Pat Reilly, Doug Pennington Wed in Sacred Heart Church

Miss Patricia Lynn Reilly and Douglas Wayne Pennington exchanged marriage promises in a formal ceremony last Saturday at 6:00 p.m. in the Sacred Heart Catholic church of Wichita Falls. Father Leon Flusche of Ft. Worth, formerly of Wichita Falls, officiated.

Beauty of the nuptial space was complemented by bouquets of white gladiolas and candelabra. Parents of the couple are Mr. and Mrs. Dick Reilly and Mr. and Mrs. John Pennington, all of Iowa Park.

Mr. Reilly gave his daughter in marriage. She wore a formal silk organza gown with front panel and sleeves and bodice fashioned with Alencon lace. The Empire waist had a half bow and satin streamers in back. The skirt extended to chapel length train. Her mantilla veil was trimmed with Alencon lace and was attached to a headpiece of Alencon lace petals with pearls and iridescent crystal beads. Her bouquet was fashioned of white roses.

Mrs. Louis Brown of Houston was matron of honor for her sister. Bridesmaids were Mrs. Ed Johnson of Houston, Miss Karen George and Miss Anna Otto. They wore formal aqua faille gowns with chiffon eesles and A-line skirts. They wore floral headpieces and carried white roses and aqua carnations.

Kim and Kristi Brown, nieces of the bride, were flower girls. Jeff Shaw was ringbearer.

John A. Huff was best man and groomsmen and ushers were Chris Smith of Frederick, Okla., Ed Johnson and Louis Brown of Houston.

The bride's parents gave a reception in Parish Hall. They were assisted by Mary Ann Simons, Sue Grauerholz, Janis Guthrie, Debra Pennington, sister of the bridegroom, and Jodi Guthrie.

The bride's table held a silver punchbowl and two five-branched candelabra with a centerpiece of aqua and white carnations, and garlands of smilax joining each. The registry table held a white anniversary candle with aqua pompons and leatherleaf.

Mr. and Mrs. John Pennington hosted the rehearsal dinner Friday evening at Mayo's Steak House.

The bride is a graduate of Notre Dame high school where she was a featured twirler and member of the choral club.

Doug is a graduate of IPHS and a senior student at Midwestern university. He is assistant administrator of Park Manor in Iowa Park.

The couple will establish residence here.

Gardening, Canning, Collections, Close Family Ties Make a Full Life for Mr. and Mrs. Fletcher

There's nothing dull nor humdrum about life for Mr. and Mrs. Leo H. Fletcher, who live on the Lone Star Gas Company pumping station property west of Iowa Park. The couple have so many and so varied interests that something new and old is happening in their daily living at all times.

To begin with, if a thing is unusual, it gets the immediate and undivided attention of Leo and Inez.

Let's begin with their garden. A visitor will be astonished to see turbin squash, dill, cucumbers, black-eyed peas, tomatoes, green beans, potatoes, strawberries and several varieties of hot and sweet peppers in a well-kept garden scattered in several places on the Lone Star pipeline station.

Of course there is a beautiful home occupied by Leo and Inez, and the garage has an apartment attached at the back.

The turbine squash mentioned is a vegetable unlike anything you have ever seen. It starts out looking like a pumpkin, and then on top looks as if a three-section squash has been inserted into the hollowed out pumpkin. The whole thing has a color scheme unlike anything else in the world. No two turbine squashes look alike. There are all possible yellows which are distinctly separate from all possible reds and oranges. These are mixed with various shades of green to make no definite pattern. They have to be seen to be appreciated, and most likely they won't be believed!

The potatoes are still another horticultural anomaly. Growing in the root section are potatoes, and on the vines are tomatoes. We didn't find out exactly how they are produced. Maybe the Fetters can make you understand it.

There's a variety of bean raised by Leo and Inez which puts our regular green bean to shame. The beans get as long as 33 inches. As the gardener gathers them, he lays them across his arm. A dozen or so, cut into cooking lengths, make a mess for a family.

We went down cellar where Inez has stored hundreds of quarts and half gallons of vegetables and fruits. There we noticed a preponderance of cucumber pickles and quantities of green beans, fruits of all kinds.

