'Perfect Service' Earns \$50 for Floyd Busby

Floyd Busby recently received a \$50 award from Phillips Petroleum company for giving perfect driveway service to a Phillips Mystery Motorist. The award was made when the Mystery Motorist paid a visit to Busby's Phillips 66 Station and Grocery.

To win the award, Floyd gave the customer the six steps of Golden Approach service: a pleasant greeting; checking under the hood; cleaning all the windows; sweeping the floor mats; checking the tires; and thanking the customer for his purchases. At the conclusion of these services, the customer identified himself as a Phillips Mystery Motorist and left a \$50 certificate.

As further recognition of driveway performance efficiency, a certificate was awarded Busby for display in his station window.

ABUNDANT LIFE

by ORAL ROBERTS

GOD MAKES THE DIFFERENCE

Arnold Raymond Johnson was born in Huntington Station, Long Island, New York, September 20, 1940.

His temples were crushed and his head was misshapen.

There was a large lump on the back of his head.

He weighed only 4 1/2 pounds and had to be kept in an incubator for nearly 30 days. People traveled many miles to see this "incubator baby," who wasn't given much chance to live.

A blood clot at birth caused damage to the child's optic nerves. The future of this child certainly didn't look very bright.

At the age of seven months Arnold got hold of a bottle of liquid and spilled it up his nostrils. His father sucked on the child's nose and kept him in a homemade oxygen tent until he revived.

When the baby was eleven months old, a gasoline kitchen stove exploded. The baby, in a walker, was headed toward the kitchen but didn't quite get there before the explosion. Although his mother was thrown across the room, the baby was only tipped out of his walker.

At the age of two, Arnold got convulsions after someone gave him a piece of chocolate candy to eat. The candy apparently went down the wrong pipe. Arnold's father, carrying the child, ran for blocks for a doctor, who wasn't there. At the doctor's office, Arnie was revived by his father who administered artificial respiration for 20 minutes.

When in the first grade, Arnold was sent home by his teacher who reported he could not pass him to the second grade. He could not see his own outstretched hands, much less the blackboard at school.

After reading all this, no doubt, you are ready to give up Arnold Raymond Johnson as a lost cause. But, consider this:

Today he is heavy-weight wrestling champion of his high school. The coach wants him out for football because he has a terrific throwing arm. He is second best in the shot-put, outstanding in the javelin, and excels in just about any sport you can name. In addition to his rugged 180 pounds and tremendous shoulders, he is six feet two inches in height, has light blue eyes, gold blond hair and a very fair complexion. He is popular with his fellow teen-agers, boys and girls alike.

How is this possible?

It is possible because with God all things are possible. Nothing is too hard for the Lord. God makes the difference. God healed Arnold Raymond Johnson January 14, 1951, at our Crusade in St. Nicholas Arena in New York City. God was Arnold Raymond Johnson's only hope.

God did not fail him, "for he is faithful that promised."

Club Women's Driving Contests Make Life Safer

By Jeanne Smith, Dodge Safety Consultant

MEMBERS of women's clubs are competing "behind the wheel" these days instead of engaging in cooking, sewing or knitting contests.

In Peoria, Ill., for instance, women in the Association of Commerce recently organized a "Safe - T - Drive" in which representatives of 25 clubs participated.

Following a written examination on safe driving techniques, the women took to their steering wheels and met in combat on a roped-off downtown street.

A gold bracelet was awarded the club member who most skillfully demonstrated her ability to park and to maneuver a car on the planned obstacle course.

Driving duels, similar to the Peoria contest, are held every spring in Arlington, Va., between a representative from each of the Federated Women's clubs and a member of each of the men's service organizations.

An obstacle course is set up in a large parking lot, with the top scoring man and woman receiving trophies attesting to their driving skills.

But, more important than any trophy, is the comment of a police officer who said, "After these contests, driving is a lot safer for everyone involved. They remember the first rule of safety—courtesy to others."

CAFETERIA MENUS

Monday: Pork sausage, sweet potatoes, green beans, sliced tomatoes, cherry cobbler.

Tuesday: Steak, mashed potatoes, buttered corn, sliced beets, butterscotch pie.

Wednesday: Chicken and dressing, English peas, carrots, apple-celery salad, pumpkin pie.

Friday: Fried fish, pinto beans, spinach, potato salad, donuts.

Monday's junior high school Moguls have won the western division title, and Iowa Park's junior high school Hawks have won the eastern division title. A play-off game for district champion will be played here at 7:30 next Tuesday night.

All fans are invited and requested to see the game and root for our boys.

Agencies supported by the fund are Boy Scouts, Camp Fire Girls, Red Cross, USO, Little League, baseball and Welfare activities. A. L. Reed is president of the

United Fund board. Members are Mrs. Gordon G. Clark, W. A. George, T. R. Horine and Floyd White; and Messrs. F. E. Hill, Wayne House, C. E. Birk, T. E. Gilbreath, Joe Price and Frank Rauschuber.

The board hopes to complete the campaign by the end of this week.

Christian News

"Church Members Who Are Lost" is the subject of the sermon at the Christian church here next Sunday morning. The choir will sing "The Ninety and Nine." The service starts at 10:05.

Christian Women's Fellowship met at 9:00 Monday morning in the home of Mrs. Oliver Newman. President Mrs. T. M. Clark directed the meeting. Mrs. Rollin Roberts introduced Mrs. Aaron Barker, whose husband is director of the Southern Christian Institute of Edwards, Miss., a Negro school and service center conducted by the Christian church.

Mrs. Barker gave an interesting talk about the school, while colored slides were being shown—pictures of the dormitories, scenes of students and their various hobbies. Pictures were also shown of the inside of their little store, known as "Next to New," where articles of clothing are sold to the students at a fraction of their value.

Southern Christian Institute is a part of the missionary program conducted by CWF. After the pictures were shown Mrs. Barker answered many questions about the work of the institute.

The benediction was given by Mrs. Gilbert Steele.

Mrs. Newman and her co-hostess Mrs. B. W. Koonce served coffee and donuts, cakes and sweet rolls to 20 members, one guest Mrs. Jack Moss of Wichita Falls, and the guest speaker.

Miss Wilma Kingcade has started working as bookkeeper for the local office of Texas Electric Service company, replacing Mrs. Jerry McLemore.

Wilma is daughter of Mr. and Mrs. W. E. Kingcade. She has lived in Iowa Park 18 years and was graduated from high school here last spring. She is active in the work of Faith Baptist church.

Mrs. T. M. Clark, Mr. and Mrs. Rollin Roberts and Merasha visited last weekend in Fort Worth. They attending homecoming activities at Texas Christian university and the TCU-Baylor football test, returning home Saturday night after the game.

Out-performs them in quick starting... in smooth, safe acceleration... in mileage.

Esso Extra is the No. 1 premium in Texas... first in premium sales... first in premium performance.

Use this great gasoline in your car. You'll prefer its performance, you'll like its mileage, and most of all, you'll be pleased with its economy.

Fill up under the Humble sign in your neighborhood. Every time!

Dependable Quality
at Regular Price

If your car performs well on regular gasoline, Humble Motor Fuel is your gasoline. Every gallon is made to exacting quality specifications.

You get three distinct advantages: (1) continuous improvement; (2) uniform quality wherever you fill up; and (3) a patented solvent oil that keeps engines clean. Among the regulars, Humble Motor Fuel is second to none.
