Oven-To-Table Menus For Care-Free Cooking

There is a strong movement afoot in American homes to bring the housewife out of the kitchen. It could reach the proportions of a second Industrial Revolution—or perhaps it might be called a "Domestic Revolution."

While the mothers and grandmothers of today's homemakers had to spend hours over hot stoves just to keep the family well fed, modern automatic appliances and ready-to-serve foods have relieved a great deal of kitchen drudgery.

Oven-to-table menus are one of the easiest ways to "escape" from the kitchen. With a little planning, delicious, well-balanced oven meals can be prepared which leave the cook free to do the other things — washes bright as new with little effort.

Should you have leftovers (which isn't likely!) the food can be stored in the refrigerator right in the cookware. Stainless steel is extremely sanitary, and because it is inert, it does not impart any foreign "taste" to the food. For another meal, those leftovers come out of the refrigerator and go directly into the oven again.

A simple menu might include: veg. loaf, baked potatoes, buttered carrots and apple crumb cake. If these are ready to put in the oven before guests arrive, the actual cooking time — about one hour — can be spent over canapes and cocktails instead of the stove.

Another time and effort saver might be to freeze oven menus in advance, then cook them at your convenience. Last-minute invitations or unexpected guests (when your husband phones at four o'clock to say he is bringing the boss home for dinner) will present no problem.

Oven meals give you the opportunity to show off your oven-to-table cookware. Cook in them, serve in them, they will save dishwashing and dress up your table setting too! Stainless steel casseroles and serving dishes are a wonderful choice. Their elegant styling and lustrous finish enhance even the most formal dinners. After the meal, stainless washes bright as new with little effort.

Service Held for Ernest Teal

Funeral services were conducted for Mr. William Ernest Teal, 76, Tuesday morning, Jan. 6, in the Methodist church. Rev. Addison Cutter, pastor, officiated.

Burial was in Highland cemetery under direction of Tanner Funeral Home. Pallbearers were T. M. Black, James Cates, T. C. Scott, Bill Harris and two nephews Son Bell of Abilene and Bob Malacord of Wichita Falls.

Harold Dykstra offered the invocation. Taylor George was introduced as a guest by Lion Tamer Dan Barnes. Royce Echols was elected a new member.

Bill Carter, football coach of IPHS, guest speaker for the Noon Lions club at their Tuesday meeting, informed the members of the athletic program of the local school and the part it has in the school program.

He had made his home with his brother's family for many years. Survivors are his brother L. A. Teal of Iowa Park; four sisters: Mrs. Earl Lane of Lubbock, Mrs. Carl Arnold and Mrs. J. R. Willett of Littlefield, and Mrs. Grace Lovelace of Shreveport, La.; several nephews and nieces, which included Mrs. Claydene Bell of Abilene, Mrs. Marian Malacord of Wichita Falls, Mrs. Jackie Fitzsimmons of Clarksville, Mo., and Miss Cathie Teal of Iowa Park.

Carter told the club, athletic competition is not all a bed of roses. The students have to learn to sacrifice—time and individual likes and dislikes to become just a part of a well organized team.

Since they are on display and are being judged by the public, they must act at all times the part of gentlemen and ladies. The public does not see them in history or English class, so their work in the band or on athletic teams is good training.

Carter said the athletes of Iowa Park schools have higher average grades than the non-athletes.

Athletes learn to take hard knocks, and most of the time they give the best they have, learning to contribute something to the school and community.

Carter said athletes acquire self confidence and develop ability to stand on their own feet while co-operating with their fellows to get the job done with teamwork.

Carter extended an invitation to everyone to visit the athletic department at any time.

He was presented by Keith Swim, program chairman for the day.

Rollins Woodall, zone chairman, announced the Midwinter conference to be held Tuesday, Jan. 20 in Wichita Falls.

President Peanuts Wilson announced a directors meeting to be held at 7:30 Thursday evening in his home.

CAFETERIA MENUS
Monday: Barbecued wieners, lima beans, spinach, pickle circles, chocolate cake.
Tuesday: Meat balls, spaghetti and tomatoes, English peas, slaw, apple pie.

