Air Force Family Moves Here After Four Years in England

by Mrs. Homer Blalock

Airman 1-c and Mrs. Robert Dean and children—Robert Jr., 7, Jane Ann 5, Carol Ann 3, and Richard 1—of 115 Westview, returned July 1 to America after four years in England. He is stationed at Sheppard AFB.

In England, Dean was stationed at RAF Woodbridge, Suffolk, and the family lived in Aldeburgh on the North Sea. They lived in a 10-room, 2-story brick house with a beautiful and spacious lawn. The house was heated with a kerosene stove; and gas geysers in kitchen and bathroom furnished hot water.

Stores and shops in Aldeburgh provide delivery service. The butcher delivers the meat; the baker delivers bread; the grocer delivers other foodstuff. Mrs. Dean said that people rarely lock their doors because to do so might inconvenience those who deliver the different commodities.

Aldeburgh is a farming and fishing community. It is known for lobsters, shrimp and codfish. The town is perhaps better known as the home of Benjamin Britton, famous composer of music, operas and plays. Each year a music festival is held in honor of Britton. While the Deans lived there,

the 50th year of his composing was celebrated. The family had the privilege of seeing Prince Philip when he attended the celebration. A building of unusual interest to Americans in Aldeburgh is the Moot Hall, where the town crier rings a bell once each week and tells the current news.

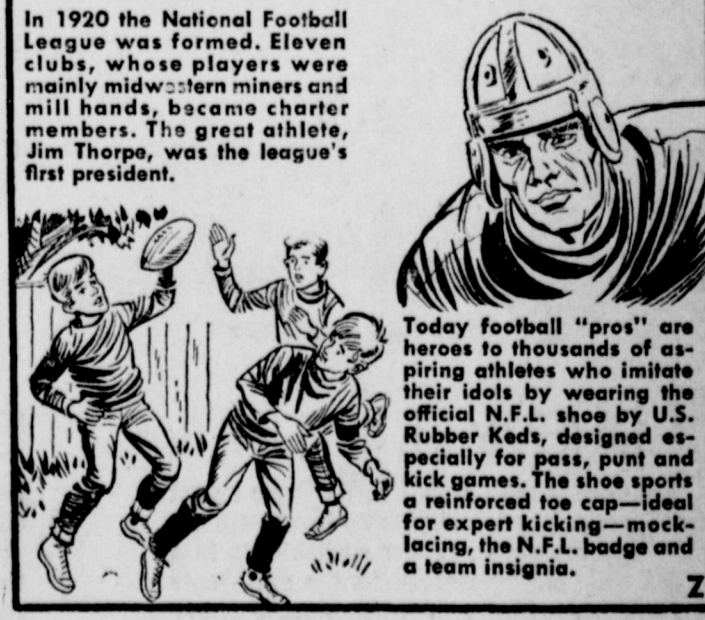

Mrs. Dean stated that the Pirate Ships are adding spice and excitement to life in many places on the coast of England. They anchor three miles from land and play American music, give the weather forecast and commercials. Programs differ greatly from those on England's radio stations and are received with conflicting emotions, ranging from a desire to outlaw them, to a conviction that they are generating happiness and dispelling drabness.

Mrs. Dean, the former Flora Curran of Erie, Penna., and her husband, native of Oakland, Calif., both attended high school in Inglewood, Calif. They were married Feb. 3, 1957.

Robert has been in the air force nine years. In addition to four years in England, he had 18 months duty in Germany. They attend Christian church.

The first professional football game was played at Latrobe, Penn., in 1895 when the Latrobe Young Men's Christian Assn. defeated the Jeannette (Pa.) Athletic Club 12-0. Quarterbacks were then paid \$10 plus expenses per game.

In 1920 the National Football League was formed. Eleven clubs, whose players were mainly midwestern miners and mill hands, became charter members. The great athlete, Jim Thorpe, was the league's first president.

Today football "pros" are heroes to thousands of aspiring athletes who imitate their idols by wearing the official N.F.L. shoe by U.S. Rubber Keds, designed especially for pass, punt and kick games. The shoe sports a reinforced toe cap—ideal for expert kicking—mock-lacing, the N.F.L. badge and a team insignia.

Supt. Faris Nowell and Dean Miller attended the counselling and guidance conference sponsored by Texas Education Agency Thursday afternoon at Midwestern university.

White working lady needs 7:00 a.m. ride to Wichita Falls. Also needs baby sitter. 600 N. Wall. Phone 592-4791. 32-2p

Mrs. Ethard Glover went to Graham last Friday to attend the funeral of her uncle John Averett who died Thursday in Wichita Falls.

Mr. and Mrs. Reid Moberly of St. Petersburg, Fla., visited here recently with Mr. and Mrs. Sam Ferguson and Mr. and Mrs. E. B. Taylor.

Jobs Needed

Local school guidance office has provided placement service for students and prospective employers, according to Dean Miller, guidance counselor.

At present there are five boys aged 15 to 18 who need part time work to remain in school. They are willing to do yard, farm, filling station, grocery store work and any other type available, after school and on weekends.

Miller considers each boy sincere and deserving and requests any persons who can offer part time employment to these boys to contact his office, 592-4193.

The fact that these boys aspire to finish high school and even go on to college and are willing to work should inspire anyone who can offer them part time employment to do so.

Our school and community are fortunate to have a man like Miller to be guidance counselor. He is interested in young people and is giving himself unreservedly to their problems and needs, and he being their true friend and in helping them in any way he can.

Hawks 8 Burk 6

Iowa Park marched up and down the field last Friday night and found frustration in the Burk Bulldog defense each time except one.

After working their way deep into Burk territory, the Hawks lost the ball on downs. The Bulldogs then ran their only three offensive plays in the first quarter, and kicked.

Again the Hawks put on a strong drive and Greg Webb hit paydirt from 12 yards out on a burst through right tackle. On the conversion attempt Burk was penalized, so Webb blasted over for a 2-point conversion.

Iowa Park then kicked off and Burk's Bill Roe caught the Hawks napping, running 80 yards for a touchdown. Donald Rauschberger intercepted the pass attempt to hold the Bulldogs to 6 points.

The last three quarters found Iowa Park piling up yardage and first downs, but no scores. Three times the Hawks were deep in Bulldog land only to have fumbles, penalties and interceptions thwart their scoring chances.

The Hawks rest this week before opening Conference action on Oct. 15 against Childress on Gilbreath Field.

Uncommonly good cooks use modern gas and the Burner-with-a-Brain

The automatic Burner-with-a Brain holds temperatures exactly as you set them. Every pot and pan becomes an automatic appliance. Foods won't burn. Other unique advantages of a gas range: Cook 'n' Keep Oven — which cooks perfectly then holds foods serving-hot for hours without over-cooking; automatic roast thermometer; self-basting rotisserie; temperature-controlled griddle. And with touch-conscious gas you are in control always. (There are a 1001 different settings on a gas range.) Uncommonly good suggestion: see the modern gas ranges now on sale at your favorite Gas Appliance Dealers — or Lone Star Gas Super Chef Gas Range Sale
