**VACATION BOUND? DRAINOUT NOW!**

Making plans for that summer vacation? You probably have made reservations and most of your paraphernalia is set, but chances are a major item has been overlooked—your car's cooling system.

Each summer millions of Americans take to the road with visions of a pleasant trip. Only too often, however, these dreams turn to unpleasant delays or repair bills due to an overheated engine.

According to the American Automobile Association and Society of Automotive Engineers, the gremlin in most overheating cases is last winter's anti-freeze.

Contrary to what you may have heard, anti-freeze, particularly the so-called "permanent" type, should be drained every spring. Here's why:

After one season's use, acids may form in anti-freeze solutions. Rust inhibitors neutralize the acids but inhibitors eventually lose strength and the solution becomes corrosive. Corrosion of the radiator rust which can clog passages. Then—you're in trouble, serious overheating trouble.

So, before you head for that pleasant vacation take these precautions:

1. Have dealer drain anti-freeze from radiator and engine block.
2. Clean and flush cooling system.
3. Check cooling system for leaks.
4. Refill radiator with water and add chemical rust inhibitor.

## Reflections from the Bible

By Ray Marcum, Minister Iowa Park Church of Christ

As we study the Bible we learn the truth. Jesus is right, and as we follow Jesus—and to the extent we follow Jesus—we are right. He who holds his mind open in order to receive any new truth he may find is certainly the freest man on the earth. He has no position to defend other than the position of Jesus and the apostles.

He does not have to twist or "harmonize" the scriptures, or to explain away any of the facts of the gospel in order to make it fit a preconceived idea which he had espoused, and which he has set himself to defend.

He calls no man "Rabbi," and no man "Father" on the earth. One is his teacher and master, even Jesus; and one his Father, even God. One's his law giver—he has no other law than the word of God. No man may then bring him into bondage to any human theory, or fasten upon him the defense of any human name.

One who is willing to read the Bible, and to study it, stands before his God simply as a Christian. His mind is divested of every human preconception, and with an open heart he drinks in the teachings of the Lord. He has a clean tablet to write upon; not one already scrawled with the opinions of some other man. His judgment is not affected before hand by his placing himself under the influence and domination of some human theory. Read what the Apostle Paul said in Col. 2. adv

## Cleaner!

Iowa Park has become a much cleaner town during the month of May, which has been Paint-up, Clean-up, Fix-up month.

The city council and the C of C have co-operated in the project. The City is providing the spraying and weed cutting machines.

The C of C has stressed the free pick-up of trash with the help of Buck Voyles and his fellow employees.

The Volunteer Fire department washed the streets of the business section, with the Jaycees hauling the mud and dirt.

It is hoped the project can be carried on through the summer months.

James Arthur Ozee, son of Mr. and Mrs. J. N. Ozee of Iowa Park, was commissioned a second lieutenant in the air force upon graduation from Texas Christian university this week.

Ozee received his bachelor of science in physical education, and will report shortly to Lackland AFB in San Antonio.

At TCU, Ozee was a 3-year letterman at center for the Horned Frog football team, and co-captain of the 1957 squad. He earned all-state honors at Wichita Falls high school before entering TCU.

He is married to the former Miss Mary Gayle Park of Iowa Park.

## TELEPHONE TALK

by Gene Brusenhan, Manager

Here it is almost June again and time for school to be out. While some will be going to summer camp, there is always America's favorite sport, baseball. Kid baseball is really getting underway here in Iowa Park and from all outward signs, it is going to be a very successful season.

And then here is the question for the whole family, "Where are you going on your vacation?"

It's high time to be thinking about or planning a vacation. And when a family plans the vacation together, the planning can be almost as much fun as the "going."

To help plan their vacations better, more and more families nowadays put some dependence on the telephone.

A telephone call to a favorite vacation spot confirms reservations. Another call to an overnight stopping point guarantees accommodations for the family, permitting an extra hour or so of driving.

In the midst of the vacation, these same folks often answer the question of "Wonder how everything is at home?" with a telephone call—the personal way to keep in touch.

So, this year, why don't you count on the telephone when planning AND enjoying your vacation?

Remember, too, that STATION-TO-STATION calls cost one-third less than PERSON-TO-PERSON calls. And when you call by number, your calls go through twice as fast.

COLOR IS HERE TO STAY

I'm betting that I don't run into much of an argument when I say that people like color. And just look at the bright array of color telephones we have to offer you:

You can choose from Cherry Red, Pastel Yellow, Ivory, Rose Pink, White, Moss Green, Light Beige, Aqua Blue, and Light Gray . . . colors to fit any color scheme!