Passing on to the various collections developed by Leo and Inez: In the home are many antiques, and even in the garage apartment there is a beautiful old dresser which has been in the family several generations. Leo has a barbed wire collection which beggars description. There must be 30 to 50 distinctly different varieties of the wire, and he has a catalog of the varieties which identify them and give their various patent dates.

Leo's coin collection is quite large, and we didn't get around to viewing it. Guess he realizes that we have sticky fingers. But he can be sure no money has yet stayed long with our family!

Leo also has a gun collection of which he is quite proud.

Fletcher pointed out with pride a huge buggy wheel which never has been used on a buggy. It has a wooden hub and is probably six feet in diameter.

Fletcher was born and reared at Vernon. He began work with Lone Star Gas in Mountain Park, Okla. His job was to walk the pipeline the 90 miles from that city to Wichita Falls. This was his weekly duty for the following seven years.

During the following 13 years Leo was a truck driver for Lone Star Gas at Petrolia. In 1952 he was transferred to Iowa Park and for the past 19 years he has been Pipeline Superintendent stationed here at the present location.

A map on the wall shows the pipelines in this district which have

gas for use here. Fletcher and his crew are in charge of the line from Electra to Wichita; Iowa Park to Archer City; Iowa Park to Burkburnett; Burkburnett to Electra. Often they go farther to help in emergencies in the system.

The gas lines and pressure stations are all tied together. Fletcher says that sometimes the gas we use comes from Oklahoma supplies; in the summer the gas is sent here from Jack county.

In winter time our gas comes from New York. Who, don't get excited like we did. New York is the company name for a large cave near Henrietta where huge amounts of natural gas are stored.

Miss Inez Bates was born in Davidson, Okla. She and Leo H. Fletcher were married at Vernon in 1928. They have four children who live close enough they can bring their families quite often to help the parents eat the fine stock of home grown fruits and vegetables we have been reading about. In fact all of them will probably show in the next few weeks while their uncle Johnny Fletcher and family are visiting here from Huntington Park, Calif. He always brings empty cans and other necessities for a canning binge.

The Fletcher children and families:

Jim and Betty Wood of Gainesville. Their daughters are Mrs. Rodney Pennington in Georgia. He is in military service. And Miss Debbie Wood, recently graduated from high school and residing in Duncan, Okla.

Doyle and Leota Edwards of Henrietta. Their three children are Janet, Larry and Stacy.

H. L. Fletcher is in Lone Star Gas Distribution at Waco. His wife was Doris Peterson of Charlie. Their daughters are Elizabeth Ann and Susan.

Mr. and Mrs. Dennis Fletcher reside in Oklahoma City. Their five children are Deronda, Carol, Connie, Denise and Michael Leo.

Leo and Inez plan to reside in Iowa Park when he retires after another two years on the job.

Mr. and Mrs. E. H. Sarmiento have announced the engagement of their daughter Yolanda and Emmett Fulton Irby jr. of Iowa Park. The couple will be married on Aug. 8.

Yolanda is a graduate of Coronado high school and attended the University of Texas at El Paso. She is employed with the Fortuna Corporation.

Irby is a graduate of IPHS and has attended Midwestern and Texas A & M universities. He is with the Army Air Defense Board at Fort Bliss.

Mr. and Mrs. Elmo Traylor and Mr. and Mrs. Charlie Metz returned Sunday night after attending four games at the Astrodome. Mr. and Mrs. Metz also visited one day in Lafayette, La. They report a wonderful time.

Mr. and Mrs. Jack B. Sutton of Route 1, Electra have announced the engagement of their daughter Cherie Annette and Donald Eugene Holmes, son of Mr. and Mrs. Cecil Holmes of Dundee.

Miss Sutton was graduated from Valley View high school in 1969. She was an honor student, class valedictorian, cheerleader. She is a graduate of Draughons business college and is employed with the Texas Rehabilitation Commission.

Holmes is a graduate of Holliday high and is employed in Kama by Houston Atchley Well Service.

The couple will be married in Kama on Sept. 5.

Mr. and Mrs. J. B. Horton are announcing the engagement of their daughter Mari Lou and Howard Westmoreland, son of Mr. and Mrs. J. T. Westmoreland; all of Wichita Falls.

Mari Lou is a graduate of Riger high and is employed with Piggly Wiggly food store in Iowa Park.

