant county agent.

Winners from Iowa Park include David Johnson and Cecelia Childers, achievement; James Foster and Ginger Foster, conservation of natural resources; Roy Childers jr., Gerald Franks, Billy Coleman, Becky Coleman, electricity; James Cantrell, leadership; Jay Allen Cantrell and Tommy Cantrell, tractor; Judy Golden, Jan Golden, Scota Lavenier, Lana and Jerry Blakeney, horse; Donna Childers, foods and nutrition; Peggy Taylor, citizenship.

District Award winners included:

ed: Roy Childers jr., electricity; David Johnson, agriculture; Donna Childers, favorite foods; Rex Lehman, alumni recognition.

Roy Childers jr. and Diane Bentley of Burkburnett were the 4-H Gold Star award winners. It is the highest honor a 4-H member can obtain on the county competition level.

Roy has carried projects in the field of electricity, beef cattle and poultry. In his electrical demonstrations he has won several district and state honors.

The Gold Star awards were presented by J. C. Porter of Wichita Falls.

Tommy is employed in Ft. Worth and spent the weekend here with his family. The Randall Pierses also visited her, parents Mr. and Mrs. Roy B. Smith.

## Yard Manners

Even the friendliest of neighbors will be resentful and angry if the dog next door wanders unchecked all over their lawn, soils their yard, and tears up their lawn or flowers.

A dog isn't born with yard manners and probably has no idea the neighbors will object to his activities. Or if he knows from painful experience that they do, he doesn't understand why. The solution is up to you.

Teach your dog to use only a certain portion of your own yard—behind or beside the garage, or out behind the shrubbery. You can do this by placing some of his droppings there, then taking him to that spot when you know it is necessary. When he relieves himself there, praise him.

Meanwhile, spray any other yard spot he has used previously with a good commercial deodorant. The smell will keep your dog away from those areas, and he will start using the area you have chosen for him.

Noon Lions were reminded this week it's not necessary to send out for programs. The club membership is talented enough to bring interesting, informative and inspirational programs.

Lion Homer Thompson proved to the satisfaction of all who attended. His talk on the "Halfway House" was both informative and inspiring.

He pointed out that many of us start the hard climb to our objective, but stop halfway to rest and never climb another step.

Iowa Park Band Boosters met Monday night at the band hall with 32 present. President Luther Skinner called the meeting to order and the opening prayer was given by Harold Dykstra.

Proposal to amend the by-laws to extend membership to all persons interested in the band was adopted.

Beginning next September, the club will have dues of 50c a year and anyone desiring to become a Band Booster may do so.

Decals are now available to anyone desiring them. Proceeds from

these decal sales will be used to help pay expense of two chartered buses for the trip to Borger this Friday.

Hawk band will leave at 12:30 for Borger, where members will live things up during the game with Phillips.

Director Charles Walker reported on the band's recent rating of first in regional marching. This superior rating is the result of much hard work and many hours of practice over a period of years. Sound and color films were made of this performance and will be shown, possibly at the next meeting.

### WMS

Mrs. Carroll Duke was hostess for a meeting of Night WMS at First Baptist church Tuesday.

Mrs. V. I. Woodfin and Mrs. Homer Blalock presented the missions study from Frontiers of Advance. Their discussions stressed the complex social, political and economic and religious revolution the world is experiencing.

Others present were Miss Ela Simmons and Mmes. Emma Phillips, J. A. Berg, Omega Harris, Taylor George, Henry Jones, C. A. Hicks, Jessie Norton.

Ruby Wheat GA's of Faith Baptist church met Monday afternoon. Laura Catron led the program with Ginger Smith, Missy Gilliam and Judy Cowart taking part.

Others present were Nancy Hays, assistant leader; Mrs. Jerry Lane, leader; Rhonda Crabtree, Karen Brown, Beverly Boren, Redonda Stevenson, Linda Williams, Jill Moore.

### Gospel Singalong

Rev. Bill Williams of the Iowa Park Church of God announces a Gospel Sing-Along will be held at the church this Saturday night. Singing starts at 7:30 and everybody is invited.

Featured will be the Good Family of Lawton, Okla., the Wood family of Holliday, the Battle family of Iowa Park, and the Revivalaires Quartet.

Dr. and Mrs. Donald O. Bedsole, 207 Karen, have returned from a week's vacation trip to points in South Texas and Mexico.

Mrs. Mary Boucher, 109 Rita Lane is visiting this week in Ennis with her sister Mrs. C. A. Nowlin.