A color extension telephone is practical as well as good-looking, too. Here in Iowa Park, an extension costs just \$1.00 a month plus a one-time installation charge of \$2.00. If you order yours in color, there's an extra one-time-only charge of \$10.00.

Call by number. It's twice as fast.

## Senior Key Is 33 Years Old

By Anna Bell Van Horn  
(daughter of A. H. Estes)

A tradition of Iowa Park High School was carried out for the 34th time at graduation exercises Tuesday.

Each year since 1925 the president of the graduating class presents a wooden key to the president of the next year's class.

Reid Estes, president of the class of '25, expressed a wish that some sort of ceremony be devised to impress the incoming class president with the meaning and responsibility of being class president. So he inaugurated the key ceremony for the 1925 commencement.

His father, A. H. Estes, made the key of wood. It is about three feet long. Each year the outgoing class renovates the gold finish and ties its class colors to the key. At commencement, the incoming president accepts the key, removes the colors and ties on his class colors. The key is kept in the school's trophy case.

First class to receive the key was the class of '26 with R. A. Tanner as president.

This year Monroe Wiggins presented the key to Deryl James.

## Mission Work in Alaska

Mr. and Mrs. Keith Blalock, members of the Tentmakers sponsored by the Home Mission Board of the Southern Baptist Convention, are now located at Palmer, Alaska.

Keith received a call last Sunday to be pastor of the Big Lake mission sponsored by the First Baptist church in Palmer. Big Lake mission is about 60 miles from Anchorage in a peaceful valley of spruce and pine trees surrounded by snow-covered mountains, according to a description given by Mrs. Blalock in a recent letter. It is also close to the proposed Baptist camp grounds at Baptist lake.

For the past year and a half, Keith has been in the States working on a project for the Alaska Baptist Convention, which was to raise funds for the purchase of an airplane to reach points in Alaska that can be reached only by boat or plane.

The Blalocks' three children—Ronald, Kelly and Judy—are visiting this summer with their grandparents Mr. and Mrs. Homer Blalock, in Iowa Park.

Keith was born and reared here. He is a graduate of the local schools and of Baylor university at Waco. He was licensed and ordained by the local First Baptist church.

Mrs. Blalock is a graduate of NTSC at Denton with a major in home economics. She formerly was home economics teacher in the Iowa Park High School.

# HOLLIDAY PIONEER REUNION

Cliff Dunham's Donkey Ball Show from Crescent, Okla., will appear here. Donkey Ball, Donkey Races, Flag Race Tricks, Bucking Donkey Riding Contest by local riders. More fun than a barrel of monkeys. Don't miss this.

Committee chairmen and members of various committees met Monday morning to wrap up final plans for the up-coming Holliday Pioneer Reunion.

From all appearances, everything is going full blast, and all should be in fine shape, come this Saturday morning. Street decorations are being installed at this writing, and all merchants are urged to decorate their own buildings as much as possible.

It is expected that this year's attractions will draw the largest crowd ever to attend the Holliday Reunion and we would like for Our Town to look as pretty as possible for our many out-of-town visitors, whom we are expecting.

The antique show will be held again this year in the Leslie Finnell apartment building, and anyone having antique articles they wish to display are urged to contact Floy Moss at Talley Insurance Agency. Floy has requested that all items for the antique show be tagged with owners' names and addresses. If this can be done before the items are brought in, much time can be saved on the Celebration Day.

Everyone who will be requested to have some part in our parade;

we want the biggest and best parade we have ever had! Leading the parade will be the Holliday High School band, under direction of Bill Kopecky, and somewhere down the line will be several local townsmen on the donkeys from our Donkey Ball Game. This you do not want to miss. It might be hard to tell which one is the donkey, especially the one that Bob Chesher rides.

The band will entertain with a few numbers on the football field immediately after the parade and just before game time of the Donkey Baseball.

Registration of Old Timers with Pap Simpson in charge will begin downtown immediately following the Donkey Ball Game. It has been rumored that Mr. Simpson is planning some special entertainment for the Old Timers while they register and visit and swap yarns!

Later in the evening Pap will introduce the Old Timers and pay homage to those who have passed on since last year's reunion.

A lot of work remains to be done, but there are a lot of good people here to do it, so make plans now to attend the 1958 Holliday Reunion.

See ya at the shindig.