Howard is a graduate of Hirsch high and works with American Bakery.

The couple will be married on Sept. 12.

Service Held for Mrs. Shirley

Rev. Mr. J. Kirby of Bethel Baptist church, Nocona, conducted funeral service for Mrs. Sara Arby Shirley, Monday afternoon in the Tanner Funeral Home Chapel. Burial was in Highland cemetery here.

Mrs. Shirley died last Friday in an Oklahoma City hospital. Born Dec. 1, 1891, in Alabama, Mrs. Shirley lived north of Iowa Park from 1920 to 1930. She had lived in Pasadena since 1934.

Survivors include two daughters Mrs. James Davis of Pasadena and Mrs. Leroy Poage of Midwest City; two brothers, two sisters; four grand- and two great-grandchildren.

Read Books

This week we thank Mrs. Davida Wright and Mrs. Betty Abernathy for donations of books; and Mrs. E. L. Hutchison for money donation toward air-conditioning for the library.

Money was given for air-conditioning in memory of Mr. W. F. George. Anyone having memorial donations they would like to make to the library, please call or come in, and we will be glad to help in any way.

The library has a great many needs, especially since we are enlarging and making a better place in Our Town for everyone who enjoys reading, for those who like to sit and look awhile and for the school children who need to come in for research.

If everyone who owes fines will check with us and pay these fines, it will help us to buy new books and other supplies. We have lost owing from a few cents up into the dollars. New library phone number is 592-4981.

If you like to read books concerning medicine, we have "The Practice" by Stanley Winchester. This is a different novel. If it may raise doubts as to the divine status sometimes accorded men of medicine, it also points to the corollary that gods do not practice medicine, men do.

We have a new biography "Jacqueline Bouvier Kennedy" by Mary Van Rensselaer Thayer. From first hand knowledge and with access to family journals, scrapbooks, letters and photographs, the author has written this authentic and engaging biography of an extraordinary woman.

"Our Eddie" by Sulamith Ish-Kishor is based on a true experience. To quote the author. "The children of the poor and troubled rarely do come to full growth; like forced fruit they blossom too early and wither before they ripen. ever their age, country, color or Of these, for these, to these, what-creed, this story, by one of these."

Circulation for June was 1,491. That is exactly 100 more than in June of last year. 114 books were checked out Monday.

Consolidation will cut tax load in both areas

Savings brought about by consolidation will mean that Iowa Park and Valley View can operate their public schools this coming year without a tax increase! If the consolidation election fails to get approval, Valley View faces the possibility of not being able to fund its budget.

Iowa Park would have to raise its tax rate to offset a 10 to 12% increase in operating cost. According to school officials consolidation will be a benefit to both districts.

The tax structure of each School District is more than adequate to meet its own bonded indebtedness, causing no burden on the new consolidated district. The consolidation incentive aid based on an estimated figure furnished by the Texas Education Agency will amount to \$21,000 a year for a period of 10 years, amounting to a minimum of \$210,000. This money has to be used to retire bonded indebtedness or build needed buildings.

An Elementary School will be maintained in Valley View and approximately 60 High Schools students will be absorbed into the IPHS system without additional expense to this District.

It can be pointed out that additional savings will be forthcoming due to the fact that Iowa Park is currently educating students at an average cost of \$436 a year. On the other hand, the cost of educating a student in Valley View is \$1,200 a year.

Voting will be at Kidwell Elementary School and at Bradford Elementary School for those living in the Iowa Park School District. For those living in Valley View School District, voting will be in the Valley View School Library.

Both School Districts invite any questions or inquiries.

City Council

Parents are asked by City officials to warn children of all ages to stay entirely away when the fogging machine is being used in the neighborhood. The fog is so thick the children can get hid in it and run the risk of being over-run by traffic. Also the chemicals in the fog are apt to be harmful to skin and eyes.

Please, children, for safety sake don't let the novelty of watching the fogging machine overcome your instinct for self-preservation. In other words, "Have a Care!"

City Holiday

City Secretary K. G. Wilks announced Wednesday that the City Hall will be closed on Friday and Saturday, July 3 and 4. Checks in payment of water, sewer and garbage bills can be put through the slot in the front door of City Hall.

