Joe's talk then advanced to district, and in Iowa Park's first attempt in the contest, captured first place. Joe earned a trophy which will be presented to IPHS and a medal for himself.

His tape has now been sent to State judges, who will choose the best speech in Texas. State winner will get a trip to Philadelphia, and national winner will receive a scholarship.

Is your head pounding — nose running — are your eyes watering and are you sneezing — sneezing — sneezing?  
Have you blown your nose until it is raw?  
We're sorry you're suffering so; obviously you're not aware of our product SYNACLEAR and this is our fault.  
SYNACLEAR is the original timed release tablet that gives you to eight hours of real relief from cold symptoms and clogged up sinuses. And that's a guarantee!

We do not have millions to spend on TV to tell you about SYNACLEAR; just this small ad. We do not gimmick our Advertising and product by offering twelve hours of medication. What is medication without relief? SYNACLEAR is what we offer and it gives you eight hours relief per tablet or your money back in full.

We could go into detail on how our product works and about the fine formula, but we would rather you ask the experts about SYNACLEAR. The druggist at the store listed below or your family doctor can tell you about the merits of our fine formula.

SYNACLEAR costs a little more (\$1.50 & \$3.00 sizes) because it does more. You're buying relief and not gimmicks.

Try SYNACLEAR as soon as possible — you know — all have to lose are your discomforts.

This little ad has an awfully big job to do — to get you to try SYNACLEAR. So as a bonus, send me out and send in with an empty SYNACLEAR carton and we'll mail you a check for 50¢ for just trying SYNACLEAR. If you have time to tell me about the relief SYNACLEAR gave you, we would be pleased to hear from you.

### Ann and Nancy Huckaby Help Produce the Herald

by Mrs. Homer Blalock  
 Ann and Nancy Huckaby, daughters of Mr. and Mrs. George Huckaby jr., are not only popular members of IPHS student body, but they are well liked and well known by adults, especially downtown merchants, and by subscribers, advertisers and patron of the Iowa Park Herald.

George R. Huckaby sr. and son are owners of the Herald, and the girls have "grown up" in the business, and have had a large part in getting the paper out each week since they were quite small. Ann is almost indispensable to the business now because she can run the job presses, folder and addressing machine like a professional. She has a yen to learn how to run the large newspaper press and the linotype. With her determination she is apt to succeed.

When job work accumulates in the shop and the Georges are faced with getting it done, Ann takes over the job press and relieves the situation.

Last summer when the regular reporter was on vacation, Ann took her place and did a creditable job handling the news in nearly all categories.

When Mrs. Huckaby sr. (Oma Lou), who has charge of contacting advertisers, needs assistance, Ann comes to the rescue. Sometimes she assumes the role of chauffeur, and often she contacts the advertisers herself.

On Thursday morning, long before most teenagers are awake, Nancy and Ann are at the office, folding, addressing, bundling or delivering papers. Their first assignment is to help get the Herald to the post office in time for city and rural delivery. Then they go with their grandmother to take papers to downtown businesses.

Both girls come to work smiling and in good humor even if they have had only a few hours sleep. They are eager to get the chores at the shop quickly and successfully behind them, because they have a full day ahead of them at school.

Ann is a senior and has been

drum major for the Hawk band two years. She is class secretary, president of FTA, Student Council representative, member of a cappella choir and stage band. She plays basketball and volleyball; and is recorder for Order of Rainbow Girls.

When Ann was a junior, she was secretary of Student Council, member of stage band, regional saxophone quartet, basketball and volleyball teams. She was president of CYF of Christian church.

During her sophomore year she was president of Junior FHA and member of stage band, basketball and volleyball teams. She was worthy adviser of Rainbow Girls.

As a freshman Ann was class vice-president and student coun-

cil representative, member of FHA and basketball team.

Nancy is secretary of sophomore class, president of Junior FHA chapter and an officer in the Rainbow Girls. She was Freshman Favorite and vice-president of the class. She was also a student council representative and candidate for Homecoming queen. She accompanied a group of young people from Christian churches of this area to Mexico where they helped rebuild a church which had been damaged in a hurricane and flood. She is looking forward to a similar trip in the future.

Nancy was on the tennis team last year and plays basketball. Both girls are members of the church choir. Ann is studying pi-

This week, Girls Scouts of Troop 32 named assistant patrol leaders and telephone chairmen for each patrol.

Hawks patrol leader is Tammy Hunter. Sharon Ratcliff is telephone chairman and Carol Brown is assistant leader.

Olave House patrol is led by Theresa Sargent. Her assistant is D. bra Parks; and Tama Parks is telephone chairman.

Banana Splits patrol has Becky Horton as leader, Debbie Bradford as assistant, Sandra Hammaek as telephone chairman.

This week some of the girls put on a play called "Olave House," concerning girls from other countries.

We had one visitor, Karen Roberts.

Judy Hastings, reporter

John Baxley, brother of Mrs. Bertha McDonall, died Sunday at Rockingham, N.C., following a long illness. Funeral service was conducted Wednesday afternoon. Mrs. McDonall was unable to attend.

### Read Books

We are always grateful to those who think of Iowa Park Library, and this week we thank Mr. and Mrs. Lloyd Lowe, Mrs. William Painter and Steve Sisk for bringing books.

About now, we start thinking of flower gardens. If you have a certain plant or flower you need information about, remember we have a good collection of garden books. We also have several on flower arranging. One of the new books from the State Library is "How to Arrange Flowers for All Occasions."

Another new book in the how-to-do-it line is called "How to Repair Your Foreign Car." This is a guide for the beginner, your wife, and the mechanically inept.

We have a new book "1,001 Questions and Answers to Your Skin Problems." Two noted dermatologists discuss practically every type of skin problem and give advice.

"An Operational Necessity" by Gwyn Griffin is a superbly written story of murder in South Atlantic during World War II, followed by guilt and retribution, and climaxed with most electrifying courtroom scenes.

For light reading you will want "The Vendor of Sweets" by R. K. Narayan. This comedy is another version of old against the young.

"The Courtesy of Death" by Geoffrey Household is one of his finest suspense novels.

Mrs. Anna Mae Richardson entered Wichita General hospital Sunday night for observation. She is in Room 543.

"Car insurance due? I'll get you the best car insurance value from the world's largest car insurance company. Let's talk!"

### ANNOUNCEMENT

Here, at PARK PHARMACY, we have recently installed a modern Taxco Record System, to make available to you at any time, a complete record of your original Prescriptions and Prescription refills for each year or for any given period.

Under this System your individual record of your Prescriptions will be so maintained as to qualify for Income Tax deduction, Insurance requirements or for any other purpose under which you may need or desire such a record.

For instance, if you were to lose or misplace your Prescription and had no record of its original Prescription number with which to obtain a refill—it would be instantly available to you under your individual record.

Or, your Doctor may wish to review the medication you have had over a previous period of time; this, too, will be instantly available to him from your personal file.

A copy of your complete record will be available to you at any time or at the end of each year and your record for each succeeding year will become a permanent part of your personal file.

THERE IS NO CHARGE FOR THIS SERVICE — just a request from you to fill out the information on your family, and your file will be set up immediately.