Field Day Set for Bermuda Planting Machine

Facilities for the establishment of coastal bermudagrass may be seen at a Coastal Bermudagrass Field Day on Jan. 16, beginning at 1:30 p.m. on the Cliff and Terry Brogdon farm adjacent to Wichita Valley experiment station, according to Rufus King, Wilbarger-Wichita Soil Conservation District supervisor.

The E-Z-Way Sod Cutter designed by Mike Hartmangruber and manufactured by Thompson Tool company of Iowa Park will be shown. A semi-automatic sodding machine constructed by the same people will be used.

The Super Sprigger manufactured by Valley Manufacturing company of Harrold will be shown by Cliff Brogdon. He says the machine has been much improved.

Elter Tractor company of Wichita Falls will show a machine that can be used in harvesting sprigs.

Sources of sprigs and sod, contractors who will do sodding and sprigging, fertilizing, land preparation and federal co-sharing will be discussed during the afternoon by those having information on these subjects, according to Elvy Sargent, Iowa Park soil conservationist.

Dr. Carl Gray of Midwestern university, L. E. Brooks of the experiment station, and Bob Crocker of Wichita county ASC are expected to be present to assist in the day's activities.

District supervisors and SCS technicians will be glad to have anyone who has a machine or sod or sprigs available, to notify them so the information can be made available to farmers requesting it.

Report Given on F.U. Convention

When the Farmers Union met Monday night, Jan. 5, at the Valley Farms Community House, a program was presented by the Junior Reserves.

ABUNDANT LIFE

by ORAL ROBERTS

CHRISTMAS MEDITATION

The night Jesus was born, God went into action. Angels filled the countryside with joyous song, and one told the startled shepherds, "Fear not; for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger. And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth peace, good will toward men" (Luke 2:10-14).

I believe every angel wanted to be the first with the glad tidings—that Christ the Lord was born. The shepherds left their flocks to see the baby. Men of the fields, sons of toil, went to the manger to pay homage to Mary's baby. Wise men from various parts of the world followed the new star, traveling great distances until the star stood over the infant Jesus. There they knelt before him, presenting the gifts of royalty to this newborn King.

Was ever a baby like this? As the babe lay in Mary's arms, the world little knew his power. Because of him, countless hosts of angels came to earth, heaven bent low, and the glory of God descended upon mankind with a special message of joy and peace.

It has been said that when God gets ready to lift an empire off its hinges, to change the course of human history, or to save the world, he has a baby born somewhere.

For the greatest task of all—the salvation of mankind and the fulfillment of all God's precious promises—he had the baby Jesus born of the virgin Mary. "For," said the angel, "he shall save his people from their sins."

And now, Christmas is here once again. Children will go to bed the night before, scarcely able to sleep for thinking of all the presents they will receive in the morning. Millions will gather around their Christmas trees to open their gifts; many will go into the fields to hunt; others will drink and carouse and sin. Throughout the season the merchants will capitalize on Christmas as usual, and it will be a time of festivity.

I wish that all people everywhere might know the true meaning of Christmas, and that the little children, as well as their parents, might grasp the significance of Mary's gift to humanity.

Mary became a partner with God in the greatest enterprise the world has ever known—presenting a Saviour of mankind to save souls. She became a partner by believing, for God uses only those who believe.

This Christmas we will be thinking of this courageous, trusting young girl whose very existence was altered by her decision to become a partner with God in the great enterprise of providing a Saviour for all mankind—for my family and for your family.

May God the Father and our Lord and Saviour, Jesus of Nazareth, bless you this Christmas, and give you that good will and peace which passes all understanding.

WE'VE GOT THE WORLD'S MOST BEAUTIFULLY PROPORTIONED WAGONS NOW IN Iowa Park, Texas

For the first time . . . Hardtop Styling in the longest, lowest, roomiest wagons Ford has ever offered!

We feel certain you'll agree with us: you've never had it so new as our 1959 Ford wagons. For here are wagons with Ford's exclusive *hardtop* styling . . . with more glamour and glass area than ever before!