Guests last Friday in the home of Mr. and Mrs. G. C. Blackerby, Route 2, were Rev. Mr. and Mrs. Woodrow Blackerby and Mrs. Cecil Clouch of Keller.

Mrs. Mary Lou Eastman and children Michael 4 and Teresa 7 moved to Iowa Park last week from Austin. She is a sister of Mrs. Emma Hogg and will be associated with her in operating Emma's Beauty Shop at 1310 N. Fourth. She attends First Baptist church.

### FFA

Three teams from Iowa Park FFA chapter won honors in the district contests at Henrietta last Saturday.

Senior Farm Skill team composed of Jimmy Farr, Danny McCarthy, Jerry Hallum won first place in competition with 17 other schools.

Second place was won by the Junior Farm Skill team: Jimmy Via, Phil McClendon, Tommy McKinnon.

Junior Chapter Conducting team brought home a fourth place banner.

The boys were accompanied by their adviser Harold Gowley. He will take the Farm Skill teams to Area contest.

Mrs. D. O. James, high school service chairman of Texas Congress of Parents and Teachers; Mrs. Clint McBay, president of Bradford PTA; Mrs. Ray Watson, delegate of Iowa Park PTA and vice-president of Bi-County Council; and Mrs. Bill Guthrie, president of Kidwell PTA—attended Texas Congress of Parents and Teachers convention held Nov. 11-13 in Dallas.

Supt. Keith Swim and Prin. John Sibley attended the men's breakfast Friday.

Mr. and Mrs. Jack Spain and Jackie of Ft. Worth spent last weekend with Mr. and Mrs. O. R. Ackerman and Tommy, 204 Karen.

Mr. and Mrs. Herbert Hensley and Mr. and Mrs. Henry Brown spent last weekend in Amarillo with Mr. and Mrs. S. B. Geisert and family.

## Project Agriculture . . . ZIP Coded Mailings Move With Frost Line

### Farmers and Gardeners Benefit From New Service

The old saw that "Everyone talks about the weather, but nobody does anything about it," no longer applies to the Post Office Department.

It's ZIP Coding the Frost Line! In doing something about the weather, the Department is offering a boon to farmers, nurserymen, truckers and businessmen whose margin of profit depends, to a great degree, on beating Jack Frost to the market.

Dubbed PROJECT A—for Agriculture—the new program consists of speeding delivery of mail order seeds, plants, and food products by ZIP Coding parcels according to the movement of the Frost Line.

Here's how Project A works: A farm or nursery ships its perishable products—flowers, shruberies, trees, vegetables, seeds, etc.—by parcel post, ZIP Coded according to the frost lines announced annually by the Weather Bureau.

In filling orders from customers, the mailer breaks down these weather zones into ZIP Code sectional centers, to which delivery is made directly from his local post office.

The result? Plants are received days earlier.

Does it work? The Jackson and Perkins Nurseries, of Newark, N.J.—the world's largest nursery and the largest rose growers in the United States—are sold on the program.

They have found—in shipping nearly a million parcels of perishable plants—that an estimated three handlings are eliminated between the point of mailing and the point of receipt, when the parcels are ZIP Coded according to the Frost Line.

And the Jackson and Perkins parcels were received "in almost record time and in excellent condition."

**Study Group**  
Developed by a Parcel Post Study group established by Postmaster General John A. Gronouski to revitalize parcel post services, Project A will also provide special Post Office Department labels, free of charge, which identify ZIP Coded parcels as agricultural or botanical products, subject to spoilage or damage.

**Pool Cases**  
The Parcel Post Study Group has also devised a new program for extensive use of "pool cases"—large cardboard boxes in which smaller parcels destined for the same sectional center are pooled for mailing—to further reduce parcel post damage.

Upon its arrival, the pool case would be immediately opened, and the contents delivered quickly to the addresses in nearby communities. This method saves time enroute, by reducing the number of necessary post office handlings, and greatly reduces the likelihood of damage—which traditionally has increased with each handling.

President Johnson has called for the best possible postal service at the lowest possible cost. Project Agriculture and pool casing are just two new programs recently initiated by the Post Office Department.

### Scheduled Parcel Post

At Lansing, Mich., Mr. Frederick Belen, Deputy Postmaster General, recently supervised the start of a new program for shipment of automotive parts using ZIP Code and pool cases. In many areas of the country parcel post shipments are being scheduled so that mailers can be told when they can expect their packages to be delivered. In many instances next day delivery is being accomplished.