Parents will please take notice: Fires have already been started in Iowa Park through use of fire-

The Chamber of Commerce is gathering information for a brochure on "Outdoor Recreation" which is being published for Archer, Clay and Wichita counties.

The lakes and picnic facilities in Iowa Park area will be included. Landowners who wish to lease their property for hunting and fishing purposes may have this information printed free of charge in this brochure.

Some 15,000 of these are to be distributed by Wichita Falls Board of Commerce & Industry.

Brother Dies

Woodrow W. Thorn of Wichita Falls died Monday in a hospital there. Funeral service was conducted at 2:00 Tuesday in a funeral chapel here.

The Rev. Mr. Edward DeLong of Beacon Baptist church conducted the service, with burial in the Crestview Memorial park.

Pallbearers were J. J. Lee, Jerry Paul Yeatts, Jess Harmon, Gilbert Steele, George Yancey, Walter Doyle Gill.

Thorn was a retired barber. He resided in Wichita Falls 51 years. He is survived by the widow Tommie; a son W. W. II of Wichita Falls; four brothers: A. J. Thorn and Johnny Edmondson of Wichita Falls, Lloyd Edmondson of Houston, Levi Edmondson of Pampa; two sisters: Mrs. Cleo Yeatts of Wichita Falls and Mrs. Mary Pierce of Iowa Park.

Gerald Tidwell Called to Tulia

The Rev. Mr. Gerald Tidwell has resigned as minister of Faith Baptist church. He will begin work as pastor of the 1,580-member First Baptist church in Tulia on July 9.

It is with mixed emotions that the Tidwells leave because they have so many fine friends in Iowa Park.

Gerald is a graduate of Hardin-Simmons university in Abilene and has the master of divinity degree from Southwestern Baptist Theological Seminary in Ft. Worth. His wife Margaret is also a graduate of H-SU with a degree in secondary education and mathematics.

The Tidwells have two children: Cindy 10 and Todd 4.

During the Tidwells' three years in Iowa Park, 394 persons have joined Faith Baptist, 152 of them by baptism. Babyland was started. It is adjacent to the church and houses all of the nursery age children. A church library has been developed. Men's softball and basketball teams have been organized.

The Sunday school was re-organized to fit a new grading system based upon public school grading. pecial emphasis has been placed on the young people. This summer a full-time director has been hired to lead in week-day activities and to pastor the youth church each Sunday.

Both of the team advanced to the state finals in the men's church league, with the baseball team placing fourth.

The Tidwells will reside at 301 Buffalo Trail in Tulia.

1st Baptist Items

High school and college groups of First Baptist church will leave at 3:30 Thursday for the 1970 Youth Evangelism Conference. They will be gone two days and four meals.

Intermediate GA's will leave July 6 and return July 9 from camp at Vernon. Their sponsors are Mrs. Melroy and Mrs. Compton. Glenna Miller will go with them.

Vacation Time. Where are you going to spend your vacation?

Want a cool, free mountain vacation? Rev. Kenneth Flowers of First Baptist church is preaching on "Mountains." The last two weeks were on Mount Moriah and Mount Ararat. This Sunday he will discuss Mount Sinai. Come here about it.

John King Has Part in 'Texas'

Mrs. R. H. King of Iowa Park and Mrs. C. G. Downtain went to Palo Duro canyon last Friday to attend the first showing this summer of the musical drama "Texas" in which John King plays the part of Nokoni.

He is also an understudy for the Old Prospector.

John was in the play last year and had three parts.

The author of the drama is Mr. Paul Green. Scenery is the work of Ben Carlton Mead of Dallas.

"Texas" will be played each evening at 8:15 except Sundays until Aug. 31.

Mrs. Maggie Burnett is reported doing fine. She is in Room 375 of Wichita General hospital.

Spruiell Family Attend Reunion

Twenty members of the Spruiell family in Iowa Park attended the Nunn Round-up in Sweetwater last Friday, Saturday and Sunday.

Mrs. Hill Spruiell is one of five surviving children of the 12 offspring of Mr. and Mrs. Joe Nunn, deceased. They were married and lived in, the same family home in Sweetwater for 50 years.

This is the 18th reunion, which is held in June each year. This time there were 87 present from Arizona, Nebraska, New Mexico, Oklahoma and Texas.

