Mrs. Helen Henry, assistant vice-president in charge of personal service at First Wichita National Bank, was guest speaker at 23 Study club meeting Thursday

of last week. Mrs. Joe Singer and Mrs. L. E. Brooks were hostesses in the Singer home.

Theme for the afternoon was "A Wise Woman Makes Wise Use of Her Money." Mrs. Henry spoke on "Personal Money Management.'

"Bad management of personal finances is the major cause of personal bankruptcies and trouble between American men and their wives," she said.

In conclusion she said, "In your effort to save and spend within the limits of family income, don't neglect lfe's extra dividends advancement, health and recreaton - three indispensable ingredients of pleasant living."

Mrs. Chauncev Weiler introduced the speaker. Mrs. N. E. McKinney was program leader.

Wonder what all that rain on West Coast is doing to hippies? A little soap to use with all that water could change their outlock on life! It is rough on all who are losing homes.

Have you noticed school children when sun in shining? Was in Wichita, Monday afternoon as school let out. It is wonderful to watch them play. Some were barefoot, and the ice cream man was making his rounds. Saw a few in doctor's office not feeling so well. Maybe they soon will be rid of

Mrs. Koons' gas dryer is so typical...it's impressive!

With a family of five, Mrs. William Koons, of Dallas, averages 15 loads a week in her gas dryer and has for four years! She has yet to spend a cent on maintenance. Remarkable? Nope. Gas dryers are built for that kind of reliability! Mrs. Koons also does each load for about a penny...that's five times less than electric drying. Amazing? Not at all. Gas dryers deliver that kind of economy! Would you like that kind of reliability and economy? Then get a typical gas dryer...It'll really impress you!