On Sept. 9 at Annapolis, Md., Mr. Gronouski announced an experiment for "scheduled" delivery over about 16,000 square miles in the mid-Atlantic area for parcel post, providing guaranteed delivery within specified times between 656 post offices. This is the first of many such programs being developed.

### Christmas Stamps

More than 2 billion special Christmas stamps will be sold this year. Each sheet of 100 stamps will contain 25 each of four designs.

The nation's first self-service, round-the-clock post office was opened in suburban Washington, D.C. in late October, 1964. One of many innovations resulting from President Johnson's directive for the best possible mail service at lowest cost, this experimental unit offers stamps, post cards, and stamped envelopes at cost, plus limited parcel post services. The unit is located in a large shopping center.

## Postmaster General Only Ph. D. Ever In Cabinet

Postmaster General John Austin Gronouski, took office September 30, 1963. He is the only known member of a President's cabinet ever to hold an earned Ph. D.

The Nation's top postal executive has gained a reputation as a skilled administrator, educator, and economist. In conducting the farflung operations of the Post Office Department, he runs, in Navy parlance, a tight ship.

The postal budget he submitted to Congress in January of 1964 for fiscal 1965 was \$150 million under the estimate made 4 months earlier. This reduction was achieved without eliminating essential services, and within the framework of safeguarding the livelihood of career employees.

As major projects of his postal administration, Mr. Gronouski has taken action to speed up parcel post deliveries and to cut down delay and damage to the mails.

Under his leadership, strides have been made in implementing President Johnson's program barring discrimination and assuring equal job opportunities for the Department's 590,000 employees.

The productivity of clerical help was boosted 4.3 percent in fiscal 1964 over 1960, producing savings of \$69 million over that period.

The Postmaster General's human touch was characterized in a news story in the Schenectady (New York) Gazette during a visit to that city in May of 1964. The story described him as "the warmest man since Wallace Beery."

### Wisconsin Born

Mr. Gronouski was born October 26, 1919, in Dunbar, Wis. He holds three degrees from the University of Wisconsin in the field of econom-

ics, with a major in public finance. He was awarded his Bachelor's Degree in 1942; his Master's Degree in 1947 and his Doctorate in 1955.

He entered the Army Air Corps in April of 1942 as a private and later served as a navigator with the rank of First Lieutenant.

After 24 combat missions in the European Theater of Operations, he was discharged in October of 1945.

### Educator

Mr. Gronouski taught public finance, money and banking and related subjects at the University of Maine at Orono, Maine, and at Wayne State University, Detroit, Mich., and statistics at Roosevelt College, Chicago, Ill.

### Taxation Commissioner

In February 1959 he became research Director for the Wisconsin Department of Taxation and in the following year was appointed State Commissioner of Taxation by then Governor Gaylord Nelson.

He is a Catholic and is the first American of Polish descent in history to achieve Cabinet ranking.

Mrs. Kate Cochran, 410 East Jefferson, is a new resident.

F. W. Belscamper jr. of Dallas visited his mother Sunday.

Mrs. Guy Rahn of Vernon visited Monday with her mother Mrs. L. M. Jordy.

Mrs. Jo Nell McKay, head of occupational therapy at Park Manor has supplied a list of items which can be used in the department. Residents are making lovely articles and Mrs. McKay is pleased with the physical improvement of some since the project started.

Decorative buttons, scissors, thread, burlap, tuna fish cans or pineapple cans, materials for aprons, glass bottle for decoration, plastic bottles, large shell macaroni, glue, spray paint any color, plastic bags, old Christmas cards, old jewelry, felt, net, old plastic flowers, crepe paper for flowers, patterns, old picture frames, styrofoam, sewing machine.

**School News**

Students are taking six weeks examinations this week.

School will be dismissed at 2:30 next Wednesday for Thanksgiving recess. Classes will resume on Monday, Nov. 30.

Girls A and B basketball teams will play Archer City here Thursday. First game will start at 6:30.

Bill Mills, an ex-outlaw, was speaker for a high school assembly at 11:15 Tuesday morning. He spent 25 years behind prison walls after being convicted on 32 different indictments in Texas and Oklahoma.

Mills told of seeing Clyde Barrow kill his first man. He did not glamorize crime, but condemned it.

The appearance of Mills before students is designed to show young people it is not smart to do wrong. He told of his conversion while in prison, and of the changed course of his life.