### THE STATE OF TEXAS

To: L. W. Frisbie, M. E. Frisbie, W. A. McCutchen, C. C. Drake, A. N. Harris, and their unknown heirs, devisees, legatees and/or assigns, Defendants, Greeting:

You are hereby commanded to appear before the Honorable 78th District Court of Wichita County, at the Courthouse thereof, in Wichita Falls, Texas, by filing a written answer at or before 10 o'clock, A.M. on the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 7th day of July A.D. 1958, to Plaintiff's Petition filed in said court, on the 19th day of May A.D. 1958, in this cause, numbered 61,416-B on the docket of said court and styled G. C. Hodges and wife Daphna Hodges, and A. R. Hodges and Wife Thelma Hodges, Plaintiffs, vs. L. W. Frisbie, M. E. Frisbie, W. A. McCutchen, C. C. Drake, A. N. Harris, and their unknown heirs, devisees, legatees and/or assigns, Defendants.

A brief statement of the nature of this suit is as follows, to-wit: This is a trespass to try title suit wherein plaintiffs allege that on May 1, 1958, they were the owners in fee simple of all that certain lot, tract or parcel of land situated in Wichita County, Texas, and described as follows:

Lots 5, 6, 7, and 8, Block 119, Original Townsite of Iowa Park, Wichita County Texas

that on said date the defendants herein unlawfully entered upon, and dispossessed them of such premises and withhold from them the possession thereof, Plaintiffs would show to the Court that they have made demand of the defendants for possession, and that they have failed and refused to give these plaintiffs possession, to plaintiffs' damage. Plaintiffs further allege that they and those under whom they claim by mesne conveyances, and those whose title plaintiffs hold, have had peaceable and adverse possession of the lands and tenements described above, cultivating, using and enjoying the same for more than ten years preceding the filing of this petition, during which time such lands and tenements have been actually enclosed by fence, and plaintiffs and their predecessors in title, have claimed same openly, adversely and notoriously and peacefully as owners during such ten year period.

Wherefore, premises considered, plaintiffs pray that the defendants be cited to answer this petition and that plaintiffs have judgment for title and possession of the above described premises, for their damages, for costs of suit, and for such other and further relief as they may be entitled to either in law or in equity.

As is more fully shown by Plaintiffs' Petition on file in this suit. If this citation is not served within ninety days after the date of issuance, it shall be returned unserved.

The Officer executing this process shall promptly execute the same according to law and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Wichita Falls, Texas, this 22nd day of May A.D. 1958.

Attest: (SEAL)  
FLORA COBB, Clerk  
78th District Court, Wichita County, Texas.  
By Carrie L. Key, Deputy.

## ABUNDANT LIFE

by ORAL ROBERTS

### YOU CAN HAVE MORE THAN "ENOUGH"

The prodigal son sat dejectedly on the hog-pen fence. He looked at his miserable and degrading surroundings. Then in quick panorama, his mind wandered back over the past... to the home he had left; the good friends that he had; a wonderful, generous father; tasty food; nice clothes and a comfortable bed.

He looked again at the holes in his shoes, his dirty, ragged clothes, felt the surge of desperate hunger grab his stomach.

Then, slowly and deliberately, he said these words aloud: "I've been a fool! In my father's house there is food enough and to spare, and I perish with hunger. I'm going back home." And he did!

Another young man was there also—his brother. But when the rejoicing began over the prodigal's return, the elder brother turned purple with rage. He stamped his feet and confronted his father with these words: "You've treated me as dirty as a man can be treated."

"I've never disobeyed you. I've always been honorable and at no time have I ever brought shame upon you. Yet, you've never given me even a little old goat (a kid) to make merry with my friends."

"Now when this rascal who has shamed you comes rambling back home, you even kill the fatted calf for him. I think it's a low-down way to do, and you can't make it right with me!"

But listen to this good father, "Son, all these years you've been with me. And you could have had a party with your friends at any time. But you

wouldn't let me be the kind of father that I wanted to be. In your own mind, you've made me a hard master, and you wouldn't be a son! You have tried to be a slave!

"But look, Son! All that I have is thine!... and has been all these years. If at any moment you want anything of mine, whatever it is, it's yours for the asking."

In this twentieth century, that paradox still exists. God wants to be very good to us. He wants us to have the best. He has enough and "to spare." He not only desires that we have just enough to get by, but there is the surplus (more than we need) available for the asking.

The greatest surprise that some people will ever have when they get to heaven will be this: They have lived so poorly in the good things of life (spiritually, financially, mentally and physically), when they could have been so rich with enough and to spare!

How do we come into possession of these promises? How do they become substance rather than promise?

I would suggest to you that you begin thinking about the fact that you are a son of God. Let that fact grow and become large to you. Then suddenly you will begin to look for these promises to be kept. You become aware that they are yours by natural right since your own Father has said it.

There is a surplus of good things for you. God has "more than enough." And these are his words. "All that I have is thine."