A home-made ice cream supper Friday evening at the old family home initiated a three-day program of hilarious festivity with the City Community Center as reunion headquarters.

Those from here who attended were the Messrs and Mrses Hill Spruiell, Joel Spruiell, Walter Spruiell, Dewey Spruiell and Johnnie and Glenda, Billy Spruiell with Jeff, Joe, Judy, Jan; Clyde Bonner; Mrs. D. Y. Oualline of Oklahoma City.

Senior Citizens

Mrs. Amma Chesher and Mrs. Lvdia Hulson served cold drinks and coffee with cake at the Monday meeting of Senior Citizens at United Methodist church.

Special mention was made of the July 5 meeting when a covered dish meal will be served at noon.

Three guests were Mrs. Mae Cook of Wichita Falls, Rhonda Roberts and Jeannie Berg.

Others present were Messrs and Mrses Herman Evans, J. A. Berg, Hill Spruiell, O. A. Falness; the Mrses Myrtice McDonald, Martha Dillard, Dawda Wright, Pearl Pettus, Cleo Hines, Mae Roby, O. M. Jones, Myrtle Travis, C. E. Russell; Messrs T. M. Clark and Ed Hayes.

Dena Phillips, daughter of Mr. and Mrs. C. L. Phillips of New Deal and Kevin Martin, son of Mr. and Mrs. Jimmie Martin, also of New Deal, have been enjoying a visit in the home of their grandparents Mr. and Mrs. G. K. Martin of Valley Farms. They arrived

here Monday, June 15, and returned July 1 to Lubbock. Mrs. Phillips is the former Ima Jean Martin of Iowa Park.

Homemakers

July 3 will conclude a month of study and applied education for a number of high school girls who have had at least one year in home economics. Mrs. Carl Barnhill and Mrs. Leroy Olson have supervised the work, for which each student will receive 1/2 credit.

Thirty were pre-enrolled but not that many have completed the course. Two hours each day are spent in classroom work with many hours each week on supervised home experience.

First project was re-finishing the old sewing machines in the clothing department. It was a hard job done in the old Ag building with no air-conditioning. This thinned out the enrollees who were not seriously concerned in summer study and work.

One student is doing a beautiful chalk picture—still life—which will hang in the home economics department. Another has painted the bathroom at home. One has "antiqued" the front door. Many have made clothing and done hand crafts.

The girls have been planning FHA activities for next year, and some have worked on the three degrees of achievement.

Four field trips have proved most worthwhile. A visit to Huff Galleries afforded opportunity to study period furniture, carpeting, china, silver and accessories. They also toured Levi Strauss plant, the Opportunity Workshop, and the Rehabilitation Center in Wichita Falls.

The students have learned that a working vacation can be a happy one, while making credit toward graduation also.

Mom and Pop Logan bought a swimming pool for their grandkids, they thought. But one of the daughters-in-law took a splash in it Tuesday night. Sorry, Elaine, too bad you got "pushed in" with a toy fish in your mouth. Second childhood, huh?

Mr. and Mrs. Burl Ingram visited last Sunday evening in Burkburnett.

Church Reunion at Valley View

A litany of thanks characterized the program of the 10th homecoming observed by members of the Valley View United Methodist church on Sunday, June 28. More than 90 were present.

Mrs. Roy Lahey, who has been chairman of arrangements for each occasion, gave the words of welcome. Rev. Mr. Homer Caldwell, pastor, was gone because of a death in the family.

Morning sermon was preached by the Rev. Mr. Paul Carter, who was student pastor in 1958. He now lives in Jackson, La.

Memorial tribute was paid to the following who had previously attended the church: J. S. Caddell, Kenneth Dewell, P. H. Ford, Norma Mosman.

In a special service the congregation presented to the church a pulpit Bible in memory of Otho D. Childers, who died Oct. 7, 1968. The Rev. Mr. Noel Bryant of Wichita Falls, superintendent of the Wichita Falls district, presided for this dedication. Special music was provided by Mrs. Charles Williams and her granddaughter Tandy.

The Rev. Mr. E. H. Coburn of Electra, former pastor at Valley View and one of the oldest active ministers in the United Methodist Church, gave the closing prayer.

Phrases in the litany expressed gratitude: "For the memories of happy associations; for Thy presence in sorrow and heartache and Thy blessings in hours of joy; for loved ones who remain to share this hour; for the memory and ever present influence of those who have gone before."