The wheelbase is a full 2 inches longer. The wagons themselves are over 5 inches longer. There's a whopping 92 cubic feet of loadspace (that's about 17% more). The picture window up front is 20% larger, too. In fact, *everything* about these Ford wagons of ours is new . . . right down to the new Shantung pattern upholstery . . . new cooler-running, longer-lasting Tyrex cord tires . . . and the Diamond Lustre Enamel that *never* needs waxing.

NEW! A Limousine Ride . . . thanks to Ford's exclusive front and rear suspensions you ride "limousine level." There's less rock or roll, *regardless* of road or load. And *all* seats face forward. Come on in this week and let us *prove* it!

HOLIDAY NEWS

Acts of 1958

Back on 1958, we find progress beyond great expectations. Approximately 30 houses were built and new lots and were opened. There were 2 homes built and many others decorated and painted.

In Gulf service station and opened by Weldon now operated by "Red".

Price opened a 16-matic laundry.

Monmons opened a barber at residence.

White established a beauty Mrs. Barnes another.

Yarborough opened a new former Malt Shop.

To make future citizens and bring up to our community there were about 25 babies born. Many new babies were made grandparents.

Dan Owen's basketball team won bi-district.

Stegall and Jerry Finnell won All-State band. They and Emma McDormon, Jo Ann Seeland and Ladene Herring made the All-State band.

James Vandergriff and Van Hubbard won All-State in tennis. The declamation teams competed in Denton, with Linda Adams going to state.

Four girls received State degrees in homemaking.

Holliday had its annual Old-Timers Reunion with a colorful parade, contest, baseball game, barbecue and street dancing highlighted with recognition of all the Old-Timers in the county.

Kenneth Knowles and Van Hubbard made All-State in football; nine boys made All-District and six made All-Area in football.

Holliday graduated 25 from high school and 16 of them entered college. The seniors had a trip to Washington, D.C.

Lighting was installed on the tennis courts and a huge political rally was held there before the July 4th.

We had our share of lovely weddings.

All summer we had Kid Baseball with men of the community giving freely of time after work to train our youngsters. The Pee Wee's were champions in their division.

Each church had revivals, resulting in additions and greater interest.

Chuck Curtis of TCU was hired as football coach. Eddie True was hired as shop teacher and assistant coach. Mrs. Alice Howard returned as commercial teacher and Mrs. Christian replaced Mrs. Todd.

Coach Curtis led his Eagles in a successful season as runner-up in the district with 10 wins and 2 losses.

The seniors netted about \$3000 with their Round-up.

Holliday school was rated highest in the district in a recent survey.

Holliday acquired a full time deputy sheriff, Bill Stone, who moved here with his family.

We sent our share of boys to service, and got some back after their time expired.

Rev. Lewis retired from the ministry and Rev. Weaver took his place here at the Methodist church.

The Community Building added a modern kitchen, bath and storage rooms. It also acquired a new outside paint job. Openhouse was held for all newcomers and about 75 were present.

There were numerous family reunions throughout the summer.

Voters put into office the candidates of their choice, and voted for a county hospital to be built in Archer City.

Betty Craft, formerly of Holliday, was "Queen for a Day" and little Kathy Holloman received the benefits.

There was a bountiful grain crop and the cattle business was good. Oil prices stayed up, and new fields were opened nearby.

We had our share of sadness and tragedy. Several loved citizens were taken in death. A house burned, taking one life.

There were numerous grassfires destroying hundreds of acres of grasslands.

Several local folk were stricken and made bedfast.

We had a good snow in the last days of the year, making moisture for a good crop next season.

The community participated in the polio drive and United Fund drive, meeting its quota.

We are looking forward to 1959. For all the good things of life we give thanks to God.

Mr. and Mrs. Ernest Wade and daughter Anna, 7, and Mr. and Mrs. A. L. Stafford and son John, 4, all residents of the Mankins-Dundee area, were vacationing at a resort 15 miles from Havana when Castro's rebels wrested control from Batista last week.

Friday night they called to Mrs. D. S. Dudley at Dundee, asking for help. Mrs. Dudley is mother of the two women. She got in touch with the State Department and was assured they were not in any immediate danger.