And the people responded with these words: "We thank Thee, O Lord. As they have been a blessing to us, may we be a blessing to others."

Valley View church was organized in 1907 and the meeting place was Denny school house. In 1917 the first church building was erected. It has since been enlarged with classrooms, fellowship hall, kitchen and pastor's study.

The Rev. Mr. Cape Pace of Thornton, a Methodist minister and former missionary to India, is the only living charter member.

Those from Iowa Park who at-

tended the homecoming Sunday were Mr. and Mrs. Swan Reaves, Miss Alma Lahey; Mmes Emma Gaunt, Kathleen Hatten, G. Y. Folland, Otis Gay; Miss Mary Butcher; and Mr. and Mrs. J. C. Ralston.

Trimettes

Five Trimettes weighed in at 806 East Cash Wednesday morning at 10:00. Willie's name was drawn but she had gained and did not receive the money.

Janie won the "daisy" contest. The girls discussed new plans for making money for the club.

Meeting closed with the club prayer in unison.

Daughter of Murphree Visiting; Tells of Years Spent in Asia

A native Iowa Parkan, Catherine Murphree Connick, has many interesting experiences to relate. She and her husband Louis Connick have just returned from six years spent in Asia, where he represented Asia Foundation, which is based in San Francisco.

In 1964, Louis and Catherine went to Kuching, Sarawak, which is in Malaysia. In 1966 they were sent to Vientiane, capital of Laos, which has been the base of operations for him the past four years. During each year they were granted two months home leave and three weeks local leave.

Laos is French in background, and its students go to college in France.

The Connicks fly to Bangkok, Thailand, for dental work or cosmetics or medicines, just as we might drive to a corner drug store in Wichita Falls. Likewise, Hong Kong is their shopping center.

During their travels Louis and Catherine were also in Ceylon at Christmas time, in India, Kashmir, Singapore, Saigon, Philippines, 3 weeks in Ethiopia, 2 weeks in Tunisia, in Egypt, Spain, South Pacific — many times in some areas — and numerous stop-overs in Europe. Louis is Irish-American and enjoys visits to Ireland especially.

The Connicks really enjoyed a visit with a college friend of Catherine's mother — Madame Chiang Kai-shek in Formosa — who attended Georgia Wesleyan at the same time Mrs. Murphree did when they were young and unmarried.

In late March, Mr. and Mrs. Connick were decorated by King Vathana of Laos at the royal palace in Luang Prabang, when they were guests of honor at a dinner party. Louis received a medal of the "Order of the Million Elephants and White Parasol" for his contribution as a director in a non-profit foundation devoted to education, cultural and social progress in Asian countries. Catherine received a new "feminine merit medal." She authored a "Welcome to Laos — a Practical Guide" booklet which is shared with visitors, tourists and newcomers to Laos. She was president of the American Women's club in Laos.

Mrs. Connick is a daughter of Jno. C. Murphree of Wichita Falls and the late Mrs. Murphree. She was born in Iowa Park and started to school here with Miss Ethyle Kidwell as her first teacher. In second grade she claimed Sammy Jackson as her sweetheart and he gave her a little white mouse on her birthday. His parents were Mr. and Mrs. S. B. Jackson.

In 1939 the family moved to Dallas. There the children were graduated from Highland Park high and Southern Methodist university.

Following graduation, Catherine went to New York City and was with NBC radio, later NBC television. She met Louis in New York. Catherine also spent some time in Burbank Calif. as an employee in production work of NBC.

Connick is now assigned to San Francisco as director of Southeast Asia for the Foundation. After a month visit in Wichita Falls with her father and her sister Mrs. Evelyn Clark, Catherine will join her husband in San Francisco.

People Power: it's Bill McNeese, doing his best.

"In my department, we're very aware that we need to do our best, every time — because so many people are depending on us.

"But no matter how dependable our service is, there's always a chance something will go wrong. That's why we're on call 24 hours a day.

"I don't think anyone here minds going out and helping get a customer back on. Personally, I enjoy being able to help people."

More than 2600 people like Bill McNeese, one of our men in Monahans, are working to provide the real power behind Texas Electric Service Company. It's People Power . . . at work for you.