Veteran Phone Operator Dies at Dundee

Funeral services were conducted last Friday afternoon in Dundee Methodist church for Mrs. Essie L. Barnes, 83, who died Wednesday in a Wichita Falls hospital of a heart attack.

Mrs. Barnes had been telephone operator in Dundee for 48 years. Although confined to a wheelchair many years, she made the work her life. Mrs. Barnes took over the board in 1910 when it was a direct line from the Alex Albright general store to Wichita Falls.

Dundee in 1905, when she came with her late husband, was much larger than now. It consisted of a drug store, doctor's office, bank, hotel, depot, cotton gin, elevator, three grocery stores, meat market, feed store and three churches.

There were 40 subscribers to the telephone, now down to 28.

Mrs. Barnes shared the joys and sorrows of her community. She stayed at her post to secure help for those in distress, and during the war she helped many families talk to loved ones in service.

Survivors include two daughters: Mrs. Nettie Mobley of Dundee and Mrs. Eunice Gibson of Ruston, La.; two sons: John and B. L. Barnes of Dundee; half-brother Tumpie Cooke of Brandon, Miss.; four grandchildren and three great grandchildren.

Pallbearers were Charlie Williams, Ed Heller, Bill Sanders, G. D. Noles, Lee Phillips and P. W. Jackson. Burial was in Dundee cemetery under direction of Owens-Brumley Funeral Home.

TAX FACTS #1 Selecting The Proper Tax Form

(This is one of a series of articles on federal income tax filing. The articles are based on information provided by the American Institute of Certified Public Accountants and the Texas Society of Certified Public Accountants, in cooperation with the Internal Revenue Service.)

IF you are one of the millions of American taxpayers who spends the lion's share of his income feeding, clothing, housing and entertaining his family, chances are there is very little you can do to reduce your 1958 federal income tax bill—but you owe it to yourself to try.

First of all, decide which of the two individual tax forms you are going to use to report your income. If you choose the wrong one, you may automatically cut yourself off from a possible tax savings.

The easiest way to file is to use the simple 1040-A Form. It's a card the size of a check, on which you answer a few simple questions and have the choice of either computing your own tax or letting the Government do it for you.

You are permitted to use the card form if your gross income consisted only of wages, dividends or interest totaling less than \$10,000, and if you did not have more than \$200 of gross income apart from that listed on your W-2 withholding slips.

Facts to Consider
Before deciding to use the card Form 1040-A, you should consider these facts:

1. Your tax will be figured from a table which allows you a deduction of about 10 per cent of your income instead of itemized deductions for contributions, taxes, interest paid, medical and dental expenses, etc.

2. There is no provision in this form for filing as the "head of household," as a "surviving spouse" or for claiming special credits for dividends and retirement income.

If you are sure that these two points would not cost you any tax savings, and your income is within the limits for filing a Form 1040-A, you might as well use the simple card form.

Author to Himself
When you elect to use the regular Form 1040, you still must

decide whether to itemize deductions or take the standard deduction which usually amounts to about 10 per cent of your income or \$1,000, whichever is less. Generally, you will save by itemizing deductions if you:

- (1) Own real estate
- (2) Had unusual medical expenses
- (3) Had deductible child-care expense
- (4) Suffered losses from fire, storm, accident or theft
- (5) Made fairly large charitable contributions

If you are supporting a dependent, although you are unmarried, you may be able to qualify as a "head of household" and figure your tax on a special table that gives you part of the advantage enjoyed by married couples filing joint returns.

You may qualify for a "head of household" status if you provide more than half the support of a parent, and more than half the cost of maintaining the parent's household even if the parent does not live with you. You cannot claim a "head of household" status if you file a Form 1040-A.

The 1040 Form is arranged again this year so that a taxpayer whose income was entirely from wages needs to use only the first one or two pages. Pages three and four are for other types of income and for computing the special credits for dividends and retirement income.

The instructions which come with your tax forms give further information on how to select the correct tax form. Help is also available from the Internal Revenue Service.
